Decoration Day

As you grow older, this day comes around very quick. When you look back to May 30, 1950, it has been a short time. Well, next Sunday is the start of a new era for the Walton Baptist Church with its new pastor, Rev. Wm. Burkett. He is young and full of energy, and needs a lot of help. There are over 500 members on the church roll. Don't forget Bible School starts Monday—then you can play all summer.

Here comes Earl Moore from Beaver—he got his wife a square aluminum tub heating washer, the best washer made, under all conditions. You can have your spinners, your automatic washers but when you really want washing done, always buy a square aluminum tub heating washer. Mrs. Hoffman and Mrs. Powers from over by Simon Kenton school were after more plastic window shades. Stanley Robinson was on a buying spree—he bought 6 horse Matheson spray, a thermos jug, an electric fan, and a lot of point to point his trailer.

Marah Sturgeon and Mr. Cottrell were buying poultry fences and fishing tackle. Miss Amy West called for two gallons of Boice Quick Drying Enamel—she has used Boice paint for years, inside and out. Jerry Maxwell and wife bought two beautiful 12x12 Armstrong linoleum rugs and eight adjustable window screens—Jerry bought a home on Plum Street. Eugene Coyle had me out sixteen pieces of 1/2-inch log chain twenty inches long and two pieces 5/16 inch chain eight feet long to make tire chains for his tractor. Joe Kennedy and Earl wanted two bolts a certain size, we didn't have, so we made them. B. M. Stephens, down on Gunpowder Creek Road, off U. S. 42, called for me to send him a Campbell corn and fertilizer drill. We just received five new rolls of 8-ft. Armstrong linoleum and have six more rolls on the road—all new patterns. I have seventy-five 3x4 and thirty 12x12 and 12x15 to select from, but I still do not have the pattern some of my lady customers want—you know these women are hard to please, that is the reason there are so many old maids. But we have a fine lot of old maids and widows in Walton and they can always feel free to call us to put up their stores, hang their screen doors or any little jobs they can't do.

Omer Kite and wife were in all dressed up—I asked them if they had been to a wedding or a funeral—Omer bought five gallons of Boice Outside White paint—he is always repainting—keeps his buildings in good condition. Lloyd Watson, who bought the farm across from Woodland Inn, broke his pitman rod on his mower, but I repaired it in a hurry and sent him back to the field. Harry Mayhugh was in for a few minutes—he is sure building a nice Tourist Court right beside the new house he just finished—he sure knows how to put the trim on them.

E. M. Johnson just came in with a nice string of fish he had just caught in the reservoir. Louis Webster was flying around over Walton in his new plane—you had better lower your car or he may knock them off. Mrs. Ora Fry bought some new plastic shades and had Ray come up to put up their shades, hang their screen doors and ship them—come in—we have plenty of them now.

Pete Johnson called up and said his old lawn mower had mowed her last round and for me to send him up a new one, which I did in a hurry. We have sold over thirty hand mowers and ten power mowers and still selling them. If the steel shortage gets worse, which it will, there will be very few good mowers next year. If you need one, buy it now, as we have had the best lot of mowers this year since 1947. Saturday, and I believe everyone came to town at once and stayed all day. Mrs. Anna McCabe was in buying an electric churn. Grandma Clifton and daughter were here buying point, poultry netting, hardware cloth and harness oil—also a whistling tea kettle. Lawrence Madden brought his electric sheep shears a for me to send in for repairs—wants to have them ready for next year. Mr. Polking, over on Taylor Mill, bought a corn jobber with a fertilizer box on it—it plants and fertilizes as you go. Chick sold another one of those rubber-tired wagons to someone in Grant county. Atlas Anderson, who now lives between Burlington and Bellevue, came over and got a Benis tobacco setter.

Mrs. Hoffman and Mrs. Powers were over again today. Mrs. Hoffman bought a lot of that Armstrong linoleum to cover her kitchen in her new house next to Simon Kenton school. A. A. Brown of Green Road, is building a new dairy barn, using steel pipe for framing instead of wood. He was just in and bought a lot of bolts and a Dayton 1/2-inch electric drill and some bits. J. C. Benton had Ray overhaul his mower knives. Harold Aylor was in after wool bags and strings. Joe Northcutt needed welded link chain. Bill Durr wanted tobacco setter parts. Myrick Couch bought a 50-gallon drum and faucet to put his gasoline in—he says everyone runs out of gas in front of his house, so he has to have a barrel full of gas to help his friends and neighbors get home—he also needs a little for his tractor. Jim Ellison just came in for tobacco setter parts. Cliff Ryan bought his wife a nice light weight hoe. Nolan Ryan bought a new Rustar plow—we have a few, but not enough.

Mabel Maddox was a Saturday morning shopper—she bought a large garbage can, 50 lbs. of Vigoro, a can of Trigon for her roses, and two pyrex dishes to bake Johnny a cake. Then Doc came in and bought a thermos jug. Tom Parker picked out two of those steel rocker type lawn chairs to be delivered Monday. Joe Kennedy, who owns the Gay 90's Tavern, bought the two Whiston boys, Bobbie and Jeff, a new tricycle for being such good boys. Mr. and Mrs. Jerry Maxwell bought two beautiful Armstrong rugs for their new home on Plum Street.

The other day, coming from Corvinton, I met a lady on a tractor at the stoplight in Ft. Mitchell. I just happened to notice her, dressed in overalls and with gray hair showing below her calico cap. Today she came in the store and I recognized her—she wanted wire fence, nails, feed tub, sledge handle and a coil halter. After talking to her I found out she is Cecile Kenna, who has a farm just behind Retschulte's in Ft. Mitchell—she is quite a farmer for a lady, and raises some extra fine horses.

When you need hardware CONRAD has it, or will get it. Do your buying in Walton, the best town of 1350 in Kentucky.

Heilman Opposes Vincent In Race For Commonwealth At'ney

Harlan Heilman, who has already announced as a Democratic candidate for the office of Commonwealth Attorney, has stated that, "Although prompted by the numerous requests of people throughout this district, my announcement came only after a serious study of the qualifications necessary and the time and attention required to be given each county in this district. As this office is an important one, it should not be treated as a 'sideline job' by only appearing in court for prosecution."

"Although Peace Officers may make arrests, the execution of the mandate of the law largely depends upon the willingness and ability of the Commonwealth Attorney. The people of this district have the right to expect the Commonwealth Attorney to devote the time and attention to each criminal prosecution as would any attorney they might personally employ to represent them in a civil suit in court."

Mr. Heilman further stated, "I am elected, I shall devote sufficient time and attention and carry out the duties of this office to the best of my ability."

"Since there are five counties in this district, it is impossible for me to see everyone; however, I shall make every effort to see as many voters as possible, and I invite any inquiry concerning my personal background and qualifications."

Harlan Heilman

At the present time, Mr. Heilman is the City Attorney of Carrollton. He is 35 years old, married, and the father of two children. He was born in Frankfort, Ky., where he attended grade and high schools. He also attended Georgetown College and the University of Louisville Law School where he received his law degree. In 1943, while in the Army, he took the State Bar Examination and was admitted to practice the same year. For two years Mr. Heilman was with the Mint service of the U. S. Treasury Department. During World War II he served overseas with the 4th Armored Division as a Tank Gunner, until wounded in action March 18, 1945. Since shortly after his release from the Hospital and discharge from the Army in November, 1945, he has been actively engaged in the practice of law, both in the Federal courts and the Court of Appeals, as well as our local courts of this district.

Ky. Farm Bureau Opposes The Roll Back In Beef Prices

Strong opposition to the roll back in beef prices is being waged by the Farm Bureau in district meetings being held in Kentucky.

The meeting held May 23 at the University of Kentucky on the University of Kentucky grounds, Lexington, was attended by J. Lassing Huey, James B. Jones, William E. Davis, Stanley W. Elmholtz, H. E. White, William B. Rogers, Jr., Beckham Shields, Joe Dringenberg, and John E. Crigler.

John Koons, special representative of the Farm Bureau, urged all farmers to write their Congressmen and Senators to vote to kill the wage and price provision of the Defense Production Act which expires June 30. The roll back calls for a reduction in beef prices which will be 18% by October 1, 1951. The Congressman to write, in this district, is Honorable Brent Spence, Washington, D. C., the Senators, Earle C. Clements and Thomas Underwood, Senate Building, Washington, D. C.

Assistant Secretary of Agriculture Ford told beef farmers that their department was behind them in their fight and would do all in their power to help maintain fair prices. Otto Tabb of the University of Kentucky outlined the costs of producing beef and showed that the present prices are not too high. He also pointed out that the average price per hour paid to factory workers will buy more pounds of meat today than it would in 1929. It was also pointed out by Jack Welch, President of the Owen County Farm Bureau, that whereas beef farmers are facing a roll back in prices, meat and butcher employees have been given a 9-cent an hour raise.

It was unanimously agreed that a resolution be drafted showing the farmers point of view in regards to the beef prices roll back and submitted to all Senators and Representatives, in the central and northern Kentucky counties, as well as to the Secretary of Agriculture and Vice President Bradley.

John E. Crigler of Boone county, James Cox of Fayette county, and Otto Tabb of the University of Kentucky were named on the resolutions committee. The resolution drafted by the committee was promptly read and approved by the farmers.

N. H. BOOSTERS WIN

The New Haven Boosters baseball team defeated the West Side All Stars, in the FOP League, 12-7, at the Newport Recreation Field, Saturday, June 2.

The battery for the New Haven team was Donald (Mink) Vest and Gayle Rouse. Vest struck out 16 and allowed only three hits. He also had a good bat, hitting two triples. Rouse collected four singles. Carroll Baker and Slayback accounted for two singles each.

The New Haven team will meet the Newport Catholic Colts at the Florence diamond, Saturday, June 9.

ert Pfanstiel, and Billy Gross; second row, Walter Sharon, Roy Lee Bell, Howard Ammerman, Jerry McMullan, James Ring, Carlos Oliver, and Donald Corner; back row, Bobby Cornelius, Bobby Durr, James Courtney, Thomas Stephenson, Charles Lawson, and Atwood Guttridge. Two boys, Bernard Perry and Dennis Clemons, were absent when the picture was taken.

MRS. HATTIE METCALFE

Funeral services for Mrs. Hattie Edwards Metcalfe, last member of a prominent Walton family, were held at 2:30 p. m., Sunday May 27, in the Chambers & Grubbs funeral home, Walton, with Rev. R. F. DeMoisey and Rev. G. W. Hoffman officiating. Burial was in Forest Lawn Memorial Park, Erlanger.

Mark Meadows sang "Beyond the Sunset," with Mrs. Bryan Rector as company. The pallbearers were Clifford Pruett, Nick Welch, Malcolm Simpson, Dan Roberts, Ward Rice, and Dan Bedinger.

Mrs. Metcalfe, who resided in the Waltonian Hotel, died late Friday, May 25 in Holmes Hospital, Cincinnati, Ohio, following a brief illness. She was a member of the Walton Methodist Church and Walton Chapter, No. 161, Order of Eastern Star. She is survived by two daughters, Mrs. Carl Conner and Mrs. R. C. Brakelield, both of Walton, and three grandchildren.

Judge John L. Vest Assembles Walton History for Rotarians

At a recent meeting of the Walton Rotary Club, Judge John L. Vest spoke on the subject, "Walton, Past, Present and Future." The "past" was very interesting and has been prepared in story form and presented to the Advertiser readers. The second and third parts were certain suggestions and recommendations, which will be dealt with by the City Council and various other organizations.

Here is the history of Walton, as presented by Judge Vest: "The Commonwealth of Kentucky was admitted as the fifteenth state of the United States in 1792. At that time the population was largely those who had migrated into what had theretofore been the 'County' of Kentucky in Virginia, and these migrations had been largely along two routes; one down the Ohio River with settlements at Maysville, Covington, Louisville, and Paducah, and the other route had been through Cumberland Gap toward the central part of the state.

In 1839 the Legislature of Kentucky passed an act creating the Covington and Lexington Turnpike Company for the purpose of forming a link between those who had settled in Central Kentucky at Lexington, Harrodsburg, Boonesboro, and other towns in the central part of the state. This project from Covington to Lexington was divided into two parts with Williams town as the division point.

On March 22, 1851 the Legislature of Kentucky passed another act in which it is recited that the portion of the Covington-Lexington Turnpike from Covington to Williams town had been completed, but that the other section from Williams town to Lexington still lacked approximately twelve miles lying south of Williams town, and by this act it was provided that the company having charge of the affairs of the section north of Williams town should take charge of the whole project and complete it.

TO WED SATURDAY

Sue Messmer

Mr. and Mrs. James L. Messmer of Verona, Ky., announce the forthcoming marriage of their daughter, Sue, to Mr. Derwood Northcutt, son of Mr. Howard Northcutt of Sherman, Ky., and Mrs. Lavonia Elliott of Walton. The wedding will take place at the Walton Christian Church on Saturday evening, June 9, at 7:30.

The bride-to-be was graduated from Walton-Verona High School in the class of 1951, and the groom-to-be was graduated from Dry Ridge High School in the class of 1945. Mr. Northcutt, a veteran of World War II, is now engaged in farming in Grant County.

The public is invited to attend the wedding.

MRS. MATTIE MAYHUGH

Mrs. Mattie Young Mayhugh, 83, widow of John D. Mayhugh, former Walton lumberman, died Sunday at her home here, after a long illness. She was a native of Grant County but had lived in Walton for half a century.

Surviving are five daughters, Mrs. Zella Walton, Mrs. Mabel Campbell and Mrs. Eleanor Isbell, all of Walton, and Mrs. George Wayman and Mrs. Richard Macke, both of Covington; two sons, J. Clifton Mayhugh, Nicholson lumberman, and Harry D. Mayhugh, Walton building contractor; 14 grandchildren, and nine great-grandchildren.

Funeral services were held Wednesday at 2 p. m. in the Chambers and Grubbs funeral home, Walton, with interment in Highland Cemetery.

Allen Resigns As Walton Fire Chief; Groger New Head

At a regular meeting of the Walton Volunteer Fire Department, J. R. Allen resigned as Chief of the Department. Mr. Allen gave other interests and pressing duties as his reasons for resigning.

There can be no doubt as to the progress of the Department under the able guidance and leadership of Jim Bob. He has done a remarkable job, and everyone appreciates his interest and energetic work for the Department and for the people of Walton, through the Department.

Said one of the firemen, "He has contributed his time and work unselfishly and we, as members of the Department, wish to express our gratitude to him for his untiring efforts. It was with deepest regret that we accepted his resignation."

Under the present constitution of the Department, Russell Groger, who held the office of Deputy Chief, will advance to the position of Chief. The Department also expressed appreciation for the cooperation given in the past by the citizens of Walton, and solicit your assistance in the future, in order to carry on the work.

Hopewell Circle to Meet

The Gladys Hopewell Circle of the Walton Baptist Church will meet at the home of Mrs. J. O. Ward, Tuesday, June 12, at 7:45 p. m. The hostess is also program chairman.

10-Ton Bulldozer Cause of Crash

A Kenton county road maintenance employee narrowly escaped death early last Thursday when a 10-ton bulldozer highlander he was driving crashed through a bridge on Fowler Creek Road, and plunged 15 feet into the stream.

William Knoeringer, 60, Walton, Route 1, was taken to St. Elizabeth Hospital, Covington, in the Independence Volunteer Fire Department ambulance. Although apparently uninjured, Knoeringer was held for observation at the hospital.

The huge vehicle was being moved from Fowler Creek Road to a repair project on Hempling Road. Knoeringer had driven the vehicle almost to the opposite side of the bridge when it collapsed.

Prior to last Tuesday, pieces of highway equipment weighing 20 tons, had been moved across the bridge without mishap. Neighbors said on that day an automobile crashed into the bridge abutment and weakened it. However, County police had no report of such an accident.

Knoeringer was pulled from the three-foot stream of water by fellow workers who immediately went to work removing the highlander from the water, under the supervision of Crew Foreman John Fogel.

L. E. McCarr, Kenton County engineer, said the 50-foot long span bridge, located just off Madison Pike, near Independence. He stated the structure had a wooden floor and iron supports, and that it would cost about \$10,000 to replace it. Meanwhile, traffic will ford the creek below the bridge.

Flower Show Held By Garden Club At Independence Church

The annual spring flower show given by the Kenton County Garden and Cultural Club was held at the Independence Christian Church on May 24. The judges were Mrs. W. Clarke of Williamstown, and Mrs. Robert Hume of Dry Ridge. Mrs. S. C. Pisk was general chairman, and Mrs. Orie S. Ware, co-chairman.

Committees were as follows: Classification, Mrs. William Brown, Mrs. Leslie Wagner and Mrs. J. C. Mayhugh; publicity, Mrs. Frank Stagman; staging, Mrs. Hubert Baird and Mrs. Ed Schenck; hospitality, Mrs. Dora Crotcher, Mrs. John Shaw and Mrs. H. L. Pitcher; clerk, Mrs. Howard Stephens; program and refreshments, Mrs. William Shropshire.

The sweepstakes winner was Mrs. William Brown; second place, Mrs. Frank Stagman; third place, Mrs. Hubert Baird.

Two non-members having flowers in the show and winning nine points in the iris classes were, Mrs. Raymond Dixon and James C. Ware. Mrs. S. C. Pisk will be hostess for the June meeting, at her home, followed by a tour of gardens.

Graduates from Berea

William Waller, son of Mr. and Mrs. W. A. Waller of Verona, was among the 155 seniors who received degrees from Berea College, Berea, Ky., on June 4. He received an AB degree in mathematics.

O.E.S. to Meet June 7

Officers of Walton Chapter, Order of Eastern Star, are requested to meet at the Masonic Hall, June 7, for the final practice before inspection, which is scheduled for June 14.

Attending General Assembly

Rev. Don Hopkins of the Union and Richmond Presbyterian Churches is attending the meeting of the General Assembly of the Presbyterian Church U. S. in Orlando, Fla., on June 7.

There will be no worship service at these two churches on Sunday, June 10, but the Sunday schools will meet at the usual hour.

FLORENCE NEWS

Mr. and Mrs. Donald Baker are receiving congratulations upon the arrival of a baby son. The community joins in extending best wishes.

Tommy Rouse of Park Avenue, received a very high honor the past week having passed to the eighth grade at St. Henry school, Erlanger, with an average of 99 per cent. Out of the nine tests completed, he received 100 per cent on eight of them. Having done so well on the seventh grade test, his teacher gave him the test for the eighth grade and he was far enough advanced to pass this test successfully. He is rated as having the intelligence of a high school freshman. His many friends wish him a successful future in his education.

A large group from the community attended the wedding of Miss Rita Hackman of South Ft. Mitchell, who became the bride of James Dutton Aylor of Goodridge Drive, Saturday morning at the Blessed Sacrament Church, Ft. Mitchell. It being a summer wedding, the bridal party chose pastel "rainbow" colors for all the gowns. Larry Aylor, cousin of the groom, was vocal soloist for the occasion and joined a trio from the choir to sing the Mass. Dutton Aylor is the son of Mr. and Mrs. Guy S. Aylor.

Sunday afternoon guests of Mr. and Mrs. Lawrence L. Aylor and children were Edgar Kinyon and friend, Mrs. Frances Elleman, and son David of Richmond, and Bloomington, Ind. Aylor and Kinyon served with the 38th Division in Hawaii and the Philippine Islands during World War II.

Mr. and Mrs. M. M. Graham of Park Hills, returned Sunday following a vacation trip through several southern states, visiting friends en route, and Mrs. Graham's sister, Mrs. Homer Eades and family of Chattanooga, Tenn.

Friends of Mrs. Paul Aylor regret to learn of her accidental fall recently when she suffered a double fracture of the right arm. However, we all wish her a rapid recovery.

E. G. Stephenson and wife attended the Sportsmen's show in Lexington, Saturday.

Mr. and Mrs. Wm. Floyd of Akron, Ohio arrived the past week for a visit with her sister, Mrs. Rogers Knox and family. Memorial Day they, with the Knox's, were guests of her brother, Francis K. Souther, and family and father, W. K. Souther.

Blayne Miller and Barbee Simpson entertained with a picnic party on Memorial Day at their country home in Park Hills. Lunch was served cafeteria style "in the shade of the old apple tree" with a picturesque view overlooking the Ohio River. Guests who enjoyed the occasion were Mrs. Mary Detzel and daughter, Helen, and Mrs. Mary Manger, all of Cincinnati; Mrs. Geo. Miller and the P. J. Allens. Miss Detzel, who, with a party of friends, made a tour of Europe the past summer, showed a number of pictures with her of interesting places, taken while abroad, which added to the enjoyment of the day.

Sunday luncheon guests of Mr. and Mrs. Eldridge Carpenter were his father, Theo. Carpenter, his brother, John, and Mr. and Mrs. Richard Keyer.

In 1885, Maud Norman Rachal, with 39 other members, realizing the need for a church at Union, left the Richmond church, to organize the Union Presbyterian Church. Mrs. Rachal being the only living charter member, her friends and members of the church honored her at the regular fellowship covered-dish dinner, at Mrs. Rachal's birthplace, the former Meredith Norman home, now occupied by Mrs. Moody.

Among the students who have arrived home for their summer vacation are J. F. Daugherty of Louisville Medical College, and Miss Joyce Ogg of Asbury College, Wilmore.

The L. J. Thompson family has moved to their new home recently constructed on Orchard St., Erlanger. Rev. Black of Penney Farms, Fla., is the guest of his daughter, Mrs. C. S. West, and family.

Kentucky Department of Agriculture

State Licences Now on Sale

State occupational licenses for the fiscal year 1951-52 are now on sale at county clerk's offices, according to R. A. Thompson, Director of the Division of Local Relations, Department of Revenue.

A license is required for these establishments:

- 1—Each restaurant serving hot food or hot drinks or both to the general public. Fee, \$10.00.
- 2—Each retail outlet of soft drinks or ice cream. Fee, \$5.00 for each, \$3.00 for each additional table or alley.
- 3—Each billiard or pool table or bowling alley, irrespective of size, where a fee is charged and collected directly or indirectly. Fee, \$30.00 for the first table or alley, plus \$5.00 for each additional table or alley.
- 4—Each retail outlet of tobacco products. Fee, \$10.00.
- 5—Wholesaling cigarettes. Fee, \$25.00.
- 6—Each theater: 20c per seat.

"Theater" means any building in which moving pictures, vaudeville, musical entertainment, or plays are regularly given. Open-air or drive-in theaters are to be considered theaters.) Each parking space for a motor vehicle is equivalent to two seats in calculating the fee on open-air or drive-in theaters.

Licenses expire June 30 and a 20 per cent penalty is added for delinquency.

WALTON HISTORY

(Continued from Page One)

passed until after the date upon which the census of that year was taken, namely April 1, 1890, and the act incorporating the town was not passed until April 22, 1890, so that prior to that date the census for 1880 and 1890 were taken as the "village" of Walton in connection with the Walton precinct, and prior to 1880 no census of any kind shows anything except the Walton precinct. Beginning with 1870, we will show by tabulation the population of Walton precinct, the village of Walton and the precinct separate up until 1890, after which we will show the population of the town each successive ten years. In 1870 the population of Walton Precinct of Boone County was 887, and no reference is made to the "village." In 1880 the population of the precinct was 1,072, but 289 of this number resided in the "village" of Walton. In 1890 the population of Walton precinct was 1,126, but of this number 484 were residents of the "village" of Walton, but 289 of this number resided in the "village" of Walton in 1890 the population of the town of Walton has been as follows:

1900	538
1910	650
1920	642
1930	854
1940	973
1950	1,353

Bob & Gene Has 2 Games

Two games a onen tap this week for the Bob & Gene baseball club of Florence. Friday night, at 8:00 p. m. they met Stanley Bavianar at the Covington Ball Park, and on Sunday, June 10, at Florence, they will tangle with the Hoosier All-Stars, with activity getting started at 2:30 p. m.

In the Friday scrap, the Eadesmen will be facing one of the better nines in the Buckeye League. Sunday's encounter is a regularly scheduled K. A. G. loop game. However, the All-Stars have been strengthened by the addition of some players, including Jimmy Slayback, Shorty Slayback, Doc Waters, Dorman Lang, a pitcher, and Rogowski, formerly of Wisconsin, a catcher.

Last Sunday, B. & G. went to Grant's Lick, where they turned in a fine performance to win 2-1, and remain undefeated in the K.A.G.

MCKENNEY-WOODS

Miss Ruth McKenney, daughter of John McKenney of Falmouth, and Mr. Ray Woods of Covington, son of Mrs. Flora Woods of Walton, were united in marriage Saturday, June 2, in a double-ring ceremony at the home of Rev. Joseph Hill in Latonia.

The bride's attendant was Jane Kampson, a sister of Covington, and Larry Collins, also of Covington, was best man.

The bride selected a blue suit with white accessories and wore a red rose corsage. Her sister was in a pink suite with white accessories. She wore a white carnation corsage.

The ceremony was followed by a reception at the home of the groom's mother on High Street.

Mr. and Mrs. Woods will reside in Covington.

Tea to Honor Educator

The Y. W. C. A. Council of the Simon Kenton Y-Teens will hold a quarterly business meeting at the home of Mrs. Lewis M. Gabriel of Finer, on Tuesday, June 12. Following the meeting, from three to four thirty, there will be a tea honoring Miss Elma Taylor, Dean of Girls at Simon Kenton High School.

Miss Taylor is one of the best known and most popular educators in Northern Kentucky. She has held important offices in educational organizations and has long been active in Girl Reserve, Y-Teen and Student Guidance activities.

All girls and women who have been associated with Miss Taylor in her organizations are invited to extend their felicitations at this time.

Young Adult B.T.U. Meets

The Young Adult B. T. U. of the Walton Baptist Church held its regular monthly meeting at the church on Friday evening, May 25, with Mrs. Jimmy Pennington as hostess.

After a delicious covered dish supper, the business session was called to order by the president, Mrs. Lawrence Wilson. After which the program leader, Eugene Sizemore, had charge of the program for the evening.

At the close of the meeting Mrs. Garrett was presented with a gift from the group.

Those enjoying the evening were: Mrs. Mary Garrett, Mr. and Mrs. Eugene Sizemore, Mrs. Christine Smith, Mr. and Mrs. Clifford Chance, Mr. and Mrs. Lawrence Wilson and son, Mrs. June Neumeister and children, Mrs. Dora Pennington and sons, Mr. and Mrs. Stanley Allen and sons, Raymond Brewster, Wayne Rice, and the hostess, Mrs. Pennington, and son, Jimmy Wayne.

WEIGHING STATIONS

Three weighing stations, near London, Pikeville and Georgetown, has been established to assist in effective checking of overweight and overlength trucks, with 13 more stations to be set up this year, it was announced this week by State Motor Transportation Commissioner John M. Kinnaird.

"These stations will be an effective force in enforcement of motor truck laws," said Kinnaird. "The stations have been checked for weight accuracy. We hope through these facilities to do a better job of checking of overloaded vehicles."

The State Highway Department is establishing the weighing stations on state-owned rights of way, with enforcement activities centered in the State Police and Motor Transportation Departments.

Additional weighing stations are slated to be near Clinton, Paducah, Elizabethtown, Morehead, Whitley City, Mayesville, Falmouth, Franklin, Bedford, Shelbyville, Owensboro, Glasgow and Hopkinsville, near either points of entry or heavily traveled roads.

Mrs. Mary Garrett, Mr. and Mrs. E. L. Stephenson and family of Fort Thomas, Mrs. Jimmy Pennington and son, and A. H. Stephenson were the guests Decoration Day of Mrs. Erna Stockman and father, J. W. Stephenson.

Air Force School Graduate

Pfc. John L. Dumbacher graduated last week from one of the Air Force Communications schools at Scott Air Force Base, Ill., according to an announcement made by Col. G. W. Pardy, base commander. He has been trained in the installation and maintenance of electronic equipment used in today's global Air Force.

Pfc. Dumbacher, 21, son of Mr. and Mrs. John L. Dumbacher, Wright Road, Walton, Route 1, graduated from Simon Kenton High School, and has been on active duty with the Air Force since September 5, 1950.

Prior to entering the Scott communications school, Pfc. Dumbacher completed basic training at Lackland Air Force Base, Texas.

Walton Homemakers

The Walton Homemakers will meet with Mrs. Ralph Carpenter on Friday, June 8 for an all-day session and covered-dish luncheon. Members who want to do huck towel weaving are to bring a huck towel and the color of D.M.C. thread they want to use, and those who wish to do glass etching, bring a clear glass or ash tray and razor blade.

Plans are to be made for the tour in July or August. This will be the last regular meeting until September.

Entertain for Son, Sunday

Mr. and Mrs. Charles May, Sr. of Dry Ridge, entertained Sunday for their son, Donald E. May, who left for the Army, June 6. Those present were: Mr. and Mrs. William Kindoll, Karen, Judith and Billy Kindoll, Mr. and Mrs. Charles May, Jr. of Price Hill, Cincinnati, Mr. and Mrs. Earl Webb, Gregory, Vicki and Michael Webb, Mr. and Mrs. Charles Wilson, Norma, Charles and Linda Whaln, Mr. and Mrs. Jeff Barnes, and the guest of honor, Donald. A delicious dinner was served and a delightful day was had by all.

CARD OF THANKS—

I wish to express my deep appreciation for the kindness shown me in the death of my brother, Ed Neumeister.

Especially do I wish to thank the donors of flowers, the palbearers, and Hamilton Funeral Home, 11-23.

—ALICIA NEUMEISTER

Mrs. J. T. Stone and Lloyd Armstrong spent Decoration Day with their sister, Mrs. William House, and Mr. House at Independence.

SHORT STORY

Valuable Man
By Richard Hill Wilkison

THE DOOR MARKED "Private" opened and a girl appeared. "Come in please, Mr. Jeffrey," she said.

Tully dropped the magazine he had been reading onto the reception room table.

past the girl. "Mr. Gunner," said the girl, "has an appointment this morning. He asked our Mr. Jacobs to talk to you."

A rage seized Tully, and a determination. He thought: "To hell with Gunner and his job! I'm going back to Boston. But first I'm going in there and tell that yes-man what I figure I'm worth."

The yes-man was a typical, efficient yes-man, small, bespectacled and used to handling unpleasant duties for Mr. Gunner.

"Sit down, sit down, Jeffrey," he said. "We understand you have a letter. You're seeking employment. Mr. Gunner is very sorry to have to advise that at the moment there's nothing. Not a thing."

"Good," said Tully. "I decided not to take the job anyway. I decided you can't pay what I'm worth."

"Really?" said Mr. Jacobs, arching his brow. "And that is?"

"Two hundred and seventy-five dollars a week!" said Tully. He rose. "Good day, Mr. Jacobs. Give my uncle's regards to Mr. Gunner."

Mr. Jacobs sat at his desk with pursed lips and stared thoughtfully slammed but closed with a determined firmness. Presently he rose at the door that Tully had not and heaved the privacy of portly Mr. Gunner.

new ideas. If he's worth \$275 to Irwin or any one else, he's worth \$300 to us. I'll handle it myself."

When Mr. Gunner decided to handle anything he went to town. This tenaciousness was responsible for the success of his present firm. Never give up when you think you have something good, was his motto. Thus it was that Tully, returning home late from the theater, found a middle-aged, portly, important-looking man parked before his door.

Briefly Mr. Jacobs outlined what was in his mind.

"Asking \$275, eh? Said he didn't want our job? Probably offered a better job by Erwin and Company. Called here to pay the respects of his uncle, Humm. Treated him rather shoddy, didn't we, Jacobs? Must be a good man. We need good men. Get hold of him, Jacobs."

Mr. Jacobs tried Tully's hotel. There was a wait, then the clerk told him Mr. Jeffrey didn't wish to talk to any representative of Gunner, Inc.

MR. JACOBS went back to the office. Three times that afternoon he called Tully's hotel, but without success. He reported to Mr. Gunner. Mr. Gunner grew thoughtful.

"Jacobs, this youngster is probably the very man we've been looking for. Young, fresh viewpoint,

Outside in the corridor, Mr. Gunner mopped his forehead. What a break! The kid was probably worth twice that much. And this uncle of his. He'd have to remind Jacobs to find out the old boy's name, first thing in the morning.

PROPER FERTILIZER
DOUBLES CROP YIELD

Application of the right fertilizer in the proper amount increased last year's tobacco yield by 100% for Marion Routin of Taylor county, said Farm Agent C. V. Bryan.

In 1949 his acre of leaf made 970 pounds and sold for \$400. The following year he had his soil tested. Then he followed recommendations for using fertilizer. In 1950 his tobacco weighed 1,498 pounds and sold for \$809.

FirePower
ACCEPT NO SUBSTITUTES . . . because there aren't any!

Chrysler's new FirePower engine has rocked the automobile business right down to its roots.

Quietly, behind all the laboratory talk of "engines of tomorrow" . . . Chrysler has built a revolutionary engine for you to drive today!

It can give you 180 horsepower, to surpass any other engine in any other car. It develops its power in its own new kind of way!

But you don't have to "baby" it . . . or give it fancy quality gasoline to get that 180 horsepower performance!

FirePower takes any regular grade gasoline you care to buy . . . and adds its own new "mechanical octanes" to the power-giving octanes of the gasoline itself.

The result is something new and startling in responsiveness . . . and in safety, too. You get quicker and smoother control of when and how you move than you have ever felt before.

It's the engine of tomorrow . . . on the road for you today . . . and your Chrysler dealer invites you now to try it, in the all-around most astonishing new car you ever drove!

180 HORSEPOWER

Here's the new Hemispherical Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades can't do in any other engine you can drive today!

Chrysler FirePower *Finest engine ever put in an automobile*

DEPENDABLE REPUTATION

To insure full value and best quality when buying diamonds, patronize a house whose reputation you know to be dependable . . . a reputation that has withstood the test of time.

For 92 years in this one location, growing with Covington and its people, Motch's has built just such a reputation . . . one that has stood the test of time . . . that has made us proud of the fact that those same customers who patronized us years ago are still coming and sending their children to us for advice and assistance in their diamond needs.

Not to Be Served
Lesson for June 10, 1951

THERE are at least three ideas of what religion is, and two of them are wrong if Jesus was right. To put this more positively and correctly: All three ideas have some truth in them, but if either the first or the second is taken as the main and only truth, then religion goes wrong. While Christ's truth carries in itself all the truth the others have.

Religion Is Not Retreat
FIRST of these wrong ideas about religion is that it is a retreat from the world, a private conference between God and the soul—and nothing more. People holding this idea have literally fled from the world, they have lived as hermits, they have taken vows of silence and not spoken to a living soul for years on end, they have lived in little shut-in communities devoted to contemplation and prayer.

Now the relation between God and the soul is extremely important. Prayer and contemplation are the very atmosphere of religion, and the Christian ought always to be truly separate from the world. But nobody is any better for taking a vow of silence.

Jesus was not that kind of person. His apartness from the world was not marked by a brick wall, but by his being a different kind of person, in the world.

Religion Is Not a Guarantee
A notion wrong idea about religion is that it is a means of gain. Being religious is supposed to be a sure way of getting what you want, it means getting God on your side, it means having all your prayers answered, it means prosperity and success.

Surely no one could study the story of Jesus and come away with that notion in his head! Jesus got neither health, wealth, popularity nor success out of being what he was and doing what he did.

The most respectable citizens regarded him as a wicked man; his property was only the clothes he wore; he is known to us as a "man of sorrows and acquainted with grief"; as for success, it is written that "he came to his own, and his own received him not."

Well, some one will ask, do you mean to say there is nothing in being a Christian? Don't you get anything at all out of it? That is a fair question.

Yes, there is everything to be gained; but not in that money-making, happiness-guaranteeing fashion. The person who "goes in for religion" hoping to advance his own interests, is still only a selfish man; and selfishness and Christianity are just crosswise.

Not To Be Served
THE third idea is in Jesus' words: "The son of man came not to be served but to serve, and to give his life a ransom for many." And as one of his great followers said: "As he is, so are we in this world." (1 John 4:17.)
This is the ideal of service, in its deepest, widest sense; and it takes in both those other ideals of religion. One of the best ways of serving others is to pray for them, as Jesus did. One of the best things we can do for others is to live as close to God as we can. But as Jesus himself said: "For their sakes I dedicate myself."

It is true, also, that something is to be gained from religion; but not that a selfish, greedy, money-loving person can understand. As one of the great creeds expresses it, the "benefit of redemption, the assurance of God's love, peace of conscience, increase of grace, and perseverance therein to the end."

These are priceless, but no one can understand such things or even wish for them so long as he is a self-loving person. Jesus served men's bodies and minds, he taught and healed; but deeper than this, he came to save men—save them from their worst selves, bringing them out, from slavery of sin, into the freedom of God.

So the Christian who wants to know the full meaning of his religion will, like his Master, so far as he can find opportunity, serve others' needs in every way he can. And the best service one person can do for another, after all, is to introduce him to Christ.

June Brides & Tobacco Setters

We are sure busy, between gifts for June brides and farmers wanting tobacco setters and repairs—also Barnold and Copper dust for blight on tomatoes—and those bean beetles are waiting to give them Rotenone. Ross Chapman just came in and said he wanted something I didn't have—he said a fellow in Owen county had a cow that gave 16 gallons of milk a day, and the owner had a small cart he put under her udder to hold it up—so, Jay Webster had a cow that gave 14 gallons a day, and he wanted one of those carts to put under this cow's udder to keep from making her away-back. You never know what they will call for.

Mrs. Cleve Marsh and her son, Henry, were in today—her electric iron needed repairing. Bryan Rector bought him a lawn mower for his summer exercise equipment—they will give you the exercise if you keep pushing. Dorothy Groger stopped on the way home from work and bought two deck chairs, so they could sit out under the moon in the cool evening breeze. Sculch Robinson called for Rotenone for bean beetles. Mildred Vest just called for Barnold for tomato blight. Sally Roberts bought some fume pipe for her water heater. Mark Werthington needed Bemis tobacco setter parts.

Lester Wilson came down after 25 feet of 1 1/4 inch water hose, a 1 1/4 inch gate valve to put on his water tank to haul water to set tobacco. Raymond Conner's wife came after some 50-gallon drums to haul water in. John Rice needed tobacco setter repairs. Herman Caldwell bought corner iron to repair his door. Grandma Clifton came up and bought a Jansaway hay carrier, track, fork and everything complete for a 50-ft. barn—she also bought 2 rolls of poultry netting and had Brewster deliver it right now.

Omer Kite and wife were in today—Omer decided to try some 2457 brush killers. He sold her bought \$4.50 worth of killer and a \$7.00 sprayer to put in on with. Evlin Huff, who is building the new roadhouse just beyond Woodland Inn, had Chick cut up all the angle iron we had for his new building. Jim Beach from Gallatin county came over after the last Bemis tobacco setter. Her iron to repair his door. Grandma Clifton had setters for some of his customers. Denny Davis took a Rastus plow home with him.

Mrs. John Hanks was a rug customer and she always takes Armstrong for they are the best. Mrs. Clayton Percival bought three of those Breneman plastic shades. Breneman makes a good shade, and that is the only kind we sell. Robert Wood bought the last used horse-drawn tobacco setter I had. Mr. and Mrs. Joe Linderback bought a beautiful Gibson refrigerator with the freezer chest in it. Mrs. H. L. Vest and Marie came after screen wire, some galvanized and some plastic. Grandma Clifton was back today after 11 yards of screen wire.

Ben Dixon came up after tobacco setter repairs. James Messmer bought a lot of galvanized screen wire. George Brooks needed a new cord on his electric iron. Sue Jarman bought double curtain rods. Dewey Ferguson was buying Dr. Hess stock medicine. Kash Martin could not pass the fish tackle case without buying more tackle. I had a lady buy her husband a nice rod and reel for his birthday, but I can't say who she was.

Monday morning and Bob Storyback called me out of bed for a Bemis tobacco setter. I sent Red to Lexington after two, and by the time he got back I had sold the other one to Bill Goshorn of Flakburg. Sodie Delaney bought the last Eclipse hand mower I had. Roy Edwards, over Atwood way, bought a Neo electric mower. Ray and Red put Mrs. Forest Marsh in a new Perfection electric range—this is the finest and cheapest electric stove you can buy. Electric is the cheapest, easiest and safest way to cook. You get more out of a dollar's worth of electricity than anything you can buy. Cook with electric and save money.

Edna Combs, the Powder Puff Beauty Shop operator, called for a dust mop and wax. Mrs. Ethel Sheppard, that famous frying chicken raiser, was in—she has the most wonderful fryers, and they are dressed, ready to eat, if you want them that way. Just get in some one-hand-setters, two kinds, an Owens for \$6.50, and a Perfection for \$9.50—don't wait, get one while I have them. If its hardware or anything near to hardware, come to CONRAD'S! We have the merchandise now, but it is getting scarce day by day.

PROBABLY you have never thought of buying national defense "by the yard." But that's what the Southern Railway System has been doing.

For example, our new ultra-modern Yard at Birmingham... now under construction... will cost more than \$9 million. Modernizing our Yard at Knoxville... now nearly completed... is costing another \$3 million. These Yards are necessary defense projects... like the new Diesels and other equipment and facilities we are placing in service.

Because of this forward-looking program, vital defense traffic will flow faster to and from mills and factories throughout the modern Southland, speeding on stepped-up schedules to hundreds of destinations... adding might to America's national defense effort.

True, the "cost per yard" of national defense comes high. But who can put a price tag on national security?

Wool Clip Sale Withheld

Sale of the 1951 wool clip will be withheld until the latter part of June or the first of July, according to the sales committee. This action is taken due to the information received from buyers and the Economics Department of the University of Kentucky. Wool prices at the present time are rather unsteady and are expected to level off and perhaps rise near the end of June.

Growers are asked to bear with the committee on the delay in the hope of securing a higher price for the clip.

This is one of the ten new cottages at General Butler State Park near Carrollton, which are now open and ready for occupancy. Each of the cottages are fully equipped for housekeeping.

Carrollton, Ky., June 14—Ten new vacation cottages have been opened and are now ready for occupancy at General Butler State Park here.

Fully equipped for housekeeping, six of these cottages have a living room, bedroom, kitchenette, bath and screened-in porch. Four have an extra bathroom.

There are a number of other cottages in the park and some may be had for as little as \$30 a week for a couple.

General Butler State Park is noted as a recreational park and the facilities there are complete to offer a program of well rounded activities during a guest's stay. A scenic lake, with a developed beach area, offers swimming, boating and fishing.

A bathroom and refreshment stand are conveniently located near the beach.

Picnic areas are available for those who want to enjoy a meal outdoors.

A group camp which will accommodate 160 persons is in operation at the park.

From the observation point, one gets a scenic view of the Ohio and Kentucky Rivers.

The park was named after General William Orlando Butler, hero of the Battle of New Orleans and the War with Mexico. The famous soldier is buried in the park area and his home is being restored and refurnished as a mansion museum.

Robert Anderson of McCreary county is building an earth dam to create a pond of one and a half acres. Approximately 600 dogs in Greenup county were vaccinated through the cooperation of the Farm Bureau and Extension Service.

Moves to Fort Lee, Va.

Sgt. James O. Dudgeon, one of Walton's young men who served three years in World War II, and who reenlisted in 1948, and who, for the past year, has been an R.O.T.C. instructor in State Teachers College, Indiana, Pa., is leaving there for Fort Lee, Va., as a platoon leader in the R.O.T.C. summer camp for college cadets.

After this work is finished, Sgt. Dudgeon will go to school to finish his education as an instructor for the U. S. Army.

Mrs. Dudgeon and little daughter, are spending a few weeks with her father, Richard Ricard in Brunswick, Ga., after which they will join Sgt. Dudgeon at Fort Lee.

Now Serving in Korea

Pvt. Oscar Lee Johnson, son of Martha Johnson, Church St., Walton, is now serving with the 7th Quartermaster Company in Korea.

A truck driver in the company's colorful "Eightball Express" convoys, Johnson makes daily trips over Korea's rugged mountain roads, hauling fuel, clothing, equipment, and food for the Seventh Division's fighting units.

In a normal day's run, they haul more than 20,000 gallons of gasoline and enough food for 60,000 meals. Johnson entered the service in October of 1950.

Earl Jones of Daviess county cut his spring pig losses more than half after he built two farrowing crates.

In Pike county, 80 portable sap tables have been made and 20 more are on order as a result of Homemakers club lessons on improved kitchens.

CARD OF THANKS—

We wish to express our sincere and heartfelt thanks to the friends, neighbors and relatives for the kindness shown during the illness, and the sympathy extended to us in the hours of our bereavement in the loss of our beloved mother and grandmother, Mattie Mayhugh.

Especially do we wish to express our sincere thanks and appreciation to Dr. J. M. Huey, the nurses, Rev. R. F. DeMolsey, Rev. C. F. Gravelly, Al Fields, all donors of the beautiful floral offerings, and Wallace and Mary Grubbs, funeral directors, for the kind and efficient management of the funeral.

Walton Homemakers Meet

The Walton Homemakers met in the home of Mrs. Ralph Carpenter last Friday, with Mrs. Leo Flynn presiding. Fifteen members answered roll call with "How I met my husband." There were five visitors present. The club plans to charter a bus and attend the State Fair one day.

Mrs. Flynn, newly-elected president, appointed the following committees: Program, Mrs. Scott Lancaster and Mrs. Pearl Bedinger; Live at Home, Mrs. Louis Hudson; Citizenship, Mrs. Lillian Gohs; Membership, Mrs. Ralph Carpenter and Mrs. Carrie Rouse; Reading, Mrs. William Lancaster; Publicity, Mrs. Mayme Simpson. Starting in September the following lessons will be given: Decorative Stitches, Lucy Callen and Margaret Wood, committee; Gloves, Alice Flynn and Mary Stephenson; Better Business Bureau, Anna Pearl Gaines and Louise Rouse; Style Trend, in September, Marie Penick. Lessons on weaving of huck towels and glass etching were given by Mrs. Leo Flynn and Mrs. J. T. Stone, respectively.

Mrs. William Lancaster was the only member who was 100% in attendance this year. The September meeting will be held in the home of Mrs. Mayme Simpson.

Christian Church

(Continued from Page One)

On Monday, June 18, the annual Daily Vacation Bible School will begin. The hours each day, excepting Saturdays and Sundays, will be from 9 to 11:30 a. m. The age group will range from Nursery through fourteen years. The curriculum will include Bible study, worship for each age level, handwork, sewing, craft, music, painting, drama, choral speaking, choir, memory drill work, missionary stories, chapel services, recreation, refreshment hour, and religious art. The faculty and staff will be as follows: Mrs. Jim Webster, Miss Coretta Rice, Mrs. Edgar Elmore, Miss June Doan, Mrs. Sally Roberts, Mrs. Kirtlev Brewer, Miss Imogene Elmore, Mrs. J. C. Acree, Mrs. Don Stephenson, Mrs. Jack Rouse, Mrs. Claude Adams, Mrs. Pearl Stephenson, Mrs. Foster Guttidge, Mrs. Frederica Mann, Mrs. Marie Penick, Miss Libbie Ingram, Mrs. Albert Parker, Mrs. Jesse Callen, Mrs. Jane Sleet, Miss Norma Gadd, Mrs. Catherine Simpson, Mrs. Gravelly, and Rev. Gravelly, who will serve as director of the school.

The Christian Men's Fellowship is to meet Thursday, June 21 at 7:30 p. m., for a pot-luck supper, sing, prayer meeting Tuesday evening at 8:00 in Fellowship Hall. Rev. Gravelly leads the study of the Gospel of St. John, discovering the laws of prayer and faith as revealed in the word and teachings of Jesus, interpreted by John, the beloved apostle.

Choir rehearsals are held weekly on Wednesday evenings in the sanctuary of the church, under the direction of James Spencer, organist and director.

If you do not have a church home in Walton, you are invited to attend the worship services of Walton Christian Church and to participate in its program of study, worship and service.—Pub. Com.

RILEY-PARSON

The wedding of Miss Wavilyn Riley and Mr. Dewey Parson was solemnized at 7:30 p. m., Saturday evening in the Staffordburg Methodist Church. The altar was beautiful in its decorations of palm and white satin ribbon.

The bride's best friend, Miss Rose Mary Binder, was bride's maid, and the groom's brother, Mr. Jack Parson, served as best man. The bride's brothers, Mr. Winford Riley and Mr. Wayne Riley, were ushers. The little flower girls were Misses Beverly Riley and Karen Binder. Mr. Jimmie Lee was pianist, and Mrs. Harry May very graciously sang several selections.

The bride, given in marriage by her father, was lovely in white satin with lace trimmings. The bride's maid wore yellow satin with lace trimming, and a wide lace hat.

A reception followed the ceremony, which was held in the church basement.

The bride and groom left immediately after the reception for a week's honeymoon. On returning, they will reside with the bride's parents for a few weeks before going to house-keeping.

Services Every Sunday

According to Rev. Bernard Meece, pastor, the Goshen Christian Church at Piner, is now "full time," and services will be held every Sunday morning and evening. This coming Sunday the pastor will speak upon the subject, "The Mightiest Force In the World."

Revival services are also announced for the Goshen church, August 6 through August 15, with services each evening at 8 o'clock. The guest speaker is to be Rev. Charles Holder of Richmond, Ky., the same evangelist who was at this church last year.

Recovering from Accident

Guy Piner of Crittenden, has been confined to his home recovering from injuries received while at work. His left leg was caught in a runner which tore off all his clothing, and, had not the power been turned off he would have lost his life, but, as his wife says, "God was with him and saved his life. It pays to be a Christian. He has all bandages off and is getting along nicely, thank God."

Recent guests of the Piners were Mr. and Mrs. Charles Colcord and daughter, Lois, and Mr. and Mrs. Owen Skirvin of Wyoming, R. I., and Mr. and Mrs. Edward Recker and children of Latonia, and Mr. and Mrs. Porter Skirvin and son of Williamson.

Here's 180 Horsepower... on regular grade gas—Now!

NEW YORKER NEWPORT

It's always interesting to hear about future-looking experiments with new super engines to run on new super-octane fuels...someday.

But it's even more interesting to hear today's real life, on-the-highway talk about Chrysler's new super-performing FirePower engine. FirePower takes any regular grade gas you care to buy . . . and adds its own

new mechanical octanes to the power-giving octanes of the gasoline itself. The result is 180 horsepower performance such as no other passenger car built in the U.S. today can equal.

If you haven't driven Chrysler FirePower yet, your Chrysler dealer invites you to do so now. It's the most revolutionary engine in 27 years. It offers highway satisfaction and safety such as you've never known.

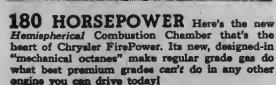

And it's a sounder engine other ways than any other on the road. Its new design keeps it almost completely carbon-free. It is smooth and quiet . . . but also rugged

and strong and free from need for great attention and repair.

Now remember that this same new Chrysler offers you the new Hydramatic power steering* . . . plus the amazing new rough-road stability of Oriflow shock absorbers . . . plus Water-Proof Ignition, and Vacuum-Ease Chrysler Cyclebonded super-brakes . . . then come see what we mean when we say the car of your tomorrow is right here for you to drive . . . today, and for years to come!

*Hydramatic regular on Crown Imperial, optional at extra cost on other Imperial and New Yorker models.

180 HORSEPOWER Here's the new Experimental Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas what best premium grades can't do in any other engine you can drive today!

DEPENDABLE REPUTATION

To insure full value and best quality when buying diamonds, patronize a house whose reputation you know to be dependable ... a reputation that has withstood the test of time.

For 92 years in this location, growing with Covington and its people, Motch's has built just such a reputation ... one that has stood the test of time ... that has made us proud of the fact that those customers who so patronized us a year ago are still coming and sending their children to us for advice and assistance in their diamond needs.

Tell the Story!
Lesson for June 17, 1951

"TELL me the old, old story" is a favorite hymn in many places. But the first Christians would have been considerably puzzled by that hymn if you had tried it on them. It was no old, old story for them, it was hot news.

Whatever objections people may have had to Christianity in the first days, they never said it was "old stuff." More than that, Christians did not go around telling one another the story of Jesus. When Jesus said, "Be my witnesses," his first hearers did not think he meant "Go, tell those for whom it is an old story."

The early church was by no means an organization devoted to repeating something they knew by heart, like the ritual of a lodge. It was devoted to telling the good news about God to people who did not know that God had any good news.

The Gospel Is a Story
THE saying has been quoted in this column before: Christianity first came to the world not on the editorial but on the news pages. Christianity is not God's new advice to the world. It is first of all the something God has done for the world.

"Gospel" in Greek means simply good news. It is the story of Jesus, the kind of person he was, the kind of truths he taught, the kind of work he did, the death he died. But the story of Jesus is more than the story of a man, uniquely great though he was.

It is, after all, the story of God. God who became man so that in the life of Christ Jesus we can read the story of God, see the invisible, know the Great Unknown. The early Christians were not theologians, and they did not use the language or the formulas that centuries of thought were to hammer out. They never used the word "Incarnation" and seldom used the word "Atonement." But that was what they were driving at.

The Story Is a Challenge
LOOK through the book of Acts for the story of Jesus as the early Christians told it, and you will see that the Incarnation and the Atonement are there. The Incarnation—that God has lived among us as a man among men, that the glory of God is in the face of Christ. The Atonement—that for Christ's sake God offers forgiveness to all men, that the door to God's love is a wide-open portal.

The early church taught and told this; but not just as a story to entertain or inform, not as a puzzle to be solved, not as something to be believed or not, as we please; but as THE story, not only the "greatest story ever told" but beyond any comparison the most important.

If you cannot see God in Christ, where can you see him? If you will not take God's forgiveness for Christ's sake, then what right have you to look for forgiveness at all?

Christianity Is a Life
THE readers of the book of Acts will discover that the early Christians were not simply preachers. They lived a new sort of life. The essential thing was that they lived as a family—the family of God. They so lived that few have fully imitated them since.

The way in which Christians treated one another was so different from what the world was used to, that an almost new word had to be used for it.

When Paul went about preaching, a good deal of what he said was about himself. Was it because he had taken the place of Jesus? No, it was the other way around—Jesus had taken his place. That is, what Paul had to tell was not simply the story of Jesus "from Bethlehem to Calvary," it was not even the story of the Resurrection.

What always aroused Paul's finest eloquence was his story of what Christ had done to him, for him, through him, in him. The Gospel is the power of God, he said to the Romans. And if this were not true, do you suppose the Christian religion could have lasted as long as it has?

But the telling of this story, and the living of it, is not something the church can leave to the women, or to the preachers, or to "missionary societies." Letting the world know the news, the good news, is the business of the whole family of God.

STAFFORDSBURG HOME MAKERS

Mrs. Lou Deuser was hostess to the Staffordsburg Homemakers Club for the June meeting. Election of the following officers took place: Mrs. William Gaskler, President; Mrs. Ralph Howard, Vice President; Mrs. J. C. Beall, Secretary-Treasurer, and Mrs. Edith Ware, Program Chairman.

"A new flower I am growing in my garden," was given in response to roll call. Mrs. Mabel Carr was welcomed as a new member. Mrs. Bluch Rich gave a short talk in observance of International Day. She also gave the lines entitled "It's Your Business," taken from Lincoln's speech in Indianapolis, February 11, 1961. Mrs. J. A. Keeney presented an interesting book review of "Pilgrim's Inn" by Elizabeth Goudge.

A picnic for club members and their families will be held at the home of Mrs. Bluch Rich on June 25. Tentative plans were made for the two-day bus tour, sponsored by the club, on July 17-18. The tour will include Clifty Falls, Ind., Spring Hill, Indianapolis, and other points of interest. Guests attending were: Mesdames C. W. Brooks, Mattie Powers, Daisy Stone, and Miss Minnie Rapp. The members were: Mesdames Denver Binder, William Binder, H. L. Faulner, Chester Hill, George Klein, Roy Payne, L. J. Rapp, Stella Richardson, Emil Steln, John Shaw and Mabel Van Lendingham.

It is estimated that Wolfe county has 300 percent more acres of pasture than in any other year.

Tobacco Setters

We sold ten Bemis tobacco setters and thirty Perfection hand setters, then I went to Lexington and brought back twelve Owens hand setters and three about gone—we even sold all the used horse-drawn setters we took in on trade. Now the tomato blight, potato bugs and bean beetles are keeping us busy—we have Copper Dust and Bordeaux for tomato blight, DDT dust and Mordant for potato bugs, and Rotenone, in all strengths, for bean beetles.

John Cheesman and Charlotte Menke were married Saturday, and were in today buying pots and window shades—John is working at Ellis Farm. Grimes Huey and Pauline Stephens were married Sunday afternoon, and I suppose they are on a honeymoon—I haven't heard. Darwood Northcutt and Sue Measmer were also married Saturday—three weddings on one weekend is keeping Walton busy. Three more households started and no more houses—now you know why there is a housing shortage.

We just delivered W. H. Poe, down on South Fork. A rubber tired wagon—these are very handy when you have a tractor and only \$125.00 less tire, and most everyone has some old 16-in. tires. Harry Armstrong of White's Tower came over after a Paragon sprayer. I had several strangers buying hand tobacco setters, and we have plenty Tree Tavern. Bought a power lawn mower—the mowed everything—weeds, grass, sticks, wire, rock and iron rods—it made the mower a little dull, but they sharpened it.

I finally received that shipment of straw hats we have all sizes and kinds for the whole family. We also unloaded some Great States hand lawn mowers today—this is supposed to be one of the old reliable makers and they are only \$17.50. I have three Reo and one Eclipse power mowers left. Now is the time to get your mower mowed. Let me carry them over. I have a good used Coldspot refrigerator, cheap—if you need a real cheap refrigerator, this is it. Don't you need a power sicle grinder, complete with motor, ready to use, for only \$27.50, or a hand type for just \$8.95.

Stan Eichholz from over on U. S. 42 bought a Bemis tobacco setter—we have been out three times already, but we keep getting some. They delivered Leslie and Herbert Hoffman more fences today—they have been my best fence customers this year. I just received a card from Hugh and India Arnold, who are on a big fishing trip up in the mountains in California—they seem to like it out there, but of course like to hear from old friends back here. Buy your wife a new Perfection electric range, the greatest cooking stove ever made, fully automatic and very cheap to operate—at today's prices electricity is the cheapest thing you get for your money.

We sold a lot of small items today. Orin Osborn came after glass and putty for the school. Carl Simpson called for a chain clasp pump. But Chick had the truck in Lexington getting tobacco setters, so Carl came up and I put the pump and pipe in his car. Doris Jones needed West-

inghouse electric bulbs, also some of those yellow bug repellent bulbs. Goyette Flynn also needed electric bulbs and Rotenone for her bean beetles.

Alice Flynn wanted something to kill bugs so small that they go right through screen wire—she says if they eat after dark, they come into the house in droves, all over the food. I'll have to study a little in this case as what to sell her to keep these bugs off the table. Bruce Cox came after bolts. Bob Benita needed a spring for his corn planter. Lester Wilson came from Crittenden after Tiger setter parts. Clem Rauckhorst and wife bought more Armstrong lineum—this is the third time this spring.

I just unloaded a truck with enough bug dust to kill all the bugs and blight in all five counties. Rotenone, DDT powder, Copper dust for tomato blight, potato bug killer Mordant and Barmold for blight and plenty of liquid bug killer. Steel production will be cut July 1—if you need a new stove or refrigerator, you had better buy. Copper, steel and aluminum will be allotted and we had several years of that—so you know what it means, very scarce and higher prices. Washers are very scarce now—we have a few at the old price.

Wm. Minton, over Verona way, bought the last Bemis setter I had. We sold ten this year, which is not bad for three country boys. Ed Hamilton, wife and daughter were up today—Mrs. Hamilton bought a 12-15 Armstrong rug and 35 sq. yds. of Armstrong lineum—Ed and I had an awful hard time selling her, but we finally made the deal. Jim Dudgeon came in and bought a straw hat—he wanted one tough and strong enough to use for killing wasps and bumble bees. We all mourn the passing of Earl (Old Red) Robinson. Most everyone knows him, Old Red and he had a host of friends, especially among the farmers, as he was one of the "old timers" on the tobacco market.

I had two very fine ladies up from Elliston today—Mrs. Ruth Beech and Mrs. Stella Collins, who always have a fuss with me—they are building a new church and were inquiring about the vaneless blinds. We sell several of these and they really are nice. They are made to order by Chas. Breneman Co., Cincinnati, Ohio, who make a quality blind as well as their shades. Pauline Flynn had Brewster bring two or three power lawn mowers out for a demonstration—she kept the Eclipse, which is the best power mower sold today. Deaver and Gertrude Gabbard bought an 18" Reo power mower, as they have a small yard to mow.

Joe C. Kennedy bought his wife a Great States hand mower, all steel and geared high—it sure pushes easy. Mrs. Flora Woods was in today—the just finished painting her house with Bolox outside white paint, and does it shine? Paint season is here and that Bolox paint is wonderful—ask anyone who uses it. We try to sell the best in everything, even if we have enough trouble with merchandise, the way it is manufactured—but CONRAD tries to make it good!

3 Men Routed From Walton Garage, Mon.

NIGHT WATCHMAN USES "OLD FAITHFUL" TO SCATTER INVADERS

Three men who had entered the Walton Garage with intent of robbery early Monday morning were surprised by the night watchman, Clem Washum, and cashed from the building with the firing of a shotgun.

Mr. Washum stated that he was awakened by two of the men as they were in the same room with him trying to enter the safe. He immediately brought "old faithful" into action, and the men fled, leaving their tools and also other tools that they had picked up in the back of the garage.

The night watchman said he assumed that one of the men left carrying some lead from his 12-gauge sawed-off shotgun. Sheriff Easton and Police Chief Simmons are searching for evidence, but to date have apprehended no one, however, strong evidence has been uncovered.

Want Ice Cream Freezers

The Crusaders class of the Walton Christian Church will hold their annual ice cream social again this year. As everyone knows, to make home-made ice cream, one must have a freezer. Anyone who owns a freezer and wants to donate it for this one date, is asked to contact Jack Rouse, 66 South Main St. The freezers will be picked up at owner's house, marked in owner's presence, and most important of all, returned in good condition.

To Curb Reckless Driving

Police Judge Charles Worthington has issued a warning to all reckless drivers in Walton that he will not tolerate their actions. Especially does he caution local youths who are violating safety rules. He says that the penalty will be heavy.

Farm Bureau Hears From Congressional Group On Roll Back

Letters were received by the Boone County Farm Bureau the past week from Vice President Barkley, Senator Tom Underwood, and Congressman Brent Spence, in regard to the roll back in beef prices.

Vice President Barkley assured the Farm Bureau that he would bring the matter before the Senate for their attention, while Senator Underwood stated that hearings were being conducted before the Banking and Currency Committee of the House of Representatives, and that this committee should be informed of the farmers' viewpoint.

Therefore, it is most important that all farmers write to the senators, and especially to Congressman Brent Spence, House of Representatives, Washington, D. C., as Mr. Spence is chairman of this committee.

Congressman Spence advised the group that careful consideration would be given to the testimony of representatives of meat producers, organizations and farm groups, and he assured the group that he was ever mindful of the farmers' problems and interests and wished to hear from them.

ANNUAL MEETING

The annual meeting of the Owen County Rural Electric Cooperative has been set for June 28-29, according to Marvin DeBili, manager. The meeting will be held at the Grant County Memorial Field midway between Dry Ridge and Williams-town. Featured will be an all-electric farm center complete with working exhibits of pumps, milkers, brooders and coolers. In addition, there will be displays and demonstrations of all types of home appliances and farm equipment.

There are to be four contests for co-op families: Beauty, cake baking, tractor driving, and manuscript. Music and entertainment will be provided by Asher Sizemore and Little Jimmy and Happy Jack Lewis.

REVIVAL SONG LEADER

Rev. Ivan A. Insko is the evangelist song leader who will assist in the revival meeting to be held in the Walton Methodist Church, July 2-15. His wife will assist him at the piano, according to the pastor, Rev. George W. Hoffman.

Bible School Under Way At Christian Church, Walton

The Daily Vacation Bible School of 1st Christian Church, Walton, opened Monday, June 18 at 9 a. m. As we go to press enrollment stands at 130. New pupils are being added each day. The pupils range in age from the Nursery through 14 years. The faculty and staff includes the following workers:

Handwork, Choral Speaking, Music — Mrs. Foster Gutridge, Mrs. Catherine Simpson, Miss June Doan and Mrs. Morgan Campbell.

LEGION PICNIC 22nd-23rd

The annual picnic given by Johnson-McElroy Post of the American Legion will be held Friday and Saturday of this week at the Walton Stockyard grounds, located at the end of Alta Vista Drive, Walton.

The Legionnaires promise plenty of fun and entertainment for everyone, including food, drinks, games, dancing, music and just plain "get-together" enjoyment. There will be money given away each night as an added attraction.

Enjoy Weekend Cruise

Mr. and Mrs. Bruce Wallace were joined by the following friends and relatives for a pleasant weekend on the Gordon C. Greene: Mrs. Pearl R. Johnson, Mrs. Gertrude Gard, Mrs. Martha Wallace, Mr. and Mrs. Lawrence Turner and children, Richard and Mary Jane, Mr. and Mrs. J. E. McCabe, and Mr. Ralph Knapp.

The party left Cincinnati Saturday afternoon, had a beautiful moonlight trip to Louisville, where they remained until Sunday morning, when they started the return trip to Cincinnati, reaching there early Monday morning. The weather was perfect for the boat trip, which was greatly enjoyed by all.

SOFTBALL SEASON TO OPEN HERE TUESDAY

Official opening of the Walton Softball League will be held Tuesday night, June 26, at 7:30, at the Walton-Verona High School grounds according to the Walton Lions Club, league sponsors.

Opening night will see four teams involved: First, the Lions Club will tangle with the Baptist outfit, and second, two of the strong clubs are pitted, Firemen vs. Bob & Jo.

Boosters Defeat Methodists

The New Haven Boosters baseball team defeated the First Methodist team of Covington, 16-6, in the POC League, at the Covington park last Saturday. The battery for New Haven was Donald Vest and Gayle Rouse. Vest allowed 6 hits and 13 runs, while Rouse pitched a strong out for the Methodists with his battery mate being Evans. New Haven collected 15 hits, which included a double and two singles by Jones, 3 singles by Carroll, and two each by Rouse, Mason and Slevatch.

New Haven will meet Hick's Motors at the Covington park, Thursday evening at 5:30. This contest will feature the Bob & Gene team. On Saturday, June 23, at 2 p. m., they will play the Pat Rigle Realty team at the Florence park.

A Correction

In last week's story of the marriage of Miss Pauline Stephenson to Ed Huey, the name of the bride's father was omitted. "The gentleman was John M. Baker. Sorry!"

Attending Summer School

Thomas L. Leathens, Verona, who has been attending summer school at Bloomington, Ill., where he has been attending school, returned there on June 18 to attend summer school.

"There Are No Slot Machines In Boone County," Cropper

"There are no slot machines in Boone County; neither is there any other gambling." So said Judge C. L. Cropper of Boone County, in commenting this week on the subpoenas issued by the Senate Crime Investigating Committee to Kenton and Campbell County officials.

Judge Cropper said that the situation in Boone County was controlled by the Sheriff, the County Judge and the County Attorney, with the whole-hearted support of Boone County residents. Asked if any attempts had been made to place slot machines in the county, Judge Cropper replied: "At times there have been movements to have slot machines placed in Boone County, but in every case officials have refused any offers that might have been made."

"Boone County people don't want gambling in any form," the Judge continued. "When gambling occurs, it is soon reported to the proper officials, and it is stopped immediately. I recall one case last year when one tavern owner in an outlying community in this county was fined \$250 for allowing a game of chance in his place."

One official commented that in years gone by the feeling against gambling was so strong that rattles could not be conducted in Boone County.

Editor's Note: This certainly speaks well for all officials in our county and also for the support of them by the people in curbing this spreading menace. Since we are surrounded by all sorts of gambling, etc., we must keep the fight to keep our county clean, never letting down the bars to their grasping fingers.

Hebron Tops Erlanger

The Hebron Knottbase ballers defeated Erlanger Baptist 2-1 in 8 innings last Sunday at the Erlanger park. The regulation distance game was seven innings. The victory gave Hebron first place in the Boone-Knottbase League.

The schedule for Saturday, June 23, is as follows: St. Henry at Walton, Burlington at Petersburg, Erlanger at Elmore Baptist at Florence, 9:30 a. m., and Hebron at Florence, 11:30 a. m.

Verona Lake Ranch Barn Dance Show Set For July 1st

Beginning July 1, regular radio and television entertainers will be featured on the Verona Lake Ranch Barn Dance Show. These shows will be held every Sunday afternoon and evening during July and August. A new outdoor stage is being constructed and seating arrangements made to accommodate two thousand persons. All of this will be in the shade where you may see, in persons, your favorite barn dance entertainers. Shows will be held at 1:30, 3:30 and 7:30 p. m., and each show will furnish one hour and a half of fun and music. Homer Harris, the Seven-Root Smiling Cowboy, Cross Road Trio and their Saddle Pals will be on hand for the opening show July 1. The feature act on this show is a trained western horse better known as "Stardust," and he has been very popular, especially with the youngsters, at every stage performance. In a short time Homer Harris and his radio show has become one of radio's most popular entertaining features.

The Walton Tree Trimmers were engaged to give the fine big woods which borders the lake a "Face Lift," or in other words, they have cleared the trees of all dead branches in order to make a safe place for picnics and entertainment. Because of this rustic outdoor features of this huge shaded picnic grounds more and more people each weekend have discovered a cool and comfortable place, close to home, for outdoor gatherings, family reunions and picnics. The price of admission for this high type of entertainment has been set within reach of everyone. General admission at the gate will be sixty cents for adults, thirty cents for children under six, and all children under six will be permitted free if they are with their parents. This means that a person will be entitled to come and stay all day, see all three shows, have free use of the tables, free parking, for one general admission price of 60 cents. Of course the fishing rates will remain the same \$1.00 as usual, for those who wish to use that.

For those who wish to get a sample of the type of entertainment that will be furnished at the opening show July 1, tune in radio station WLAP, Lexington, which is 63 on your dial, and hear Homer Harris daily from 6:30 a. m. to 12:15-12:30 p. m., and his Sunday morning hymn program from 8:30-9:00. He has been breaking attendance records all over the country in the past few months and from advance indications a huge crowd will see him at the Grand Opening at Verona Lake Ranch on Sunday afternoon, July 1. Make plans now to be there. There is some speculation on just how popular this program of old time music may be in Northern Kentucky but Bill Scroggin says he is willing to take a chance on the same type of "diddin' music" that furnished entertainment for our pioneering ancestors in those rugged days of long ago. Incidentally, Bill is no rank beginner in the entertainment field and has a wide range of experience in both indoor and outdoor recreation. It is his ambition to make Verona Lake Ranch a center of clean, wholesome recreation for all ages. Candy, cigars, sandwiches and soft drinks will be sold on the grounds.

Banker's Sister Passes Mrs. Lizzie Conrad died last Thursday night at the home of her son, R. F. Conrad, Dry Ridge, after a long illness. She was 85 years old.

She leaves besides her son, with whom she had lived the last year, a brother, A. B. Renaker, Burlington banker. She was a member of the Primitive Baptist Church, Dry Ridge.

Recruiters Here Thursday

The Army and Air Force continues its recruiting service in Walton each Thursday from 3 to 4 p. m. at the Post Office. If you are interested, drop in and see the "recruiters."

ATTENDS GIRL'S STATE

Miss Alice Gayle Rich is attending Girl's State at the University of Kentucky this week, sponsored by the American Legion in Kentucky. Miss Rich was selected by the faculty of Simon Kenton High School on an all-around basis of scholarship, sportsmanship and citizenship, and she is representing Moon Bros. Unit, 275, American Legion Auxiliary, Independence, of which Mrs. Jerome Maher is president.

Alice Gayle is the daughter of Mr. and Mrs. J. Spurgeon Rich of Morning View, Route 1.

Wa-Na Club Plans For Opening Of Public Library

The Wa-Na Woman's Club is making final plans for the opening of a public library in the Town Hall. Funds for this project were obtained from the sales of the Community Birthday calendars.

The books and materials will be available to Walton, Verona, and all surrounding communities. All magazines, books, and reference materials will be donated by club members and people of the community.

Anyone who wishes to donate to the library, please contact Mrs. Jack Snape, Mrs. Charles Hayes or Mrs. J. B. Johnson, as the books will be catalogued at the Walton Roller-drome.

Watch this paper for the opening date of the Walton Public Library.

Christian Men's Fellowship

The Christian Men's Fellowship of the Walton Christian Church will hold its second meeting, in the church basement, Thursday, June 21. The first meeting of this new organization was a huge success, with much singing, eating and fellowship. A covered-dish luncheon will be served.

Locates Needle

The old saw about "Jack who sat on a tack" wasn't the least bit funny to 14-year-old Raymond Baker of Verona. He was reported in good condition Tuesday at Both Hospital after plunging a needle into himself as he took a seat late Monday. Surgeons removed the pointed object.

STEELERS IN 1st PLACE

The Newport Steelers virtually clinched the championship of the regular season in the K. A. G. Semi-pro Baseball League with a 4-3 win over Bob & Gene at Florence, Sunday. The victory was the ninth for the undefeated Steelers, and marked the first loss in eight contests for B. & G.

Taylor, Rusche and Fey did the hurling for the Steelers, and they allowed eight hits. Mignery went the route for the losers and gave up 11 safeties. Corner and Alessandro each got two hits for B. & G., while Krueger, Hellmuth and Pinckney each had two bingles for the winners.

In other games Sunday, Grant's Dick defeated Grant 7-2, the College team defeated Palazzola Grocers 7-6, and Astma Oil trimmed the Hoosier All-Stars 6-4.

NEW BUILDING IS SCHEDULED TO START IN SPRING

The Walton-Verona Board of Education the past week completed negotiations for the purchase of an 11-acre tract as a preliminary to a new \$200,000 school.

The property involved is now occupied by the Walton Sales Barn, and an additional 3 acres purchased from Charles Steers, which brings the total to 11 acres. They also acquired a right-of-way directly from this property to the Verona Road, which will be used for a highway. This will give the school property two outlets. The other being Alta Vista Drive.

Tentative plans call for the construction to start next spring, and the structure will be of the one-story type building, with cement and brick as the material used. A gymnasium cafeteria and library are included in the plans.

The building will be so designed that additional rooms can be added without any trouble, if ever the population justifies such a move. There will be plenty of room for a baseball or football field, and plenty of play room for all grades.

To Check Burley Acreages

The Boone County PMA Committee has announced that checking of tobacco acreages will begin about July 1 in this county.

There will be a training meeting Friday, June 29 for those who are to do the measurement work.

Persons interested in doing this measurement work should contact the PMA office for further details concerning the work.

Two Games for Bob & Gene

The Bob & Gene baseballers have two games scheduled for this week. On Thursday, June 21 at 8:15 p. m., they meet the Yorkville, Ind. club at the Covington Ball Park, and on Sunday, June 24 at 2:30 p. m., they play Palazzola Grocers at the Florence High School grounds.

CARD OF THANKS—

We wish to express our sincere thanks and appreciation to our relatives, friends and neighbors for the kindness and sympathy extended to us in the great loss of our beloved husband and father, Earl Robinson.

Especially do we wish to thank Rev. Hoffman for his consoling words, all donors of the floral offerings, Mr. Meadows and Mrs. Rector for the music and songs, the pallbearers, and Chambers & Grubbs for the kind and efficient management of the funeral.

Crittenden Youth Found Dead Along U. S. 40 In Indiana

A Crittenden youth was found dead Saturday, June 16, near U. S. Highway 40, four miles west of Greenfield, Ind., according to Joseph Flisk, Sheriff of Hancock County. The youth, identified as Raymond Argue, Jr., 18, was enroute to Summum, Ill., for employment. His skull was fractured.

Sheriff Flisk said the youth, who might have been hitchhiking, apparently was struck by an automobile. His personal belongings were intact.

The boy's parents, Mr. and Mrs. Raymond Argue, Sr., disclosed that their son had previously worked in Summum and had resided with his aunt, Mrs. Louis McClean.

Besides his parents, he is survived by two brothers, James and Robert; four sisters, Misses Patricia, Freda and Blanche Argue, all at home, and Mrs. Joseph Meadows of Midway, Ky.

Services were held at 2:30 p. m. Sunday at the Chambers & Grubbs funeral home, Walton, with burial following in Crittenden Cemetery.

POULTRY POINTERS—

Many thousands of dollars are lost annually by flock owners in Kentucky due to outbreaks of fowl-pox and Newcastle disease in their laying flocks, according to B.D.A.C. An outbreak of either fowl-pox or Newcastle will cause a sharp drop in egg production which may last for six weeks to two months. This drop in egg production often comes in the fall and early winter months when egg prices are highest. Hens may never recover from the effects of these diseases and thus lay very few eggs the remainder of the year. Lowered egg production will often cause a flock of hens to lose money for their owner.

Both fowl-pox and Newcastle can be prevented, or the seriousness of the attack greatly reduced, by proper vaccination. Vaccination for the diseases may throw laying hens out of production, therefore, pullets should be vaccinated before they come into production. The directions of the manufacturer of the vaccine should be followed exactly as to the vaccination procedure.

SHALLOW STIRRING

Tobacco planted with a mechanical setter should be cultivated immediately after setting is completed. This does much to loosen the soil and prevent packing caused by the setter wheels. If practical, use a small harrow-type plow or a five-tooth cultivator immediately after setting. If the crop is set by hand, cultivation should begin as soon as the ground dries out and before a crust forms on the surface.

In all cases cultivation should be shallow and only as often as needed to break the soil crust and control weeds. Usually two to three cultivations are needed. According to Russell Hunt, shallow cultivation will aid greatly in producing leaf of high quality. On the other hand, deep cultivation destroys many roots, slows growth, delays maturity, and may result in the production of heavy red tobacco, undesirable at the present time.

GLENCOE

Mrs. Blanche Poland was home over the weekend.

Mrs. Worth Collins was called to Booth Hospital, where her daughter, Violet, is a patient. We hope for her early recovery.

Mrs. Mattie Stewart is home better at this time.

Bob Grubbs has been very sick the past week.

Bro. Early preached at the Baptist Church, Sunday. Everyone enjoyed his message.

Painting of the Church of Christ is to start soon. If you have not given a "love offering," do so now—the Lord will bless you.

Henry Webster and wife have moved to their new home. West wishes!

John Troutman, U.S.N., has returned from Korea for a 30-day leave.

We are always glad to see "our boys" home again.

Atwood Community Revival

Plans are nearing completion for a community revival at Atwood, which is being sponsored by several neighboring Baptist churches. The services of Rev. Don Milam of Oklahoma City, has been secured. Rev. Milam is noted throughout the southwest for his work in evangelism.

Church Notes

James Reed, the former superintendent of the Independence Baptist Sunday School, but now a ministerial student in Mountain Prosechs School at Pineville, preached his fourth sermon since his call to the ministry, in his home church, last Sunday night. His friends thought that he was doing all right for a beginner. After a short weekend visit Brother Reed and wife returned to the school last Monday morning.

Leslie Holmes and Marion Francis McDowell, at the close of the Sunday evening message by Brother Reed, were baptised by the pastor, W. E. Maners.

Two cars of young people of the church attended the B. T. U. Mass meeting at the Erlanger Baptist Church, last Monday night.

The Sick

Henry Doan of McMullan Drive is in a critical condition and not making any apparent progress. Dan Hoffman is some better than a few weeks ago, but is confined to his home. John Schukler of McMullan Drive is doing fairly well, but unable to do anything.

Drivers Tests Here

Trooper Lape of the State Highway Patrol, has announced that driver tests will be given at the Independence Courthouse beginning the second Thursday in August and continuing all day.

Wins Centre Scholarship

Barbara Giles of McKim Drive, the daughter of Mr. and Mrs. Raymond Giles and senior at Simon Kenton, has been awarded a scholarship at Centre College, Danville.

STAFFORDSBURG

Plans are being made for a revival meeting to begin here on July 2nd. Guest speaker will be Rev. Johnson from the Frankfort District. A Vacation Bible School is planned for the first week. All children in the neighborhood are invited. Let us pray that this may be a time of great blessing.

Mr. and Mrs. Dewey Parsons (nee Wavilyn Riley) have returned from a honeymoon in the Smokies and are living, for the present, with Mr. and Mrs. Leslie Riley.

Friends in this neighborhood regretted to hear of the passing of David Gatewood in Cincinnati, last Sunday. Though not reared in this neighborhood, he married Miss Mabel Hoffman and lived here several months before moving to Covington. Our sympathy is extended to the family.

Father's Day was observed here by the Sunday School by presenting each father present with a handkerchief, and a reading, given by Miss Helen Richardson. We had a nice number out to the morning worship when Rev. Arnold preached an uplifting sermon. In the evening Rev. Patton spoke from Gen. 1:2. The Spirit of God moved upon the waters. At the close of the service he held the 4th quarterly conference.

Mr. and Mrs. Wayne Richardson spent the weekend with his parents, Mr. and Mrs. J. B. Richardson.

Mr. and Mrs. L. J. Rapp visited on Saturday evening with their cousins Mrs. Nellie Caldwell and Mrs. Esther Walsh of Latonia.

Mrs. John Klette, Jr. spent Sunday afternoon with her parents, Mr. and Mrs. J. A. Keeney.

Mrs. Chester Ballinger and children of Phoenix, Ariz., are visiting Mr. and Mrs. Dawson Ballinger. The children plan to remain here for several weeks.

The W. S. C. S. met Wednesday with Mrs. Ed Hansen. A covered dish luncheon was served, followed by the program and business meeting, in the afternoon.

WINDOW RUG SHOW

DRAWNS ATTENTION

Judging from the number of people who crowded around the windows of the Kentucky Utilities Co. Carrollton, during Home Demonstration Weave, handmade braided rugs have a great deal of fascination for many.

On exhibit were six completed rugs in carefully planned color schemes, calling attention to the work of homemakers the past year.

On display also were the steps indicating the care and planning necessary in making a rug such as those completed. There was a pile of cleaned, pressed wool material, strips of material cut and ready for use, strips folded and pinned, strips sewed together, the starting of the braiding, the sewing of the center bands of the rug, and finally, the taping of the ends and finishing off.

FEEL ITS NEW EASE! . . . With sensational new Hydraguide power steering four-fifths of the work is done for you at your touch on the wheel! The littlest lady can park the biggest Chrysler with two fingers . . . drive all day with freedom from arm fatigue!

ENJOY ITS NEW CONTROL! . . . You can't imagine the feel of complete command this new kind of steering gives you. In city traffic . . . on awkward driveways . . . in snug garage doorways . . . you never felt steering control like it.

DRIVE WITH THIS NEW SAFETY! It not only makes steering four-fifths easier . . . but many times safer, too. Takes out the strain driving in ruts, sand, snow or cross-country. Even off the road onto a soft shoulder, Hydraguide helps keep your car steady with almost no effort!

Not in the "lab" but ready to drive now! Chrysler's New Hydraguide Power Steering!

This year, for the first time on any American passenger car, Chrysler presents the new principle of Hydraguide hydraulic power steering. It's not "in the future" . . . it's out on the road NOW! It is being called the most important automotive achievement since the development of the self starter. People who try it—even after hearing about it from friends—are completely surprised and delighted at the totally new ease and control Hydraguide gives them at the wheel. It is regular equipment on Crown Imperial, optional at extra cost on other Imperial and New Yorker models. Your Chrysler dealer invites you to try it for yourself.

DEPENDABLE REPUTATION

To insure full value and best quality when buying diamonds, patronize a house whose reputation you know to be dependable ... a reputation that has withstood the test of time.

For 82 years in this one location, growing with Covington and its people, Motch's has built just such a reputation ... one that has stood the test of time ... that has made us proud of the fact that these same customers who patronized us years ago are still coming and sending their children to us for advice and assistance in their diamond needs.

Church Under Fire

Lesson for June 24, 1951

ABOUT two thousand Christian missionaries have been forced to leave China during 1950 and 1951. In more than one country "freedom of religion" has meant, in practice, freedom to ridicule and hinder religion. In Spain, Protestants are forbidden to use the name "church," to meet in any building on a main thoroughfare, or to worship in buildings that in any way resemble a church. In Colombia, churches have been burned by mobs without the slightest interference from the police. All this is bad; but it is nothing new.

When Christian Meant Criminal AT the time the Christian religion began, it came under fire from the authorities of Jerusalem. It was to be expected that the same men who had condemned, cast out and crucified Jesus would try to stamp out his followers as well.

But one of the leading men of Jerusalem said in effect: "If this new cause is God's cause there is no use in our fighting it." It was God's cause, and so the opposition of the government, or to destroy the church but actually only succeeded in spreading it. As the new Christian religion then moved out into all parts of the Roman Empire, at first the imperial and local authorities paid it no attention; and in fact for some years it enjoyed the protection of the government. So long as it was supposed that Christianity was simply a sect of Judaism, the Roman government let it go.

But when it came out that Christianity was a new religion, and especially when it became clear that that of letter were denied, only one Lord, and would not worship the Emperor, the Roman government began a long series of persecutions, which lasted for close to three hundred years.

Inspiration Behind Bars FIVE letters of Paul, including II Timothy, were written from Roman jails, and reliable tradition tells us that Paul was finally beheaded just because he was a Christian.

If you will look on a map of the Roman Empire for the places mentioned at the beginning of I Peter, you can see how widespread was the "fiery trial" which the readers of that letter were then suffering. As for the book of Revelation, its writer was, he says, "on the Isle of Patmos for the word of God and the testimony of Jesus Christ."

Patmos Island was no rest-haven for tired missionaries; it was not a missionary field either. It was a barren island, a convict camp where many Christian missionaries, on being arrested, were sent after their trial and sentence, to work at forced labor in the mines there. If the scenes of that book often flow with blood and blaze with fire, it is not because the writer had a too vivid imagination. He might have seen with his own eyes Christians, men, women and even children, with their heads chopped off by the public executioner, or dying amid the flames at the stake. Those were terrible times, and it took courage to be a Christian at all.

The Victory THE message of the New Testament is never optimism, but always hope. That is to say, no one in the New Testament, from Jesus in Galilee to John on Patmos, holds out any promise or picture of smooth and easy going for the Christian church.

It will have trouble, and the more faithful it is to Christ the more trouble it is likely to meet. But in the long run, Christ's true church (which means simply all those who are true to Christ) will conquer all her enemies, for the reason that it is Christ's church and not ours alone.

It has recently been reported that the Russian government has thought up a smart idea. They find that the more religion is persecuted, the more stubbornly vigorous it grows. So the government has given up persecuting religion, and proposes to let it "die on the vine." That may work; if Christians have too easy a time, the church will attract only the lazy and the comfort-loving—which will kill off the church. But the vine will not die, if only every branch is close joined to Christ, the ever-living Vine of God.

VACATION TIME

Vacation time is about here, so I slipped away for four days — drove to Detroit, went under the Detroit River into Canada at Windsor, then up to Chatham, London, Brantford and Niagara Falls, on the Canadian side — you should have seen the honeymooners, Niagara Falls from the Canadian side is beautiful, especially at night when they turn the colored lights on them. They raise the finest crops, even tobacco, in Canada. Red clover grows about a foot tall and thick as hair. Level country, straight roads and careful drivers — all the speeders were from the United States. We crossed back over at Niagara Falls into New York state, then into Pennsylvania, Ohio and home. You see a lot of sights and beautiful country, but Walton always looks good when you drive into it. I still say we have the best town of 1,350 population in the U. S. A.

I know I missed some of my customers this week, but I can't stay here all the time — I have to get out and see how other people live — I don't fish, hunt or go to ball games, but I do love to travel a few days at a time. Mr. and Mrs. Alvin New were buying more Balice point. Fred Roth of Fickburg, bought a new one-horse sled. Ed Pernell came up from Zion Station, in the rain, and did he get wet. Roy Spaulding and son also came in all wet after tobacco settler parts. Mrs. A. D. Warner has been buying a little of everything — curtain rods, dust mop, wet mop, window shades, and ordered venetian blinds, white with red plastic tapes — won't they be snazzy. O. J. Struve and Elmer Richards put new linoleum in all windows — a very nice job, I think.

Mrs. Ethel Sheppard called for some of that Armstrong linoleum — she is getting ready for that new Perfection electric stove, to be put in tomorrow. Mrs. Kate Neel called for Ray to come and fix her water pump — he went up and pushed the reset button on the motor and off it went. Mrs. Pearl Lamm and Mrs. J. T. Roberts were over and Mrs. Roberts bought a beautiful \$12.12 Armstrong rug, window shade and some floor enamel to paint around her new rug. Brewster sold another one of those Sunbeam irons — we carry several other makes, but they are hard to sell when you show them a Sunbeam.

Whitley Moore bought his boy a nice ball glove — we have a fine selection of ball gloves, most all prices and sizes. Dora Jones bought some one down her way a Black & Decker electric drill — this is a handy tool in the workshop or around the farm. John L. Ferguson was in buying sections, rivets and a sickle grinding stone. We have a very nice electric sickle grinder, complete with motor, mounted on a board, for \$27.50. We just got in a supply of Ford mower guards and sections, heavy or regular weight sections.

If you are going to need bale ties, you had better get them, they are very scarce and none are coming in. I have six Jamesway hay carriers and track, complete, also two coils of hay rope. We have sure sold that Copper Dust for tomato blight — I had to reorder for another shipment, and that 1 1/2 qt. Rotonone for bean beetles is also selling. If you are going to paint your house, buy your paint now, because it gets more scarce as the weeks go by. Good paint is very hard to get — we ordered 20 gallons and got eight — the quality is still there but the quantity is short.

Mrs. Clifford Farrell just called for me to send her one of those fine iron board pads and cover that will not burn — the pad is asbestos — they are very nice. Mrs. Floyd Sebre and her daughter bought metal folding and wood folding lawn chairs — they bought enough that the whole family can sit out in the cool evening breeze. Gordon Phillips bought his wife a maroon pin-up lamp with the new type bulb that will not glare but throws lots of light.

Mrs. Paul Ford was another customer for plastic window shades; so was Mrs. John Hanks — if the ladies bought everything like they do Brannan plastic shades, I would need more help and space. We sold a lot of linoleum this week — I don't know who bought it all, but I can look at the rolls and tell someone has been here. Mrs. Gracie Cole bought some of the Armstrong 9-ft. wide linoleum — we have some beautiful patterns. It is hardware or household supplies, come to CONRAD'S, we have a large stock.

Stricter Examination Of New Drivers To Become Effective

Stricter examination of new drivers, especially those with physical defects, is one of the best ways to reduce highway accidents.

This conclusion was reached last week when State Police License Examiners met for a four-day school in Frankfort.

Sgt. Charles Sparrow, Chief Examiner, called the men together to pass on new techniques he learned recently at Northwestern University's Traffic Institute.

Emphasized during the school was the need for a stricter eye and road test and the necessity of restricting drivers to special equipment when they have physical disabilities.

Each of the twenty examiners took special handicap tests, used for the first time in the state, to point out to them the dangers of not placing restrictions on drivers with physical handicaps.

Specially designed casts were worn on the legs and arms to illustrate to the examiners the difficulty a person with a stiff, injured or missing limb would have driving a car.

A time reaction machine was used to demonstrate the time it takes to apply the brakes in emergency situations. An operator pushes a button which starts a time indicator and turns on a red light. The time it takes for a driver to remove his foot from the accelerator and apply the brakes is important in avoiding accidents. The examiners averaged 40/100 of a second.

"In the future," Sparrow explained, "we hope to have these portable machines for every examiner and also to test an applicant's eyes for depth of perception and field of vision, where we now test only for acuity."

A week earlier, 1 Baltimore examiners completed the same four-day course.

"We feel that such realistic instructions will help the examiners to screen future applicants more carefully, and by this means help reduce the number of accidents," Sparrow added.

MARTIN CODE

Regimen high mass was sung Monday at 9:30 a. m. in All Saints Church, Walton, for Martin Code, 56, who died last Friday at St. Elizabeth's Hospital, Covington, after a short illness. Burial was in St. Patrick Cemetery, Verona.

Mr. Code, a Kenton County farmer, lived on Green Road, near Walton. He was a member of Johnson-McElroy Post, 277, American Legion, Walton.

Survivors are his widow, Mrs. Corine Tomlin Code; one son, Martin, Jr., Walton; three daughters, Miss Helen Code and Miss Ann Code, both of Walton, and Mrs. Calvin Krebs of Patriot, Ind., and four brothers, Leslie and Joseph Code, both of Walton, John Code of Verona, and George Code of Florence.

Chambers & Grubbs funeral home, Walton, had charge of arrangements.

Hughes Chapel WSCS

The W. S. C. S. of Hughes Chapel Methodist Church held its regular monthly meeting on Wednesday, June 13, with Mrs. Harry Wilson of Beaver. A very lovely dinner was served at noon, followed by a very interesting program led by Mrs. Lila Hudson.

Several were present, including Mrs. Valla Hill, Mrs. E. O. Hughes, Mrs. Hester Guard, Mrs. Lula Hudson, Mrs. Pearl Bedinger, Mrs. Raymond Roter, Mrs. Elsie Allen, Mrs. Junior Baker, Mrs. Cecil Sargent, Mrs. Everett Mastin, Mrs. Rex Kline, Mrs. J. L. Arnold, Mrs. Roger Arnold, Miss Bonnie Baker and sister, and Vellina and Barbara Hill. A very enjoyable time was had by all.

The next regular meeting will be held with Mrs. Hester Guard on Wednesday afternoon, July 11.—Pub. Chm.

Satchwell-Flynn

Carl Richard Flynn, grandson of Mrs. Emma Flynn and Mr. and Mrs. Cleva Marsh, was married last Friday afternoon at the Warsaw Baptist Church, to Miss Donna Satchwell of Warsaw. They are now residing in the Ingram apartment on High School Court.

METHODIST REVIVAL

Rev. Ford Philpot

A revival meeting will be held at the Walton Methodist Church, July 2 through July 15, with the Rev. Ford Philpot as evangelist. Rev. Ivan Insko is to be song leader and he will be assisted by his wife.

Rev. G. W. Hoffman, pastor, said, "The purpose of this revival is to lead the unconverted to a knowledge of forgiveness of sin, and right relation to the Lord, and then, join the church of their choice. We wish to put the kingdom of God first and the denomination second. The main thing is to be in the Kingdom of God."

The pastor added, "A hearty welcome is extended to all. Come and feel at home in the Lord's House and be blessed and a blessing."

A Daily Vacation Bible School is to be held July 2-6, daily from 9:00 to 11:30 a. m. All children, 3 to 16 years, are invited.

Utopians Meet at Kenton Lakes As Jacksons Are Hosts

The Kenton Utopia Club held its monthly meeting at Kenton Lakes, with Mr. and Mrs. Robert Jackson as hosts. Harry Young, Field Agent in Farm Management of the Extension Division, University of Kentucky, spoke and showed slides on ways of increasing farm business on both large and small farms. He stressed the importance of balance farming by means of the number of livestock.

He is survived by his widow, Mrs. Leota Chambers, 221 Fellows Ave., Syracuse, N. Y., and a daughter, Charles D. Smith, 8307 Fullerton St., St. Louis, Mo.

Mr. Chambers, well known by the older residents of Walton, was a nationally known penman and had taught in Columbus, Ohio, Pittsburgh, Pa., and Syracuse, Me. He returned about a year ago, and was 71 years of age at the time of his death.

PATRICK CODE

Regimen high mass for Patrick Code, age 84, who died Saturday, June 23, was held at All Saints Church, Walton, Tuesday morning, June 26. Burial was in St. Mary's Cemetery, Ft. Mitchell.

Mr. Code, a well known retired farmer, lived on the old Lexington Pike, north of Walton. Besides his widow, Mrs. Katy Code, he leaves two daughters, and four sons. Chambers & Grubbs funeral home, Walton, completed arrangements.

LUCILLE DOAN

Lucille Doan, age 29, daughter of J. W. Doan of Union, died in automobile accident Monday at Elizabethtown, Ky. She was a member of the Union Presbyterian Church.

Besides her father, she is survived by four sisters, Mrs. Clifford Flak of Covington, Mo., John Point of Covington, Mo., Preston Hines of Elvanger, and Mrs. J. W. Collett of Covington, and four brothers, W. C. Doan of Frankfort, and Raymond, Robert, and Russell Doan, all of Union.

Services are to be conducted from the Chambers & Grubbs funeral home, Florence, today at 2:00 p. m. Burial in Union Cemetery.

2 ARRESTS SATURDAY

Two arrests were made in Walton, Saturday, by Police Chief Simmons, and arraigned before Police Judge Worthington. Harvey Peemo, Jr., arrested for reckless driving at 7 p. m., was fined \$50 and costs. Ernest Robinson, arrested for drunkenness on the streets, was fined \$25 and costs.

Son for Brewsters

A son was born to the Tom Brewsters, Tuesday night at St. Elizabeth Hospital. The lad has been named James Robert, and he and mother are doing nicely.

About 20,000 feet of tile were laid by Magoffin county farmers in the past three months.

District 4-H Camp Being Held This Week at Ernst

The Northern Kentucky 4-H District Camp is being held this week at Camp Ernst, June 25-29. Counties represented are Boone, Campbell, Grant, Owen, Kenton and Pendleton and 150 4-H'ers, leaders and agents are expected to attend. H. G. Gibson, Field Agent in 4-H Club work, University of Kentucky, will be in charge of the camp, and Miss Dorothy Gentry, also a Field Agent in 4-H work, will direct the girls' activities. A complete camp program has been planned, with classes and recreation, which will be educational to 4-H members.

Those attending from Kenton County are: Ruth Alsip, Marjorie Bridges, Jeannine Munson, Barbara Perry, Barbara Rust, Ewe Stephens, Carol Winburn, Joyce Winburn, Rosalie Yates, Michael Chumley, Bobby Cornelius, James Crouch, Dan Gravens, James Grizzle, Jerry Hatfield, Howard Hoffman, Bryce Osborne and Thomas Stephens. Miss Zelma E. Byerly, Home Agent, and Joe Claxon, Senior Assistant Agricultural Agent, accompanied the group.

JAMES DAUGHERTY

Services for James Daugherty of Kenton-Boo Drive, Florence, were held Tuesday at the Dry Ridge Baptist Church. Burial was in Hillcrest Cemetery. Mr. Daugherty died Sunday at his home. He was 73 years old.

He is survived by a daughter, Mrs. George Morth; a son, Cecil Daugherty, Milwaukee; a sister, Mrs. Mabel Porter of Independence, and nine grandchildren.

C. Spencer Chambers, better known locally as Harry or Charley, was a native Waltonian, died at a home in Syracuse, N. Y., June 19 of a heart attack. Funeral services were held Friday, June 22 in Syracuse, with burial in the home of Mrs. Chambers, Ohio, the home of Mrs. Chambers.

He is survived by his widow, Mrs. Leota Chambers, 221 Fellows Ave., Syracuse, N. Y., and a daughter, Charles D. Smith, 8307 Fullerton St., St. Louis, Mo.

Mr. Chambers, well known by the older residents of Walton, was a nationally known penman and had taught in Columbus, Ohio, Pittsburgh, Pa., and Syracuse, Me. He returned about a year ago, and was 71 years of age at the time of his death.

STAFFORDBURG REVIVAL

According to Rev. John F. Arnold, pastor, a revival will be held at the Staffordburg Methodist Church, beginning Monday, July 2 and continuing through Friday, July 13. The evangelist is to be Rev. C. B. Johnson of Wilmore, Ky., an outstanding young preacher. Services each evening at 8:00.

Rev. Arnold said, "We invite you to come, and if you believe in prayer, join us in the interest of those who are not Christians."

Recovering from Operation

Mrs. Jean Delamette, the former Sue Mann, is convalescing after an operation at Fremont Memorial Hospital, Fremont, Ohio. Her home address is, 431 Findlay Rd., Woodville, Ohio.

Taking ROTC Training

Cadet Jack M. Conner, son of Mr. and Mrs. Carl Conner of Alta Vista Drive, Walton, has been assigned to the 1951 Reserve Officer Training Corps summer encampment at Fort Monmouth, N. J., for the six-week training course, which will continue until July 28.

A student at the University of Kentucky, Lexington, Cadet Conner is undergoing officers training along with specialized schooling in the Signal Corps. He will be eligible for a commission in either the Officer Reserve Corps or Regular Army.

Two Walton Firms Change Hands In The Past Week

Two business firms in Walton changed ownership this week. Russell White and family of Brooksville, Ind., purchased the Walton Sales Barn interests, and will hold their first sale next Tuesday. Mr. White and family are very well qualified for this business, as several members are auctioneers and others are bookkeepers. They come well recommended. They will operate until November 1, 1951 at the present location.

Odin Readnor, Boyd Elliott and Charles Steers purchased the coal and feed business of James R. Allen, known as Allen's Coal & Feed, and are now in operation at their location near the center of town. They state that they will handle the famous Blue Diamond coal, Crown stoker coal, American feedings, and Utko feeds, along with other farm supplies.

Services at South Fork

Afternoon services will be held this coming Sunday at the South Fork Christian Church, at 2:30. Sunday School at 10 a. m. and morning worship at 11, which will be followed by a basket dinner for members, friends and neighbors of the congregation.

In the afternoon, a special song service will precede the sermon by Joe Johnson, pastor, whose topic will be, "Riding In The Devil's Chariot." Everyone is invited to attend these services.

State Occupational Licenses Due Saturday

Time is drawing to a close for the purchase of State Occupational licenses for the fiscal year 1951-52, and according to County Clerk C. D. Benson, sales have been light to date. Licensees expire June 30 and a 20% penalty is added for delinquency.

A license is required for the following establishments: Restaurant, retail outlet for soft drinks and ice cream, billiard and pool halls, bowling alleys, retail outlet for tobacco products, wholesaling cigarettes and theaters.

TO WED SATURDAY

Miss Rosenstiel

The marriage of Miss Elizabeth Rosenstiel, daughter of Mr. and Mrs. A. C. Rosenstiel, to Mr. Eugene Stephenson, son of Mrs. Anna Belle Stephenson and the late Harley Stephenson, will take place Saturday, June 30 at 3:00 p. m. in the Richwood Presbyterian Church, with Rev. Don Hopkins officiating.

Friends are invited to attend the wedding, and the reception at the home of the bride's parents on Cleek Lane, at 7:00 p. m.

Baptist, Bob & Jo Draw First Blood In Softball Opener

Play in Walton's Softball League got under way Tuesday evening when a pair of contests were played. The Walton Baptists defeated the Lions Club 21-8, and Bob & Jo downed the Firemen 8-3 in a good game. Late Struve pitched for the Baptists and Frank DeMoisey served for the Lions, while Joe Ryan was on the mound for Bob & Jo, opposed by Kenneth Johnson, Jr., of the Firemen. A good crowd was on hand for the opening play.

Games will be played each Tuesday and Thursday evening, starting at 7:30. You'll have a lot of fun watching these games, so come out.

Thursday, June 28—
Independence vs. Artistic Cleaners
Walton Firemen vs. Banklick

Tuesday, July 2—
Bob & Jo vs. Baptists

Workshop for Teachers

A workshop for Sunday school teachers will be held at the Goshen Christian Church, Piner, on Sunday, July 8. The meeting has been set for 3:00 p. m., with Dr. Myron T. Hopper, Lexington, as the leader.

Rev. Bernard C. Meese, pastor of the Goshen church, said teachers from any of the churches in the neighborhood would be welcome at the workshop. "This session has been planned primarily for teachers in the Goshen Christian Church's Sunday school, but we will be glad to have teachers from any of the churches," Rev. Meese said.

Dr. Hopper is professor of religious education at the College of the Bible.

Wool Clip Sale Withheld

Sale of the 1951 Boone County wool clip will be withheld, for the time being, according to the sales committee. This action was taken due to information received from buyers and the Economics Department of the University of Kentucky. Wool prices are still unstable, but are expected to show a definite trend at an early date.

Growers are asked to bear with the committee on the delay, in the hope of securing a higher price for the clip. If necessary, the committee will call a meeting of pool members to decide future action.

Bob & Gene Play Two

Bob & Gene, one of the top nine in the K.A.G. baseball loop, will play Gwent, Sunday, July 1, at the Florence county grounds. Game time is 2:30 p. m.

A 4th of July attraction at the Florence park will be the meeting of Bob & Gene and the Collegians, to get under way at 2:30 p. m. The Collegians are undefeated the K.A.G. loop and a red-hot battle is expected. Mingory or Mussman may be on the mound for the Eadeams.

Last Sunday, Bob & Gene trampled Palazzola Grocers 25-1 in a freighting contest at Florence.

Church Page Started

This issue of the advertiser has an entire page devoted to church and Sunday school promotion, and this series will continue over a long period of time. The churches and church organizations are urged to keep us informed as to their various activities. The public is also asked to read the names of the sponsors and let them know that you appreciate their efforts.

Verona Lake Ranch Barn Dance Show Opening Sunday

Verona Lake, Verona, Ky., has acquired the new name of Verona Lake Ranch, in its expansion program, and will present for the opening show, Homer Harris and his radio Barn Dance show, featuring Stardust, a horse which is a real treat for the children, as well as cowboys. The picnic woods at Verona Lake Ranch has been converted into a huge amphitheater with both seats and stage, all in the shade.

The management of Verona Lake Ranch has been fortunate in securing the Renfro Valley entertainers, beginning July 8 and for each Sunday in July and August. The huge listening audience of these top notch radio shows will be able to see them in person this summer and at the same time enjoy a full day's picnic in one of the finest areas in Northern Kentucky.

Unlimited parking area is available and the entrance road has been enlarged to accommodate two lanes of traffic. This program of outdoor entertainment has been organized in such a way as to provide a full day of fun for the small price of sixty cents for adults and thirty cents for children under 12. There will be three complete shows each Sunday, at 1:30, 3:30 and 7:30 p. m. This means that a person may see all of the shows and enjoy the picnic facilities for one general admission price of 60 cents.

Many family and club groups have already made plans to take advantage of this fine opportunity for a day's outing and to see in person some of radio's finest "Old Time Music Shows." Don't overlook the opening date for this Sunday, as a real treat will be in store for those of the colorful 99th Field Artillery Battalion, one of the first howitzer units to be committed to action in Korea in July, 1950.

One of the four artillery battalions in the famed Cavalry Division, the 99th gives close support to the infantrymen of the 8th U. S. Cavalry. While supporting the 8th Cavalry in North Korea last winter, Pfc. Krebs' battalion was trapped in the tragic, Unsan encirclement where newly-entered Chinese Communists outflanked the entire regiment.

It was at Unsan that the 99th wrote a chapter of gallantry in military history. Heroic, selfless "99ers" fighting from all sides, stood by their guns throughout the battle, protecting the withdrawing infantry.

In recent action Pfc. Krebs' battalion helped in crushing the Chinese Rode ill-fated spring offensive. The battalion inflicted casualties on the Chinese by the thousands.

S EXPERIMENT

THE CHURCH FOR ALL

ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can arrive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) for his own sake. (2) For his children's sake. (3) For the

his community and nation. (4)
for the sake of the Church itself,
which needs his moral and ma-
terial support. Plan to go to
church regularly and read your
Bible daily.

THURSDAY, JULY 5

PINER HOMEMAKERS

The Piner Homemakers Club held its last meeting of the season Thursday in the home of Mrs. William Wolterman.

Roll call was answered with "How I met my husband." Devotional and thought for the month was read by Mrs. Willard Shropshire. A picnic at Butler State Park was planned for July 12. Mrs. Ralph Kinman gave the second lesson on making silk lamp shades, and a special workshop is to be held July 6 at the home of Mrs. Ray Linder to complete the shades.

Miss Ruth Schmoll, home lighting advisor for the Cincinnati Gas and Electric Company, gave a very educational and interesting talk on converting lamps and recipes for home lighting.

The new officers for the coming year are: President, Mrs. Willard Shropshire; Vice President, Mrs. Foster Bridges; Secretary and Treasurer, Mrs. Ralph Kinman; Program Chairman, Mrs. William Wolterman; Reading Chairman, Mrs. Roy Tomlin; Citizenship Chairman, Mrs. Dewey Flisk; Membership Chairman, Mrs. Foster Bridges; Publicity Chairman, Mrs. E. H. Spaulding; Sunshine Committee, Mrs. Charles Flynn.

Those present were: Mrs. Roy Tomlin, Mrs. Fred McMillan, Mrs. Robert Bell, Mrs. Ray Linder, Mrs. Charles Flynn, Mrs. Marion Martin, Mrs. A. Peizari, Mrs. Dewey Flisk, Mrs. Ralph Kinman, Mrs. Chester Mullins, Mrs. John Dwyer, Mrs. Foster Bridges, Mrs. Steve Rich, Mrs. Willard Shropshire, Mrs. Owen Flynn, Mrs. James Kidwell, Mrs. Elmer Spaulding, Mrs. E. W. Elliott, Mrs. M. F. Collins, Sr., Mrs. Charles Gross, Mrs. William Wolterman, Mrs. Willard Benson, Mrs. Carl Justice, Mrs. R. W. Brown. Visitors were: Mrs. Frank Elliott, Mrs. Robin Hindsdale, Mrs. Erma Ratliff and Miss Zelma Byerly, Home Demonstration Agent.

REAL ESTATE TRANSFERS

The Allen Coal & Feed business, operated by J. R. Allen, was sold last week to the Walton Sales Barn, Inc. Mr. and Mrs. S. Johnson of Gardnersville, sold their home and acreage to Miss Nancy Meyers of Covington.

The above transactions were completed by Conner-Lusby & Fruett, Walton Realtors.

BEECHGROVE HOMEMAKERS

Plans for a picnic for members and their families, to take place on July 22 at Butler State Park, were completed at the June meeting of the Beechgrove Homemakers Club, held at the home of Mrs. Gus Schadler, Wright Road, Walton, with Mrs. H. L. Clark, vice president, conducting the meeting.

After roll call on "How I met my husband," Mrs. Wm. P. Meyer gave the garden lesson, and Mrs. Fay Powers read a poem called "June Concerts." Reports were made by all committee chairmen. Fifteen silk lamp shades were made by members. Hostesses were also drawn for the coming year.

In attendance were: Meedames, William Endres, Fay Powers, William Clinkenbeard, George Schadler, Howard Clark, Roger Robinson, Gus Schadler, Frank Afterkirk, and William Meyer.—Pub. Chm.

Topdressing Alfalfa After First Cutting Holds Thicker Stands

YOU can add extra life to alfalfa stands and keep thick pasture growth in late summer and fall by top-dressing after the first cutting with phosphate and potash fertilizer, points out the Middle West Soil Improvement Committee.

The alfalfa plants will push out new growth faster. Roots will have a better chance to store up reserves of high energy starches and sugars. The soil will benefit from large amounts of active organic matter that help build tilth and structure. Agronomists report that well fertilized legumes can make fuller use of soil moisture and of the carbon, oxygen and other nutrients taken from the air. Their taproots can probe deeper into the earth, carrying phosphate and potash from the surface on down to the moist soil zone below.

When well-fed legumes are turned under, they rot quickly to form humus, because they are packed with nutrients before they are pastured by the animals which break down organic matter. The humus improves soil structure and releases plant nutrients to feed crops that follow in a rotation.

Agronomists emphasize that second crop alfalfa should be given a chance to establish a strong new top growth before it is pastured or cut for hay. These specialists recommend that fields should not be pastured after early September. This will enable the alfalfa plants to pack their roots with plant food reserves to carry them safely over the winter and spur healthy, early growth the following spring.

Farm Economists Call Fertilizer 'Cheapest Crop Production Item'

FERTILIZERS are still the "cheapest crop producer per dollar invested" among various production items the farmer buys, according to a recent statement by Michigan farm economists.

These specialists point out that efficient, high crop production per acre is key to maintaining farm profits and keeping costs low. Fertilizer use is an essential factor in such a program.

A recent statement in Michigan Farm Economics, published by Michigan State College's department of agricultural economics, lists these steps for building efficient production per acre: (1) A good crop rotation that improves soil tilth and increases the organic matter supply; (2) Keeping output costs low by buying production items that are relatively cheap. Fertilizer is still the cheapest crop producer per dollar invested; (3) Putting the emphasis on cash crops that use more machinery and less hand labor.

Gallatin county homemakers ordered 3,000 gladstolus bulbs this spring, bringing the total for the past four years to about 12,000.

The Trimble County Strawberry Growers Association made plans to handle 25,000 crates of berries this year.

The Wingo Homemakers Club in Graves county reworked a loveseat and chair at their high school as a citizenship project, then made slipcovers.

DAIRY TIPS—

June is rightly called dairy month. Lush pastures provide the cheapest, and usually the heaviest milk production of the year. Lush pastures are good feed but are not a balanced ration, according to B.D.C.A. They stimulate the dairy cow to too heavy production, but do not furnish the food nutrients required for this production. Consequently, most of our heavy producing cows lose weight during this period. When these pastures lose that fresh, green feed, either by maturity or by being pastured down, milk production declines rapidly.

Some of this decline in milk production can be stopped by: Feeding a low protein grain ration to heavy producing cows now, to help maintain body weight; clipping pastures to keep them growing and green; planting sweet sudan grass for emergency pastures (it will furnish spring pastures in mid-summer; arranging to irrigate some pastures this summer to keep it growing and green; increasing the amount of grain and protein in the grain when pastures start to get brown; arranging for some shade during the hot part of the day; controlling flies (Methoxychlor offers dairymen a good control in building and on the cows).

Mrs. Clyde McVey is in the hospital, expecting an operation this week.

Community Revival

Others have been calling about the community revival which is to be held at Atwood, beginning July 16 on the Boyd Elliott farm. Several neighboring Baptist churches are sponsoring this tent meeting and have arranged for a strong evangelist, Don Milan, of Oklahoma City, and also for an A-1 song leader. Several of the churches are getting their choirs organized for this special meeting. Big crowds are expected.

Life Squad Makes Run

The Independence Life Squad made a midnight run last Friday to a wreck on the L.L. north of Independence. Some motorist had already taken the injured to the hospital.

Drivers' Tests

Some have been inquiring as to when they take the drivers' test here at Independence. The Deputy Clerk, Geo. A. Daymon, states that there will be a State patrolman here beginning the work the second Thursday in August. He will give tests for the entire day.

Flames Destroy Home

A 3-room cottage burned to the ground June 22 near Sandfortown. Loss was estimated at \$3,000 by Tilford Mershon, Chief of the Independence and Community Fire Dept.

Chief Mershon said the property was a farm occupied by Mr. and Mrs. Homer Hutchinson and their family of several children. The blaze was said to have first manifested itself near the chimney and the most likely cause was a defective flue, the Chief added.

The Hutchinson family first appealed to the Covington Fire Department for help and was referred to the Independence Department, which serves the territory around Sandfortown. By the time firemen arrived, however, Chief Mershon said the walls had fallen in and the house was beyond salvage. In any event, he said, no water was available to fight the flames.

The Hutchinsons, Chief Mershon said, managed to save the greater part of their furniture. The house stood isolated and there were no out-buildings to be endangered.

INDEPENDENCE R. 1

Mr. and Mrs. Winford Riley entertained with a birthday party Sunday afternoon on the beautiful lawn of the L. M. Riley home, in honor of their little daughter, Beverly, who was four years old. The little girls had a good time playing games, and after they dined on refreshments were served, consisting of ice cream, cake and lemonade.

Rev. Arnold and wife have had as guests this past week, Rev. Arnold's brother and wife and Mrs. Arnold's two sisters, all of Louisville.

Mr. and Mrs. J. A. Keeney entertained over the weekend their daughter, Mrs. John Kleete, Jr.

The revival meeting will begin at Staffordburg Methodist Church on Monday evening, July 2. Rev. C. B. Johnson of Wilmore, Ky., is to assist in the meeting. Services begin at 8 p. m. Come out and hear Rev. Johnson. He is an outstanding preacher. All are welcome.

Mr. and Mrs. J. J. Barnett have returned home from Mt. Sterling after visiting their daughter, Mrs. Roy Martin, Rev. Martin and little son, and also attended the wedding of their son, Howard, who was married at 7:30 p. m., Saturday evening at the Somerset Christian Church to Miss Agnes Lane of Mt. Sterling.

These robberies are getting too close together — Walton Garage one night. Kenney's Tavern next, then Rev. Gravelly's car was stolen, and last night they were back prowling around again. Get your old gun called up and we will stop some of this. I have a few boxes of buckshot with 8 pellets in a 12 gauge shell — you don't have to shoot him but once with these. There are two things I hate — thieves and liars. I don't know which is worse but both are lower down. Let's help our officer break this up — we have a good town, so let's keep it that way.

Mrs. Homer Farris is getting all set for canning — she just bought a National pressure canner and cooker. They do save a lot of time and fuel. Lottie Watson bought yellow enamel to paint her kitchen shelves — she is really a decorator. Mrs. Arthur Linton sent up after a piece of Armstrong linoleum for her kitchen. Mrs. T. C. Pruet got some of those Brenson fiber window shades. We have sold enough Copper Dust for tomato blight and Rotenone for bean beetles and potato bugs to load a fair sized truck.

We just set up a very fine Murray electric range which is only \$248.00 installed, and we still have that very fine Perfection electric range, fully automatic and only \$349.00 installed. These hot days and nights you should need a Westinghouse, Dominion or Dayton electric fan — we have all sizes and prices. Ruby Worthington bought her children a croquet set — this is a very fine game for young and old. Chas. Chambers, up on Bagby Road, bought his wife a beautiful 12x15 Armstrong linoleum rug — these Armstrong rugs and linoleum sell every day.

Eric McBee, who has a nice grocery in Dry Ridge, stopped and bought his wife and children a large croquet set. L. A. Boots, of Gallatin county, bought a Dayton water system to replace his old one, which was worn out. These Dayton water systems are the best just ask your neighbor and if he has one, he will tell you so. Mr. and Mrs. Alvin New were buying more Bolice paint — he just finished a large job for Carl Smith at Mt. Zion, and now he is starting one in Decourney — and comes out here for his paint. He is one of my best paint customers.

Agnes Kenney was buying mops, brooms, buckets and lots of other necessary needs around the house. Nick Welsh and Helen are getting ready to move to Mrs. Pearl Johnson's apartment, and Helen selected a nice Gold Seal rug, a medicine cabinet and lots of small articles. Elmer and Dorothy Groger were also buying household supplies. Marvin Kite bought a lot of that Bolice paint. Chink West needed binder sections for a horse-drawn binder — we had a few. J. C. Benton had Ray repair his motor knife for his tractor — we do a lot of this work.

Jim Huey, from Union, drove all the way over here to get 1½ lbs. Rotenone for bean beetles. This

is extra good, and he has used it for several years — it is manufactured by Tobacco States Chemical at Lexington. He even took 10 lbs. for his neighbor. We must have sold 100 lbs. of Copper Dust for tomato blight today, which is manufactured by the same company. Robert Bokalo came after the best you can buy. When you buy True Temper tools, you buy the best.

Roy Chapman, from Verona, came over after more fishing tackle. Roy is some fisherman. Bill Scroggin is going to put Verona on the map — says he is going to move Trento Valley down here. He opens Sunday afternoon, July 1. Jeanette Maddin was in again, after a \$x12 Armstrong linoleum rug. Gaynelle Flynn had us cut her a piece of that 8-ft. Armstrong linoleum — we sell Armstrong linoleum every day. A lady from Independence came in after some of that Bolice Liquid Satin flat wall paint — she had seen her neighbor use it and it was a beautiful job — it sure does cover.

You can try any brand of paint, nationally advertised brands, but none of them will compare with Bolice paint, and you know what old man Bolice says — if they are not satisfied, make them satisfied and send me the bill. I had one man who came back every fall and said, that roof paint you sold me last fall was no good, so we gave him more paint. We did this for three straight years, so he got his roof painted three times for one price — but he is a satisfied customer, and that is what we like.

Harve Vest brought me some of the best money you ever saw — he must have some fine bees or has them trained to make extra good honey like Ray Shannon on television — he says, Really Extra Dry — so this honey is Really Extra Good Honey — try some, it's cheap. Harve likes down on Richmond Road. Call him up or drive down. Chas. Ryan and Chink Vest put up a Jamesway hay carrier complete with grapple fork and track.

We have plenty of ¾-inch hay rope, pulleys, forks, carriers and tracks; also a few bundles of bale ties, but they are scarce. We lost two good men this week — Martin Cole and Pat Cole, who were two of our good farmers — but when your time comes, there is nothing anyone can do. Edna Dickerson just came in and bought a straw hat and some ice cube trays. Those two women were back up here from Elliott road and ordered venetian blinds for their new church. I didn't have a bit of trouble with them today.

Women are funny, you never know them — some have a big smile and others snap right at you, but they are something that men couldn't get along without. So we try to help all we can — just let them have their way is the easiest way out. We have a fine lot of women customers, who always come to CONRAD'S when in trouble or need hardware.

Volume 36 - Number 27

Walton-Verona School District Gets \$18,432 From the State Fund

A state per capita school fund of \$38.40 for each child included in the school census, highest in the history of Kentucky, will provide \$113,322.69 to school districts in Boone County for the current school year, it has been announced by State Superintendent of Public Instruction Boswell B. Hodgkin.

The per capita figure is \$38.40 above last year's previous high of \$29.50 behind each of the 632,595 children included in the school census. The increased fund—wherein each district in the State receives substantially more funds than last year—was made possible by an additional \$6,000,000 voted by the recent special session of the General Assembly, called by Gov. Wetherby, which raised the fund \$20,212,500 to \$26,212,500 for the year.

The per capita distribution announced by Mr. Hodgkin will provide average annual salary increases of approximately \$300 a year for each teacher in the State since all funds from this source must be devoted exclusively to teacher salaries. Funds to be distributed for equalization purposes to districts unable to meet the State average will be announced after all assessment data for the year have been furnished by the Department of Revenue, Mr. Hodgkin said.

Sums to be received by the school districts in Boone County are: Boone County District, \$94,889.49, and the Walton-Verona Independent District \$18,432.60.

Nicholson-Atwood Homeless

For the June meeting the Nicholson-Atwood Homemakers made a tour of the Co-operative Pure Milk Association.

Lunch was served at the Kemper Lane Hotel, after which a short business session was held with Mrs. John Cain presiding. Election of officers was held, with the following results: Mrs. J. C. Mayhugh, Jr., President; Mrs. Reubin Hindsale, Vice President; Mrs. John Butler, Program Chairman; Mrs. Clifford Cornelius, Secretary-Treasurer. A tour of Rockwood Pottery and Sterling Clay Glass Company was then made.

Members attending were: Mesdames. Reubin Hindsale, R. C. Durr, Forest Popp, J. R. Loomis, Orle Wagner, Clifford Cornelius, Leslie Wagner, H. L. Fletcher, Raymond Dixon, John Cain, Alfred Blymer, Frank Stagnan and T. L. Bishop. The next meeting will be held on July 11 at the Independence Christian Church at 10:30 at which time the making of silk lamp shades will be the major project.

Fidella Class Meets

The Fidella class of the Walton Baptist Church held its regular monthly meeting at the home of Mrs. James Woods, Thursday evening, with the following members and guests present:

Roberta Duchemin, Lucietta Neumeister, Gaynelle Flynn, Alice Flynn, Doris Pennington, Margaret Wilson, Wilma Winburn, Leona Jump, Julie Ann Childs, Lillian Powell, Kathleen Hamilton, Helen Chance, Frances Chapman, Jean Neumeister, Norma and Eddie Neumeister, Paulette Chance, Judy Shields, Paul Wilson, Carolyn Powell, Anna C. Brock, and the hostess, Mrs. Woods, and son Barry.

Red Cross Home Nursing

A Red Cross home nursing class will be completed July 5 at Florence, and a new class will be started on July 23, provided enough people are interested. Classes will be held at the Florence Community Center.

Contact Mrs. Sara Sayre, Florence 222, for reservations.

BOB & GENT TO PLAY AETNA OIL, SUNDAY

On Sunday, July 8 at 2:30 p. m., Bob & Gene, the Florence entry in the K.A.G. baseball league, will hoop up with Aetna Oil, the Gallatin County representative. A first-class game is looked for. Bismarck, Ryan or Minging will toss 'em up for Bob and Gene, while Waldorf will work for Aetna. The contest will be played at the Florence park.

WALTON FIREMEN'S PICNIC AUGUST 2-3-4

The Walton Volunteer Fire Department is contemplating having their annual picnic on the Walton Softball grounds, August 2, 3 and 4, providing there are no objections from residents along High School Court. We feel this will be more suitable and more available to all the very fine supporters of the Fire Department, which we, of course, earnestly solicit and certainly appreciate. — Walton Volunteer Fire Department

MRS. MARY M. AYLOE

Funeral services were held Wednesday at 11 a. m. in the Big Bone Baptist Church for Mrs. Mary Mason Aylo, 76, who died at her farm home near the church Sunday, July 1. Burial was in the church cemetery.

Mrs. Aylo, a member of the church for 60 years, suffered a heart attack, her doctor said.

She leaves a daughter, Mrs. Beckham Shields, of Walton; six sons, John Aylo of Petersburg, Kenneth and Russell Lee Aylo, both of Union, Bryan Aylo of Florence, Goebel Aylo of Ludlow, and Joseph Aylo of Walton; 20 grandchildren, and 21 great-grandchildren.

Chambers & Grubbs funeral home, Florence, completed arrangements.

Religious Educator To Be At Goshen Church, Sunday

Dr. Myron T. Hopper, nationally known religious educator, will lead two programs at Goshen Christian Church, Finer, on Sunday, July 8. A workshop for Sunday school teachers has been set for 3:00 p. m. In addition to leading this, Dr. Hopper will preach at the Sunday night worship service at 8:00.

His topic for the Sunday night service will be, "The Way of Jesus and the Disciples." Dr. Hopper is professor of religious education at the College of the Bible, Lexington. He came to that post in 1939 after serving for five years as national director of young people's work for the Disciples of Christ (Christian Church).

Rev. Bernard C. Meese, a senior at the College of the Bible, is pastor of the Goshen Church. He has pointed out that while the workshop Sunday afternoon has been planned especially for the teachers of the Goshen Christian Church, teachers from other churches, who wish to take advantage of this unique opportunity for training, will be welcome.

THOMAS L. BROOKS

Funeral services were held Wednesday at 2:00 p. m. at the Hamilton funeral home, Verona, for Thomas Lee Brooks, Walton, who retired as a farmer a year ago because of ill health. Burial was in New Bethel Cemetery, Verona. Ministers were Rev. Simeon Webster and Rev. Geo. W. Hoffman.

Mr. Brooks, 63, died last Friday night, June 29, at St. Elizabeth Hospital, Covington. A native of Nicholas County, he had lived in Boone County for 23 years. He was wounded during World War I, while serving with the Army in France. The deceased was a member of Staffordsbury Methodist Church. He leaves his widow, Mrs. Doretta Collins Brooks; three sons, Walter and Russell Brooks of Dayton, Ohio, and Arthur Brooks, serving with the Army in Korea; four daughters, Mrs. Charles Portwood and Mrs. Roscoe Holbrook, both of Walton; Mrs. Goebel Portwood of Independence, and Mrs. Leroy Cooke of Morning View; two sisters, Mrs. John Turner of Peebles, Ohio, and Mrs. Arthur M. Linton of Walton; two brothers, Henry Brooks of Crittenden, and Gilbert Brooks of Lexington, and 13 grandchildren.

Fiskburg D. of A. to Meet

The Fiskburg Chapter D. of A. is to meet Friday evening, July 6, at 8 o'clock at the Wilmington Masonic Hall. A "white elephant" auction will be held after the meeting, which will be presided over by Earl Worthington, Counselor. All members are urged to attend.

Highest Award At 4-H Camp Won By Kenton County Boy

One hundred twenty-nine 4-H members, leaders and extension agents attended the Northern Kentucky District 4-H Club camp, held last week at Camp Ernst, Boone County.

Dan Gravens received the highest award a 4-H camper can receive, which was a medal camper. Dan is the son of Mr. and Mrs. Charles Gravens of near Crescent Springs. He has been a 4-H member for four years and attended camp two years.

Those receiving junior star camper awards from Kenton County were, Tommy Stephenson, member of the Piner 4-H Club, Carol Winburn, also of the Piner club, Rosalie Yates of Crescent Springs 4-H Club, and Joyce Winburn of the Simon Kenton 4-H Club.

With the Army in Korea

A Demosville man is serving with the Army in West Korea with one of the famous combat units fighting Chinese Communists.

Pvt. W. C. Carlisle, son of Mrs. Mattie Florence Carlisle, Route 1, Demosville, in the Walton area, is in the 1st Cavalry Division's 70th Tank Battalion.

Carlisle's armored outfit is the colorful force that led three of the Korean war's most historic drives: The blitzkrieg offensive northward from Taegu to Osan in September; the first crossing of the 38th Parallel in October, and the entry of the North Korean capital city of Pyongyang in the same month.

Of the 34 tank-to-tank battles fought in Korea, the 70th Tank has participated in 11. Of the scores of gutted enemy tanks rusting along Korean roads, the 70th Tank has accounted for more than its share.

Its greatest contribution to the fighting has been in backing-up GI Joe. The tanks probe deep into the enemy lines, softening up the enemy resistance that creates the Infantry's biggest problem.

Oak Ridge Homemakers

A summary of the past year's accomplishments by members of the Oak Ridge Homemakers Club were given during the June meeting, held at the home of Mrs. T. B. Renaker of Park Drive. Many related home improvement made in or about the home, while others told of being able to help friends in an advisory way, therefore sharing the information learned from the project leaders and lesson leaders.

Mrs. Edith Piper conducted the business session. Newly-elected officers for the ensuing year were installed by the president, Mrs. C. M. McEwen: Mrs. Chester Barton, publicity; Mrs. Ralph Lewellen, citizenship; Mrs. L. E. Mann, reading, and Miss Annie Olding, gardening. Project leaders are: Mrs. W. B. Wheeler, Mrs. Edith Piper, Mrs. A. G. Bowling, Mrs. T. B. Renaker, and Mrs. Kelly Hall.

Mrs. E. C. Harris, membership chairman, reported the club's attendance average for the year was 85%.

The following members were honored and presented a small gift for holding a 100% attendance record for the year: Mrs. Edith Piper, Mrs. Pearl Piper, Mrs. Kenneth Galloway and Mrs. Ralph Lewellen, the latter being a 100% member for 3 years.

Final plans for the club's annual picnic were completed, as Mrs. Kelly Hall, Mrs. C. Barton and Mrs. Ralph Lewellen were named to serve as a committee for games and prizes.

Others attending the meeting were Mesdames. Johnnie Piper, Delmar Cooper, Eugene Tomlin, and H. Hutcheson, and daughter.—Pub. Chm.

BASEBALL TRYOUTS AT LEXINGTON, KY.

"Are there any potential major league ball players here?" is the question that veteran Red Bird scouts Jack Sturdy and Bob Kline will be asking themselves when the St. Louis Cardinals conduct their tryout camp at the Legion Field in Lexington, Ky., July 16, 17 and 18.

The tryouts will begin each day at 11:00 a. m. with the welcome mat out for all interested in a professional baseball career between the ages of 7 and 23. Those who attend are reminded to bring their own shoes and gloves and uniforms if possible. Expenses incident to attending will be refunded to those signing contracts with the Cardinals.

The scouts will be looking for the natural ability in the ball players which can be developed into the smooth perfection which is required in the majors.

Taking Farmer Course

John I. Gray, Jr., teacher of vocational agriculture at Simon Kenton High School, is enrolled in the Adult Farmer course at the University of Kentucky this summer.

The course is designed to help teachers with their vocational agriculture work for adult farmers. The Simon Kenton high school will offer classes for adult farmers during the coming year.

Seventieth Wedding Anniversary Celebrated By Couple at Union

The 70th anniversary of their wedding, which took place June 29, 1881, at the home of the bride's parents in Warsaw, was celebrated Friday, June 29, 1951, from 8 to 10 p. m. in the Union Baptist Church, by Mr. and Mrs. James Addison Huey.

Mr. and Mrs. Huey, who have lived in Union all of their married life except three years spent in Erlanger are the only living church members of the Union Baptist Church, where they were honored with a reception last Friday evening.

Mr. Huey has been a member of Boone-Union Lodge, No. 304, Free and Accepted Masons, for 53 years. He was grand sword bearer in the Grand Lodge in 1906-1907.

Mrs. Huey, the former Sarah H. Crouch, daughter of Mr. and Mrs. John Crouch, is the granddaughter of the late Myrck J. Williams, who was grand master of Masons in Kentucky in 1885-86.

Mr. and Mrs. Huey have two living children, Joseph A. Huey and Mrs. John O. Taylor, both of Union; seven grandchildren, J. Lassing Huey and Mrs. Patsy Huey Slayback, both of Union; Dr. J. M. Huey and Gaines Edwards Huey of Walton, Mrs. C. V. Cook of Bluefield, W. Va., Mrs. Paul Miller of Trenton, N. J., and Mrs. Henry Taylor of Greensboro, N. C., and 10 great-grandchildren.

He stated that he was doing fine and a bald and has been stationed on Okinawa. His address: Sgt. James R. Smith, 6303rd Air Terminal Sqns., Post Sect., APO 235, c/o PM San Francisco, Calif.

GRADUATES FROM U. L.

Miss Colleen Vallandingham, daughter of Mr. and Mrs. C. S. Vallandingham, Walton, was graduated from the University of Louisville on June 5, receiving honors in mathematics. There were 1,017 in the '51 graduating class of U. of L.

Miss Vallandingham was elected to membership in Phi Kappa Phi, an all-university honor society to which students and faculty members of all departments of the university may be elected. Selection of members is based upon sound character, high scholarship, and interest in the university. The object of Phi Kappa Phi is to emphasize scholarship and character, to stimulate mental achievement, and to foster the significant purposes of the university. It was founded as a national honor society in 1897 and now has chapters in more than fifty leading universities in the United States.

The Woodcock society, the oldest and most active honorary group on the campus of the University of Louisville, also elected Colleen to its membership. This honor was awarded on the basis of scholarship, leadership, and character. Woodcock membership is the highest honor offered by the university to its students for high scholarship.

This young lady was also on the Dean's List, in which high scholarship is needed. In addition, she was a member and an officer of Beta Gamma Chapter of Chi Omega, a National Social Sorority.

In 1947, Colleen was graduated from Walton-Verona High School, which was then guided by Supt. H. P. Baker. She received all of her elementary and secondary training at Walton-Verona, and was valedictorian of her graduating class.

The New Haven Homemakers club held its June meeting at the beautiful home of Mrs. W. Baker, last Tuesday, with seventeen members and ten guests present, namely:

Mrs. Fred Morrison, Mrs. Grace Hack, Mrs. M. C. Owens, Mrs. Arthur Bowen, Mrs. L. M. Moore, Mrs. Clara Ewert, Mrs. J. E. McCabe, Mrs. Ed Grater, Mrs. Jack Cleek, Mrs. Norman Laibny, Mrs. Joseph Huey, Mrs. Ardon Wagenlander, Mrs. Geo. Prigge and daughter, Mrs. George Moody and daughter, Mrs. A. A. Leggett, Mrs. Mattie M. Griffith, and the hostess, Mrs. Baker. Guests were Mrs. Mabel B. Glover of San Diego, Calif., Mrs. Mildred B. Mitchell of Chicago, Ill., Mrs. William Skroto of Ft. Mitchell, Mrs. Bertha Jack, Mrs. William Tupman, Mrs. Clint Blankenbaker, Mrs. Joe Cleek, Mrs. John Huff, Mrs. Marie Pennington, and Mr. Jake Cleek.

The business meeting was called to order by the president, Mrs. M. C. Owens at eleven. New officers were elected for the coming year: President, Mrs. G. W. Baker; Vice President, Mrs. Stanley Hanson; Vice President, Mrs. Joseph Huey; Secretary and Treasurer, Mrs. M. C. Owens.

A covered dish luncheon was served at noon, which was enjoyed by all.

The lesson for the afternoon was "etching" and several nice pieces were finished.

The July 10 meeting will be a picnic luncheon to be held at Roadside Park near the Beacon Light.—Pub. Chm.

Judge Cropper Is Wetherby's County Campaign Chairman

Judge Carroll Cropper of Burlington has been named Boone County Chairman for Gov. Lawrence W. Wetherby's campaign for the Democratic nomination for Governor in the August 4th primary. It was announced this week by Jesse Scott Lindsay, Wetherby's State Campaign Chairman.

The Wetherby for Governor headquarters opened at the Seelbach Hotel, Louisville, last Thursday. One hundred and eleven of Kentucky's 120 counties were represented and more than seven hundred persons signed the guest register.

"The opening day flow of visitors was more like a State Democratic convention than a Campaign Headquarters opening," Lindsay said. In addition, to the many visitors at the Wetherby headquarters opening, scores of congratulatory telegrams and floral designs were received by Governor Wetherby.

Democratic members of Kentucky's Congressional delegation sending messages were Senator Clements, Congressman Chelf, Whitaker, Watts and Perkins. Senator Tom Underwood delivered his good wishes to Governor Wetherby personally a few days previously.

Verona Lake Ranch Opening Big Success; WLW Stars Sunday

Last Sunday afternoon 750 persons attended the Verona Lake Ranch opening. The guests saw Homer Harris and his educated horse. There were plenty of seats for everyone. Old-time music lovers from Boone, Kenton, Grant, Gallatin, Owen, Henry, Campbell and Pendleton counties made up the crowd.

Nelson King, popular WCLW Master of Ceremonies, was guest MC for the second show.

Sunday, July 8 Show

This Sunday, July 8, Renfro Valley will not be at Verona as previously announced, however, their entire show will be presented July 15.

For Sunday, July 8, Bill Scroggin has been fortunate in booking WLW radio and television stars for his show at Verona. Heading the list is none other than Bill Thall the "head man" of the Midwestern Hayride TV show. Also booked are Roy Brown, Ralph Cook and Robert Boyer of the Rangers. The talented and attractive Geer Sisters round out this fine show Sunday. There will be two shows, 2 p.m. and 4 p.m.

Sacrament of Lord's Supper

Members of the Richmond Presbyterian Church are notified of the Sacrament of the Lord's Supper, to be celebrated this Sunday, July 8, at the regular hour of worship.

Following this service, there will be a congregational meeting to dissolve the pastoral relationship between Rev. Don Hopkins and the Richmond church.

Every member is urged to attend this service and this meeting. All are welcome to the Sacrament who confess and accept Christ as Saviour.

Verona Homemakers' Picnic

The Verona Homemakers will have their annual picnic at the home of Mr. and Mrs. Geo. Hamilton, on the Walton-Nicholson Highway, on Saturday evening at 7:30. A "white elephant" sale will be held, with a reliable auctioneer's charge. Come and have some fun.

Birthday Party Saturday

Miss Mary Kaye Wilson entertained with a party Saturday evening in honor of her sixteenth birthday. Those who enjoyed the evening were: Janice Cook, Mye Green, Janice Chapman, Rita Stephenson, Lois Glenn, Louise Brewer, Nellie Lauff, Shirley Lou Carpenter, Walt Ryan, Kenneth Dixon, Donald Vest, Yarnelle Cook, Russell Acra, Harold Campbell, Bobbie Buchanan, Billie Smith, Frankie Penick, Dede Coppage, "Stormy" Linton, and the hostess.

Mrs. Ruth Nelhoff Beckett

Mrs. Ruth Amelia Nelhoff Beckett formerly of this community, now of Butler, died at Booth Hospital, June 23. She is survived by her husband, James C. Beckett; two daughters, Mary Ruth and Billy Ann Beckett; one brother, Fred Nelhoff, and six sisters, Mrs. Mary Jackson, Miss Nell Nelhoff, Mrs. Grace Beckett, Mrs. Elizabeth Barberick, Mrs. Carry Northcutt and Mrs. Elsie Damon.

Henry Doan

Henry Doan, a retired industrial iron worker, and long-time resident of Independence, died at his home June 29. He was going on 88 years of age, and was loved and respected by the whole community. He received Christ as his Saviour and became a member of the Independence Baptist Church when 75 years of age. Many times he told his pastor to tell others not to wait to become a Christian as long as he did.

Those surviving are his widow, Mrs. Mary Doan and eight daughters, Mrs. Bertha Denny of Colum-

bus, Ohio, Mrs. Stella Owen having preceded him in death 16 years ago. Mrs. Maude Schneider of Dayton, Ohio, Mrs. Lillian Davis of Bellfontaine, Ohio, Mrs. Mildred Davis of Independence, Mrs. Gertrude Shamblen of Cincinnati, Ohio, Mrs. Pearl Dean of Madisonville, Ohio, Mrs. Iva King of Falmouth, and Mrs. Ann Bodley of Independence. He also leaves 18 grandchildren and 28 great-grandchildren.

The funeral was at the Independence Baptist Church, with Rev. W. E. Maners officiating, assisted by Rev. Arthur Tipton and Rev. Leo Drake. Burial was in Independence Cemetery.

Attend REA Meeting

The Owen County R.E.A. had a big meeting at Dry Ridge, June 29. It was the regular annual meeting. Many farm and electrical appliances were shown. Mrs. Louis Lee, Mr. and Mrs. Dawson McDonald, Mrs. Adrian Durr and Dawson Ballinger, all of the Independence community, were present.

with gold trim on shade
and bracket

complete with bulb

The most versatile wall lamp you have seen in years—use it in your dinette, bedroom, on the porch—or just any room in the house.

Your indirect light is furnished by the R-40 bulb that is its own reflector—a wonderful feature, since there is no bowl to catch bugs and dust.

You'll like its sturdiness, too, as it is equipped with a special bracket holder that will not allow the lamp to fall off the wall or tip.

SAVE FLAVOR, FOOD

VALUE OF VEGETABLES

Now that garden-fresh vegetables are at hand, every effort should be made to see that none of their flavor or food value is lost before they reach the table. Ways of storage and preparation are often offenders, says Mrs. Polly Friesel of the College of Agriculture and Home Economics, University of Kentucky.

Her recommendations:

1—Wash vegetables well, but do not soak them. If not used at once, store in plastic bag or hydrator in refrigerator.

2—Cook strong flavored vegetables in boiling, salted water to cover, but without a lid, to let strong odors escape.

3—Cook other vegetables in as little boiling, salted water as possible.

4—Cook green vegetables, such as peas and beans, without a lid for the first five minutes to retain color.

5—Steam and blanch in the water that clings to the leaves after washing, no water being added.

6—If possible, leave vegetables whole and unpared while cooking, as minerals lying just under the skin are lost by peeling, and vitamins through cut surfaces.

7—Steaming or baking vegetables retains most food value.

8—Cook all vegetables in as short a time as possible, and only until tender to retain shape, color and texture.

9—Serve vegetables promptly while still crisp and natural in color.

Joe Thicker of Boyd county saved 500 bales of hay by having clean, well-managed pastures for early grazing.

Many tobacco plant beds in Warren county were injured by dry weather and wind mill blizzards. Wildfire in ureted tobacco beds in Morgan county did considerable damage to plants.

A total of 12,318 pounds of wool were shipped by 47 growers in Graves county, most of it consigned to the Kentucky Wool Growers Association.

Learning to Say 'We'

Lesson for July 8, 1951

The "We-Feeling"
GOD INVENTED the family; that is what is meant by calling it a "divine institution." It is part of God's plan for each of his children that he shall learn how to live, not in a lonely cell by himself, not as a lonely wolf fighting his battle against all comers, but as a member of a family.

The family is enormously important in many ways. There is only one of them. Students of personality have found a new but simple name for something that every one ought to have, but not every one does have: it is called the "we-feeling."

The lone-wolf type of person never really thinks "we." His mind divides the world into two armed camps: on the one side is "I" and on the other side is every one else.

He goes through life assuming that nobody is for him, nobody is with him, and he in turn is for nobody and with nobody. His "hand is against every man," as the Bible says. Even if he teams up with others for a while, he will double-cross them if he thinks he will make something out of it. He is your typical criminal, "anti-social," as teachers and sociologists call him.

What It Means to Grow Up
CHILDREN usually begin life without much "we-feeling." If any. They don't naturally share their toys or their dinners or anything else. They grab all they can and "they don't like to be grabbed up. The process of growing up—really growing up, not merely getting older and bigger—is a process of developing a healthy "we-feeling. Nearly every one develops this to some extent, of course; but when some people say "we" they don't mean very many.

We have all heard of the man who prayed: "Lord, bless me and my wife, my son John and his wife. Us four, no more. Amen!" He doesn't make a very good citizen.

But as the "we"-circle grows wider and wider we get a more and more public-spirited and service-minded citizen, till at the high point of the we-feeling we see a man like St. Paul who calls himself a debtor to all men, or like John Wesley who said, "The world is my parish," or a modern international citizen and statesman such as John R. Mott.

How the Family Helps
THE very best place to learn the "we-feeling" is in a good family. This does not necessarily mean an aristocratic family or a wealthy one. Many good families, perhaps most good ones, are quite poor and obscure, as the family of Jesus was.

But whether it is in the city or the country, or however large or small it may be, the good family is one that helps every member of it to grow up into a healthy adult we-feeling. Living in a family teaches the meaning of "all for one."

In a good family, all are proud of what any one accomplishes; the big brothers and sisters are just as pleased with little brother's first steps as little brother is himself. When father wins a prize at the state fair, or when mother is elected an officer in her church society, or when Molly makes the honor roll in school or Jim makes the basketball team, everybody in the family is just as pleased as if they themselves had received the honor.

When any one of the family gets into trouble, they all stand by to help.

The Best Families Are Christian
THE best families are those where religion is real; and if we believe that the Christian religion is the best, then we shall agree that Christians ought to have the best families.

Remember that in a Christian home Christ is the real head of the house. If ever any one had the "we-feeling" in its purest form, it was Jesus. No one can ever live long in his company and stay selfish.

So in the home where he is not only the best-loved guest but the true head of the house, every one from oldest to youngest learns to say "we" and loves to say it, and means it and lives it. From such homes come the best citizens and neighbors.

ATTEND SOME CHURCH ... EVERY SUNDAY

GRAND CENTRAL STATION
...at the turn of the lane

Lars Olsen has often said, "Those New York folks could get along without Grand Central Station before Lars Olsen could get along without his barn!" And Lars really has a point. For his barn is the throbbing pulse of the Olsen farm. Day by day, out of it and into it move his livestock, his equipment, and the fruits of his labor. It is the hub of his own world of industry and commerce.

But Lars has also remarked, "We Olsens could get along without our barn before we could get along without our church!"

And Lars is serious! He has learned that a man's religion is the power in his life, that Christian habits and ideals give meaning and purpose to his efforts and his achievements.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Most of us never realize what July 4th is, only another holiday, to go on a picnic or go fishing, which is not a bad way to spend it. If you can keep off the highway most of the day, July 4th is now very quiet day; no fireworks or excitement. Several bought fishing license and fish tackle today—they are getting ready for the 4th. Some kids bought cap pistols—they are not classed as fireworks. Others bought garden tools and lawn hose, garbage cans and new linoleum. They are going to work around home to celebrate the 4th.

Mrs. Gibson from Parkers Grove was in today buying podlocks and plastic window shades—she was telling me how good that D-Con rat poison was—it killed all her rats and her neighbors rats, as well. Bill Howe bought his wife a square porcelain tub Maytag washer. Whitey Moore from Beaver came up after more of that Boice outside white paint. Len Wilson was with him—he bought a gallon of brush killer. One gallon will make a hundred gallons of spray and will kill all kinds of brush, trees and vines—cheaper than cutting them.

Bryan Rich was over after a lot of mower repairs to fix up his old mower. Walter King and Sarah just came in—Walter bought a Paragon sprayer on wheels and two bags of lime for white wash—Sarah bought 2-gallon milk crocks, pans and a spatula. Mrs. Bishop, out on Verona Road, saw Red setting up a peach swing, and she took it home with her. We have some very nice swings and only \$8.95 up. We just unloaded a lot of 1½ qt. Rotenone for bean beetles—it will sure kill them; also Copper Dust for blight and Methoxol for cow spray—it lasts three weeks on one spraying.

We also have 2, 4D for spraying corn fields to kill weeds and vines for only \$6.50 per gallon. If you will just spray your pastures, it will kill all the weeds and leave the grass—then more grass will grow where the weeds were. Mrs. Heldeman from Crittenden wanted an aluminum cold pack camera which I was out of, so she settled with an enamel camera, which are very nice—hold 8 quarts or 7 half gallons, for only \$3.25. Mrs. Ella Moore, who has a farm down on 3232 town Road, came up and bought 10 gallons of Boice outside white paint, 2 gallons of linseed oil, putty and a 4-inch brush.

Mr. and Mrs. Wharton live on the Moore farm and they recommended Boice paint. John L. Feagan was in after an electric fan, also got a 5-shovel cultivator for plowing his tobacco. Mrs. Black, who lives on Green Road, was in today and bought bronze screen wire. Frances Code bought more Boice paint. I sold Mrs. Lula Howard, who is Ira Dixon's sister, a cast iron coal cook stove and set it up for her today.

Melvin Platt was having water pump trouble—came over after a new pressure switch. Len Wilson brought up two sets of hames for Ray to put new rings in for check lines to run through. Dorothy Ryan needed her electric iron repaired—this iron had a short in the cord and got on fire—Dorothy threw it out in the yard—she thought maybe it was broken up inside, but we put a new cord on it and it worked. You already know what kind of iron it was—a Sunbeam—that is the only one that will stand that treatment.

Mr. and Mrs. R. E. Tanner, on U. S. 42, close to Gunpowder Creek, were in today buying hardware—it was their first trip to my store, but I hope it won't be the last. Mrs. Houston, Mrs. Summey and Mrs. Reynolds from over on Taylor Mill Road were also shopping in Walton. Everett Smoot was in after mower repairs—so was Russ Vest and Harold, buying sections and rivets. Omer Speagle bought a portable electric water heater—very handy to heat your wash water—just drop it in the tub and plug it in.

Mr. and Mrs. J. W. Poole bought 24 feet of hardwood pattern linoleum to put in their hall—this makes a very nice hall floor. Mr. and Mrs. Mitchell, down on Ellis Farm, bought three Armstrong rugs and six window shades. Grandma Clifton was in and loaded up again—she buys more pots and pans, wire fence and gadgets. Mrs. James Messmer was buying Rotenone and Copper Dust for beans and tomatoes; also kettles and small items. Mrs. Clarence Schuerman came over after a thermos jug for Clarence.

McGuire from Crittenden was down after mower parts. Georgia Mayhugh was in today—said they rented every cabin Saturday night—they sure have a nice place—so nice, clean and neat. There are a lot of items that tourist crowd from Conrad Hardware. John Hempel had me sharpen his lawn mower again—if he ever gets all the cans and bottles cut up, it will be easy mowing. Come to Conrad for Quality and Service—we always try to serve!

Community Cannery At Simon Kenton Opens July 17

The Simon Kenton School Community Cannery will open Tuesday, July 17 for the canning of foods. Products to be canned must be at the cannery between the hours of 8:30 a. m. and 1:00 p. m. In order to get it processed by cannery closing time. Appointments should be made the day before canning by calling J. A. Caywood, 4011, between 9 a. m. and 3 p. m.

The price of cans this year will be the same as last—6 to 8 cents per can—depending on the size. This cost covers the cost of the can plus the use of the cannery, which includes fuel, water, electricity and labor for firing the boiler.

At the beginning of the season, the cannery will be open on Tuesdays and Fridays. If appointments justify it, the engineer will fire the boiler and have the pressure cookers ready on Tuesdays, Wednesdays, Thursdays and Fridays.

As in the past, you will need to bring your own seasoning, towels, pot holders or gloves. To facilitate your work, bring your own knives and dish pans and sufficient help to get your product canned quickly and efficiently.

Cannery policies are: 1. The cannery is not responsible for any food or filled cans left in the cannery; 2. the cannery will not be responsible for accidents in or around the cannery or damage to equipment due to improper handling; 3. no animal or filled cans left in the cannery; 4. each patron is responsible for leaving the cannery and equipment clean and in good condition. Small equipment should be put in its proper place; 5. pay for all canning cost before removing cans from cannery.

The following people are responsible for managing and operating the cannery this year: J. A. Caywood and Miss Helen Hildebrand, appointments and information; Mrs. Gayle McElroy and John I. Gray, supervisors; Mrs. Mildred Popp, cannery teacher, and Cliff Coleman and Henry Schoborg, engineers.

Homemakers Style Show at Rosegate Farm Wednesday

Homemakers Clubs in Boone county are giving a cotton style show on Wednesday, July 18 at 2:00 p. m. at Rosegate Farm, Highway 25, between Walton and Florence. You are invited to attend.

The homemakers have been studying the basic principle of constructing a cotton dress during the past year. Along with this grand finale of cotton dresses will be Miss Lullie Logan, Assistant Supervisor from Lexington, who will tell of her experiences in Denmark and the fall. Miss Clara Hellein, a German visitor, sponsored by the Kentucky Federation of Homemakers, will attend this meeting, and all will have chance to meet and talk to her. Clara is spending one month in this county, at the home of Mrs. Leo Flynn of Walton. Her special interest in visiting America is to see how Americans live, work and play. You will enjoy Clara and in helping her understand our way of life, you will be contributing to the cause of international friendship.

Crusaders Say "Thanks"

The Crusaders class of the Walton Christian Church wishes to thank the people of Walton and surrounding area for their patronage at their ice cream social, Saturday evening. They especially wish to thank those who so generously loaned ice cream freezers, in order to make the social a success.

PETERSBURG O.E.S.

Petersburg Chapter O.E.S. of Eastern Star, No. U. D., will have inspection and initiation on Monday, July 16 at 8 o'clock in the Petersburg Masonic Hall. Joseph Rogers, Deputy Grand Patron, inspecting officer.

Community Club Fish Fry

At 7:00 p. m., Friday, July 13, the Verona Community Club will hold its annual fish fry and social. This year the club will hold this very popular event at Verona Lake Ranch and the public is cordially invited. Professor Chipman, B. A. and M. F. F. (Master of Fish Frying) will preside at the frying pit; Wendell Ryan has been appointed Hot Dog King; Bill Scroggin and Charley Ryan are the Coffee Brewers; Stanley Fooks, Sandwich Inspector; Wilbur Florence, Soda Jerk, and Grover Ransom, Cashier. No women are on the work detail this year, but there, no doubt, will be many suggestions offered at home, but the men folk have vowed to see the thing through.

Men's Fellowship to Meet

The Christian Men's Fellowship of the Walton Christian Church meets Thursday, July 19, at 7:30 p. m. A covered dish supper, group singing, a business meeting and an interesting program are on the schedule. Plan to be with us in this evening of fellowship.—Pub. Chm.

Operator's License On Sale In Walton, On July 20 and 21

The 1951-1952 Operator's Licenses have not been received by the Circuit Clerk's Office of Boone County, but they are expected by Friday, July 13. The present licenses expire July 31, and there has been no extension of time made by authorities.

New licenses may be obtained at the Circuit Clerk's Office in the Burlington Courthouse or by sending a stamped, self-addressed envelope, your old Operator's License and the fee of \$1.00 to the Circuit Clerk. If more than one license from a family is mailed in, one envelope is sufficient. Obtaining your license may mail is very convenient and if you are checked for your license is an excellent defense that you have sent it in to be renewed.

The licenses will be offered for sale at the following locations in the county on the dates shown, and during the hours of usual business or the hours of the place where the licenses are being offered for sale:

Petersburg, Farmers Bank, July 16
Union Bank, July 17
Constance, Ellis Store, (afternoon)

July 18
Walton, City Bldg., July 20-21
Hebron, Hebron Motors, July 23
Verona, Verona Bank, July 24
Grant, Citizens Bank, (afternoon)

July 25
Florence, Fire House, July 27-28
There will be a State Trooper in the Clerk's office each Wednesday morning from 9 to 11:30 a. m. to take the driver's test. Applicants under 19 years of age must have their application signed by their father before they are permitted to take the test.

CHARLES MOORE

Charles Moore, 75 years old, a Petersburg farmer, was found dead in his home Tuesday, July 3. He was a life-long resident of this county. He is survived by his widow, and one daughter, Mrs. Wilbur Rice of Petersburg.

Services were held from the graveside in Petersburg Cemetery, Thursday, July 5 at 2:00 p. m.

Chambers & Grubbs funeral home, Florence, had charge of arrangements.

VACATION BIBLE SCHOOL AT RICHWOOD

The Union and Richwood Presbyterian Churches announce their Daily Vacation Bible School for July 16 through the 20. The school will be held at the Richwood church and community house.

The school will open at 10:00 each morning and close at 2:15 each afternoon. Students will be expected to bring their own lunch, and cold drinks will be furnished.

These churches welcome all children in the community from the ages of four through 15. There will be worship, study, games and hand-work for all.

Boosters Club Fair August 25

The New Haven Boosters' Club has announced that the annual Fall Festival, sponsored by the club, is to be held at the New Haven school grounds on Saturday, August 25.

Among the outstanding events is an auction, at which the public is invited to bring whatever they want to be auctioned-off. There will also be games, refreshments, etc. Plan now to attend this Fall Festival—August 25.

Democratic Rally At Verona, July 20; Governor to Attend

The Boone County Democratic Club will be host to the Fifth District clubs and friends in a "Wetherby For Governor Rally" at Verona Lake Ranch, Verona, Ky., Friday evening, July 20, 1951, beginning at 6:30 p. m.

Special guests will be Gov. Lawrence Wetherby, Emerson "Doc" Beachamp, J. Lyter Donaldson, Judge Jess Lindsay, Carroll County Judge and State Campaign Manager for Gov. Wetherby, as well as others from Washington and Louisville. Judge Carroll Cropper of Boone County, will be master of ceremonies.

This will be the first of the statewide district rallies being held for the Governor prior to the primary election. Ben F. Zimmer, Jr., Florence, is general chairman for the fair, and has cordially invited everyone to be present and hear and meet Governor Wetherby.

Food and good entertainment is on the menu. Plan to attend and spend an evening of fun and fellowship with the Democrats of Boone County and the Fifth District. The Fifth District is composed of Boone, Gallatin, Carroll, Oldham, Kenton, Campbell, Grant, Trimble and Pendleton counties.

ICE CREAM SUPPER

The Woman's Society of Christian Service of the Big Bone Methodist Church is giving an ice cream supper at the church Friday evening, July 13. Serving will begin at 6:00. Ice cream, cake and drinks will be served. Everyone welcome.

Soil Conservation Air Tour Set For July 31

Renfro Valley Stars At Verona Lake Ranch, Sunday

A whole stage full of Renfro Valley entertainers will be on hand this Sunday afternoon, July 15, at 2:00 and 4:00 p. m., over at Verona Lake Ranch. A large crowd is expected.

People seeing this huge outdoor theater for the first time are amazed to learn that there is such a fine outdoor amusement place so near. In fact it is unique and the only one of its kind in the state.

Bill Thal and other WLW-T stars who appeared on the Ranch Barn Dance Show last Sunday were loud in their praise of the large stage and almost perfect amplifying system, which is operated by Leon Hall.

In only two weeks, Bill Scroggin has gained recognition far and near for this little "Cross Road Opera," as described by the Cincinnati Enquirer. It has already been mentioned by radio and television, and in due time will become one of the better known Hill Billy and Western Music show places. Bill's friends and neighbors are wishing him well in this effort to provide clean, wholesome entertainment at a price in the reach of everyone.

Thus far top-notch entertainers have appeared each Sunday afternoon and many new faces appear in the cheering audience as time goes along. In addition to offering entertainment, employment is given to 15 local people. Filling stations, eating places and other places open for Sunday trade are already noting some extra business.

Food and soft drinks (only) are sold on the grounds and a new cistern and water fountain has been added the past week. A large picnic area is available for no cost for those attending the shows. The Ranch is open daily, with the fishing lake doing business from 6 a. m. to 7:30 p. m.

TO DEDICATE ORGAN

A dedication of the new church model Hammond organ will be held at the Florence Baptist Church on Sunday evening, July 15, at 7:45.

This will be a program of music in which all the neighboring churches will participate. There will also be appropriate remarks of dedication. The churches uniting in this program are greatly appreciated, and it will be well worth your time to attend and hear these top musicians sing praises to our Lord and Master.

Since this is a gift to the Florence Baptist Church, there will be no offering. The public is cordially invited.—Pub. Chm.

GOSHEN REVIVAL

The Goshen Christian Church, Phier, will be holding its annual revival August 6 through 15. The Rev. Charles B. Holder, Richmond, Ky., will be the evangelist for the ten days. Mr. Holder held a similar meeting at Goshen last year, and was well received by all. He had seven additions at that time, and gave to all who heard him spiritual and mental stimulation. During the ten days of this year's revival, the meetings will be held nightly at 8:00. All are welcome and urged to attend regularly for inspirational sermons and services.

Graduates From Hanover

John M. Baker, son of Mr. and Mrs. H. F. Baker, Richwood Road, Walton, was graduated from Hanover College, Hanover, Ind. June 11, with a Bachelor of Arts degree in mathematics. He accepted a position with the General Electric Company in Danville, Ill. Mr. Baker, with his wife and son, have gone to Danville to assume his new duties.

EIGHTH IN TAX RETURNS

Boone county is eighth in the state in the ratio of persons filing income tax returns, with 85.4 out of each 100 persons paying the state levy. The Department of Revenue, Frankfort, has announced.

Plans are being completed for a Northern Kentucky Conservation Air Tour, July 31, according to Floyd Kells, work unit conservationist of the Soil Conservation program in Boone county.

Committees to promote the tour and aid in bringing good soil conservation practices to public attention were named at a meeting held in the district office, Burlington, on Friday of last week. Representatives from all sections of the county attended the meeting, according to Mr. Kells.

The purpose of the tour is to acquaint farmers throughout the district with the advantages of conservation practices. Farmers will have an opportunity to view these practices from the air, if they so desire.

Twelve farms in Boone, Grant and Kenton counties have been selected to figure in the tour. They were selected due to their position, and practices being carried out. These farms will be marked in order to distinguish them from the air, and their conservation practices will be explained to those attending the tour.

The meeting, scheduled at the Boone County Airport, will be held from 9:00 a. m. to 5:00 p. m. on the above date. The Boone County Airlines, located on the grounds of the airport, will be the location of the meeting. All planes making the tour will leave the local airport, it was announced.

Farmers throughout this area are urged to attend this meeting and to avail themselves of the opportunity of viewing soil conservation from, the air.

Kenton County Garden & Cultural Club Elects Officers

Mrs. S. C. Flisk was hostess at her home for the June meeting of the Kenton County Garden and Cultural Club.

Election of officers was held: Mrs. Orie S. Ware, President; Mrs. H. L. Picher, Vice President; Mrs. Leslie Wagner, Secretary, and Mrs. Clifford Northing, Treasurer.

Attending were: Mrs. William R. Brown, Mrs. J. L. Butler, Mrs. Frank Staggerman, Mrs. Frank Cooke, Mrs. S. C. Flisk, Mrs. Lewis Gabriel, Mrs. C. F. Picher, Mrs. H. L. Picher, Mrs. S. Rich, Mrs. Howard Stephens, Mrs. Leslie Wagner, Mrs. Forest Popp, Miss Margaret Stephens, Miss Myra Stephens, Mrs. Howard Taylor, Mrs. Bandal Wagner, Mrs. Roberts and Mrs. William H. Hildebrand.

Mrs. Lewis Gabriel will be hostess at her home for the July meeting.

TENT REVIVAL

A community-wide tent revival is to be held July 16 to August 3 at the Boyd Elliott farm, near Atwood, on the L.L. Highway, Kenton County. Services at 8:00 p. m. during the week and at 3:00 p. m. Sunday.

The evangelist is Rev. Don J. Milam, Oklahoma City, Okla., and special music will be furnished by near-by churches. Baptist churches cooperating in this tent meeting are Oak Island, Wilmington, Independence, New Banklick and Walton.

The public is cordially invited to attend these services.

DEADLINE SET FOR ENROLLING IN CLASSES

July 25 has been set as the last day a veteran of World War II can enroll in Institutional on the Farm Training Classes, and take advantage of the GI Bill of Rights.

Any veteran on a farm, and now farming in Kenton or adjoining counties, who is interested in training should contact John I. Gray, Jr., Vocational Agriculture teacher; Geo. Salisbury or John Hildebrand, Veteran Teachers, at Simon Kenton High School, Independence, Ky.

Bob & Gene At Home

The Bob & Gene baseballers are to play Grant's Lick at the Florence ball park, Sunday, July 15, starting at 2:00 p. m.

The Future Homemakers of America, Williamstown Chapter, visited the Home Lighting and Home Service Divisions of the Cincinnati Gas and Electric Company recently to obtain information on good cooking and good lighting for adaptability in

the planning of their future homes. Shown left to right are R. M. Hall, manager of the Southern Division of Union Light, Heat & Power Co., Mrs. Alva Ransdell, who sponsored the tour, and J. R. Hartman, vice president of the Cincinnati Gas & Electric

Company. Gathered around those mentioned are the Homemakers and many of their mothers who accompanied them on their inspection trip. In the background is the utility's exhibit of the most modern fans for home and industrial use.

City Ordinance 203

An Ordinance Fixing the Several Tax Levies of the City of Walton, Kentucky, for the Year 1951.

THE CITY COUNCIL OF THE CITY OF WALTON, KENTUCKY, DOES ORDAIN AS FOLLOWS:

Section 1. That an ad valorem tax of Seventy-Five (75c) Cents on each one hundred dollars worth of property subject to taxation by the City of Walton, Kentucky, (except unmanufactured agricultural products, and shares of stock of state banks and trust companies incorporated under the laws of this Commonwealth), is hereby levied for the use

of the general expense fund of said City of Walton for the year 1951.

Section 2. That a tax of Twenty (20c) Cents on each one hundred dollars of their fair cash value, is hereby levied and imposed upon all shares of stock of State Banks and Trust Companies incorporated under the laws of this Commonwealth and located in the City of Walton, Kentucky, for the use and benefit of the general expense fund of the City for the year 1951.

Section 3. That a Poll or Capitation tax of One (\$1.00) Dollar be and the same is hereby levied upon all Male citizens of the City of Walton who are of the age of Twenty-one (21) years or over for the use and benefit of the general expense fund for the year 1951, except all citizens of the city who are over 65 years of age, and also excepting all Honorably discharged soldiers, sailors or marines who have served ninety days or more in the military or Naval forces of the United States, who was a resident of this state at the time of his induction into service, and who is totally disabled as evidenced by pension, certificate of award of compensation. These two excepted classes being exempt from all Poll taxes.

Section 4. That this ordinance shall be in full force and effect from and after its passage and publication as by law required.

Passed by the City Council of the City of Walton by the vote of 4 members of Council on the 9th day of July, 1951.

R. M. HALL, Mayor,
City of Walton, Kentucky

Attest:
C. W. HOFFMAN, Clerk,
City of Walton, Kentucky

Resolution No. 5

A Resolution Designating the Proposed Route of a Four Inch Water Main on the Remaining Portion of Needmore Street Within the Corporate Limits of the City of Walton, Kentucky, Declaring the Improvement a Necessity and Suggesting the Adoption of an Ordinance Making the Improvement.

WHEREAS, the water main on Needmore Street in the City of Walton, Kentucky does not extend to the Corporation Limits of said City, and as a consequence does not provide water for the residents on the Street; and

WHEREAS, request has been made to the City Council that this improvement be made, and it being the desire of the City to afford its citizens more and more advantages,

NOW, THEREFORE, The City Council of the City of Walton, Kentucky Does Ordain as Follows:

A MIGHTY
HANDY TRACTOR
in the HAY FIELD

...the JOHN DEERE
MODEL "MT"

You just couldn't ask for a handier tractor for hayfield operations than a John Deere Model "MT." It's so simple to understand, so convenient to operate, so easy to maneuver, even an inexperienced operator is able to do a first-class job of mowing or raking.

But haymaking isn't all. With its wide variety of Quick-Tech working tools, a Model "MT" will keep busy on your farm the year around. Ask us for complete details soon.

Section 1. That, following proper action by the City Council, a four (4) inch Water Line will be laid on the South side of Needmore Street from the end of the present Water Main, and connected to it, to the Corporation Limits of the City of Walton,

Section 2. That the cost of construction of the Water Line Proposed will be apportioned against the property on either side of that portion of Needmore Street traversed by the Water Main,

Section 3. That the proposed extension of the Water Main on Needmore Street is necessary because the line will provide fire protection to

that area of the City and will provide the advantages and sanitation of City Water to more of the people of the City and will provide the facilities afforded by City Water to an expanding and growing area of the city,

Section 4. That an Ordinance will be proposed and read to the City Council for adoption on July 28, 1951 and also on August 7, 1951 and then if voted for, by a majority of Council will be published as an ordinance of the City of Walton, Kentucky.

Passed by the Vote of four (4) members of the City Council of the City of Walton, Kentucky, this the

9th day of July, 1951. Two members of Council being absent.

R. M. HALL, Mayor,
City of Walton, Kentucky
Attest: C. W. HOFFMAN, Clerk,
City of Walton, Kentucky

Alford Lines, 22, Bromley, Ky., and Wilma Jean Martin, 14, Covington.

John McDermott

John McDermott, uncle of Mrs. J. C. Armstrong of the Independence neighborhood, died at St. Elizabeth Hospital, last week. He lived in Covington, and was 71 years old. He was a retired stationary engineer.

Surviving him are three sons, Raymond, Dayton, Ohio, and Russell and Lloyd McDermott, Covington; a sister, Mrs. Margaret Betan, Cincinnati; five grandchildren, and three great-grandchildren. Services were held last Saturday at the Swindler funeral home, Covington, with burial in Independence Cemetery.

Choir on Picnic

The young people's choir of the Independence Baptist Church hired a truck the 4th of July and went to Butler State Park. The sun being hot, most of them looked like Indians when they returned. About 25 prepared basket dinner and enjoyed the day there, boating and swimming.

Mrs. Margaret (Houston) Phillips made a weekend trip to Washington, D. C., to meet her husband, Franklin Phillips, who was on a 72-hour leave. John Cain, west of Independence, is suffering from a heart attack, due to a blood clot.

Tavern Door Stolen

Enraged when they could not purchase drinks and ice from a closed tavern on Madison Pike, near Independence, at 1:30 a. m., two young men tore a screen door from its hinges and took it with them in their car. Mrs. Roxie Hellman, proprietor of Roxie's Place, reported to Kenton County Police.

Injured by Homemade Cannon

An Independence man and his 10-year-old son were taken to St. Elizabeth Hospital by the Independence Life Squad after both were injured when a homemade cannon exploded in the hand of the father.

Life Squad members said the mishap took place when the two were shooting the cannon at their home. The cannon was an iron pipe stuffed with powder.

Injured were Theo. Brederlow, 50, who suffered a severe hand injury and possible loss of several fingers, and his son, Paul Brederlow, who suffered multiple lacerations on his hands and face and powder burns. Both were held for further treatment at the hospital.

Mrs. Clyde McVey, who underwent a serious operation a week ago, is reported making excellent progress.

P. L. Trotter and family of Senior Road, are taking a vacation of several weeks.

Resolution No. 6

A Resolution by the City of Walton Council for the Grading, Draining and Construction of Approximately 475 Feet of Johnson Street, in Said City; Resolving That the Improvement Is a Necessary and Announcing That An Ordinance Will Be Introduced Calling for the Improvement.

WHEREAS, there is 475 feet, or thereabout, of Johnson Street, in the City of Walton, Kentucky, which is not surfaced with stone or stone and asphalt combination or any substance, which provides an adequate surface on said street permitting travel to and from the homes of those who dwell on the street, during all seasons of the year and in all types of weather; and

WHEREAS, a request has been made of the City Council that the Street be improved, and it appearing to the Council that the improvement is a necessity, and that the persons who own property fronting on said Street are entitled to a surfaced street, permitting ingress and egress at all seasons and under all conditions of weather,

NOW, THEREFORE, The City

Council of The City of Walton Does Ordain As Follows:

Section 1. That following the necessary action by the City Council, a fourteen (14) foot area in the center of Johnson Street, in the City of Walton, Kentucky, for the distance of Four Hundred Seventy-five (475) feet running in a Southwesterly direction from the Southern edge of Edwards Avenue. The Street to be graded and drained and twenty (20) feet of fifteen (15) inch Concrete Culvert for cross drainage installed; thirty (30) feet of twelve (12) inch entrance pipe installed and approximately one hundred and fifty (150) feet of Twelve (12) inch Vitreous Clay Pipe installed and covered. After the Grade and Draining and installation of drainage pipe, spread and compact two (2) inch stone to a depth of six (6) inches, apply one and one-half (1 1/2) gallons RC Oil per square yard, spread and roll a sufficient quantity of chips over the entire surface of the street to present a solid surface and make the street smooth, all to be done in accordance with approved methods and subject to the supervision of the City Engineer.

Section 2. That the cost of construction of the proposed improvement will be apportioned against the property owners on both sides of

the street for the distance of the improvement.

Section 3. That this improvement appears to the Council to be necessary; that there is no surface on this street and the citizens of the City are entitled to have suitable facilities to go and come from their homes to their work via the modern means of transportation; that such a street is needed in the event of fire or of serious sickness to provide the way for automotive equipment needed in such cases.

Section 4. An Ordinance will be prepared and presented to the City

Council and it's adoption proposed. Said Ordinance will embody the same general terms as set out in this Resolution. The Ordinance will be proposed, introduced, twice read before the Council, on July 28, 1951 and August 7, 1951, then voted upon and if passed published.

Passed by a vote of Four (4) members of Council of the City of Walton, Ky., two members being absent, this the 9th day of July, 1951.

Grant County, Kentucky

Saturday, July 14

Two O'clock Fast Time

Farm Description

This farm is known as a part of the late William Vest land, the majority is tractor land, in high stage for cultivation; fertile soil, an abundance of grass and all kinds of hay; well watered by new lake 18 ft. deep, large pond, everlasting springs and large cisterns; land lays well, beautiful broad ridges; has tobacco base of 4.3 acres, crop out and growing fine; several acres good corn. IMPROVEMENTS CONSIST OF 2-story 6-room residence; new 14'x14' concrete block meat house with good basement; new 15'x30' concrete block poultry house; 2 tobacco barns, stock barn, and new dairy barn 40'x30' with large cistern, also large cistern at the house. Look this farm over any day, as the tenant, Mr. Goodpasture, will show the farm, or call the Agent. This farm is located in the choice section of Grant County, and is a farm anyone would be delighted to own; conveniently located, school bus by door, rolling store, milk route, R. F. D. mail delivery, bakery truck every day — any kind of truck service desired. You cannot go wrong on farm land like this; no better investment on the market today. Near Greyhound bus line, stores, churches, school, and bank. You will have to look far and wide to find a better buy in farm land than this one; on blacktop pike, only 1 mile off U. S. 25 and only one hour's drive to Cincinnati.

The owner, Mr. Howard, of Norwood, Ohio, is a contractor by trade and is leaving for Florida. The purchaser will take over the landlord's possession and get one-half of crops now growing on farm. The tenant has been on the farm two years. See this crop, which speaks for the ability of the tenant.

PERSONAL PROPERTY—Immediately following the land sale, the following items will be sold: 7,000 tobacco sticks; 5 rolls of new heavy wire fence; mowing machine; hay loader; several other items too numerous to mention.

LAUNDERING HINTS FOR DARK COTTONS

The popular navy or other dark cotton dresses of broadcloth and poplin will look new all summer if they are given a bit of extra care in washing and ironing, says Miss Verna Latzke of the College of Agriculture and Home Economics, at the University of Kentucky. When washday comes, use fresh clean suds and clear rinse water to avoid the grayish look given by the lint of other clothes. Starch is not essential, but if it is used, it should be very thin with blueing added. Have the wrong side of the dress outside, for both starching and drying, advises the specialist.

Iron the dress from the wrong side on a well-padded ironing board. This will give the desired soft, dull finish of a new garment, rather than a hard-pressed, slick look.

CATTLE THRIVE ON SILAGE IN WINTER

Edward Pruett, a Clark county dairyman, is sold on grass silage, reports C. D. Shouse, county agent. With two lots of 20 heifers each, he wintered one lot on hay and grain and the other on grass-legume silage only. The heifers fed the silage came through the winter in as good condition as those that were fed grain along with good hay. Pruett says he never again will feed heifers grain through the winter, but instead will feed only straight grass silage.

About 20 farmers in Clark county are planning to make grass silage this summer, F. W. Rickard having more than 200 acres of Kenland clover he will use for this purpose.

THRIFTY PRACTICE

Putting up foods that are in abundant supply is a thrifty practice which pays well, notes Miss Myrtle Weiden, state leader of home demonstration work, College of Agriculture and Home Economics, University of Kentucky. She calls attention to three circulars which answer many perplexing questions in canning and preserving.

They are: Circular 440, "How to Can Fruits and Vegetables;" Circular 447, "Jellies, Jams, Preserves and Marmalades," and Circular 464, "Making Pickles and Relishes." All may be had at offices of farm or home agents, or from the college in Lexington.

COMMONWEALTH OF KENTUCKY DEPARTMENT OF HIGHWAYS NOTICE TO CONTRACTORS

Sealed bids will be received by the Department of Highways at its office, Frankfort, Kentucky, until 10:00 a. m., Central Daylight Saving Time, on the 27th day of July, 1951, at time bids will be publicly opened and read for the improvement of:

BOONE COUNTY, RS 8-290—The Constance-Airport-KY 237 Road from KY 237, 2.0 miles North of Limaburg, to KY 20, 0.5 mile West of Constance, 3.8 miles. Reconstruction and traffic bound macadam.

BOONE COUNTY, RS 8-450—The Beaverlick-Walton Road from US 42 in Beaverlick to US 25 in Walton, 5.15 miles. Reconstruction and traffic bound macadam.

The attention of the prospective bidders is called to the prequalification requirements and necessity for securing certificate of eligibility, the special provisions covering subletting or assigning the contract and the Department's regulation which prohibits the issuance of proposals after 9:00 a. m., Central Daylight Saving Time, on the day of the opening of bids. Proposals will not be issued except during official business hours.

NOTE: A purchase charge of \$2.00 will be made for each proposal. Remittance must accompany requests for the proposal forms. Refunds will not be made for any reason.

Shockproof Homes

Lesson for July 15, 1951

EVERYBODY who begins a home wants it to last. Nobody really wants a temporary, makeshift home. There have been people who thought they wanted "trial marriage" but such persons did not want a home at all. What is it that holds homes together and makes them last? Life brings many an earthquake shock. How do you get shockproof homes?

Homes Without Marriage
LET it be said at once that while most homes begin with marriage, and the normal home consists of father, mother and children, there are homes without married couples. The story of Mary, Martha and Lazarus in the New Testament is the story of such a home.

Here were three grown persons, two sisters and a brother, and they had a good home; it must have been a good one, or Jesus would not have enjoyed going there as often as he did.

There have been other homes which have blessed all under the roof, such as a cottage group in an orphanage home, or a group of old people living together in one household; even a boarding house may, through the consecrated genius of some one person, become a kind of home beloved and long happily remembered.

But when all is said and done, all these kinds of marriageless homes, good as they often are, take as their model the "normal" home of parents and children. And this normal home begins with marriage. If the marriage is permanent, the home will be; if the marriage drifts and wrecks, so will the home.

"Till Death Do Us Part"

AS the present writer has said in "From This Day Forward" (a small book on the meaning of the Christian marriage service): "Only the Christian religion sponsors the highest form of marriage in the world. For Christian marriage is permanent. The state does not demand so much, social pressure in most places will not demand it, other religions have lower ways.

But the Christian ideal of marriage is nothing less than the union of one man and one woman, for their lifetime.

No Endurance Test

"CHRISTIAN marriage is not a mere endurance test. If that is all, it may be genuine, but is not successful. Now a genuine cake is not a pie and not a roast; but not all genuine cakes are successful.

Marriage and a home at their best can be a kind of heaven; but who would want a heaven that might evict its tenants any morning?

On a windy day in a certain street of houses hastily built for G.I.'s, any one might see the wind like shingles flapping in the wind like many sheets of paper. The young couples who were flim-flamed into buying these houses have already regretted it. No one wants to live in a house that the wind will blow to pieces. And no one wants a home that will be shaken apart by the winds of adversity or the earthquake shocks of disappointment.

The Heart of the Home

THE only real basis of a lasting home is love. Everybody knows this much; but every one knows what love is. Love is not mere sentiment, and much more than emotion.

What Paul said long ago has been put by J. B. Phillips into modern words:

"This love of which I speak is slow to lose patience - it looks for a way of being constructive. It is not possessive; it is neither anxious to impress nor does it cherish inflated ideas of its own importance. Love has good manners and does not pursue selfish advantage. It is not touchy. It does not compile statistics of evil or gloat over the wickedness of other people. . . . Love knows no limit to its endurance, no end to its trust, no fading of its hope; it can outlast anything. It is, in fact, the one thing that still stands when all else has fallen."

A home where love of that sort is at its heart, will stand every shock of time. "Letters to Young Churches", by J. B. Phillips. Macmillan Co.

STRIKE THREE! PLAYER OUT!

Could you play baseball without rules? No, in any game there are rules that must be followed. And it's because of these rules that the game is orderly and interesting. Without them a ball game would result in complete confusion, and neither the players nor the spectators would enjoy it at all.

So it is with society. Through the ages the greatest civilizations have been those with the best rules and laws. Our own United States Constitution, a masterpiece in law, has proved that good government produces a great nation.

Life must also have rules if we are to live happily. And to guide us toward this end God has given us a set of rules, which is known the world over as the Ten Commandments.

Open your Bible and learn them today—and tomorrow and always you'll be a better, happier person.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should join the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) Which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

JULY

July seems to be a busy month—some are finishing shearing, some are setting tobacco, lots are putting up hay, some are cutting wheat, some are plowing corn and tobacco, while others are fishing and going on vacations. Plenty of people are painting their buildings, some putting on new roofs. You don't have the least idea what they are going to call for when they come in the door, but we generally have it. We aim to have what other people are out of.

Ed Perrell from Zion Station was in today and had me put a new handle in his hay fork. Mrs. Emma Flynn came up to pay her bill—when the boys buy anything for the farm, all you have to do is let Mrs. Emma know and she is right up here. Mrs. Beulah Stephenson just came in—she is having pump trouble with her electric water pump. Miss Busemeyer brought her garden plow in with the wheel all broken down—Chick took it down to Dixie Chevrolet and they made a new wheel out of it—now she has a good garden plow for very little cost.

Chick did a mower knife for Bailey McClure. J. C. Reynolds came over after some hay hooks and game traps to catch muskrats, which are in his pond dam. We just unloaded another shipment of Perfection electric ranges—this is the greatest electric range made. You get more for your money when you buy Perfection. Arthur Brewster came after more True Temper hay forks. Mrs. Jay Webster and Mrs. Kath Martin were after Rotenone for bean beetles and Copper Dust for tomato blight. We sell more 1 1/2% Rotenone than all the other—it is twice as powerful and very little higher.

Omer Kite was in after more Bolco outside white paint and a good brush—he is going to paint Marvin's house. Ava Lou Walton and William stopped on their way home and bought several items. Kerue Brewer's wife called for paint Marvin's house. Ava Lou Walton and William stopped on their way home and bought several items. Kerue Brewer's wife called for paint Marvin's house. Ava Lou Walton and William stopped on their way home and bought several items. Kerue Brewer's wife called for paint Marvin's house.

Here's one of the best I have heard: Mrs. Ora Stone has a guest from Richmond, Ind. Marie Armstrong, and the latest report is that Ora has Marie staying for bean beetles and Copper Dust for tomato blight. We sell more 1 1/2% Rotenone than all the other—it is twice as powerful and very little higher.

Ralph Sparks is building a barn and he bought kegs of nails and bolts by the dozen. Raymond Baker was in after a 4-ft. level, a line level, a tape line and large ball of string—he too is going to build a barn. Dec Vest is using a lot of that paint—he has used it for years and likes it. You never know what a customer will buy—Joe North.

cutt came in after an oil can, he went out and came back after a gallon of oil; he went out and came back again after Copper Dust for his tomatoes.

We delivered Carrol Johnson, over at Verona, a new Anchor cool circulating heater—he is now ready for winter. Good heating stoves are going to be very scarce this fall. Saturday was a very busy day. Mr. and Mrs. Sales were buying paint and linoleum. Mrs. Harry Glacken bought enough Armstrong linoleum for two rooms, and Morgan and Lucille Campbell selected a beautiful pattern linoleum for their kitchen in their new home out on Nicholson Road.

Mrs. Mabel Hennessey, up on Bagby Road, had us bring up a 22-ft. piece of 9-ft. wide linoleum off that ivory marbled pattern of Armstrong. Then came Mrs. Winburn, out High Street Road, for a 10-ft. piece of green marbled Armstrong linoleum. We cut linoleum nearly every hour today. Mrs. Arthur Linton and Bobbie bought a new red bicycle for Bobbie. We must have sold 100 lbs. of Copper Dust for blight, also 100 lbs. of Rotenone for beetles—that 1 1/2% Rotenone is the strongest on the market, because most of it is 3/4 of 1%.

Romer Osborne just pointed his house with Bolco paint and he sure likes it. Fred Hopperton is using Bolco paint for the first time and he was bragging on it. Mrs. Ora Britt was buying more plastic shades and lots of hardware items. John L. Vest just called for 50 feet of plastic water hose—it is very light in weight, easy to handle and durable. Mrs. Moore, down on Frogtown Road, sent up for three gallons of Bolco red roof paint. Geo. Brooks stopped in for a mower tongue. Thos. Griffin bought a lot of hardware cloth for a fence in the rear of his shoe shop.

Every week we are going to run four or five really good SPECIAL BIDS. This week from Thursday until next Thursday, we will offer for CASH, a Perfection 5-burner high oven all white porcelain kerosene range that sells now for \$164.50, reduced to \$129.50; also a Perfection 406B kerosene side arm water heater, sells for \$47.75, reduced to \$30.00; Dominion electric iron, sells for \$6.95, reduced to \$5.50; used Red Jacket water system with new 30-gal. tank, sells new for \$114.50, reduced to \$68.00; two 800 power lawn mowers, our demonstrators, 18" mowers, sells for \$104.50, reduced to \$84.50; 20" mower, sells for \$124.50, reduced to \$104.50. This is all cash order merchandise, fully guaranteed by CONRAD HARDWARE to give service.

Kenton Utopia Club Hears Talk On Farm Bldg. Improvements

The Kenton Utopia Club held its monthly meeting at Kenton Lakes, with Mr. and Mrs. George Woising, Jr., as host and hostess.

E. S. Holmes, Agricultural Engineer, Extension Service, University of Kentucky, spoke on "Improvements of Farm Buildings." Mr. Holmes showed slides illustrating his talk which included bathrooms, central heating system, milking parlors, tobacco barns and other farm building improvements.

He gave many helpful hints in a discussion which concluded the program. The Annual Kenton County 4-H Fair, to be held August 10-11, at Simon Kenton school, was discussed by the members.

Plans were made for the Annual Northern Kentucky District Utopia Picnic, to be held at Simon Kenton school, August 26, with Kenton County Utopia Clubs as hosts.

Those present were: Mr. and Mrs. Robert Jackson, Mr. and Mrs. Edward Hlatt, Mr. and Mrs. Herbert Works, Mr. and Mrs. Joe Blau, Mr. and Mrs. Charles Gall, Mr. and Mrs. Hugh Klenz, Mr. and Mrs. John Hetteman, Mr. and Mrs. George Woising, Jr. and Joe Claxon, Sr. Asst. Agr'l Agent.

Nicholson-Atwood H'memak's

The July meeting of the Nicholson-Atwood Homemakers was held at the Independence Christian Church with Mrs. S. A. Roberts, hostess, with Mrs. Raymond Dixon, co-hostess.

The meeting was called to order by Mrs. John Butler, in the absence of the president and vice president. Mrs. Popp read the scripture, followed by the reading of the "Thought for the Day" by Mrs. Leslie Wagner. Miss Zelma Byerly led the discussion on lamp shades, light bulbs, home canning and freezing. Mrs. H. L. Pletcher gave the lesson on the making of lamp shades.

Mrs. Shirley Rich was welcomed as a guest. Members present were: Mesdames S. A. Roberts, Raymond Dixon, Orlie Young, Clifford Cornelius, John Butler, Forest Popp, Leslie Wagner, Frank Stagner, H. L. Pletcher, R. C. Durr, and Miss Zelma E. Byerly, Home Demonstration Agent.

Boone County 4-H And Utopia Fair to Be Held Aug. 17-18

The nineteenth annual Boone County 4-H and Utopia Fair will be held at the fair grounds, Burlington, August 17-18, 1951, according to Bill Davis, County Agent.

Classes will be made available for all 4-H club project exhibits and many home economics and agricultural adult exhibits. The horse show on Saturday afternoon and evening will highlight the entertainment.

The cattle show on Friday, August 17, will be subject to the following special rule: Cattle must be tested for Bang disease and certified free within 30 days preceding the show or furnish proof of official calf-hood vaccination.

Entries in all classes, except the horse show, must be made by 12:00 noon, Friday, August 17. Entries in the horse show will be made the day of the show.

Commercial exhibits of home equipment and farm machinery will display the latest and best things for the modern farm and home.

HONORED AT CAMP

Col. Malcolm R. Krammerer, Deputy Commander of the ROTC Camp, Fort Monmouth, N. J. has announced that Cadet Jack M. Comer was named Commanding Officer, Company K for July 9 through July 10.

Cadet Comer, an undergraduate of the University of Kentucky, Lexington, is the son of Mr. and Mrs. Carl Comer of Alta Vista Drive.

IN FROM HAWAII

Mrs. Julia Tudor and two sons, Virgil and Edgar, of Honolulu, Hawaii, are visiting her parents, Mr. and Mrs. Herbert Hoffman of Carlisle Pike, Kenton County.

INDEPENDENCE FIREMEN'S PICNIC

The Independence Volunteer Fire Department's annual picnic will be held at the Independence Courthouse grounds on Friday and Saturday, July 27-28.

The arrangements committee informs us that there will be dancing, bling, rides for the kiddies, and refreshments. Prizes will be given, including a G.E. television set, an ironer, electric mixer, toaster, set of lamps, and a pony.

The Ladies Auxiliary will serve lunch. Music will be furnished for square dancing by Steve Ammerman and His Smokey Mountain Ridge Runners. Proceeds of the picnic will be used, this year, to help complete the new building.

Joseph Goodenough Seeks Re-election As Kenton Circuit Judge

Judge Joseph P. Goodenough of the Circuit Court of Kenton County is a candidate for re-election, subject to the Republican and Democratic Primary, Saturday, August 4.

Judge Goodenough was first elected to the Circuit Court of Kenton County in 1939 when he defeated the incumbent judge by a vote of 12,691 to 5,596.

The jurist is a self-made man. During the vacation periods of his school days, he worked on a dairy farm in Crescent Springs to help finance his education.

The lawyers who practice in his court say that he is an honest, fair, competent and hard-working judge, administering justice to all, without bias or favor. His knowledge of the law is attested by his record in the Court of Appeals of Kentucky where the decisions of the circuit courts are reviewed.

In 1941, the Governor of Kentucky appointed the Judge to serve as Chief Justice of a special Court of Appeals of Kentucky.

His strict enforcement of all laws brings him a shadow over the criminal and all who would disturb the peace of a home-loving community. He has shown a special interest in the young boys who have run afoul of the law. Conferences with the ministers of our churches and the distressed parents have sent many of these boys on the path to honorable manhood.

Judge Goodenough has given of his time and ability to religious, charitable, P.T.A. and civic organizations.

Many friends in Kenton, particularly among the farmers and their wives, are rallying to his cause to give him a vote of confidence in his accounting of stewardship as Judge of the Kenton Circuit Court the past 12 years.

Republicans and Democrats may have a lively time on August 4, in this judicial election, as it is non-partisan.

Oak Island Homemakers

The Oak Island Homemakers met for a workshop on silk lamp shades. This project was extended to other women in the community who were interested, so we had as many non-members as members working on various types of shades. We hope in this way to interest more women in the community in all of the homemakers' activities and perhaps increase our membership.

The greatest drawback was the lack of material, as several women failed to find it in Covington stores. We hope to plan our next meeting for the first part of August, if material is available.

Plans were made for a summer picnic at the Zoo. This will include not only homemakers and families but some of the other families in the community, who will enjoy joining in the picnic lunch and also the visit to the Zoo.—Pub. Chm.

Entertain With Picnic

Mr. and Mrs. I. Z. Ingle of Perdval pond entertained with a picnic on their lawn Sunday. Guests included Mr. and Mrs. Forrest Puckett, Lola, Mr. and Mrs. Gene Markberry, William Russell and Cora, and Mrs. Ingle and daughters, Coral and Janet. Late callers were Mr. and Mrs. George Leach and Jeanie of Independence, and Mrs. Joseph Leach and Patricia and Sandra of Covington.

Operator's Licenses Now On Sale At Circuit Clerk's Office

The 1951-1952 Operator's Licenses are now on sale at the Circuit Clerk's office in Burlington. The new licenses may also be obtained by sending a stamped, self-addressed envelope, your old Operator's license and the fee of \$1.00 to the Circuit Clerk. If more than one license from a family is mailed in, one envelope is sufficient. Obtaining the license by mail is very convenient and if you are checked for your license, it is an excusable defense to have sent it in to be renewed.

The licenses will be offered for sale at the following locations in the county, on the dates shown, and during the hours of usual business or the hours of the place where the licenses are being sold:

Walton, City Building, July 20-21; Hebron, Hebron Motors, July 23; Verona, Verona Bank, July 24; Grant, Citizens Bank, afternoon July 25; Florence, Fire House, July 27-28.

Wednesday morning of each week, from 9:00 until 11:30 a. m., there is a State Cooper in the Clerk's office to give the Drivers' test. Applicants to give 18 years of age must have the application signed by their father before they are permitted to take the test.

All persons applying for a license for the first time are required to have an Instruction Permit before taking the examination.

Rosensteil - Stephenson

Miss Elizabeth Rosensteil, daughter of Mr. and Mrs. Albert Rosensteil of near Geneva, was married to Mr. Eugene Stephenson, son of Mrs. Anna Belle Stephenson, also of Geneva, at 3:00 p. m., Saturday, June 30, at the Richmond Presbyterian Church, with Rev. D. R. Hopkins officiating.

The bride wore a gown of white lace over net and a fingertip length veil with beaded headpiece. She carried white orchids and stephanotis. Mrs. Gene Coppage was maid of honor and wore an orchid gown and carried orchid nosegay. Miss Bonnie Robinson was flower girl.

The bride's mother chose Navy with white accessories, and the mother of the groom wore a gown of old rose with white accessories. Each wore orchid corsages.

Mr. Robert Stephenson, brother of the groom, was best man. He and the groom wore Navy blue suits. Howard Stephenson and Jack Sparks were the ushers.

Miss Betty Joyce Hamilton sang "I Love You Truly," and Rev. V. H. Hill, sang, "O Promise Me." The two sang, as a duet, "Because."

Following the ceremony a reception was held at the home of the bride's parents.

Following a trip to Cape Cod, the Stephensons are residing with her parents until their new home on Big Bone Road is completed.

50th Wedding Anniversary

Mr. and Mrs. Ezra Beach celebrated their 50th wedding anniversary Sunday, July 1.

Mr. Beach, who is 71 years of age, and Mrs. Beach, the former Gladys Aha, who is 70, have lived in Galatin county all of their married life. There was a large crowd of friends and relatives at the Beach home in Napoleon, to help them celebrate this happy occasion. All brought well-wished baskets and at noon a bountiful dinner was served on the beautiful lawn.

Mr. and Mrs. Beach received many nice and useful gifts, and everyone had a lovely time, leaving at a late hour, wishing them many, many more happy years together.

IN PENNSYLVANIA

Pvt. Harold L. Marsh, son of Mr. and Mrs. Cleveland Marsh, Walton, Route 2, has been assigned to the Infantry Division, Indianapolis Military Reservation, Pa., for army basic training. He was processed at the 2053rd Reception Center, Ft. Meade, Md.

Expected Home Soon

Mrs. Walter (Peggy) Vest, who underwent a major operation recently at Beach Hospital, Covington, is doing nicely and is expected to return to her home here in the near future.

LANE - BARNETT

Mrs. Howard C. Barnett

Miss Agnes Louise Lane, daughter of Mrs. J. C. Hatcher, Jr. of Mt. Sterling, Ky., became the bride of Howard C. Barnett, son of Mr. and Mrs. J. Barnett, of Independence, in a ceremony solemnized at 7:30 p. m., Saturday, June 23, at Somerset Christian Church, Mt. Sterling.

The Rev. Karl O. Potts, pastor of Trinity Methodist Church, Covington, read the double ring service.

Mrs. Clay Costigan, sister of the bride, was matron of honor. Mrs. Roy D. Martin, sister of the groom, was bridesmaid. Rev. Roy D. Martin, brother-in-law of the groom, served as best man. Ushers were Julian Lane, brother of the bride, Clarence T. Barnett and Eugene Barnett, cousins of the groom.

Following the ceremony, a reception was held for the immediate families and out-of-town guests.

The bride, for the past four years, has served as secretary to the superintendent of Montgomery County schools. The groom is a graduate of the University of Kentucky, and at present holds a position as teacher in the Newport High school. The couple will reside in Covington.

W.S.C.S. MEETING

The W.S.C.S. of the Hughes Chapel Methodist Church held its regular monthly meeting with Mrs. Hester Guard, near Richmond, on Wednesday, July 11.

Those present included Mrs. Pearl Bedinger, Mrs. Lula Hudson, Mrs. Bill Brown, Mrs. Ruby Wood, Mabel Kite and Phyllis, Mrs. Howard Wilson and children and friend, Mrs. Vails Hill and children, Mrs. Thelma Baker and children, Mrs. Everett Mastin and Mrs. Elsie Allen.

A very nice meeting was enjoyed by all.

The next meeting will be held in August, but a meeting place has not been decided.—Pub. Chm.

BAKERY SALE

The Ladies Aid Society of the Walton Christian Church will hold a bakery sale at Hall's Appliance Shop on Saturday, July 21, beginning at 10:00 a. m.

Anyone who cares to place orders, in advance, call Mrs. Mattie Griffith, Walton 656, or Miss Lib Ingram, Walton 692.

Your patronage will be appreciated.

WARSAW CHILD KILLED

Lona Karen Rea, the 2-year-old daughter of Mr. and Mrs. Edward Rea of Warsaw, was killed instantly in front of her grandparents' residence when hit by an automobile.

She is survived by her parents and one brother, Billy. Funeral services were held last Thursday afternoon at the Warsaw Christian Church, with burial in Warsaw Cemetery.

2 Games for Bob & Gene

The Bob & Gene baseball team of Florence, has two games scheduled for this week. On Friday night at the Covington ball park they meet Hamilton (Ohio) Hudephol at 8:15, and Sunday, July 22, at the Florence park, they play the Hoosier All-Stars of the K.A.G. league. Game time is 2:30 p. m.

FELLOWCRAFT TEAM

The Wilmington Fellowcraft team will meet on Monday, July 23 at 8 p. m., in the Fliskburg Masonic Lodge Hall. It is important that all members of the team be present, and all brothers, who are interested in taking a part on the team, are invited.

Boone Airport to Be A Training Center

4-H TOURS SCHEDULED

Five 4-H Club tours have been scheduled in Kenton County for this month. Two have already been held and the three remaining are: Visalia, Thursday, July 19; St. Cecilia, Tuesday, July 24, and Piner, Wednesday, July 25. Tours will assemble at the school at 1:00 p. m. Projects are expected to be in good order and the project books up to date. Radio transcriptions will be made on the tours when possible, according to Joe Claxon, Senior Assistant Agricultural Agent.

ATTENDING U. K.

Ten students from Boone County are attending summer school at the University of Kentucky, according to the U. K. Registrar's office.

They are: James Carpenter, Robert Gregory, William Gregory, Charles Holmes, Terry Lohre and Robert Tanner, all of Florence; Derm Combs of Burlington; Mary Dumbacher, Wallace Grubbs and Robert Hall of Walton.

Record Attendance Hears Renfro Valley Stars at Verona Ranch

Over one thousand people saw the Renfro Valley star perform Sunday afternoon, at Verona Lakes Ranch Barn Dance Show. Several tourists stayed around Walton Saturday night to see the show. Many old friends saw each other the first time in years as they sat in the cool shade between shows and talked over old times.

Rome Johnson and Guy Blakeman popular radio and TV entertainers were guest attractions and Nelson King, WCKY MC was full of surprises as usual. According to many critics this was the best show of the season.

New talent will appear this Sunday afternoon as some of the old and new Renfro Valley folks are booked. Bill Scroggins announced that Renfro Valley folks will be booked each Sunday until further notice because of their popularity in this section.

A good show will be in progress each Sunday afternoon at 2 and 4 p. m. in the cool outdoor amphitheatre. Bill Scroggins stated that he certainly appreciates the fine support and cooperation of the Verona and Walton people and the newspaper editors in Boone, Grant, Gallatin and other counties.

SHOW INCREASE HERE

The number of old-age and survivors insurance beneficiaries in the eight county area administered by the Covington Social Security office increased over 25% in the first six months after amendments to the Social Security Act became effective last September.

Increase in the amounts being paid was even more substantial, as this jumped 53.2%, from \$151,000 to \$229,813 monthly, says Elbert Bohon, manager of the Covington office.

Mr. Bohon said that as of August 31, 1950, it was estimated that 5107 persons were receiving \$139,000 monthly in these insurance payments in the area. A tabulation recently completed shows that as of February 28, 1951, there were 6273 men, women and children in the area receiving \$229,794 monthly. The manager pointed out that the reason for the proportionately great rise in amount of payments was that the new law, effective last September, not only made many additional persons eligible for payments but also very substantially increased the general level of benefits.

Calling attention to the fact that this Federal insurance program provides not only old-age insurance but protection for the family in case of the breadwinner's death, Mr. Bohon listed the following breakdown of payments in the Covington area:

Retired individuals	3136	\$138,711.00
Wives or husbands	943	22,451.00
Children	1215	33,706.00
Mothers of sur. chil.	262	9,174.00
Widows and widowers	661	24,101.00
Dependent parents	46	1,651.00

2252nd Air Force Reserve Activated

Completion of plans for the activation of the 2252nd Air Force Reserve Training Center at the Greater Cincinnati Airport, Boone County, were announced last Saturday by Lt. Col. V. E. Moore, commanding officer.

He said personnel at the center would include 30 officers, 230 airman, and a civilian staff of approximately 60 persons.

"In the very near future," Lt. Col. Moore said, "the 910th Reserve Training Wing, part of the new Air Force program for 1952, will be activated at the airport and will provide training for approximately 2,000 reserve personnel. These reservists will have the opportunity to train on weekends and become skilled craftsmen in a choice of many trades."

Robert Isenberg, manager of the airport, said that a problem is arising in the search for living quarters for the influx of flyers and the civilian workers, and it seems altogether possible that a town might have to be built to accommodate the personnel.

HISTORICAL SOCIETY

The Boone County Historical Society will meet in the Florence Town Hall, Friday, July 20 at 8 p. m.

The society will begin a study of the families whose efforts made the history of the county. At this meeting the Platt family history will be studied. Several of the members have been studying the Platt family history and will present their findings at the meeting. Some of them will report on their visit to Federal Hall, historic building erected by Jacob Platt many years ago. It is reported that some Platt family heirlooms will be brought to the meeting. Anyone knowing anything about the history of the pioneer family is urged to come to the meeting and to take part in the discussion.

At future meetings the Carpenter, Underhill, Tanner, Utz, Rouse, and other pioneer families will be studied. Anyone interested is invited to attend the meetings and to join the society.

Tent Meeting Under Way Near Atwood; Don Milam, Speaker

Monday night of this week, the Tent revival near Atwood, Kenton county, got off to a good start. More benches and chairs have been added to accommodate the crowds.

Special music is being furnished by the sponsoring churches. The evangelist, Dr. Don J. Milam of Oklahoma City, Okla., is a powerful speaker, and many are expecting scores of conversions during this meeting, which continues through Friday, August 3. Services are at 8 p. m. during the week and at 3 p. m. on Sunday.

An all-night prayer service will be held Friday, with folks coming at various hours.

The Oak Island, Wilmington, Independence, New Banklick and Walton Baptist Church are sponsoring this community-wide tent meeting. The public is cordially invited.

ANNA JUDGE RUFFRA

Mrs. Anna Cecilia Judge Ruffra, Florence, died Monday at St. Elizabeth Hospital, Covington. She was 80 years old and a lifelong resident of Boone county.

Surviving her are her husband, Harry Ruffra, and a nephew, Everett Judge of Union.

Funeral services were held at 8:30 a. m., Wednesday from the Sixth funeral home, Florence. Requiem High Mass will be sung at 9 a. m. in St. Paul Church, Florence, with burial in St. Mary Cemetery, Ft. Mitchell.

The Smallest Part of Rising Prices!

No one has to tell you that the cost of most everything you buy has gone up—and up—and up.

And, because most of these things are hauled on the railroads, you might well ask the question, "What have railroad freight rates had to do with rising prices?"

Before World War II, railroad freight charges represented only a small fraction of the cost of most things you buy.

At the end of the war, freight rates were no higher than when war began. It was not until 1946, after prices in general had gone up almost 50 per cent, that the first postwar increase in freight rates was made.

And the total increase in freight rates has been less than half the rise in prices generally.

So, you see, railroad freight rates—always a small part of the cost of most articles—today represent an even smaller part!

GLENCOE

Jim Roberts is very low at this time.

Rev. Early and wife were callers at the home of Mr. and Mrs. E. V. Collins, Sunday.

Allen R. Webster left last week for the U. S. Navy.

Mrs. Maud Rowland is here with her brother, Mr. Price, who has been very sick.

Fern Boaz left last week to enter service again. Let's all remember our service boys in prayer.

The revival will begin at the Glencoe Church of Christ, August 6 and continue through August 18. Bro. James Walters will do the preaching.

The Glencoe Church of Christ is being painted and it looks very nice. We should keep the Lord's House looking nice.

Walter Noel is very busy cutting and hauling saw logs to be ready for a saw mill moving here from Williamstown.

Tests under way indicate that the Atlantic variety of alfalfa may be the best kind to grow in Pendleton county.

Ray Ison of Lawrence county treated his pasture with 1,000 lbs. of 20% superphosphate and 400 lbs. of 6-8-6 fertilizer an acre.

Robertson county farmers who started birdfoot trefoil this season are generally disappointed with the stands.

CHLORDANE FATAL TO GRASSHOPPERS

Chlordane applied as a spray is highly effective against grasshoppers, according to the College of Agriculture and Home Economics, University of Kentucky.

Use 2 1/2 pounds of 40% wettable chlordane per 100 gallons of water or one level tablespoon in one gallon. Apply at the rate of 100 gallons an acre. Dusts are less effective. Apply a 5% chlordane dust at the rate of 25 to 35 pounds an acre.

Chlordane injures cucumber, as well as squash and melon plants. It should not be applied directly to tomatoes, but used as a barrier. If barrier action is to be taken, treat a swath 20 to 30 feet wide around the fields toward which grasshoppers are moving.

Toxaphene, used either as a spray or a dust, will give good control. Follow the same recommendations as outlined for chlordane.

John A. Herold Seeks
Re-election As Circuit
Clerk In Kenton Co.

"I am placing my name on the Democratic Ballot for re-election to the office of Kenton County Circuit Court Clerk.

"The office of the Kenton County Circuit Court Clerk is indeed an important office, as it handles all records filed in both branches of the Circuit Court. There are in the clerk's keeping many, many volumes of all suits filed by litigants since 1885. Clerks in the office of Mr. John A. Herold have had many years of experience in handling and filing this great mass of records.

"The clerk must also attend all trials held in the courts, and keep accurate records of the proceedings in the courts, which are extremely technical.

"The clerks in my office have had years of experience and try hard to please all citizens seeking information concerning any records in my office. They are efficient, courteous and dependable.

"I assure the voters that this fine service shall continue if you see fit to re-elect me. I appreciate your support."

Community Living

THERE is one way to get along in any neighborhood without any trouble at all: just have nothing to do with any one. But that is not only not a Christian way of living, it is not practicable.

You need the community and the community needs you. If you want to tell the world good-bye, go rent yourself a room on the 17th floor of some apartment house in New York. You won't be bothered with callers. But if you live in the typical American town or country community, you not only cannot help knowing everybody more or less, but you want to know them, you need to know them.

The Community Includes Everybody

SOME communities cease to be communities and become exclusive clubs; no strangers can break in. A lady in a very old county in a long-settled state, said to her next-door neighbor: "That family came here sixty years ago; they don't really belong here."

Now a true community ought to include every one in it, and it isn't a real community until it does. Jesus' parable of the sheep and the goats suggests this.

The trouble with the "goats" was that they just never saw the down-and-out members of the community at all. Your own neighborhood has in it, perhaps, some lonely people, unfortunate people, some human left-overs. What is the community doing for them?

The Church and Its Own One practical thing that Christians can do for their communities is to see to it that no Christian suffers want. However much we may disagree with the Mormons, there is one feature of the Mormon church which the rest of us might take to heart: in all the depression of 20 years ago, there never was a Mormon on relief.

Probably in most small communities the separate congregations are not large enough to do this kind of thing effectively; but surely in a community where there are as many as three or four different denominations, they might all plan together so that whenever any Christian got into a strait, the rest of the Christians would stand by to help him.

There will always be a need for general organizations such as the Red Cross or the Grange and the Community Chest; but if Christians always stood by Christians, the rest of the community would at least have less to worry about.

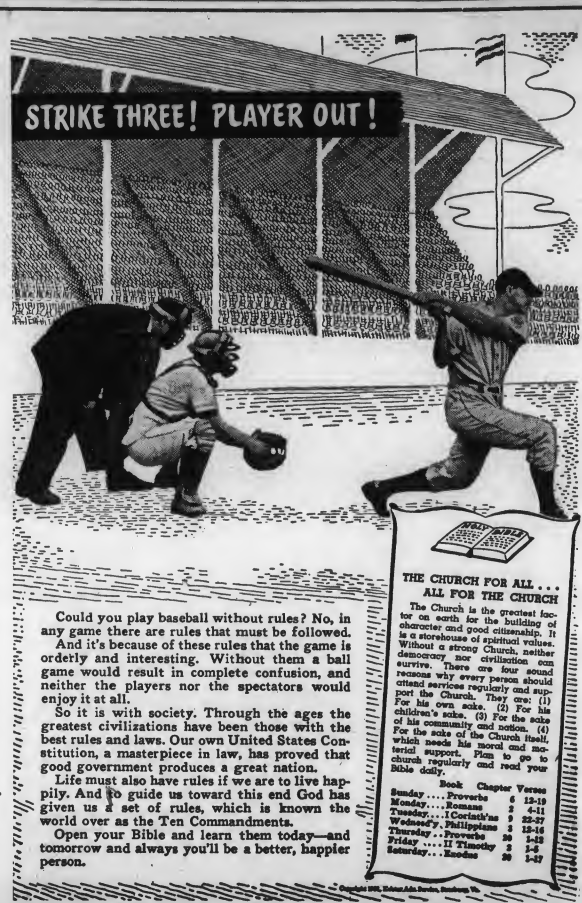

It Takes All Kinds THE ideal community is one in which everybody is a Christian and indeed all belong to the same church. But such communities are few and far between. Most of us live pretty close—and sometimes uncomfortably close—to people who are not Christians, except perhaps in name, and who may be hard to get along with.

How can we live with such people in a Christian way? Paul, in Romans 12, makes some practical suggestions. He knew very well that no city or town in the Roman Empire was Christian or anywhere near it; yet he shows how to have the Christian spirit nevertheless. Christians should be the most valuable members of any community. But are they? Is this true in our community? If it is, what is it that the Christians contribute? And if not, is it maybe the Christians' fault?

The Law Above Laws A group of people who act toward each other in no better way than the laws of the land require, may be a neighborhood but it is no community.

The laws (and useful they are, to be sure) can regulate our behavior, but they cannot touch our hearts. They can forbid us to harm our neighbor, but they cannot force us to feel kindly toward him. For complete community, something more than law is necessary; and again Paul puts us on the track of it.

Love is above all law; it does not break laws but it goes far beyond them. It is not the law-abiding citizens who are the best ones; the true ornaments and treasures, the first citizens of a community, are the love-abiding.

Injured in Accidents

On Thursday, July 12, near Atwood, two persons were injured as the truck in which they were riding went out of control and struck a row of mailboxes and a telephone pole before it left the highway and overturned.

Willard, Grey, 34, of Newport, driver of the truck, said the steering mechanism of the vehicle failed. He suffered injuries to his shoulder, while his companion, Walter Calhoun, was treated for fractures of his ribs and right shoulder. No charges were filed against the driver.

A Demosville couple and a companion were injured seriously when the car in which they were riding left the road and overturned on Taylor Mill road, near Whites Tower. In fair condition at St. Elizabeth hospital, were Charles McMillian, 21, and Mrs. Marie McMillian, 17, both of Demosville.

Raymond Works, 18, also of Demosville is said to have lost control of the vehicle.

Attendants at the hospital said Mrs. McMillian suffered possible fractures of both legs and multiple cuts and abrasions. Her husband suffered shock, cuts and possible internal injuries. Works was charged with reckless driving, and will be arraigned in County Court, Aug. 11.

INDEPENDENCE R. 1

Farmers in this community are very anxious for a good rain, as the crops are needing it badly.

The revival meeting at Staffordsburg church closed Friday night. We had good crowds and wonderful preaching. Rev. Johnson is really a man sent from God. Anyone wanting an evangelist would be doing wonderfully well to contact him.

The Staffordsburg Home-Coming which has been held the fifth Sunday in July for some several years, has been postponed this year on account of the conference being much earlier at Richmond.

We are very sorry to learn Mrs. Nelson Hoffman went to Booth Hospital Sunday for an operation. We wish her a speedy recovery.

Mrs. Wynford Riley and little daughter Beverly surprised Wynford with a birthday anniversary supper Saturday evening. Guests included Mr. and Mrs. L. M. Riley, Mr. and Mrs. W. E. Hanna and Mr. and Mrs. Dewey Parsons. The guests departed wishing Wynford many more happy birthdays.

Mr. and Mrs. J. J. Barnett had as guests Sunday, Mr. and Mrs. Howard Barnett and their niece and family of Indiana, and their grandson, Dickie Martin, of Mt. Sterling.

Mr. and Mrs. L. M. Deuser are entertaining Mr. Deuser's mother.

Rev. and Mrs. Arnold entertained relatives for several days the past week.

KENTON

More than seventy persons attended the reunion of the Stivers and Hughes families, Sunday, July 15, at the home of Rev. and Mrs. Frank Lipscomb. All attending were related to Mrs. Lipscomb. A basket dinner, on the lawn, was enjoyed by all. The following were present: Mrs. Charity Harrod, Mr. and Mrs. Frank Waits, Stewart Waits, Miss Irene Hughes, Mr. and Mrs. Rufus Hutcherson, Miss Elsie Hutcherson, Miss Jane Hutcherson, Miss Linda Hutcherson, David Hutcherson, Luke Harrod, Mr. and Mrs. Ebb Harrod, Mr. and Mrs. Clarence Downey, Mr. and Mrs. Lindsey Stivers, Sr., Mrs. DeWard Yount, Kenneth Yount, Miss Novella Yount, Leo Yount, Miss Julia Yount, Gary Yount, Mr. and Mrs. Gentry Stivers, Mr. and Mrs. Willie P. Stivers and children, Mr. and Mrs. Jesse Wentworth, Owen Wentworth, Mr. and Mrs. J. W. Watson, John P. Nelson, Jimmy Nelson, Bobby Nelson, Mr. and Mrs. Fred Stivers, Miss Lora Stivers, Miss Joan Stivers, Mr. and Mrs. Lindsey Stivers and children, Marion Hall, Mr. and Mrs. Earnest Watkins, Mr. and Mrs.

FISHING

There have been a lot of good fish stories this week—Carl Schmidt caught a 10-lb. bass in Boone Lake; four other fellows caught 60 lbs.—Cash Martin caught a lot at Verona Lake—Wm. Roberts caught the limit at the reservoir—A friend of mine went to Lewis county fishing, but caught no fish; I haven't found out why, because there are plenty of fish in those streams—I suppose they took all necessary equipment. I believe fishermen are a class all alone—none other like them.

Elmer and Dorothy Groger bought a new Maytag washer—Elmer must have a lot of dirty clothes, or just buying a washer for the future. Mrs. Chas. Steers selected one of the most beautiful patterns of Armstrong Linoleum—we cut her a 9x12 rug. Mrs. Ethel Sheppard is sure praising that new Perfection electric range she bought a few weeks ago. Louise Marsh, who also has had her Perfection electric range, is crazy about it—she used it ten days on last month's electric bill and their bill was less than it ever was—the more electricity you use, the cheaper it gets; that is the reason you can cook on electric ranges for less than anything else—especially when you buy a Perfection electric range—they have the best insulated all-white oven and the stove, as a whole, is the heaviest on the market. Compare other electric ranges and get as much for your money as a fully automatic Perfection, for only \$349.00 installed. There is one in the Union Light Heat and Power Co. window and one on our floor. Look these over and you will buy one.

We also have an apartment size Perfection electric range for only \$186.00 installed. This is a real bargain. Mrs. Bluch Rich, another of my Kenton county customers, was in today—she was raised in Boone county but moved to Kenton when she married. Mrs. Ella Moore, of Frogtown Road, called for more paint—they sure like that Boice paint and enamel. L. Barlow was in a few minutes—he also bought paint for porch ceiling. Beckham Shields had me make some clamps for his truck bed.

John Napier bought his wife a new Quick Meal oil range to cook on this hot weather. Annie Powell called for me to bring her a water cool milk separator, night now, which we did, because Annie won't wait. Mrs. Ora Stone came up after more plastic shades. Mrs. Powers, over on L.L. Highway, was in after wire fencing and other

hardware items. Mrs. John Hetterman, from Crittenden, bought a West Bend food blancher for preparing your food for freezer locker or deep freezer.

Wm. Minton bought a rubber tired wagon—I sell one of these wagons real often—I had nine and thought I had too many, but now I only have two left, for \$135.00, with tires—you can't beat this wagon. We put in stock this week bags and boxes for the lockers, to put your food in. Chink Vest and Charley Ryan bought six hay fork handles, the best ones I had—they must be putting up hay or killing snakes. Mrs. Alfred Hume was in today—always buying something for her home.

Forest and Louise Marsh bought some plastic window shades and selected two patterns of linoleum for kitchen and dining room. Mr. and Mrs. O. P. Mann also selected Armstrong marbled linoleum for their kitchen. Lassing Huey had me send him over four rolls of 5-ft. poultry fence. Prof. James Cobb, who is principal in Newport High School, and who has a farm in Owen county, stopped and bought several things for his farm—he is one of my customers that I got by being on U. S. 25; also Roy Simpson, who lives in Newwood, and has a farm near New Columbus.

Mr. and Mrs. Marvin Kite are still buying that good Boice paint for their house. Sam Setters came in with his nephew, Mr. Walton, who lives down on the Ohio River, and bought enough white paint for his house. Uncle Bob Salmons, Orin Britt, Ed Fernald, Travis Thomas, Stanley Fooks, Ross Atha, John Ryan, Bill Howe, Mrs. Floyd Chapman and Mrs. Leek were all customers Saturday. Mrs. Nell Kelly bought a beautiful floral pattern 12x15 Armstrong rug. Mr. and Mrs. Larry Ryan bought that \$129.50 special on that Perfection oil range—they know a bargain and always buy the best.

I have a few specials for this week—cash sales: 1 Murray electric range for \$189.00 installed; Dayton water system that sells for \$112.50, reduced to \$99.50; Gibson 11 cu. ft. refrigerator, to sell for \$449.50, reduced to \$399.50; 1 Burpee 14 qt. jar size pressure canner, sells for \$28.50, reduced to \$23.90; 1 Barton electric washer, sells for \$99.50, reduced to \$79.00. This is all first grade merchandise. Come to CONRAD'S for good merchandise and service.

FEED PULLETS FOR EARLY PRODUCTION

It is a mistake to underfeed growing pullets, poultry raisers are told in a leaflet published by the College of Agriculture and Home Economics, University of Kentucky. The birds should be so fed that they will be large enough to begin laying when they are about six months old. A good growing mash, pasture and water are necessary for rapid growth. Growing mash contains the protein, minerals and vitamins needed for quick growth. Without it, pullets grow slowly and take longer to reach laying size. Self-feed growing mash to pullets.

Feeding grain and no mash in summer is poor economy, it is stated in the leaflet. Grain should be fed with growing mash. Yellow corn is better than white corn and should be fed whole. Cracking it does not increase the feed value. Barley, wheat and oats can be fed with corn. Feed them whole. Self-feed all grains.

Firemen's Picnic At Stockyard Grounds August 2, 3 & 4

The fifth annual picnic, sponsored by the Walton Volunteer Fire Department, will be held, as usual, at the Walton Stockyard Grounds the first weekend in August—Thursday, Friday and Saturday, Aug. 2-4.

A highlight of the affair will be the awarding of cash prizes each of the three evenings. Then too, the firemen will serve those good fish sandwiches; and in addition, there will be a varied assortment of games and rides for the kiddies. Your favorite drink will also be on sale. So, you see, the whole family will have an opportunity to spend an enjoyable evening and in doing so, lend the fire department a hand.

Proceeds from these picnics is used to purchase new equipment and replace that equipment which is worn. The firemen cooperate with the residents of this area in trying to protect their property from fire, so you should also cooperate with the firemen by attending their picnic and contributing what you can toward their continued success, which will result in better fire protection for you.

Come to the Firemen's Picnic at the Walton Stockyard Grounds, on Thursday, Friday and Saturday, the 2nd, 3rd and 4th of August!

NEW DODGE AGENCY

A new Dodge dealer has been announced this week. Pettit Motors, Independence, under the management of William A. Pettit, will now handle both cars and trucks in the Dodge line.

Mr. Pettit is conducting "Open House" at the garage on Friday and Saturday, July 27-28, and invites everyone to visit the showroom and see the display of cars and trucks.

Mr. Pettit said, "My appointment as your new Dodge dealer here is one of the greatest events of my life. I have many years in the automobile business, and I want you to know that my business policy will be, as always, friendly, neighborly service, with full value in every way."

Services For Sgt. Woods

Services were held Wednesday at 2:00 p. m. in the Chambers & Grubbs funeral home, Florence, for Marine Sgt. W. Woods, 20, son of Mr. and Mrs. John Woods of Richmond. Burial was in Richmond Cemetery.

Woods, who served with the 3rd Marine Battalion, enlisted in the corps in July, 1948, after having graduated from the Florence High School. He had been in Korea one and one-half months when he met death on the battlefield near Seoul, Korea, September 23, 1950.

Besides his parents, he leaves two sisters, Mrs. Ethel Stahl of Latonia, and Mrs. Betty Huff of Richmond; two half brothers, Joseph of Richmond, and John of Lawrenceburg, Ind., and a half sister, Mrs. Floyd Shields of near Walton.

Coupon Bargains Offered

The Morris Department Store, Erlanger, is conducting a coupon sale each weekend, with exceptionally low prices on several items. Coupons can be taken from this paper.

CONSERVATION TOUR

According to Floyd Keils, Soil Conservationist, plans are on foot for the 12-farm Northern Kentucky Air Tour scheduled for Tuesday, July 31, from 9 a. m. to 5 p. m. Flights over the farms will begin at the Boone County Airlines building at the Greater Cincinnati Airport near Hebron. Farms to be viewed from the air are: Speer Farm, S. D. Edwards, Lansing Hwy., E. Spillman, Webster, Springfield St., Edgewood, and R. P. Coleman farms.

Tickets are being reserved by farmers, business and professional men who will view soil conservation from the air. Much interest is being shown in the tour. Mr. Keils said, and a large attendance was expected. Farms to be viewed during the tour will be marked so that it will be easy to distinguish them from adjoining territory. Pilots will point out the conservation practice on each farm and outline their advantage to the passengers.

On the stage at the Fifth District Democratic rally and fish fry at Verona Lake Ranch last Friday evening were the following leaders: Left to right, Ben Zimmer, Jr., rally director; Gov. Lawrence W. Wetherby; J. Lyter Donaldson; Boone County Judge Carroll Cropper, chairman of the meeting; Judge Jesse Lindsay, Carroll county state chairman for Gov. Wetherby, and Elmer "Doc" Beauchamp, candidate for lieutenant governor. A huge crowd was on hand to hear the Governor.

BEWARE OF FIRES

It's dry, you know, and fires are easily started, so be careful. Is the warning issued by Fire Chief Russell Groger to residents of Walton and vicinity. So, do by careful! Put out your cigarettes before discarding them!

Walton firemen answered three calls last week where grass had caught fire. Two runs were made Wednesday. The first, along the Southern Railroad south of the Christian Church, and the second on Plum Avenue, where an outbuilding was destroyed. Saturday they were again called to the Southern Railroad property behind the Christian Church. In one of the blazes started on railroad property, some hay was burned, belonging to John Conrad.

Staffordsburg Homemakers Enjoy Two-Day Bus Tour

The two-day bus tour sponsored by the Staffordsburg Homemakers Club started Tuesday morning as scheduled. A chartered Greyhound bus left Whites Tower with 39 passengers aboard, and traveled down Highway 42. The party crossed the Ohio River into Madison, Ind., and soon arrived at Clifty Falls State Park, where everyone enjoyed a picnic lunch.

In the afternoon the tour continued, with the group arriving at Spring Mill State Park in time to visit the historical little village where the Old Mill wheel still operates and corn is ground for the pleasure of those who pass that way.

Reservations for the evening meal had been made at the Spring Mill Inn. At 5:30 dinner was served in one of the spacious dining rooms, after which everyone boarded the bus and arrived a short time later, at the Lincoln Hotel, Indianapolis, Ind., to spend the night.

On Wednesday morning the entire party visited Cadiz Tabernacle and other points of interest in Indiana, returning home by the way of Connersville, Ind., Oxford and Cincinnati, Ohio.

Those who made the trip were: Mesdames Bluch Rich, Mary Oliver, Agnes Caldwell, Stella Richardson, William Gaddler, Clifford Skates, G. Herweh, Edith Ware, John McClure, Enslin Stein, Shirley Stalderman, J. C. Beall, Chester Hall, Denver Binder, L. J. Rapp, Lou Deuser, H. L. Fisher, John Shaw, William Binder, Ralph Howard, J. A. Keeney, Roy Payne, Ralph Porter, F. D. Cooke, S. C. Fisk, Leslie Wagner, Joseph Lubbe, Mrs. Biedenham, Mrs. Wiseman, Misses Mary Rich, Minnie Rapp, Olin Douglas, Nell Nelhoff, Doris Payne, Delores Payne, and Barbara Biedenham.

Mrs. Louise Houston and Mrs. Thelma Stein left Sunday for Richmond, Ky., to attend the graduation exercises of their husbands, George Houston and James Smith, Wednesday evening.

Boone Homemakers Hold Cotton Style Show At Rosegate

Mrs. William Miller was hostess to the Boone County Homemakers' Clubs at her home, Rosegate Farm, Walton, Route 2, July 18. The occasion was a cotton tea and inter-club dress, Mrs. Miller, seven ladies who had completed cotton dresses in the club project the past year, and also honoring Miss Clara Heile, a visitor from Germany.

Mrs. Herman Oberjohn, county clothing leader, introduced the leaders from the various clubs, who, in turn, introduced the ladies wearing their project dresses—each so called modeled her dress. Mrs. Joe Walton and Mrs. Alice White, leaders from the Burlington club, presented three ladies: Mrs. Bonnie Neece and Mrs. Irene Whaley from Burlington Road, eight ladies: Mrs. Adam Dolwick and Mrs. Dola Domschko, seven ladies: Mrs. Robert Cox, Florence, two; Mrs. Virgil Kelly and Mrs. Glen Stevens, Gunpowder, two; Mrs. Henry Anderson and Mrs. Herman Oberjohn, Hebron, four; Mrs. Frank Domschko and Mrs. Parson, Mr. Zion, two; Mrs. Earl Morehead, Taylorsport, one, and Mrs. June Neumeister and Mrs. William Breiden, Walton, four ladies. Mrs. Oberjohn reported that the county-wide goal is for 65% of the club members to complete a dress before September.

Miss Dorothy Threlkeld, specialist in clothing, who gave the sewing lessons, complimented the ladies, mentioning the good workmanship and fit, the choice of colors for different types and that the trimming were in keeping with materials used.

Mrs. Morehead, County specialist, presented Miss Lullie Logan, Lexington, who attended the last international meeting of the Country Women of the World, in Denmark. The highlights of the talk was "Dances Day."

Mrs. Morehead introduced Miss Clara Heile, a charming German girl, who is spending six months in Kentucky learning how we Americans work and play. She will be the guest of Mrs. Leo Flynn for the next month.

Miss Eugenia Donahue, Home Demonstration Agent, Campbell County, with the Campbell County president, Mrs. Harry Brown, were welcomed by Mrs. Morehead. Also welcomed were Mrs. Mara, president of the Southgate Club, with 12 of her club members. Other guests included Mrs. Douglas of Canada; Mrs. Owen Bachman of Lansing, Mich.; Mrs. Loren Stephenson of Rising Sun, Ind.; Mrs. William Veatch and Mrs. Guy Milwee of Harrodsburg; and Mrs. Charlotte Wilson of Florence.

The Burlington Road Club, with 18 members present, had the largest club attendance for the day. There were about 125 members and guests.

Mr. and Mrs. Nathan Northcutt, Jr. of Covington, were weekend guests of Mrs. Mary Howe.

ARLIE S. AKINS

Mrs. Arlie Sullivan Akins, of Burlington, a lifelong resident of Boone county, died last Thursday at her home. She was 74 years old, and a member of the Burlington Baptist Church.

Surviving her are a daughter, Mrs. Olin Elliott, and a son, Roscoe Akins, both of Burlington; a sister, Mrs. Eddie Easton of Burlington; two brothers, Newton and Cassius Sullivan, of Burlington, and five grandchildren. Funeral services were held Sunday at 2:30 p. m. at the Chambers & Grubbs funeral home, Florence, with burial in the Burlington Cemetery.

CLARA EWING

A communication from Mrs. Glenn C. Ewing of Los Angeles, Calif., states that her mother-in-law, Mrs. Clara Ewing, succumbed June 16, following a major operation at Glendale Hospital, one of the best in that city. The best doctors were in attendance and everything possible was done to comfort and restore her, but the Master needed her in His Kingdom. Mrs. Ewing, a former resident of Florence, migrated to California a number of years ago. She was a faithful member of the Christian Church and had many friends here who are grieved to learn of her passing. Funeral services were from the Wee Kirk O' the Heather, one of three remarkable old-world churches of Forest Lawn, among the most famous in America. Burial was in Forest Lawn cemetery. The funeral and burial services were very beautifully performed. Anyone desiring to communicate with the Ewings, may address them at 2548 North Catalina St., Los Angeles 27, Calif.

Birthdays Celebrated

A birthday dinner was held at the home of Mr. and Mrs. George Sparks of Erlanger, Sunday, July 22 in honor of the second birthday of their son, Dennis. Also celebrating birthdays on this day were Mrs. Ray Sparks of Verona, Miss Mary K. Black of Walton, Mrs. Fred Billings of Crawfordville, Ind., and Keny Graham of Erlanger.

Those attending the dinner were: Mr. and Mrs. Ray Sparks and family, Mr. and Mrs. Russell Sparks, and Charlie Sparks of Verona; Mr. and Mrs. Ralph Sparks and family, Mr. and Mrs. Bernard Stephenson and son, Ann Dudgeon, Miss Mary K. Black, Mrs. Edith Black, and Mr. and Mrs. Omer Dudgeon, all of Walton; Mrs. Nellie Toole and son of Owen; Mr. and Mrs. Tom Rash, Mr. and Mrs. Everett Hamilton, Mr. and Mrs. Bernard Graham and family, Mr. and Mrs. Kenneth Connelly and Jean, and Mr. and Mrs. William Roberts and Linda, of Erlanger.

All left after an enjoyable day, wishing all a very happy birthday.

Special Call Meeting of Walton Homemakers

The Walton Homemakers Club will have a special all-day called meeting on Friday, July 27 at the home of Mrs. Leo Flynn. Each member is to take some article in a "White Elephant" sale. A covered dish luncheon will be served.

Dry Ridge Man Killed By Train Early Sunday

FIREMEN'S PICNIC AT INDEPENDENCE

The Independence Volunteer Fire Department's annual picnic will be held at the Independence Courthouse grounds on Friday and Saturday of this week—July 27-28.

The arrangements committee informs us that there will be dancing, bingo, rides for the kiddies and refreshments.

Prizes will be given, including a General Electric television set, an ironer, electric mixer, toaster, set of lamps, and a pony.

The Ladies' Auxiliary will serve lunch. Music for square dancing is to be furnished by Steve Ammerman and His Smokey Mountain Ridge Runners.

Proceeds from the picnic will be used to help complete the new building. You are invited.

FFA Officers Attend Training Camp At Hardinsburg, Ky.

Officers for 1951-52 of the Simon Kenton Chapter Future Farmers of America attended the FFA training camp at Hardinsburg, Ky., July 16-20. Those attending were: Aldin Stenhouse, president; Otis Holand, vice president; James Whitaker, secretary; Norman Meier, treasurer; Rodney Wagner, reporter, and John Ira Gray, advisor.

Classes were held in the morning to teach each officer his duties and how to carry them out. In the afternoon there was recreation for everyone, the most attractive one being swimming. The new \$37,000 swimming pool, 70 ft. long and 35 ft. wide, provided room for all who wanted to swim.

On the way home the group visited the General Patton Museum at Ft. Knox. The entire trip was enjoyed by all who attended.—Reporter.

Melvin Townsend Shot by Holdup Man Saturday Near Union

Melvin L. Townsend, 65, was reported in "fair" condition Monday at St. Elizabeth Hospital, Covington, with a bullet wound in his abdomen and severe head injuries suffered in a gasoline station holdup near Union, Saturday night.

Mr. Townsend, who has operated a service station on U. S. Highway 42, next to the New Haven school, was off the holdup man, despite the ground wound and walked about 200 yards to obtain help. He is the father of Dr. William Townsend of Falmouth.

Carmichael Reunion

The Carmichael family reunion was held at the home of A. B. Carmichael on the Staffordsburg and Versailles Pike, Kenton County, Sunday, July 22.

Those present were: Mrs. Florence Thomas, Dayton, Ky.; Miss Carolyn Wolf, Washington, D. C.; Mrs. Emma Wolf, Evanson, Ohio, Mr. and Mrs. John O. Wolf and family, Evanson, Ohio, Mrs. Augusta Knox and two children, Des Moines, Iowa, and Mrs. Robert Bradford and four children, Bellevue, Ky.; Mrs. Laura Pond, Covington, Ky.; Mr. and Mrs. Charles Neak and son, Bellevue, Ky.; Mrs. Selma Campbell and two children, Mrs. Dorothy Murphy and three children, Dayton, Ky.; Mrs. Jeanette Campbell, Price Hill, Ohio, Mr. and Mrs. Robert Jordan, Sr. and two children, Fairport, Ohio, Mrs. Augustus Campbell and two sons, Mr. and Mrs. C. W. Fowee and six children, Mr. and Mrs. Robert Dougherty and son, Dayton, Ragnald Thomas and three sons, Mr. and Mrs. Victor F. Carmichael and three children, and Mr. and Mrs. A. B. Carmichael of Morning View.

Miss Betty Black is visiting relatives at Wansaw.

Identified Through Clothing

The mutilated body of a Dry Ridge man, who apparently had been hit by a train, was found early Sunday beside the Southern Railway tracks near Bracht Station.

The victim was identified as John Baughn, a section hand. Police said the body was beyond recognition but that relatives identified the clothing as that worn Saturday night by Mr. Baughn.

Kenton county police said Baughn apparently had been hit by a north-bound train and carried a long distance. The victim's watch, found near the scene, was stopped at 1:05 a. m., and it is said a train was due at the scene at approximately that time. It was also reported that Baughn had said he was going to walk the tracks home.

Baughn is survived by his mother, Mrs. Franklin Baughn of Dry Ridge; four sisters, Mrs. Sadie Dallas of Covington, Mrs. Tillie Branly of Dry Ridge, Mrs. Dolly Phillips of Devon, and Mrs. Hazel Orman of Dunkirk, Ohio, and two brothers, Edward Baughn of Sherman, and James Baughn, serving with the Army in Japan. The victim was a veteran of World War II.

Funeral services were held Monday at Dry Ridge.

ADA M. MAYHEW

Services for Mrs. Ada M. Mayhew, who died last Wednesday at the residence of a cousin, W. V. Moore, of Burlington Pike, were held Saturday at 10 a. m. at the Tallahassee funeral home in Lexington. Burial was in Highland Cemetery. Mrs. Mayhew was 74 years old. Surviving her also is a brother, Harry J. Allen of Florence.

Hopewell Circle to Meet

The Gladys Hopewell Circle of the Walton Baptist Church will hold its regular meeting in the home of Mrs. Vera Wright, on Thursday, August 2. Every member is urged to attend.

Goshen Bible School

A Vacation Bible School of the Goshen Christian Church will begin Monday, July 30 and continue through August 3, each day from 1:30 to 4:00 p. m., at the Piner Grade School. Every child in the community is invited to attend, and anyone who does not have transportation, please notify Mrs. Woody Worthington, who is in charge of the school. Rev. Bernard Meese, pastor, will be present every day to assist in any way.

Local Sale Continuing

The drastic reduction in prices in the hardware department of the Hamilton & Jones store, Walton, is saving customers plenty of money. Prices have been slashed 30%, and many in this area are taking advantage of this sale.

FARM BUREAU PICNIC

The Boone County Farm Bureau picnic held at the Fair Grounds in Burlington, Saturday, July 21, was attended by approximately 400 persons. This was the largest attendance at any of the Bureau picnics to date. The refreshment committee served fine fish sandwiches, potato chips and lemonade at noon.

J. E. Stanford, executive secretary of the Kentucky Farm Bureau, spoke on the activities of the Farm Bureau, especially in regard to Price and Wage Control.

THIRD RENFRO SHOW

Last Sunday, the Renfro Valley folks, along with Nelson King, the MC from WKCY, Clarence Fields and his Boone Courtians, and Hubert Ryan with the Verona Lake Ranchers put on one of the best shows of the season.

These two local outfits have become an added attraction, and it was only last year that the Boone Courtians won an "eyeballs" contest by winning first prize at the State Fair. We hope to see that first prize brought to Boone county this year. Either of these teams are available for fair and lemonade at any time, and may be contacted through their managers, or write or call Bill Scroggin, Verona Lake Ranch, Verona, Ky.

Another big show is scheduled for this Sunday.

FOR COMMONWEALTH'S ATTORNEY WHO?

VINCENT or HEILMAN

BOTH ARE ABLE AND WELL QUALIFIED!

R. L. Vincent, of Williamstown, Ky., has held this office for 12 years, and now asks you, the people, for another term.

Harlan Heilman, City Attorney of Carrollton, Ky., now asks for the office of Commonwealth's Attorney on his merits as a practicing Attorney. Since his return from the Army he has been actively engaged in the practice of Law, both in the Federal Courts and the Court of Appeals, as well as the local courts.

Mr. Vincent has, by advertisement, stated that public service should be rewarded. What does Mr. Vincent mean by Public Service?

During World War II, Mr. Vincent was the Commonwealth's Attorney, here at home—raised his family and acquired property.

Although Mr. Heilman has never personally mentioned that he should receive any consideration as a Purple Heart Veteran, we, his friends, wish to state that during World War II, Harlan Heilman was a Tank Gunner in the 8th Tank Bn., 4th Armored Division, in France, Belgium, Luxembourg, and Germany until severely wounded in combat March 18, 1945. After temporary blindness, months of suffering, and five operations for plastic surgery, he was released from the Hospital and discharged in November, 1945 under physical handicaps from which he still suffers.

Despite his physical condition, Harlan Heilman commended the practice of Law soon thereafter and has been actively engaged ever since. His record as a practicing attorney in the Court of Appeals, the highest court in Kentucky, is a matter of record in the Kentucky Reports, which are in every Court House.

Harlan Heilman is thirty-eight years old, married and the father of two small children.

WHAT IS PUBLIC SERVICE? WHO DESERVES REWARDING?

We believe that Harlan Heilman is not only well qualified and suited to the office of Commonwealth's Attorney, but is also deserving to hold it. Will you help us elect him?

SHORT STORY

Bart's Decision

By Richard Hill Wilkinson

BART HODGES had lived in the city for two years and he was getting tired of it. Country bred, he longed for the smell of sweet, fresh air, the sound of roosters crowing and cows lowing. He wanted to go to bed to the tune of crickets cheeping and bullfrog jug-a-rumming.

It wasn't as if the city hadn't been kind to Bart. It had. It had taken him to its bosom, and he had prospered. Nor had he been unhappy. He loved the lights, the noise, the hustle and bustle. And most of all he loved a girl.

Tonight, lying on the divan in the living room of the apartment, Bart was troubled with an annoying thought. He wondered, strangely, which he wanted most: Sabina's love or the country.

It was at this particular moment in Bart's speculation that the telephone rang. A strangely familiar feminine voice answered.

"Hello, there, Bart," the voice said. "This is Sadie Blake, fresh in from the old home town. Come down and talk to one of your forgotten friends."

Bart's pulse leaped. Sadie! His boyhood pal! Sadie, whom one day he expected to marry! Sadie, in the city. Here! Now! Fresh from Centerville, with news and notes of the old home town galore.

At that moment Sabina Goodnow was forgotten. There was just one girl in the world for Bart. And that girl was Sadie Blake. He felt suddenly ashamed he had neglected to write, to remember her at Christmas...

Sadie, pink cheeked, blooming with good health and freshness, met him in the lobby of her hotel. "Hello, pal," she cried. "Looking just the same. Thinner, maybe. But otherwise old Bart himself."

"Sadie!" Bart stared in open admiration. "Sadie! How good it is to see you. Tell me, how are things in Centerville? How are the folks? Tell me everything."

"Same old town, Bart. Your folks are fine. Your dad owns a new tractor. Polly, the horse, died you know. But I suppose they wrote you that. The voters decided to run town water up to William's Hill at the last town meeting. Not so much danger if fire breaks out now. Ed Salmon ran off with Bob Evans' wife. She came back two weeks ago, and Bob took her in. Shame. Poor kid..."

THEY TALKED for hours. By evening Bart was fully apprised of all the events and hap-

penings in Centerville during the past two years, and he was delighted in showing her around.

He seemed a little awed by it all, and more awed by Bart's indifference to the many wonders.

"You get used to it after a while," he said indifferently, and stood gazing thoughtfully at the many lights along Broadway. He felt enlightened and no longer homesick. Strangely enough the noise and bustle associated themselves in his mind with Sabina. He was glad to be a part of it all.

He gazed furtively at the comely Sadie and pictured her in the rural setting of Centerville.

They attended a theater and dined afterward at an exclusive night club. Sadie would have liked to go back to the hotel, but she wanted to please Bart.

"Bart," she said, when at last they stood outside the door to her room. "When are you coming home? When are you going to give up all this and come back where you belong?"

Bart looked down into her eyes and saw something that two years ago he had longed to witness. He sighed deeply.

"Sadie, it's been just great seeing you. Just what I needed. A sort

of tonic." He smiled at her gently. "I'm not going back just yet, Sadie. There's something keeping me here, something that before I never knew existed. I know now that it's something greater than anything. Some time I'm coming back, and when I do there'll be two of us."

ELECTRICITY HELPS HOUSEWORK ON FARM

That electricity is rapidly simplifying housework for farm women in Kentucky is seen in Hardin county. Of 33 farm families surveyed by Home Agent Patricia Lawson as a basis for an electrical training school for homemakers, these pieces of electric equipment were reported: 38 refrigerators, 37 stoves, 39 irons, 22 mixers and six ironers.

Other pieces the homemakers most frequently mentioned as having were: washing machines, vacuum cleaners, freezer lockers and hot water heaters, in addition to many small electric articles.

FERTILIZER HELPS GRASS AND ALFALFA

Six acres of well fertilized Ladino clover, orchard grass, redtop and ryegrass are furnishing grazing for 11 two-year-old steers on the farm of Harrison Mason, Owsley county. Beginning in March, he has been running the cattle in the field about three-fourths of the time, removing them five days a month, to let the grass get a new start. By July 1 the steers had gained an average of 150 pounds.

The field received three tons an acre of limestone in 1938, 1,200 lbs.

of superphosphate in 1950, and 1,200 lbs. of phosphate this year. County Agent J. J. Johnson also is advocating more alfalfa for Owsley county. Applications of limestone, phosphate, potash and complete fertilizer have produced two big cuttings of alfalfa for Ed Harvey. Oats yields also were good this year.

SHORT COURSE IN POULTRY ANNOUNCED

Practical management of flocks, judging chickens, control of diseases and testing for pullorum disease will be among subjects taught at the 27th annual poultry short course at the University of Kentucky College of Agriculture and Home Economics at Lexington, July 30-August 3.

Open to all persons without charge, the course has been arranged so busy poultrymen, hatchery operators and others can obtain a lot of information in a short time.

Flock owners, hatcherymen and dealers in chickens, eggs, feeds and equipment will assist members of the college staff in the course. Also on the program will be Dr. Carl W. Hess of Washington, a representative of the National Poultry Improvement Plan.

On the farm of J. T. Rice in McCracken county, five times as much fescue seed was harvested where button clover had been turned, in contrast to the crop on a turned strawberry patch.

As Judge of the Jefferson County Juvenile Court he gained nationwide recognition for his humanitarian approach to the problems of youth.

Based on a Pass near Middletown, Son of a country doctor, Charter member Junior Agricultural Club, forerunner of present 4-H Club. Has judged and exhibited at many State Fairs.

As a lawyer with the prominent firm of Telford and Wetherby he was an active member of the Kentucky Bar Association. He was also a former member of State Board of Bar Examiners.

As Lieutenant Governor actively supported farming development during period of Kentucky's greatest agricultural growth. Strong supporter of Rural Roads bill in 1948 (result to date: 2705 miles of new farm-to-market road).

As Governor, in less than one year, has demonstrated experience gained during 3-year term as Presiding Officer of State Senate. Proof of good judgment has been seen in his state and federal appointments... making certain that Kentuckians are served by men of exceptional ability.

His Mental Health Program is the first real attempt to cure and rehabilitate Kentucky's mentally ill with a practical view toward ultimately reducing this costly burden upon Kentucky taxpayers.

For School Teachers, he obtained additional money. Proved his initiative and leadership by calling the March Special Session of the Kentucky General Assembly. There he also made additional funds available to needy aged, blind and children.

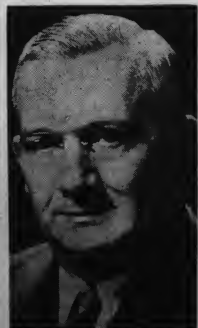

His interest in Agriculture is active and lifelong. As Lieutenant Governor and as Governor he has proved a real fighter for farm measures.

"You're new here"

So you'd hardly know what life on the farm used to be like. I can tell you—it was mighty hard—that is, back in the days before electricity came to the farm to take over so much of the farmer's hardest and most tedious chores."

Yes—today electricity is a "Wired-hand" that can do over 200 farm jobs* at an average wage of about 3c an hour. Do you know—tests show that 65% of a farmer's time is taken up by chores that can be done electrically. So—whatever the job—grinding feed, pumping water, sawing wood, milking cows, drying hay—your electric "wired-hand" will do it better—for less. And in the farm home, electricity provides all the conveniences and pleasant living that is possible in the most modern city home.

Electrification of America's farm homes was begun by business-managed electric companies nearly half a century ago, and has been steadily developed by them over a long period of years.

Our own Companies built their first rural electric line in 1920. That was a line to serve 85 farm and rural customers in the White Oak area. Within the next ten years we built over 1700 more miles of rural line; and in the period 1930-1950, 2300 more. So that now, our own rural lines would reach from here to Los Angeles and back again. We now supply electric service directly to 14,350 farms in Ohio, Kentucky, and Indiana. And at wholesale through the Butler County (Ohio) REA and Owen County (Kentucky) REA to about 2300 more farms. Over 99 1/2 % of all the farms, and farm and non-farm dwellings in the rural parts of our service area now have electric service.

City folks have benefited through this program of farm electrification, too, through the increased farm production and improved quality of farm products that electricity on the farm has made possible.

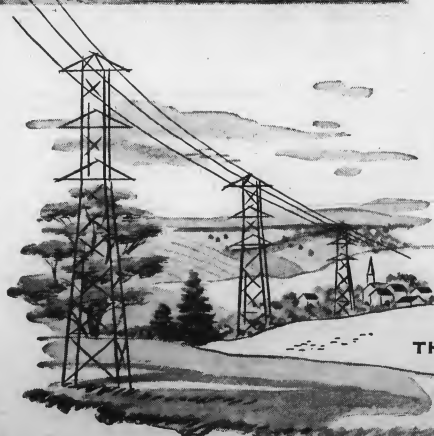

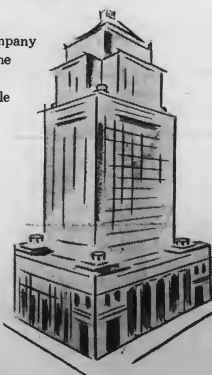

As an integral part of its rural electrification program, your Electric Company employs a staff of rural service engineers whose job it is to help any of the Company's farm customers use electricity to do farm jobs better, easier, and more profitably. There is no charge for this service, and it is available at any time. Just mail a postcard or phone our nearest office.

*Many of these jobs that electricity can do on the farm are being demonstrated in an unusual exhibit which has been set up in the big Main Lobby of our office building at Fourth and Main Streets in Cincinnati. It will be open daily from eight to five except on Saturdays after noon and on Sundays throughout the month of August. So next time you're in town make it a point to see this big display.

SCRIPTURE: Luke 7:32; Romans 11:2; 1 Corinthians 8:1; John 2:18-17

DEVOTIONAL READING: Psalm 1

Lesson for July 29, 1951

Think of Brother!

THE Christians in the city of Corinth were bothered about a number of things. One of them never bothers any body any more, and yet, strange as it seems, it throws a light on some of the hottest problems a Christian meets.

The Corinthian problem was beef-steak. We have a problem with that too, — that is, how are we going to pay for it? That wasn't the Corinthian problem.

This was away back in Roman times. Every city had its temple where sacrifices were made to the gods. Sacrifices were of all kinds, from flowers to cattle. It was considered rather wasteful, after killing a big bull, to throw the carcass away; so after the ceremonies at the temple, the re-surgance would be taken off the beast's neck, and the animal would be hauled away to some butcher's shop, where it would be cut up into roasts, steaks and what not, and sold over the counter just like any other meat.

Now some of the Christians began to worry over their meat supply. Suppose I buy a steak in the market (one would ask) and suppose that steak came from a bull or a cow that has been killed as a sacrifice to one of these heathen gods? Won't that make me guilty of idolatry?

.....
Your Conscience
May be Clear, but—

So they wrote to the best man they knew, their old evangelist and pastor, the man who had converted them to Christ and organized their church, the Apostle Paul. They asked him about this and other things, and which we call "I Corinthians" is his answer.

You might think this beef-steak problem trivial, but Paul never handled a trivial problem in a trivial way. He approached the problem in this way: "Meat is only meat," he said; "it certainly wasn't the bull's fault that he was part of a heathen ceremony. As for the butcher, he paid good money for the animal, in a perfectly respectable business transaction. Then where was the sin in eating such meat?"

But wait a minute. Suppose you are dining out, and you happen to know where the meat came from, and everybody at the table knows, and somebody at the table isn't very clear-headed, and when he sees you eating the meat, thinks you must be approving of heathen sacrifices; then what?

Or perhaps, some one else is less enlightened than you; eating such meat seems quite wrong to him, but when he sees you eating it, he may (just to be polite) follow suit, and yet his conscience, not being an educated conscience like yours, will hurt him all the same. So what you do quite freely and rightly, causes another man to go against his conscience.

Think of Your Brother!
NOW, then, Paul says: "If what I eat makes my brother fall, I will never eat meat again, rather than make my brother fall." (American translation.) There you have the Christian principle.

The important question is not, "Is it any harm?" but, "What effect is this going to have on other people?"

We have seen that the basic Christian principle in all human relationships is the importance of personality. If an act, even a harmless and blameless act, hurts persons—makes them sin, makes them go against their own conscience, then the Christian's rule is at once: "Don't."

The rightness or wrongness of a thing is not all in the thing itself; it comes from its effects on persons. Now apply this to some of our own problems of social living. Is drinking alcoholic liquor a sin? Is the use of tobacco sinful? Is dancing wrong? (—to name a few.)

Let us suppose, for the sake of the argument, that you are not harmed by such things; yourself. It is a fact, however, that some people are harmed by them. Now suppose your act, which is quite harmless to you and done with a clear conscience, influences another and perhaps weaker person to indulge in something harmful to him? The Christian will say, as Paul said: "If this thing makes my brother fall, I will never do it again. Which, after all, is more important to me, my own freedom or my brother's?"

Did you ever pause to listen to the voice of God? We hear it every day, wherever we may be.

In the whispering of tall trees...the music of rushing brooks...the songs of the birds...the gay laughter of happy children...we hear the voice of the Great Creator. Through his infinite grace a bird is enabled to serenade his mate, a tiny cricket chirps its faint refrain. God is the Bringer of all blessings to man and beast alike.

Let us give thanks to Him who has so enriched our lives. Open church doors beckon all over our land. Let us seek the House of the Lord, and enter in to pay Him homage. Here through prayer and humility, let us re-dedicate ourselves to His service and glorification.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

A CORRECTION

In reporting the picnic given by Mr. and Mrs. I. Z. Ingle, a name was printed incorrectly. The name was William Russell, instead of William Russell, as it appeared last week.

John D. Smith and Sons of Greenmount bred 28 cows artificially, the largest number bred by one herd owner in Laurel county.

Watch Corn Plants For Hunger Signs From Now to Harvest

WATCH your corn fields for plant food hunger signs from now to harvest, advise Midwestern agronomists. Color and rate of growth are the principal clues. If the leaves are deep, dark, healthy green, you have nothing to worry about. But any other color means trouble.

Leaf No. 1 in the accompanying chart is starved for potash. The tip and edges look scorched. They lose potash first when there isn't enough for healthy growth. Potash hungry corn has weak roots and stalks. It lodges easily.

The crinkly, "fired" tip and midrib of Leaf No. 3 are signs of nitrogen hunger. Notice the inverted "V" running from the leaf tip along the midrib. This is yellowish and later will begin to dry and brown. "Firing" of corn leaves and stalks is usually blamed on drought. But actually it is due to a lack of enough nitrogen. Drought-thirsty corn leaves roll,

wither and dry, but they still hold their green color.

When corn is starved for phosphate, the leaves have purple edges and tips. In severe cases, leaves may show signs of nitrogen hunger, too, because phosphate-starved corn cannot use the nitrogen it takes up.

Hunger signs in your corn fields mean that the soil is seriously low in plant nutrients. That, in turn, means low yields and poor quality. Best insurance against such yield-cutting hunger signs is a well-balanced supply of the three major plant nutrients—nitrogen, phosphate and potash. This can be supplied by commercial fertilizer carrying sufficient amounts of each element. Good tilth is another essential. Tilth can be built by including well-fertilized deep-rooted legumes regularly in the rotation. The legumes mellow the soil, improve its structure and add nitrogen and organic matter.

CARD OF THANKS—

A "thank you" note to friends and neighbors for cards, flowers and all expressions of love and kindness during my illness.

HOT and DRY

It is hot and dry while I am writing this, but I hope there will be rain before this goes to press. I was in Lexington, Sunday and they need rain south of here worse than we do. Our tobacco is surely rain before election dry or dog days or when the moon changes—something will surely make it rain. It rains on the just and unjust—we have both here in Walton, so it will rain. It always rains in time in Old Kentucky—we always have a crop—a fine place to live, don't you think?

Geo. Cook and Mrs. Cook, from out on Green Road, were buying fly spray for cows and rotenone for bean beetles—George made me guarantee these to kill before he bought. Neil Sutton and Jane were in—Neil needed a powder duster and Jane some flower pots. John Hempel is sure painting the Maple Tree Tavern inside with Bolce paint—he tried one gallon and it did so well he came back and bought all I had in that color. Alvin New and wife, from Decoursey, were out after more paint—he sure likes Bolce paint.

Les Barlow, from Union, bought two gallons of Bolce outside white to tie on his filling station—he came back today and bought two more gallons and two paint brushes—he said at least 20 people asked what kind of paint he was using and where he got it. Bolce paint sells itself—just try a gallon. Grandma Clifton bought a 2-gallon White Mountain ice cream freezer—she had one that lasted 35 years and hopes she can use this one that long. Her installed a IXL chain cistern pump for Kenneth Tomlin, down Banklick way.

He made Larry Ryan a rake tongue out of galvanized pipe—a real job. Then he put an electric motor on a washer and took off a gasoline motor. Wm. Miller had us bring him an IXL chain cistern pump and install it down at Rosegate Farm. Arthur Linton bought a Dayton electric fan for his home—a 16-inch fan for only \$20.00. Mary K. Black also bought a fan—she took a 10-inch Westinghouse for \$8.95. Mr. and Mrs. Al Spillman, from Sherman, bought a 12-inch electric Dayton fan. We just received some 4-quart ice cream freezers, for \$9.95.

Gordon Phillips was starting on a fishing trip, buying fishing tackle and camp stools. Jerry Roberts wanted some of that Bolce truck enamel to paint his truck rack. He says it is bright red and stays that color. Omer Dudgeon bought another one of those 4-inch Wonder brand brushes—he says it is the best \$5.00 brush he ever saw for \$4.95. You ladies must look over our selection of dishes—they are very nice and also cheap. We have on all metal cake cover for only 69 cents.

We have sold several pressure canners and pressure cookers that you can use for a pressure

canner in a small way. We have 4, 6 and 8 quart Burpee that you can quart and pints in, also cold peck canners, 7-qt. size, for \$2.29, and 14-qt. size for \$3.79. We also have the plastic bags and waxed boxes for your freezer locker, and the plastic jars in quart and pint—make this your canning headquarters for jars, zinc lids, rubbers, two-piece lids, jelly glasses, tin cans, jar funnels, jar wrenches and all other canning supplies. A new electric range would make your canning much easier and perfection is the best for your money.

Sherman Vestine, over on Rich Road, bought a rubber tired wagon—we have only one left. I went up last night to see Harry Mayhugh's new home and tourist court. He sure has a nice place—the house is very nice and convenient, and that court is one of the best. New and clean, so well furnished and decorated. Harry can put the trim on them with a little help from Georgia. We sold a little of everything Saturday. Gene Hiles got a croquet set. We sold a National pressure canner and a National Presto cooker—they were for gifts, so I can't tell who bought them.

Mrs. Teris Thomas bought a lot of dishes and Weaverville aluminum pans. Bobby Whitson got a Westinghouse electric fan—you sure need them this kind of weather. Mrs. Anna McCabe bought a lot of Bolce white paint. Then came Emily Cleek and she bought Bolce paint and enamel. William Brown came in after Bolce white paint for Stan Vailandingsburg's white fence. Forest and Louise Marsh bought enough Armstrong linoleum to cover four rooms.

Mrs. Ezra Gullion bought enough Armstrong for her kitchen. Phil Kohler ran in after nails—he is building a new barn. John L. Feagan was in need of a grinding wheel for his sickle grinder. Omer Kite bought a long handle grass sickle and a pair of tree trimmers—he is going to clean up things. I never saw so many people wanting water pumps, pump repairs, galvanized pipe and fittings—water is getting scarce and they are going deeper after it. We have plenty of pumps of all kinds and lots of pipe—CONRAD tries to have it.

Mrs. Boyd Webster bought the most beautiful yellow pin-up lamp with that new reflector bulb in it—she said she bought it to see by, but Oakes will have it for a testing lamp—it gives a wonderful light. Mr. and Mrs. Omer Black bought a 16-in. Dayton fan for their grocery store up on South Main. Some fellow stopped today and bought a Myers brass cylinder glass valve pitcher pump—we have a very few of these, as they are hard to get. We like to have the hard-to-get items, if possible. Try at CONRAD HARDWARE—no use looking elsewhere.

M. L. Townsend Dies Of Holdup Injuries

Andrew Doyle, Paxton, Ill.,
Held for Grand Jury Action

Melvin L. Townsend, 63-year-old operator of a service station near Union, who was shot Saturday, July 21, during a holdup, died late Saturday at St. Elizabeth Hospital, Covington.

A few hours earlier, Andrew Doyle, 50, Paxton, Ill., who was charged with the robbery and shooting, was ordered held for grand jury investigation under \$25,000 bond by Judge Carroll L. Cropper in Boone County Court, Burlington.

After he was informed of Mr. Townsend's death, Judge Cropper said Doyle's bond would be canceled entirely, making it impossible for him to get out of jail before charges against him are heard by the grand jury.

The jurist said he doubted whether the charges against Doyle would be changed before he appeared before the grand jury, at which time an indictment for murder will be requested rather than the one for shooting to kill.

Doyle signed a confession before William P. McEvoy, Boone County Attorney, admitting the holdup. Mr. McEvoy said Mr. Townsend was shot in his stomach, when he attempted to wrest the weapon from his attacker's hands.

Doyle suffered severe head cuts, body bruises and possible fracture of several ribs in the struggle with Townsend, a powerfully built man, Sheriff W. H. Easton said. He was arrested after he sought treatment from a Warsaw physician.

The sheriff said he still was looking for another man, who, Doyle said, planned the robbery and was parked in an automobile 200 feet from the station at the time it took place.

Mr. Townsend, who lived on Walton, Route 2, is survived by his parents, Mr. and Mrs. W. R. Townsend of Berry, Ky.; three sons, Dr. William Townsend of Falmouth, Luther Townsend of Cincinnati, and M. C. Townsend of Cincinnati; two daughters, Mrs. Lassing Huey of Union, and Mrs. Christine Babington of Miamisburg, Ohio; two sisters, Mrs. Mae Rankin of Covington, and Mrs. Alta King of Versailles; and two brothers, John, of Cincinnati, and Dalbert Townsend of Berry.

Funeral services were conducted from the Chambers & Grubbs funeral home, Walton, Tuesday at 1:30 p. m. Burial was at Berry, Ky.

Horse and Pony Shows at 4-H Fair Set For Both Nights

The nineteenth annual Boone County 4-H and Utopia Fair will be held August 17-18, according to the Extension Office.

Entries in all classes except dairy cattle and horse and pony shows should be made from 9 a. m. to 12 noon, Friday, August 17. Entries in dairy cattle and horse and pony shows may be made at any time before the shows start. The dairy cattle show will be held Saturday morning rather than Saturday afternoon as scheduled in the catalogue. This change is made to permit out-of-county entries to leave in time to make the Saturday afternoon show at Falmouth.

Horse and pony shows will start at 8:00 p. m. on both Friday and Saturday evening. Classes are available for all 4-H Club project work and 4-H members are urged to complete projects and enter them for competition.

Painters and carpenters are at work making the grounds more beautiful and enlarging present facilities.

Brown Novelty Company will furnish rides and some concessions for the midway. Both children and adult rides will be on hand for everyone's entertainment.

Everyone is invited to attend and bring an exhibit if possible.

KELLEY-MERRILL

A very pretty wedding took place Saturday, July 28 at 9:30 a. m. at All Saints Church, Walton, when Miss Mary Margaret Kelley, daughter of Mrs. Neil Kelley and the late Thos. Kelly, became the bride of Mr. Ralph Merrill, son of Mr. and Mrs. Walter Merrill of Cincinnati. Rev. Henry Busenmeyer, the pastor of All Saints Church, officiated at the double ring ceremony and the nuptial mass which followed.

The bride was attended by her sister, Miss Esther Kelley, RN, and the groom had as his best man, his brother-in-law.

The bride wore a white suit and white picture hat and carried a white prayer book with ribbon streamers. The bridesmaid's suit was eggshell pink and she also wore a white picture hat.

At the close of the mass, the choir sang, "On This Day Oh Beautiful Mother," as the bride laid a bouquet at the Blessed Virgin's Altar. The wedding party had breakfast at O'Leary's after which the happy couple left for a short wedding trip.

Master Mason Degree Conferred On Fifteen Candidates, Saturday

Fifteen candidates were given the Masters degree in the Masonic Order of the Blue Lodge No. 719 on Saturday, July 28th at the Walton-Vernon gym.

The degree work was given in two sections, with fourteen receiving degrees in the afternoon and one being held over the night meeting.

The afternoon session was opened by the Master of the Walton Lodge, Louis Schwab, and immediately turned over to the Degree Team composed of Masters and Past Masters of visiting lodges.

The afternoon candidates were: James Chester Robinson, Morgan Campbell, William Roberts, James Joe, Franklin Breeden, William E. Robinson, Clifford E. Robinson, Chas. W. McCubbin, Jess William Thornton, Chester R. Edwards, Jimmy J. Vest, Henry C. Harty, Stanley C. Harp, Stanley Allen, all of Walton, and Whitney Guss, Warsaw.

After being served dinner at six o'clock at the gym, the evening meeting started, featuring the speech by the Grand Master of Kentucky Ed Freshney of Covington, and also Deputy Grand Master Bob Ellis of Burlington.

The one, candidate, who was chosen to "go the long form" degree was O. F. Young of Walton.

There was an estimated crowd of two hundred and fifty Masons present, representing some twenty lodges.

Don Vest was on the mound for New Haven with Gayle Rose catching. Vest turned in one of his best games of the season. He struck out 22 batters and allowed only eight hits.

Carroll led the attack for New Haven with three singles; Vest collected a triple and single, and Jones, Mace and Mason had two hits each.

The drawing for the elimination series was held in Covington, Tuesday night.

Cemetery Board to Meet

The Goshen Cemetery Board and members will hold their regular monthly meeting at the Goshen Christian Church, Pine, on Sunday, August 5, at 4:00 p. m.

All who have loved ones buried in this cemetery are urged to be present. The cemetery has been cleaned and is being improved. A financial report will be given as the Board wants everyone to know how their money is being spent, which was so generously contributed to this fund.

MRS. DEATHERAGE

Mrs. Margaret Ann Boggs Deatherage, Kenton Station, died Friday at her home, at the age of 78 years. She was a native of Missouri, but had lived most of her life in Kenton county. She was a member of the Goshen Christian Church, Pine.

Surviving are her husband, William Deatherage; three sons, Henry of Covington, and Robert and Stewart Deatherage, both of Kenton Station; two daughters, Miss Mable Deatherage of Covington, and Mrs. Lula Howard of Walton; three sisters, Mrs. Georgia Cummins, Mrs. Fannie Bookhoit and Mrs. Almetta Howard, all of Covington; a brother, Robert Boggs of Covington; 15 grandchildren, and six great-grandchildren.

Services were held Monday at 2:00 p. m. at the Allison & Rose funeral home, Covington, with burial in the Independence Cemetery.

Sunday afternoon guests of Mr. and Mrs. Clem Reardon and family of Hamilton, were: Mr. and Mrs. O. C. Lunsford and son Tommie and daughter, Mrs. Ruth Jones, and baby son, Kerry Lee, and Mr. and Mrs. Basil Lunsford and two children of Walton, Mr. and Mrs. Brady Pine and four children of Cincinnati, Mr. and Mrs. George Vest and two children of Batavia, Ohio, "Dumpy" Huff and Margaret Sparks, and Phyllis and Lail Reardon.

KENTUCKY LAMBS SUPERIOR

The superiority of Kentucky lambs was revealed in a feeding test at the Experiment Station of the University of Kentucky, Lexington. The feeding percentage was higher and they outgrew western lambs. They also didn't have the mutton flavor of some westerns have.

Firemen's Picnic at Stockyard Grounds Thur., Fri. & Saturday

MART BENSON

Mart Benson, a native of Boone County, died early Monday at the home of his daughter, Mrs. James A. Baird, in Knoxville, Tenn., where he had been for the past six years. He was 90 years old.

Mr. Benson was the father of C. D. "Dewey" Benson, Burlington, County Clerk of Boone County. He was formerly connected with the Walton Lumber Company, Walton, where he resided before going to Knoxville.

Funeral services were held Wednesday at 2:00 p. m. in the Walton Baptist Church, with burial in Walton Cemetery. Besides his son and daughter, he leaves four grand-children.

Chambers & Grubbs funeral home, Walton, completed arrangements.

Fiskburg D. of A. to Meet

The Fiskburg Council, No. 59, D. of A., will hold its regular meeting Friday evening, August 3, in the Wilmington Masonic Hall, Fiskburg. All D. of A. members are urged to be present. According to Ruth Worthington, Council and its Fiskburg Deputy, the D. of A. Annual School of Instruction will be held at Georgetown, August 11, in the Masonic Temple. All members should try to attend.

Duval at Burlington

F. E. Duval, Contact Representative of the Kentucky Disabled Ex-Servicemen's Board, will be at the Court House in Burlington, Friday, August 10, from 8:00 a. m. to 4:00 p. m.

Sunday School Meeting

The Boone County Baptist Sunday Schools will hold their regular monthly meeting at the Bullittsburg Baptist Church, Monday night, Aug. 6, at 6 p. m.

A picnic lunch will be served at 6 p. m., and everyone is asked to bring a basket of food of their own choosing. Ice cream will be furnished by the group.

An inspirational program will follow at 8 o'clock.

Each church is urged to call Robert Christy, Burlington 234, not later than Sunday, August 5 and give him the approximate number who will attend from their church.

Forty Hours Devotion To Be Held At All Saints Church, Walton

The Forty Hours Devotion, a three day service honoring the Real Presence of Christ in the Blessed Eucharist, will be held Friday, Saturday and Sunday in All Saints Church, Walton.

Confessions will be heard Thursday evening from 7:30 to 9:30 in preparation for the Devotions. The schedule for the Devotions is:

Friday—6:30, Distribution of Holy Communion; 8:00, Sung Mass of the Exposition of the Blessed Sacrament, procession with the Blessed Sacrament, and singing of the Litany of All Saints. During the day, Exposition of the Blessed Sacrament, 8:00 p. m., evening devotions, and Benediction with the Blessed Sacrament. Confessions will be heard after the devotions. 9:00 p. m., Reposition of the Blessed Sacrament. Saturday—6:30, Distribution of Holy Communion; 7:00, Distribution of Holy Communion; 8:00, Sung Mass for Peace. During the day, Exposition of the Blessed Sacrament, 8:00 p. m., evening devotions, etc., as on Friday. Sunday—6:30, Exposition of the Blessed Sacrament; 8:00, Sung Mass of Reposition of the Blessed Sacrament. During the day, Exposition of the Blessed Sacrament, 4:30 p. m., Solemn Closing of the Forty Hours Devotion, and Procession and Solemn Benediction.

About 25 Monsignori and priests from various parts of the Lexington and Cincinnati diocese will attend the Solemn Closing. The public is invited to attend.

WINS SCHOLARSHIP

Miss Faye Flynn

Miss Faye Flynn, granddaughter of Mrs. Emma Flynn of High School Court, won a Prater No. 1 Scholarship at Pinkerton High School, Midway, Ky. She attended Midway School last year.

Camp-On-Tour Group To Visit Florence, Friday Afternoon

On Friday, August 3, Florence will be visited by 70 men, boys and girls from the playgrounds of Jefferson County. These boys and girls are members of the third annual Camp-On-Tour, Canada conducted by the Jefferson County Playground and Recreation Board.

The two Greyhound buses carrying the party will arrive in Florence at 2:30 and park in front of the Post Office. The passengers will gather in the Community Center where refreshments will be served.

As good will emissaries of the Louisville Chamber of Commerce the boys and girls will present the City of Florence with a copy of "Louisiana," the official organ of the Louisville Chamber of Commerce. Mr. Wm. P. McEvoy will accept the gift and will present the Jefferson County group with a copy of John R. Lloyd's "Immortal Stringtown-On-the-Rock."

Mr. A. M. Yealey will be present and will display a silver half-dollar coined in 1820. This coin was once owned by Thomas Madden, one of the founders of Florence. Florence was once known as Maddentown. Mr. Madden received the coin from the Marquis de Lafayette. In 1829 Lafayette spent a night in Mr. Madden's tavern and gave the coin in payment for his night's lodging and care of his horse.

Camp-On-Tour is completing a five day trip into Canada. Membership in the party was earned by outstanding achievement in the program as sponsored by the Jefferson County Playground and Recreation Board. Mr. Charles Vetterlin and Mr. R. C. McDowell are in charge of the party. Everyone is urged to be on hand at 2:30 on Friday to welcome these boys and girls, who will be the leaders of tomorrow.

JOHN ASHCRAFT

Services were held Monday at 2:00 p. m. in the Stith funeral home, Florence, for Rev. John E. Ashcraft, a Baptist minister in this section of Kentucky for the last 27 years, who died Saturday in his home in Eldersburg. Burial was in Highland Cemetery, St. Mitchell.

Rev. Ashcraft last served as pastor of the Faint Lick Baptist Church in Gallatin County. He had not been active as a pastor for the past four years because of illness.

Surviving are his widow, Vena; two daughters, Mrs. Isabelle Caldwell of Newcasile, Ind., and Mrs. Lois Hodges of Elmore; a son, Eldon Ashcraft of Walton; a stepdaughter, Mrs. Selma Cain of Peoria, Ill.; two brothers, Earl of Covington, and Dan Ashcraft of Lakeside Park; a sister, Mrs. Catherine Kerns of Covington, 10 grandchildren and two great-grandchildren.

Many New Attractions Planned for Those Attending

The Annual Walton Firemen's Picnic will start Thursday night and continue through Saturday night at the Walton Stock Yards grounds. There are many new attractions planned for the public, including a new dance band, various new rides for the kids, some side shows for the grown ups, "best ever" fish sandwiches, cold drinks, also a "throw-at-the-negro-baby" show. So all in all there will be entertainment for everyone.

The music will be furnished by the Dixie Ramblers of Covington. Chief Russell Groger urges everyone to support the Picnic, as this is the major means of support for your fire department.

Free Bus to Grounds

For the convenience of those who do not have transportation the picnic grounds, the firemen are providing a bus to pick up passengers all over town and take them to the picnic and also back to town. The bus will be marked Firemen's Bus and will pick up at about 30 minute intervals at the following points: St. Clair, Bedinger Avenue, School House, end of Alton Vista, Walton Garage, Verona Road, West Ave., Edwards Avenue and White Bridge. This service will be free.

BOB & GENE PLAY TWO

The Bob & Gene baseball team of Florence, have two games scheduled all week. On Friday night, Aug. 3 at 8:00 they play St. Clair, who are at the Covington Ball Park in the Times-Star tourney. These are the only two undefeated teams in the two-and-out meet, and the winner will participate in the championship games. Sunday, Aug. 5 the Eastern men play Palazzola Grocers at the Florence

Dry Weather Causing Severe Damage to Crops In This Area

The prolonged dry weather is causing serious crop damage according to Bill Davis, County Agent.

The tomato crop is being considerably reduced by blossom end rot which is aggravated by the dry weather. This is particularly in thin, low phosphate land. Blossom end rot is confined to the end of the tomato and should not be confused with late blight that may cause tomatoes to rot on the end or side. To this date no late blight has been seen or reported. Continued spraying with copper is insurance against blight.

Early tobacco crops will be greatly reduced in weight unless relief from the dry weather comes in the very near future. Crops are firing badly and those crops nearing maturity should be primed of lower leaves in an effort to reduce loss. While priming is a tiresome chore it will pay large dividends under such weather conditions as we are now experiencing. Primed leaves should be hung in the barn until thoroughly cured and then should be tied in hands, pressed and baled. They should not be left in the barn after curing nor should fresh cut tobacco be hung under them after they are cured.

The late tobacco crop that is not yet in bloom should grow out if the rain comes in the next week or so. Milk production is also being reduced by poor pastures, with some dairymen reporting production losses as high as 40%. Dairymen having grass silage to feed are doing a good job of keeping production up in the cheapest possible way.

For those who do not have grass silage or supplemental pastures of sudan grass the use of more grain in the ration is the next best method of keeping up production.

Hay supplies have already been greatly reduced and those livestock producers finding themselves short of hay should be locating a good supply now. Hay purchased before the hay feeding season is usually the cheapest.

Test Soil Now
County Agent C. A. Wicklund says now is the best time to get samples of soil for testing for the crops of next year. Get soil from eight to 10 places in a field, mix well and bring about one-half pint to the County Agent's office.

In Hospital
Mrs. Wiley Sims is in the hospital again, seemingly due to over excitement about the grandchildren having to go to the hospital. This caused a heart attack. The Independence Life Squad was called and they rushed her to the hospital last Friday.

Several Anderson county farmers used airplane spraying to combat the corn borer.

Two Girls Injured

Polly Warren, daughter of James Warren, L.L., near Independence, and Ann Culbertson of Florida, met with an accident about ten days ago on the L.L. near Morris Station, as Miss Culbertson lost control of the car and it turned over three times, putting her in the hospital in an unconscious state. She is now improving rapidly. Polly is rapidly recovering from bruises and cuts. The car, which belonged to Polly's father, caught fire and burned, despite efforts of police, who were on the scene immediately. Polly laments, "We are without a car now!"

Sick List
James Reed, son of Mr. and Mrs. Luther Reed, of Independence, had an attack of typhoid fever at Pineville, where he is a ministerial student in the Mountain Preachers' School.

Mrs. C. W. Beach of Sugar Camp Road, is reported on the sick list.

Community-Wide Tent Meeting
The community-wide tent meeting revival will close Friday night, Aug. 3. Thirteen or 14 churches have been represented in some of the services. Surveys and personal work, along with two all-night prayer meetings and old fashioned Gospel preaching have been the program that God has used to the salvation of souls, rededications and altar calls box breaking. Rev. Don Milam will preach Thursday night on "Three Deadly Sins," and will be followed by a youth forum. Friday night the topic is, "The Last Call." There has been so much interest aroused that it seems the community tent meeting may be an annual affair. Come out to Atwood and see what is going on.

Wins Scholarship
Miss Barbara Giles has been named winner of a one-year scholarship to the University of Kentucky. Dr. Leo M. Chamberlin, Chairman of the UK Scholarship Committee, has announced. This scholarship, valued at \$300, was presented by the Union, Light, Heat & Power Co. on the basis of scores on regular university scholarship examinations. Miss Giles will enroll in UK this fall.

The Christian Youth of Northern Kentucky will meet at the Independence Baptist Church, on Saturday night, Aug. 11. The program is in two parts, Bible study at 7:30, and evangelistic message at 8:00, probably by a young ministerial student.

Enjoy Western Trip
W. E. Maners and family have returned from a 10-day trip to Denver, Colo., where they visited their son, Virgil, at Lowery Field. They also visited a brother of Rev. Maners, C. R. Maners, and wife. On the northern route, crops were looking good, according to the Maners family.

Commonwealth's Attorney

Should Be Elected On Qualifications, Not Sympathy!

The courts have the power of life and death over you and your property. You need an experienced and dependable official as Commonwealth's Attorney. Our courts are the guardians of our lives, our liberty, and our property and as long as we have an able, conscientious, fearless and untrampled Commonwealth's Attorney, all that is near and dear to us will be properly safeguarded. Hence it is of the utmost importance to you, the people, to see that the Commonwealth's Attorney, who is nominated Saturday, August 4, has these qualifications.

You Can't Fool the Home Folks!

In every race that R. L. (Ray) Vincent has made for Public Office his home people in Grant County, among whom he lives and the people who know him best, have given him an overwhelming majority—Home folks know you best!

Two years ago R. L. (Ray) Vincent's opponent asked his home people of Carroll County to nominate him for County Attorney, the people among whom he lives, and the people who know him best refused to nominate him for that office. Home folks know you best! In face of this defeat by his people for a minor office, he has the audacity to ask the people of five counties to nominate him for the powerful office of Commonwealth's Attorney. Considering the fact his home people would not trust him with a County Office, it is easily understood why R. L. (Ray) Vincent's opponent has spent a large part of his time campaigning in Boone, the county farthest from his home.

You Can't Fool the Home Folks!

R. L. (Ray) Vincent offered his service to his country during the war, but he was rejected from Military Service by reason of impairment of his eyesight. However, he had a son who served in the armed forces, and he had a son-in-law who served three years over seas and who is still in. R. L. (Ray) Vincent has prepared all the claims, taken all the appeals and assisted the Veterans in every way possible and has made no charge. Ask any Veteran in Grant County.

R. L. (Ray) Vincent rendered valuable civilian service to the Government during the war and President Franklin D. Roosevelt, Commander-in-Chief, awarded R. L. (Ray) Vincent a citation which says in part, "The President of the United States of America has awarded this certificate of appreciation to Raymond Vincent in grateful recognition of uncompensated services patriotically rendered his country."

President Harry Truman, Commander-in-Chief which says in part, "Awarded in the n-Chief, awarded him the Congressional name of the Congress of the United States for faithful and loyal service."

Cast Your Vote On Qualifications and Not Sympathy

Vote for R. L. (Ray) Vincent. He is experienced, capable, courteous and dependable

This ad was paid for by the fair minded Veteran friends of R. L. (Ray) Vincent in Boone County, who realize that qualification for Commonwealth's Attorney is more important than sympathy.

STAFFORDSBURG

Mrs. Russell Marshall, who recently underwent a serious operation at the Georgetown Hospital, is at the home of her parents, where she is convalescing. We wish her an early recovery.

Rev. and Mrs. J. F. Arnold left last week to visit relatives in and near Hawesville, Ky.

A few relatives and friends met at the home of Mr. and Mrs. J. J. Barnett to become acquainted with their new daughter-in-law. A number of appropriate gifts were received and delicious refreshments were served. We welcome Howard and Agnes and wish for them a long and happy life together.

Mr. and Mrs. W. E. Hanna and Mr. and Mrs. Harley Hanna and son were in Cincinnati recently to visit Mrs. Mae Johnson, who has been quite ill. She is the sister of Mr. Hanna.

Mr. and Mrs. J. A. Keeney had as

recent guests, Misses Alma and Mary Stephens, Mr. and Mrs. M. G. Wharton and Paul Keeney.

J. J. Barnett has been appointed as supply pastor at Petersburg, to replace Rev. Burnside, whose wife has been quite ill.

We are so glad to know that Mrs. Nelson Hoffman, who had an operation at Booth Hospital, is recovering nicely.

Women were scarce in this neighborhood recently when the Home-makers Club went on a two-day annual trip. They visited Clifty Falls, Spring Mill Park and Indianapolis. While in the Indiana capital they visited Cadle Tabernacle, as well as other interesting places. All had a nice time despite the heat.

Mr. and Mrs. Dawson had as recent guests, Mrs. Lovell and granddaughter and Miss Lovell, all of Cleveland, Ohio.

Mr. and Mrs. Charles Pruett were recent guests of her mother, Mrs. Ida Hoffman.

CARD OF THANKS—

I wish to thank all my friends and neighbors for their kindness during my illness, for all the cards and letters that I received while in the hospital, and especially do I wish to thank Dr. Harry Daugherty and the nurses at the hospital, and above all I thank God for the guiding hand He lent through my illness. It is the most wonderful thing in the world to know when you call Him He is there to answer.

INDEPENDENCE R. 1

We are very glad to report Mrs. Nelson Hoffman is at her mother's recovering from a very serious operation at Booth Hospital a couple of weeks ago. We hope she continues to improve very rapidly.

Will Martin, formerly of this community, but now of Vissalia, is very ill at his home.

There were no services at Staffordsborg, Sunday, on account of the pastor, Rev. Arnold, and wife being away visiting their children.

Mr. and Mrs. Charles Losey and sons spent Sunday with relatives in Richmond, Ind.

Mr. and Mrs. Wynford Riley and little daughter, Beverly, left Saturday morning for a two weeks vacation trip to Florida.

Rev. and Mrs. John Wheary of Ghent, called on Mr. and Mrs. Earl Hanna, Saturday.

Mr. and Mrs. J. J. Barnett returned home Monday evening after spending several days at Wilmore, attending the camp meeting there.

Mr. and Mrs. Charlie Lancaster and daughters entertained with a Binder reunion, Sunday.

Mr. and Mrs. J. A. Keeney and son Don spent Sunday calling on friends and relatives in Cincinnati and Berry.

Several of the friends and neighbors of Mr. and Mrs. J. J. Barnett gathered at their home one evening the past week to honor their son, Howard, and wife, with a bridal shower. They were the recipients of many nice and useful gifts.

Mrs. Russell Marshall of Georgetown, returned home Sunday after spending a week with her parents, Mr. and Mrs. Joe Richardson.

Mr. and Mrs. Leslie Riley and Mr. and Mrs. Dewey Parsons attended a family gathering at the home of Mrs. Charles Winston of near Hebron on Sunday.

Remember Sunday School at Staffordsborg, Sunday at 10 a. m. Everybody welcome.

No Free Lunch

Lesson for August 5, 1951

YOU cannot find the words "economic relations" in the Bible, but you cannot find the word "humanity" in the Bible either.

Yet you would not say that the Bible has no message for humanity, and if you say that it has nothing to say about the economic life, it shows you have thought what the words mean.

"Economic relations" is an expression for everything that goes into life from a business or money standpoint, everything we buy and use, make or raise or manufacture or sell. Money's not everything, but money's into everything. The Bible speaks about life, including the economic aspect of life. Nobody can live for a day without having some kind of economic relations, or sin (as a hobnob) without not having them.

No Free Lunch
ONE vital part of our economic life is earning a living. A learned professor of economics said that the whole subject can be put into one short sentence: "There is no free lunch." He meant, of course, that everything has to be paid for, by somebody, some time. You may get your board "free," but everything on the table costs somebody something, and if you are not paying for it, some one else must.

Now the Bible teaches that every one who is able to do so, should earn his living. Saint Paul made a rule for his churches: "He that will not work, neither let him eat." That sounds hard-boiled, but makes sense. The Bible has no use for the hobo, the loafer, the "moocher," the "grifter," the person who thinks the world owes him a living. The world owes no one a living.

The Right to Work

IF it is the duty of all of us to earn our board and keep, on the other hand the world ought to give us the opportunity to do so. Alone with the duty of earning a living goes the right to earn a living.

We saw, some weeks ago, that a basic Christian principle for right living is the value of individual persons. This holds good for economics as well as for all other areas of life.

What happens to the man who cannot earn a living? If he becomes an "object of charity," in a short while he loses ambition and self-respect. And if he gets no charity, he starves.

So any system or arrangement of society, or any action or condition permanent or temporary making it impossible for a man to earn his own living, is harmful to human persons and therefore sinful. No one, in short, has a right to a living, but every one has the right to earn a living.

The Risks of Riches

SO far, you might say that Christianity only says what everybody with common sense can see for himself. But Christianity goes further, and says something that most people forget: that getting rich is more dangerous than desirable.

The Bible urges us all to earn our own way; but it does not urge us to get rich. Christ warns us that life does not consist in the "abundance of things" a man possesses. There is no virtue in being as poor as possible.

Still, on the other hand, the more a man's property piles up, the more he is tempted to certain sins: the sin of greed, wanting more than our share, more than we can wisely use; the sin of pride, wanting to have more than any one else in sight; the sin of selfishness, wanting to use what we have for our own benefit exclusively; the sin of hoarding, wanting to fill barns or bank accounts for no particular reason except just to see the pile grow; the sin of materialism, measuring success in terms of dollars.

The main question is: Why do we want it? To have something good, or to do good with it? The big Christian question about every relationship and transaction, economic and otherwise, is a question about people. What is this going to do to people? To me? To those who depend on me? To the community? Pope Pius XII used two words about the economic life which Protestants will agree are of top importance: Make it more human, be said, and more Christian.

Our Daily Bread

The years have brought poverty and privation to this aged gentleman, but they have not destroyed her spirit nor dimmed her faith in God. She earns a scanty subsistence for herself and her dependent grandchild with her own hands, but she holds no bitterness in her heart and is as grateful to God for her frugal loaf as if it were a feast of the finest foods.

It takes faith and strong character to weather the storms of adversity without damage to the soul. There are people who enjoy abundance without the remotest thought of God's providence. When misfortune comes and their house of sand crumbles, they go down with it. They lack the sustaining power of an humble heart and active faith.

Religion teaches men to enjoy prosperity with humility, and to rise above misfortune through honest effort and faith in God.

This fine old mother, who thanks God for her loaf and pitcher, has not lived and wrought and trusted in vain. Her life and her faith are the glory of humanity and the hope of the world.

THE CHURCH FOR ALL . . .
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Kentucky Farmers Get Four-to-One Return on Crops by Increasing Use of Fertilizer

FERTILIZER use on Kentucky farms totaled 620,938 tons in 1950, according to a statement by the Middle West Soil Improvement Committee, based on statistics compiled by the National Fertilizer Association. This was a gain of 102,144 tons over 1949.

Corn Belt farmers have increased their fertilizer use by 4,170,920 tons in the past decade, the figures show. Ten Midwestern states used 5,215,392 tons of plant food last year, compared with 1,044,472 tons in 1939. Kentucky's 1950 fertilizer consumption was about 4 times greater than in 1939, when 158,933 tons were used. For the entire United States, 1950 fertilizer consumption was 18,346,132 tons, an increase of 1.9 million tons over 1949. The 1950 total was 10,639,064 tons greater than in 1939 and

16,146,132 tons above the 1900 level. One-fourth of all crop production is now attributable to the use of fertilizer, according to the U. S. Department of Agriculture. Since the value of all crops produced in 1950 was \$12.3 billion, U. S. farmers received \$3 billion additional income from the \$744 million they invested in fertilizer last year. Each dollar spent for plant food in 1950 returned \$4.13 in additional income from crops.

Statistics show that the tremendous increases in crop yields in the past 50 years have corresponded to the steadily growing use of fertilizer. Half a century ago, one farm worker, using little fertilizer produced food enough for himself and 5 other persons. Last year, his grandson, using 7 times as much fertilizer, supplied the crops needed for his own use and 14 additional persons.

Rev. Dean Simpson called on Mr. and Mrs. Wm. Wharton, Sunday.

The number of cows kept for milking purposes in Monroe county has increased more than 300% in the last four years.

David Wright of Marion county estimates that three acres of Ladino clover and fescue saved him 100 bu. of grain for his 42 hogs in 3 months. An increase of eight to 10 bushels of small grain an acre resulted in Hickman county for every 100-pound application of nitrogen.

Fescue growers generally in Russell county expect the lowest yield of seed since 1947, due to dry, cold weather in the spring.

Several Bath county farmers reported livestock losses caused by blaat.

Due to weather extremes and growers doing public work, not more than half the usual tobacco crop in Marshall county will be harvested.

Reward an Honest, Faithful Public Servant

Saturday, August 4th, you will choose a Commonwealth's Attorney for six years. This is an important and powerful office. Our courts have the power of life and death over you, and your property. You now have a clean, independent and business like court—help us keep it that way.

No doubt, you realize that the Commonwealth Attorney is a very important official. He is the protection you have for your family and your property against the criminal element that would destroy your family, your home, and your property unless restrained therefrom by the enforcement of the laws of the State of Kentucky. You need an experienced and dependable official in this powerful office.

The Circuit Judge and R. L. (Ray) Vincent have worked together harmoniously for many years, they have saved the taxpayers money by releasing the Jurors and Witnesses when they were not needed, they have conducted the court in a business like way, with dignity and efficiency. The Circuit Judge has already been renominated. Go to the polls August 4th, and renominate R. L. (Ray) Vincent for Commonwealth's Attorney.

*The future of the courts is in your hands. Keep our
courts clean. Reward honest, faithful, and
courteous public servant.*

Removing Straw from Harvested Wheat Fields Boosts Hay Production from Legume Seedlings

TAKE off all the straw from your wheat fields after the crop is combined if you want to help new legume seedlings live through the winter and boost hay yields next year, advise Ohio State University agronomists.

These specialists also recommend pasturing or mowing legume growth for hay, as a means of preventing excess dead material next year.

When you combine wheat or other small grains, half or more of the straw is left in the field. Unless it is promptly clipped and hauled off, it will prevent alfalfa, red clover, Ladino and pasture grasses from getting sufficient sunshine and air.

Even more serious, the dampness under the straw will encourage the development of fungus and molds that will destroy the legume growth. In some years, legume stands have been completely killed over the winter by failure to take off the straw and stubble, according to Ohio tests. In other fields, red clover yields have been almost doubled by removing the straw.

The agronomists recommend that new legume seedlings should not be cut or pastured after September 10. The legumes need the fall months to store up the plant food in their roots needed for life during the winter and rapid growth the following spring.

SHORT STORY

Vanity

By Richard Hill Wilkison

"EVERY MAN," said Inspector Joe Warren, frowning over the letter which he held in his hand, "has a weak point. In the case of 'The Flash,' most daring criminal of this city's criminal history, it appears to be vanity." He gestured toward the letter. "The fellow has become drunk with his success in accomplishing two outstanding robberies. And now he has taken to writing us letters, stating just where he's going to be at a certain time and what he plans to do."

3-Minute Fiction

Detective Fargo blew smoke rings at the ceiling and evaded his chief's eyes.

"So far," he said, "he seems to have been pretty successful in carrying out his plans. This is the third letter we've received."

"Each time The Flash has appeared where he said he would at exactly the time he noted in his letters. And while we've stood idly by he's committed his crimes and escaped. What's he up to this time?"

"The Devonshire party," Warren growled. The truth of Fargo's statement scored him. "Mrs. Devonshire is planning to wear that valuable emerald her husband brought her from Europe a month ago. The Flash states in this letter that he intends to steal the emerald and defies us to stop him."

Fargo crushed out his cigaret. "Have you taken any steps to prevent the robbery?"

"Fargo, as you know, the Flash's disguise is perfect. He'll appear at that party as a guest, or servant or someone with whom the Devonshires are but slightly acquainted. I want you to go up there early, meet Mrs. Devonshire when she comes down stairs and stick with her until the last guest has gone. Then see to it that the emerald is stored away in a safe before you leave. I'll have Johnson and a couple of other men mingling with the guests."

AT 11 O'CLOCK on the night of the Devonshire party Inspector Warren drew his roadster up before the palatial mansion and ascended the steps.

The moment the Devonshire butler opened the door Warren knew something had happened. The butler's face was white and drawn, and over his shoulder Warren could see a group of guests huddled in the hallway, with Detective Johnson standing guard.

Warren stepped quickly inside. And at that moment Mrs. Devon-

shire, accompanied by her husband and Detective Fargo, came flying down the stairs.

"What's happened?" Warren barked at Fargo, ignoring the incoherent babble of Mrs. Devonshire.

"It's gone," Fargo grated. "About an hour ago I was standing behind Mrs. Devonshire in the reception line. Someone poked a gun in my back and told me to walk backwards. When I saw the fellow's face I knew it was The Flash, because he was a dead ringer for myself."

"A ringer for you?" Warren gasped. "What the devil do you mean?"

"I mean," said Fargo grimly, "that his disguise this time looked like me, generally speaking. He forced me into a closet and cracked me over the head. Naturally no one noticed that anything was happening, as Mrs. Devonshire was exhibiting her emerald at the time. And when The Flash returned and stood in my place, it occurred to no one that it was not me."

"Ten minutes ago I came to and began to kick on the door. Devonshire opened it. I rushed to Mrs. Devonshire and discovered that she had just missed her emerald. — The Flash has outsmarted us again!"

Warren slumped wearily into a chair.

"Tomorrow," he groaned, "every newspaper in the city will have the story. It will be the most humiliating moment of my life."

Fargo smiled bitterly.

"Every man has his weak point," he said. "Yours seems to be vanity."

Summer Seeded Legumes Need Full Feed of Plant Nutrients to Build Strong Growth

SUMMER-SEEDED legumes and grasses often make better stands than earlier seedings with nurse or companion crops, reports the Middle West Soil Improvement Committee.

Many Midwestern farmers say that competition from the nurse crop weakens the seedlings, making them vulnerable to midsummer drought.

Alfalfa, clovers and all types of legume-grass mixtures are well suited to summer seeding.

One of the big advantages is that weed competition is eliminated during the hot summer months when the soil is comparatively dry. Weed seed requires more moisture for germination than does legume and grass seed.

Agonomists recommend late July

through mid-August as a good time to seed the legumes. A firm seed bed helps guard against planting the seed too deep.

Getting the seed in the ground isn't the whole story, though. You have to feed the soil so it can feed the crop. At planting time, summer-seeded legume grass mixtures need a complete fertilizer carrying nitrogen, phosphate and potash, plus calcium and magnesium. Then the plants will develop a strong crop-feeding root system and you will get thicker, leafier top growth. The legumes need lots of phosphate and potash. You can provide this after they are established by top-dressing with commercial fertilizer carrying these nutrients.

FOR Commonwealth's Attorney VOTE FOR Harlan Heilman HERE'S WHY

R. L. Vincent, of Williamstown, Ky., after twelve years in this office, now asks you, the people, for another term.

Harlan Heilman, City Attorney of Carrollton, Ky., now asks for this office on his proven ability and merits as a practicing Attorney. Since his return from the Army, he has been actively engaged in the practice of Law, both in the Federal Courts and Court of Appeals, as well as the local courts.

Mr. Vincent has, by advertisement, stated that public service should be rewarded. What does Mr. Vincent mean by public service?

During World War II, Mr. Vincent was the Commonwealth's Attorney here at home—raised his family, here at home, and acquired property.

Although Harlan Heilman has never personally mentioned that he should receive any consideration as a Purple Heart Veteran, we, his friends, wish to state that during World War II, Harlan Heilman was a Tank Gunner in the 8th Tank Bn., 4th Armored Div., in France, Belgium, Luxembourg, and Germany until severely wounded in action March 18, 1945. After temporary blindness, months of suffering, and five operations for plastic surgery, he was released from the Hospital and discharged in November, 1945, under physical handicaps from which he still suffers.

Despite his physical condition, Harlan Heilman commenced the practice of Law soon thereafter and has been actively engaged ever since. His record as a practicing Attorney, in the Court of Appeals of Kentucky, the highest Court in Kentucky, will show that he has a 100% record by winning every case. This is a matter of record in the Kentucky Reports which are in every Court house.

R. L. Vincent refuses to mention his personal record as a practicing Attorney, but contents himself with comparing political records. Mr. Vincent advertises the fact that Harlan Heilman was defeated in a race for County Attorney of Carroll County. Did he tell you all the facts? Mr. Heilman had been in Carroll County for little more than a year at the time and ran against a man who had held a public office for twenty-eight years—and was defeated by less than 200 votes. The following year the City Council of Carrollton, Ky. appointed Harlan Heilman as their City Attorney. Why? Men in public office, like the City Council, wanted a man of ability and integrity, not just another politician.

Harlan Heilman is thirty-eight years old, married and the father of a six-year-old boy and a three-year-old girl.

WHAT IS PUBLIC SERVICE? WHO DESERVES REWARDING?

We believe that Harlan Heilman is not only well qualified and suited to the office of Commonwealth's Attorney, but is also deserving to hold it. Give a young man a chance—help us elect him.

By Friends of Harlan Heilman
In Boone County.

Uncle Sam Says

The purchase of U. S. Defense Bonds is a method whereby you can make your dollars work for America, just as they work for you. Our country must be strong economically. It should be apparent to everyone that defense is everybody's job. Your part is to buy Defense Bonds. Every employee in plant or business establishment should be enrolled for the Payroll Savings Plan or the Bond-a-Month Plan at his bank. A few dollars here or there will accomplish little, but with everyone doing his or her job, America will be economically secure. U. S. Treasury Department

SHORT STORY

On The
Payroll

By Richard Hill Wilkison

JUD HAD SEEN the redheaded girl in Mrs. Jones' outer office every day for a week.

He himself was a copy man, and if she were after the same job that he wanted

it would be rather embarrassing to see her in the office. He would cut his chances of success in half, and he would be rather embarrassed because—well, because he thought she was an awfully pretty girl and he liked the way she held her chin high and tried to appear brave.

On Monday of the second week, the redheaded girl dropped her handbag. It's contents spilled all over the place. Jud helped pick them up—lipstick, a bunch of keys, a pawn ticket! Jud's lips tightened when he saw that. Just as he thought—she's had to pawn something in order to live.

Of course the handbag episode gave him the liberty of talking with her. Without half trying, he got her story. It was just as he figured. A sad tale of deprivation and lost hope. If only she could see Mr. Jones. She knew he needed a stenographer and she was really awfully good.

A determined light came into Jud's eyes.

Ignoring the protestations of the switchboard girl, he burst through the railed-in space, crossed it in two bounds and threw open the door to Mr. Jones' office.

Mr. Jones was sitting at his desk, smoking a cigar. He looked up with a startled expression when Jud entered. He had heavy jaws and a shock of grey hair and belligerent, bushy eyebrows.

The cigar fell from his mouth. He stood up. Before Jud could utter a word, he barked: "Your name Jud Essex?"

"Yes, sir," said Jud, taken aback.

"I'll be damned!" exclaimed Mr. Jones. "Did she tell you who she was?"

"Did who tell me who who was?" Jud asked, beginning to think he was mistaken for some one else.

"My daughter! That redheaded girl in the outer office?"

It was Jud's turn to drop a cigar, if he'd had one. "Your daughter? That—the girl who wants a job as a stenographer?"

Mr. Jones came round his desk. He was short, but rotund. He glared up at Jud. "You're hired," he said. "I lost a bet, so you're hired. But you'd better make good, or you're fired. Get that!"

Shut up! Do you want the job or don't you?

Mr. Jones stalked out of the office. A man came in another door.

"Of course, I'm serious. I made a bet with Dad that I'd marry you."

and told Jud to follow him. "Kate always wins," the man said. "Here's your desk. Kate wants you to go to lunch with her this noon."

JUD SAT DOWN, speechless. "Do you mean—I'm one of several who have been hired in this fashion?"

Jud passed a hand through his hair. The man left. Jud sat down at his desk. He tried to straighten things out in his mind, and was beginning to get places, when Kate entered.

At lunch Kate said: "Would you like to marry me?"

"Sure," said Jud, grinning weakly. "All right then. Right after work. I'll be waiting."

He wondered what was next. He found out. She took him to a minister. She produced a license. Jud tried to grin. He gulped and stared at her.

"Good lord! You're not serious about this?"

Jud suddenly no longer had the feeling that he liked all this. "Now listen," he said. "I can't marry you. In the first place I don't love you. In the second I think you and your old man are crazy. And in the next place, I'm already married and have three kids!"

Mr. Jones called Jud on the phone the next morning. "Mister, you're still working for me if you want the job. I won a bet from Kate, and it's cured her of her screwy notions. Come on down. Your salary's doubled."

Jefferson county homemakers have placed orders for 859 footstools, for which they will make woven grass seats.

Go to Firemen's Picnic

August is the month we have dog days, and also the month that is the most dangerous for polio for the children going swimming. Dog days is the time of year when the ugly men marry the beautiful women—there are so many reasons for calling them dog days that I don't believe there is such a time. Thursday, Friday and Saturday is the Big Firemen's Picnic—all of you be sure and go, and help the boys out—they are hard workers as well as good firemen—they work for nothing and take a lot of pride in their pumps and our fire equipment. Be sure to go to the picnic.

Roy Gore was in today—he wanted some Copper Dust to take back to California for Hugh and India Arnold to put on their tomatoes—he said they also ordered some corn meal from the Willimstown Roller Mill. Albert Johnson just blew in from Texas—same old Johnson, only he lost about 50 lbs. Mr. and Mrs. Hubbard, who operate the Frostool Inn, bought a lot of that good lineoleum to cover the floor in their restaurant. Basil Lunsford had me cut him a lot of angle iron and drill holes in it for his hay baler—we help these farmers a lot and wish we had the space for a machine shop.

We sold another cowboy pony saddle to Joe Kennedy, who operates the Gey 80's Club, who has ponies to ride, free. He had two boys to ride the ponies when he bought them, now he has lots of boys. He keeps the ponies up by Larry Acres. Joe said send all the boys who wanted to ride. We sold more lineoleum today—Mrs. P. R. Connelley bought a beautiful 12x15 Armstrong rug; one of the ladies out at Boone Lake bought a 2x12 rug—I didn't learn her name, Ronald Vest, who is Chink's boy, bought a cowboy saddle, bridle and all the trimmings—he is going to ride that pony he has at home.

Here comes Grandma Clifton and her daughter, Sarah Hodges—it is hard to tell what they will buy, but it will be something, for they always buy. Well, Grandma bought 10 gallons of Boice white paint, 3 gallons of aluminum roof paint, a pressure cooker, a gallon of linsed oil, a gallon of turpentine and a lot of balloons and BB shot for her grandchildren; Sarah bought a gallon of paint, a gallon of linsed oil, a quart of gray interior gloss and two rubber mats for her sink—two good customers, don't you think? Then came Ernest McCain and wife of Crittenden, who bought three 12x12 Armstrong lineoleum rugs—when you show the finish on Armstrong lineoleum, it is easy to sell. Two of my regular

customers, Mrs. Hull and Mrs. Carson, from over on Poole Road were buying a lot of dishes and window screens. Joe Kazzandy came in and ordered fence and fence posts for St. Patrick Cemetery, Verona. Harvey Puckett's boy came in, in a hurry, after a maver tongue. Rosie Watson bought an ice cream freezer—she is going to have ice cream for Charles every night.

Nolan Flynn's wife was in and had her pressure canner repaired. Jim Duncan and Katherine bought a beautiful pattern of lineoleum for their kitchen—you should have heard Jim—a new refrigerator last week and new lineoleum this week—he don't know what next week will bring. Hub and Grace Fisher are starting to paint—they bought a lot of Boice outside white paint, linsed oil and brushes—this will start the job. Did you ever hear a fish growl? Gordon Phillips said they would run under the boat and growl at him—same fish, I say!

Roy Chapman bought a new Arvin radio—they give very good service and we sell several every year. Edna and Howard McCubbin were in today—they live at Union now—Edna is harder to get along with than ever, because there is more of her—she has gained about 30 pounds. Monday started off with a bang—Red took Bernard Ryan some bale ties, then delivered three rolls of barb wire to Ben Bedinger, then took Mrs. Brittenheim a metal lawn chair. About that time Shorty Durr from Forks Grove came in after six gallons of Boice outside white paint.

Then Mrs. Anton Petty selected a 12x15 Armstrong rug and enough Armstrong lineoleum for two rooms—we cut this off and Red delivered it all to Banklick. About that time Rella Haddix and son came in for five gallons of white creosote and two gallons of green roof paint. Then Omar Easton and Edward Roberts drove in with a water pump to connect up for the power take-off on his tractor. John Ryan needed new cistern pipe—water is getting very low in these cisterns.

Les Barlow called from Union for me to leave two gallons of Boice outside white paint over at Bob & Jo's restaurant, so he could pick it up after we closed. Gaines Robinson came up after two gravel scoops. Chas. Fraithier bought a lawn sprinkler for his lawn and boys. We sell lots of water hose this dry weather. If it's water pipe, fittings, water pumps, chain lift, electric or pitcher, we have it and all the fittings. When you are in need of hardware try CONRAD—we try very hard to have a general line of hardware in stock.

Grass Fires Keep Fire Dept. Busy

Rural Protection Year Ends Aug. 31

As a result of the extremely dry weather, grass fires have been numerous, and the Walton Volunteer Fire Department has been kept busy. They have answered six calls since July 26 and all but one were grass. The calls were as follows: July 26, Maude Wilson farm near Verona, grass; July 31, Francis Dixon farm at Kensington, grass; Aug. 1, parking lot of Dixie Chevrolet, car on fire; Aug. 3, Ragland farm near Union, grass; Aug. 4, Speedlawn farm on Hicks Pike, grass, and Aug. 5, Ben Dixon farm, east of Walton, grass. The calls were answered quickly and, as you can see, they covered quite a large area.

The Rural Fire Protection for residents in this area ends August 31, 1951. You subscribers will probably hear from the Department, but in case you are not called on, why not contact them before the first of September. A little extra revenue means a lot to the Department, and a little "insurance" invested by you may mean a lot.

Hopewell Circle Meets

Mrs. Vera Wright was hostess to the Gladys Hopewell Circle of the Walton Baptist Church at her home on South Main Street, Thursday evening, August 2.

After the business session, conducted by the vice president, Mrs. Dora Pennington, the program, "Mighty Moments in South America" was led by the program chairman, Mrs. Virginia Ward.

Delightful refreshments were served to seven members and eight visitors: Mrs. Mable Webster, Mrs. Virginia Ward, Mrs. Mary Goodpastor, Mrs. Dora Pennington, Mrs. Ernestine Deaton, Mrs. Juanita Struve, and the hostess, Mrs. Wright. Visitors: Mrs. Christine Blackburn, Mrs. Bess Conrad, Mrs. Lella Wasson, Mrs. Roberta Duchemin, Mrs. Grace Knox, Mrs. Jane Johnson, Patty Johnson and Donna Joy Wright.

Bob & Gene at Glencoe

The Bob & Gene baseball team of Florence, will travel to Gallatin county on Sunday, August 12, where they will play Aetna Oil at Glencoe. The game will start at 2:30 p. m.

Last Sunday, B&G defeated Palazola Greasers 9-4 at Florence, with Mike Ryan being the winning hurler.

In Booth Hospital

Albert T. Hunt, Walton, was taken to Booth Hospital the first of the week, after suffering a serious illness. The report is that Mr. Hunt is having X-rays and treatment, and his condition is improved. He may return home in the near future.

Promoted to Staff Sgt.

Emmett L. Reynolds, son of Mr. and Mrs. William Reynolds, Route 1, Crittenden, has been promoted to the grade of staff sergeant at Selfridge Air Force Base, Michigan, where he is a member of the 58th Motor Vehicle Squadron.

A 1944 graduate of Florence High School, Sgt. Reynolds entered the Air Corps in 1945 and served two years as a Diesel mechanic in Germany.

Sisson Reunion Sunday

The Sisson family reunion will be held at Butler State Park, Carrollton, on Sunday, August 12. All members of the family are invited.

CARD OF THANKS—

We wish to express our sincere and heartfelt thanks to our friends, neighbors and relatives for the kindness and sympathy extended to us in the hours of our bereavement in the loss of our beloved father, Melvin Townsend.

Especially do we wish to thank the blood donors, the doctors and nurses, Rev. Valis V. Hill, Rev. Jason Ross, Rev. Valis V. Hill, Rev. Jason Ross, those who gave flowers, those who sent food, and Chambers & Grubbs funeral directors, for the kind and efficient management of the funeral.

—THE FAMILY

BOONE COUNTY FAIR AUG. 17-18

The Boone County 4-H and Utopia Fair will be held at Burlington, on August 17 and 18, according to the County Extension Office.

Highlights of the show will be the team pulling contest Friday afternoon and the horse shows Friday and Saturday nights.

The dairy show will be held Saturday morning instead of Saturday afternoon as scheduled in the catalogue. All cattle shows will, of course, be held on the grounds and the world and breeders from other counties are invited to compete. 4-H, Utopia and Homemakers' classes will be limited to Boone county competition.

Kenton County 4-H Club Fair at Simon Kenton This Week

The Kenton County 4-H Club 18th annual fair will be held at Simon Kenton school grounds on Friday and Saturday, August 10-11. Girls 4-H Club projects will be exhibited at the Simon Kenton school building, and agriculture projects will be exhibited at the 4-H Club livestock building and tent on the grounds.

All entries, except dairy cattle and livestock classes, must be made by 11 a. m., Tuesday, August 7, on Friday, August 10, and remain in exhibit place until 4 p. m., Saturday of the fair. All entries in livestock (swine, sheep and beef cattle) must be made by 10 a. m., Friday, August 10, and remain on the grounds until 4 p. m., Friday. All entries in dairy cattle classes must be made by 10 a. m., Saturday, August 11 and remain in exhibit place until 4 p. m., that day.

The Kenton Utopia Club will serve lunch on the grounds and the Crescent Springs Utopia Club will be in charge of concessions. Exhibits of farm machinery and electrical appliances of interest to farmers will be exhibited.

The fair is sponsored by the Kenton County 4-H Club Council, Inc. The Council Directors are: Stanley Parker, chairman; Herbert Works, secretary and treasurer; Joe Blau and Robert Scott and Robert Jackson, Local 4-H Club leaders and committees will be in charge of the different departments at the fair.

Bach Circle to Meet

The Jean Bach Circle of the Walton Baptist Church will meet Tuesday evening, August 14, at 8:00 at the home of Rev. and Mrs. W. C. Burkett. This Circle is for young mothers. Members are requested to be present. New members and visitors are always welcome.

Baptist WMS to Meet

The regular meeting of the Baptist W. M. S. will be held at the church on Thursday, August 16 at 11 o'clock. Please bring clothing for the Kentucky Children's Homes.

Hostesses: Mrs. June Neumeister, Mrs. Joe Neumeister, and Mrs. Susan Norman. Bring covered dish.

Vacation In South

Misses Edith and Roberta Reynolds, daughters of Mr. and Mrs. W. H. Reynolds of Bracht, have just returned from an enjoyable motor tour of the South. While in Miami, Fla., they were guests of Mr. and Mrs. R. E. Pepples, formerly of Richmond and Covington, who recently established a new home in Florida.

CARD OF THANKS—

We wish to express our sincere thanks to all our friends and neighbors, pallbearers, Mrs. Ruth McKibben, organist, Mr. Al Fields for singing, and the consoling words of Rev. Wm. Smith; also the donors of many flowers and cards of sympathy, the faithful services of Dr. Harry Daugherty, and Ralph Smith funeral director for the manner in which the funeral services of our beloved husband and father were conducted.

IVA DAVIS PARKER

For the third time in two weeks, the angel of death entered the family of William Parker, and this time claimed his loving wife of 57 years. They lost a son, Ernest Parker, July 18, and on July 25 a nephew, Ernest Davis, passed away.

Iva Ceura Parker (nee Davis) was born in Pendleton County, near Mt. Auburn, Aug. 29, 1875, and spent this life Aug. 3, 1951, aged 75 years, 11 months and three days. She was united in marriage to William Parker, March 7, 1894. To this union eight children were born, five of whom survive, namely:

A daughter, Mrs. Agnes Shadler of Covington; four sons; Ashell Parker of Florence, John Parker of Covington, and Stanley and Douglas Parker, both of Independence; a brother, William Davis, Butler; nine grandchildren and three great-grandchildren. She was a kind and loving mother, neighbor and friend and will be sadly missed by all who knew her.

Funeral services were held Monday afternoon at the Swindler funeral home, with Rev. Morris H. Coers of the Emmanuel Baptist Church of Covington officiating. Rev. R. F. DeMoisey, Walton, offered special prayer. Burial was in Independence Cemetery.

WALTON NAMED PICNIC CHAIRMAN

Edward H. Walton, well known in Northern Kentucky legal and civic affairs with law offices in Covington, will serve as general chairman of arrangements for the annual Labor Day picnic to be held at Woodland Inn grounds, on the Dixie Highway, 2 miles South of Walton, the Rev. Henry A. Busemeyer, pastor of All Saints Church, Walton, and St. Patrick Church, Verona, has announced.

The Labor Day outing, September 3, will be under the sponsorship of members of the two congregations and will include a community homecoming picnic.

Chicken dinner will be served from 11:00 a. m. to 3:00 p. m. and from 4:00 p. m. to 8:00 p. m. The festivities will be held afternoon and evening.

Government to Spend \$15,000,000 at Boone County Airport, Report

The federal government is planning to spend \$15,000,000 at Greater Boone County Airport, Boone County, to develop the field into an Air Force Base, it was learned this week.

The U. S. Corps of Engineers' office in Louisville is handling the multi-million dollar project and as yet has not advertised for architects or contractor's bids, although reliable sources reported this would be done soon.

Planned are taxi ways, parking aprons, alarm and sanitary sewers, water lines, outside electric power, distributors and such structures as hangars, a dispensary, quarters for reservists, a crash station and shop, gas storage operations, technical and academic buildings.

Several 100-man barracks, with mess hall facilities, also are contemplated. Barracks construction would relieve the current housing shortage facing the 200 regular Air Force officers and airmen now stationed at the field.

Walton Homemakers, II

Walton Homemakers, II, met at the home of Mrs. Chick Sedrecht on July 28 for a display of cotton dresses made by members, with lessons being given by Miss Nancy McCleskey assisted by Mrs. Leo Flynn. A rummage sale was also held.

A luncheon was served to the following: Miss Nancy McCleskey, Mrs. Leo Flynn, Miss Clara Helline, who is spending a month with Mrs. Flynn, Mrs. Alice Slett, Mrs. Mary Riddell, Mrs. Almetta Jones, Miss Anna P. Ross, Mrs. Matilda Ingram, Miss Alyce Poore, Mrs. Alyce Sanderson, Mrs. Birdie Blew, Mrs. Bessie Smith and the hostess, Mrs. Sedrecht.

—Pub. Chm.

Paul Choate and Son of Fulton county was awarded 200 acres selected to Ky 31 fence, orchard grass, redtop, bluegrass, white clover, lespedeza and birdfoot clover.

Rouse, Heilman Win Here; Tinsley in Close Contest

50th Wedding Anniversary

Mr. and Mrs. C. E. Leary of Crittenden, celebrated the 50th wedding anniversary on June 24. Mr. Leary is a retired railroad man. A dinner, for the family, was served at noon, and open house was held from 3:00 to 5:00 p. m.

Mr. and Mrs. Leary received many beautiful flowers, gifts and money, for which they are most appreciative. We wish them many more happy anniversaries.

JOHN F. BARTH

The funeral of John Franklin Barth, 11-year-old son of Mr. and Mrs. Frank Barth of Walton, was held Saturday at 8:30 a. m. from the St. Elizabeth hospital, Florence, with Rev. High Mass at St. Cecilia Church, Independence at 9:00. Burial was in St. John Cemetery, St. Mitchell.

The child died last Wednesday at St. Elizabeth hospital, where he was taken by the Covington Life Squad, after he collapsed in the office of a Covington physician.

Besides his parents, he is survived by a brother, Kenneth Barth, a home, and his grandparents, Mr. and Mrs. Frank Barth of Florence, and Mr. and Mrs. Joseph Schaefer, Bellevue.

Fiskburg Masons to Meet

The Fiskburg Masonic Lodge will meet at 8:00 p. m., Monday, Aug. 13, at which time Master Mason degree will be conferred upon several candidates. Visitors are given a cordial invitation to be present.

Following the lodge work, ice cold watermelon will be served—all you can eat.

Kenton Bible School Closed; Revival Opened

The Vacation Bible School of Kenton Baptist Church closed Friday, August 3. We had an enrollment of 77 and an average attendance of 70 for the week. Bro. William Menchon drove the bus and taught a group of primary boys. Rev. Frank Lipscomb had our devotional each day and taught the Junior-Intermediate boys. These two groups of boys with their teachers made an easel to hold our Sunday School register and painted pine cones to be used on our Christmas tree and enough extra for each member of their group to have a dozen to keep for their own tree. They also sent a nice bunch to Sister Maude Wright.

The following ladies were workers in the school: Mrs. Frank Lipscomb, principal; Mrs. Frank Lipscomb, Jr., pianist; Miss Velma Casson, song leader; Mrs. William Casey, secretary-treasurer; Beginner Dept., Mrs. Lena Grizzle, Mrs. William Chessman, Jr., Mrs. W. B. Barnes, Mrs. John E. Leary, Mrs. Ruth Harris and Mrs. Miles Strong; Primary Dept., Mrs. Albert Sharp and Mrs. William Menchon; Junior Dept., Mrs. J. W. Grizzle, Mrs. James Hiatt and Mrs. Arthur Stealy. After the school was over Friday, the entire group went to the home of Mr. and Mrs. Albert Sharp and the ladies served a picnic lunch to the group. A number was held by all.

The convalescent program was held Sunday evening at the regular hour of worship. More than 100 were present. At the close of the program, each pupil received a certificate from their teacher and our superintendent, Bro. Walter Boden, presented each worker with a certificate and expressed his appreciation for the work they had done.

Our revival began Monday evening and continues through Friday, August 17. Come and bring someone with you.

Weaving trays, baskets and hot dish made has become a favorite hobby of many Bath county homemakers.

Top score in the Green Pastures contest in Henderson county was made by B. W. Wickliffe on his 500-acre beef cattle farm.

Swedish weaving has become a project of homemakers clubs in Jessamine county this year.

Considerable damage was done to Pulaski county's corn crop by the corn borer and bud worm.

Verona Church of God

A special service will be held at the Pentecostal Church of God, Verona, Saturday night, with Rev. E. B. Meyer, Erlanger, the speaker.

Beginning Sunday night, August 12, Little Gibson will begin a series of meetings at this church, and everyone is welcome. Mr. Davis, pastor, said, "come and bring your friends."

Durr Gets Contracts

R. C. Durr, Nicholson, received the contract from the Kentucky Highway Department for the reconstruction and traffic bonding surfacing of two roads in Boone county.

One was the Beaver Lick-Walton road, 4.9 miles, and the other was the Constance-Airport road, 3.6 miles. He plans to start work this fall.

Firemen's Picnic A Huge Success; Thanks Expressed to Helpers

Members of the Walton Volunteer Fire Department report that their annual picnic, held the past weekend, was a tremendous success. As yet, no actual penny report is available of the net receipts, according to a Department spokesman, but will be available in the next week or ten days, after all outstanding bills have been presented to the Department.

The spokesman added, "These folks listed below are folks from our own community for whom our thanks will be never ending. These people worked from one night to all night, helping us to have a good picnic for all who attended: Rev. Marie Vest, Lucille Campbell, Virgil Lou Schwab, Sharon Craft, Dale Stephens, Mr. and Mrs. C. O. Carlisle, Mr. and Mrs. Gilbert Groger, Betty Carlisle, Eugene Hanks, Ben Doan, Howard Feldhaus, Mark M. Meadows, Dennis Glacken, Junior Linton, Chester Ryan, Bob Caldwell, Malda Holder, Evelyn Rouse, George Houston, Peggy Vest, J. B. Johnson, Frank DeMoisey, Carole DeMoisey, Bobby Simpson, Jean Simpson, Billy Wynn, Margaret Armstrong, Harold Campbell, Buster Isbell, Dora Stephenson, Ray Mercer, Cecil Osborn, Donna Kendall, Harry F. Johnson, Leon Hall, Dorothy Groger, Mrs. Shanklin, Mrs. Howard Stephenson, Florian Lusby, Charles Pinnell and John Younger. To all of these folks and to everyone who supported us in any way, we want to express our deepest and most heartfelt thanks."

NEW CHILD DOCTOR

James J. Kelly, M. D., son of John Kelly, deceased, and Mrs. Mary Farrell Kelly, 417 Elm Street, Ludlow, recently opened offices at 924 Main Street, Covington. He has limited his practice to infants and children.

Dr. Kelly received a Bachelor of Science degree from Xavier University in 1943 and was graduated from the University of Cincinnati College of Medicine in 1946.

He interned at Louisville General Hospital, Louisville. Following his internship, Dr. Kelly served for two years with the U. S. Medical Corps in Manila, Philippine Islands. Upon his return to civilian life he served a two-year residency in pediatrics at Louisville General and Children's Hospital, Louisville.

Dr. Kelly is married to the former Virginia Washburn, Dayton, Ohio, who is a graduate of the Louisville General Hospital School of Nursing. They have two daughters, Mary K., 15 months, and Angela, two months.

Mrs. Mildred King Taylor, Verona, is respondent for Dr. Kelly.

Walton OES Initiation

Walton Chapter Order of Eastern Star held a special meeting of the chapter last Friday evening, when the following were initiated into the order: Mrs. Quentin Webster, Mrs. Elizabeth Medley and Mr. and Mrs. James Bonar. Mrs. Helen Racey came into the chapter by affiliation.

After the meeting closed, a covered dish luncheon was served.

R. M. Hall Loser By 36-Vote Margin

In the state election held Saturday, the Democrats gave Lawrence Eugene Siler of Williamsburg was nominated by the Republicans.

In another state race involving a local man, Herbert Tinsley, Warsaw, is still in the thick of battle with George Glenn Hatcher for the Auditor's nomination. Tinsley had a 3,600 majority Wednesday morning, with some few eastern counties still counting votes.

Local Results

One of the closest races was in the contest for Representative from Boone and Gallatin Counties. Two Boone County men, Russell Hall and Joe Rouse, had to go almost to the last precinct to determine the winner, which was Mr. Rouse by 36 votes. Hall won Boone County by a 815 to 787 count, but in Gallatin, Rouse forged ahead 568 to 498.

Another race that held quite a lot of attention in this section was the Commonwealth's Attorney race between R. L. Vincent of Williamstown and Harlan Heintz of Carrollton, with Mr. Heintz being the winner.

The count in the state races in this county was as follows:

Governor: Wetherby 948, Vincent 788, Cecil 29; Lieutenant Governor: McGuffee 145, Beauchamp 570, Coldiron 574, Hamilton 105; secretary of state, Gastright 284, O'Connell 854; attorney general, Buckman 503, Lewis 652; auditor, Tinsley 697, Hatcher 359, McKinney 178; treasurer, Boggs 688, Jones 190, O'Conner 235, Runyan 866; superintendent of public instruction, Butler 488, Coffman 223, McDonough 202, Mills 153; clerk of Court of Appeals, Austin 562, Hopkins 403.

In the Republican race, W. H. Meade received 29 votes and Eugene Siler 45. Commissioner of Agriculture, Guard 36, and Irwin 32. Railroad Commissioner, Skidmore 16, Winburn 9.

EXPRESSES THANKS

Walton, Kentucky
August 6, 1951

This is to express my sincere thanks and gratitude to all my neighbors and friends in Boone and Gallatin Counties for their support in the primary election last Saturday.

Needless to say, it was a shock and disappointment to be defeated, but there is a great amount of satisfaction in knowing that my home community returned an overwhelming majority for me. I also received a splendid majority in the community where my opponent was born and reared for which I am truly grateful. I hold no grudge for any individual or group that saw fit to support my opponent.

I hereby congratulate Mr. Rouse and offer my wholehearted support if I can be of any assistance at any time.

Sincerely,
R. M. (Coke) HALL

ISAAC EADS

Services for Isaac Eads, former resident of Bracht Station, who died last Monday at Clofax, Calif., were held Friday at 2:30 p. m. at the Chambers & Grubbs funeral home, Walton, with burial following in the Walton Cemetery.

He is survived by three brothers, Ben Eads of near Crittenden, Jeff Eads of Dayton, Ohio, and Bryan Eads of Erlanger, and two sisters, Mrs. Bessie Lindley of Cincinnati, and Mrs. Beulah Rockbee of Dayton, Ohio. The remains were flown here from California.

Square Dance August 17

A square dance will be given at Joe Kennedy's Circle Bar X, 3 1/2 miles East of Walton, on U. S. Highway 25, Friday night, August 17, for the benefit of All Saints Church and School, Walton, Ky. The public is cordially invited.

Grass Fires

The Independence Volunteer Fire Department was called, last Friday, to a grass fire west of Bryan Armstrong's on Station Road. No damage was done. A spot was burned off about the size of a garden. Saturday another run was made on Station Road near "Farmer ohn's" place. This also was a grass fire and was soon brought under control.

Masons Expand

The Masons are taking over the entire second floor of the Independence Bank building since the Agricultural offices moved to the Court House.

4-H Fair August 10-11

The 4-H fair will be held at the Simon Kenton High School grounds on Friday and Saturday, Aug. 10-11. Blue, red and white ribbons and money awards will be given in dairy cattle, beef cattle, swine, rabbits, poultry, sheep, garden produce, tobacco, best 4-H secretary's book, handicraft, 4-H girls' sewing, canning and girls' handicraft.

Community-Wide Revival

The community-wide tent meeting went over with a bang! It was a blessing and such a success that arrangements are now being made for another strong evangelist to hold a tent meeting. Nearly a score of churches have profited in one way or another and there is much enthusiasm all around. The good offering for the evangelist, \$355.53, indicates something of the interest and results of this special effort.

Thanks go to the following: Boyd Elliott for use of tent site; Kentucky Highway Department for installing culvert; Kramer Electric Service for electrical service and use of flood lights; Fred Neihoff for use of truck in bringing tent and benches from Bethel Baptist Encampment; Russell Rector for use of truck in bringing chairs from the old Campbell County Orphanage, Newport; Sherman Barberick for use of truck in bringing chairs from Oak Island Church; Kenton County Motors for use of wrecker in setting up tent; men from Oak Island and Wilmington churches for assisting in setting up tent and assembling benches; Lloyd Cook for soft drinks.

Date Changed

Last week it was announced that the Christian Youth of Northern Ky. would meet at Independence Baptist Church, Saturday, Aug. 11. This date had to be cancelled due to some other conflicting activities, but the meeting will be announced later.

Baptisms

Wilmington baptized at the Independence Baptist Church last Sunday afternoon, and Independence baptized that night.

Revival Going On

The Jenton Baptist Church began a revival meeting August 6.

Mother and Son Injured

A Covington man and his mother were injured seriously late yesterday when the motorcycle on which they were riding went out of control and ran off Ky. 17 on Independence hill.

Taken to St. Elizabeth Hospital by the Independence Life Squad were Henry Dahlvoer, 23, and his mother, Mrs. Thelma Dougherty, 41. Hospital attendants said Dahlvoer suffered a fracture of his left ankle and cuts on both legs. His mother was treated for rib fractures and multiple lacerations. Both were reported in fair condition.

STAFFORDSBURG

Howard Hoffman sustained painful abrasions on his face and arms when he was thrown from his bicycle one day last week. He was taken to the hospital for treatment and then dismissed.

Mrs. Earl Hanna entertained Mrs. Ella Mae Withers for a few days the

past week. She also spent a day with Mr. and Mrs. Ralph Heitman.

Rev. and Mrs. Arnold returned from a visit with relatives and friends in their old home town of Hawesville, Ky. They seemed refreshed from their vacation.

We had a 30% increase at Sunday school over the fifth Sunday slump. Let's do it again next Sunday—that is the increase, not the slump.

About one dozen folks met at the church Wednesday evening and after a short worship service proceeded to give the church a good cleaning. I think the Lord expects us to keep his house clean and inviting. We should take as much interest in it as our own home.

Mrs. Nelson Hoffman, who is convalescing from an operation at the home of her parents, Mr. and Mrs. Ed Hauser, is making satisfactory gains. We hope she will soon be able to return to her home.

Mrs. J. H. Klette, Jr. and Mr. and Mrs. Morris Wharton were guests on Sunday of Mr. and Mrs. J. A. Keeney.

Mrs. Mildred Hampson and a friend came from Covington on Sunday and took Mrs. Ida Hoffman and Mrs. Hand on a trip to Cold Springs, in Campbell County, to visit Mrs. Effie Ragan, who is Mrs. Hoffman's sister. They found her as well as usual but her son, Dr. Ragan, is in very poor health.

CARD OF THANKS—

We wish to express our sincere thanks to all who were so kind to us in our bereavement, the loss of our father, Matt Benson.

We especially want to thank Rev. R. F. DeHosey, Rev. R. A. Johnson, Rev. W. R. Burkett, Mrs. W. M. Rice, Mrs. Bryan Rector, Mrs. Kenneth Johnson, Sr., Chambers & Grubbs, the flower donors, and pallbearers.

"I figure electricity saved these two"

The lives of countless thousands of baby pigs have been saved by electric pig brooders. An average of one or two per litter, according to tests made by one of the big agricultural schools. If you figure a pig at weaning time as representing about 240 pounds of feed fed to the sow you'll have a good idea of the value of an electric pig brooder that is inexpensive to buy or build, and that costs mighty little to use.

Pig brooding is just one of over 200* jobs that electricity can do on the farm. Tests show that 65% of a farmer's time is taken up by chores that can be done electrically. Whatever the farm job—grinding feed—pumping water—sawing wood—milking cows—drying hay and grain—your electric "Wired-hand" will do it better—for less.

And in the farm home, electricity provides all the convenience and pleasant living that is possible in the most modern city home.

THE FARM ELECTRIFICATION JOB IS DONE, HERE

The work of bringing low cost electricity to all the farms in the area served by our Companies, The Cincinnati Gas & Electric Company and The Union Light, Heat and Power Company, has been completed. Over 99 1/4% of all the farms and farm and non-farm dwellings in the rural sections of our service area now have electric service. And even the few who do not now use electric service have it available whenever they want it. We now supply electric service to over 14,350 farms in Ohio, Kentucky and Indiana; and at wholesale through the Butler County (Ohio) REA and Owen County (Kentucky) REA to about 2300 more farms.

Nationally, a comparable job has been accomplished. For that reason the week of August 26 has been declared as National Farm Electrification week.

SEE THIS BIG FARM SHOW...

* Many of these jobs that electricity can do on the farm are being demonstrated in an unusual exhibit which has been arranged in the big main lobby of our office building at Fourth and Main Streets in Cincinnati. This exhibit, which is part of our observation of National Farm Electrification Week, will be open daily from eight to five except on Saturdays after noon and except on Sundays throughout the rest of the month of August. So, next time you're in town make it a point to see this big display.

DEVOTIONAL READING: II Corinthians 5:14

Christian's Spending

Lesson for August 12, 1951

ONCE upon a time, so they say, a Scotchman opened his pocketbook in December, and a June-bug flew out. That story belongs to the class of stories that sound funny because they are impossible, like the Paul Bunyan stories, or the one about the fly that fell off a marble and broke his back. No man is so stingy that he could go from June to December without opening his pocketbook to spend a single cent. Spending is something all of us do, all the time.

Is Your Money Yours?
"T'S my money and I can do what I please with it." That is the average man's attitude toward his money. But it's not the Christian attitude.

In the first place, Jesus' parable of the talents reminds us that all the conditions, and all the energy, and everything else that makes earning money possible, are in the long run the gifts of God. "It is he that hath made us and not we ourselves" is just as true now as it ever was.

God it is who gave us life in the first place, who has preserved us, and endowed us with whatever gifts and capacities we have. We are not our own, we are bought with a price, as Paul puts it.

However, we earn our living, whether as farmers, business or professional people, if it had not been for the blessings of God we could have earned nothing at all. One bedrock principle of the Old Testament is that the earth is the Lord's. Put that together with the New Testament principle that the Christian belongs to God, and you have arrived at the great principle of "stewardship."

Profits or Profit?
THE earliest Christians of Jerusalem pooled all their resources and dealt them out to all, in proportion to their individual needs. This experiment in sharing the wealth failed; and one main reason for the failure was that they paid all their attention to consumption and none at all to production.

No matter how smoothly you distribute the wealth, if some one is not producing, the whole pile will vanish in time.

Nevertheless, those earliest Christians did have a firm grasp of a real truth; namely, that when a Christian spends his money he ought to have the needs of the community first in mind, and not his own profits. Does this sound too idealistic?

Well, even the law, slanted though it may seem toward the protection of wealth, puts limits on the ways a man can spend his money. If it can be shown that what he pays his good money for is harmful to the community, the law will clamp down on him, in many cases. You can't keep a skunk farm on Broadway. It may be your money, and your skunks, but it's not your Broadway.

To take another angle: down in Atlanta (Georgia) a highly successful industrialist, when he died, left the stock in his company to his employees. They had helped him earn his fortune, he said; they should share in the proceeds. Does not our community help us earn whatever we do earn? And doesn't the community deserve consideration in the spending?

The Money-God
NO temples on our main streets are labeled "To the God Mammon." But money is often a god, all the same. On Mammon's altar how many things and men are sacrificed! What will men not do to "make a fast buck," to turn a neat profit? Honor, decency, truthfulness, health, even life itself, will be given up before consenting to cut the profits down.

Every great entrenched evil—gambling, prostitution, corrupt courts, liquor traffic—is as hard to dislodge as the silvermiths of Ephesus, and for the same reason: The people who stand to make money out of sin never care what happens to the sinners.

But let us watch ourselves. Do we malitiously criticize the paunchy big-shot because we really hate the way they sacrifice everything to greed, or is it because we are envious?

BRACELETS

Handcuffs are made of steel—the stuff with which we build bridges and skyscrapers and churches!

But all men have not learned to build. Some have learned to destroy.

Hence, in a land where men treasure freedom, there must be handcuffs for some in order that the rights of all may be safeguarded.

But there is a better way. Religious training is a sure vaccine against the spiritual disease that produces criminals. The Church can provide our children with the God-given moral foundations on which life should be built.

And which is the stronger safeguard of the things we hold dear? A pair of steel "bracelets" ... or a Church crowded with eager children and conscientious parents?

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of a character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday ... Acts 17:1-7
Monday ... Acts 26:24-29
Tuesday ... Romans 9:12-17
Wednesday ... Mark 5:1-8
Thursday ... I Corinthians 5:16-18
Friday ... Luke 6:46-49
Saturday ... Hebrews 11:8-10

ELECTION!

Election is over, and I lost every vote. I think lots of others did too—and there were several surprised in some of the races—but they say all is fair in love, war and politics, so you never know how they will end. We had several show-ers Monday, which always come around election day—they will help and we hope to get more.

Mrs. Emma Flynn was in again, paying her bill—she is right on the job, for her age. Joe Hoffman and wife needed their iron and pressure cooker repaired. Pauline Flynn was in after mower repairs. Charles Coland, who lives at the Marshall Whitson farm, Verona, had Red bring over a lift pump for his cistern—this is the one the milk inspector wants with the closed top. Tevis Thomas came in after the iron we repaired for his wife, and also bought an ice cream freezer. C. O. Carlisle bought a 12-inch Dayton electric fan.

Thos. Stephenson needed a lot of repairs for his chain cistern pump—we carry all the parts for IXL and Gem pumps. W. L. Satchwill is going to try a gallon of Bolce white paint—if he likes it he will buy more—well, he will be back. We just received some of the nicest cow and calf show halters, so you can show your best cow or calf at the fair. Another item we received to dry was aluminum food blancher for preparing your food for the locker or freezer.

Grace White was in today and bought two rubber spatulas—she is visiting here from Wood River, Ill.—Frank and Grace both look about the same—don't seem to get any older. Bess Roberts Cox bought an Armstrong 12x15 rug today—we sure sell lots of that Armstrong linoleum and rugs. Betty Rouse brought her iron in and said it shocked her—Brewster took it apart and there was a wire against the outer case. Marvin Darlington sent over for three rolls of barb wire and some staples. Steve Wren from Gallatin, came up after a lift pump—he has a well 60 feet deep and needs the water. Stanley Robinson sold his store and is leaving the country—going out west, but he will be back, they all come back to old Kentucky—some times it is in a box, but they even like to be buried in old Kentucky, after being away for years—it is a fine place to rest, forever.

A fellow came in today, I never saw him before, and said, do you have any of Bolce's flat undercoat and Bolce's quick drying enamel—we

had it, and he bought it—now that fellow had used Bolce paint before and knew good paint. Stanley Fooks bought a 16-inch Dayton electric fan for Mr. Mills, his father-in-law, who is sick in bed. Wm. Miller, who owns Rosagete farm, down beyond Richmond, was in after a heavy log chain, 60 feet of one inch rope and 5 gallons of brown creosote paint.

Gentry Coyle and wife needed stainless steel knives, forks and spoons, and water pitchers. John M. Baker bought a gallon of Bolce liquid satin paint and asked me if it was good paint—wait until he uses it and I ask him the same. Nolan Flynn's wife was in after enamel for her lawn chairs—they are remodeling their house and it is going to be very nice. Ray sold the wire and paper for a silo—it is early but save all the feed, for it will be scarce.

Chick just arrived home from Minnesota, where he and his family have been vacationing—he brought back some of that wonderful cheese from Wisconsin. Mrs. Laura Lay bought some of that beautiful linoleum for her kitchen. Walter King was in after tools and shovel handles. Milford Moore was buying aluminum paint for his roof. John Cain came in after a roll of sisal kraft paper to make a silo, to save his corn. Two men came in from Pendleton county after sisal kraft paper and 2"x4" welded mesh fence, to make two silos.

Mr. Gabriel, over Finer way, bought a bale of binder twine to bundle his corn as he cuts it—these farmers are trying to save all the feed. Ben Dixon and family just arrived home from a tour of seven states, as far as Arkansas, Texas, Louisiana and home—this was the driest place they saw on their trip. John Ryan, the block layer, bought the best 4-ft. level I had. We had several looking at heating stoves for this winter—you know we carry Perfection and Siegler, which are the best, and put out more heat. The only fuel oil heater with a porcelain finish that will not burn off—and we also have a few Anchor coal stoves—they are scarce this year, as Anchor is not making any stoves.

We try to carry all sizes, all prices, and all kinds of stoves. Buy early and get what you want. Come to CONRAD'S for your heaters—we deliver and install; also service them when they quit. Call CONRAD when you need hardware.

Boone County 4-H Fair To Be Held On Friday and Saturday

Horse Shows Set For Friday & Sat.

Mrs. Cleona Brooks of Versailles, Ky., publisher of the American Horseman and one of the outstanding judges in the country, will judge the horse shows at the Boone County 4-H and Utopia Club Fair, according to John E. Crigler, Fair President.

Mr. Crigler said that the securing of Mrs. Brooks as judge of the show, to be held Friday and Saturday, and the increase in premiums, is expected to draw excellent entries for the two shows.

Entries in the dairy cattle show will reach an all-time high, Crigler said. He over 90 entries had been received and that more were expected.

One of the features of the show will be the team pulling contest, scheduled from 2:30 until 4:30 p. m., Friday. There is evidence of keen rivalry between team owners and Harry Stephens, Waterloo, one of the few remaining farmers in Northern Kentucky, is busily engaged in shoeing both heavy and light draft teams.

Judging of all home economics, garden, fruit, field crops, poultry, tobacco, corn, hogs and sheep will take place from 9 a. m. until noon, Friday, August 17.

There will be a horse show Friday beginning at 8:00 p. m.

The dairy show, originally set for 1:30 p. m., Saturday, has been rescheduled for 10:00 a. m., Saturday, to allow dairymen to return entries to their respective farms before night.

At 2:30 p. m., Saturday, there will be a 4-H style review, and at 8:30 p. m., Saturday, there will be a horse and pony show.

There will be a merry-go-round, ferris wheel, swings and kiddie rides for the children, and fair patrons will also be able to get hot and cold drinks and sandwiches.

Of special interest to farmers will be the display by the various farm implement manufacturing companies, as well as a display of home appliances.

THANKS!

I wish to express my appreciation for the vote cast in my behalf in the recent primary election. Though it was not a large majority, I am sure that each vote was the heartfelt desire of the voter that I represent the people of Boone and Gallatin Counties in the State Legislature.

I wish to thank Mr. Hall for conducting a clean campaign, giving each voter the right to vote without any pressure being placed upon them to control their vote.

I am now a servant of all the people of Boone and Gallatin Counties, and it is my desire that anyone having suggestions, present them to me. I will give thoughtful consideration to any suggestion made by the people of these two fine counties.

A Servant of the People,
11-33 JOE ROUSE

LABOR DAY PICNIC

Labor Day outing program activities at the traditional picnic-celebration conducted by members of St. Patrick's congregation, Verona, and All Saints parish, Walton, on September 3, at the Woodland Inn grounds, Dixie Highway, will serve as a community homecoming, Edw. E. Walton, general chairman, reports. Rev. Henry A. Bauserman, pastor of the two congregations, is supervising the coordination work.

A chicken dinner will be served from 11 a. m. to 3 p. m. and from 4 to 8 p. m.

The picnic grounds is located on the Dixie Highway, two miles south of Walton, and is a short driving distance from the Kenton-Campbell county area. The fee activities will be held afternoon and evening.

Korean War Veteran Injured In Saturday Night Crash On 25

A Korean veteran, injured Saturday night in an automobile accident on U. S. 25, not far from the Gay 90's Club in Kenton County, was described as in good condition Monday in St. Elizabeth Hospital, Covington, after an escape, described by Kenton County police as "outright miracle."

Hospital attendants said the soldier was Corp. William A. Hulker, 21, of Ft. Knox, Ky. His injuries, they said, were a left arm fracture and severe cuts about his head, neck and forearm.

Capt. Edward Taylor of the Kenton County Police, said he had never seen a vehicle so smashed. He said he thought at first that two cars were involved, for Corp. Hulker's machine had been torn cleanly in half.

Corp. Hulker, the only passenger, was thrown clear of the wreckage when the car crashed into a tree.

The auto, police said, skidded 114 feet along the edge of the highway then leaped a gully and turned over several times before smashing into the tree.

Corp. Hulker, police said, was conscious, but shaky when patrons from two nearby cafes went to his aid.

"I'm all right," police said he told his rescuers. "Just gimme a cigarette."

He was taken to the hospital in an ambulance of the Independence and Community Fire Department. Police said they understood he was on his way to Walton to visit a sister.

Walton-Verona Schools To Open Tuesday, Sept. 4th

The Walton-Verona Board of Education, at its last meeting, set the opening date of school at September 4 (Tuesday after Labor Day). Opening exercises will be held in the school gym on that date and parents are invited to attend and to bring the beginners. The Verona school will also open on this date.

Some arrangements will possibly be arranged for physical examinations for the beginners, during the first week of school.

All students who have books to sell from last year should bring them to school, as most of the new books bought last year will be used this year. However, students should not buy books until they have registered and know what books they will need.

First year students will be allowed to attend if they will be six years old by December 31. This is the same arrangement that was made last year to ease for the beginners.

Letters are being sent to teachers notifying them of the annual teachers meeting, which is to be held at the Walton school on Friday, August 31, beginning at 10:00 a. m. A list of the teachers for this year will be published in a later issue of the paper.

SOFTBALL RESULTS

Tuesday night's play in the Walton Softball League resulted in a win for Banklick over the Walton Baptists, 9-8, in an extra-inning affair. In the second game, the Lions Club lost to Artistic Cleaners 11-4.

Thursday night, two more games are on tap. Artistic Cleaners vs. Independence, and Banklick vs. Lions.

Only about a fourth of the normal hay crop was harvested in Webster county, due to heavy rains.

SKIRT SOFTBALL GAME

The Walton Lions Club, sponsors of the Walton Softball League, are planning a little "dolings" at the softball diamond Saturday evening, August 25, beginning at 8 o'clock. The feature attraction of the evening will be a "skirt" softball game between the Lions and Independence, in which all players will be garbed as "beautiful dolls." The results should be amusing. The next attraction will be a game between an all-star group of players from the local league who will meet a strong Covington team. And last, but not least, someone will take home a set of Rogers 1847 silverware. So plan to come out, you'll enjoy yourself. Proceeds from the evening will be used for the playground fund.

METHODIST AID TO MEET

The Ladies' Aid Society of the Walton Methodist Church will meet in the church basement for an all-day meeting Saturday, August 18.

Large Crowds Attend 4-H Club Fair In Kenton County

BOB & GENE PLAY GHENT

The Bob & Gene baseball nine of Florence, will open the elimination series in the KAG loop on Sunday, August 19, at 2:30 p. m., in a game against Ghent, at the Florence park. Last Sunday, the Eadesmen defeated the Aetna Oilers at Glencoe, to the tune of 10-0.

S. W. Durr Named To Farmers Home Administration Com.

Steve W. Durr of near Walton, was appointed last week to the Farmers Home Administration committee for Kenton County, according to Samuel T. Harrison, local supervisor for the agency. The appointment was made by Earl Mayhew, Lexington, State Director.

The new committee is a farmer and long-time resident of Kenton County. His experience in developing a successful family-type farm, Mr. Harrison said, fits him well for his new assignment in aiding other farmers to do the same. He will serve three years.

Harrison explained that all applications for Farmers Home Administration loans must be approved by the county committee before loans can be made. When a real estate loan is being considered to buy, enlarge or develop a farm or to improve housing and farm buildings, the committee also determines how much the farm is worth as security for the loan.

Advice of the committee is sought on good farm management and the refinancing of Farmers Home Administration loans when borrowers build up enough equity in their property to get credit from local banks or other lenders, Harrison stated. Farmers who can get private or cooperative credit are not eligible for loans from the agency, he said.

Mr. Durr succeeds Cecil C. Norcutt, whose three-year term expired June 30. Members who continue to serve are Foster A. Grittridge of Morning View, and Walter H. Maddox of Crittenden. Harrison said a new committee chairman to serve through next June would be selected at the August meeting.

Homecoming At New Bethel Baptist Church, Verona, Sunday

A homecoming will be held at the New Bethel Baptist Church, Verona, on Sunday, August 19, and all members and friends of the church are invited to be present.

The day's program will start with Sunday School at 10:00 a. m., and a goal of 200 has been set. Regular worship services will be held at 11:00 a. m., with the pastor, Rev. Raymond Stewart, speaking on the subject, "When Christ Comes," a sermon compiled by the late Rev. John Ashcraft. Miss Barbara Crafts of Concord, will be violin soloist at this service, as well as later in the day.

At noon a basket dinner will be served in the church basement. All attending are asked to bring a basket of lunch.

In the afternoon, at 2:30, the guest speaker will be Rev. Roy A. Johnson, pastor of the Burlington Baptist Church. An attraction for the afternoon service will be the Northern Kentucky Male Chorus, well known in this area.

All offerings taken will be used in the church building fund.

J. Sam Ballard of Dunbar, W. Va., is visiting his brother, T. O. Ballard.

Jury Returns Four Other Indictments

The Boone Circuit Court was convened at 9 a. m., Monday, in Burlington by Ward Yager, Circuit Judge of the 15th Judicial District. Judge Yager called upon Rev. Roy Johnson, pastor of the Burlington Baptist Church, for the opening prayer. The morning session was devoted to selection of jurors and to setting the docket and hearing motions on civil cases.

Members of the grand jury are: Ernest Hill, Dan Carpenter, Frank Tanner, W. B. Stamper, Robert H. Wood, Albert Rhodes, Jr., Frank Blakely, Lloyd Sleekman, Frank Kelly, Leroy McGlasson, Alvin Cable and Raymond Ashcraft. Mr. Sleekman was appointed foreman.

Petit Jury No. 1, is composed of John Gaul, Russell Baker, Virgil Kelly, W. O. Hubbard, Lloyd Stephens, J. J. Barnes, Howard Denier, Theodore Reinhardt, Stanley R. Smith, Sam Allen, John E. Rouse and Geo. Stahl.

Selected for Petit Jury, No. 2, were J. W. Doolin, S. H. Ayler, Lee Portwood, Robert Solomon, Russell Cook, Marvin Kendall, Clayton Brown, H. L. Alphin, I. C. Gaines, Colin Higgins, Russell Luck and George Fisher.

Two for Murder

Andrew Doyle, 50, Paxton, Ill., and Aubrey Beach, 1318 Banklick Street, Covington, were indicted Tuesday on charges of murder in the slaying last month of Melvin L. Townsend, 65, at his service station at New Haven.

Each man, in indictments returned by the Grand Jury, was charged with murder and armed robbery. Doyle is in custody, but authorities still are searching for Beach, who, Doyle said, was an accomplice in the holdup of the Townsend service station, July 22, on U. S. 42, which resulted in the shooting when Townsend resisted. He died a week later in St. Elizabeth Hospital.

Doyle was captured in Gallatin County, following an intensive manhunt in Northern Kentucky, as the result of a tip from a Warsaw physician who treated the suspect for wounds he was said to have received in the fight.

Federal authorities were reported searching for Beach in another state.

Under Kentucky law, a finding of guilty on either of the charges for which the two men were indicted, can bring the death penalty.

Four Other Indictments

Four other indictments were returned by the jury, as follows:

Andy Ingram, assault and battery; Virgil Smith, falling to comply with a court order; Hines Hoperton, cutting with intent to kill, and Warren Tolson, child desertion.

The case against Dan Flowers, of Constance, for the alleged molesting of his seven-year-old daughter, was referred to the next session of the grand jury, pending further investigation.

Dixon Trial Monday

The trial of Ira Dixon, Walton, who is charged with the murder of his wife, Amelia Dixon, will start Monday morning at 9 o'clock, according to plans announced by the Court.

We are glad to report Mrs. J. A. Keeney was able to be in her place at Sunday School, Sunday. She was attending the W.S.C.S., Thursday at the Staffordburg church and on returning to the basement, she caught her shoe on a step falling about four steps and cutting a very bad gash on her head, which had to have several stitches. Mrs. Keeney and the others present were very glad it wasn't more serious.

Billy Mac Waller returned last week from Roanoke, Ill., where he has been working. Enroute home he stopped to see his uncle, Babb Noel, and wife in Bloomington, Ill. They are well and asking about friends and neighbors here.

cast iron bell and spigot Class B water pipe, tested to one hundred fifty (150) pounds pressure be laid as a water main on the hereinafter designated portion of Needmore Street in the City of Walton.

Section 2—That said water main is to start at and be connected to the end of the present main on said street and the same is to be laid three (3) feet from the south edge of the concrete surface of the street.

Section 3—That said main shall be laid at a depth of forty-three (43) inches below the surface of the ground at all points.

Section 4—That in laying the said main, care shall be taken not to injure walks and driveways which lead to or from the premises of the abutting property, and any damage done to the same shall be repaired at the expense of the person, firm or corporation laying the same.

Section 5—That said main of the size and quality aforesaid, shall extend from the end of the existing water main to the Western boundary of the City of Walton on Needmore Street (the Walton-Verona Road) a distance of approximately Four Hundred Fifty (450) Feet.

Section 6—That there shall be placed at the end of said water main and connected thereto a three outlet fire hydrant, one five (5) inch pump connection outlet and two two and one-half (2½) inch hose connection outlets.

Section 7—That before the commencement of any work on this improvement the City Council of the City of Walton shall advertise for bids to do the work set out in this ordinance and in accordance with the specifications outlined herein, and in said advertisement require that a ten (10%) per cent deposit be made to insure compliance with their bid, the same to be forfeited to the City if the accepted bidder fails to comply with his bid. Each bidder shall be required to state in his bid the time required for the completion of the improvement, and if he is successful, then he shall be bound by the time limit and subject to penalty for his failure. The City Council will let the contract to the lowest and best bidder and may in its discretion reject any and all bids and re-advertise.

Section 8—The advertisement for bids shall be published in the Walton Advertiser for two (2) consecutive weeks prior to the day set for opening bids.

Section 9—The City may do the work necessary for this public improvement with its own help and equipment, but they shall prepare an estimate which shall be itemized in the same classification as the bids, and shall be read publicly at the time other bids are received. The City shall be required to estimate the time required to do the work and to state it in its estimate, as is required of other bidders. If the estimate be lower than other bids, then the City may do the work, and the costs as stated in their estimate shall not be exceeded in appropriating the costs of the improvement.

Section 10—That the contractor who receives the bid to construct the water main will be required to give bond with good and sufficient surety for the performance of the work in accordance with the contract.

Section 11—That the cost of the laying of this water main, including all material, labor, engineering, advertising, and legal service, are to be made by the levying of an improvement tax upon all benefited property, which shall consist of all real estate abutting upon both sides of

the portion of the street improved, one-half to each side.

Section 12—That if the construction of the improvement be let to contract, then sixty (60) days after acceptance of the work the contractor shall be entitled to interest at the rate of six (6%) per cent until paid.

Section 13—That upon completion of the work of this improvement the same shall be inspected, the cost thereof apportioned and levied as by law required.

Section 14—That this ordinance shall be in full force and effect from and after its passage and publication as by law required.

Passed by the City Council of the City of Walton, after having been read in a meeting of Council on July 28, 1951, and re-read in another meeting of Council on August 7, 1941 by the vote of four members of Council on the 7th day of August, 1951.

City Ordinance 205

An Ordinance providing for the grading and draining and re-surfacing of 475 feet of Johnson Street extending in a Southwesterly direction from its intersection with the Southern edge of Edwards Avenue; outlining the specifications therefor; asking for the bids for construction; providing for inspection, acceptance, and levying of assessments to pay for the same.

THE CITY COUNCIL OF THE CITY OF WALTON, KENTUCKY, DOES ORDAIN AS FOLLOWS:

Section 1—That beginning on Johnson Street where it intersects Edwards Avenue on the south edge of said Avenue and being the center

fourteen (14) feet of said Avenue for the distance of approximately four hundred seventy-five (475) feet; that said Johnson Street be improved as hereinafter set out.

Section 2—That the portion of the surface of the street or avenue to be improved be graded so that it presents a smooth surface and that it be six (6) inches higher in the center than it is on each edge and that it slope uniformly from the center to each edge; that twenty (20) feet of fifteen (15) inch concrete culvert for cross drainage be installed draining from east to west and that the portion of said street to be improved be properly drained; and that one hundred fifty (150) feet or thereabout of twelve (12) inch vitreous clay pipe be installed to drain away the water at or about the property of Guy Olen Carlisle.

Section 3—That there be a covering of the grade of this street with crushed limestone rock two (2) inch size over the entire grade to be of not less than six (6) inches in thickness after the same have been rolled and packed; that the edge of said stone be shouldered with sufficient earth to hold and protect the same.

Section 4—That the crushed surface, after the same is firmly rolled and compacted, be treated with RC oil, applying a one and one-half (1½) gallons to each square yard of surface and that limestone chips be applied in the oil in a quantity sufficient that when combined, there will be formed a smooth, firm, and water resisting surface for the distance of four hundred seventy-five (475) feet; that being the length of the surface of the street being improved.

Section 5—That before the commencement of any work on this improvement the City Council of the City of Walton shall advertise for bids to do the work set out in this ordinance and in accordance with the specifications outlined herein, and in said advertisement require that a deposit of ten (10) percent be made to insure compliance with the bid of the successful bidder, the same to be forfeited to the City upon failure to comply with the bid. Each bidder shall be required to state in his bid the time within which the same will be completed and the successful bidder who fails to complete the work within the time period, in the discretion of City Council, may be penalized not to exceed double the amount of his deposit. The City Council will let the contract to the lowest and best bidder and may in its discretion reject all bids and re-advertise.

Section 6—The advertisement for bids shall be published in the Walton Advertiser for two (2) consecutive weeks prior to the day set for opening bids.

Section 7—That the City may do the work necessary for this public improvement with its own help and equipment, but they shall prepare an estimate which shall be itemized in the same manner as would other bids, and the amount thereof shall be read publicly at the time other bids are opened. The City shall be required to estimate the time necessary to complete the work. If the City estimate be lower than other bids, then the City may do the work and the costs of the improvement shall not exceed the estimate made by the City, when the costs thereof are ascertained.

Section 8—That the contractor who is the successful bidder shall be required to give bond with good and sufficient surety for the performance of the work in accordance with the contract.

Section 9—That the cost of the improvement of this street, including all engineering, advertising, and legal service as well as the cost price of the work, are to be made by the levying of an improvement tax upon all benefited property, which shall consist of all real estate abutting upon both sides of the portion of the street improved, one-half to each side.

Section 10—That if the construction of the improvement be let to contract then sixty (60) days after the work is completed and accepted, the contractor shall be entitled to interest at the rate of six (6%) percent until paid.

Section 11—That upon completion of this improvement the same shall be inspected and reported upon and if favorable, then the costs of the

improvement shall be levied, one-half to the property owners on each side of the improved portion of the street.

Section 12—That this ordinance shall be in full force and effect from and after its passage and publication as by law required.

Passed by the City Council of the City of Walton, after having been read in a meeting of Council on July 28, 1951, and re-read in another meeting of Council on August 7, 1951, by the vote of four members of Council on the 7th day of August, 1951.

Christians and Law

Lesson for August 19, 1951

Americans are not noted for their respect for law. Sometimes big business is the reason. In a certain southern state there are two counties through which run some main highways. But tourists are well advised to stay away from there, because the roads have been pounded into a mass of potholes by overloaded coal trucks operating at high speeds and often on the wrong side of the road. Now the state has laws against speeding, it has laws against speeding, here is an honest state police department. But although various arrests have been made, the head of the police department reports that in those two counties they never yet have been able to secure a single conviction in the courts. Why?

There is another county where a policeman shot a law-breaker resisting arrest and attempting to shoot the officer. The county judge tried to make three successive grand juries indict the policeman, but after looking into the facts they all refused.

Here was the interesting spectacle of a judge on the bench (elected there) trying to make the law work against itself, trying to force a grand jury to indict an innocent man. The thing was, the policeman was from out of the county, but the man he killed, being a bootlegger, had many friends who were also friends of the judge.

We Get What We Deserve
BUT we can't blame big business, or mean politics, for the lawlessness of America. If individuals respected the law, if every man respected the law just as he wants others to respect it, we could handle business and we could get rid of dishonest politicians.

An official high in federal circles, who had had plenty of opportunity to observe, remarked last spring, speaking of controls, that every one wants the other man controlled, everybody wants to control somebody else, but nobody wants to be controlled.

That's just the trouble. We can make all the laws we please, but so long as we are the kind of people who will not respect a law if it cramps our own style, then we need not be surprised at the sort of thing a senate crime committee digs up.

No Government Is Perfect
MANY of us try to excuse ourselves by saying that the government is inefficient or even crooked, and that the laws are unfair. Christians, certainly, can see very easily the failings of both government and law. But Christians ought to be the very persons to set the example of respect for law and government.

Consider the New Testament. Hardly a single Christian mentioned in that book had the least thing to do with making the laws of those times. The government was from the top down, to the exact opposite of democratic. None of the early Christians could vote or hold office.

The government, whether in Palestine or Rome, was in non-Christian hands. The laws lacked a good deal of being wholly just and fair. Nevertheless, Jesus and Paul and Peter, all of whom suffered from the laws of their times, urged men to pay tribute (taxes) to Caesar, to support the magistrates, to obey the laws. Even so, they were hungry and often cruel government like that of Rome deserved support.

Jesus and Paul alike remind us that we rely on government for protection; that government, in spite of all exceptions, is on the side of good men, not against them.

If we had no government we should miss it and want it. St. Peter, writing to Christians who were actually being persecuted by the government, urged them nevertheless to be loyal to the authorities. There may come times—indeed, human nature being what it is, such times are bound to come—when a government proves so corrupt and unjust that it deserves to fall; but even then the way out is not the way of lawlessness. Reforms come best from the law-abiding, not the law-defying.

CONVERSATION

A parrot can talk. But he can only say the things he has heard!

Human conversation is not so far removed from parrot-talk as we might like to believe. We too base most of our conversation on the things we have heard. But we digest thoughts that have been given us, consider them, make them our own, and then repeat them in our own words.

And yet, unlike the parrots, we influence others by the gift of speech. Our words can brighten or darken the lives of many people.

The God who has given us the gift of speech has also given us access to Truth. The spiritual knowledge we gain as we worship and study in our churches is the key to what the Bible calls "a holy conversation."

And that doesn't mean using pious phrases! It means using the gift of speech to help, rather than hurt, ourselves and others.

**THE CHURCH FOR ALL
ALL FOR THE CHURCH**
The Church is the greatest factor on earth for the building of a character and good citizenship. It is a storehouse of spiritual values, democracy, for civilization, for survival. There are four sound attend services regularly and support the Church. They are: (1) children's sake, (2) for the sake of his community and nation, (3) for the sake of the Church itself, which needs his moral and social support. Plan to go to church regularly and read your Bible daily.

FLORENCE NEWS

Mr. and Mrs. L. M. Moore of Richmond Road, spent the afternoon recently with Mrs. Sophia Jones and Mr. and Mrs. Chester Stephens of Dortha Ave. The Moores have just returned from a most interesting vacation through the Southern United States and Havana, Cuba.

Mrs. Alice Aylor and Lottie Aylor entertained Thursday for their cousins, Mr. and Mrs. Tom McMahon and Mrs. Mildred Totzke, who are visiting here from Osborn, Miss. Mrs. McMahon is postmaster at Osborn. Don't forget the pillow-slip bingo social to be given by the Ladies Auxiliary of the Florence Volunteer Fire Department at the Fire Hall on Thursday evening, Aug. 16 at 8 p. m. Proceeds from the event will be used to swell the building fund. Members of the Volunteer Firemen will serve refreshments.

Rev. Raymond Smith and family of Bristol, Va., have been visiting his sister, Mrs. Robert Jones, and family. Miss Elizabeth Rouse of the nursing staff of St. Elizabeth Hospital, was the guest of her parents, Mr. and Mrs. Wallace Rouse of Gunpowder, over the weekend. She and her parents attended the St. Paul annual picnic Saturday evening.

Congratulations and best wishes are extended Mr. and Mrs. George Baker (nee Carolyn Rouse) who were married at the Baptist Church, Saturday evening. Mr. Baker is a Corporal in the U. S. Marines, and is the son of Mr. and Mrs. Harvey Baker. Miss Rouse is the daughter of Mr. and Mrs. Lloyd Rouse.

Mr. and Mrs. Robert McWethy and daughter, Sheila, of Petersburg were the Saturday evening guests of Mrs. Sarah Roland and father, Ben Northcutt, of Main Street.

Mr. and Mrs. Filmore Pike, Jr. of Summerville, Ohio, were guests of her parents, Mr. and Mrs. Guy Aylor and family of Goodridge Drive, Saturday evening. While here they attended the picnic at St. Paul Church.

Mr. and Mrs. Harold C. Aylor and children and Mr. and Mrs. Shelley H. Aylor motored to Harrodsburg, Ky., recently, returning by way of Bardonia and Louisville.

Mr. and Mrs. Homer Eades and daughter of Chattanooga, Tenn.,

were visiting relatives and friends in the community the past week.

Mrs. Mamie Cahill, Mrs. Helen Rouse and three sons, Mr. and Mrs. Carlton Greier and two sons, Mr. and Mrs. Melvin Barth and daughter and Mr. and Mrs. Robert Huller of Dayton, Ohio, were dinner guests of Mrs. Irene Renaker at St. Paul's annual church picnic, Saturday.

John Brown departed Saturday by Piedmont Airlines for Roanoke, Va., to spend three weeks with a daughter, Mrs. C. J. Frain.

Nathan Clements of Big Bone road was visiting his sister, Mrs. Emma Cleek, Tuesday of last week.

C. H. Quinn, son of Mr. and Mrs. Otis Quinn, who underwent an operation at St. Elizabeth Hospital on Tuesday of last week, is doing nicely and his friends wish him the best.

Mrs. M. M. Garnett and daughter of Hebron, were recent guests in the home of Mr. and Mrs. Tony Howard.

Mr. and Mrs. Elery Slayback and family of Scranton, Pa., arrived recently to visit her mother, Mrs. Mary Howard of Erlanger, and other relatives and friends.

Recent guests of Mr. and Mrs. Eldridge Carpenter were Theo. and John Carpenter, Mr. and Mrs. Richard Keyser and Miss Mary Hill of Cincinnati.

Mrs. Marie Kinman left Monday morning by American Airlines with Louisville as her destination, where she will spend a part of her vacation with Mr. and Mrs. Robert West and son. She will also visit friends in Lexington.

Mr. and Mrs. E. W. Marshall of Erlanger, were Saturday evening guests of Mr. and Mrs. R. E. Hanner.

Mrs. Bertha and Frances Dixon, are vacationing and touring the Eastern states. In a recent communication to Mrs. Eldridge Carpenter from Virginia Beach, they stated they were having a fine time.

Lehman Hambrick has returned from Booth Hospital and is convalescing nicely.

Sgt. George Baker of the U. S. Marines and Miss Carolyn Rouse were united in marriage Saturday evening at the Florence Baptist Church. Following the ceremony the happy couple departed by plane for a 10-day honeymoon at Daytona Beach, Fla. At the conclusion of his 30-day furlough, Sgt. Baker will return to his base at Camp Lejeune, N. C. May happiness and prosperity attend Mr. and Mrs. Baker as they go down the pathway of life together.

John Brown and daughter, Mrs. Marie Kinman attended the Brown family reunion at Dry Ridge, Sunday of last week.

Mrs. Frank Stahl, her daughter, Mrs. Wilbur Reintz, Mr. Reintz and daughter, Betty June, all of Colfax, Ill., arrived Thursday to visit the

former's parents, Mr. and Mrs. J. T. Stephenson. Other members of the family visiting the Stephensons on Sunday were, Mr. and Mrs. Dave Wingate, Clayton Brown and family, Donald Brown and family, Clayton Brown, Jr. and wife, E. G. Stephenson and wife, and Sidney Ambrose and wife. Friends of Mrs. J. T. Stephenson regret that she is suffering from the effects of a fall at her home recently.

AUGUST 13

That is my birthday and some people say the 13th is lucky and some say unlucky—well, I would say it has been lucky for me—I have had both arms, both collar bones, two ribs and two fingers broken; been burned up with 33,000 volts of electricity; turned over in a car wreck, but the Good Lord lets me stay here, for some reason, and I try to help Him in return. Uncle Ed Fry always said everyone, no matter how bad and low down they were, had a little bit of good in them. Someone from Cincinnati called Uncle Ed about a credit reference on a fellow and he told them if the Lord didn't know him any better than he did, he was a lost bird. He always had an answer for everyone. When I look back and think of the good men and women, my friends and customers, who have passed on in the past 15 years, the people who were my eyes are now getting to be the old people of the town.

Saturday we took it easy—no one came to town. We sold some fish tackle, a gallon or two of paint, collected a few bills, did some repair work, and cleaned up our truck and called it a slow Saturday in August. But it rained a nice shower and everyone will feel better Monday and put us to work again. We have a few rubber tired wagons left, \$125.00 less tires. Good white paint is getting very scarce. If you are going to paint this fall, buy your paint now. We always try to pass the word on to our customers, same as the other service you get at CONRAD HARDWARE.

Joe Kennedy is finishing his building up on the highway—the Walton Legion is going to have a dance there, and Joe will give all the profit to them, or any other organization who wants to have a dance. John Winterling was in today and bought some fence—he lives over around Wolfe Hill Road, Kenton County. Ben Roberts, down below Duckhead Inn, bought a one-horse sled; Brackie Beach bought wire fence, and Walter King bought bale ties.

Steve Wren, down by Jackson Landing, came up and bought a lift pump but he could not put it in his 5-inch drilled well, as he had pulled out forty feet of old pipe and dropped about that much down in the well and could not get it out. John Wood came in while we were talking about it, and he agreed to go down and help Mr. Wren get his pipe out—John is so lucky he took 42 ft. of 3-inch pipe and put a 1 1/4" nipple on the end, shoved it down in the well and screwed it right into the old coupling and started pulling—when they finished they had over a 100 ft. of pipe out of the well. They put in the new one and it worked perfect. Whenever you can screw two pieces of pipe together 42 ft. down in a well, you must have something. I don't know what.

Mr. Bishop, out on Verona Road, just came in after a roll of fence. Ernest McCain from Crittenden, called for a 12-ft. metal farm gate. Louise Stephenson called for a trash burner. Mrs. Le-

von from Verona, bought a lot of screen wire. Shorty Durr just came in and bought more of that Boice white paint. Billy Ellis bought his wife a Barton washer, one of the best for the price, only \$38.00.

Manford Craft, one of my good customers from Gallatin County, came in after 12 gallons of Boice outside white paint, 5 gallons of linseed oil, a hand saw and gate hinges—when he finished, he said fill out a check for the amount—now that is what I call one of my best customers, because you could not operate if everyone who came in said charge it—because it takes a lot of cash to keep up a good stock of hardware—of course we have some good credit customers who pay every month—then we have some who pay when they can—then we have some who will pay when they have run just about as long as you will let them—and of course we have some who never pay—these are the ones who think they have done you a big favor buying on credit, and that a merchant don't need any money—he has a store full of merchandise and all clear profit, no expenses, easiest life on earth—try it, sometime. The Credit Association in Covington just called me about a person's credit, and I had to tell them it was no good, as I had some of it for a long time. Now I don't like to do this but who is to blame—not me—I pay by debt.

We just unloaded a lot of sisal kraft paper and fence for silos—you had better save all the feed. A roll of paper and a roll of fence will only cost \$35.00 for one and that will only buy a ton of hay, so you had better fill a silo. I have a Harvey hammermill in stock. If anyone can use it at last year's price of \$186.00 with two screens. Mrs. J. P. Brothers and daughter were in looking for oil heaters—her daughter bought a new Chrysler sedan from Stan Wallandingham—very nice car, a Windsor Deluxe.

Noel Walton stepped in today and bought a Dayton water pump, an electric water heater and a new commode, all installed in his home. We sell them installed, if you want us to. Jay Webster just came in for four special V-bells for his bush saw—I called Cincinnati Belting Co. and they sent them right out by Groper truck. If you want anything from Cincinnati, just let Russell or Elmer know it and they will get it. They really give us service—if it's one bundle or a truck load, they get it. They have been hauling my freight for 16 years and only had one damage claim for a gallon of paint. If you want it hauled, call Groper.

A row was up at Cliff Ryan's again putting on a new door lock and installing a clothes pipe in their closet. Red just took a load of steel fence posts to Idlewild farm at Richwood. When it is Hardware or Service you want—call CONRAD HARDWARE!

BOB PLAYS HAMILTON

It will be Bob & Gene of Florence, the defending champions, vs. Hamilton (Ohio) Hudepohl at the Covington Ball Park, Friday night, August 24, when the finals of the Times-Star Semi-Pro Baseball Tournament gets under way. The Boone counts are undefeated, while Hamilton has suffered one loss.

Manager Bob Eades reports that his team will be at top strength for this important game. Gene Bussman will do the pitching and Baumann will receive. The contest will get under way at 8:15 p. m. A large number of local fans are expected to witness the fray.

In the second game of the elimination series of the KAG league, Bob & Gene will meet the Collegians at the Florence park on Sunday, August 26, at 2:30 p. m.

Last Sunday the B&G's had a rather close call as they downed Ghent 11-8 at the Florence diamond.

TO MARSHALL ISLANDS

Mrs. Julia Tudor, daughter of Mr. and Mrs. Herbert Hoffman of Kenton county, is leaving this week for Honolulu, enroute to the Marshall Islands, where she has accepted a position teaching. She has been with her parents since July 4.

BASKET PICNIC

Mr. and Mrs. Ralph Fritz entertained with a basket picnic at their farm on Walton-Nicholson Pike for a few of their friends and former neighbors of Park Hills. Those attending were: Mrs. Ida Fiese, Harold Fiese, Dorothy Fiese, Mrs. Martha Mahoney, Judy Ann Mahoney, Mr. and Mrs. Emil Elsie, Mr. and Mrs. G. Feldkamp, Mr. and Mrs. Howard Swager, Miss Hermine Heskamp and Lou Heskamp.

U.L.H.&P. Lineman

Is Severely Burned Tuesday Afternoon

Robert F. Sleet, Walton, an employee of The Union Light, Heat and Power Company, was severely burned Tuesday afternoon while working on a pole near Burlington. He was taken to St. Elizabeth Hospital immediately where it was found that he had third degree burns on his left shoulder, left arm and left leg, and suffering from shock.

Bob was working on a transformer pole, with Paul Simpson on the ground, when Paul, upon looking up, saw Sleet slump over, and since he did not have any climbing equipment, went up the pole bare-handed, and with the assistance of instruction from the semi-conscious Sleet, brought the injured man to the ground. An ambulance of Chambers and Grubbs rushed him to the hospital.

This is the first accident Mr. Sleet has had in about 25 years of service as an electrician and lineman.

B. T. U. MEETS

The Young Adult B. T. U. of the Walton Baptist Church held its regular monthly meeting at the church on Friday evening, August 17, with Mr. and Mrs. Lebus Stephenson acting as host and hostess.

After a delicious meal, a business session was held, presided over by the president, Mrs. Lebus Stephenson. The program for the evening, enjoyed by all, was in charge of Mrs. Clifford Chance.

Members unable to attend were missed, and all are urged to attend the next meeting. Visitors are always welcome.

Those enjoying the evening were Mrs. June Neumeister and children, Mrs. Anna Soden and son, Mr. and Mrs. Clifford Chance and daughter, Miss Alma Conrad, Mrs. Dora Pennington and sons, Mrs. Lawrence Wilson, Mrs. Katherine Winkle and son, Wayne Rice, Raymond Brewster, Stanley Allen, and Mr. and Mrs. Stephenson and daughter, Sherry.

D. C. Snyder of Newport, was a recent guest of the C. L. Gains family.

CYCLISTS INJURED

Two boys were injured and their motorcycle demolished in a collision with an auto last Friday night on U. S. Highway 25, near Bracht.

George Anderson, 15, of Bracht, was admitted to St. Elizabeth Hospital with a head injury and severe cuts of the face, elbows and legs.

James R. Losey, 18, Walton, operator of the cycle, was treated by Dr. J. M. Huey, Walton physician, for face, scalp and leg cuts.

Kenton county police said they learned the youths smashed into the side of an auto which had pulled out of a parking lot and was attempting to cut across the north-bound lane to head south.

Allie Sasher, 33, Williamstown, driver of the car, was arrested on a charge of being drunk on a public highway.

Large Crowds At

Verona Lake Ranch

Shows Each Sunday

Last Sunday the Mimmie Skinner Show at Verona Lake Ranch attracted seven hundred cash customers and many other visitors out for a pleasant drive over Route 16. According to Bill Scroggin, operator of the Ranch, top guest honors go to our good neighbors around Independence, who had 26 in one group, to see and hear this popular radio star. More new people each Sunday afternoon are having a real old time picnic there in the woods before and after the show. Huge baskets of food piled high on the tables where the whole family and their friends can enjoy a real old time picnic. Back memories of the "Old Days" when people got together more often in the great outdoors and enjoyed nature's best.

This Sunday's program is full of radio and television talent, featuring the Pleasant Valley Boys, WLW; Jerry Bird, steel guitar specialist; Zeke Turner, better known as "Winkie"; and the Bell County banjo picker, Red Turner. Also, Rome Johnson, Guy Blakeman and their Ranch Harp, plus the Criswell Sisters, heard at Renfro Valley, and two of the best old time square dance teams in the land make up one of the best shows that probably could be assembled for such a small admission price—60c for adults and 30c for children.

The Boone Countians, under the leadership of Clarence Fields, take pride in presenting the five Caldwell Sisters. This team has already made a fine name for itself in past performances and was a close second at the State Fair last year. Hubert Ryan and His Verona Ranch Hoedowners have made rapid strides this summer, since they were organized in July of this year. Making a guest appearance at Renfro Valley a few weeks ago was their first time to appear before an entirely new audience. They received a fine ovation on this show and accepted an offer on the Saturday night broadcast, heard over WHAS at 7:30 p. m. Mr. Scroggin predicts a bright future for these two teams in show business provided they stick together.

Two full shows are presented each Sunday afternoon at 2:00 p. m. and 4:00 p. m. in the outdoor theater, under the shade of giant trees. Plans are under way to present a full 30-minute program of Gospel singing, which will probably be announced at a later date, for one of the future shows. The slogan of the Ranch is: "A good clean show for good, clean people."

GORA ANN PEEK

Mrs. Gora Ann Peek (nee Hughes) died Friday, August 17, at her home at Coral Ridge, Ky. She was 84 years old and the widow of the late Thos. D. Peek.

Funeral services were held Tuesday, August 21, with burial in Portland Cemetery.

She leaves six daughters, Mrs. Claude Meffer of Worthville, Mrs. Lula Baker, Mrs. Thelma Ryan, Mrs. Mary Nell Freeman and Miss Margaret Peck of Louisville, and Mrs. Margaret Chapman of Verona; nine grandchildren, and 9 great-grandchildren.

Mrs. Livona Elliott was a recent guest of her sister, Mrs. Harrison Waters, near Glasgowville.

Mrs. Naomi Filizic of Cincinnati, was the guest of Mrs. C. L. Gains last Friday.

10,000 Persons Attend the 2-Day Boone County Fair

Nearly 10,000 persons were visitors at the two-day Boone County Fair, held last Friday and Saturday at the Covington Ball Park. This was the first game of the three-game championship series.

Donald Vest was on the mound for New Haven, with Gayle Rouse behind the bat. Vest pitched an exceptionally good game, allowing only four scattered hits. Slayback, Rouse, Huey and Vest accounted for most of the New Haven hits.

The second game of this series will be played at the Covington Ball Park on Saturday afternoon, August 25, beginning at 2:00 p. m.

New Haven won the regular season title in the FOP League.

BOOSTERS WIN GAME

The New Haven Boosters baseball team defeated the Hicor Motors nine 4-3 in a 14-inning game Saturday at the Covington Ball Park. This was the first game of the three-game championship series.

Donald Vest was on the mound for New Haven, with Gayle Rouse behind the bat. Vest pitched an exceptionally good game, allowing only four scattered hits. Slayback, Rouse, Huey and Vest accounted for most of the New Haven hits.

The second game of this series will be played at the Covington Ball Park on Saturday afternoon, August 25, beginning at 2:00 p. m.

New Haven won the regular season title in the FOP League.

Home Economics Teachers Attend 4-Day Conference

The annual conference of the Kentucky Association of Home Economics Teachers was held last week at the State Future Farmers of America Camp at Hardinsburg. The theme of the four-day conference was "The Community and You."

Teachers at the conference studied how to meet the needs of their communities. New techniques in group work were discussed, and exhibits of new teaching materials were available.

Dr. Irwin Sanders, Director of the Bureau of Community Service of the University of Kentucky, spoke on "The Family in the Community" and "The Roles of the Home Ec. Teacher in the Community."

A report of the 1949 Century White House Conference, was given by the Director of Home Economics Education, Miss Mary Lois Williamson.

State officers for the coming year were elected at the closing session. They are: President, Mrs. Christine Wallace, Carrollton; Vice President, Mrs. Marion K. Boone, Flemingsburg; and Secretary-Treasurer, Miss Dorothy Ray, Estill County.

Teachers from the Covington District who attended were: Mrs. Sara Felner and Mrs. Margie England of Owen; Miss Hazel Glascock of Warsaw; Mrs. Anita Knuehl, Campbell County; Mrs. Helen Blanton of Crittendon; Miss Mary F. Kells of Mason; and Mrs. Helen McElroy of Simon Kenton.

The Saturday morning show was devoted to the Holstein cattle exhibit. Graden Bros., Alexandria, were first with both the grand champion female, Grand champion male, and the grand champion bull and the grand champion female. Graden also was first with the best Holstein heifer, Franklin Wolfe of Alexandria, placed first with the best Holstein heifer over one year and under two years old.

He also took first with the best Holstein heifer, six months and under one year. C. Dawes & Sons of Alexandria, placed first with the best Holstein heifer under six months; Irvin Burns, Alexandria, came first with the best bull over one year.

John E. Riddell, Hebron, displayed the best Holstein female under one year in the 4-H class. Audrey Parker of Florence, had the best bull under one year. Graden Brothers also won the best artificially-sired calf competition.

NINETEEN EXAMINED

According to C. G. Kelly, Clerk of Local Draft Board 108, nineteen men were given pre-induction examinations on Wednesday of this week.

They were: Charles North and Elmer Adams, Jr., of Constance; Kenneth Adams of Burlington; Hugh Gess of Covington; Marvin Lalle and Donald Lipscomb of Florence; Maynard Meadows, Joe Stephenson and Gilbert (Pee-Wee) Glenn of Walton; Raymon Cueno, Burlington, R.I.; Herbert Sewell, Union; John Rogers, Burlington, R.I.; Edward Overbay of Verona; Wendell Rowland, Burlington, R.I.; Clarence Mershon, Covington; James Wolfe of Petersburg; and Donald Conrad of Burlington.

CONCORD REVIVAL

Revival services will begin at the Concord Baptist Church on Sunday, September 9, and continue through Friday, September 14.

The Rev. R. E. Lawrence, formerly of Crittendon, and now of Missouri, will be the visiting evangelist, and the pastor, Rev. V. F. Lipscomb, will be in charge of the song services.

Services will begin each evening at 8:15 p. m.

Mrs. Julia A. Rouse arrived home here last week from her daughter's, Mrs. F. Sulzberger, Phoenix, Va., and is improving from her recent accident.

By Jury In Boone Co. Circuit Court

After entering a plea of guilty, Andrew Doyle, 50, Paxton, Ill., was sentenced to life imprisonment Wednesday by a jury in Boone Circuit Court on a charge of murdering M. L. Townsend, 63, operator of a service station and store on U. S. Highway 42, near the New Haven School on July 21, 1951.

The all-male jury deliberated one hour before bringing in the verdict. William McEvoy, Boone county attorney, immediately went on record to the effect that he never will approve a pardon for the convicted slayer. The court session was presided over by Judge Ward Yager.

Doyle was arrested July 25 in Gallatin county by Sheriff Wendell Easton. At that time he signed a confession that he had shot Mr. Townsend while attempting to rob the elderly man in his roadside stand.

In the confession, he stated he had conspired with Aubrey Beach, 28, of Lexington, to stage the holdup. Beach still is being sought by Federal Bureau of Identification agents for the return to Boone county for trial.

"Not guilty" was the verdict of the jury trying the case of Ira Dixon, Walton, charged with the slaying of his wife, Amelia, 52, on December 12, 1950.

O. M. Rogers, attorney for the defense, contended that the prosecution case was based solely on circumstantial evidence, and that in addition, the prosecution had failed to prove a motive. The defense insisted throughout the trial that Mrs. Dixon had killed herself.

A government firearms expert testified last Monday afternoon that in his opinion, the pistol was fired not more than an inch from her body.

R. L. Vincent, Commonwealth's Attorney, contended that there had been a scuffle between Dixon and his wife, and that during the scuffle Mrs. Dixon had grabbed the gun with her left hand trying to prevent Dixon from shooting her, and that while she was holding the barrel of the gun she had been shot once between the webbing of her forefinger and thumb. This shot, Mr. Vincent stated, had caused her to let go of the pistol, and when she released it Dixon hit her over the temple, and as she fell backwards, he shot her through the abdomen, the Prosecutor theorized.

The jury was out for about 40 minutes and came back into the courtroom to obtain clarification on the matter of rendering a verdict. Five minutes later the jury returned with the "not guilty" verdict.

Judge Ward Yager was very stern in quelling an attempt to start a demonstration by friends of Dixon.

Mr. Dixon, when asked if he had ever had any doubt as to the action of the jury, replied "I knew I wasn't guilty, and I kinda thought they would let me go. And now I'm a-gonna fishin'," he added. He was surrounded in the courtroom by a host of Walton friends.

CIRCLE MEETS

Mrs. William Burkett was hostess to the Jean Bach Circle of the Walton Baptist Church, at her home last week.

Plans were completed to fill a box with small toys for the church nursery, with everyone bringing toys to the September meeting.

The Circle was happy to welcome the following new members: Mrs. Mildred Robinson and Mrs. Elizabeth Hinkler.

Mrs. Lawrence Wilson had charge of the program, with several of the members taking part.

Those present were: Mrs. Clifford Chance and daughter, Mrs. Anna M. Soden and son, Mrs. Charles Prather, Mrs. June Neumeister and children, Mrs. Lebus Stephenson, Mrs. Chester Armstrong, Mrs. Lawrence Wilson, Rev. and Mrs. William Burkett and sons.

Mrs. Charles Prather will be the hostess for the September meeting.

Local Women Hurt In Wreck

Last week, Mrs. Lon Webster and
children and Mrs. Bertha Boling and
children were coming toward Inde-
pendence, near Cotton Creek on the
Stephens Road when the car, driven
by Mrs. Boling, got beyond control
coming down a hill, failed to make
a sharp turn in the road, striking a
big tree. Mrs. Webster was pinned
under the dash but the Independence
Life Squad adjusted the seat back-
wards and removed her to the ambu-
lance and took her and her young-
son to the hospital. The youngster
was thought to have a broken jaw
but a few days later was released by
the hospital, having only suffered
bruises and cuts about the mouth
and face. Mrs. Boling received a
bump near the knee and her young-
est child a slight lunk on the shoul-
der, but it is reported that Mrs. Web-
ster received chest injuries, three
broken ribs and a cut in the fore-
head in which several stitches were
taken. The car, a '37 Ford, is report-
ed demolished beyond repair.

Sickness

Mrs. Mary Collins has been shut
in with lagrippe. Mrs. Margaret
Armstrong Oliver is home from the
hospital and reported resting well.
Luther Reed's mother is reported ill.
Mrs. Charles Glass is on the sick list
again. Mr. and Mrs. Dan Hoffman,
L.L.L. South of Independence, are re-
ported about the same. Dick Mc-
Kinley's little seven-year-old broth-
er is being held in the hospital for
treatment of lockjaw—he is showing
improvement and beginning to eat,
after two weeks practically without
food. Mrs. Wiley Sims, West of In-
dependence, is improving from a
heart attack, but cannot walk up
stairs. Mrs. Cliff Coleman, of our
town, is in the hospital improving
from an operation. George Rummel
of McMillan Drive is home from the
hospital and doing OK. J. P. Mof-
fett of McMillan Drive is in the hos-
pital, reported with a double break
of his leg. Floyd Frakes is reported
improving from another recent
stroke. Someone reported that this
was his fifth stroke. Mr. and Mrs.
Finley Sanders are visiting Mrs.
Sanders' brother who is very sick at
Winchester.

Visiting and Vacation

Dr. N. E. Boyd and wife have re-
turned from Palaski, Va., where they
visited the brother of the doctor.

Mr. and Mrs. C. S. Snelson of Mc-
Millan Drive have had a visit from
her daughter-in-law, Mrs. Sydney
Snelson, and daughter Jone of Lake
City, Tenn. Miss Judy Hill of Union
is now a visitor in the home of the
Snelsons.

pendence Volunteer Fire Department
was called to the farm of Newman
Armstrong, L.L.L. near Nicholson. A
grass fire was in progress but was
soon extinguished.

Four-Year-Old Boy Dies

Raymond M. Stith, four-year-old
son of Raymond Stith, of Crescent
Springs, was pronounced dead on
arrival yesterday at St. Elizabeth
Hospital. Mrs. Teresa Riffe, cor-
oner, said that death was due to a
digestive ailment.

The boy was stricken Thursday
and was taken to the hospital early
yesterday by the Independence Life
Squad.

The child had resided with Mrs.
Monroe Shirley, old Decoursey Pike,
since the death of his mother. Ser-
vices were held Monday. Burial was
at Falmouth.

Eighteen Are Colled

Thirteen Kenton county youths
were inducted into the Army, Aug. 9,
and five Kenton residents were in-
ducted into the Marine Corps, ac-
cording to Draft Board, 90, Coving-
ton.

Visalia Citizen Passes Suddenly

Rev. Burnie Wolfe, Sr., Visalia,
pastor of Wood Memorial Baptist
Mission, Covington, was pronounced
dead on arrival at St. Elizabeth Hos-
pital, after he collapsed at his home.

Rev. Wolfe was taken to the hos-
pital in the ambulance of the Inde-
pendence Life Squad. Mrs. Teresa
Riffe, Coroner, attributed death to a
heart attack. He was 61 years old.

A native of Falmouth, Rev. Wolfe
was formerly employed by the
Kroger Co., Cincinnati, for more than
25 years.

Surviving are his widow, Mrs.
Myrtle Sorrell Wolfe; three daugh-
ters, Mrs. Ora Schooler, Mrs. Dorothy
Capito and Mrs. Phoebe Marshall,
all of Covington; two sons, E. H. and
B. C. Wolfe, both of Covington; five
sisters, two brothers and four grand-
children.

Services were held Monday from
the residence at Latonia Baptist
Church, with burial in Highland.

Grass Fire

Last Sunday afternoon the Inde-
pendence Volunteer Fire Department
was called to the Howard Wernuth
place on Wilson road to fight a grass
fire. It burned quite a spot but the
firemen soon put it out.

Sunday School Picnic

The Independence Baptist Sunday
School has planned for their annual
picnic Saturday, August 25, to be
held near Cleves at Long Island park
on Selby Road. All who want to
ride in the truck are to catch it in
front of the church at 9 a. m. Basket
dinner will be spread at the park at
noon.

Visiting

Mr. and Mrs. Carpenter, Mr. and
Mrs. Wm. Blair and son, Mrs. Kath-
ryn Parrie, Miss Kate Klinger and
Miss Emma Klinger, sisters and
aunts of Mrs. W. E. Maners motored
175 miles from Indiana, and took
dinner and spent Sunday afternoon
at the Baptist parsonage.

The Thomas Cain family has been
visiting relatives down state.

Kenton Revival

The Kenton revival meeting closed
last Friday night with good
crowds and interest. There were 13
who made public indication of con-
fessing Christ, beginning to tithe or
rededication.

Pictures

The pictures of the Atwood tent
meeting may be seen at the Deputy
Clerk's office, and orders left if pic-
tures are desired.

Mr. and Mrs. J. T. Collins and
children were guests the week of
August 14 of Mr. and Mrs. Harry
Puffinberger and children of Wil-
liamsport, Ohio. Additional Thurs-
day evening guests were Chas. Ger-
rett and children of Williamsport,
and Mr. and Mrs. Thomas Boyer and
children of Circleville. Mr. Collins,
Mr. Puffinberger, Mr. Garrett and
Mr. Boyer were Army friends in
World War II, all having served on
Okinawa together.

No cases of cattle bloat were re-
ported in Henry county where the
pasture mixture was a third to half
grass.

Lesson for August 26, 1951

Are You a Citizen?
LET'S come down home. The official title of this week's lesson is "The Christian's Responsibility in Public Life." That is a big thing, a wide circle; but the center of the circle is you, my friend, and right around you is the community in which you live.

What kind of town is it? Not how big, but how good. It doesn't have to be a town at all. It may be a section of open country, a few miles of farms, ranches or woodland. But it is some kind of community.

In New York State the Citizen's Council prepared the following set of questions which can be used to help you rate your community. After each set of these questions write down either 10 for good, 5 for fair, or 0 for poor.

Rate Your Town
"1. Education: Does your community make modern education available to every child, youth and adult? Are its schools ungodly, properly equipped, and in good physical condition? Are the teachers highly qualified and well paid?"

"2. Housing and Planning: Is every family decently housed? Is there continual planning for improvement of highways and other community essentials? Are parking, transportation problems under control?"

"3. Religion: Is full opportunity for religious expression afforded to every individual in your community? Are your churches strong and well supported?"

"4. Equality of Opportunity: Do people of different races, religions, nationalities have full chance for employment and taking part in community life? Are dangerous tensions kept at a minimum by avoidance of discrimination and injustices?"

"5. Economic Development: Are good jobs available? Do labor, industry, agriculture and government work together to insure the sound economic growth of your community?"

"6. Cultural Opportunities: Are your citizens' lives strengthened by ample opportunity to enjoy music, art, and dramatics? Does your community have a professionally administered library service which benefits people of all ages? Do your newspapers and radio carefully review the affairs of the community?"

"7. Recreation: Are there enough supervised playgrounds and facilities for outdoor activities? Does your community offer full opportunity to take part in arts and crafts, in photography, and in other hobbies?"

"8. Health and Welfare: Are medical care and hospitalization readily available? Is provision made for underprivileged children, the aged, and the handicapped? Can families in trouble secure the help they need?"

"9. Government: Do capable citizens seek public office? Are your officials concerned about all with community betterment? Does controversy stem from honest differences of opinion and not from squabbles over privilege?"

"10. Community Organization: Is there any organization (community forum or the like) representative of the whole community, working for the advancement of all? Do your citizens have opportunity to learn about and take part in their local affairs? Is there an organized community-wide discussion program?"

It's Up to You.
NOW add the scores you have put down for each of the ten groups of questions. A total of 100 is fine; 50, fair.

But now look over these questions again. Is there anything you could do, personally, about each of these things? If so, have you done it? Have you done as much as you could? Have you ever tried to get other people interested?

You can make another score sheet and head it: How I Rate as a Citizen. Then grade yourself under each of those ten heads, 10 for doing all you can, 5 for doing a little something, 0 for nothing at all. If you are a Christian, be especially strict with yourself.

If you were out of it, would your community miss you as much as you miss salt when you are one of the ten heads, 10 for doing all you can, 5 for doing a little something, 0 for nothing at all. If you are a Christian, be especially strict with yourself.

*Reprinted by permission.

THE DAYS OF OUR YOUTH

These are the days of innocent childhood, when the world is beautiful and the future is bright; when the morning stars sing together and Nature is attuned to the music of the spheres.

It is a time when boys and girls should heed the counsel of Solomon, who said: "Remember now thy Creator in the days of thy youth, when the evil days come not, nor the years draw nigh when thou shalt say, 'I have no pleasure in them.'"

It is a time when parents and teachers and friends should endeavor to fortify youth against the pitfalls of the most dangerous period of human life; when a slip or more serious mistake may take the brightness from the skies and leave only gloom and disillusionment.

Youth needs God—needs a deep sense of the Infinite and Eternal in human life. The churches of this community are endeavoring to meet this need.

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to Bible study.

Crume, Jr. and family. They report a fine trip and enjoyed particularly the picturesque scenery in the Rocky Mts.

Miss Stella Carpenter of Covington, was visiting relatives here on Sunday.

W. K. Souther, Carl Rouse and the P. J. Allens attended the Food and Home show now in progress at the Cincinnati Zoo.

Weekend guests of the Clyde Arnolds were Mr. and Mrs. Sherman Peeno of College Hill, and Mrs. Arnold's sister, Mrs. Genie Kothman of Covington, was her guest during the past week.

Miss Joan Carrigan, formerly of this community, and Weldon Walker were united in marriage at the Erlanger Christian Church, Friday at 4 p. m. Their friends here join in wishing them a long and happy life together.

Mrs. Eva Osborn and Mrs. Clyde Arnold were guests of Mrs. Arnold's daughter, Mrs. Walter Kinkpatrick of near Rising Sun, Ind., Wednesday, on the occasion of the latter's birthday. May she enjoy many happy returns of the day!

Mr. and Mrs. Vern Arnold and family were guests of Mr. and Mrs. Bob Gardner of Walkerton, Ind., over the weekend. Mr. Gardner and Mr. Arnold were former buddies in the U. S. Navy.

Buddy Arnold and a boy friend enjoyed a fishing trip to Wolf Creek Dam over the weekend.

Mr. and Mrs. Clyde Arnold and Mr. and Mrs. John Schram enjoyed Sunday of last week at Wyandotte Cave in Southern Indiana.

Mr. and Mrs. Buddy Arnold were host and hostess with a party Aug. 14, honoring their little daughter, Deborah, on her first birthday.

VERONA

This community still needs rain. Mrs. Marie Pennington spent a few days last week with Mrs. W. E. Waller, who is still confined to her home with an infected leg.

Mrs. Lizzie Noel spent a few days the past week with her niece, Fattie Waller.

Rev. and Mrs. Stewart left Sunday evening, Aug. 19 on a two weeks vacation. Bro. Styles will fill the pulpit while he is away.

Mrs. Maitland Baker of Morning View, spent one afternoon last week with Mrs. W. E. Waller.

We congratulate Bill Stewart on being the oldest man at the Boone County 4-H Club fair.

Mr. and Mrs. Lloyd Waller and family of Cleveland, Ohio, have been visiting his brothers, Will and Marion, after an extended trip through Maryland, Virginia, North Carolina, Kentucky and Tennessee.

Revival services at the Church of Christ have been well attended and we feel much good has been done by Miss Gibson.

This community welcomes Mrs. Lenabelle Harris back to the community. She returned home with her daughter and family, Mr. and Mrs. Joe Rouse, after having spent some time with her son in Tennessee.

Verona Lake Ranch

I went over to the Verona Lake Ranch, Sunday afternoon—I would say it is one of the finest places to relax on Sunday afternoon, plenty of seats, but you take your cushions, lots of good music, and soft drinks, and also meet your friends from all adjoining counties. There were over 600 paid admissions Sunday and no one was crowded, lots of room, shade and even picnic tables. Take your lunch any time or any evening for a picnic. A lot safer place than driving on this highway trying to enjoy a drive. I just learned that we have radio talent in our community broadcasting every Saturday night on the Renfro Valley program—I don't know who all of them are so I won't call any names, but you turn on your radio next Saturday night for the Renfro Valley show and maybe you can find out. You never know what your neighbor can do until they have a chance to show it.

Mrs. Mabel Aylor, widow of the late Everett Aylor, was here from Ashland, Ky. Sunday visiting. She is still a constant reader of the Walton Advertiser.

Tuesday was repair day. Omer Dudgeon wanted a hammer handle installed. Then came Beck-ham Shields with a water pump for repair and a electric iron for a new cord. David Waters needed a handle put in his hammer. Ab Ryan needed angle iron, bolts and trailer hitch for he is building a trailer. Mr. Cockrell, out on Nicholson Road, came in after a new Dayton water system—he asked how much and when—I told him only \$99.50—he said send it out. Mrs. Harry McCubbin called to send her a Belz Armstrong linoleum rug—Chick rushed it up to her.

Rollie Haddix from Gallatin county just bought several gallons of white creosote paint. We just received a lot of Bolce outside white—it was just made last Friday, so it is fresh and easy to get out of the bucket. Chick sold three rolls of sisal kraft paper and three rolls of welded fence for silos. W. B. McCormick and wife were in after plastic window shades and window screens. Bertha Jack sent up after an Armstrong linoleum rug. Tevis Thomas was in and paid for a lot of galvanized water pipe we had delivered to him.

William Armstrong came over after two rolls of sisal kraft paper for a silo. Joe Kennedy came after three cement trowels to smooth his new concrete dance floor—he is building a large one down by Luxy Acres. Stanley Allen bought

enough paint for his kitchen—he is going to paint it while Mary Margaret is visiting—he hopes she likes the color. My aunt from Dry Ridge stopped in today and bought a 6-qt. Micromatic pressure cooker—when her daughter gave her a 4-qt. a few years ago she said she would not use it, but she tried it and now she uses it all the time—so today she bought a 6-qt. because the 4-qt. is a little small. Pressure cookers are time and money savers—you women know how long you have to cook navy beans to have bean soup, well, you can have it in a pressure cooker in 30 minutes. If you don't have one, buy one, they are cheap.

We sold a little of everything today. Joe Dance bought mower repairs. Jake Lindsay and Robert Bokelo bought chain repair links. Mr. Barnes of Williamstown bought a Miller Falls plane. J. R. Flynn bought PTZ powder for his sheep. Mr. Hiderman bought PTZ pellets for his sheep—this powder and capsules are fine for worms in everything but horses. We sold more Armstrong rugs and plastic window shades. Mary Stephenson is going to trip one of those plastic window shades. Harve Vest bought a lot of Bolce red barn paint, linseed oil, a Paris Green blower and a paint brush. Mrs. Groves from Napoleon and Mrs. Spencer were over today—Mrs. Groves bought a lot of Armstrong linoleum and stove pipe for Roy to bring over and install.

Earl Metcalfe came after 200 lbs. No. 9 fence wire. We sold several more rolls of welded fence for silos. Several were in today looking at oil and coal heating stoves—we have met all of our heaters for the winter in—buy early and don't wait until the last week. Gordon Phillips and Gene Sizemore were buying more fishing tackle. Rev. Burkett is getting ready for a few days at Indian Lake fishing. Floyd Seebree bought a lot of galvanized pipe and fittings.

Ben Simpson is ready for the squirrel season—he bought a 20 ga. Mosberg three-shot gun with the adjustable choke on it. We sold a lot of hunting license and shells today, as the season opens the 30th of August. Ed Pernell came up after some gun shells—he said ground hogs were eating his corn—but ground hogs don't climb trees or do they. We have none and one and two-bore alids, also a rubber tired wagon and a Harvey hammermill. Come to CONRAD when you want hardware and service.

FOUR NEW TEACHERS ARE WELL QUALIFIED

The Walton-Verona Schools will open the 1951-52 school year on Tuesday, September 4, with the following corps of teachers having been named by the local Board of Education:

At Walton—J. O. Ward, Superintendent; James Smith, High School Principal; 1st grade, Mrs. Casper Acree; 2nd grade, Mrs. Sara Sleet; 3rd and 4th grades, Miss Effie Chandler; 5th grade, Mrs. Mary Jane Trapp; 6th grade and Grade Principal, Troy Spears; High School—Mrs. Kathryn Baker, English; Miss Kathleen Goodman, Librarian; Miss Irene Newton, Commerce; Miss Lucy Nancy, English; Charles Hayes, Coach.

At Verona—Ed Chipman, Principal; Mrs. Leota Mathis, 1st and 2nd grades; William Mathis, 3rd and 4th grades; Mrs. Kathryn Rouse, 5th and 6th grades.

Of the three new teachers, we have learned the following: Miss Kathleen Goodman is a graduate of Western State College, Bowling Green, Ky., with a major in Library Science and teaching in the fields of social science and English. Her home is in Hardinsburg, Ky.

Mrs. Newton is formerly from Mississippi, and is a graduate of Bel Haven College, Jackson, Miss., and of Western State College, Bowling Green. She has a degree in Commerce and Home Economics.

Troy Spears is a graduate also of Western, and has both AB and MA degrees from that institution. His home is in Burkesville, Ky. He has a major in Social Sciences and a Master in Education.

FIDELIS CLASS MEETS

The Fidelis class of the Walton Baptist Church met at the church for the monthly meeting. It was decided that any member wishing to visit the new Ophelia Home in Louisville, inform the class and transportation will be arranged. The date has not been set but will be some time in September. Everyone is to take a box of cookies for the kiddies. Those present were Dora Pennington, Mabel Johnson, June Neumeister, Margaret Wilson, Helen Chance, Frances Code, Betty Webster, Vera Wright, T. Silvers, Katie Hankinson, Frances Chapman, Georgia Green, Thelma Rust, Alice Flynn, Gaynelle Flynn and daughter. Guests were Alva Adams, Paulette Chance, Betty Code and Louise Sandmeyer.

The meeting next month will be held in the home of Mrs. Gaynelle Flynn on Stephenson Mill Road.

Robert Sleet Succumbs Wednesday As Result Of Electric Shock

Robert Franklin Sleet, 43 years old, employed by the Union Gas and Electric Company, died early Wednesday morning at the St. Elizabeth Hospital, where he had been since he suffered a severe electric shock while working on a pole near Burlington.

Mr. Sleet had received severe burns from the high tension lines on his entire left side.

Funeral services will be conducted from the Chambers & Grubbs Funeral Home in Walton on Friday at 2 p. m. with burial in Highes Chapel cemetery.

He is survived by his wife, Nannie Marie Sleet; his mother, Mrs. Molly Sleet, Walton; four daughters, Mrs. Bobby Marshall, Amador, Mich.; Miss Betty Sleet, Amador, Mich.; Miss Peggy Sleet, Miss Mary Jean Sleet, both of Columbia, Ky.; two sons, James Sleet and Philip Sleet, both of Columbia, Ky.; 1 stepson, William Ryle, Walton; two brothers, Henry Sleet, Walton, Ward Sleet, of Seymour, Ind.; one sister, Mrs. Malcolm Simpson, Walton.

An outbreak of Black Shank in tobacco is reported from Spencer county.

25TH ANNIVERSARY

Mr. and Mrs. Roy Flisk of Nicholson, will celebrate their 25th wedding anniversary on Sunday, September 9. Open house will be from two to six p. m. and they invited all friends and neighbors to participate in this event.

Safe and \$75 Taken From Everett Jones Home Last Sunday

According to Wendell H. Easton, Boone County sheriff, \$75 and a 100-pound safe containing valuable papers were stolen from the home of Everett Jones, Walton Star Route, Normansville, while the latter attended church Sunday evening.

It was learned the thief rased a back window to enter the Jones home.

Another Boone county burglary on August 18, was solved Saturday when Pearl Rice, 40, Bellevue, was returned to Burlington from the Mt. Vernon Jail by Sheriff Easton.

This case involved the theft of \$70 from the home of Sherman Burcham, Bellevue, August 18 while he was attending the Boone County Fair.

Arraigned before Judge C. L. Cropper in Boone County Court, Monday, Rice was held to the grand jury. Unable to meet his bond of \$1,500, he remained in jail.

BIRTHDAYS SUNDAY

Mr. and Mrs. Dawson Ballinger of Independence, Route 1, entertained Sunday with a birthday dinner for his sisters, Mrs. Mabel Brannock and Mrs. Mary Maddox.

Those who enjoyed the delicious dinner were: Mr. and Mrs. W. J. Brannock of Berry; Mr. and Mrs. Walter Maddox of Crittenden; Mr. and Mrs. Russell Daugherty and son Clyde, Mr. and Mrs. Wayne Richardson of Williamstown; Mr. and Mrs. Ralph Brannock of Sharonville, Ohio; Mr. and Mrs. Robert Brannock, Danie and Linda of Berry; Mr. and Mrs. J. B. Richardson, Mr. and Mrs. Klime Gordon and children, Joyce, Charles and Claud of Dry Ridge; Mr. and Mrs. George Ballinger of Latonia; Mr. and Mrs. Lybrian Richardson and children, Larry and Donna, Mich.; Edith Cameron of Detroit, Mich.; Mrs. Sophronia Mills of Walton; Mrs. Nannie Ballinger, Betty and Johnnie of Phoenix, Ariz.; Mr. and Mrs. Dwight Maddox and children, Kathryn and Jimmie, Mrs. Allen Campbell and son, Charles Allen, and Mr. Noel.

ZION BIBLE SCHOOL

The Bible School of the First Baptist Church is conducting a Vacation Bible School at the Zion Baptist Church in Walton. Thus far about thirty have been enrolled and attendance has increased each day.

Commencement services will be held at the Zion Church on Friday evening at 7:45. All parents and friends are invited to attend this service.

Mr. Bill Duchemin is superintendent of the school.

Gunpowder Homemakers

MAKE TWO CALLS

The Independence Volunteer Fire Department was called to McMillan Drive last week to put out a grass fire and also to the hollow north of the Bank of Independence to put out a second grass fire. Neither fire amounted to much.

District Parole Officer Gives Favorable Report On Conditions Here

Allen Wilson, State probation and parole officer for Boone, Carroll, Gallatin, Grant and Owen counties, reports that his services did not cost the taxpayers a cent the last fiscal year.

During statistics issued in Frankfort by Darrell B. Hancock, director of the Division of Probation and Parole, Wilson says it works this way: He had an average of twenty prisoners who are paroled from State prisons under his supervision during the fiscal year beginning July 1, 1950 and ending June 30, 1951. They earned approximately \$30,000 during the same period, and paid State and Federal taxes totaling over \$8,000.

During the same time, Wilson also supervised an average of seven men who had been granted probation following their convictions in circuit court for felonies committed in the five counties. They earned \$10,500 and paid nearly \$3,000 in taxes.

Wilson pointed out that if these men had been kept in prison instead of being granted probation or parole, the taxpayers would have paid \$10,800 just to keep them imprisoned at LeGrange or Eddyville. He also noted that they would not have earned anything, and in many cases their families would have been dependent upon charity or state relief rolls.

The rate of success for both probationers and parolees in the five counties which make up the fifteen-judge district was very high, according to records in the Frankfort office. Only five parolees were returned to prison as parole violators and three probationers were committed to prison.

Figures released in Frankfort also show that Wilson made a total of 360 investigations of felony cases during 1950-51, and 133 calls upon men under his supervision. The statistics are a part of an annual report of the Division of Probation and Parole made to Welfare Commissioner Luther T. Goheen.

Judge Ward Yager of Warsaw presides over circuit court in the 15th district and has charge of granting probation to persons convicted in his court.

CHAMPIONSHIP GAME

The championship of the Times-Star Semi-Pro Baseball Tournament will be decided Friday night, Aug. 30 at the Covington Ball Park when Bob and Gene of Florence meet Hamilton, Ohio. Each team won a victory and this tilt will decide the issue. Action will begin about 8:00.

Sunday, September 2, in the KAG elimination series, the Eadesmen are to play Newport Steelers at Florence. Game time is 2:30 p. m. Last Sunday all road clubs in the loop were eliminated. B&G defeated the College, 9-2, with Mike Ryan being the winning pitcher. Besides the two above-named clubs, Asta Oil and Grants Lick are among the survivors.

UTOPIA PICNIC

A large crowd attended the annual Northern Kentucky District Utopia Picnic held at the Kenton County 4-H Club livestock building on the Simon Kenton school grounds, on Sunday, August 26. The Kenton and Crescent Springs Utopia Clubs of Kenton county were hosts. Members from Campbell, Boone and Gallatin counties attended.

Carl Jones, who is in charge of older rural youth work in Kentucky for the Agriculture Extension Service of the University of Kentucky, gave a report at the meeting in the afternoon on the Southern Rural Youth Leadership Conference. Rev. Joseph Lubrecht spoke on the value of group discussion meetings, stressing "this is the way to keep our country free from Communism." Folk games were led by Robert Klenstrup.

WILMINGTON REVIVAL

The revival meeting at the Wilmington Baptist Church at Fishburg began last Monday at 9 p. m. Dr. Orrie E. Bradshaw, pastor of the Penthurst Baptist Church, Richmond Virginia, is the evangelist. Some years ago the evangelist was pastor of the Wilmington Church.

SPOKE AT CONCORD

Rev. W. E. Maners, pastor of the Independence Baptist Church spoke last Thursday night at the Concord Baptist Church of which Rev. Frank Lipscomb Jr. is the pastor. A series of Thursday night meetings are being held with guest speakers in getting ready for the soon-coming revival services.

WOMAN'S CLUB TO MEET

The Walton Woman's Club will hold its first meeting of the year on Wednesday, September 5, at the home of Mrs. Wallace K. Grubbs. Mrs. Virginia Moore Liggett, a South American Missionary, will be guest speaker, and a 100% attendance is requested.

BAKE SALE SATURDAY

A bake sale will be held at the John R. Coppel Department Store in Covington, Saturday, September 1, beginning at 9 a. m. The sale is to be conducted by ladies of the Golden Circle class of Kenton Baptist Church and proceeds will be used for local Missions.

The class will also take orders for cakes to be baked upon request for future delivery. Contact Irene Grizzell, Kenton, Ky.

FEATURE WILL BE "HOME-COOKED" DINNER

The Rev. Henry A. Busemeyer, pastor of the Catholic parish congregation of St. Patrick's at Verona, and All Saints' at Walton, which is sponsoring its traditional Labor Day out-of-town celebration at Woodland Inn grounds, located on the Dixie Highway, 2 miles south of Walton, is urging all former parishioners and former residents of the area to join in the holiday homecoming.

Father Busemeyer recalls that the current development of the "twin congregations" is based on the "labors of past years" and that the reunion celebration will have a pre-silver jubilee connotation.

It was back in 1927 that the Very Rev. Monsignor Oscar L. Poole, then pastor of the Verona parish launched the beginnings of the development. He started a vacation mission at Walton.

Other Covington diocesan clergy who had a role in the work of the "twin congregations" were the Rev. Louis Delack, the Rev. John Dams, the Very Rev. Thomas J. McMartry, and the Rev. John Jobst.

Father Busemeyer, the sixth pastor, enlarged and later augmented the Walton facilities where a full-time Catholic school at All Saints' was opened in 1950. It is the only Catholic school between Florence and Lexington on US-25 and between Florence and Carrollton on US-42.

Edward H. Walton, general chairman of arrangements for the outing, has announced that afternoon and evening entertainment will be of local origin. Chicken dinner will be served with a midway of amusement and merchandise booths.

SPILLWAY REPAIRS

Reconstruction of the spillway on the fairgrounds lake will be started Thursday morning August 30 and continue through Friday August 31. The work will be under the supervision of Mr. Earl Welch, Extension engineer from the college of agriculture, and Mr. Homer Neiz, of the Portland Cement Co.

The extreme degree of slope on the spillway floor has resulted in excessive erosion and damage to the outlet. A Missouri type concrete flume will be installed to drop the water to a natural bed and thus prevent the heavy flushing by water running in the spillway bed.

Farmers having similar problems with spillways are invited to drop by the fairgrounds on either date and examine the procedure and the finished flume.

MEETS SATURDAY

The Boone County Sheep Protective Association will meet at the courthouse in Burlington Saturday, September 1 at 1:30 p. m. according to H. E. White, president.

All members of the association are asked to be present as important business will be discussed. Heavy losses of the few sheep insured may necessitate a closing of the insurance program in 1952. Members will be asked to vote on this piece of business.

Claims for 1951 will be paid at the meeting.

TO ATTEND FAIR

Walton Homemakers have chartered a Greyhound bus for Wednesday, September 12, to attend the State Fair in Louisville. The bus will depart from in front of the drug store at 7:00 a. m. The trip will include 134 hours and the round trip fare is \$3.50. Anyone wanting to go, contact Mrs. Jesse Callen or leave message with Mrs. J. T. Stone. Any who care to, may go.

HELD ANNUAL PICNIC

The Independence Baptist Sunday School held their annual picnic last Saturday near Cleves, Ohio at Long Island Beach. It seemed to be the best place for the Sunday School that has been visited with free swings, slides, tennis courts, ball parks and bathing. With plenty of fried chicken and other food, all enjoyed a good day.

City Ordinance 208

An Ordinance providing for the sale and conveyance of a lot located on Cruises Creek Road, one-fourth mile East of Dixie Highway, to The Union Light, Heat and Power Company, and fixing the purchase price of said lot.

THE COUNCIL OF THE CITY OF WALTON, KENTUCKY, DOES ORDAIN AS FOLLOWS:

SECTION I. That the City sell to the Union Light, Heat and Power Company, 0.369 acre of land located on the Walton-Cruises Creek Road, about one-fourth mile east of the Dixie Highway for the sum of Seven Hundred (\$700.00) Dollars.

SECTION II. That said parcel of land is described as follows, to-wit: Situate in Boone County, Kentucky, on the northerly side of Walton-Cruises Creek Road about one-quarter mile east of the Dixie Highway and bounded and described as follows:

Beginning at a point in the westerly boundary line of the grantor's real estate as described in a certain deed from John L. Vest and Edna M. Vest to the Town of Walton, Kentucky, recorded in Deed Book 70, pages 201 and 202, Boone County records, which point is the terminus of the 11th course as described in said deed, said point being further identified as being "near the west end and in the center line of the Water Works Dam"; thence from said beginning point along the west boundary line of the grantor's property south 30 degrees, 29 minutes east 227.25 feet to a point and the real place of beginning of the property hereby conveyed; thence from said real place of beginning continuing along the west line of the grantor's property, south 30 degrees, 29 minutes east 100 feet to a point, said point being the terminus of the 12th course as described in the above mentioned deed and being identified as a marked fence post on the north side of the Walton-Cruises Creek Road; thence along the north side of said road south 85 degrees, 33 minutes east 130.25 feet to a point; thence north 30 degrees, 29 minutes west 179.76 feet to a point; thence north 59 degrees 31 minutes west 114.16 feet to the place of beginning containing .369 acre more or less.

Being part of the same real es-

tate conveyed to the Town of Walton, Kentucky, by the said deed from John L. Vest and Edna M. Vest, dated July 20, 1931, recorded in Deed Book 70, pages 201 and 202, Boone County records at Burlington, Kentucky.

SECTION III. That the Mayor, Russell M. Hall, be and he is authorized to execute a Deed of Conveyance conveying all of the right, title and interest of the City of Walton in and to the parcel of land fully described herein in SECTION II to the Union Light, Heat and Power Company, a Kentucky corporation.

SECTION IV. That this Ordinance be in full force and effect after its passage and publication.

Passed by the City Council of the City of Walton, Ky., by the vote of 5 members of Council on the 27th day of August, 1951.

RUSSELL M. HALL, Mayor,
City of Walton, Kentucky.

ATTEST:
C. W. HOFFMAN, Clerk,
City of Walton, Kentucky.

Notice For Bids

Notice requesting bids for the improvement of Johnson Street in the City of Walton:

Notice is hereby given that the City of Walton, in Boone County, Kentucky, is asking for bids for the improvement of Johnson Street for a distance of four hundred and seventy-five (475) feet, as set out in detail in Ordinance No. 205 of the City of Walton. One World

Lesson for September 2, 1951

How rare it is to think of persons simply as persons, without any tags or labels! We think "policeman" or "lawyer" or "soldier" or "farmer" or "Japanese" before we think "man." One of the commonest tags we use is the race-tag. So-and-so is a Negro or an Italian or a Pole or a Mexican or a Scotchman, — at least that is the way he looks to us, even before he is Dan or Tony or Steve or whatever his name is.

We say off-hand, "All Negroes are like that" or "all Mexicans are that way" and we don't often take the trouble to see whether a particular Negro or Mexican is really "like that" or not. But from the Christian point of view, the first and most important fact about any person is that he is a person and not a thing.

A Lower Race
THE story of Jesus and the Samaritan woman shows how Jesus treated a person of a "lower" race than his. We needn't argue the question whether the Samaritans were actually beneath the Jews. In any case, the Jews treated the Samaritans like dirt.

On top of all that, the particular woman with whom Jesus talked at Jacob's well was poor and with no good reputation even among her own people. The disciples were surprised that Jesus talked with her at all. But as we read the story, it is clear that while Jesus "spoke of her condition" as the old expression is, he was dealing with her all the time as a particular human being, not merely as a Samaritan. Evidently, to be sure, she was greatly inferior to Jesus, and admitted as much herself; yet this fact did not raise a barrier between them.

A Dominant Race
WE often talk of "race prejudice" as if it were prejudice of topdog against underdog. But prejudice runs in both directions. Of course all race prejudice includes a strain of contempt; but a citizen of a conquered nation may despise his conquerors, the weak may despise the strong quite as easily as the other way around.

In the Bible we have an excellent example of a Christian coming into contact with a dominant, that is, a conquering, race: the story of St. Peter and the Roman officer Cornelius.

Peter at first did not want to have anything to do with Cornelius. God had to shake him into it, so to speak. But once Peter saw the point, he saw it plainly: God made no difference between Cornelius and Peter's own people, the Jews. It was not for Peter to call any man, even an officer of the foreign army that occupied his little nation and held the Jews severely down, common or unclean.

Which is harder: for a Jew to treat a Samaritan like a human being, or to treat a Roman the same way? Which is harder, for a white man to treat a Negro like a human being, or for a Negro to treat a white man like one? It may be hard either way, but it is Christian.

"In Christ There Is No East or West"

AN old Scotch elder tells this story. "My church had invited the youth fellowship of all the denominations in the state to meet in our church, and the officers of our church here to serve the communion on the last afternoon. It had never occurred to me that some of the delegates would be Negroes, but when I stood up to pass the bread and wine, there sat some Negro young people right beside the white ones.

For a minute I thought I couldn't do it. In forty years as an elder in the church, I had never passed the communion plate to any but white persons. But then I thought, after all I am not passing the bread and wine to Negroes and white people, but only to Christians. So I went ahead with it and I never felt such a blessing as I had that afternoon."

The elder had discovered that what Paul wrote is true: in the "new creature" in Christ there is neither Greek nor Jew, slave nor free man; that in Christ's presence the stone walls that divide the human race melt like snow.

NEW SCHOLAR!

It is a great day in the life of a child, and one of solemn reflection for his parents, when he toddles away from home for his first day in school.

The beginning of school days marks the end of an epoch and the beginning of another in the course of a modern child's life. From the sheltered precincts of the home he steps out for the first time "on his own."

From this time on, he begins to shape his own conduct and make his own way in the world—timidly at first perhaps, but gradually with greater confidence—like the fledgling in the early days of flight.

Religious instruction should by all means go hand in hand with the teachings of the secular schools, so that the child's spiritual life may expand with his intellectual growth. For education without God is empty.

Wise parents bring their children up in the Church, so that all their secular training may rest upon a foundation of eternal truth.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should join the Church. They are: (1) For his own sake. (2) For the sake of his community. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to Bible study.

ELECTRICITY

Electricity is something very few people know anything about, how it is made and what causes it—it freezes your ice, cooks your meals, irons your clothes, washes your clothes, toasts your bread, makes your coffee, milks your cows, cools your milk, grinds your feed and lots of other uses. I believe you get more electricity for your money than anything else when you can cook on a New Perfection Electric Range for 10 cents a day, and keep your food fresh with all the ice cubes you need with a Gibson Electric Refrigerator for only 5 cents a day; also you can have all the hot water you need with a Hoffman Electric Water Heater for 10 cents a day. What else can you get in your daily living for so little? This electricity is great but also remember, it will hurt you, it never gets gentle. My good friend, Bob Slett, who has been handling it for over 25 years, touched the wrong wire. When it burns, it burns very deep. When I stood at his bed the other night, I knew about what he was going through with, only he was burned worse than I was. We are all hoping he will recover, even if he had to lose his left arm, to save his life. Electricity is a great servant, but these good men that keep our services going have to suffer some times, so remember, the next time your lights go out, be a little more considerate, for somewhere out on a pole is a good man trying to resume your service. I think we have extra good service to be out in the country—what do you think?

Mr. Bell, who just purchased the Autotel Tourist Court, in South Walton, came in and bought a Barton Roaster, so you can have clean sheets if you stay there. Ben Hopperton stopped for a roll of barb wire. Uncle Bill Lancaster needed some Paris Green—he said he was going to keep the worms from eating up what little tobacco he had—he said you could feel rain falling today, but it was so fine you could not see it—just like the rain of 1908, he said. We just took Morgan Campbell out a 32-gallon electric water heater. This is one of the greatest and cheapest appliances you can put in your home. You can light, cook and heat water cheaper with electricity than anything else. I talked with a lady customer of mine today, whom I did not know, and she told me she cooked, heated water, washed, ironed, operated a television, refrigerator, deep freezer, milk cooler and lots of small appliances for \$15.00 per month—about 50 cents per day—where can you get more for 50 cents. I sold a lady an electric range and it just cost her \$1.95 per month to cook.

Ray went over and finished up the plumbing and electrical work on Noel Walton's bathroom. The Power Company put in the meter for a water heater and all he had to do was push the switch and the water started heating—for 10 cents per day the average family can have all the hot water they need. Miss Corrine Moore sent up by Mrs. Mary Houston for some of their Boice Liquid Satin paint—it does a wonderful job on any surface for inside work and only \$3.95 per gallon. Alicia Neumeister just came in for two 5-gallon Jamesway water fountains for her chickens—I have been selling her Jamesway poultry equipment for 10 years—you get more for your money when you buy Jamesway. We just unloaded ten Perfection Oil Heaters, ten Anchor Cool Heaters, ten wood and coal heaters, and remember, we install all stoves with smoke pipe, also when you buy stoves from CONRAD HARDWARE, you get service!

Joe Kennedy came in after twin buckles, eye bolts and machine bolts. He is putting his wife up a nice clothes line. Harry Bishop stopped and looked at those pocket knives, and when he saw a four-bladed Boker Knife for only \$3.00 he had to buy it—good quality pocket knives are scarce but we get a few each quarter—they are on allotment and will be for a long time. Bill McCormick and wife came in after 5 gallons of Boice Outside White paint—Bill likes this paint and has used a lot of it. Henry Brooks bought a Murray Electric Range—Henry is moving to Mt. Sterling and wanted a new electric range to take with him. Joe Kennedy came in to pay his bill and it was \$100 less than he thought—Joe is a good customer and always doing something—building or tearing down, always busy. Harley Tippitt was after more wiring material—he is building another house over on Wilson Road. Have you seen what the County is doing to Church Street Road? We have tried for years to get the stretch between the town limits and Kenton county line rebuilt, and now the County is doing it with a new grade and everything to meet the town's new street at the reservoir drive.

We have most of our oil and coal heaters out on display now—come early and get yours. We sell Perfection and Siegler Oil Heaters and Anchor Cool Heaters, set up with new pipe, and that is something at the price of stove pipe today. We have our heaters out now, where you can get first choice. Come to CONRAD with your heating problem—we can take care of it!

Record Crowds Expected at State Fair Sept. 7 to 15

Officials have predicted a record-smashing attendance at the 1951 Kentucky State Fair, which opens in Louisville, Friday. They forecast a turnout of 450,000 to 500,000 for the nine-day exposition.

Meeting place of Kentucky's farm and factory output, the fair will run two days longer than last year. This is counted upon, partly, to boost attendance. The expectations are based, however, more on widespread interest generated by the huge volume of entries in all departments.

The accent this year is on "youth, education and cleanliness."

Officials said they expected an average daily attendance of 50,000 or more. The biggest total fair output, pouring on record was estimated at 400,000 in 1948. Last year's attendance was down to 234,037 for the seven-day run, hampered by three days of rain and a city he strike.

Those in charge estimated this year's entries at 15,000. The 8,000 from 44-H and Future Farmer Club members doubled last year's in those departments.

The women's department entries amount to 2,500. Those in the livestock department total 3,900. The horse show, which runs eight nights, has the largest entry list in history—600. There will be a number of "firsts" at this fair, which will provide a total in excess of \$100,000 in prizes, premiums and trophies.

In addition to being the first nine-day fair, it will have an educational department for the first time. Major colleges and universities in the state will have exhibits in the Merchants and Manufacturers Building.

On September 10, "School Day," the first supervised "study tour" for school children will be conducted. The Junior Division, Sept. 7-8, is new as is the "Youth Center" atop the Administration Building. There will be special attractions and entertainment daily for "teen-agers."

A "Relaxation Center" between the Home Show Building and the new, there will be free movies on safety, Kentucky football and basketball games and state police films.

The opening day parade will be through downtown Louisville, with Col. J. B. Wathen, Kentucky Wing Commander of the Civil Air Patrol, as marshal. The parade will include 22 R. E. A. beauty contest winners and floats.

The morning program on September 10 will be featured by a parade of Kentucky high school bands at the fair grounds.

INDEPENDENCE REVIVAL

Rev. H. D. Myers, pastor of the Deer Park Baptist Church, Cincinnati, Ohio, has been engaged to help the Independence Baptist Church in her Fall Revival services. Rev. Myers is a very able Bible student and preacher and also a good soloist and song leader.

During the first week, the general theme will be the New Testament Church and the following subjects will be discussed, in order: "It's Members," "It's Ordinances," "It's Finances and Government," "It's Officers and Their Duties," "It's Discipline," and "It's Purpose on Earth."

The second week, Rev. Myers, with the aid of a 15x7 ft. Prophetic Chart, will discuss the following: "Christ and the Church Ages," "The First Resurrection and the Judgment Seat of Christ," "The Tribulation," "The Satan's Trinity," "Christ's Coming in Glory to Reign," "The Kingdom Age" and "The Second Resurrection and the Great White Throne Judgment."

Services will be held at 7:30 each evening, September 17 through September 29. The public is cordially invited.

Esco Hankins at Verona Lake Ranch Sunday Afternoon

Esco Hankins and His Tennessees will appear at Verona Lake Ranch, this Sunday. Hankins is heard daily at 6:45 a. m. over WLAF in Lexington, and this will be his first appearance in this vicinity.

The ever popular Rome Johnson and Guy Blakeman combination is still drawing rounds of applause. These two boys rate very high in the entertainment field, and the rest of their band consists of up-and-coming youngsters.

The Esco Hankins show is complete and capable of producing an entire show, so with the added features, there should be another good afternoon's entertainment at Verona Lake Ranch, Sunday at 2 p. m.

There are many people in the audience who have not missed a single show since the opening July 1.

Last Sunday Smokey Ward and the Barrel Head Gang were greeted by approximately 800 fans, who had a great time and were loud in praise for the fine show Smokey and the rest of his folks presented in the outdoor theater. Shows are at 2 p. m. and 4 p. m., each Sunday afternoon.

Completed Basic Training

Pvt. Wilbur T. Anderson, 20, son of Mr. and Mrs. Wilbur Anderson, Walton, has completed his Army Basic Training, conducted by the 3rd Armored Division, Fort Knox, Ky.

During his sixteen weeks of intensive training, Pvt. Anderson attended classes on indoctrination, General Military Subjects, and had practical work in Combat Skills and firing of basic Army weapons—the M-1 Rifle, Mortar and Light Machine Gun included.

As a prospective armored reconnaissance crewman, Pvt. Anderson received special training in scouting and patrolling, reconnaissance squad training, and driving and maintenance of vehicles. He was inducted in the Army April 11, 1951.

Mrs. Gilbert Groger entertained on Saturday evening with a surprise birthday dinner in honor of her husband, Gilbert Groger.

Sheep Insurance to Be Continued But At Increased Rates

Members of the Boone County Sheep Protective Association met at the Courthouse, Saturday afternoon, September 1, and decided to continue sheep protective insurance at increased rates.

Rates for 1951-52 will be twenty-five cents per head for grade sheep. Registered sheep may be insured at fifty cents per head. Owners who insure registered sheep at fifty cents will be paid double the regular amount for losses.

Death losses will be paid at the following rates: Yearlings, 2 and 3 years old, \$8.00; 4-year-olds and sold month, \$6.00; broken mouth or cull, \$2.00; lambs, over 65 lbs., \$6.00; lambs, under 65 lbs., \$3.00.

Increased insurance rates were necessitated by heavy losses this year which resulted in a percentage payment on claims. It is hoped that the increased rates will enable full payment next year.

Officers elected for 1951-52, were: President, H. E. White; vice president, Cloyd Kannady, and secretary, treasurer, Allan White. Directors are Charles B. Beall, Hebron; Allan White, Petersburg; John T. Stevens, Carlton; Becham Shields, Beaver; Walter Ferguson, Union; Walter Johnson, Verona; Cloyd Kannady, Walton.

CLARA NEUMEISTER

Funeral services for Mrs. Clara Neumeister, 76, who died last Friday at her home south of Walton, were held Sunday at 2:30 p. m. in the Walton Baptist Church, of which she was a member.

Surviving are two daughters, Mrs. Dan Roberts and Mrs. William Duchemin, both of Walton; two sons, Joe Neumeister of Walton, and Charles Neumeister of Newport; a sister, Mrs. Lin Whaley of Elmer; a brother, Steve Rich of Pinet, and eight grandchildren.

Burial was in Highland Cemetery, Tuesday.

Chambers & Grubbs funeral home, Walton, had charge of arrangements.

Mary Lou Tavern Sold

The Mary Lou Tavern, south of Walton, was sold at auction last Saturday to Mr. and Mrs. Nelson Ward of Crittenden. The high bid was \$12,575, according to the Wayman Realty & Auction Co., who had charge of the sale. A large crowd was present.

CONCORD REVIVAL

Rev. Raymond E. Lawrence, pastor of the Baptist Church, Neosho, Mo., and a former pastor of the Crittenden Baptist Church, will conduct a two weeks revival meeting at the Concord Baptist Church, Gallatin county, September 9 through September 20. Services each evening at 8 o'clock.

"Bro. Lawrence is a very able speaker. Come and back the services with your presence, and help in winning the lost to Christ," said Vernon F. Lipscomb, pastor and song leader.

JOHN W. SMITH

John W. Smith, 52, Crittenden, died Sunday morning in St. Elizabeth Hospital, Covington, where he was taken after being struck by a car as he was crossing the street in Crittenden, at 10 p. m., Saturday.

The driver was Dale McGowan of Cincinnati, who was charged with involuntary manslaughter.

Mr. Smith is survived by his widow, Mrs. Anna Duval Smith; four sons, Lewis and Oakley Smith of Dry Ridge, Alvin Smith of Dallas, Texas, and Russell Smith of Carter Creek, Tenn.; four daughters, Mrs. Ed Singleton and Mrs. W. W. Stewart, both of Sherman, and Mrs. Ethel Webster and Mrs. Zella Robinson of Crittenden.

Funeral services were held at the Sherman Baptist Church at 2:30 p. m., Tuesday. Burial was in Hillcrest Cemetery, Dry Ridge.

Lot Sale September 22

According to Cecil Wayman of the Wayman Realty & Auction Co., John Conrad of High Street, Walton, will sell lots and baby farms at auction on Saturday, September 22. Watch this newspaper for details.

Goals and Recommendations For Coming Year Set Up

One hundred and sixty-nine officers of the Kenton County Homemakers Clubs attended training schools held in the Federal Building, Covington, during the period of August 22-28. Goals and recommendations for the coming year were set up.

A parliamentary quiz was conducted by Zelma E. Byerly, Home Demonstration Agent, as good business procedure is one of the county goals.

Six-Man Football Season to Open Friday Night

The Northern Kentucky Six-Man Football Conference season opens Friday night when the Florence Knights tangle with Hebron's Cardinals at the Burlington field. Game time will be 8 o'clock for all night games in the conference.

The conference champion Burlington Eagles will start defense of their crown Saturday night at the same field when they take on the New Haven Tigers. Two other conference teams, Dry Ridge and Crittenden, open their seasons September 21 with Dry Ridge at Florence, and Crittenden against New Haven, at Burlington.

Hebron's Cardinals have shown a lot of power and precision in both spring and fall practice and are favored by many six-man followers to cop the 1951 league title. Coach Ransier has a number of veterans returning plus several promising newcomers.

Burlington will have eight returning lettermen, but will be without the services of Bobby Walton and Jim Kyle, last year's co-captains and star backs. The regular center, Sonny Combs, also will be absent.

Both New Haven and Florence were hard hit by graduation and are suffering from lack of man power. But both teams have a few talented newcomers. Indications are that Dry Ridge and Crittenden will be much stronger this year, their second in six-man football.

The Citizenship Chairman were instructed as to their duties by Mrs. R. P. Ringenbach, County Chairman. "Peace is Our Goal," was adopted as the theme for the year. Mrs. Ringenbach said "Building foundations of peace here at home is our job." Programs on community, state, national and international affairs will be presented. The group also voted to continue to help the community and county welfare activities.

Mrs. Jesse Gant, County Membership Chairman, met with the club vice presidents. The group adopted the recommendation that each club have an active membership committee, and that more people be reached through unorganized groups and workdays.

Publicity Chairman were told by the County Chairman, Mrs. Lloyd Watson, that it is their job to keep people informed of the work being done by the Home Demonstration Clubs, as they are supported by public funds. She also asked them to continue the study of the Federation Handbook.

Community educational exhibits will be set up in observance of National Home Demonstration Week, to be observed in May.

Reading Chairman were advised that books are available at the Library Extension Division, Frankfort, and the Home Demonstration Library, Lexington. The year's program will include a book review, and one program dedicated to children's reading. It was also recommended that the study of Kentucky be continued, and that more clubs plan tours of Kentucky.

County Schools Opened Tuesday; Faculty Changes

All Boone County schools opened Tuesday except the grade schools at Bellevue and Petersburg, according to H. N. Ockerman, Superintendent. Bellevue and Petersburg schools will open next Monday, due to construction and repair work in progress.

The following new teachers have been employed: Rachel Bryant of Jellico, Tenn., Constance; H. P. Baker of Walton, Wanda Beckley and Eloise Roberts of Pleasureville, at New Haven; Lolia Tolm and Mrs. H. G. Bell, Burlington, and Norman Perkins of Elmer, at Burlington. Miss Jack Caldwell, R. N., Burlington, has been named as county school nurse and health instructor.

BAPTIST ASSOCIATION

Messengers representing the 32 churches of the North Bend Baptist Association will attend the annual meeting of the association September 13-14 at the Union church.

Among the speakers will be Dr. A. M. Vollmer, secretary of Baptist Foundation and Christian Education for Kentucky Baptists.

The program will include inspirational sermons and addresses and reports on local, state and worldwide educational, benevolent and missions enterprises of Southern Baptists.

Kentucky Baptists now have 2,943 churches with a combined membership of 577,362, according to latest statistics. The most of churches are located in the open country, 1,335 being in this category. There are 419 of the churches in villages, 250 in towns and 239 in cities.

Oak Island Homemakers

Another year of work for the Oak Island Homemakers Club was started at the regular meeting, with nine members and one visitor present. Having no regular program, the program for the year was outlined by each officer in charge.

The furnishing of the club room has been improved by the addition of a piano, and a committee was appointed to purchase curtains.

Some completed lamp shades were shown to illustrate what has been accomplished at the special lamp shade workshop, under the direction of Miss Alma Stephens and Mrs. C. A. Taylor.

Mrs. Sherman Barberick, Mrs. Walter Linville, Mrs. C. O. Northrup, Mrs. Russell Reiter, Mrs. C. A. Taylor, Misses Nell Nehoff, Alma Stephens, Olen Douglas and Ruth Schmidt, members, and Miss Mary Stephens, visitor, were present.

Sunday School Convention

October 11-13 will be the dates of the Kentucky Baptist Sunday School Convention. This is one of the largest religious conventions in Kentucky, since the majority of the 2,258 Baptist churches, with more than 600,000 members, will be represented. Walnut Street Baptist Church in Louisville, the largest church in Kentucky, will serve as host to the convention. All Baptists and friends are invited to be a member of the large audience at this convention.

Hopewell Circle to Meet

The Gladys Hopewell Circle of the Walton Baptist Church will meet at the home of Mrs. O. J. Struve on Thursday, September 6 at 8:00 p. m.

Daddy and His Little Girl

The following points a valuable lesson. It is worth reading... and keeping. It is regretted that the author is unknown; otherwise he would be given credit.

Today my daughter, who is 7 years old, started to school as usual. She was a dark blue dress with a white collar. She had on black shoes and wore blue gloves. Her cocker spaniel, whose name is Coot, sat on the front porch and whined his canine belief in the folly of education as he waved goodbye and started off to the hall of learning.

Tonight we talked about school. She told me about the girl who sits in front of her, the girl with yellow curls, and the boy across the aisle who makes funny faces. She told me about her teacher, who has eyes in the back of her head, and the trees in the school yard, and about the big girl who doesn't believe in Santa Claus. We talked about a lot of things—tremendously vital, unimportant things, and then we studied spelling, reading, arithmetic—and then to bed.

She's back there now—in the nursery sound asleep with "Princess Elizabeth" (that's her doll) cuddled in her right arm.

You guys wouldn't hurt her, would you? You see, I'm her daddy. When her head is broken or her finger is cut or her head gets bumped, I can fix it—but when she starts to school, when she walks across the street, then she's in your hands.

She's a nice kid. She can run like a deer and dart about like a chipmunk. She likes to ride horses and swim and hike with me on Sunday afternoons. But I can't be with her all the time; I have to work to pay for her clothes and her education. So please help me look out for her. Please drive slowly past the schools and intersections and please remember that children run from behind parked cars.

Please don't run over my little girl.

POTASH INCREASES TOBACCO RETURNS

Applications of potash to the soil more than doubled the acre-value of tobacco in tests which the University of Kentucky Experiment Station made on its experiment field at Greenville, Muhlenberg county.
Three adjoining plots received ammonium nitrate and superphosphate at a rate to supply 60 pounds each of nitrogen and phosphate an acre, but different amounts of sulphate of potash.
Where no potash was put on, the yield was 1,070 pounds an acre; the value per 100 pounds, \$25.29, and the acre-value, \$27.1. Where 60 pounds of potash an acre was used, the yield was 1,416 pounds an acre; the value per 100 pounds, \$35.64, and the acre-value, \$50.5. Putting on 120 pounds of potash an acre increased the yield to 1,564 pounds an acre; the value per 100 pounds to \$40.73, and the acre-value to \$63.7.

SCIENTISTS SEEK IMPROVED BURLEY

The University of Kentucky Experiment Station announces it is continuing its efforts to develop varieties of burley tobacco resistant to root rot and mosaic diseases.
In addition, selections are being made for higher leaf numbers, as this appears to increase the number of bright, red and tip leaves that can be used for cigarettes.
Several new lines highly resistant to root rot and mosaic and with above 30 leaves per stalk are being tested for yields and quality. Whether it will be possible to have a tobacco with a large number of leaves that also will hold its lower leaves as well as do established varieties is still a question, the annual report of the Experiment Station brings out.

Douglas Parrish of Bourbon county is irrigating tobacco, this being the first time it has been done in the county.

High Wheat Yields, Thick Legume Stands Come From Fall Fertilization, Spring Top Dressing

GETTING high wheat yields per acre involves giving the crop a full feed of plant nutrients, points out the Middle West Soil Improvement Committee. This means adding fertilizer containing nitrogen, phosphate and potash as needed at seeding time this fall and then top-dressing next spring.
Then the wheat will have all the nutrients it needs and there will be plenty of plant food for the legume-grass crop seeded in the wheat.
The available phosphate and potash will build strong root systems and help the wheat plants harden off in the fall to resist damage from severe winter weather.
The extra nitrogen in the spring will enable your fields to support more stems for every kernel of wheat planted. You will get more heads per plant and per acre. You will get bigger and longer heads, too, for there will be enough plant food to fill out the kernels. That means more bushels per acre and better quality wheat.

Including phosphate and potash with the nitrogen in the spring top-dressing, says the committee, is especially helpful in wheat seeded to legume-grass mixtures. The nutrients will give the legumes a good start in the spring and offset some of the competition from the wheat. Fertilizing wheat with the plant food it needs is profitable not only

Fertilized wheat (left) has bigger and longer head, will produce more plump, well-filled kernels than unfertilized wheat (right).

from the standpoint of higher grain and legume-grass yields, but from the soil-building benefits your land receives. Alfalfa and sweet clover in the seeding replenish rundown stocks of organic matter. They put mineralized humus deep down in the subsoil, unlock heavily packed soils and improve drainage and aeration.

Plant Nutrients Boost Grass, Legume Yields By Two Tons Per Acre

ADDING fertilizer carrying nitrogen, phosphate and potash has increased pasture yields as much as 2 tons per acre, declared Prof. C. J. Chapman, University of Wisconsin extension agronomist, in reporting on the results of pasture demonstrations in the state.

On the Henry Berg farm near Blanchardville, in Lafayette County, pastures fertilized with 10-10-10 showed yields of 8,025 pounds per

Visit In Detroit

Mrs. Frank Cox and daughter, Ruth Ann, returned home after a week's stay in Detroit, Mich., visiting a sister of Mrs. Cox. She reported a lovely visit and the meeting of many friendly folk.

Mrs. Della Williams

Mrs. Della Williams, 66, who had lived all her life in the Staffordburg neighborhood of Kenton county, died of a heart attack last Sunday, near noon.

The Independence Life Squad was called to the home of one of her sons, Earl Williams, near Staffordburg, at about 9:30. Mrs. Williams was staying here for a few days while one of her other sons, Charles, and his wife, Deloris, went on a vacation. The young couple returned home in an hour or two after death in the hospital.

Two other of her nine sons had recently left on vacations—one going to Canada and the other to North Carolina. In trying to contact them the State Police were notified to be looking for their license tag number. The community is greatly shocked and extends sympathy to the family.

Trucker Hurt In 3-Car Collision

One person sustained minor injuries last Friday night in a head-on collision which involved an auto, truck and bus approximately 6 miles south of Covington on Taylor Mill Pike, according to Kenton County police.

The accident took place when Edwin Eggers, 62, Lipscomb Road, Latonia Lakes, driving his truck north, ran his car off the road in pulling to the right to permit a motorist to pass. When he swerved the vehicle hard to the left to get back on the road, it crashed head-on into a bus driven by Jack Brady, 43, R-3, Taylor Mill Pike. No occupants were on the bus.

M. P. Bubenhofer, 27, Cincinnati, driving an auto plunged into the bus when the driver stopped suddenly.

Eggers was removed to St. Elizabeth's Hospital, where he was treated for a fractured rib, head and body cuts. He was released after treatment. The other two drivers escaped injury.

TRIMBLE COUNTY BERRIES PAY OFF

Strawberry growers in Trimble county sold 51,000 crates of berries in May and June for a total of \$261,000. About 275 farmers grew the crop on 500 acres of land, according to Farm Agent J. G. Dye. The berries were sold through the Trimble County Growers Association, processing plants, wholesale buyers and through direct sales.

Although several thousand crates of No. 1 berries were sold for an average of \$6.88 a crate, not all of the berries picked were eaten as shortcake or with cream and sugar. More than 5,000 crates of capped berries were sold by the pound to one processor, a valuable outlet toward the close of the season when berries were smaller and the market price on fresh berries was low, Mr. Dye said.

Another processor bought 25,000 crates, making the fruit into puree for an eastern ice cream company. The Trimble County Growers Association handled 15,538 crates of berries for its members, selling them for a total of \$92,630, or a gross average of \$5.96 per crate. Ten thousand and nine hundred and sixty crates of No. 1 berries were sold at an average of \$6.70 a crate.

Stanley Chaffin of Lawrence county is again priming his tobacco, having received 12 cents more per pound last year than the next highest price grade.

FIGURES GATHERED ON CORN-GROWING COSTS

Costs of growing corn have increased since 1949, the last year figures were gathered by the Agricultural Experiment Station of the University of Kentucky.

In that year, costs of labor, power and equipment an acre averaged as follows, when harvesting was from the standing stalk: man labor with 2-horse team and usual equipment, \$26.50; man labor with tractor and tractor equipment, except team for planting and harvesting, \$20.50; mechanized equipment only, including medium-sized tractor, tractor equipment and one-row cornpicker, \$18.80, and heavy tractor, tractor equipment and two-row cornpicker, \$16.92.

Additional costs for cutting, shocking and harvesting both corn and stover, where this method of harvesting was used, averaged \$3 an acre for farms using horse work, and \$4.70 for the mechanized farms.

Labor an acre averaged less than 10 man-hours with mechanized equipment, 29 man-hours for the man-and-team method, and 14 man-hours for the tractor-team combination.

Twenty-five farmers in Hopkins county producing Kenland clover believe it to be better than common red clover.

Wornout Pastures Can be Revived to Thrifty Paying Growth by Fall Renovation Program

Rough, cloddy, cut-up sod (left) prevents soil and water loss in winter. Renovated, fertilized pasture (right) gives thick, lush growth.

YOU can put new life in old, run-down pastures by a good renovation program this fall, says the Middle West Soil Improvement Committee. Reinforced by liming and the use of commercial fertilizer, such a program can build wornout fields into profitable milk and meat producing pasture.

A soil test taken this fall will give you a line on the plant nutrients needed for the new seeding. Killing out the old pasture growth is the first step in the renovation job. On heavy sods, agronomists recommend using a weighted disc to cut the sod into chunks. Digging the field with a field cultivator is the second step.

Leave the field rough and full of clods over the winter. This will cut down erosion and prevent loss of

soil and water even on the steepest slopes. The clods will act as baffles for melting snow or rains during winter spring.

In the spring, go in with a cultivator, break up the clods and make a smooth seedbed.

Seeding the nurse crop and putting on the fertilizer is the next order of business. The agronomists point out that a cultipacker seeder is a good method of seeding small legumes. A firm seed bed and a good coverage of legumes can make a vast difference in the stands.

The agronomists recommend adding 400 pounds or more of fertilizer per acre at the time of seeding. The phosphate and potash will provide nutrients for fast spring growth and the development of thick legume roots and leafy topgrowth.

FARM BUREAU TO MEET

Directors of the Boone County Farm Bureau will hold their monthly meeting at the county office, in Burlington, Thursday, Sept. 6 at 8:00 p. m.

Plans are being made to try to add Blue Shield, which is the surgical part of Blue Cross Hospitalization so that both feature would be available to Farm Bureau members. A representative of the Blue Cross office will be in the county Thursday afternoon working with a representative of the Bureau. In the interest of this new service. It is necessary that a majority of the doctors in the county be in favor of the plan before it can be made available.

Tuesday, September 11 is designated as Farm Bureau Day at the Kentucky State Fair and all members are urged to attend on that day. A number of large prizes are to be given away to Bureau members; also the county having the largest number of Farm Bureau members in attendance will be given a cash prize. It is necessary to register in order to be eligible for the county award.

Ryland Homemakers Picnic

The Ryland Homemakers Club enjoyed a picnic supper at Oak Lawn Farm, home of Mr. and Mrs. William P. Schwall, on Tuesday evening, August 28.

The picnic tables were effectively decorated with mixed bouquets of gladiolus and zinnias in pottery containers. The hostess was assisted in serving by Mrs. T. V. Morris of Post Myers, Fla.

Members and their husbands who took part in group singing, led by the Rev. Bruce P. Gernet, wife and daughter, were Mr. and Mrs. William Dickman, Mr. and Mrs. Shelby Martin, Mr. and Mrs. W. A. Damon, Mr. and Mrs. William P. Schwall and son, Jay, Mrs. John Murchison and daughter Gilda Lee, Mrs. F. B. Hermes, Mrs. Oliver Gee. Other guests were Mr. and Mrs. Ed Hauser, Mr. and Mrs. George Klein and Mr. and Mrs. Roland Kirk and son, David.

Nation's Food Security Calls for Long Term Soil Fertility Building Program on U.S. Farms

More and better corn per acre comes from a well-balanced supply of nutrients. Corn (right) had plenty of fertilizer; corn (left) had none.

AMERICA's food security depends on the use of more fertilizers on more farm soils, declared Dr. William A. Albrecht, chairman of the Soils Department of the University of Missouri.

Pointing out that supplies of natural fertility in the soil are threatened with exhaustion, Dr. Albrecht called for a program that would provide long-term "sustaining" fertility.

The way to get this sustaining fertility, he said, is to put larger amounts of fertilizer deeper down in the soil.

"Starter fertilizer applied near the surface in soils which are not increasingly fertile deeper down," he said, "may get the crop off to a good start. But later on as the roots push down to more moist soil zones, they cannot find enough nutrients to carry

the plant through for high yields and a high protein content."

Dr. Albrecht said that greater use of fertilizer will result in higher crop yields per acre and a larger profit margin, since production costs decrease as yields increase.

"While a higher nutritional quality is being brought into larger yields, also," he said, "this will call for more accurate balance of the soil treatments according to soil and tissue tests. Such a balance will result in more efficient use of fertilizers and more profitable returns on the investment in fertilizer."

More fertilizer will be demanded for some time ahead, he declared. At the same time, the return from plant foods will be on a sounder basis when all of the different nutrients are used more effectively both as starter fertilizer and as the sustaining fertilizer.

JOIN CRUSADE FOR FREEDOM

It was announced this week that William P. McEvoy, Boone County Attorney, will be Chairman for the Crusade for Freedom in this county, which began September 3 and continues through September 30.

McEvoy requests that each and every citizen enroll in the 1951 Crusade for Freedom in order that free people can help fight Communism. The Crusade for Freedom is the American people's challenge to world Communism. It offers each one of us, as individual citizens, the opportunity to strike a blow for freedom—to add our voice to the voices of Truth pleading the Iron Curtain. It says to the Communist: "You tell your lies and we'll tell the Truth, and the Truth will win."

Every day, hour after hour, the hard-hitting transmitters of Radio Free Europe pierce the Iron Curtain, sending hope to the enslaved peoples—sprinkling Communist lies with the Truth—and undermining the influence of the Red rulers.

It is requested that all civic organizations and veteran organizations cooperate in this drive in order that it shall be a success in the fight to overthrow Communism. All donations or contributions can be given to your local representative or mailed to the County Chairman.

**"Don't send
a boy to do a
man's job!"**

When there's a man-size transportation job to be done, who gets it? That's right... the railroads!

For example, during World War II, the railroads were given the job of handling 97% of all organized military travel, 90% of the war freight and 70% of all freight moved in this country.

Today, another man-size transportation job is shaping up. And once again the railroads are the only form of transportation "man enough" to handle the great bulk of the job... a job too big for all other carriers combined.

A strong America must have strong railroads. That's why it is in the public interest—your interest—to give railroads every opportunity to be always strong... always ready to do man-size transportation jobs.

SHORT STORY

Vanity

By Richard Hill Wilkerson

"EVERY MAN," said Inspector Joe Warren, frowning over the letter which he held in his hand, "has a weak point. In the case of 'The Flash,' most daring criminal of this city's criminal history, it appears to be vanity."

3-Minute Fiction

"The fellow has become drunk with his success in accomplishing two outstanding robberies. And now he has taken to writing us, stating just where he's going to be at a certain time and what he plans to do."

Detective Fargo blew smoke rings at the ceiling and evaded his chief's eyes.

"So far," he said, "he seems to have been pretty successful in carrying out his plans. This is the third letter we've received."

"Each time The Flash has appeared where he said he would at exactly the time denoted in his letters. And while we've stood idly by he's committed his crimes, he's escaped, and escaped. What's he up to this time?"

"The Devonshire party," Warren growled. The truth of Fargo's statement scored him. "Mrs. Devonshire is planning to wear that valuable emerald her husband brought her from Europe a month ago. The Flash states in this letter that he intends to steal the emerald and defies us to stop him."

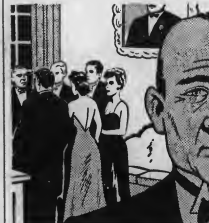

Fargo crushed out his cigaret. "Have you taken any steps to prevent the robbery?"

"Fargo, as you know, the Flash's disguise is perfect. He'll appear at that party as a guest, or servant or someone with whom the Devonshires are but slightly acquainted. I want you to go up there early, meet Mrs. Devonshire when she comes down stairs and stick with her until the last guest has gone. Then see to it that the emerald is stored away in a safe before you leave. I'll have Johnson and a couple of other men mingling with the guests."

AT 11 O'CLOCK on the night of the Devonshire party Inspector Warren drew his rooster up before the palatial mansion and ascended the steps.

The instant the Devonshire butler opened the door Warren knew something had happened. The butler's face was white and drawn, and over his shoulder Warren could see a group of guests huddled in the hallway, with Detective Johnson standing guard.

Warren stepped quickly inside. And at that moment Mrs. Devon-

The butler's face was white and drawn, accompanied by her husband and Detective Fargo, came flying down the stairs.

"What's happened?" Warren barked at Fargo, ignoring the incoherent babble of Mrs. Devonshire.

"It's gone," Fargo grated. "About an hour ago, I was standing behind Mrs. Devonshire in the reception line. Someone poked a gun in my back and told me to walk backwards. When I saw the fellow's face I knew it was The Flash, because he was a dead ringer for myself."

"A ringer for you?" Warren gasped. "What the devil do you mean?"

"I mean," said Fargo grimly, "that his disguise this time looked like me, generally speaking. He forced me into a closet and cracked me over the head. Naturally no one noticed that anything was happening, as Mrs. Devonshire was exhibiting her emerald at the time. And when The Flash returned and stood in my place, it occurred to no one that it was not me."

Fargo smiled bitterly. "Every man has his weak point," he said. "Yours seems to be vanity."

INDEPENDENCE R. 1

This entire community was greatly shocked Sunday morning to learn of the sudden death of Mrs. Della Williams. She was visiting her son, Earl, and family of Staffordburg, when she became seriously ill. They rushed her to the hospital immediately, where she passed away in a short time. The funeral was held at the Swindler funeral parlor, Independence, Wednesday at 2 p. m.

The new pastor, Rev. Lou Adams, of the Visalia charge, has moved into the parsonage and they will be very glad to have their neighbors call on them and get acquainted.

Mr. and Mrs. J. A. Keeney and son, Paul, left for Texas, Sunday morning to visit their daughter, Ruth, and family.

Mr. and Mrs. Will Summey, Rev. and Mrs. Adams and little son spent

the weekend with Mr. and Mrs. Earl Hanna. Other guests Sunday were Mrs. Ella Mae Wigger and Mr. and Mrs. Harley Hanna and son, Jimmie, of Latonia.

Mr. and Mrs. Will Binder of Towerson, entertained several relatives on Sunday with a picnic dinner.

Mr. and Mrs. Joe Richardson called on their son, Clyde, and family of near Georgetown, recently.

Mrs. Lou Spradling returned home Monday afternoon from a very pleasant visit with her son and family in Covington.

Mr. and Mrs. Clarence Barnett, son and daughter, called on Mr. and Mrs. J. J. Barnett, Sunday afternoon.

There were a very good number out to the get-together social at the Staffordburg church, Saturday evening. The meeting was opened by Rev. Adams, after which the congregation sang several songs. Rev. J. J. Barnett then read the scripture, followed by prayer. The crowd then listened to the pastor and wife to the basement where quite a surprise of many useful gifts, consisting of linens, food and vegetables, awaited them. The crowd then feasted on watermelon, after which a very important business meeting was held, and money was raised to buy a new refrigerator for the parsonage; and also, the trustees were voted on to go to work at once to have a cistern dug at the church.

Five homemakers clubs in Calloway county sponsored canning clinics, at which canning problems and approved methods were discussed.

Fall Pasture Crops Help Stretch Grazing Season, Cut Feed Cost

RYE, winter wheat and other winter small grains can help you stretch the pasture season this year, give your beef and dairy cattle extra grazing days and out down costly feed bills.

These special fall crops should be planted early enough to produce good growth, says the Middle West Soil Improvement Committee. They should be planted in grain fields not seeded to legume-grass mixtures.

Adding fertilizer with the seed will get the rye up fast, give you good pasture during the fall and help the crop survive severe weather this winter. Agronomists recommend using a complete fertilizer carrying nitrogen, phosphate and potash at seeding time.

The Middle West Soil Improvement Committee suggests two other steps for making pasture pay maximum returns this fall:

1—Topdress and graze permanent pastures with a complete fertilizer to give fast recovery after the summer heat.

2—Add plant nutrients and graze old meadows that will be plowed for corn next spring.

A topdressing in the spring of nitrogen or of a nitrogen, phosphate and potash fertilizer will spur the growth of pasture grasses and legumes. It will enable you to get cattle out on the fields earlier and reduce expenses of barn feeding.

Fertilizer's Carryover Value Boosts Yields of All Crops in Rotation

FERTILIZERS have carryover values that benefit every crop in the rotation, reports the Missouri College of Agriculture, in citing recent tests on the George Stine farm in Ozark County.

Three years ago, Stine set up test plots in his corn field. Each plot was given a different fertilizer treatment. One was left unfertilized.

As expected, corn yields were higher the year the fertilizer was added. But three years later when the plots were in legume crops, Stine reported four times as much Ladino clover growing on plots fertilized with phosphate and potash as on the unfertilized plot. The difference was even greater on the sweet clover crop. Practically no clover was growing on the unfertilized plot, while there were thick, heavy stands on the fertilized fields.

University of Wisconsin agronomists report that alfalfa yields were 2½ times as big on fields topdressed two years ago with 500 pounds per acre of 0-20-20 fertilizer, as on unfertilized check plots.

The Editor and I

The Editor and I took a trip to Chambersburg, Penn. to visit his mother and brother. Mark wanted to go and accidentally asked me, of course I am always ready to take a trip. So last Thursday we took off, up through eastern Ohio, into Pennsylvania and onto the great Pennsylvania Turnpike. We drove about 100 miles on this road for eighty-five cents, which is cheap, as it saves you time as well as your car. When you come to a mountain, you go through it and not over it. We arrived in Chambersburg, Friday morning, where I met his brother and wife. Mark's brother, Clyde, has been pastor of King Street United Brethren Church for 20 years. I believe they have as nice a Sunday school building with a church auditorium connected as could be built in a city of 12,000 population. In the past 15 years they have spent over \$20,000 dollars for Sunday school buildings and will be paid off in October. Most all this money was raised through the Sunday school, which had an average attendance in the past year of 966. After Mark spent some time with his mother Friday and Saturday, we started for home and arrived Sunday afternoon. We only saw two wrecks in over 1,000 miles, so people were not driving so bad. But everyone seemed to be on the highway. I don't believe anyone stayed at home.

Well, my good friend, Bob Sleet, is at rest now, and he left a host of friends—what more can you leave behind? I was surprised to hear of Mrs. Clara Neumiller passing so quick—she has been a friend and customer at this store for a long time but that is one thing we all have to do, and we never know when.

Frank Penick sent over for a lot of steel fence posts. I. H. Thomas bought more fence and barb wire. J. C. Reynolds sent word for us to bring him a Dayton water system and a lot of pipe and fittings. Ray spent all day Wednesday cleaning out and repairing oil heaters—get your heating system ready for winter. Clem Washum sure is using Lite Oak varnish stain—must be painting the whole house inside. Ray sold Mr. Hodges, down by Hamilton school, an Anchor cool heater.

Chick sold Everett Smoot a coal heater—so people are getting ready for winter, which is not too far away.

We are selling a lot of silo paper and fence to put the corn in, as feed will be scarce and high this winter. Tobacco worms must be terrible this year—we have sold out of Paris Green and dusts twice already. These women never let a man rest—Labor Day came and Georgia Stephenson had a dozen jobs for Warren—first she came after a gallon of paint and putty, then she was back after window glass—she was busy when I passed the house. Uncle Sam is sure cutting down on steel—if you need a new washer, refrigerator, stove or most any necessity around the home, made of steel, you had better buy. Every time we get a new shipment, something that was made of steel is being substituted with plastic or some other material.

Evon Hance just came in after Paris Green for these tobacco worms. I just called in for more Paris Green and blowers, so you can try to keep those worms from eating up that late tobacco. School started today and the children all were ready to go, like they always are. We have those zipper note books, same as we had last year, also school lunch boxes with thermos bottle and without, and school bags. We also have all necessary supplies, such as tablets, fillers, note books, pens and pencils. Bill Roberts was in after harness snaps and fittings for Ellis Farm. Joe Kennady and Earl were here in a hurry for Paris Green. I just had a call from Carrollton for silo kraft paper—this is very scarce and farmers are putting up a lot of silos.

Alma Isbell just left for Russell Springs—she came up for lumber—she and Don are doing fine about them a home and the girls are working, but about to get married. We have a very nice stock of fall supplies—stoves, stove pipes, stove boards, furnace pipe, coal heaters, oil heaters, and wood heaters. When you need it, come to CONRAD HARDWARE or call—we will deliver it. If it's hardware, we try to have it.

Walton Woman's Club Holds First Meeting of Year

Mrs. Wallace K. Grubbs entertained the Walton Woman's Club last Wednesday afternoon. Mrs. Virginia Moore Liggett was guest speaker. Roll call was answered with a South American custom. The new president, Mrs. Leo Flynn, presided at the business session.

Those present were: Mrs. Julia A. Rouse, Miss Jean Chambers, Mrs. Mattie Griffith, Mrs. Carrie Rouse, Mrs. Lorena Myers, Mrs. J. J. Marshall, Mrs. Blanche Franks, Mrs. Marie Chambers, Mrs. J. T. Stone, Mrs. C. F. Blankenbaker, Mrs. E. B. Wallace, Mrs. W. D. Scroggin, Mrs. Pearl Johnson, Mrs. Frederica Mann, Mrs. Emma Jane Miller, Mrs. Forest Thompson, Mrs. Ora Fry, Mrs. Alan H. Gaines, Mrs. Alva Chambers, Mrs. Sam Sleet, Mrs. D. L. Lusby, Mrs. Robert Conrad, Mrs. Clayton Jones, Mrs. R. F. DeMoisey, Mrs. Dan Bedinger, Mrs. Pearl Bedinger, Mrs. W. W. Rouse, Mrs. Daisy Jack, Miss Mary Rensler, Mrs. Evan Hanes, Mrs. Grover Ransom, Mrs. Stanley Ransom, Mrs. Robert Moore, Mrs. Harris Moore, Mrs. Lloyd Watson, Mrs. Brice McCallie, Mrs. Virginia Liggett, Mrs. Leo Flynn, Mrs. Alene Conner and the hostess, Mrs. Wallace Grubbs.

RUBE CLINKENBEARD

Rube Lee Clinkenbeard, a retired farmer, died Saturday at his home on Spillman Road, near Independence. He was 85 years old.

Mr. Clinkenbeard is survived by his widow, Mrs. Janice Clinkenbeard; three sons, Russell and Ray Clinkenbeard of Abwood, and Frank Clinkenbeard of Blanger; two brothers, George Clinkenbeard of Carlisle, Ky., and Gene Clinkenbeard of Paris, Ky., and 12 grandchildren.

Funeral services were held Monday at 2:00 p. m. in the Chambers & Grubbs funeral home, Walton, with burial following in Independence Cemetery.

Independence Man Awarded Commission On Korean Battlefield

Chester E. Clark, son of Mr. and Mrs. William A. Clark, Independence Route 1, has been awarded a battlefield commission to second lieutenant in Korea.

Previously a platoon sergeant in Co. C, 73rd Heavy Tank Battalion, Lt. Clark is now platoon leader of reconnaissance platoon.

Before being commissioned, Lt. Clark won the Silver Star and the Bronze Star medals for heroism in combat, and was awarded the battle field Infantryman Badge. He also is the wearer of the purple heart for wounds received in battle.

A veteran of World War II, he has served 24 months in the Pacific and 41 months in Europe. He entered the Army in 1944.

As a member of the 73rd Tank Battalion, Lt. Clark participated in such notable phases of the Korean conflict as the Inchon invasion and the Hamhung-Hungnam evacuation. He also took part in the rescue of the British Gloucester Battalion, for which the 73rd received the Korean and United States Presidential Unit citations.

Hopewell Circle Meets

The Gladys Hopewell Circle of the Walton Baptist Church met at the home of Mrs. O. J. Struve, Thursday, September 6 at 8:00 p. m., with 13 members and two visiting members.

Guests were: Mrs. Essie Conrad and Mrs. Grace Knox. Members present were: Mrs. Virginia Ward, Mrs. Ethel Breeden, Mrs. Mary Goodpastor, Mrs. Ernestine Deaton, Mrs. George Green, Mrs. Katie Hamilton, Mrs. Nell Hunt, Mrs. Dora Pennington, Mrs. Mabel Webster, Mrs. Vera Wright, Mrs. Christine Blackburn.

The topic of the program was "Parallel Progress in Stewardship." Delicious refreshments of homemade ice cream and cookies was served by the hostess.

The Gladys Hopewell Week of Prayer was observed at the church Tuesday evening at 8 o'clock, with eight members present.

LEE JONES AT VERONA

Lee Jones, the yodeling cowgirl of WLW-T and radio fame, along with Charley Gore, who is seen and heard on the Midwestern Hayride program, will be the feature stars this Sunday afternoon at Verona Lake Ranch.

These two favorites have many friends among the subscribers of this paper and because of their popularity in Northern Kentucky, the management is happy to bring them back to Verona Lake Ranch, this Sunday, with shows at 2:00 and 4:00 p. m.

They will be ably supported by Rome Johnson, Guy Blakeman and the Ranch Hands. This will be the 12th show of the season and probably the last outdoor show to be held at the Ranch this year. Plenty of seats are available in the woods and picnic area, with soft drinks and sandwiches at the old refreshment stand. Polos are invited to stay all day for the one admission price of 60 cents for adults and 30 cents for children.

Verona Homemakers

The Homemakers at Verona held their first meeting of the new year, September 7, at the home of Mrs. Ura Roberts. The new officers were in charge: Mrs. Edith Hamilton, president; Mrs. Mae Wilson, vice president; and Mrs. Frances McCormac, secretary-treasurer. There were 14 members present. Talks were given on Fall Fashions and Huck Towl decorating.

Present, besides the officers and Mrs. McCormac, were: Grace Renaker, Pearl Lamm, Lizzie Noel, Pearl Alphin, Lucille Howe, Florence Florence, Lillian Stephenson, Marietta McManana, Pierolena Kennedy, and the hostess, Mrs. Roberts. A lovely dinner was served at noon.

BIRTHDAY PARTY

It was a happy birthday for Chas. Armstrong when twenty-five of his friends gathered at his home Sunday, September 2, to help him celebrate his seventh birthday. He is the son of Mr. and Mrs. J. C. Armstrong of Hands Pike, near Oak Ridge, Kenton County.

Those present were Larry and Jimmie Trotter, Neal Beach, John Moses, Jeannene Barry and Deanna Robinson, Candy McVey, Janice and Rich and Riley, John Dudley Breeden, Brenda Kelly, Connie Kelly, Tommy Kelly, Karen and Rusty McHugh, Dewey and Phyllis Simpson, David, Esther and Karen Cain, Max Mason, and Tommy and Bobby Cornilleu.

Bob & Gene vs. Newport

On Sunday, September 16, the Bob & Gene baseball team will meet the Newport Stealers at the Florence baseball park, in the only attraction in the KAC elimination series. The contest will start at 2:30 p. m.

Each of these teams have one loss in the series and the team defeated Sunday will be eliminated. The winner will then meet Cresta Kick in the championship play-off. A great game is expected, so plan to be on hand.

BAPTIST W. M. S.

The W. M. S. will meet at the Walton Baptist Church, Thursday, Sept. 20, for the regular monthly meeting. Members are asked to bring chickens for the Orphans' Home.

Hostesses are to be Mrs. Cora Osborne, Mrs. Gloria Pennington and Mrs. Julia Pennington.

Baptist Raise \$8,000 Sunday Toward New Building Program

"One of the greatest days," said Rev. W. G. Burkett, "in the history of the First Baptist Church of Walton was experienced on Sunday, September 9th. This was Kick-Off Day for the building fund campaign to raise needed funds for a new educational plant. The goal of \$8,000 was announced, and our people, with much prayer, came and gave unto the Lord. Without any pressure of any kind, the love-offering was taken and at the close of the evening service the total offering was \$8,299.60. Of this amount, \$1,100 was donated in labor and materials, but the greatest part was given in cash that day. Our people rejoice in what the Lord has done and look forward to greater achievements with and for Him."

Rev. Burkett came to Walton, as pastor, three months ago.

MRS. GUSSIE MOORE

Services for Mrs. Gussie Moore, 68, a lifelong resident of Boone County, were held Saturday at the Florence Christian Church. Burial was in the Hebrew Cemetery.

Mrs. Moore was found dead at her home last Wednesday. R. E. Brugh, Boone county coroner, said she had suffered a heart attack.

She leaves her husband, W. V. Moore, a daughter, Miss Corinne Moore of Norwood, Ohio; two sons, Marvin Moore of Burlington, and Devere Moore of Erlanger; a brother, William Sederberg of Rockaway, Ore., and five grandchildren.

State President Is Guest Speaker At Wa-Na Meeting

On Wednesday evening, September 5, the Wa-Na Club met for its first meeting of this year, at the Phoenix Restaurant. Mrs. Fred Hamilton and Mrs. Lloyd Yates were hostesses for the meeting.

Mrs. Howard Barry, president of the Kentucky Federation of Women's Clubs, was guest speaker. She spoke on the advantages of club membership; the importance of women voting, and the necessity for good homes, in order that young people will not be tempted by evil influences.

Miss Patty Glacken, State chairman of Kindergarten Committee, also spoke and encouraged the club to sponsor a kindergarten in this community.

Other guests and members present were: Mrs. William Moore, Mrs. Ward Rice, Mrs. Chester Sturgeon, Mrs. John Scott, Mrs. William Scroggin, Mrs. Clifford Ryan, Mrs. Leonard Cook, Jr., Mrs. Chester Edwards, Miss Jessie Moss, Mrs. Clayton Jones, Mrs. Jack Snape, Mrs. Cecie Cook, Mrs. Charles Hayes and Mrs. Gayle McElroy.

Mrs. Hamilton and Mrs. Yates served a delicious dessert course of cherry pie and coffee.

Ryland Homemakers

The reports on "Highlights of the Training School," given by various committee chairmen, was the theme of an interesting discussion by members of the Ryland Homemakers Club, Tuesday, September 4, at the Pleasant Grove Methodist Church.

The president, Mrs. F. B. Hernes, opened the meeting by reading a poem on friendship by Metcalf. The club calendar were filled out for the coming year. Mrs. W. E. Dickman, recreational program chairman, used the Lord's Prayer and John 3:16 in the devotional and the group joined in singing America. A former member, Mrs. Edward L. Hausser, was welcomed at the meeting, and Mrs. Robert Zacharias will become a member of the club.

Those attending were Mrs. W. A. Damon, Mrs. F. B. Hernes, Mrs. G. A. Damon, Mrs. W. E. Dickman, Mrs. John Murchison, Mrs. Oliver Gee, Mrs. William Bagby and Mrs. W. P. Schwall.

The October 2 meeting will be held in the home of Mrs. W. E. Dickman.

Approximately 30,000 people attended the four-day annual Union county fair.

ZEKE A. WORKS

Zeke A. Works, 78, died Sunday at his home in Walton. He was a retired farmer, and a native of Kenton county. He had been ill for some time.

Surviving are his widow, Mrs. Laura Works, and one daughter, Mrs. Edgar J. Mills of Cincinnati.

Funeral services were held Tuesday at 2:00 p. m., at the Chambers & Grubbs funeral home, Walton, with burial following in the Gardensville Cemetery, Pendleton County.

Revival Services at Christian Church Sept. 16 to 30

Revival services will be held at the Walton Christian Church, September 16-30. Services will be held nightly at 8:00 p. m. There will be no Saturday night services. The public is cordially invited to attend these spiritual services, in which the foundations of the teachings of Christ regarding Salvation and Life will be considered.

Johnny Atherton of Covington, will serve as song leader and soloist for the meeting. Mr. Atherton is affiliated with Rev. Morris Coers and The Temple of The Holy Spirit radio program, 8:30 a. m. daily, as singer. He is also assistant director of the Northern Kentucky Male Chorus, at 1:00 p. m. Sundays. Both programs are broadcast over station WNOP.

Newport, James Spencer will serve as organist pianist, and Rev. Carroll Graves, minister, will bring the evangelistic messages.

The services will open on Sunday morning, September 16 at the 11:00 a. m. communion-worship hour, with special music by the choir, under the direction of James Spencer. Rev. Graves's message will be, "A Spiritual Revolution." Sunday evening the message will be, "Man's Answer to the Cross."

During the remainder of the revival, the following messages will be brought by Rev. Graves: "Accepting God's Plan for Your Life," "What Must I Do to Be Saved," "Man's Greatest Gift," "God's Final Answer to Man," "Christ's Way Now," "Behold Your King," "Lord of Life and of Death," "Eternal Life—Now," "The Supreme Opportunity," "New Testament Salvation," "Why Not Now," "Three Crosses Jesus Bore," "God's Invitation—Man's Response," "A Permanent Victory."

"These are," Rev. Graves said, "spiritual renewal and awakening experiences which the world needs today. The great foundation stones of the Gospel Message of Christ will be set forth as we hold high, the Christ of the Cross, the Resurrection, and the power of His Holy Spirit, in a world of darkness and unsecularity." Each evening at eight you are welcome.

New Store Hours

Beginning September 1, the Morris Department Store, Erlanger, will remain open from 8:00 a. m. to 8:30 p. m. daily, and on Saturday from 8:00 a. m. to 8:00 p. m.

VISALIA P. T. A.

The Executive Board of the Visalia P. T. A. will hold a special meeting at the school on Thursday, September 13, 1951 at 8:00 p. m.

The best quality beef cattle ever shown in the western part of the state were seen at the West Kentucky Fair at Paducah.

BOONE DANCERS WIN

The Dancing Boone Countians carried away the blue ribbon prize money in the Kentucky State Fair Square Dance Contest opening night at the 1951 Kentucky State Fair.

Twelve sets of square dances, representing three states, danced before a filled grandstand. The Scott County Briar Jumpers took second honors. This place went to the Miami Valley Hoe Dancers of Hamilton County, Ohio. Fourth prize was awarded to the White Valley Square Dancers of Wayne County, Indiana. The Circle D Dancers from the University of Kentucky won the prize for the most colorful and original set.

Bible School Held Recently at Zion Baptist Church

A very important phase of youth work, according to W. E. Duchemin, superintendent, sponsored by the First Baptist Church, has just been completed—that of a Daily Vacation Bible School for Zion Baptist Church, Walton. Twenty-five pupils registered from Walton, Independence, and Williamstown. The school was held August 27-31, with a program on Friday evening.

"We feel," Mr. Duchemin said, "as though this has been most profitable, mainly because of the emphasis which was laid on the memorizing of Bible verses. The pupils are to be complimented for their work and interest in the school."

"Due to a death in the family," Mr. Duchemin continued, "I was unable to attend the program Friday evening, but I wish to take this means of thanking those who cooperated and assisted in this wonderful work in any way—the teachers, their assistants, the musicians, the secretaries and those who provided and served refreshments. We are looking forward to another school next year."

Mt. Zion Homemakers

Glass etching was the subject for the project lesson when the Mt. Zion Homemakers Club met for the first session of this year at the home of Mrs. R. McCaskey, Erlanger.

Attending were Mrs. W. Miller, Mrs. F. Damaschke, Mrs. G. Parson, Mrs. R. Ackman, Mrs. C. Hempling, Mrs. H. Winburn, Mrs. R. McGuire, and Mrs. M. Stephens, a guest. Miss Nancy McCaskey, Home Demonstration Agent, was in attendance.

Homemakers To Meet

The Walton Homemakers Club will meet with Mrs. Mayme Simpson on Friday evening of this week. Style trends and glass etching will be given.

PASTURE AND HAY FERTILIZER PAYS

That it pays to fertilize hay and pasture is seen on the farm of C. N. Conrad in Grant county, notes Robert Hume, UK farm agent. Mr. Conrad harvested 634 bales of timothy hay, averaging 60 pounds each, or a total of more than 19 tons, from about 4 acres. The field was fertilized with 500 pounds of phosphate and 700 pounds of 0-12-12 per acre when seeded. Alfalfa included in the seeding was winter-killed, leaving the timothy.

Old Whistles for the New South...

We just don't have the heart to silence the familiar "voices" of the many old steam locomotives that our modern Diesels are sending to the iron horse "bone yard."

So now we are giving the whistles from retired steam locomotives...as long as they are available...to factories along our lines that want them.

Call it sentiment if you will. But we like to think of the whistles of these old locomotives—together with the many old locomotive bells we have given to churches—as still "belonging" to the people of the South...still serving, in another way, the communities they served faithfully for so many years.

FLORENCE NEWS

Mr. and Mrs. Hyatt Spaulding and family have returned to their home in North Miami, Fla., following a pleasant visit here with her mother, Mrs. Mary Carpenter, and family.

Misses Ruth Bristol and Norma Sue Dixon attended the state fair in Louisville, over the weekend.

Dr. O. W. Robinson officiated at the Florence Methodist Church Sunday morning. Following the service they were entertained at luncheon by Mr. and Mrs. Paul Chaney.

Mrs. Russell Bethel, who underwent surgery recently at St. Elizabeth Hospital, has returned home and is doing nicely.

Luncheon guests Sunday of Mr. and Mrs. George Miller were: Mrs. W. R. Miller, Barbee Simpson and Blayne Miller.

Mr. and Mrs. Wm. H. Jones of Hebron, were Sunday guests of their daughter, Mrs. Orville Conrad and family of Price Pike.

Friends of Mr. and Mrs. William Haun are glad to know their son, Tykie, is able to return to school following a severe illness which confined him to his bed for several months.

Johnny Miller, who submitted to surgery at Booth Hospital recently, is convalescing at the home of his father and mother-in-law, Mr. and Mrs. Jack Renaker.

Mrs. W. R. Miller was among the guests at a miscellaneous shower in the home of Mr. and Mrs. John Mitchell in Latonia, Saturday evening. The occasion was in honor of Miss Nita Paul Mitchell, bride-elect of Mr. Gilbert Hallman. The wedding will be an event of October 20.

Mr. and Mrs. George Miller, Blayne Miller and Barbee Simpson were monk guests at a six o'clock dinner party in the home of W. L. Baker and daughter, Williamette, of Ft. Thomas on Monday evening.

Mrs. Charles Ray of Cleveland, O., was a visitor in the home of her sisters-in-law, Miss Viola Ray and Mrs. Wilbur Drake, and Mr. Drake of Erlanger, through the recent holidays.

Miss Stella Carpenter of Covington was visiting homefolks here Sunday.

Mrs. Marie Kinman was hostess at a dinner party recently honoring her father, John Brown, who had returned by plane from the home of a daughter, Mrs. C. J. Fraim, Roanoke, Va.

Guests enjoying the occasion were: Mr. and Mrs. Roy Benson, their son Jimmie and daughter-in-law, Mrs. Ed Benson. Mr. Brown and the hostess, Mrs. Kinman has also conducted her vacation with relatives and friends in Louisville, Lexington and Dayton. We welcome these folks back home.

Sympathy is extended the family of Mrs. Gussie Moore, 68, whose lifeless body was found at her home near Burlington, Wednesday. Robert Brugh, Boone county coroner, said she suffered a heart attack.

Moore, a life-long resident of Boone county, was a member of the Florence Christian Church, from which services were held Saturday at 2:00 p. m. with her pastor, Rev. H. L. Reid, officiating. Mrs. Kathryn Bowlette of Ft. Mitchell, was soloist, and pallbearers were Earl, Henry, Otto, Orrin and Milton Southern and P. J. Allen.

The deceased leaves her husband, W. V. Moore; a daughter, Miss Corinne Moore of Norwood, Ohio; two sons, Marvin of Burlington, and Devere Moore of Erlanger; a brother, Wm. Sederberg of Rockaway, Ore., and five grandchildren. The Sixth funeral home was in charge of arrangements and burial was in Hebron Cemetery.

Several river bottom farmers in Daviess county are interested in wild cucumber control, as in past years it has caused trouble with the corn picker.

A number of Bullitt county farmers had drainage ditches out this summer as the soil was dry; planned for last year, the soil was too wet.

The fond, forgotten memories of youth, intertwined with the delightful times of yesteryear, make the "Smoke Dreams" program Sunday at 5:30 p. m., EST over WLW a pleasant half hour with the voice and songs of Della Williams and made by the Cresley Choir.

Barrow, Mr. and Mrs. William Binder Mrs. John Ryan and Junior, James Hogg, June, Mary, Flora, James and Ross Howard, Margaret Davies, Doris Howard, Jeff, Ronald and David Barrow, Charlotte Roland, Ronald Robbs and Ronald and Gerald Evans, Peggy and Jerry Binder, and the host and hostess.

Mrs. Della Williams
As silently as the night glides into day, the beautiful, gentle spirit of Mrs. Della Williams, winged it's homeward, heavenward flight Sunday, September 2. Kindly, amiable traits characterized her life, which endeared her to a wide circle of friends by whom her loss is sincerely mourned. While she is sadly missed, yet her loved ones courageously bear the pangs of parting, that she may have the joys of heaven. Glowing tributes to her memory were paid by Rev. Arthur Tipton, pastor of the

Christian Church, Independence, on Wednesday afternoon at the T. M. Swindler funeral home amid a profusion of choicest blossoms. She was laid to rest in Independence Cemetery to await the dawn without a sunset.

THANKS EXPRESSED

We, the members of Zion Baptist Church, Walton, want to thank Rev. William Burkett for the wonderful program and teaching of our children and adults, in our recent Bible School, and for the interest taken in them and the beautiful way in which he conducted the graduation. Words fail us as we try to express our thanks and appreciation to you, Rev. Burkett. May God bless you and keep you in our town of Walton, and as we need more men in our community like you.

—MEMBERS OF ZION BAPTIST CHURCH, WALTON

FESCUE SEED PROFITABLE

Woodford county seed growers of fescue realized 10 times as much for their fescue seed as for bluegrass and orchard grass seed. Holly Forkner, UK county agent, reports that Ky 31 fescue yielded on an average more than \$100 an acre, while the average return of bluegrass seed was less than \$10 an acre and orchard grass, approximately \$10.

Farm Economists Call Fertilizer 'Cheapest Crop Production Item'

FERTILIZERS are still the "cheapest crop producer per dollar invested" among various production items the farmer buys, according to a recent statement by Michigan farm economists.

These specialists point out that efficient, high crop production per acre is the key to maintaining farm profits and keeping costs low. Fertilizer use is an essential factor in such a program.

A recent statement in Michigan Farm Economics, published by Michigan State College's department of agricultural economics, lists these steps for building efficient production per acre: (1) A good crop rotation that improves soil tilth and increases the organic matter supply; (2) Keeping output costs low by buying production items that are relatively cheap. Fertilizer is still the cheapest crop producer per dollar invested; (3) Putting the emphasis on cash crops that use more machinery and less hand labor.

to come out and hear Rev. Patton, as he always brings us one of his good sermons. Sunday school every Sunday at 10 a. m. Everybody welcome!

CRACKED CORN FOUND
BEST FEED FOR LAMBS

Tests made at the University of Kentucky Experiment Station indicate that cracked yellow shelled corn is the cheapest and best ration for the creep-feeding of suckling lambs.

Experiments carried on over a period of nine years compared cracked yellow corn with mixtures of feeds. These included cracked corn, crushed oats and pea-sized linseed oilmeal; cracked corn and commercial milk substitute, and a third ration composed of a "sweet feed" made of corn, oats, bran, linseed oilmeal, molasses and salt.

The conclusion of the experiments: "None of the three more costly

mixtures showed any consistent or significant superiority to corn alone in rate of gain, efficiency of gain or market finish of the lambs."

The experiments, which are reported in Bulletin 567, were not designed to answer the question of whether creep-feeding pays, but rather to determine what rations are best for creep-feeding under Kentucky conditions.

CARD OF THANKS—

We wish to take this opportunity to thank our many relatives and friends for their many kind expressions during our recent bereavement in the death of our loved one, Gussie Sederberg Moore.

Especially do we wish to thank the donors of the many floral pieces; Rev. H. L. Reid for his consoling words; Catherine Bowlette for the beautiful songs; Mrs. Perry Allen, organist, and Ralph Stith for the efficient manner in which the arrangements were conducted.

—THE FAMILY

Members of the Warsaw Homemakers Club in Gallatin county chartered a bus to visit Bardtown, Harrodsburg and other historic spots. Although Lona Brown of Menifee county sold \$300 worth of strawberries from one acre, he figured he got only a half-crop this year.

In Livingston county, plans are underway to build about 500 acres of abandoned mining land into good pasture.

Willie Caudill and Emmitt McClurg of Rowan county built tobacco barns this summer, following the recommendations of the UK Agricultural Extension Service.

Thurston Hurst, the first farmer in Lawrence county to produce fescue seed for market, harvested 25 acres. An experiment in tobacco irrigation was done at Miljohn Farm in Robertson county, the water supply being a 3-acre lake.

Churches Unite

Lesson for September 16, 1951

MORE THAN 200 different denominations of the Christian church exist in the United States alone. Several of these claim to be the one and only "true" church, but even those that do not make this claim are sufficiently pleased to stay on as separate denominations. Some Christians find this division of Christianity a scandal and a sin. Others find it the glory of Protestant Christianity that it has freedom and room for so many varieties of Christian faith. Has the Bible anything to say about this?

.....

The Mother of All Churches

You will not find such words as "denomination" in the New Testament. Such words as Episcopalian, Lutheran, Baptist (referring to a church), Presbyterian, Mennonite, Roman Catholic, or other modern terms, are not to be found in the Scriptures.

All the same, our lesson passages give us some important suggestions. Luke tells how horrified the disciples were at discovering some one not of their own organization, doing good work in Jesus' name. They would have stopped him; but Jesus said, "He that is not against us is for us."

That is a good way to think about other Christian churches. The story in Acts 11 tells how churches in the earliest times helped one another in various ways. II Cor. 9 shows how the good example of one church can be a challenge to others to do still better.

As that Jerusalem meeting handed down a decision affecting many congregations and persons, so now the findings and decisions of groups of churches have a weight and an importance far beyond what might be said by single congregations. That council was the mother of all councils in the New Testament church was the mother of all churches.

.....

All Christians Are Brothers

IN HIS first letter to that problem-church of Corinth, their first pastor Paul urges the different parties in the church to remember above all that they are Christ's people rather than any one's else. The name of Christ is far more important than any of our denominational labels.

In his letter to the Philippians Paul says an even more striking thing. "I know that some are preaching Christ out of jealousy, to annoy me . . . but what does it matter? The fact remains that Christ is being preached, whether sincerely or not, and that fact makes me very happy."

In America today we are beginning to catch the New Testament spirit. Taking the situation as a whole, there is more get-togetherness than fly-apartness among the churches. Cooperation is taking many forms. Only in communities, or in state-wide interdenominational associations, or on a national scale, churches are doing together what separate churches or denominations would find difficult or impossible.

Besides recent large mergers of denominations such as the union of Methodists north and south, the Evangelical United Brethren, the Evangelical and Reformed, and Congregational - Christian, there are many other groupings of like-minded churches, pooling their resources for evangelism, education, missionary work and many other purposes.

Message to the People

THE largest and most impressive I get-togethers are the National Council of Churches of Christ in America which includes every large American denomination but two; and the great World Council of Churches with member-churches in every Christian land.

These words from the first message of the National Council to the people of America ring out the spirit of unity growing today: "This council has been constituted by 29 churches for the glory of God and the well-being of humanity. It manifests our oneness in Jesus Christ as divine Lord and Savior; his is the mandate we obey and his the power on which we rely. Our hope is in him. In him we see the solution of the world's ills. The Council itself is a demonstration of his power to unite his followers in joyous cooperation."

Shall I force my child to go to Sunday School and Church?

Yes, definitely! Started? Why? How do you answer Lucy when she comes to the breakfast table and announces, "I'm not going to school today!" You know, Lucy goes.

How do you answer when Lucy comes in be-smudged with dirt and says, "I'm not going to take a bath!" You know, Lucy bathes.

How do you answer when Lucy, threatened with illness, says, "I'm not going to take that medicine!" You know, she takes it.

Why all this timidity, then, in the realm of spiritual guidance and moral training? Going to wait and let her decide what Church she'll go to when she's old enough? Don't fool yourself. By that time she'll probably believe that a decision neglected by her parents during her first twenty years might not be necessary at all. You didn't wait until she was "old enough" to decide she should go to school.

Afraid she'll later succumb to the old story about " . . . too much religion when I was young . . . parents made me go?" This tale is obviously false. Just because she takes a bath tonight doesn't mean she'll discontinue them at the age of twenty-one.

What shall I say to Lucy when she announces she doesn't like Sunday School and Church. That's easy. Be consistent.

By firmness and example you can show her that church-going is a necessity. And in later years, she will thank you for bringing into her life the greatest values a mature person can possess—Christian habits and ideals.

THE CHURCH FOR ALL . . .

ALL FOR THE CHURCH

The Church is the greatest factor for on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For his church and community. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Grass Fires

Last Wednesday, the Independence Volunteer Fire Department was called to the farm of George Hengott, where six or seven acres were burned over before it was put out.

The latter part of last week the local firefighters were called to Locust Pike, near Decoursey to fight a grass fire that was endangering a house. The home was saved and the blaze extinguished.

Home Burns

Last week the Independence Volunteer Fire Department was called to the home of Fred Bell, near Decoursey, but the fire had made too much headway and the four-room home was destroyed.

William Neuspickle

Services for William Neuspickle of Visalia, were held September 3 at the Swindler funeral home, Covington. Burial was in Second Twelve Mile Cemetery, Pendleton County. He died late Saturday, Sept. 1, at his home, at the age of 57 years.

He is survived by four sisters, Mrs. Lillian Miller of Cincinnati, Mrs. Effie Kline of Visalia, Mrs. Sylvia Pressler of Middletown, Ohio, and Miss Grace Neuspickle, at home; four brothers, Thurman of St. Paul, Minn., and Raymond, Lawrence and Vernon Neuspickle, all of Visalia.

Cyclist Injured

A motorcyclist, identified as James Hyatt, of Covington, suffered a severe back injury Saturday when he was crowded off Taylor Mill Pike by an automobile, according to Kenton County police. They said the motorcycle crashed into a guard rail and Hyatt tumbled 30 feet by the impact. He was taken to St. Elizabeth Hospital.

Nineteen 4-H club members in Laurel county produced \$2,048 worth of strawberries this year. Shack Parrott of Washington county threshed a 15-acre field of Vigo wheat that made around 30 bushels to the acre.

SHORT STORY

Valuable Man

By Richard Hill Williams

THE DOOR MARKED "Private" opened and a girl appeared. "Come in please, Mr. Jeffrey," she said.

Tully dropped the magazine he had been reading onto the reception room table, rose, buttoned the coat of his double-breasted suit, straightened his tie and stepped

3-Minute Fiction

past the girl. "Mr. Gunner," said the girl, "has an appointment this morning. He asked our Mr. Jacobs to talk to you."

A rage seized Tully, and a determination. He thought: "To hell with Gunner and his job! I'm going back to Boston. But first I'm going in there and tell that yes-man what I figure I'm worth."

The yes-man was a typical, efficient yes-man, small, bespectacled and used to handling unpleasant duties for Mr. Gunner.

"Sit down, sit down, Jeffrey," he said. "We understand you have a letter. You're seeking employment. Mr. Gunner is very sorry to have to advise that at the moment there's nothing. Not a thing." "Good," said Tully. "I decided not to take the job anyway. I decided you can't pay what I'm worth."

"Really?" said Mr. Jacobs, arching his brow. "And that is?" "Two hundred and seventy-five dollars a week!" said Tully. He rose. "Good day, Mr. Jacobs. Give my uncle's regards to Mr. Gunner."

Mr. Jacobs sat at his desk with pursed lips and stared thoughtfully slammed but closed with a determined firmness. Presently he rose at the door that Tully had not and invaded the privacy of portly Mr. Gunner.

Power Packed Sports Schedule Arranged By Station WLW-T

Completion of arrangements to carry the NBC telecasts of the World Series exclusively on WLW-T finalizes one of the most power packed schedules for sports fans ever to hit the WLW-T area, according to program officials of the station.

Other sports attractions headlining the Fall viewing schedule include the exclusive coverage of the seven NCAA football games offered by the WLW area, championship wrestling each Saturday afternoon and evening, and top boxing matches from Madison Square Garden each Friday night via NBC-TV. Sports fans in a remodeling mood can dial to the "Greatest Fights of the Century" on WLW-T each Friday evening, as the highlights from history making ring moments are recreated. The schedule will be climaxed by the Rose Bowl game in January.

Headlining the fortified schedule will be the kick-off of the college football coverage Saturday, Sept. 23 with the Princeton-Columbia game. Succeeding games will cover most of the big time conferences in the nation affording a variety of viewing and a chance for many alumni to follow the fortunes of their alma maters' teams via television, as Notre Dame plays Southern Methodist, Oct. 13; Ohio States is pitted against Indiana, Oct. 20; Northwestern meets Wisconsin, Oct. 27; Army matches teams with Southern California, Nov. 3; Navy tries to sink Maryland, Nov. 10, and Michigan and Ohio State play their traditional fray Nov. 24. This schedule gives WLW-T the only college football games on television in this area.

Pre-game football features on WLW-T start Friday evening with the scheduling of "Football This Week," a round-up of the weekend's games by Norman Speen. On Saturday tentative plans call for a pre-game feature with Paul Jones, former West Virginia grid great, and guests, as well as a 15-minute show with Frank Leahy forecasting the day's developments.

The World Series will start between the sixth and eighth of October, with the title deciding games to be seen exclusively over WLW-T each afternoon during the series. Announcer for the play-by-play description of the games, as well as pre-game color features, will be announced later.

Sports fans will have a double treat on Saturdays, with the championship WLW-Television wrestling following the football games.

BACH CIRCLE MEETS

Mrs. Charles Prather was hostess to the Jean Bach Circle of the Walton Baptist Church, at her home, last Tuesday evening.

The Week of Prayer program was observed, the theme being, "Walking Worthy of the Lord Thy God." Mrs. Prather had charge of both programs with several members taking part.

Officers elected for the coming year are: President, Mrs. Lebus Stephens; Vice President, Mrs. Kathryn Winkler; Secretary, Mrs. William Burkett; and Program Chairman, Mrs. Charles Prather.

Those present were: Mrs. Franklin Breeden, Mrs. Lawrence Wilson, Mrs. Clifford Chance, Mrs. William Burkett, Mrs. Lebus Stephens, Mrs. Stanley Allen, Mrs. Chester Ann Strong and daughter, Carolyn, Mrs. Mildred Robinson, Mrs. June Neumeister and children, Eddie and Norma Jean, Mr. and Mrs. Chas. Prather and sons.

Mrs. June Neumeister will be the hostess at the October meeting.

CLUB LUNCHEON

Members of the Kenton County Garden and Cultural Club will be entertained with a luncheon at the Independence Christian Church on Thursday, September 27, at 12 noon. All members urged to be present.

BASKET DINNER

All friends and relatives are invited to attend the basket dinner to be held in honor of Mrs. Emma Bagby Collins of Walton, Route 1, at the home of her daughter, Mrs. Elvise Baker of Mt. Zion, Ky., on Sunday, September 23.

Historical Society to Meet

The Boone County Historical Society will meet in the Florence Town Hall, Friday, September 21, 8 p. m. Continuing its program of study of names of pioneers in Boone County, the society will consider the name of Brown from North Bend. Anyone having any material on that early family is asked to bring it to the meeting. Clarissa Brown married Zebulon Montgomery Pike, hero of the War of 1812. She is buried in a private cemetery in North Bend. At this meeting, William Fitzgerald will present a paper on "Zebulon Montgomery Pike." Anyone having any information on General Pike is urged to bring it to the meeting.

The meetings of the society are open to anyone interested in the history of Boone County.

Bob & Gene Play Grants Lick For KAG Loop Title

On Sunday, September 23, Bob & Gene will play at Grants Lick, in the first of a five-game series for the championship of the KAG Semi-Pro Baseball League. Bussman will be on the mound for the Eadesmen and Flaughers is expected to hurl for Grants Lick. The second game of the series will be played at Florence, on Sunday, September 30.

Last Sunday, B&G eliminated the Newport Steels, 6-3, in a game played at Florence. Gene Bussman pitched for the winners, and allowed the Steels but 4 hits, while striking out 14. He pitched hitless ball from the third frame to the ninth. Newport scored a run in the second on a walk, a sacrifice and a hit. B&G tied the score in the third when Sox Benson came through with a timely blow to score a man from the lead, scoring two runs. They scored two more in the fifth and one in the seventh. The eight-hit attack of the winners was led by Imfeld, who bagged a pair of safeties.

Walton Homemakers

Mrs. Mayme Simpson entertained the Walton Homemakers Club last Friday. The new president, Mrs. Leo Flynn, presided at the meeting. A lesson on Style Trends was given by Miss Nancy McClaskey, County Agent, and the lesson on Glass Etching was given by Mrs. J. T. Stone.

The annual meeting of Homemakers will be held at the Florence Baptist Church, October 5. Lunch will be served at the Fire House. Reservations for lunch are to be made with Mrs. Leo Flynn by October 1.

The following members attended the meeting: Pearl Johnson, Margaret Wood, Lucy Callen, Carrie Rouse, Bertha Lancaster, Mary Goodpaster, Anna Lancaster, Anna Bush, Lillian Goss, Virginia Ward, Ora Fry, Ora Stone, Gaynelle Flynn, Mary Piner, Marie Penick and the hostess, Mrs. Simpson. Mrs. Abbie Bush was a visitor.

MT. ZION HOMECOMING

Mt. Zion Baptist Church, in Grant County, will welcome all its members at a Homecoming, September 30. Former pastors and former members are expected from a wide area. The \$8.00 school goal for the day is 250. Following the morning service a dinner will be served on the grounds. The afternoon service will include a hymn sing, recognition of faithful members, and addresses by former pastors. A large crowd is expected since this is the first homecoming in recent years, according to Gerald A. McNeely, the pastor.

TO VISIT ORPHANS

Members of the Fidelis class of the Walton Baptist Church are planning a trip to the new Orphans Home, in Louisville, Saturday, September 22. Those desiring to go are asked to be at the church at 7 o'clock, with cookies. There will be room for all.

ROBBED OF \$61.00

Louis Readour, age 70, who resides on the Dr. J. J. Marshall farm was robbed of \$61.00 by a man and woman, at about 7:00 p. m., Sunday evening at his home 2 miles South of Walton.

According to reports, the man put his arms around Mr. Readour while the woman searched his pockets.

Petersburg Man Is Killed Instantly When Struck by Car

James Russell Cook, 44, Petersburg farmer, was hurled 132 feet after being struck and killed by an automobile near his home last Friday, Boone County Sheriff W. H. Easton said Saturday after visiting the scene.

The sheriff identified the driver who struck Cook as Pleasant Laihart, 25, Petersburg. The accident occurred on State Highway 20, about 1/2 mile south of Petersburg. The car upset after hitting the victim.

Cook sustained internal injuries, according to the sheriff's information. He was removed by Ralph Stettin, Florence funeral director, but died enroute to a Burlington physician.

Boone authorities charged Laihart with manslaughter. He was released under \$1,000 bond pending arraignment before County Judge C. L. Cropper.

Funeral services were held Monday at 2 p. m. at the Cook residence with burial in Petersburg Cemetery. Surviving are the widow, Vivian; a son, Russell E., at home; his mother, Mrs. Corda Cook of Petersburg; two sisters, Mrs. Mildred Biddle of Petersburg, and Mrs. Emma Smoot of Baltimore, Md., and a brother, John Cook of Ludlow.

FAMILY REUNION

Mr. and Mrs. Clifford Cook and family entertained with a family reunion Sunday, September 16, at their home near Crittenden.

Walton to Have New City Building, If Voters Approve

The Walton City Council met in continued session of the regular meeting on Monday, September 17, for the purpose of considering an ordinance to enable the City of Walton to construct a new building to be used for the housing of the fire-fighting equipment, as well as a jail, city hall, and other municipal quarters. Ordinance No. 209, appearing in this issue of the Advertiser, was considered and passed by the five members of Council present at Monday's meeting.

It is the opinion of the City Council that a building of sufficient size and equipped properly for the fire department and other city offices can be constructed on the city-owned lot at the corner of Main and Church Streets for a sum of less than \$25,000. When such a building is completed, it is anticipated that the present city hall, jail and fire house will be sold at auction, and the returns from that sale applied to reducing bonds that may be issued to cover the cost of the new building.

After considering the facts, the Council passed and recommended Ordinance No. 209, calling for the issuance of \$25,000, or less, in bonds and providing for the retirement of those bonds and interest without any increase in the present tax levy. It is now a matter for all the citizens of Walton to consider, as all qualified voters living within the City of Walton will have an opportunity to express their decision on Tuesday, November 6, when this issue will appear on a separate ballot at the regular November election.

City Ordinance 209

An Ordinance providing for an election to be held on November 6, 1951, to obtain the assent of the qualified voters of the City of Walton on the question of whether or not there shall be incurred an indebtedness of not to exceed \$25,000 for the construction of

The October meeting will be held in the home of Mrs. Charles Davis.

Permanent-Type Buildings To Be Erected at Boone Base

Col. V. E. Moore, base commander of the 22nd Air Force Reserve Training Center, recently outlined purposes and objectives of the new training program being organized at Greater Cincinnati Airport for Reserve Air Force personnel.

Establishment of a reserve wing here is a part of the overall Air Force program to set up a total of 161 such wings throughout the country, Col. Moore stated. The local wing will provide training for 1,000 officers and almen made up of volunteer air reservists, ex-officers and almen and volunteers within a 100-mile radius of Cincinnati, said Col. Moore. He indicated there are some 44,000 officers and almen available in the area to draw from.

Col. Donald J. Campbell, appointed for the interim period as acting commanding officer of the 910th Reserve Training Wing, said the task of setting up a headquarters and training quarters were to be built and the problem of housing and feeding the weekend reservists to be trained was a problem. However, housing has been found so far for permanent personnel stationed at the airport.

Questioned on the growth and the future of the Reserve Training Center at the Airport, Col. Moore indicated that permanent-type buildings such as barracks, administration and training quarters were to be built and that reservists in the program would be paid for 24 training periods a year, together with a two-week active duty tour with pay. As a result of the recall to extended active duty of a large number of the Air Force Reserve, a new ready reserve must be developed and trained, Col. Moore explained.

OVER 100 PICTURES

The Advertiser received wonderful response to their call for pictures for the "Lost Thursday," when over 100 prominent people had the photos taken. These pictures will be made into cuts and used with a series of stories in the paper from time to time. The editor and staff wish to thank everyone for the excellent response to the call. This was the largest number of pictures ever taken by this photo concern in the weekly newspaper field. Incidentally, someone left a man's hat and may obtain it at the office.

STATION ROBBERY

The service station operated by William Bannister at the corner of North Main Street and Alta Vista Drive, was robbed Sunday night and about \$30 worth of cigarettes and candy was taken.

Monday, Sheriff W. H. Easton and Police Chief Herman Simons went to Lexington and apprehended two teen-age boys, Joe Hoskins and Geo. Head, both of Cincinnati, who confessed the robbery. Some of the merchandise was recovered.

The boys were taken before Judge Carroll Cropper and, with the agreement of Mr. Bannister, were paroled to their parents for one year, since this was their first offense.

ENJOYING LEAVE

Pfc. Hargis Banta has completed his Marine training at Parris Island, N. C., with a good rating, and is now enjoying a leave with his parents and family.

ELLISTON REVIVAL

Revival services will be held at the Elliston Baptist Church, Elliston, Ky., September 30 through October 7, with services each evening at 8:00 p. m., Eastern Standard Time. Simeon Webster, pastor, will do the preaching, and special music and singing will be featured. A cordial welcome is extended to all.

HAVE DAUGHTER

Mr. and Mrs. Dan Corman of Wilmore, are the proud parents of a daughter born September 16, at Good Samaritan Hospital, Lexington. Mrs. Corman is the former Patricia Banta, daughter of Mr. and Mrs. H. H. Banta of near Bracht.

STAFFORDSBURG

Our new minister, Rev. Louie Adams, conducted his first Sunday morning service with a good number present. In the evening, the younger people met to make plans for organizing a Youth Fellowship. Rev. R. R. Patton preached at the evening service, after which the Lord's supper was observed. A business session followed, in which much interest was manifested. Thomas Borkers enjoyed the company of Rev. and Mrs. Adams and Joe.

Chester Stephens Rapp had a party Wednesday evening celebrating his ninth birthday. Miss Rosemary Binder entertained with a birthday party, Sunday.

Mr. and Mrs. Chas. Losey entertained the D. C. Losey family Sunday with a turkey dinner, in honor of their son, Ronald's birthday.

May we here wish each many happy returns.

Mrs. Roy Martin and son, Richard, visited Mr. and Mrs. J. J. Barnett last week.

Mr. and Mrs. J. A. Keeney returned Tuesday evening from a ten-day trip to Houston, Texas, where they visited their daughter, Mrs. J. W. Fryer, and family. They were accompanied home by their grandson, Edward Fryer.

Mr. and Mrs. Harley Hanna and son spent Sunday with Mr. and Mrs. W. E. Hanna.

The W.S.C.S. met at the church on Wednesday afternoon for their regular monthly meeting, and also did some quilting. We should like so much if all women in our community would attend the W.S.C.S. that we could render a more effective service.

Mr. and Mrs. Howard Barnett visited with relatives at Mt. Sterling, Sunday.

SUGGESTS SEEDING LAWNS EVERY YEAR

Sowing bluegrass seed every year is an absolute "must" in Kentucky if a good lawn is to be had, according to Prof. N. R. Elliott of the UK College of Agriculture and Home Economics. Regardless of the condition of the sod, it is a good idea to sow the grass seed he stated, 1 1/2 to 2 pounds usually being sufficient for the average rural lawn.

Although bluegrass seed may be sown any time in late summer or early fall, September 15 has been designated by Elliott as a date to remember for this important task. Fall planting is considered better than spring, as the seed has time to germinate, and the grass gets some growth before winter. To secure an even distribution, Mr. Elliott recommends dividing the seed in two equal parts, sowing half in one direction, and the remainder at right angles to it.

Circular 381, "Planting and Care of the Lawn," by Prof. Elliott may be had from offices of farm or home agents, or from the College of Agriculture and Home Economics, University of Kentucky.

In Breathitt county, 178 packages of fall garden seed containing kale, Seven Top turnip, Purple turnip, mustard, and crimson clover for a cover crop, were used by 4-H club members.

During the past year, Madison county homemakers refinished 550 pieces of furniture, and 201 families bought new lamps or wired old ones.

MAKES WEDDING PARTY CLOTHES

A wedding dress of white embroidered organza over satin, and six formal for attendants in the wedding party, were made by Mrs. Edgar Banks of the Little Cowan Homemakers Club in Letcher county. Although she had sewed for herself and her daughter, she never had sewed for others until she took the six basic sewing lessons offered through her club, she told Miss Roberta Halcomb, home demonstration agent of the UK College of Agriculture and Home Economics.

In seven months, Mrs. Banks made a total of 89 garments, six quilts and a couch cover. Besides this, she kept house, gardened and canned vegetables.

Carroll county had its first outdoor fair in 30 years this year.

Thief Steals Guns

Kenton County police were searching this week for a thief who entered the home of Dick Brandenburg, Bullock Pen Road, and stole two guns valued at \$195. Brandenburg told police that a .22-caliber target pistol valued at \$85 and a 12-gauge automatic shotgun worth \$110 were taken. Police said they thought the burglar probably used a skeleton key. The case followed the same pattern for two other burglaries reported on Wednesday night.

ONLY A RIDE CAN SHOW YOU WHAT ONLY A CHRYSLER GIVES!

WALTON GARAGE, Walton, Ky.

✓ **COME FEEL 180 V-8 HORSE-POWER!** Chrysler's revolutionary new Fire-Power V-8 engine develops more power, gives smoother, more flexible responsiveness than any other engine ever put into an American car. Even on non-premium grade fuel, its built-in "Mechanical Octanes" enable it to outperform any other engine in any other car!

✓ **COME FEEL HYDRAGUIDE* POWER STEERING!** For the first time in any U.S.-built car, hydraulic power supplies four-fifths of the energy needed to park or steer . . . makes driving literally a brand new experience . . . gives steering ease and the safety of swift, sure steering control like nothing you've ever felt!

✓ **COME FEEL CHRYSLER POWER BRAKES!** Feel for yourself the new sense of security that comes when power from the engine helps your foot apply the brakes. Gently, smoothly, easily, swiftly, you "feather down" your Chrysler's speed . . . or bring it to a standstill, with as little as one-third the foot pressure you're used to!

✓ **COME FEEL WHAT ORIFLOW DOES TO ROUGH ROADS!** Chrysler this year uses a revolutionary new type shock absorber with over twice the ride-steadying power of those previously used on any cars at any price. Come feel for yourself what a difference this makes . . . come feel what happens when bumps disappear!

City Ordinance 209
(Continued from Page One)

SECTION IV. It is further ordained that the Clerk of the City of Walton cause to be printed in the Walton Advertiser, a weekly newspaper publication in the said City, in the issues of October 25, 1951, and November 1, 1951, the following Notice, to-wit:

NOTICE

Notice is hereby given that on Tuesday, November 6, 1951, at the Regular Election held on that day in the City Precincts in Walton, Boone County, Kentucky, there will be submitted to the qualified voters of said City the following question, viz:

"Are you in favor of the City of Walton issuing bonds not to exceed twenty-five thousand (\$25,000.00) dollars for the purpose of erecting and equipping a new municipal building for the City of Walton, containing space for municipal offices, jail, and fire-fighting equipment?"

On the ballot, there will be two spaces on the right; one for votes favoring the measure to be designated by the word "Yes;" and one for the votes opposing the measure to be designated by the word "No."

The amount of money necessary to be raised by taxation per year shall be \$1,000.00 on the principal of said bonds for a period of twenty-five (25) years and not in excess of \$1,000.00 for the first year for interest and \$40.00 less each year (or perhaps a lesser amount depending upon the rate) for a period of twenty-four (24) years.

C. W. HOFFMAN, Clerk, City of Walton.

SECTION V. This Ordinance shall be in full force and effect after its passage and publication.

Passed by the vote of 5 members of Council, this the 17th day of September, 1951.

R. M. HALL, Mayor, City of Walton, Kentucky.

ATTEST:
C. W. HOFFMAN, Clerk, City of Walton, Kentucky.

WHAT DELBERT HOEKSTRA SAYS ABOUT MILKING COWS

This is an unsolicited letter — one of the hundreds in our files.

"We milk 30 registered cows on our farm near Forest Lake, Minn. Before getting the Marlow, we used several other makes, and here's what the Marlow has done for us... its vigorous, gentle massaging action, at 120 pulsations a minute, keeps teats and udders soft and healthy. And we save hours every week on milking time."

"This medicine chest was always full of penicillin for mastitis. Since getting the Marlow, we haven't needed any penicillin! The Marlow has actually milked swollen quarters back into shape!"

"When we got the Marlow, our herd average was \$77.59 (the first year after that, it hit \$114.41); the second year, \$187. Some cows, some feed, so we knew the Marlow increased production."

"Our milk goes to Twin City Milk Producers Assn. and we always get Grade A milk with the Marlow. Notice this claw with its strengthened design: no place for germs to hide, and so easy to clean."

"We milk cows for profit... our annual cash income with the Marlow was \$1625 the first year; \$2442 the second. That's why we say the Marlow is the most profitable investment a dairyman can make!"

World Citizens
Lesson for September 23, 1951

DO YOU belong to the human race? It isn't as large as you might think.
Hendrik Willem Van Loon once figured out that you could make one box, half a mile long, half a mile

wide and half a mile deep, and you could put into that box every man, woman and child in the entire world, packed in like sardines of course, and then you could nail that box up and tip it over into the Grand Canyon.

With the human race no bigger than that, isn't it stupid for us not to get together? If you ever read Mark Twain's fascinating tale, "Captain Stormfield's Visit to Heaven," you will remember how that mariner got lost on his way to heaven and arrived at the wrong gate. Since no one at that gate had ever heard of "the earth," the captain finally identified himself as from the Solar System.

Still no one had heard of it. Finally some one discovered it, a tiny dot on an enormous map. The Captain was considerably taken down when he learned how small the earth is in the immense starry universe; and so might we all be.

Passengers on the Same Planet
IN THE EYES of God and his angels, this earth and the people on it do not fill up the big place they fill in the eyes of us mortals. This does not mean that we are unimportant to ourselves, or of no concern to God.

Saint Paul gave us the Christian reason—always the best of reasons—why human beings ought to realize how close together we really are. Speaking to the university crowd at Athens, he quoted from a Greek poet to prove his point: "We belong to His race." (Acts 17:28, Moffatt's translation.)

God made all peoples "from a common origin." In him we are and move and have our being. Remember that Paul was not speaking in a Christian church. Of course Christians are brothers in an even warmer and more living sense; but Paul could say, even to men who were not Christians as he was, that "he and they were alike offspring of God, that they all had their being in the same Creator and Father."

The Importance of Being Human
[F]EW would just stop pinning our little tags on people! We call them "foreigners" or "farmboys" or "Canadians" or "college boys" or "Chinese." So they are; but the most important fact about Chinese, or farmboys, or farmers or any other class of mankind, is that they are human beings.

What we have in common, as human beings, is infinitely more important than the variations which set us off into different races, classes and groups. The Christian will be a loyal citizen of his own land; but he will also remember that he is a world-citizen too. And as a world-citizen, he will always remember certain truths about all his fellow human beings.

One is that since we all have a common humanity, we all stand in need of God. It is not much exaggeration, if any, to say that to be human is to be helpless. Scholars write books with titles like "The Human Predicament," which is a short way of saying that if you are human you are in a mess. You need God, whoever you are. But if you know that, then also remember that all other members of the human race need him too, quite as much as you do.

Our Lost Brothers
REMEMBER, too, that while all are summoned to the same festive feast, Paul said: "God commands all men to repent"—not just some of them!; many and many a man (must we say, alas, most men) miss that destiny.

There is a broad road leading to destruction, Jesus said, and many are traveling that road. How can a Christian be indifferent about a thing like that? Every man on the dark road is a man who might be a Christian.

From the dead-end road of selfishness, hatred and pride he might come over to the highway of God... if some one took the trouble to go after him. But we shall not bother ourselves much, we shall not bother ourselves enough, about our lost brothers, unless we have the world-citizen's eye and the world-Christian's heart.

HITCHING-POSTS

Here and there in some of our cities and towns one finds narrow streets, still lined with hitching-posts—beloved relics of an almost forgotten era!

But man hasn't really abandoned the hitching post. He has converted it. Today he calls it a parking lot, or a terminal, or an airport. But it's really the old hitching-post, just the same.

In fact, we never will out-grow our need for the hitching-post. No matter how far or fast we travel, there will always be places we like to stop and stay awhile.

Odd how our spiritual needs resemble the physical... The soul needs a hitching post, too. As we try to keep up with the ever-quickening pace of modern life, we need the sound, solid, unwavering truth of our Christian religion.

And come Sunday morning, there's no place like the Church to stop and stay awhile!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should join the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

FLORENCE NEWS

Mr. and Mrs. Jerald Dixon, Mr. and Mrs. Eldridge Carpenter and the P. J. Allens attended the State Fair in Louisville, last Wednesday.

Mr. and Mrs. R. L. Ammon were hosts at a luncheon at their trailer home on Burlington Road, Sunday of last week, honoring her mother, Mrs. Tony Howard, on her birthday. Other guests were Mr. Howard and Miss Lois Howard. May Mrs. Howard enjoy many happy returns of the day!

Charles Beall and Miss Minnie Baxter were callers in the home of Mr. and Mrs. James Rogers, Sunday.

Mr. and Mrs. Robert Woodward recently terminated a well-earned vacation and motor trip. Their itinerary took them first to the Indiana State Fair at Indianapolis, from where they continued on through Illinois, Iowa, Minnesota, Wisconsin and Ohio.

Mrs. Francis Dixon and Mrs. Martha Huey were calling on Mrs. R. E. Tanner, Wednesday.

The community welcomes the return of Mr. and Mrs. W. H. Jones to their farm home on Price Pike. However, we regret the loss of Mr. and Mrs. Onville Conrad, who returned to the home in Hebron, vacated by Mr. Jones.

Mr. and Mrs. Emerson Smith were dinner guests Monday evening of Mr. and Mrs. R. E. Tanner. Following dinner the party attended the Florence Drive-In.

Mr. and Mrs. Geo. Elchorn and Mrs. Wm. Tippetts have returned to their homes in Chicago, following a brief visit with Mrs. Eva Delahunty. Their mother, Mrs. Hattie Smith, accompanied them home following an extended visit with her sister-in-law, Mrs. Delahunty.

W. K. Souther and Carl Rouse were in Cincinnati, Saturday to view the parade of the Shrines and also attended the Carthage Fair. Others in the community attended the fair during the week.

Mrs. Ella Weaver of Lloyd Ave., was the guest Friday night of her son, Harold, and family of Union. Saturday evening guests of the P. J. Allens were G. B. Miller, Mr. and Mrs. E. Carpenter, Barbee Simpson, Blayne Miller and Mr. and Mrs. R. G. Keyer.

Mrs. Marie Kinman, an associate of the Coppin Dept. Store, departed Sunday for New York, where she will contact other buyers to do Christmas shopping for the store.

Mr. and Mrs. R. E. Tanner and Mrs. Eldridge Carpenter were luncheon guests of the P. J. Allens, Tuesday of last week. Mr. Tanner was the honor guest, as he was celebrating a birthday. He friends wish him many such occasions.

Mr. and Mrs. Chas. Woods were called to Chattanooga, Tenn., Tuesday of last week by the illness of her brother, Homer Eades, who suffered a heart attack on Sunday previous. They were accompanied by Mrs. Eades' mother, Mrs. Geo. Miller. Mr. Eades is hospitalized, and according to latest reports is gradually improving.

Mr. and Mrs. James Bristow of Bristow Pike, Kenton county, were hosts at a luncheon party Sunday. Guests participating in the festivities were Mr. and Mrs. Robert Woodward, Mr. and Mrs. Robert Tanner, Mr. and Mrs. E. Carpenter, Miss Jennie Dixon and Ruth Bristow. Afternoon callers were Rev. and Mrs. C. N. Ogg.

OUR U. S. A.

Stanley Robinson and wife just returned from a trip way out West and down into Mexico—Stanley even brought the horns back off a Mexican steer—they drove over 5,000 miles and saw a lot of country. When you travel out West, you see why this the greatest country in the world—we feed the world, we finance the world, and we will fight the world before it is all over, because every country is jealous of the U. S. A. We waste enough to feed some of those foreign countries, but we had just as well waste it as to feed some foreign country until they are fat enough and strong enough to think they can whip us, and then they start another war.

Mr. Bonniester, who operates the Falls Filling Station, just bought a Coleman oil heater to put in his house. Forest Thompson, one of our real estate dealers, who owns the old Mayhugh property, bought aluminum roof paint and paint thinner. Bobby Whitson's mother-in-law from Georgetown, stopped and bought a coal heater and pipe. I sold two portable Perfection oil heaters to strangers passing through—they are very handy these chilly nights. Ray just came in from Walter Whitson—he fixed up and cleaned out their oil heaters for winter.

Mrs. Lula Vest and Mrs. Annie Menefee from Crittenden, were down today and bought an Arvin electric heater to use on coal days before they have to start their furnaces. Mr. and Mrs. Morgan Campbell were buying more linoleum—they like that Armstrong linoleum—it has the best finish and is easy to keep. Mrs. Cleo Robinson bought a coal heater—she is getting ready for winter. Mrs. Buddy Whitson was after paint and varnish remover, also sandpaper—she is refinishing a table and is that work! Ray was busy with his outside work today—he put up new furnace pipe for Lawrence Wilson, set up a stove for Mrs. Walton on High Street, also set up a stove for Nathan Brewster, went to Crittenden and repaired an oil heater for Mrs. Kate Noel and Lula Vest, and took Mrs. Annie Menefee an electric heater. Dr. Marshall came in and bought his wife an Arvin electric heater. Rex Kite and wife bought a small coal heater for their kitchen.

Ray, on the way back from Crittenden, went over to Mrs. Worley's on Hempling Road and checked her coal heater—she needed a new lining and grate for her Warm Morning heater. Then he went to Beaver to repair Katherine Pagan's table and is that work! It was OK and worked perfect. On his way back he stopped at Mr. Flynn's on Richmond Road and cleaned his oil heater. He brought Mrs. Lindsay Brumbar's Easy Washer in and cleaned out the pump, then he brought in Mrs. Joe Leanderback's washer and it would not go out of gear—he fixed that and returned both of them. He delivered Walter King same belt ties and brought Tom Carr's heater in for repairs.

He was a very busy man and has lots more to do. Lassing Huey came after 4 lbs. of Fengi-San to burn under his tobacco to kill the worms and also keep it from houseburning. If you use this Fengi-San when you put your tobacco in the barn, you won't have to worry about houseburn and it will kill all the worms left on it.

Walter King and Sarah had a big smile on their faces and after inquiring what caused the big smiles, learned that David, who lives at Versailles, Ind., is a proud papa of a big boy, and I bet he is a big boy if he takes his size after his daddy. Earl Jenkins came in today and bought a Siegler oil heater with a built-in blower and all- porcelain enamel finish. Mrs. Cooper, who lives on Church Street Road, sent over after two gallons of Bolce outside white paint. William Ruth bought a lot of Bolce cream outside paint—they have used this for years—he also bought some spar varnish and thinner. Ray installed two 50-gallon drums on a rack for E. M. Johnson for his fuel oil heater, then cleaned out Tom Percival's oil heater. He put up new Breneman venetian blinds in the Dixie State Bank—these are very nice—take a look at them when you go to the bank—then let us order some for you. Joe Kandy bought his wife a nice electric shaver—these save time and energy.

Chas. Colcord came after parts for his electric fence and a new battery. Mr. and Mrs. Claude Sturgeon, two of my good customers from Verona, came over Saturday and bought a two-burner oil heater and one of those old reliable Anchor coal heaters, also bought linoleum and stove board. Then Mrs. Boyd Webster wanted a 12x12 Armstrong rug and she wanted to put it down before noon—well, Chick rushed it over home for her. Mr. Thompson, who operates the Shamrock Inn at Bracht, bought a Dayton water system and an 80-gallon electric water heater—if you ever used these two pieces of appliances, you will always have them. Mrs. Elizabeth Hopterton (Ed's wife) from Gallatin county and children bought zipper note books and composition books. E. V. Overbay bought a Stevens double-barrel shotgun—the squirrels are fast now.

Dutch Sturgeon and wife were in Saturday but I did not see what they bought, as I was too busy. Beckham Shields and George Gaines Bedinger were buying Paris Green. Elizabeth Knox got a 10-lb. piece of Armstrong linoleum. Omer Dugan bought inside paint and roof paint—he is getting ready for winter. Reed Hume and son were in after fishing license—same old Reed—hasn't grown a bit. Monday started off just like a whiffing—we have so many things to do, but just give us time, we will be there. Whatever it is or wherever it be, let your wants be known—we will try our best to give you the service with a smile at CONRAD'S!

1951 Fifth District Sportsman Fair to Be Held Oct. 6-7

The 1951 Sportsman Fair of the Fifth District Federation of Kentucky Sportsman will be held Saturday and Sunday, October 6-7, at Twin Oaks Golf Club, 43rd and Michigan, Covington.

Outdoor activities of interest to sportsmen and their families have been scheduled for the two-day event.

Fifth District team and individual championships in trapshooting, rifle shooting, pistol shooting and casting will be conducted during the fair. Teams representing the 25 affiliates of the Federation are eligible. Trapshooting and casting prizes will be available to the public during the two-day fair.

Organizations eligible to enter teams for shooting and casting championship trophies and medals include Boone Lake Club, Florence Rod and Gun Club, Ohio Valley Beagle Club, Verona Community Club, Bob White Club, Campbell County Game and Fish Protective Association, Ft. Thomas Optimist Club, Licking Valley Gun Club, Seven Hills Gun Club, Carroll County Conservation Club, Gallatin County Game and Fish Club, Dixie Gun Club, Briar Hollow Beagle Club, Darrell's Sportsman Club, Kenton County Revolver Club, Kenton Sportsmen's Club, Kenton Game and Fish Association, Latonia Gun Club, Ludlow Field and Stream Association, Northern Kentucky Gun Club, Northern Kentucky Lake Operators' Association, Silverview Rod and Gun Club, Pendleton County Sportsman Club, and Trimble County Rod and Gun Club.

Host club for the fair is the Latonia Gun Club. Food and refreshments will be served on the spacious golf course grounds.

John E. Murphy, president of the Federation, is general chairman, assisted by Tom Silvers, secretary; Howard Swagert, assistant secretary; William G. Swelton, treasurer; and Clarence Craig, fifth district vice president of the League of Kentucky Sportsmen.

Event chairmen are Charles Hutsell and Joe Heiland, trapshooting; Edward Pracht, team casting; Mel Ehler, individual high score casting; Kinsey Plummer, rifle; Ray Cochran, pistol; Charles Marrs, trophies; Charles Striwell, honorary memberships; Stanley Shelton, tag sale; Bud Schneider, public address.

Dr. A. W. Boltz, fifth district member of the Kentucky Game and Fish Commission, will be officer of the day.

Proceeds of the two-day fair will be used for the conservation of wildlife and natural resources.

Baptist Sunday School Meeting at Erlanger, Tuesday, October 2

The Associational meeting of the North Bend Baptist Association will be held at the Erlanger Baptist Church, Tuesday night, October 2, at 7:45.

This will be the first meeting of the new year, and Bro. Roy Johnson, Superintendent, is asking for a large attendance. A very fine program has been arranged, with Bruce Campbell in charge of the song service. Special music has also been prepared for the evening.

As this is the first meeting, there will be some matters of business to be taken care of, after which Rev. T. E. Dougherty, pastor of the First Baptist Church, Ft. Thomas, will deliver an inspirational address on "The Open Door."

It is hoped of the Superintendent that all departments of the Sunday School work will move forward in a great way. The goal: First, an increase in enrollment of 15,000 members in the church; second, a teachers meeting or workers' council in every Sunday School; and third, a greater emphasis on bringing up and using Bibles in the Sunday School.

Bro. Johnson said, "May this be a great kick-off meeting for a great year in the teaching program of the church."

INJURED IN CRASH

According to Kenton County Patrolman Ralph Schneider, Harold McClure, 25, of Covington, lost control of the auto he was driving on Walton-Nicholson Highway, last Wednesday, and crashed head-on into the oncoming truck, belonging to Fred Moore of Williamstown.

Mr. McClure was thrown from his car and skidded on his back in the middle of the road. The car ran off the road and into a field.

Taken to St. Elizabeth Hospital, Mr. McClure was treated for abrasions and contusions of the body and of the scalp and face. He was released after treatment.

Paper Collection Saturday

The young people of the Walton Christian Church will collect paper on Saturday morning, September 29th. Give your paper and magazines out on the front porch.

Campaign to Reduce Deaths by Fire In State Announced

A campaign to reduce deaths by fire in Kentucky during the heating season was announced this week by the Fire Marshal Wm. L. Martin.

Incidental with the proclamation by Gov. Lawrence W. Wetherby of the week of October 7-13 as Fire Prevention Week.

The public will be made fully aware that defective heating equipment causes the needless loss of lives and property, Martin said.

The safety regulations were revised recently, so that sleeping rooms used by transients and heated by gas, must be provided with vents and automatic pilot controls. These precautions should assist in preventing deaths in tourist courts such as occurred during the past winter.

"Most of Kentucky's fire loss occurs during the winter months," Mr. Martin stated. "Every area of the state has been affected by deaths and destruction which could have been prevented by the use of automatic cutoffs, a device designed to prevent asphyxiation from uncontrolled gas in sleeping rooms."

The Fire Prevention and Rates field force has been inspecting tourist courts during the summer months to insure that proper protection against defective heaters is provided.

"Continued use of the kerosene and other flammable liquids is also a threat to the lives of many Kentuckians," Martin declared. "Many persons are deluded into the belief that such practice is safe because no explosion has occurred in the past. Such an accident might easily occur at any time especially through the use of flammable liquids in the starting of fires."

BEIGHLE GETS YEAR AND A DAY IN PRISON

Lawrence Clayton Beighle, 25, of Covington, a former resident of Walton, indicted on a charge of stealing baggage from a common carrier in interstate commerce, plead guilty Monday in United States District Court, Covington. He was sentenced to a year and a day by Judge Mac Swford.

Accused of taking the bag from a Dixie Traction Co. bus he was driving from the Greater Cincinnati Airport, Beighle was arrested two months later when he attempted to sell jewelry contained in the bag. Mrs. Chester Martin, owner of the bag, had been enroute from New York to Cincinnati. She told police the jewelry was worth \$15,000.

Beighle's attorneys told the court the defendant had no idea of the value of the contents.

Simon Kenton PTA to Meet

The regular meeting of the Simon Kenton P.T.A. will be held Monday, October 1, 1951, at 7:45 p. m. There will be a musical program and some games. Refreshments are to be served. Members and visitors are urged to attend.

Woman's Club to Meet

The Walton Woman's Club will meet with Mrs. John L. Vest, Tuesday, October 2, instead of on Wednesday.

Bob & Gene Wins First Game In Title Series at Grants Lick

Bob & Gene will meet Grants Lick, Sunday, at Florence, in the second of their three-out-of-five series for the championship of the K.A.G. baseball league.

B&G took the first game last Sunday at Grants Lick by a 4-1 score. It was a 13-inning thriller in which the Eadesmen came from behind to tie the score after two were out in the ninth. Whitey Brown drove Tom Imfeld home with a single over second.

In the thirteenth, Bussman walked and Ritter laid down a perfect bunt. Bussman tried for third and was thrown out, with Ritter taking second. Imfeld then drove Ritter home with what proved to be the winning run. Alessandro scored on a fielder's choice, and that was the ball game.

Grants Lick scored their run in the seventh on a single, a stolen base and another single.

Gene Bussman pitched for Bob & Gene and allowed 8 hits. He struck out 11. Allen Flaughter hurled for Grants Lick and allowed 13 hits, but struck out 18. He was relieved by Allen Nagel with one out in the 13th.

Every man on the B&G team had at least one hit. However, Whitey Brown had three and Imfeld and Ritter each had two. Flaughter had three hits for the Lickmen, one of which was a triple. The Eadesmen played errorless ball and executed two double plays. An estimated crowd of one thousand witnessed the game.

Bussman or Ryan and Bauman will probably form the battery for Bob & Gene, Sunday, with Flaughter and Goetz opposing them for Grants Lick.

Verona Lake Ranch Closes For Season; Expansion Planned

Sunday afternoon, September 16, the last out door season of the season at Verona Lake Ranch was given, and one of the largest crowds of the season was on hand. Featured were Lee Jones and Charley Gore of WLW, Roma Johnson, Guy Blakeman and their band plus "Big Beaver" Lutz, Hubert Ryan and the Verona Lake Ranch Hoedowners, and the State Champion square dancers, better known as the Dancing Boone County lads, who feature the five Caldwell sisters.

Over twenty thousand persons visited Verona Lake Ranch this season and without a single traffic accident. Probably sixty percent of this number were from Ohio. Another outstanding fact was that there was not one instance where law enforcement officers were needed. Local officers were often present, but were free to enjoy the show along with the rest of the beginning of the season some of the Verona people were of the opinion that a Sunday show might bring discredit to the community. Now they have had a chance to see an example of the wholesome outdoor recreation and clean fun for the entire family.

It is both the experience and the opinion of Bill Scroggin, manager, that the great outdoors will help to bring out the best there is in a person.

Mr. Scroggin expects to expand next year and be able to provide swimming facilities and a playground for children. The fine cooperation and attendance this year was encouraging and the management has high hopes for the future of Verona Lake Ranch.

The people of Verona and Walton as well as other neighboring towns see the value of this added recreational project and have helped in a big way to making it such a success this year.

Square Dance Saturday Night

A square dance and social will be held in All Saints school hall, Walton, on Saturday evening, September 29, beginning at 8 o'clock. The public is invited to attend.

Wilton Stephens Heads Tax Commissioners

Wilton Stephens, Burlington, was named president of the Kentucky County Tax Commissioners at their annual conference in Louisville, last week. He succeeds W. J. Helm of Paducah. Pershing Story, Flemingsburg, was named vice president, and P. J. Wonn, Ashland, secretary and treasurer.

The commissioners will ask the next General Assembly to have the automobile license tag deadline from March 1 to January 1, and to raise their minimum salaries from \$2,400 to \$3,000 a year.

FREEDOM CRUSADE LEADERS NAMED

Mrs. Donald Stephenson, Walton, and Mrs. Mary Jane Jones, Burlington, have been appointed co-chairmen of the Crusade for Freedom in Boone County, William P. McEvoy, general chairman, has announced.

Mr. McEvoy said that Freedom Bell coin receptacles were being placed in stores, business establishments, churches and public buildings throughout the county. "The pocket change that you won't miss, the Crusade for Freedom can use," he added.

"We want," Mr. McEvoy continued, "25 million Americans to contribute 3 1/2 million to build two more powerful Truth radio stations in Europe and Asia—so that through the voice of liberty on Radio Free Europe and Asia our American citizens will be asserting boldly that that freedom cannot and will not be crushed."

Viasla P. T. A. Meets

The Viasla P. T. A. held its first meeting of the year with Mrs. Harry Higgins presiding.

The Hospitality Chairman, Mrs. Estelle Crouch, and Mrs. Ismael as chairmen.

Plans were completed for the Fall Festival to be given at the school October 6. Baked chicken and ham dinners will be served starting at 4:30. Tickets are available for both adults and children.

After the meeting refreshments were served by the Executive Board.

Mt. Zion Baptist Church Homecoming September 30

The Mt. Zion Baptist Church, in Lewis county, will welcome all its former members at a homecoming on Sunday, September 30. Former pastors and members are expected from a wide area. The Sunday school attendance goal for the day is 250.

Following the morning service, a dinner will be served in the basement. The afternoon service will include a hymn-sing, recognition of former pastors, and addresses by former pastors. A large crowd is expected, as this is the first homecoming in recent years.

Lot Sale A Success

The 29 building lots sold at auction last Saturday on High Street, belonging to Mr. and Mrs. John W. Conrad, brought a good price. Cecil Waymon, of the Wayman Realty & Auction Co., reported that he has been told it was the best lot sale held in Walton in a long time. Lots averaged \$166 and the baby farms in the rear averaged \$105 per acre.

Mr. Conrad advises, through his selling agent, that this is only the beginning, as next year he plans on opening up another section of lots. Cliff Friest, local real estate man, won the diamond ring Saturday.

Wa-Na Club to Meet

The Wa-Na Club will hold its regular meeting Monday, October 1 at the Phoenix Restaurant at 8:00 p. m. All members are urged to attend to help make final arrangements for the opening of the Public Library. Hostesses are Mrs. Leo Flynn and Mrs. Clifford Friest.

Open O.E.S. Installation

Fiskburg Chapter, 334, Order of Eastern Star will have Open Installation Saturday, September 29, 1951 at 8:00 p. m. Mrs. W. W. Worthington will be installed as worthy Matron, and her husband, W. W. Worthington, as Worthy Patron. Everyone is urged to attend.

Walton Public Library To Open October 4th

MEETINGS NEXT WEEK

According to Nancy McClaskey, Home Agent in Boone County, the following meetings will be held next week:

October 1—Boone County Book Club, 1:30 p. m., Mrs. Roy Lutes.

October 2—Gunpowder Homemakers Club, 10:30 a. m., Mrs. Bert Stevens.

October 3—Mt. Zion Homemakers Club, 10:30 a. m., Mrs. Raymond Ackman.

October 3—Constance Homemakers Club, 10:30 a. m., Mrs. Thomas Kenyon.

October 4—Burlington Homemakers Club, 11:00 a. m., Mrs. H. E. White.

October 5—Boone County Homemakers' Annual Meeting, 10:30 a. m. at Florence Baptist Church.

Wa-Na Club Is Sponsoring Project

The Wa-Na Club will open the Walton Public Library on Thursday, October 4, at 1:00 p. m., in the City Hall. Hours are to be 1:00 to 5:00 p. m. Borrowers may make application at this time for a permanent library card. Children under 14, who want a library card, must have their parent's signature on the application card.

All books will be loaned without charge for a seven-day period, with a fine of 5 cents per day thereafter. A few best sellers will be rented for 20 cents per week, with the same 5-cent fine effective. Because of the limited supply of books available at present, borrowers will be permitted to take out only two books a week.

The following persons have donated books to the library: Mrs. Theora Locke, Mrs. F. M. DeMolesey, Mrs. D. L. Lusby, Mrs. R. M. Hall, Mrs. R. P. Hughes, Mrs. Raymond Jones, Mrs. Gayle Edinoy, Mrs. Clayton Jones, Mrs. Edna Jones, Mrs. N. T. Welsh, Mrs. James S. Webster, Mrs. Charles Hayes, Mrs. Powers Conrad, Mrs. Carrie Rouse, Mrs. D. L. Maddox, Mrs. Mildred Cleek, Mrs. J. B. Johnson, Mrs. Mark Meadows, and the Walton-Verona school.

The Wa-Na Club wishes to take this opportunity to thank the above for their donations and to express its appreciation for the help and cooperation given by the Town Board who furnished the room and paint for decorating it, and the various members of the Fire Department who did the painting.

Come in opening day—feel free to use the library—it's for you and the members of this town and community. Won't you help make it bigger and better by donating books?

Hi-Y Club Organized In Walton-Verona High, September 19

George D. Wheeler, Associate State Secretary of the Y. M. C. A., was at the Walton-Verona High School on September 19, and organized a local Hi-Y Club. The following officers were elected for the year:

President, Robert Grubbs; Vice President, Robert Porter; Treasurer, Donald Vest; Secretary, Charles Roberts; Chaplain, Richard Courtney.

The Hi-Y Club offers as a challenge to every student, the following: Clean speech, clean sports, clean scholarship, and clean living. By clean speech—no cursing, no dirty stories, no gossip; by clean sports—playing the game fair; by clean scholarship—no cheating on examinations, and by clean living—doing nothing to injure the body or that which will injure health.

There are two interesting things the local Hi-Y will do this year. The first is, attend a football game at the University of Kentucky, November 17, to which cheerleaders of the local school will be invited—and this is to be a big day for High school cheerleaders throughout the state; and the second is, take part in Boys State Legislature to be held in Frankfort, in March. One boy will go as representative, one as a senator, one as a reporter. These boys will meet in Frankfort and conduct a session of the legislature, electing boys for all State offices, such as Governor, Lieutenant Governor, etc. They will also introduce and pass bills, just as a regular legislature might. This will be a great experience for the youth in this group and will offer some great challenges.

Hughes Chapel W.S.C.S.

The W.S.C.S. of the Hughes Chapel Methodist Church held its regular meeting on Wednesday, September 12, at the Roanoke Park, serving a picnic lunch at noon. Mrs. Mastin was in charge of the program, "The Message of Agriculture in the Bible." A Church is Born in Hazards.

The next meeting will be held at Hughes Chapel, Oct. 17.—Pub. Chm.

CHRISTIAN WOMEN TO MEET

The Christian Women's Fellowship and the Young Women's Guild will have a joint meeting Thursday, October 11 at 8:00 p. m., at the Walton Christian Church. The feature speaker will be Mrs. R. W. Watts, State President of the Christian Women's Fellowship.

INDEPENDENCE R. 1

The people of this community were very grateful for the good rain which fell here most of the day Saturday.

Mr. and Mrs. Gilbert Damon are receiving congratulations over the arrival of a little son, born Saturday evening at St. Elizabeth Hospital. Mother and babe are doing nicely.

Mr. and Mrs. Charles Loeys and family visited relatives in Middletown, Ohio, Sunday.

Mr. and Mrs. Wynford Riley had as guests Sunday, Mrs. Riley's sister, Margaret, and Miss Rosemary Binder.

Don Keeney motored to Indiana, Friday to visit relatives over the weekend.

Mr. and Mrs. Roy Martin and little son of Mt. Sterling, spent a few days the past week with the latter's parents, Mr. and Mrs. J. J. Barnett.

Mr. and Mrs. Dawson Ballinger spent the weekend with Mr. and Mrs. Will Brannock of Kelat, Ky.

Our attendance wasn't quite so good at Staffordburg Sunday school Sunday. We hope all will try to be back next Sunday and bring their neighbors, if they can. All are welcome.

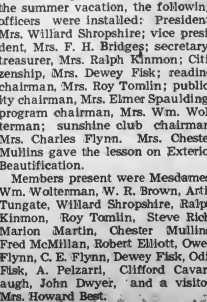

There will be preaching at Staffordburg Sunday morning at 11 a. m. and Sunday evening at 8 p. m. by the regular pastor, Rev. Adams. Come out and give him a good hearing.

The Piner Homesteaders Club held its opening meeting at the home of Mrs. John Dwyer, with Mrs. Dewey Fisk, co-hostess.

After a report of the activities of the summer vacation, the following officers were installed: President, Mrs. Willard Shropshire; vice president, Mrs. F. H. Bridges; secretary, Mrs. Charles Flynn; reading chairman, Mrs. Roy Tomlin; publicity chairman, Mrs. Elmer Spaulding; program chairman, Mrs. Wm. Wolterman; sunshine club chairman, Mrs. Charles Flynn; Mrs. Chester Mullins gave the lesson on Exterior Beautification.

Members present were Mesdames: Wm. Wolterman, W. H. Brown, Artie Tungate, Willard Shropshire, Ralph Kimmon, Roy Tomlin, Steve Rich, Marion Martin, Chester Mullins, George McMillan, Robert Elliott, Owen Flynn, C. E. Flynn, Dewey Fisk, Odie Fisk, A. Peizart, Clifford Cavanagh, John Dwyer, and a visitor, Mrs. Howard Best.

Only 10 acres of tobacco were grown in Fulton county; they were said to have done well.

A MIGHTY HANDY TRACTOR in the HAY FIELD

...the JOHN DEERE MODEL 'M'

You just couldn't ask for a handier tractor for hayfield operations than a John Deere Model "M". It's so simple to understand, so convenient to operate, so easy to maneuver even an inexperienced operator is able to do a first-class job of mowing or raking.

But buying isn't all. With its wide variety of Quick-Attach working tools, a Model "M" will keep busy on your farm the year around. Ask us for complete details soon.

Beechgrove Homemakers

Eleven members answered roll call at the first meeting of the 1951-52 season of the Beechgrove Homemakers Club, Wednesday, September 19, at the home of Mrs. Frank Lynskey, Route 42, Union, Ky., with Mrs. E. B. Sterling, co-hostess.

Mrs. H. L. Clark, vice president, opened the meeting, with Mrs. E. B. Sterling reading The Homemakers Creed. Mrs. F. M. Powers was elected as a delegate to Farm and Home Week convention, held in Lexington, January 28-February 1, 1952.

Plans were made to carry on an extensive citizenship program this season. Exterior Beautification lesson was given by Mrs. F. M. Powers.

The poems, "Forgotten Men" by Mrs. L. B. Goodwin; "Kentucky" by Edna Mann Timpe; "A Lived In House" by D. C. Freeman, and "Kentucky" by Mrs. J. E. Treadway, were read by Mrs. F. M. Powers, reading chairman.

Attending were Mesdames: Frank Afterkirk, H. L. Clark, Wm. Endres, Edward Kessler, Louis E. Lee, Frank Lynskey, F. M. Powers, Roger Robinson, George Schaefer, Gus Schadler, E. B. Sterling, and Mrs. W. W. Langley of Providence, Ky., a guest.

Oak Ridge Homemakers At the September meeting of the Oak Ridge Homemakers Club, Mrs. E. C. Harris was installed as secretary and treasurer, by Mrs. W. B. Wheeler; Mrs. B. M. McNew, the new president, presiding.

Reports were given by committees who attended the Training School: Mrs. Edith Piper, membership; Mrs. R. Lewellen, citizenship; Mrs. C. Barton, publicity; Mrs. I. E. Mann, gardening, and Miss Anne Olding, reading.

Miss Zelma Byerly gave a talk on styles, tours to points of interest, and the need for a library in rural communities. It would be nice to establish them in local churches, she said. "Renewal for Friendship" offering was taken.

The next meeting will be Thursday, October 18, at the home of Mrs. K. Calloway.

Mrs. W. B. Wheeler was hostess to 20 members and three guests: Mrs. B. M. McNew, Mrs. Edith Piper, Mrs. E. C. Harris, Mrs. R. Lewellen, Miss Zelma Byerly, Mrs. R. A. Yates, Mrs. E. Tomlin, Miss Anne Olding, Mrs. K. Hall, Mrs. D. Cooper, Mrs. C. Barton, Mrs. I. E. Mann, Mrs. A. Bowl, Mrs. K. Galloway, Miss Mabel Mardis, Miss Pearl Piper, Mrs. H. Ware, Mrs. J. Piper and Mrs. Wheeler. Guests were Mrs. C. Talbert, Mrs. A. Lee and Mrs. T. Kline. Secret pals were revealed and names then drawn for the ensuing year.

Bruce Stivers and Sam Rutledge of Shelby county have built trench silos, following plans from the UK College of Agriculture and Home Economics.

Into All the World

Lesson for September 30, 1951

DO YOU don't believe in missions? That's a position not easy to defend, if you make any show at all of being a Christian. Can you be a business man and not believe in customers? Can you be a successful and not want to expand "Missions" is a name given to the growing edge of Christianity, a name for its expanding program. It is a name that stands for everything we believe in as Christians. It stands for the proposition that Christ is the answer to all the world's needs, not yours and mine alone. Christ died for the world, not for the western hemisphere or the democracies alone.

Dr. Foreman

Greatest Missionary Religion
THERE ARE religions you cannot "crash," no matter what you do, unless you are born in them. For example, either you were born the child of a Parsee, or you can't ever be a Parsee. Again, there are religions which you can join if you insist, but nobody is going to try to talk you into it. Take it or leave it. Hinduism is one such religion.

But there are three missionary religions, religions that set out to claim all the world for their territory; besides Christianity, these are Buddhism and Mohammedanism. Buddhism is 600 years older than Christianity. Mohammedanism some 600 years younger; but neither has spread into so many corners of the world as our religion has; neither has won anything like Christianity's number of converts.

Pessimists Are Always with Us
THE first Christians had not believed in missions, where would we be? Where were your ancestors when Christ was living on earth? If you are descended from any of the nations of Europe north of the Alps mountains, or from Africa, then at the time of Christ your ancestors were a barbarous lot. Using patent as much as clothing, their favorite sports getting drunk and savage fighting, they had contributed nothing whatever to civilization.

Or, if you are descended from the peoples of western Asia or around the Mediterranean, then at the time of Christ they were civilized, but time was running out. The Roman Empire, which looked as if it might endure forever, was doomed, even though its final death-knell was still 300 years away. But decay had set in.

If you had been a church member in Antioch when Paul was the foreign missionary pastor sent out by that congregation, you could have thought of all sorts of good excuses for not supporting him or his work.

"Why bother with those heathen?" you might have said. "As for the nations around the Mediterranean, they are on the way out. Even if they take to Christianity, it will be only a shot in the arm. It won't save them from the crash."

As for those savages up north and out west (you would mean, in the countries now known as France and Spain), what have they ever amounted to? They haven't asked for missionaries; they will probably kill them if we send them. Sending missionaries or spending church money on those people is just throwing it down a rat-hole."

Missionaries Once Came To Your Home Town

LOOK over the churches in your home state, whatever state. You will find, on investigation, that most of them, however large and prosperous they are now, were once "home mission" churches, set on their feet through the generosity of older Christian communities.

Without missions the Christian church would never have lived; if it ceases to believe in missions it can still die. The secret? There is nothing mysterious about it. Read what Paul said and see how simple it all is, at heart. The preaching of the good news of God; the enthusiasm and heroism and determination of the missionary; the inspired ambition to do something for God that was never done before; the two-way contributions, of older churches to new and new ones to old; and the circle of prayer unifying Christians everywhere, old and new. That is what made missions work then; it is what keeps missions going on now.

CLOSE-UP OF FAITH

You have to come very close to Faith in order to discover just what it is!

You see, Faith isn't a set of theological books, as some folks may think.

And it isn't just "the religious point-of-view," as others sometimes infer.

And certainly it doesn't take years to gain, as popular fiction occasionally suggests.

No! Faith is the simple trust of a child in God ... the certainty that He cares ... that He loves ... that He helps.

Faith, after all, is believing! And for a little girl, or a full-grown man, the place to learn to believe is the Church.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and financial support. Plan to go to church regularly and read your Bible daily.

That is the greatest name in Heating and Cooking—Perfection means PERFECT, and I believe the Perfection Oil Heater is the most perfect piece of heating equipment anyone ever bought—ask Sam Hudson, he has a Perfection Heater ten years old and in perfect condition, also Malcolm Simpson, Walton Lumber Co., Joe Kennedy, Elmer Greger, Mrs. Kate Noel and lots of others who are Perfection Oil Heater users.

Now when you want an Electric Range for economy and service, the Perfection is more than Perfect—ask Mrs. Little Hord, Mrs. Edna Combs, Mrs. Louise Marsh, Mrs. Robt. Webster or Mrs. Ethel Sheppard—they are all Perfection Electric Range users and satisfied customers. When you cook on a Perfection Electric Range and heat with a Perfection Oil Heater, you have the most PERFECT combination any home could have.

I live and believe in Perfection because when we sell a Perfection product that is the end—very seldom even a service call. When Perfection puts out a product, it is PERFECT, even to the way they crate them—I have had only one damaged stove, in shipping, in 16 years, and it had something heavy dropped on it and caved in the grate. When you see a Perfection carton you know you have a high class piece of merchandise before you even uncrate it—then when you open it up and see that porcelain finish on these stoves, they are in a class by themselves; also keep in mind that the name Perfection means PERFECT!

Mr. and Mrs. Earl Waters came in and bought two oil heaters to heat their home this winter. William Roberts from Crittenden had Chick cut and thread him a lot of water pipe—he had it ready for him on his way home from work. Mrs. Ed Hopperton from Gallatin county sent me a letter to bring them an XL chain cistern pump, complete, for a 14-ft. cistern, also a Big Ben alarm clock. Ray took it right over. Ray installed an oil heater for E. M. Johnson, also one for his son-in-law, Wm. Bannister, in the same house—a very nice job—one large heater and one small one will heat that house just right.

Forest Thompson just came in after down spout strainers and more roof paint. Thos. Griffin got hardware cloth to put over his windows. I believe I have the best looking pony saddle and bridle I've ever seen—it is black with nickel spots and is fit a beauty—for only \$57.50. Come in and select an oil heater while we have a nice selection of Perfection Oil Heaters—they are beautiful few of them. We also have a few used oil heaters and lots of new and used coal heaters—don't wait until the rush!

Ray about cleaned up all the jobs—he put in new furnace coil for Henry Shew; then he cleaned Mrs. Cleo Robinson's oil cook stove; then out to Clayton Percival's where he trimmed his kitchen linoleum and cleaned his oil heater—next week he will have another list start on Groger just backed up and unloaded 27 linoleum rugs, 5'x12", to sell for \$7.95, all new patterns—get one while they last! also unloaded 500 joints of stove pipe and a gross of elbows; three cartons of model airplanes, and a big shipment of hardware from Kruse Hardware Co.—Those Groger boys will get the freight if you let them know where it is.

Oh, Boy! Saturday was some day—I believe everybody came to town, and I can't name half of them. Mrs. Brosher and Mrs. Robt. Webster were in early getting the material to convert their Aladdin oil lamps into electric. Then came Mr. and Mrs. Alfred Hume, getting pipe to put up their heating stove. Mrs. Herman Simmons was buying dishes. Helen Farrell and Mrs. William Robinson were buying Armstrong linoleum rugs. James Messner bought Fengi San to burn under his tobacco in the barn to prevent houseburn.

Mrs. Winans, over Verona way, bought one of these old reliable Anchor cook heaters. William Brown and Betty were over and bought three metal gates for their farm—they have a very nice place. Manford Craft was buying more Solca paint—he is about to finish painting two houses and was bragging on that Solca Paint. William Bannister, who operates the Jas. E. Falls Filling Station, bought a hot plate and griddle—he is going to serve hot dogs and hamburgers this fall and winter, so if you are hungry, see Bill!

Thos. Griffin, our shoe repair man, is really fixing up, painting and repairing—step in, he wants you to see how he has fixed it up. Mary E. Stephens and brothers just came in and purchased one of these large Perfection oil heaters for their home. Mrs. Lula Grimes came in and she is ready for us to set up those two large Perfection heaters we delivered last May. Mr. and Mrs. O. E. Powers bought an Arvin electric portable heater—they are handy for chilly days before you light the big heater or your furnace.

Mrs. Marshall Clemons was buying stove boards and stove pipe. Mrs. Lena Sanders got a new oven for her Perfection oil cook stove. Mrs. Steve Silvers came down after a 12x12 Armstrong rug. Mrs. Floyd Shields came after a cheap \$12 rug, but when she saw those Armstrong, that was what she bought. Richard Kelly came after 5 pounds of Fengi-San to burn under his tobacco for houseburn. Don't forget to solve your heating problems at CONRAD HARDWARE.

Sportsman's Fair All Set For This Week At Twin Oaks Club

Outdoor competitions, exhibitions and activities of interest to sportsmen and their families will be featured during the 1951 Sportsman's Fair of the Fifth District Federation of Kentucky Sportsmen, Saturday and Sunday at Twin Oaks Golf Club, Covington.

Twenty-five affiliates of the Federation will compete for district championships in casting, trapshooting and rifle shooting. Trapshooting and casting for prizes also will be available to the public.

Kinsey Plummer, Pendleton county farmer-sportsman and aerial target shooting expert, will give an exhibition at 2:30 Sunday afternoon. Kiddle rides, game and refreshment booths will be erected on the grounds. A wildlife display of the Kentucky Division of Game & Fish will also be exhibited.

Team casting and rifle shooting will be held beginning at 10 a. m., Sunday. Trapshooting for team competition and public participation will be available beginning at 9 a. m., and continuing under the floodlights after dark. Federation district pistol shooting championships will be held Sunday, Oct. 14, at the Kentucky National Guard Armory, Kyles Lane, Kenton County.

The Rotary Club of Walton, will be host to R. Harold Poindester, Governor of the 235th District of Rotary International, on Monday, October 15, who is making his annual official visit to each of the 40 Rotary Clubs in the Eastern half of Kentucky. He will confer with the president, Wallace K. Grubbs, and the secretary, Louis Schwab, and other local officers on Rotary administration and service activities.

GEORGE E. PORTER

George Ernest Porter of Verona, died September 26 at 2:25 a. m. in St. Elizabeth Hospital. He was 81 years old, a retired farmer, and had lived in this community most of his life. He was a member of New Bethel Baptist Church, Verona.

Mr. Porter was survived by two sons, Howard Porter of Christian, Ill., and Robert K. Porter, Verona; a sister, Mrs. Hala Powell of Ludlow, and four grandchildren.

Funeral services were held at 2:00 p. m., September 28 at the Hamilton funeral home, Verona, with Rev. Roy Johnson officiating, assisted by Rev. Raymond Stewart. Burial was in New Bethel Cemetery.

The casket bearers were Bernard Ryan, Nick Parrel, Walter King, Stanley Ashcraft, Grover Ransom and Dewey Ferguson.

Boone Homemakers Annual Meeting to be Held at Florence

The 16th annual meeting of the Boone County Homemakers will be held Friday, October 5, at the Florence Baptist Church, Florence.

Favorite County Homemakers Chorus will have a 30-minute program in the morning, before they go on with a tour of Cincinnati. The Boone County Chorus, under the direction of Mrs. J. W. Dolwick, will have a part on the morning program. Reports of the county chairman will be presented in the form of a cotton musical comedy. All ladies are urged to wear a cotton dress to the meeting as the construction of the cotton dress was the past year's project.

Marvin D. Myers, Assistant to the Director of Music, Purdue University, will be the guest speaker for the afternoon. Mr. Myers was one of the main speakers at Fann & Home Week, Lexington, this past February. The Ladies Auxiliary of the Florence Fire Department, will serve for luncheon reservations, call the Home & Home office.

Homemakers meetings for next week, are as follows:
New Haven, 10:45, Mrs. Jake Cleek; Hickson, 10:30, Mrs. Geo. Casper; Bullitsville, 11:00, Mrs. Henry Slekmann; Burlington Road, 10:30, Mrs. Joe Northcutt; Walton, 11:00, Mrs. Ed. Ward Gohs; Verona, 11:00, Mrs. W. B. McCormick.

A short business meeting will be held before the program.

Bob & Gene Wins Second Game Sunday In Baseball League

Bob & Gene baseball team registered their second consecutive win over Grants Lick, last Sunday at Florence. The game was another thriller with the B&G's pushing a run across in the last of the eleventh to win 3-2. Bob & Gene need one more win to clinch the championship series. Grants Lick would have to take three straight to win.

Whitely Brown was the hero again coming through with a single in the eleventh to drive Tom Imfeld, who had singled, home from second. Imfeld had reached second on Allen's sacrifice.

Gene Bussman again pitched a masterful game. Both of Grants Lick's runs were unearned.

Allen Nagel started on the mound for the Campbell county team and gave up two runs on four hits. He was relieved in the fourth by Allen Faugher, who finished the game.

"Sox" Benson was the thorn in Nagel's side as he touched him for two singles. His first hit came in the second frame and he eventually scored on a perfect squeeze bunt laid down by Wilbur Bauman. In the third inning Benson's single drove Imfeld home with another run. After Flaughter took over in the fourth he was in complete control until the seventh.

Brown and Benson led the B&G attack with two hits each. Myron Rinehard had a double for the losers.

Next Sunday the two teams resume their series at Grants Lick. Game time will be 2:30.

CHAPTER TO BE FORMED

A Boone County Chapter of National Foundation of Infantile Paralysis is to be organized October 4 at the Florence Town Hall at 7:30 p. m.

Under the new plan, there will be a complete reorganization of the system. In the past, we had one central organization at Louisville, but under the new policy, each county will have its own chapter and one-half of the funds collected will remain in the county and the other half going directly to the National Foundation. The county organization will administer their own funds and when need can draw from the National Foundation.

We all realize the urgent need for this meeting, as it is necessary to have the organization set up before the March of Dimes Drive, which opens in January. Every interested person in Boone county is invited to attend this meeting. Come and bring others.—Pub. Chm.

Hopewell Circle to Meet

The Gladys Hopewell Circle of the Walton Baptist Church will meet at the church Thursday evening, Oct. 4 at 8 o'clock. All members are urged to be present. Visitors welcome.

REVIVAL AT VERONA CHURCH OF GOD

Lillie Gibson, Evangelist

An "old fashioned" revival will be held at the Pentecostal Church of God, Verona, October 8-21, with Mrs. Lillie Gibson, evangelist.

A. M. Davis, pastor, said, "Mrs. Gibson has lately become a resident of Cincinnati, after having faithfully served in the Ministry of the Gospel throughout the south as pastor, evangelist and mountain missionary worker over a period of 15 years. Her evangelism is the old fashioned, spirit-filled gospel of Christ. Creeds, dogmas, dead formalism with cut and dried programs are no part of this series of meetings—the Lord God of Elijah still lives. He hears! He answers! He delivers! Come one. Come all. Worship God with us and call upon the name of the Lord."

OES INSTALLATION HELD HERE FRIDAY

Walton Chapter, Order of Eastern Star held installation of new officers last Friday evening at the Masonic Hall. Mrs. Lena Harris of Covington, was installing Matron, and Miss Margaret Goodridge of Florence, was installing Marshal.

Mrs. Elleen Kent was installed as Worthy Matron; V. D. James, Worthy Patron; Mrs. Evelyn Rouse, Associate Matron; Clifford Pruett, Associate Patron; Mrs. Ora Stone, Secretary; Mrs. Edith Stephenson, Treasurer; Mrs. Vera Wright, Conductress; Mrs. Mary Phillips, Chaplain; Mrs. Evelyn Sizemore, Marshal; Katherine Simpson, organist; Mrs. Cleo Vallandigham, Adah; Mrs. Margaret Fields, Ruth; Mrs. Queenie Webster, Esther; Mrs. Mary Stephen, son, Martha; Mrs. Bonnie Jacobs, Eleota; Mrs. Lula Osborne, Warder; Dan Roberts, Sentinel.

Mrs. Kent was presented a gavel by V. D. James from her father, John E. Stephenson, which he had made for her children, Joanna and "Butch". Kent, presented her with a white O. E. S. Bible. The Worthy Matron gave as her motto for the ensuing year, "Love and Service."

At the close of the meeting, refreshments were served.

J. S. Trower of Menifee county is sowing 40 acres to rescue, following the soil testing of his entire farm.

Liston Hempffing Is Auto Accident Victim

MRS. GLADYS SNYDER

Funeral services for Mrs. Gladys Snyder, Richmond Road, were held at 2:00 p. m., last Friday, at the Chambers & Grubbs funeral home, Florence. Burial was in Petersburg Cemetery.

Mrs. Snyder, who was 36 years old, died last Wednesday at Good Samaritan Hospital, Cincinnati.

Surviving her are her husband, Wilbur Snyder; three daughters, Anna Mae, Carolyn and Mary Snyder, and three sons, Marvin, Robert and Wayne Snyder, and her mother, Mrs. Belle Jones.

Mrs. Lawrence of Dry Ridge Victim

C. Liston Hempffing, prominent Boone county farmer and Chairman of the Northern Kentucky Soil Conservation District, was injured fatally last Saturday in an auto accident near Beaver Dam, Ky. He was 55 years old.

Mrs. Jessie Lawrence, wife of Russell Lawrence of Dry Ridge, another official of the Soil Conservation District, was killed in the same accident. Mr. Lawrence was injured seriously.

Kentucky State Police said the car in which the three were riding was struck on US 62 near Beaver Dam by an auto driven by I. B. Fyson, 30, of Madisonville. He died Saturday night in an Owensboro hospital of injuries received.

Mr. Lawrence was taken to the Owensboro hospital. His injuries were listed by police as a broken leg and cuts and bruises about the head and body.

Mr. Hempffing was a member of Hebron Lodge, 737, F. & A. M., a director of the Hebron Deposit Bank, and of the Northern Kentucky Production Credit Association, and a member of the governing body of the Hebron Lutheran Church.

A leader in Republican party affairs in Boone county, he made his home near Talosport.

Mr. Hempffing is survived by his widow, Mrs. Lizzie Mae Hempffing; a son, Vaughn Hempffing, and a brother, Charles L. Hempffing, both of near Taylorsport; a sister, Mrs. Nina Benham, Baltimore, Md.; his mother, Mrs. C. O. Hempffing, Taylorsport, and three grandchildren, Anita, Mary and Sue Hempffing.

It was reported that Mr. Hempffing and Mr. Lawrence were on business for the Soil Conservation District.

THREE-DAY REVIVAL AT VERONA CHURCH

Rev. Robert Suttle, pastor of St. John's Baptist Chapel, Louisville, is to speak in a three-day revival at New Bethel Baptist Church, Verona, on Friday, Saturday and Sunday, October 12-13-14, at 7:30 p. m. each evening.

Rev. Robert Suttle

Rev. Suttle served with the U. S. Marines during World War II, and will relate many experiences of witnessing for Christ in the service.

On Saturday morning at 10:30, Mr. Suttle will conduct a children's rally, presenting two special illustrated sermons for the boys and girls entitled "The Egg and I" and "You're An Old Shoe." Rev. Ray Stewart, pastor, announced today.

The Youth rally on Saturday night at 7:00, will feature Mrs. Robert Suttle, soprano soloist, singing, "Now I Belong to Jesus," and Bro. Suttles speaking on "The Captain of the Winning Team." All of the young people of this area are cordially invited to participate in this service.

Mayor R. M. Hall

Each member of the club will serve as librarian one day or one evening a week. The library will be open every Thursday from 1:00 until 5:00 in the afternoon and 7:00 until 9:00 in the evening.

The library now has 620 volumes of fiction, a complete set of encyclopedias, Campfire, and children and teen-age books and current magazines.

The following persons have donated books since the first list was published: Mrs. A. H. Gaines, Ed Orr, Mrs. Lucille Alphin, Mrs. J. O. Ward, Miss Jean Chambers, Mrs. Eva Brittenhelm, Mr. and Mrs. John L. Vest, Mrs. Leo Flynn, Mrs. Ruth Stritmatter, Mrs. Blanche Ransom, and Mrs. Stanley McElroy. The club sincerely thanks all who have given books and any further donations will be greatly appreciated.

Make reading part of your daily life—use your Public Library—"No entertainment is so cheap as reading, nor any pleasure so lasting."

Masquerade Dance October 26

Johnson-McElroy Post, American Legion, is sponsoring a masquerade dance, which will be held at Kenny's Tavern, 2 miles south of Walton, on Friday evening, October 26, beginning at 8 o'clock. Music will be furnished by an orchestra. Prizes will be given for the best costume. The admission will be \$1.00 per person.

Walton Volunteer Firemen Urge Voters To OK Bond Issue For New Firehouse Building

The Walton Volunteer Fire Department has, in the past and will in the future, be dependent on the citizens of Walton. We say this as a preamble to what is to follow.

In this, the first of a series of articles, we would like to make clear the issue on the bond vote November 6, 1951, concerning the new Fire House.

It is needless to say that the Town of Walton is in desperate need of such a building. The Fire Department is seriously handicapped, fighting fires from such quarters as they are now forced to use.

For all those who have not been in the present Fire House recently, it may be worthwhile to recite some of the handicaps in working from such a building.

To begin with, the present building is NOT wide enough to house the two engines. The space between the wall and the one engine is SIX inches; between the two engines there is space of ONE foot and from the other wall and other engine is SIX inches. Imagine, if you can, the skill that is required to get an engine out of the Fire House in a hurry without tearing up or damaging the

equipment carried on the running boards.

The main disadvantage to the Fire Department is STORAGE—there just simply isn't enough room for all the equipment we now have. When the firefighters come in from a fire, hose has to be dried, but WHERE? In the past, it has been put in a barn, garage, feed store, on top of the jail cells, and just about anywhere to get it dried and ready for use again. This is a hazardous practice, but what else is there to do—leave it in the street? At \$2.00 per foot for lack of space to properly dry it out in order that it may be used again? The present Fire House is totally inadequate by any stretch of the imagination.

We have equipment, such as the portable pump, which is considered a piece of heavy equipment, mounted on top of the Mack truck. This has to be LIFTED off the engine to be used. Your Fire Department is planning to purchase a smaller truck to carry a lot of the equipment that is now carried on the larger engine—AGAIN we run into the problem of where to store such a piece of equipment—obviously we can't pur-

chase this much-needed truck until we have a NEW FIRE HOUSE!

The efficiency of the Fire Department is at a supreme high, we have reached the top. Is this—all of these years of striving to do a better job for the people of Walton going to be stopped? It's up to you, the citizens of Walton, whether you're to have a Fire Department worth the name, or just another small-town bunch. Vote "YES," November 6—it will not cost you extra dime!

The Fire Department is asking you to think about your insurance rates. Over a period of five years the insurance rates have dropped—there can still go lower if you will support the Bond Issue on November 6—VOTE—"YES."

It may be that there will be some of you who will say, "I've already voted myself into the poor house, I'll not vote for the new Fire House." Nothing could possibly be so far from the issue. The ballot merely asks if you are in favor of building a new structure. How can you vote

Don't vote against yourself, your family, your home, your pocketbook or your life!—Pub. Chm. WVFD

R. Harold Poindester

Mr. Poindester is the owner of Poindester Lumber & Coal Co., in Cynthiana, and is a charter member of the Rotary Club of Cynthiana. He is one of 203 Rotary District Governors supervising the activities of some 7,300 Rotary Clubs which have a membership of 350,000 business and professional executives in 83 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, their activities are directed to those of the Rotary Club of Walton, because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community betterment, undertaking, raising standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the last fiscal year, for example, 257 new Rotary Clubs were organized in 35 countries of North, South and Central America, Europe, Asia, Africa, and the Islands of the Pacific.

Mrs. Albert Hunt and two sons of Burnside, Ky., are visiting Mr. and Mrs. A. T. Hunt.

GERMAN TEACHERS TO STUDY AT UK

The German-student colony at the University of Kentucky now stands at an all-time high of 24 following the arrival recently of 14 German teachers sent to Kentucky by the U. S. Office of Education to study operation of American elementary schools. Dr. Frank G. Dickey, dean of the U. K. College of Education, where the visitors are enrolled, said

the group will remain in Lexington for six months, attending classes at the University and visiting nearby schools for first-hand observation of this country's educational methods. Included in the group are nine men and five women, all of whom come directly from teaching jobs in German elementary schools.

WA-NA CLUB MEETS TUESDAY EVENING

Tuesday evening, the Wa-Na Club members met at the Phoenix Restaurant, Walton, for their regular monthly meeting. In the interesting business session, Mrs. J. B. Johnson reported that there are over five hundred books in the Public Library sponsored by the Club. These have been placed on the shelves in the City Hall and will be ready for checking out Thursday of this week. The first card will be presented to our Mayor, Russell Hall. Be sure to stop in to get your library card and to check out a book, if you like.

Mrs. Clayton Jones, program chairman, presented Mrs. Clifford Pruett, who gave our club collect. The roll was answered with a current event,

and a forum on international relations was presented by all members of the club, led by Mrs. Gayle McElroy.

After the program, a delicious dessert course was served to the following members and guests: Mrs. Albert Hunt, who is now a member of the Burnside Club, Mrs. Frank DeMousey, Mrs. Leonard Cook, Jr., Mrs. Clayton Jones, Mrs. Charles Hayes, Mrs. Howard Blackburn, Mrs. J. B. Johnson, Mrs. Tom Strittmatter, and Mrs. Gayle McElroy. Mrs. Clifford Pruett and Mrs. Leo Flynn were the hostesses.—Pub. Chm.

It is expected that from 75 to 85 farmers in Russell county will cure their tobacco this year with heat for the first time.

Legion Membership Drive To Continue Until Dec. 15

An intensive recruiting program will be carried on until December 15, by members of Johnson-McElroy Post, 277, American Legion, according to Clifford Farwell, Commander. "We have several teams of membership workers calling on all local war veterans. The teams will compete with each other. The losing team will have to dine the winners," Mr. Farwell stated. The local Legion Post had a membership of 35 in 1951.

"We have set our quota much higher for 1952," Commander Farwell said. "Other Posts have enrolled all eligible veterans in their communities. We can do it here. The more members we can enroll, the more we can do in serving our community, our state and our nation. There has never been such need for a strong all-American organization as there is today when the tide of Communism is running high all over the world. As long as a strong American Legion exists, the Constitution of the United States of America is assured of a powerful champion and protector."

Bradford OES Installation

Bradford Chapter, Order of Eastern Star, Independence, held installation of officers Tuesday evening.

Seated were: Mrs. James Watson, Worthy Matron; Oscar Coleman, Worthy Patron; Mrs. Thomas Finney, Associate Matron; Mrs. Robert West, Associate Patron; Mrs. Chas. Cooper, Secretary; Mrs. Robert Porter, Treasurer; Mrs. Edward Schenck, Conductress; Mrs. Harvey Beers, Associate Conductress; Mrs. J. D. Baldwin, Chaplain; Mrs. Howard Riley, Marshal; Mrs. S. A. Roberts, Organist; Mrs. Leslie Wagner, Adah; Mrs. Oscar Coleman, Ruth; Mrs. Robert West, Esther; Mrs. Alfred McDannold, Martha; Mrs. Neil Jacobs, Electa; Mrs. Dawson McDannold, Warder; Dawson McDannold, Sentinel.

Wanted: Pioneers!

Lesson for October 7, 1951

IT IS on record that a Virginian in the 18th century wrote to his family that he was moving "to the far west," meaning the neighborhood of what is now Bull Run, Va., not far from Washington, D. C. Well, the "far west" moved and moved, till it reached the Pacific. Beyond the ocean is the Orient, crowded past belief. Where now can the pioneer go? For pioneering is always in the blood of man. Not in every one's, to be sure; there always are contented stay-behinds; but also there always are the restless souls, not content with what has been or is. How shall pioneering instincts have their way when all frontiers are closed?

Dr. Foreman

Un-Traveling Pioneers
The traveling pioneer has about it had his day; what we now need is the un-traveling pioneer.

Such explorers are of various sorts. One is the mental pioneer, moving to new frontiers of the mind. These can be found breaking out new trails in various directions.

In science there are the men whose minds produced X-rays and plastics, the men and women who did the brainwork that lay behind the splitting of the atom; in government the men on the judge's bench, in lawyers' offices or in professors' chairs, who have been and are still thinking out the undiscovered meanings of democracy; in education the men and women who have pioneered in new ways of teaching, such as Dr. Laubach, great scholar and missionary, who has led the way in teaching the "silent billion" to read and write; these are all pioneers of the mind. God send us more!

Moral Pioneers

We need also pioneers of the moral life. "Time," says a line in a poem by J. R. Lowell which has made its way into most hymnbooks, "makes ancient good uncouth."

For instance: once upon a time, practically all Christian people supposed that slavery was not only a good thing, but that God had sanctioned it for all time. Whitfield, a famous evangelist, said that what America needed for its development was more slaves imported from Africa, and more home-brewing of liquor. Today this sounds so ridiculous that it is hard to believe that a Christian could have said it.

Time has made ancient good uncouth. But time alone will not do this. There must always be some moral pioneer, some one who will run the risk of being called "bad" by going out in front of popular opinion.

Between Whitfield's time and ours there have been moral pioneers, notably a Quaker named John Woolman on whose mind and heart God laid the message: Slavery is a wrong.

Pioneers of God
We need also spiritual pioneers, persons who will move forward to new discoveries of God. For most persons, God is still an "undiscovered country"; and no man can discover God for another, though he may testify to his own discoveries. So in the realm of the spirit each must be his own pioneer; and some men and women, even from albedos, unable to walk as far as the door, have made great discoveries of God.

The man who is honored as a saint by three religions—Christianity, Judaism and Mohammedanism—Abraham, is sometimes known for the wrong thing. He may be thought of as a traveling pioneer because he moved several hundred miles during his lifetime. But he was not a pioneer in the "old American" meaning of that word, for the Canaan to which he went was no unsettled wilderness but a well-populated civilized country, and he never owned the land he lived on.

Abraham's pioneering was in the realm of the spirit. We know from Joshua 24:2 that even Abraham's father was an idolater; Abraham moved out from the pagan religion of his father and his people, to the discovery of the One True God. No more important journey was ever taken.

The traveling of Abraham's feet was of little importance by comparison. It was the traveling of Abraham's spirit that has most blessed us all.

THE PILLAR OF CLOUD and THE PILLAR OF FIRE

It happened three thousand years ago. A pillar of cloud and a pillar of fire were the symbols of Divine Guidance. By them, God led His chosen people through the wilderness.

Hardly the same thing as an atomic explosion . . . and yet, it is possible that this modern pillar of cloud and fire is leading men through a modern wilderness!

The fearful knowledge of the extent to which man has perfected the "art of destruction" is awakening the world to a new appreciation of the importance of spiritual guidance.

Next Sunday—World Wide Communion Sunday—millions of men and women will unite in solemn observance of one of Christianity's holy sacraments. There will be new faces at thousands of altars, men and women who have only recently begun to realize where man's Hope is to be found.

God again appears in a pillar of cloud and fire!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and spiritual support. Plan to go to church regularly and read your Bible daily.

"herd build-up starts with good HEIFERS,"

says: Mr. G. B. Hays, Henderson, Ky.

Shown above is a group of Holstein heifers in the herd of Mr. G. B. Hays, owner of Henderson Creamery Farm, Henderson, Ky. Mr. Hays fed these heifers Calf Startena on the Purina Calf Plan until they were 4 months. At 4 months his calves are rugged, with big frames, weighing well over 300 lbs.

From 4 months to freshening they are fed a gallon of D & F Chow daily with hay on good pasture. They are ready to breed at 15 months weighing 750 lbs. and freshen by the time they are 2 years old.

Heifers properly grown and well fed are usually husky enough to last about 3 more years than the average. If it's bigger heifers you want, heifers reaching production 4 months sooner, then capable of remaining in the milking herd 6, 7 or 8 years, you will want a program such as this Purina Heifer Growing Program.

We have a booklet describing this plan. Please call or drop in to see us.

OCTOBER

I believe October is the greatest month of the year, with most of the harvest finished, and the trees turning red—blushing because they have been so green all summer, and their limbs are going to be bare all winter. Then a little frost on those old pumpkins, which really make good pie; the weather is just chilly enough to make you step lively and forget that old summer lazy feeling. Those cotton-tail rabbits must be hopping around because the boys are buying shells and guns—they are always asking when the rabbit season opens, which doesn't make any difference because that rabbit is eating up what is left in the garden, or that is what they say.

But Monday we had summertime again—sure did warm up—82 degrees. So when you live in Old Kentucky, you never know what the weather will be from day to day. Don't forget to use that Good Solce Outside White Paint or Colors on your buildings—it is a fine time to paint. Check your roof for winter, give it a coat of paint—aluminum, black, red or green.

Mr. and Mrs. Elsie Allen were up today and bought an Anchor Coal Heater—they are the best in coal heaters. Jess Hopperton bought a Perfection Oil Heater, for he knows what Perfection is when it comes to oil heaters. I sold one of the best top and bottom wood heaters today, but I never learned the name. Kenneth Stamper and wife bought a water system to put in their home—they sure save a lot of steps—all you have to do is turn the faucet. Jake and Emily Cleek purchased a lot of linoleum and plastic window shades for their tenant house.

Elmo Baker from Warsaw stopped in and got 168 feet of 1½-inch galvanized water pipe—he uses this for installing his gasoline pump. We just received a lot of 5- and 10-pound trays for putting food in your locker or deepfreezer. We have the boxes and bags, but they all call for something larger—now we have them. We also received two Hoffman 52-gallon electric water heaters—these are getting very scarce—better get one if you need it. I have more good reports on ladies using electric ranges—two from Kenton county have been using electric ranges for two years—they said, whoever said cooking with electric was expensive, never used a new, modern electric range. Try one some time if you think it is too expensive—I will take it back.

Mrs. Geo. Ruth called for linoleum to go under her heating stove, also for a gallon of Bolce Outside Cream Paint—they have used this paint for years. June Neumeister had Brewster fix up her stove pipe for her heating stove. Mrs. John Rice called for stove pipe—Ray took it to her. Brewster and Donald Vest set up Mr. and Mrs. Point's oil heater, then came back and set up a large Per-

fection Oil Heater for Mrs. Nannie Sleet on High Street—she also bought a Portable Perfection combination heater and cooker, which is a very handy stove or heat cold corners, both rooms, or you can even cook on it. Raymond Haddix over Verona way bought a Perfection Portable Oil Heater.

Saturday was a whirlwind—Ray delivered galvanized pipe and fittings to Idlewild Stock Farm at Richwood, then put up new furnace pipe for Robt. Benson, while Chick sold Della Whitson a new wood heater and sold Bernard Stephenson and Gladys a new coal and wood heater. Then Virgil Wadley came in after three gallons of that Bolce Outside White Paint, a gallon of turp and a gallon of linseed. Then Mrs. Robt. Jump bought two linoleum rugs and some small mats. Mrs. Mary Houston bought Flex-O-Glass to put over her windows to keep out the cold wind, also some linoleum mats. Bobby Cheeseman bought a small used Coleman Oil Heater, just to heat one room. Ben Jump got a whole load of stove pipe. Mrs. Virgil Shields came after a nice masonite-lined stove board. Edna Reynolds and mother bought a coal heater to be set up next week. Jess Hopperton was after copper tubing and fittings, so was Kerue Brewer—all getting ready for some heat.

Ray then went out High St. to Mrs. Simpson's and fixed her oil heater so she could have heat. Then Chick went to Branch and bought a 250-gal. oil tank from Nolan Ryan and took it out to Nannie Sleet's, then Ray and Chick set up the tank and Ray finished that job. By the time they got back to the store, I had so many customers I really don't remember who all was here. James Messmer, who is always our last customer on Saturday night, bought a large size Anchor Heater, to be set up Monday.

We just received a shipment of those lift pumps that will pass the draft inspector—only have a few; they are hard to get. Mr. and Mrs. Tanner, down on US 42 across from Crum's Nursery, were up today getting their Pressure Cooker repaired. That Brewster was on the run today; he took a New Maytag to Lon Wilson's, then over to Jas. Messmer's to set up his new Anchor Heater, then stopped by Ed Elmore's and picked up his washer for repair, then to Bernard Stephenson's to set up his new coal and wood heater, then to Gordon Phillips' to help Mrs. Phillips get her oil line on her coal stove cleaned out, then to Clem Kauchhorst's and repaired her oil stove and last up to Marshall Clemans' and set up his oil heater—a very busy day for Monday. I hired Ray Warner to help him and I believe he put him through for his first day. We try to take care of our customers, so when in trouble, call CONRAD!

Hamilton & Jones Store Robbed and Home Is Entered

Boone County authorities and Kentucky State Police have been investigating the possibility that two burglaries in Walton, last week, may have been committed by the same youths who shot and seriously injured State Trooper Bob Gordon.

Byron Kinnman, Chief Deputy to Boone County Sheriff W. H. Easton, said that the Hamilton & Jones Department Store, and the home of Clifford Chance were entered. Guns were taken in both robberies.

Entrance to the store was gained by forcing a rear window. Besides a .22-caliber rifle, the loot included an estimated \$500 in merchandise. The robbery was discovered by Fred Hamilton, co-operator of the store, when he opened last Thursday morning.

Along with the gun, \$20 in cash was taken from the home of Mr. Chance, north of Walton. The thieves, apparently not satisfied with completely ransacking the home, emptying contents of drawers and closets onto the floor, fired several shots into the ceiling of the dining room, according to reports.

The Chance family was not at home when the robbery took place.

WLW Plugs Library Opening

A story in the Walton Advertiser, telling of the opening of the Walton Public Library, received wide publicity over WLW the past week.

The story of the work of the Walton Public Library in opening the library in the city hall at Walton was related on Wednesday on a broadcast by the Barbershop Four and twice Thursday by Ken and Glenn, a harmony team at the nation's station.

On all programs the Crosley personalities reported that book donations would be appreciated. Other rules and regulations of the institutions also were outlined.

Oyster Supper Saturday

The Independence Volunteer Fire Department is sponsoring an oyster supper and bingo at the Fire House in Independence, on Saturday evening, October 13. The price is only 50 cents.

Public Library Is Opened Thursday; Books Still Needed

At the opening of the Walton Public Library, October 4, Mayor Hall was presented the first library card by Mrs. Charles Hayes, President of the Walton Public Library.

After the presentation, Mayor Hall congratulated the club members for starting this much-needed civic project and wished them continued success in maintaining it.

Twenty cards were issued during the day and thirty-five books were borrowed. Several persons visited the club wishes to thank Mrs. Clifford Fruekt and Mr. Frank McDougal for the beautiful baskets of flowers. Donations of books are still being received. The following names have been added to the list of donors: Mrs. H. Roberts, Mr. Lloyd Roberts, Mrs. Ward Rice, Mrs. Aileen Conner, Mrs. Reida Powers, and Mrs. Clifford Farwell.

Have you visited your library? Do you want the library to be a progressive and educational force in your community? If so, donate good books, visit the library on Thursdays, tell the librarian what you like to read, encourage your family to read as "There is not a more faithful or pleasant friend than a good book."

CREDIT ASS'N TO MEET

The annual meeting of stockholders of the Northern Kentucky Production Credit Association will be held at Pettit's Machinery building on Highway 25, 1 mile north of Williamstown, on Friday, October 19 at 1:00 p. m. (fast time).

The principal speaker for the occasion will be John Gekerson, Hillsboro, Ohio, supervisor of Production Credit Associations in that state.

In addition to the business session, there will be entertainment, door prizes and refreshments. All members and other interested farmers are urged to be present.

Walton Homemakers

The Walton Homemakers Club is to meet with Mrs. Lillian Gohs on Friday of this week. Each member is requested to take something for a "white elephant" sale.

Walton Literary Club Entertained in Home Of Mrs. John Vest

The Walton Woman's Literary Club was entertained in the home of Mrs. J. L. Vest on October 2. Twenty-nine members answered to the roll call with favorite quotation on Home or Family. Five guests were present.

The president, Mrs. Leo Flynn, presided over the business session. The following delegates and alternates were appointed to the district meeting to be held in Warsaw, November 2: Mrs. W. D. Scroggin, Mrs. Julia Rouse, Mrs. A. H. Gaines and Mrs. Mattie Griffith.

Mrs. Julia Rouse, a member of the program committee, introduced Mrs. J. S. Webster, the speaker for the afternoon. The topic for discussion was American Homes and Family Solidarity. Four of the main points in the discussion were character, personality, religion and social living, all of which makes a happy and successful home.

Mrs. Rouse then introduced Mrs. Robert Conrad, who gave the Spiritual Thought for the day, "We have direction in our lives," taken from "Pattern for Prosperity" by James F. Craft.

At the conclusion of the program delicious refreshments were served by the hostess to the following members and guests: Mrs. J. C. Bedinger, Mrs. C. S. Chambers, Miss Jean Chambers, Mrs. J. R. Conrad, Mrs. Leo Flynn, Mrs. B. W. Franks, Mrs. E. E. Fry, Mrs. A. H. Gaines, Mrs. J. O. Griffith, Mrs. Wallace E. Grubbs, Mrs. A. R. Johnson, Mrs. D. L. Lusk, Mrs. H. F. Mann, Mrs. J. J. Guests were Mrs. Malcolm McDonald, Miss Anna Hudson, Mrs. Pearl Williams, Mrs. Jake Cleek and Mrs. J. S. Webster.

Hebron F.F.A. Wins Award

The Hebron F. F. A. judging team won the Bronze Medal award at the International Dairy Exposition, Indianapolis, Ind., October 5-7.

The boys who made up the team were George Toadvine, Ray Hogan and Gaylord James. The alternate was Donald Craddock. Glenn Edens, agriculture teacher, Benny Grant and Joe Stephens also made the trip.

The team competed against eleven other F. F. A. teams, and judged from 8:30 a. m. to 3:00 p. m. There were ten rings of cattle—two Jersey, two Holstein, two Guernsey, two Brown Swiss and two Ayrshire. They gave written reasons on Guernsey and Ayrshire, and oral reasons on Jersey and Holstein.

Reception for Minister

A reception will be held at the Big Bone Methodist Church on Friday, October 12, in honor of Rev. and Mrs. V. V. Hill. The Rev. Mr. Hill is beginning his fifth year in this community as director of the Boone County Parish.

The reception will begin at 7:30 p. m., with a potluck supper. Everyone is requested to bring a covered dish. All friends, as well as members, are invited to attend.

Baptist W.M.S. to Meet

The W. M. S. will meet at the Walton Baptist Church, Thursday, Oct. 18, for the regular monthly meeting. Hostesses are Mrs. Edith Percival, Mrs. Mary Rector and Mrs. Thelma Rust.

Fire Department Stresses Need for New Fire House

In these articles, which will appear in this paper until November 6, of the Walton Volunteer Fire Department want to publicize the necessity of a YES vote. There are a few of the citizens of Walton, we have heard, who are not in favor of this issue.

In this country of ours which, by the Grace of God, is still a democracy, where people have a right to express their opinions freely without fear of reprisal. To these few, we want to do the best we can to clear any points on the issue.

Over the period of the past ten years, and under the faithful direction of Jim Bob Allen, the Fire Department has grown. It has kept abreast of the times, both as to equipment and the training of personnel.

In the past we have not been so cramped as to need a new fire house. We have purchased much new equipment—portable pump, new hose (at \$2.00 per foot), portable fire extinguishers, raincoats, boots, etc., which takes up space, but what are we going to do with it?

The City of Walton has grown up; grown to the extent that it needs a new fire house. We ask you now for your support. We do not need

VERONA REVIVAL

Don't forget the three-day revival at the New Bethel Baptist Church, Verona, Friday, Saturday and Sunday, October 12-13-14. Services are to be held each evening at 7:30.

Rev. Robert Suttle, pastor of the St. John Baptist Chapel, Louisville, is to be the guest speaker. He served with the Marines during World War II.

Three special meetings have been planned, according to the pastor, Rev. Raymond Stewart. Saturday morning at 10:30, a children's rally will be held. Youth rally is set for Saturday night at 7:00, at which Mrs. Suttle will be guest soloist, and on Sunday afternoon at 3:00 a men's meeting has been planned.

Sportsman's Fair Reset for Sunday At Twin Oaks Club

The 1951 Sportsman Fair of the Fifth District, Federation of Kentucky Sportsmen, postponed last Sunday because of inclement weather, will be held Sunday, October 14 at Twin Oaks Golf Club, 43rd and Michigan, Covington.

Events scheduled originally, except the district rifle shooting championship, will be held Sunday. The rifle match was conducted despite the bad weather, last Sunday, and was won by the Dixie Gun Club of Grant County.

District championships in bait casting and trapshooting will be decided Sunday. Team competition will begin at 10:30 a. m. and continue throughout the day.

Trapshooting and high score casting for prizes will be open to the public. Traps will be operated all day, and shooting will continue after dark under the lights.

Kidde rides and concession booths will be erected, and sandwiches and drinks will be served on the grounds. Kinsey Plummer, Pendleton county farmer-sportsman and expert aerial target shooter, will give an exhibition at 2:30 p. m.

A wildlife exhibit will be set up on the grounds by the Kentucky Division of Game and Fish.

Trooper Bob Gordon Shot Last Thursday

HENRY C. MILLS

Henry C. Mills, age 77, of Verona, passed away at 12:15 a. m., Thursday, October 4 at the home of a daughter, Mrs. Stanley Fooks. He was a retired electrician and farmer, and had lived at Verona for about twenty years. He was born in Kenton county.

Survivors include his widow, Mrs. Bessie Warwick Mills, Verona; two daughters, Mrs. Stanley Fooks, Verona, and Mrs. George Hamilton, Walton, and a granddaughter, Miss Althea Fooks, Verona.

Funeral services were held Saturday at 2:00 p. m. in the Walton Methodist Church, of which Mr. Mills was a member, with the pastor, Rev. George Hoffman, officiating, assisted by Rev. C. G. Dearing, Erlanger. Burial was in Independence Cemetery.

Casket bearers were Dawson Ballinger, Chester Coleman, Lefe Mills, Park Coleman, Joe Sweeney and Jennings Mills.

Hamilton Funeral Home, Verona, had charge of arrangements.

By 18-Year-Old Youth at Mason; Now Recovering At Covington Hospital

Two teen-age youths sought throughout Kentucky following the shooting of State Trooper Robert Gordon, 45, of Elsmere, at 9:20 a. m. last Thursday morning, were captured about 11 hours later about five miles from the scene of the shooting, which took place at Mason, Grant County. The arrests were made by Trooper Jesse Hamilton and Patrolman Russell McMillan of Williams-town.

Police named the pair as Joseph Patrick Manz, 18, of Newark, N. J., and his brother, James Stanley Manz, 15. When taken into custody the were unarmed. Joseph Manz is said to have admitted firing the shots which wounded Gordon, who was taken to St. Elizabeth Hospital, Covington, where he is now recovering. Gordon had stopped the two brothers for questioning, and the older of the two shot him twice in the shoulders. Both are being held in Grant County Jail, Williamstown.

Gordon has been a member of the state police for the past seven years, and is well known in this area, having lived in Verona, for a number of years.

Two Weeks Revival To Start Monday At Baptist Church

Monday evening, October 15, will be the beginning of a two weeks revival meeting at the Walton Baptist Church, which will continue through October 29. Services will be held each morning at 10 a. m. and each evening, including Saturday, at 7:45 p. m.

Rev. Francis R. Tallant

Rev. Francis R. Tallant, pastor of the First Baptist Church, Central City, Ky., will be the evangelist. Rev. Tallant is widely known for his work with the State Training Union. He is also an outstanding leader among the Youth Organizations of the state, as well as having held evangelistic meetings throughout the state.

Rev. W. G. Burkett, pastor of the Walton Baptist Church, and also widely known for his work with the Training Union and as a songleader, will lead the singing throughout the meeting. There will be a combined adult and youth choir each evening, with a booster choir of Primary and Junior boys and girls.

On Sunday afternoon at 3:00 p. m. there will be a prayer rally at the church, as a climax to the cottage prayer meetings, which have been held for four Friday evenings prior to the meeting.

The Sunday school has set as a goal for Sunday, October 21, 450 in Sunday school, and the Training Union, 150 as their goal.

The public is cordially invited to attend these series of revival meetings.

Independence Turkey Supper

Members of the Independence Christian Church are sponsoring a turkey supper in the basement of the church on Saturday, October 20, beginning at 5:30 p. m. Proceeds of the supper will be added to the fund to be used to buy new rugs, when the addition to the church is completed.

GETS STIFF PENALTY

A man registered as Richard Hughes, 37, of Big Bone, was fined \$100 and costs, his driving rights were suspended for six months on a charge of driving while intoxicated and he was ordered held to the Kenton county grand jury under \$1,000 bond on an auto theft charge by Judge Eugene Benzner in Covington Police Court, Tuesday.

George Smith, Covington, driver for an Erlanger cab company, told the court he picked up Hughes in Ft. Mitchell. He charged that as he was driving on the Dixie Highway near the Big Bend, Covington, Hughes struck him and pushed him from the cab. He told the court that Hughes then drove away.

Hughes was then arrested several blocks from the scene by Covington police who placed the driving-while-drunk charge against him.

Support Rates Are Upped For Burley Tobacco This Year

Grower prices of this year's crop of burley tobacco will be supported at a national average of 49.8 cents a pound. In making the announcement, the Agriculture Department said this compares with 45.7 cents for last year's crop.

The Department also announced support rates for several other types of tobacco. The average support rates this year and last year respectively, included: Fire-cured, types 21, 23, 37.4 cents a pound this year, 34.3 last year; dark fire-cured, types 35, 36, 33.2 and 30.5 cents. The increase in the average at which prices will be supported reflects the fact that tobacco parity prices are higher than they were a year ago. Parity is a standard for measuring farm prices, declared by law to be fair to growers and those who buy the products.

The Department said schedules of price support rates by grades of various types will be announced in the near future. Prices will be supported by means of government loans to growers storing tobacco.

Ordination of Officers

Ordination and installation of church officers will be held at the Goshen Christian Church, Miner, on Sunday, October 21. Dr. George V. Moore of Lexington, will preach at the 11 a. m. worship service, that day, and will be in charge of the installation and ordination.

In the afternoon Dr. Moore will meet with the officers to lead a discussion on the duties of the church officers. Rev. Bernard C. Meece will preach for evening services on the 21st.

Beware of Check Thieves, Word from Elbert Bohon

This word of caution was broadcast today by Elbert M. Bohon, manager of the Covington office of the Social Security Administration.

"Social security checks are being stolen from home mail boxes," Mr. Bohon continued, "along with Veterans' checks, Army and Navy allowances and allotment checks, and others. Here's how you can protect your check so that it can't be stolen:

- 1—Be at home, or have a member of your family at home to get the check when it is delivered.
- 2—Take your check from your mail box promptly.
- 3—Keep your mail box securely locked.

UK Enrolls 5,659 This Fall

With registration virtually completed, University of Kentucky Registrar R. L. Tutill last week reported a total fall semester enrollment for the school of 5,659. Although considerably below the 6,500 enrollment of a year ago, UK's current registration figure exceeds by nearly 500 the number of students expected by school authorities. Dr. Tutill said the present enrollment includes 5,267 students on the Lexington campus, 251 at the Northern Extension Center, Covington, and 141 at the College of Pharmacy, Louisville.

STATE APPROVES UK BUILDING PROGRAM

The State Property and Building Commission last week flashed the go-ahead sign to a seven million-dollar building program proposed by the University of Kentucky. As a result of the Commission's action, the UK Board of Trustees is authorized to issue revenue bonds to finance construction of a \$2,700,000 science building and a \$2,150,000 women's dormitory. The board may also seek a federal loan with which to erect a men's dormitory costing \$2,225,000. No state funds were committed to the building program. In a statement following the Commission's approval, University President H. L. Donovan said construction of the buildings may have to be postponed indefinitely because of the materials shortage.

NEW FALL FABRICS HAVE WOOL-LIKE APPEARANCE

Many of the newest fall fabrics look and feel like wool, but have never been near a sheep's back. Instead, they are the clever brainchildren of manufacturers, going by such names as dynel, orlon, vicara or chemistran. Very often they are blended with wool, nylon or some form of rayon. Miss Dorothy Thelk, clothing specialist at the UK College of Agriculture and Home Economics, says that no longer can the buyer of yard goods or ready-to-wear depend on sight and feel to determine the content of the fabric and how it should be cared for. The only way to get the most from these interesting new fabrics is to read the label, said the specialist.

Tau Kappa Epsilon Pledge

Bloomington, Ill., Sept. 28, 1951—Mr. Thomas Leathers, son of Mr. and Mrs. Will Leathers, Verona, has been pledged to Tau Kappa Epsilon fraternity during the opening weeks of school. Mr. Leathers is a Sophomore at Illinois Wesleyan University, studying in the Liberal Arts School.

The Liggett 4-H Club in Harlan county has taken over the care of a strawberry patch set out by a member who moved away the past summer.

On the farm of A. C. Smither in Franklin county, 400 sticks of tobacco were primed, thus enabling the tobacco to be left out for a longer growing period.

Loni and Clarence Grigsby of Trigg county in 10 days primed 700 sticks of tobacco valued at \$350.

Cucumber pickle crops in Simpson county were said to run from \$200 to \$600 an acre.

It is estimated that black shank on 250 farms in Mercer county will result in a loss of at least \$50,000.

Attending Transylvania

Roberta Janette Kenney, daughter of Mr. and Mrs. W. R. Kenney, Star Route, Walton, was enrolled as a freshman student at Transylvania College, Lexington, at the opening of the fall quarter, September 21.

Miss Kenney, a graduate of New Haven High School, is planning to major in Business Education. In high school she was a cheerleader and was a member of the band and the Pep Club.

"Sounds like a tough one, Ben," says detective sergeant Joe Friday to his partner Ben Romero, as more information comes in on a wanted fugitive. "Dragnet," title of the Thursday, 9 p.m., EST, WLW-NBC program, is based on cases from the files of the Los Angeles Police Department.

TESTS PASTURE OF FESCUE, LESPEDEZA

George D. Corder, UK farm agent in McCreary county, tells about the experience of Norman Ball with sericea lespedeza and Ky 31 fescue pasture.

When he visited the Ball farm at Pine Knot, the county agent found six cows and seven calves grazing 4.13 acres of lespedeza and fescue. The cows had grazed down the fescue to a height of about one and a half inches and were eating the sericea that was 6 inches high or less. After the sericea got 6 inches high, the cattle would not eat it, Corder observed.

The three-week drought had not seriously affected either the fescue

or sericea lespedeza on the sandy-ridge land, the county agent noted. There was ample pasture and the cows were gaining weight and the calves growing well.

The demonstration on the Ball farm was set up to determine the value of Ky 31 fescue and sericea lespedeza as a pasture in dry weather, Corder said.

Approximately double the amount of corn was produced by W. L. Frazier of Marshall county where he used 100 pounds of ammonium nitrate to the acre.

Carl Taylor of McCreary county built a 28 by 42-foot tobacco barn according to plans from the UK College of Agriculture and Home Economics.

SHORT STORY

On The Payroll

By Richard Hill Williams

JUD HAD SEEN the redheaded girl in Mrs. Jones' outer office every day for a week.

He himself was a copy man, and if she were after the same job that he wanted it would complicate things. It would cut his chances of success in half, and

it would be rather embarrassing because—well, because he thought she was an awfully pretty girl and he liked the way she held her chin high and tried to appear brave.

On Monday of the second week, the redheaded girl dropped her handbag. It's contents spilled all over the place. Jud helped pick them up—lipstick, a bunch of keys, a pawn ticket! Jud's lips tightened when he saw that. Just as he thought—she's had to pawn something in order to live.

Of course the handbag episode gave him the liberty of talking with her. Without half trying, he got her story. It was just as he figured. A sad tale of deprivation and lost hope. If only she could see Mr. Jones. She knew he needed a stenographer and she was really awfully good.

A determined light came into Jud's eyes.

Ignoring the protestations of the switchboard girl, he burst through the railed-in space, crossed it in two bounds and threw open the door to Mr. Jones' office.

Mr. Jones was sitting at his desk, smoking a cigar. He looked up with a startled expression when Jud entered. He had heavy jowls and a shock of grey hair and belligerent, bushy eyebrows.

The cigar fell from his mouth. He stood up. Before Jud could utter a word, he barked: "Your name Jud Essex?"

"Yes, sir," said Jud, taken aback. "I'll be damned!" exclaimed Mr. Jones. "Did she tell you who she was?"

"Did who tell me who was?" Jud asked, beginning to think he was mistaken for some one else.

"My daughter! That redheaded girl in the outer office?"

It was Jud's turn to drop a cigar, if he'd had one. "Your daughter? That—the girl who wants a job as a stenographer?"

Mr. Jones came round his desk. He was short, but round. He glared at Jud. "You're hired," he said. "I lost a bet, so you're hired. But you'd better make good, or you're fired. Get that!"

Shut up! Do you want the job or don't you?"

Mr. Jones stalked out of the office. A man came in another door

and told Jud to follow him. "Kate always wins," the man said. "Here's your desk. Kate wants you to go to lunch with her this noon."

JUD SAT DOWN, speechless. "Do you mean—I am one of several who have been hired in this fashion?"

Jud passed a hand through his hair. The man left. Jud sat down at his desk. He tried to straighten things out in his mind, and was beginning to get places, when Kate entered.

At lunch Kate said: "Would you like to marry me?"

"Sure," said Jud, grinning weakly. "All right then. Right after work. I'll be waiting."

He wondered what was next. He found out. She took him to a minister's. She produced a license. Jud tried to grin. He gulped and stared at her.

"Good lord! You're not serious about this?"

Jud suddenly no longer had the feeling that he liked all this. "Now listen," he said. "I can't marry you. In the first place I don't love you. In the second I think you and your old man are crazy. And in the next place, I'm already married and have three kids!"

Mr. Jones called Jud on the phone the next morning. "Mister, you're still working for me if you want the job. I won a bet from Kate, and it's cured her of her screwy notions. Come on down. Your salary's doubled."

Fire Prevention Week

This is Fire Prevention Week—October 7-13, and the following release was given by Chief Russell Groger of the Walton Volunteer Fire Department:

More pre-school children die from burns than any other accidental cause except automobile accidents, insurance statistics show. Among children one year of age, fire has become the leading cause of accidental death.

Warning parents not to leave children unattended at home, the National Board of Fire Underwriters reports that most of these deaths were the result of children being caught in burning buildings and unable to escape. In many cases the children were left alone in the house.

Between the ages of one and two it was shown, most of the fatal burns were caused by children upsetting or falling into hot liquids. As the children grow into the toddling stage, matches left within their reach and open fires become a chief danger.

National Board engineers point out that while science has made great progress in reducing the children's death toll from disease, the accident death rate is still high. Metropolitan Life Insurance figures show that whereas the children's death rate from disease fell 73 percent over a recent 14-year period, the children's deaths from accidents dropped only 28 percent.

Emphasizing the need for constant supervision of youngsters, fire authorities urged parents to follow five rules in protecting children from fire:

1—Have an adult or responsible sister in charge when you leave the house.

2—Keep matches out of children's reach. Train youngsters that to play with matches is dangerous.

3—Keep children out of the kitchen or any room in which boiling liquids are likely to be in reach.

4—Don't allow children to get too close to bonfires. Have a metal screen in front of a fireplace.

5—Don't dress children in highly flammable clothes.

KENTON GARDEN CLUB

Candle-lighting installation of the new officers of the Kenton County Garden Club was held at the Independence Christian Church on September 27. Taking office were: Mrs. Orle S. Ware, President; Mrs. H. L. Pitcher, Vice President; and Mrs. Clifford Norther, Treasurer.

Members attending: Mesdames. Bruce Allen, John C. Cain, Denver Binder, William Brown, John L. Butler, Frank Cooke, L. G. Cummins, Frank Stagman, S. C. Plak, Lewis Gabriel, C. R. Hume, J. A. Keeney, John R. Loomis, John C. Mayhugh, Jr., Clifford Northcutt, H. L. Pitcher, L. J. Rapp, Bluch Rich, S. S. Rich, Ed Schenck, Olin Shaw, Willard Shropshire, Howard Stephens, Lydia Valandingham, Leslie Wagner, Orle S. Ware, C. A. Taylor, and William Wolterman.

Mrs. J. A. Keeney will be hostess for the October meeting at the Staffordsborg Methodist Church.

SUPPORT FIRE HOUSE

(Continued from Page One)

winter morning, with snow a foot deep, cold, half dressed, in answer to the siren's call. We have no idea whose home is burning, where it is, except for a red glow, maybe, in the sky, but the big thing is that we GO! The Walton Volunteer Fire Department has not, in recent years, failed to go anywhere it has been called. We can do this because we have two pumps and should the call come from out of town, one pump can go to the fire while the other stays in the so-called present fire house to protect the people of Walton, should the need arise.

Frequently our calls are in answer to rural fires, this is, people who live outside of Walton. Until recently, these people have gone unprotected, but now, due to our Rural Fire Protection Plan, they may have that protection by joining the plan. Those folks will appreciate the looks of the new Fire House as much as you will enjoy having it in your town. Maybe you are thinking, "Why shouldn't they be in favor of a new Fire House—it's not going to cost them anything."

You, the people of Walton, are in the same position as they—it is not going to cost you one extra cent. Money to be spent for the new Fire House will come from money the City already collects. It only asks you if you are in favor of building a new Fire House.

How can you vote other than "yes" on Nov. 6? If you vote otherwise, you may be losing a chance for lower insurance rates, better fire protection and, quite possibly, your life.

Without growth and expansion, every organization enters into the hum-drum of everyday existence, and slowly dies away of it's own responsibilities. Don't let this happen to your Fire Department—vote "yes" on November 6!

We have fought hard for what we now have, but to afford you and yours better protection, we will fight even harder for a new Fire House. You can rest assured that if we get this new Fire House, we will, even more than we have in the past, grow bigger and in so doing, be more proficient in fighting your fire. Fighting is not simply getting water on a fire. Vote "yes" Nov. 6! —Pub. Chm. W.V.F.D.

Monroe county tobacco growers harvested one of the finest leaf crops they ever produced, the drought affecting less than a fourth of the county.

Loyalty will be the watchword of nearly nine million Methodists in the United States as they go forward under the above slogan, See You in Church, Sunday. They will covenant together to attend at least one service every Sunday during these last three months of the year.

Love for Christ and His Church will be the constraining motive that will urge them to exercise this spirit of loyalty.

It is to be hoped that the joy that is the fruit of loyalty will so inspire them that when the New Year is ushered in, they will be glad to continue this same devotion throughout the entire year. Especially desirous is it that those who have not attended for some time, will reconsecrate themselves and purpose that from now on they will be true to the vows they took when they became members of the church.

DR. JAMES A. ORR

known and prominent physician and surgeon of Paris, Ky., died Monday, September 24 at Massie Memorial Hospital, after an illness of several months.

Dr. Orr was born in Campbellsville, Ky., Jan. 28, 1878, the son of the late Rev. Benjamin F. and Elizabeth Griffith Orr. He was a graduate of Vanderbilt Medical school, being president of his class in his senior year, as well as graduating with the highest honors of his class. He was a member of the Alpha Kappa Kappa medical fraternity.

Just recently Dr. Orr received a 35-year service button from the L. & N. Railroad Co. for serving that company as surgeon for that period.

He was married in 1922 to Miss Lavalette Ranson of Richmond.

Survivors include his wife; a son, James Arthur Orr, Jr., Paris; three sisters, Mrs. Anne Perry, Miss Olivia

Orre and Mrs. A. W. Ingle, all of Louisville; a brother, Ben F. Orr, Grosse Pointe Woods, Mich., and several nieces and nephews.

45—Head of Choice Holstein Cows and Heifers—45

Wed. October 17

12:30 C. S. T.

I will sell at my barn located 12 miles West of Frankfort, 8 miles East of Shelbyville at Peytona, on US 60,

35 head of choice fresh and close springer Holstein cows that are both TB and Bangs tested. These are large cows and were selected with care for type and producing ability. They are cows that will produce and are ready for winter production. All are young and are good uddered and have plenty of style.

Also 4 registered Guernsey heifers that are bred to freshen in January; also 6 Holstein heifers that are to freshen in January. All these heifers are clean in every way.

If in need of choice dairy cows and heifers, be sure to attend this auction, where good cows and buyers meet. Remember, a good cow is always a sound investment. Your inspection invited anytime. Sale held in Pavilion.

\$2.16 PROFIT PER CHICK ON PURINA PROGRAM

Mrs. Walter Roberts, Route 5, Marion, Ky. says: "I have fed PURINA POULTRY CROWS about 10 years and have always had good results."

Some people have told me there was no money in raising chickens but my records prove there is, IF THEY ARE PROPERLY HANDLED.

I RECOMMEND THE PURINA POULTRY FEEDING PROGRAM. HERE ARE MY COMPLETE COST AND PROFIT RECORDS ON 300 CHICKS, APRIL, 1950, TO APRIL 24, 1951:

300 Chicks Cost	\$ 71.75
Fuel for Brooder	5.00
Total Feed Cost	1,043.04
Total Expense	\$1,118.79
Eggs Sold For	1,304.75
Bans	280.57
Fryers and Cull Hens	71.65
Total Income	\$1,767.37
PROFIT	\$647.58

Yes, there is money in raising chickens, but like any other business, they must be properly managed.

THE BIBLE SPEAKS

International Union Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Genesis 27:1-33:17

DEVOTIONAL READING: Psalm 4

God's Untuned Harp

Lesson for October 14, 1951

CAN the perfect God make use of an imperfect man? He has to; there is no other kind. God is the perfect musician; his melodies and harmonies are flawless; but he has to play these on the harp of humanity, twanging strings easily broken, never long well-tuned.

One such doubtful string was young Jacob. He improved immensely, later in life; but at the time of the incident described in Genesis 28 he was a very rough diamond indeed. His own home was too hot for him. His father had been bitterly disappointed in him; his twin and only brother Esau had sworn to kill him at the first chance. He was a swindling liar, leaving home on the run.

If he had treated his neighbors with the same lack of conscience he had shown toward Isaac and Esau, there must have been "many a dry eye" when the news went around that Jacob had left town. As a matter of fact, he kept on, for some years after this, being the same sort of sharp trader he had always been.

His dream at Bethel did not convert him, as is sometimes thought; if it did, his conversion waited 20 years to "take." If the reader will examine Jacob's vow in Gen. 28:20-22, he can see that it does not express a very lofty view of religion on Jacob's part. Jacob makes his promise to the Lord with a large IF attached; IF the Lord will prosper him, keep him safe, bring him back and so forth, THEN he will give the Lord ten per cent. Who would not pay a ten per cent commission for guaranteed protection and prosperity? No, we cannot say that Jacob at this time was saintly.

God's Purpose

AND yet God spoke to him, made a great promise to him. Was this only a concealed dream of Jacob's? It was a dream, of course, as the writer frankly says (verse 12); but was the dream only the kind of thing that psychologists call "wish-fulfillment," with no meaning except to show what Jacob had been thinking about? Or did the dream stand for something real?

The general belief of the church is that God really did have a concern for this man and did speak to him through his dream, even though it was the kind of dream which perhaps only a Jacob could have had.

But how could the perfect God "make a covenant" or come to terms with such a man as Jacob then was? The answer is probably in the story itself and in what followed it. God had a purpose far beyond Jacob the man. He had a plan for him too; but it fitted into a far greater plan for mankind. "In thee shall all the families of the earth be blessed" refers, Christians believe, to Jesus Christ and what he has meant and will mean to the world. Without Jacob, and the race which would call him their ancestor, Jesus would not have been.

God's Harp Has Many Strings

ONE of the most remarkable titles for God in the Bible is "the God of Abraham, Isaac and Jacob" (Exodus 3:6). We might expect the first name; we are astonished to hear the other two.

Abraham, of course, was a great spiritual pioneer. He was great in other ways too; a man who would be outstanding in any age, in any place, one of the great religious geniuses of all time. Of course God of the God of such men, we expect it.

But what about Isaac and Jacob? Isaac was a sensitive, a weak character, far from bright. Even his sins were second-hand. As for Jacob, even after he became a changed man, at its time he did, his old crooked record remind a fact. The Bible does not try to conceal it.

Then can God be the God of the weak and the God of the sinner? Yes, that is the glory of the God who is revealed in his Word. Other religions know of gods who are friends of top-level human beings, geniuses and saints; only the religion of the Bible knows of a God who takes a personal interest in the weak and who pursues the sinner to change him.

Only the Bible knows of a God who draws to himself all sorts and conditions of men, and makes use of them for his great and gracious purposes.

ON THE RIGHT TRACK

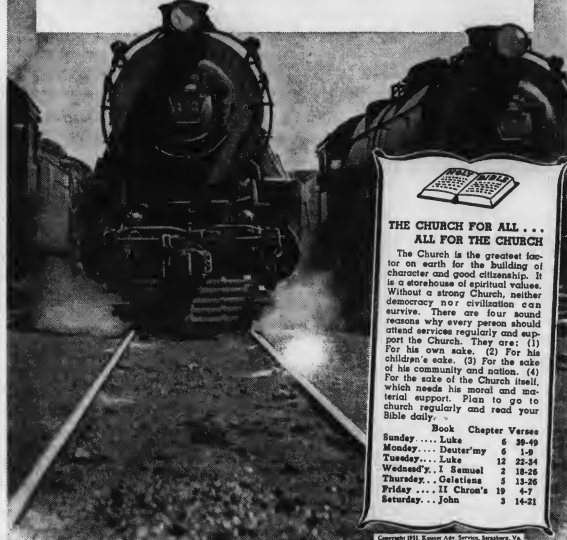

In railroad parlance "turning an engine" means a great deal more than reversing the engine and putting it on the right track. It means preparing the locomotive for its scheduled run.

"Religious education" is another term which means more than it implies.

Our Church Schools do far more than teach religious truth. They give children the opportunity to practice Christianity in worship, service, and fellowship. Consecrated leaders provide a Christian example, helping their pupils to see and feel the happiness which our faith instills. Adult classes enable parents to deepen their own spiritual lives, and thus strengthen the Christian influence of the home.

The Church is never content merely to put a child on "the right track." It seeks to mold the character of the child, to prepare him for a noble, happy, and useful life.

In the many aspects of this vital work the Church needs your help and support.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

FLORENCE NEWS

Mr. and Mrs. Harry Pentecost and son, Louis, his wife and son, Dale, of Centerville, Ind., were recent guests in the home of the former Mrs. Pentecost's uncle, J. T. Stephenson, and family.

Robert Liggett entered Good Samaritan Hospital during the past week and submitted to surgery on Monday. His friends wish him the best.

Mr. and Mrs. Verne Arnold were among friends who called at the home of Mr. and Mrs. Allan Rogers of Bellevue, following the demise of Mrs. Rogers' father, Fred Birke, Monday of last week.

Miss Patricia Osmon is recuperating at the nurse's home following a week's illness at Deaconess Hospital in Cincinnati.

Barney Mulloy, who has been confined to Jewish Hospital, Cincinnati, due to a heart attack, is improving and expected to return home this week.

E. G. Stephenson, M. G. Martin, Louis Houston and Rufus Tanner enjoyed a pleasant day at the Lexington Trot Wednesday of last week. However, their pleasure was somewhat marred when their favorite horse suffered a broken leg during a race and had to be destroyed.

The revival now in progress at the local Baptist church is being well attended and Rev. R. A. Johnson, evangelist, is bringing an interesting message each evening. Ed Palmer is song leader. All are cordially invited to attend.

Rev. Potts of Trinity Methodist Church, Covington, Bud Dehlinger and Dr. N. A. Jett spent Saturday fishing at Wolf Creek Dam, Sandford, Ky.

Mrs. Louisa Crisler, formerly of Burlington Road, has moved to the home of her niece, Mrs. Louis Rice of Covington.

Mr. and Mrs. Jack McClure of Burlington Road, have a new arrival in their home, a baby boy, named Timothy Ray.

Recent guests of Mr. and Mrs. R. E. Tanner were Mr. and Mrs. Virgil Howard of Norwood, Ohio.

The community was much concerned over the brutal injuries inflicted upon Trooper Robert Gordon of Elsmere, at the hands of two teen-age youths of Newark, N. J., when the officer apprehended them on suspicion they possessed a stolen car. Trooper Gordon, bleeding from gunshot wounds, was removed to St. Elizabeth Hospital and is reported to be doing very well.

Lyman Rice was distributing calendars to customers in the community Friday.

Recent guests of Mr. and Mrs. Eldridge Carpenter were Mrs. Frank Sayre, Mrs. Francis Dixon, Mrs. Wanda Carpenter and Mr. and Mrs. E. G. Keyer.

A communication from the home of Mr. and Mrs. Homer Eades of Chattanooga, Tenn., states they are still hospitalized and doing very well.

Mrs. Albert Neal of the Dixie Highway, underwent major surgery at Jewish Hospital, Thursday.

BEAVER LICK

We are glad Roy Sullivan is recuperating nicely after a serious operation for ruptured appendix at St. Elizabeth Hospital.

Remember Sunday school each Sunday at the local Baptist Church. You are invited to attend—bring your children and help to build up the church again.

Mrs. Harry Wilson's daughter and her husband have been spending the past week here.

Mr. and Mrs. Howard Feldhaus of Walton, and Mr. and Mrs. Roger Arnold spent Sunday at Clifty Falls.

We are sorry to hear that Ray Smith was rushed to St. Elizabeth Hospital for an emergency operation. We pray for his early recovery.

Mr. and Mrs. Vincent Barth and baby spent Sunday with her mother, Mrs. Lee Besterman.

Mr. and Mrs. J. L. Arnold and baby have returned to Lexington, where he has enrolled in school.

Mrs. Faye Bickers spent the weekend with her brother, Marvin Kelly, and family.

Florence W.S.C.S. Meeting

Rev. S. J. Bradley gave the invocation for the opening of the session of the Woman's Society, Tuesday evening, September 11, at the Florence Methodist Church. Florence, with Mrs. Paul Chaney, president, presiding.

Reports were heard, followed by the business session. The devotional period by Mrs. J. F. Daugherty, preceded the talk by Larry Miller on "Christian Economics."

The Wesley Service Guild held its meeting in the church at the same time, and at the close of their session joined the W.S.C.S. for the program.

Attending the W.S.C.S. were Mesdames, Christine Politt, Nannie Mitchell, Naomi Chaney, Lella Allen, C. A. McKibben, Eva Miller, Marie Thompson, Ella Bethel, Helen Bethel, Mildred Mundy, Dora Markesbery and C. S. West. Guests were Rev. Bradley and Mary J. Lamb.

Guild members attending were Misses Mary McKenney, Marguerite and Lucille Tanner, Mesdames, John Shouse, J. F. Daugherty, Robt. H. Acree, Clyde Miller, Viola Idol, Noel Denham, Jane Stephens, Jane Miller and Hope Bradley.—Pub. Chm.

CONCORD

Mrs. Lucy Plummer, Paris, Ky., was a most welcome visitor at the home of Mrs. Hobert Speagle, Thursday afternoon.

Rev. and Mrs. Franklin Lipscomb were guests of Mr. and Mrs. L. B. Lawson and children, Sunday.

Mrs. Ollie Hudson spent Friday and Saturday with her sister, Mrs. W. S. Snow, Sr., Florence. Mrs. Snow is still confined to her wheel chair, and will be until February.

Mr. and Mrs. Stanley Robinson of Verona, were guests of Mr. and Mrs. W. N. Robinson, Sunday.

Mr. and Mrs. Radford Thomas entertained Mr. and Mrs. Hobert Speagle and children with a chili supper Friday night.

Don't forget the weekend revival at New Bethel Baptist Church, Oct. 12-13-14.

Sympathy is extended the family of Uncle Earnest Porter.

Mrs. W. E. Waller was a recent guest of her father, Walter Vest, and family at Walton.

Recent callers in the W. E. Waller home were Mr. and Mrs. Walter Vest, Mrs. Marie Pennington, Pterolena Kennedy, Mr. and Mrs. A. M. Davis and grandsons, Mrs. Edna Elam and children, Lizzie Noel, Janet Crase, Mr. and Mrs. Casse Risner, Mr. and Mrs. Robert Ashman of Indianapolis, Mr. and Mrs. Troy Meyer and children of Brooksburn, Ind., Rose Marie Vest, "Pee-wee" Glenn, Mrs. Laura Lamm and daughter, Blanche.

This community sympathizes with Mr. Colcord in the tragic death of his sister, Mrs. Jessie Lawrence. The Suttons have moved from the Risner home to the Lum Kennedy place.

Walton has growing pains, with the increased population in the city and rural area around it. Our new school is ready to go up, as soon as the grounds are cleared. Our new City Hall and Firehouse will be built if YOU VOTE FOR IT, which will be paid for out of the General Fund, with NO INCREASE IN YOUR TAXES. The Methodist Church is going to build more Sunday school rooms. The Baptist are nearly ready to start their Sunday school building—all both of these two churches need is a little more money. If you have not made your donation, DO SO NOW! Walton is the best city of 1,500 population in our state and will be better when we get the new school, the new City Hall and Firehouse, and the two new Sunday school buildings. The Christian Church has a very nice church and Sunday school, and the Catholic Church and school is also nice and up-to-date. Who would want to live in a better place than Walton—just 20 miles from Cincinnati, yet you are out in the country.

Mrs. Souder from over at Atwood, came after 9 gallons of Boice Outside White Paint. Mrs. Cass, whose husband is bridge foreman for the L&N, also came after paint. T. C. Ballard, who runs that butcher or barber shop next door, whichever you want to call it, painted his roof with Boice Aluminum and his front porch with Boice Floor Enamel—T. C. is a fine fellow and the best neighbor anyone ever had—we all like to tease him and he takes it fine, if you don't get too rough, like the time Russell Hall poured the whole bottle of iodine on top of his head and it ran down on his face and glasses—Hall was a afraid to go back in his shop for a month, but they are still good friends and Hall even lets him shave him.

Ray delivered Mrs. Wm. Vest, who is Edna Kerns mother, over Verona way, a Day and Nite coal heater—on the way over he set up a used oil heater at Myrick Crouch's—we are really selling stores—it is no trouble when you have good stores at the right price. Claude Norman just came in for more of that Boice Outside White Paint—he likes it very much. Lon Wilson came in today and paid for that Maytag Washer that Ray delivered Monday. Harley Tippet, that man who is building all those houses on Wilson Road, was in and paid his account—if you need a house see Harley, he will build any price house you want. Mrs. Wolfe from Richmond was shopping in Walton, today, Violet Wynn bought curtain rods to Mary E. Stephens and has two brothers, Jack and Bill Kenton—they sure have a nice place out there now. Stanley Robinson, Tom Poland and Leon Hall were a busy crew getting Stanley and Tom's trailer all wired up and water in from the meter—Ray went up to Crittenden and put Mrs. Duke Adams' oil heater in good condition for the winter—she uses one of those good Perfections—then he went to Beaver and regulated Mr. and Mrs. Penmore Pointe's oil heater. He set up several days ago, but had no oil to light it with—then he stopped at Mrs. Chas. Wolfe's at Richmond and put her oil heater in winter condition—then he set up an Anchor Coal Circulator for Gerroll Johnson at Verona—he took Raymond Stephenson a lift pump for his milk.

Eva Waters selected the most beautiful pattern of Armstrong linoleum to cover her living room. Ray delivered and set up a large Perfection Oil Heater, complete with 250-gallon outside tank, to Mary E. Stephens and has two brothers, Jack and Bill Kenton—they sure have a nice place out there now. Stanley Robinson, Tom Poland and Leon Hall were a busy crew getting Stanley and Tom's trailer all wired up and water in from the meter—Ray went up to Crittenden and put Mrs. Duke Adams' oil heater in good condition for the winter—she uses one of those good Perfections—then he went to Beaver and regulated Mr. and Mrs. Penmore Pointe's oil heater. house, the type that passes the inspection, and put it in his sisters—then he set up Russell Finer's coal heater.

Mrs. Anna McCabe was in today and paid her account—she and Mr. McCabe just returned from a trip up through the east, into the New England States, then up into Canada and Nova Scotia—had a wonderful trip, drove all the way, I just received some very nice spark guards for your grate or fire place, with the rounded top and at only \$6.85, which is a very good buy. Ray set up James and Beulah Smith a nice Perfection Oil Heater today. We fixed up old Jumbo, our big heater for the store, today, so if it turns cold, it is in time.

Saturday was a very peculiar day—not many in town—looked like rain all day, but never did. We never made many large sales, but we had a very good day in the store. Chick sold several tourists fishing licenses and fishing tackle—I sold two small oil heaters that went to Williamstown—Chick sold several electric fixtures from that nice display of Moefixtures—we have a nice selection—Ray sold Mrs. Nell Kelly a 4-quart Mirromatic Pressure Cooker. Shabo Wilson bought Elbert a very nice Case pocket knife.

Monday was a cold, flat day, when everyone gets in a hurry for stoves, stove pipe and furnace pipe. Ray delivered Mrs. Elizabeth Ryan a Perfection Oil Heater, also took Russell Vest a white porcelain coal kitchen heater. C. A. Coyle came over and bought a coal and wood heater. Mr. and Mrs. William Howe bought a coal and wood heater. Mr. and Mrs. Winston Brown bought a large porcelain coal circulating heater and an Armstrong linoleum rug. Mr. and Mrs. Mort bought a coal magazine heater. Mrs. J. P. Brothers from Lynchburg, called for us to bring her daughter a Perfection oil heater.

We delivered William and Betty Brown three metal gates for their farm—these metal gates sure make a nice-looking fence. Mr. and Mrs. Penmore Pointe from down Beaver way bought a large Siegler Oil Heater for their home—Mr. Pointe also bought a lot of farming tools. James and Beulah Smith selected a medium size Perfection Oil Heater for their home.

Mrs. James Webster stopped for a cast iron wood heater. We sold lots of stove pipe, stove boards and furnace pipe, which we carry a large stock, all sizes. James Spencer, our banker, and his family are about ready to move into their new home on Alta Vista. Ray has fun to put up new White Plastic Window Shades this week. Chas. Rogers, who also built, next door to the Spencers, has already moved in. Gerrie McElroy is building a house across the street from John L. Vest on Alta Vista. Luther Maxwell and Henry Foxman are building on High School Court. Spencers Road is building on Verona Road—ever new house and every new family makes this a better city.

The more people and houses, the better the city, with more taxes to operate on—more customers for our city, more children for our schools and churches. Walton is growing—won't you help in any way you can? You don't get any think of any value unless you put something in to it—let's all pull together and we can build all these buildings and watch our whole community grow. When you need Hardware, always remember CONRAD. He is pulling for this community all the time.

4-H Achievement Meeting Saturday, In Covington, Ky.

The Northern Kentucky District 4-H Achievement meeting will be held Saturday, October 20 at the Y.M.C.A. in Covington, according to the Boone County Extension Service. County champions in all 4-H projects from Gallatin, Boone, Kenton, Campbell, Bracken, Pendleton, Owen and Grant counties will compete for District honors.

Registration will begin at 10:30 a. m. Members will then be interviewed by the 4-H Staff, University of Kentucky, and winners elected. After games, group singing and entertainment by the Walley Bollinger of Covington, the group will move to the Chamber of Commerce for a dinner, sponsored by the Covington Chain Store which. The luncheon speaker will be T. R. Bryant, Associate Director of Extension, University of Kentucky. His topic will be, "Making Good Citizens." Presentation of awards and radio interviews of winners will conclude the program.

All club members are urged to turn in completed records to the County and Home Demonstration Agents as they may be considered for county awards.

PINER P.T.A. MEETS

Walley Bollinger of Cincinnati, O., with Mrs. Bollinger and their two sons, were the entertainers for the October 11 meeting of the Piner P.T.A. at 8 p. m.

The meeting was called to order by the new president, Mrs. Charles Gross. Other officers for the year are: Mrs. W. W. Worthington, vice president; Mrs. James Bailey, secretary; and Mrs. James Beighle, treasurer.

Plans were made for the Fall membership drive, which closes on Thanksgiving. The six grades of the school are in charge of the drive and prizes will be given to the grade and to the pupils in the grade with the greatest percentage of members.

Plans were also made for the Fall Festival and Halloween Party which will be held at the school October 25 starting at 7:30 p. m. Everyone is invited to attend this affair, and the P.T.A. voted to use part of the proceeds for four more swings for the playground.

After the business session, Mr. Bollinger, who is a widely known and popular entertainer, an employee of the Covington branch of the Kentucky Times-Star, gave a very entertaining program.

Walton O.E.S. Initiation

Walton Chapter, Order of Eastern Star, will have a special meeting on Tuesday, October 23 at the Masonic Hall, to initiate candidates.

Kenton County 4-H Jamboree at Simon Kenton On Nov. 3rd

A 4-H Jamboree for Kenton county will be held Saturday night, November 3, at 8:00 p. m., in the Simon Kenton High School auditorium.

A very interesting and entertaining program has been planned, which will include dramatic plays and musical programs furnished by the 4-H clubs. Highlights of the program will be a 4-H Talent Show which will include tap dancing, singing, piano playing and other types of entertainment. Winners of the Talent Show will receive awards and will appear on WLW-TV. Entries have been received from the following clubs:

Crescent Springs, Holy Guardian Angel, Independence, St. Cecilia, Spring Lake, Vasilas and Piner.

Four-H members are selling tickets throughout the county. Valuable door prizes will be given during the Jamboree. Awards will be presented that night to the 4-H Clubs who have 100% project completion, and clubs having the largest number of exhibits at the 4-H Club fair.

Boys and girls who are winners of the demonstration and public speaking contests will also receive awards.

The 4-H Jamboree is sponsored by The Union Light, Heat & Power Co. and the Kenton County 4-H Club Council.

Blood Mobile Unit To Visit Boone Co. Airport October 29th

Thursday night, October 11, the Boone County Chapter, American Red Cross, again began to formulate plans for collecting blood for the Armed Forces. The meeting was held in the Boone County Christian Church. The Red Cross is the official agency for the collection of blood, according to Mrs. Elizabeth G. Nestor, Executive Secretary of the local chapter.

John O. McElroy, Chapter Chairman, will serve as chairman of the Defense Blood program. He has appointed Mrs. A. H. Gaines, Walton, as Recruitment chairman; Mrs. Eva Grater, Union, Volunteer Services chairman, and Mrs. Ruby Caldwell, Burlington, Chairman of Nurses. At this time, precinct or community chairmen have not been named, but will be given in next week's paper.

The mobile unit will visit Boone county five times before July 1, 1952 and the minimum quota is 100 pints each visit. The first visit of the mobile unit will be on Monday, October 29, when it will be stationed at the Boone County Airport.

Blood is needed badly by the Department of Defense—won't you give? Call Mrs. Alan Gaines, Walton 33, or the Boone County Red Cross headquarters, Florence 84, to make your pledge. Won't you donate your blood to give life to a serviceman, who is fighting to keep this country safe?

McElroy Red Cross Chairman

John O. McElroy, Florence, will succeed Dean Ross as chairman of the Boone County Chapter, American Red Cross. Mr. McElroy is a young attorney and well known throughout the county.

The new chairman wishes the citizens of this county to remember the Red Cross maintaining a 24-hour service for emergency cases—the telephone number is Florence 84. The Red Cross headquarters is located across from the Florence Hardware Store.

Y-Teen Conference At Carrollton High Saturday, Oct. 20th

Delegates from Y-Teen clubs of the Northern Kentucky area will meet at Carrollton High School on Saturday, October 20, for the annual fall conference. Y-Teen clubs from Bracken County, Butler, Campbell County, Carrollton, Deming, Florence, Hebron, Ludlow, Morgan, Simon Kenton, and Walton-Verona High Schools are members of this conference.

Conference officers are: Deane Giddens, Carrollton, president; Sue Gabriel, Simon Kenton, vice president; Judith Linville, Deming, secretary; Leola Workman, Bracken County, treasurer; and Beverly Moore, Bracken County, song leader.

The conference theme is "Hi-Neighbor." The morning worship will be conducted by Clint Campbell County Y-Teens. A recreation session will be led by Carrollton club members. Miss Giddens will preside during the morning business session. During the afternoon program, Miss Eleanor Hughes, Executive Director, Kentucky District Y.W.C.A., will lead a forum on "Who Is My Neighbor?" Speakers on the forum will be from Morgan, Deming, Hebron, and Simon Kenton Y-Teens. The Newport Y-Teens will instill the new Inter-Council officers at 2:30 p. m. The conference will close at 3:00 p. m., with a Friendship Circle, led by Bracken County.

A "Y-Teens" at Butler State Park, Carrollton, Friday afternoon, October 19, will precede the October 20 conference.

Forty delegates have registered for this "Retreat." Plans for the year's work of Y-Teen clubs and the Inter-Council Council will be discussed.

Leaders for the "Retreat" are Miss Eleanor Hughes, State Y.W.C.A.; Mrs. Louis Gabriel, Simon Kenton Y.W.C.A.; Mr. J. Stark Davis, Morgan Y-Teen adviser; Mrs. Helen Fowler, Hebron Y-Teen adviser; and Miss Elma Taylor, Simon Kenton Y-Teen adviser.

It takes MONEY TO BUILD!

"I just had to have more barn room . . . and some of the other buildings needed repairing.

"But it takes money to build . . . more than we had saved up. Then, a neighbor tipped me off about a Federal Land Bank loan. He told me to see the National Farm Loan Association. It was a pleasant surprise to learn that the Association was made up of my friends and neighbors . . . all good, solid, substantial farmers.

"Well, today you'd hardly recognize the old farm, it looks so nice. I can keep my livestock and crops in better shape—can operate more efficiently and make more money. And I'm happy about the 4 percent Federal Land Bank loan. I can take 20 to 33 years to pay . . . or pay just as fast as I want without any penalty whatsoever. And I didn't have to pay a cent in application fees, appraisal fees or commissions.

"If you need money to build or improve your farm in any way, let me suggest a Federal Land Bank loan."

Mr. and Mrs. Cam Kennedy had as guests recently, Mr. and Mrs. Joe Beach of Western Missouri, and Mr. and Mrs. Omer Franks of Versailles, Ind.

Dan Roberts is attending Grand Lodge, F. and A. M., in Louisville, this week.

Mr. and Mrs. Paul Simpson entertained at dinner Saturday evening, Mr. and Mrs. Morgan Campbell and daughter, Mr. and Mrs. Bert Parker, Mrs. Ernest Hartman, Mrs. Belle Fischer and Mrs. Thelma Morgan and daughter attended a meeting at the Crittenden Christian Church, on Sunday afternoon.

Rev. Carol Gravelly, V. D. James, Mr. and Mrs. Stanley Bush, Mrs. Jack Rouse, Mrs. Abbie Bush, Miss Linda Bush, Mrs. Morgan Campbell and daughter, Mr. and Mrs. Bert Parker, Mrs. Ernest Hartman, Mrs. Belle Fischer and Mrs. Thelma Morgan and daughter attended a meeting at the Crittenden Christian Church, on Sunday afternoon.

The Walton Homemakers met last Friday with Mrs. Lillian Gots. The lesson on "Decorative Stitches" was given by Mrs. John Wood and Mrs. Jesse Callen.

Mr. and Mrs. Basil Arthur of Charleston, W. Va., were the Tuesday guests of their uncle, T. O. Ballard.

"SEE YOU IN CHURCH"

"The Methodists—in their 'See You In Church' Crusade, have a wonderful opportunity," said Rev. G. W. Hoffman, pastor of the Walton Methodist Church, "of cooperating in advancing the Kingdom of God. It means, in the first place, cooperating with Christ. There is no partnership equal to this; helping Christ in getting others interested in His Church and in their personal salvation."

"It means," he continued, "cooperation with one another. There are many Unions and Cooperative organizations throughout the Nation, but there are none of such value and importance as the band of Christian men, women, and young people who work unselfishly and unflinchingly for Christ and the unsaved. It is a tie that binds our hearts in Christian love, each to the other, and to those still in sin."

"It means also, cooperation with your pastor. The pastor cannot do all the work of the church. The Lord has called every Christian to be a worker in his kingdom. The pastor needs the help of every member, to see accomplished the work that needs to be done. Cooperation as an idea is beautiful, but of little value unless put into practice. Let us rally to our church and purpose from now on, that we will be present at church at least for one service every Sunday. It is regular, worshipful attendance that pays big spiritual dividends."

NOTICE!

Notice is hereby given that on Tuesday, November 6, 1951, at the Regular Election held on that day in the City Precincts in Walton, Boone County, Kentucky, there will be submitted to the qualified voters of said City the following question, viz:

"Are you in favor of the City of Walton issuing bonds not to exceed twenty-five thousand (\$25,000) dollars for the purpose of erecting and equipping a new municipal building for the City of Walton, containing space for municipal offices, jail, and firefighting equipment?"

On the ballot, there will be two spaces on the right; one for votes favoring the measure to be designated by the word "yes," and one for the votes opposing the measure to be designated by the word "no."

The amount of money necessary to be raised by taxation per year shall be \$1,000.00 on the principal of said bonds for a period of twenty-five (25) years and not in excess of \$1,000.00 for the first year for interest and \$40.00 less each year (or perhaps a lesser amount depending upon the rate) for a period of twenty-four (24) years.

Seeing God's Hand

Lesson for October 21, 1951

NOBODY is ever, in all his life, actually as wise as he thinks he is when he is about 17 years old. We have a remarkable case of this in the Bible, the story of a man whose viewpoint, between his 17th and 58th birthdays, completely changed. It is the story of Joseph.

At the age of 17, Joseph was about as nearly insufferable as any one ever has a chance to be. He was the oldest son of the favorite wife of a wealthy cattleowner named Jacob. Old Jacob needed all the hands he could use, to look after his sheep and cattle; and he put all twelve of his sons to work. Eleven of them had real work; Joseph, though next to the youngest of them all, was a kind of boss or overseer. At least that is what his father intended.

He dressed the boy not in working clothes like the others but in fancy clothes, and used to send him around to see what the other boys were up to. Naturally Joseph's brothers did not take to all this; in fact they hated him so hard that they were on the point of murdering him.

On the very day of the proposed murder, however, the brothers discovered a chance to sell him as a slave. So Joseph was off to some traveling slave-traders, and for all his brothers knew or cared, he was off to a lingering death.

Where Was the Hand of God?

JOSEPH expressed no opinion about this at the time. (He was probably gagged.) But judging from his general character and behavior at that time of his life, it is no trouble to guess his thoughts. He was "fit to be tied"; indeed, he must have been tied on a camel's back, for no slave-trader in his senses would make Joseph walk the 200 miles to Egypt.

The better his condition on arrival, the higher the price. (As it turned out, a very wealthy man bought him; perhaps only a wealthy man could afford him.)

If you had asked Joseph while he was being hauled down to Egypt and the slave-market, Where is God in all this? Joseph might well have answered: "Nowhere. The devil is in this, or my devilish brothers. Nobody means any good by it. The only reason they are selling me instead of killing me is that they are making a little by it; these slave-traders are certainly not in business for their health. I am the only son my father trusted, and now I shall die a wretched death in a strange land."

The Wisdom of the Years

THAT was Joseph at seventeen. At the age of 58 he saw a different picture. Many strange years had passed; Joseph had been slave and then prisoner; then by a dramatic turn in his fortunes he had risen overnight to be the top official administrator, price controller and economic stabilizer, all in one, for the great empire of Egypt.

His brothers, driven by famine, had fled to Egypt for help, and Joseph, after playing cat-and-mouse with them for months, at last told them (to their great terror) who he was. But he had returned good for evil; had invited down his whole family, father, brothers and all, and given them refuge in a corner of Egypt. At last Jacob died.

The brothers, who made the mistake of thinking Joseph no better than themselves, had supposed that all Joseph was waiting for was his father's death. Now would be the time for Joseph's long-delayed vengeance. Possibly Joseph the boy had dreamed of just such an hour. But Joseph the man was wiser. To his brothers, cowering before him, he said a memorable thing: "You meant it for evil, but God meant it for good." (Gen. 50:20.)

He still had no illusions about his brothers. They had been a bad lot. But God "meant it for good." That wicked act, selling him into slavery, had been the unintentional means of saving hundreds of lives. Joseph now, with the wisdom of his 58 years, can see the hand of God which his 17-year-old eyes could not see at all.

So in times of distress the thought should come to each of us: God's hand may just now be out of sight, but some day, looking back even on this distress we too shall see the hand of God.

FRIENDSHIP

Where people are linked by common interests and common purposes, friendships grow spontaneously.

In the churches of our community new friendships are being made every day. Here children learn the lesson of sharing as they work and play together. Here boy meets girl in the most wholesome environment the world can offer. Here wedding bells ring as couples seal their devotion with the sacred vows of marriage. Here people worship and serve together, finding strength in their mutual quest for spiritual realities. Here those in the sunset of life cure the loneliness of old age with happy companionship.

Turn to the Church for the deep, lasting, enriching friendships you need. They are part of the practice of Christianity—part of the riches to which the Church guides us.

It was Jesus who taught: LOVE ONE ANOTHER, EVEN AS I HAVE LOVED YOU.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

OUR COMMUNITY

Last week I wrote a little about our City of Walton—so Sunday afternoon I drove around all through the country around Walton—it sure is building up—a new house here and another just a short way down the road. I saw several basements just finished, for new houses. The farms are better kept and the buildings are painted. A gentleman from South Carolina stopped in last week inquiring about this community—he wants to locate here—has been in South Carolina for 15 years, but likes our location, close to Cincinnati and yet out in the country. Just Saturday we had some stangers in the store and they were commenting on this section of the country. We don't realize what we have here until we travel to other parts of the country. I have seen several who said they did not like it here and moved away, but before long here they come back.

Today we received some Fri-Well deep fryers for deep frying french fries, chicken, fish and lots of other uses; also received some very nice card tables for only \$4.95, and some fire screens to catch the sparks from your grate—these save many a fire. We received another shipment of Perfection Portable Oil Heaters—we have sold so many this season—very handy for cold corners and small rooms. Another Harvey Hammermill just came in—these save the feed—they grind up stalk and all.

We also have some drag slip scrapers for cleaning out your springs—a fine time to do this. Oh, yes, we have several of those lift pumps for your milk house that pass the inspector. If you are going to need a Dayton Water System or some galvanized pipe, buy it before November 1, because all steel goes up 10 percent. I just bought out a stock of Coleman Oil Heaters. If you need an oil heater, here is a chance to get one cheap as long as they last. Some new and some used, but all at low prices.

Nick Trapp just drove in and took home a laundry stove—they are cheap and very handy. Mr. Spaulding from Napoleon, was in today, but didn't have much news to tell me. Manfred Craft was looking for Cycnamid to put on his plant to kill weeds, but I could not get it this year. O. C. Long was up and told me all the news down on the creek—O. C. always comes in to see me when he comes to town. Chick has been building a metal screen for Blockbuster's Grocery, to put around their stove, so the groceries won't get too hot.

Chick and Kenneth Stamper are going to be Master Plumbers when they get their electric water pump installed. Ray took a very nice Perfection Oil Heater over to Mrs. Selman at High Street and installed it—these Perfection heaters are easy to sell because they satisfy. Mrs. Webster from Glencoe, bought a beautiful 12x12 Armstrong rug. Geo. Fisher drove up to the side door and saw what he the best point made, and I sold Boice Point. He said, put me in five gallons and a gallon of linseed oil.

When you sell good merchandise, you have repeat customers, and that is what this store has.

tried to do for over 60 years. Kenneth Tomlin and wife came up for 5 yards of screen glass to put over their windows to keep out the cold—Kenneth bought a pair of hair tangles, a pair of hams, home straps, roof cement and stove pipe. A lady came in to buy an aluminum roaster—I put out a Wear Ever and three cheaper brands, but you can't fool these women—they buy the best when it is reasonable in price.

We spent nearly all afternoon putting up stone jars, milk crocks, mixing bowls, stone pichens, tea pots and flower pots. We have a fine stock of most all stoneware now. Saturday was a very busy day—Walter Brown sent over for a 20-inch grate basket Oakes Webster and his brother-in-law came after poultry fence; W. H. Poe and son came after hot shot battery and barb wire—their hens were in the corn field; Clayton Spillman and wife are moving, they were buying linoleum, pots, pans and kitchen utensils; Sarah Sleight got six of those plastic window shades; Miss Evans, down on Stephenson Mill Road, came up and bought an Anchor coal hotblast heater.

B. Stephenson and wife were up from Erlanger, after an Anchor coal hotblast heater—B said he wanted an Anchor heater just like those that he delivered when he worked for Franks & Fry—well, that is what he got, the greatest coal heater ever made. Some lady stopped in and said she heard we carried large size Armstrong rugs—she bought a 12x15. We unloaded 30 wood heaters today, 26-inch, with cast iron door.

Zayda Clare said be sure and save her a Perfection oil heater, which we did. We received some Black & Decker electric drills and a 6-inch electric saw—very nice tools and reasonable. Bert Powell and Annie were over—of course Annie and I had an argument over the price of up holsters; tacks—the said they were too high, and I of course I finally had to agree with her, as I always do, but she bought the tacks. John Wood was in after plumbing—he and Jess are sure busy. Ray brought in three good used oil heaters—we will check them over and put them in good condition.

Saturday is always dish and pan day—we sell more dishes on Saturday than all the rest of the week. Had some fellows looking at that 8-ft. fertilizer and seed drill—now is the time to use it. We also have a Harvey Hammermill in stock, which will save a lot of feed. Everett Jones came in after a wood stove and binder twine. Mark in after a wood stove and binder twine. Mark in after a wood stove and binder twine. Mark in after a wood stove and binder twine.

James Beesh from Verona, had Ray bring him a two-cap laundry stove—he took Tom Carr's heater home after we had repaired it. We just received some beautiful card tables, and only \$4.95. We also just received some Black and Decker electric drills and power hand saws. When you need it, come to CONRAD'S—we hate to say we don't have it!

Blood Needed by Red Cross; Give at Airport October 29

The Boone County Chapter, American Red Cross, which will begin to collect blood for the Armed Forces and Department of Defense, Monday, October 29, at the Boone County Airport, will process this blood through the Cincinnati Defense Blood Center, which has been established to collect blood for the defense needs of our country in an area of some 30 counties in southwestern Ohio, southeastern Indiana and Northern Kentucky.

You are probably wondering about the uses to which blood collected by a defense center will be put. Most of us today are aware of the uses of whole blood in surgical operations and to replace blood lost in accidents or in wounding. Whole blood is also used in the treatment of infectious, hemorrhagic diseases and chronic anemia. Plasma, the liquid portion of blood, is valuable in combating shock, in the treatment of burns, and its protein substance can be isolated and used to combat various diseases. Plasma does not contain blood cells, does not have to be typed and in most cases, can be given from any person to any other. Plasma can also be frozen and dried and kept indefinitely.

In case of atomic attack, a tremendous amount of whole blood and plasma will be needed. Wise medical preparedness calls for the existence of efficient functioning blood procurement programs on a nation-wide scale.

Each donor will receive a registration card which will list his blood group and RH factor, which will be mailed to him within a few weeks after he gives his blood donation. Each donor will receive a blood donor pin.

If you have any questions not answered here, please request the desired information from our Red Cross Headquarters across from the Florence Hardware store, telephone Florence 84.

Even in our darkest moments we fight to keep our life. If we are sick we immediately call a physician to help us get better. We will go to any extremity to hold onto the spark of life that is in us. Will you give the gift of life? Be a Red Cross Blood Donor!

4-H Achievement Meeting Attended By Local Youths

Eight Boone County 4-H'ers, all champions at the Boone County Fair, attended the District 4-H Achievement meeting in Covington, Saturday, October 20. One hundred eleven 4-H members from nine Northern Kentucky counties took part in the day's activities.

After "get acquainted" games and singing, the group was led in the pledge to the flag by Vera D. Scott of Burlington. Wally Bollinger and his family provided entertainment for the group before lunch. The Covington Chain Store Council was host to the group for luncheon at the Chamber of Commerce. Dave and Enny Bordess, sons of Mr. Bordess, manager of the Woolworth Store, in Covington, really gave the group a thrill with their songs and drama. T. R. Bryant, University of Kentucky, gave a very interesting talk, entitled "Making Good Citizens."

Presentation of awards to the local 4-H'ers was made, as follows: Betty Hood, District Champion, ribbon and medal for her clothing project; Janet Dolwick, red ribbon, foods; Lucille Speagle, white ribbon, canning; Vera Scott, white ribbon, home improvement; Freda Marie Stephenson, a white ribbon, homekeeping; Billy Maddox, blue ribbon, poultry; Mary Jo Dixon, blue ribbon, dairy; Virgil Kelly, blue ribbon, beef.

Halloween Dance Saturday

A Halloween dance will be given at the Fire House, Independence, on Saturday evening, October 27. There will be both round and square dancing. Refreshments will be served. The admission will be 50 cents per couple. Proceeds will be used for the Community Christmas fund.

DISTRICT WOMAN'S CLUBS MEETING NOV. 2

The annual conference of the Fifth District of Kentucky Federation of Woman's Clubs will be held at the Christian Church, Warsaw, Ky., on November 2. Registration will begin at 9:00 a. m., with the conference called to order by Mrs. David Holmes at 9:30.

Registration for luncheon should be in the hands of Mrs. R. S. Brown, Warsaw, not later than October 29. Price of luncheon, \$1.50. Check must accompany reservation with names of those attending.

National and State officers of the Federation of Women's Clubs will be in attendance and will give brief addresses. Mrs. Howard Barry, President of the KFWC will give the principal address, which will later be broadcast over Radio Station WZPZ, Covington.

"One of the Greatest Days" at the Baptist Church Last Sunday

The First Baptist Church, Walton, experienced one of the greatest days in the history of the church last Sunday. Four hundred sixty-five people attended the Bible School service, setting an all-time record. A combination Sunday School and Worship Service was held for all those nine years of age and older, while separate classes were held for the younger children.

Each donor will receive a registration card which will list his blood group and RH factor, which will be mailed to him within a few weeks after he gives his blood donation. Each donor will receive a blood donor pin.

If you have any questions not answered here, please request the desired information from our Red Cross Headquarters across from the Florence Hardware store, telephone Florence 84.

Even in our darkest moments we fight to keep our life. If we are sick we immediately call a physician to help us get better. We will go to any extremity to hold onto the spark of life that is in us. Will you give the gift of life? Be a Red Cross Blood Donor!

Social Workers Needed

A competitive examination to obtain social workers for the State Division of Public Assistance will be given at Holmes High School, Covington, on Saturday, October 27 at 8 a. m. Workers chosen through the examination will fill existing vacancies in this Public Assistance district, which includes Boone, Carroll, Gallatin, Grant, Kenton and Pendleton counties. R. L. Veazey, acting Merit System supervisor for the State said in announcing the exam.

The jobs pay from \$180 to \$240 a month plus travel expenses. Persons wishing to take the examination may obtain application blanks at their local State Employment Service Office, Public Assistance Office, School Superintendent's office or at the examination center at the time the test is given.

Verona Homemakers

The October meeting of Verona Homemakers was held at the home of Mrs. Frances McCormick, with 12 members and two visitors present.

A report from the annual meeting was given and a lesson on decorative stitches was had. Mrs. Davis had charge of the devotional. The blues entertained the reds.

Junior Class Play At Simon Kenton, Friday, October 26

The Junior Class of Simon Kenton High School is presenting the annual class play on Friday evening, October 26, 1951, at 8:00 p. m., in the school auditorium. This play is under the direction of Miss Maude Skinner, Speech and Dramatic teacher. Far from the ordinary, this annual production, "We Shook the Family Tree," is a gay comedy. The play is taken from a book written by Hildegard Dolson, and dramatized by Perry Clark. Hildegard is a 16-year-old who can get into plenty of trouble, and does!

The cast includes Betty Gaskin, Carl Tomlin, Sue Gabriel, June Doan, Douglas Grant, Bill May, Jo Ann Meierle, Jean Oliver, Lucy Barberick, Dave Young, David Damon, and Emily Walter.

Does Hildegard "really" break into Mr. Sherman's house? Is Hildegard's father "really" a drunkard? Wait until you see Paige! Who is this "Secret Admirer"?

If you want to know the answers to the above questions, see this play. Be sharp, be smart, be at Simon Kenton, October 26 at 8:00 p. m. Admission prices are 25, 50 and 60 cents.

State Distributing Fish

Fall distribution of fingerling bluegill for new farm ponds started October 23, in the First District, the Division of Game and Fish announced. Approximately 400,000 fish will be placed in the 1,400 new ponds throughout the state during the next two weeks delivery, which will bring to a total of 865,815 fish, bluegill and bass, which have been distributed this year in all farm ponds alone. In addition hundreds of thousands of fish have been released in various streams.

Annual Halloween Party at Walton School Oct. 30

The annual Halloween Party sponsored by the Walton-Verona P. T. A. will be held Tuesday night, October 30, in the school auditorium. The doors open at 7:30 p. m. Prizes for Grand March begins at 8:00. Prizes for the prettiest costume, best costume, and character representation will be awarded, as well as a door prize.

Several new booths have been added, including the "Kissing" booth and "For Men Only" booth, along with many other novelty booths and refreshment stands.

A main attraction will be the coronation of the King, Queen, Prince and Princess of Harvest. Votes for whom have been solicited by students during the past week. The voting, by small cash contributions, will continue until the night of the party.

A ten-cent admission charge will be made, and all proceeds will be used for school improvements. Judges selected, as announced by Mrs. O. F. Young, P.T.A. president, are: Mrs. Rod Hughes, Frank DeMosey, and Robert Porter. Mark Meadows will serve as MC, and Matt Flynn will do the auctioneering.

Gunpowder Homemakers

Mrs. Bert Stevens was hostess for the regular meeting of the Gunpowder Homemakers Club. Mrs. Glenn Stevens opened the morning session with scripture reading and members responded to roll call by naming the fabric of the dress they were wearing. The vice president, Mrs. Virgil Kelly, conducted the business meeting.

In the afternoon, Mrs. Bert Markersberry gave the lesson on "Decorative Stitches." Mrs. Glenn Stevens had charge of the recreational program. Members attending, were: Mrs. Dolphie Sebree, Mrs. Glenn Stevens, Mrs. Kenneth Comer, Mrs. Virgil Kelly, Mrs. Bert Markersberry, Mrs. Vic Rathford, Mrs. Robert Smith, Becky Rushing and children, Plerona Kannady, Mr. and Mrs. McCormick and visitors, Mrs. Willet and Corene McCormack.

MORTON - YOUNG

Mrs. Charles C. Young

With exquisite charm and quiet dignity the wedding of Miss Emily Belle Morton, daughter of Mr. and Mrs. Clyde B. Morton of Verona, to Mr. Charles C. Young, son of Mr. and Mrs. Robert A. Young, Sr. of Mount Healthy, Ohio, took place on Friday, September 14, at 3:30 p. m., in the Dunlap Evangelical United Brethren Church. Rev. Walter Racker and Rev. George Young, Chicago, Ill., a brother of the groom, officiated at the double ring ceremony. Mrs. Paul Young, soloist, and Mrs. Fred Racker, Newport, organist, presented a half hour of nuptial music.

Twain baskets of white gladioli, asters and chrysanthemums adorned the altar. Mass arrangements of palms and gleaming tapers in branching candleholders lent charm to the setting. Single standards, holding tapers, decorated with foliage and white satin bows marked the new heads.

Mr. Robert A. Young, Jr., was his brother's best man. The ushers were Mr. Paul Young and Mr. Edward Zimmerman. Robert Young, II, nephew of the groom, was ring bearer.

The bride's attendants were Mrs. Walter Racker, sister of the bride, Matilda, sister of the bride, and Miss Suzanne Diefenbacher, were bridesmaids. Nancy Jean Racker, niece of the bride, was flower girl.

Upon return from a honeymoon, the couple will live in an apartment at Stone Mill Road, Dunlap, Ohio. The bride is a former resident of Newport, and a graduate of Newport Public High School.

Beechgrove Homemakers

A combination meeting and surprise birthday party was enjoyed by members of the Beechgrove Homemakers Club of Independence at the home of Mrs. Gus Schader of Wright Road, Walton, honoring the 85th birthday of her mother, Mrs. Ellen Elliott.

The meeting date has been changed to the third Thursday of each month. Mrs. William Endres, Citizenship chairman, distributed booklets on Seaside and Historic Kentucky. Former vice president, Mrs. H. L. Clark, was elected president, and Mrs. P. M. Powers was named vice president. Exterior Beautification lesson was given by Mrs. W. P. Meyer.

Club achievements for 1950-51 were: 166 new garments, 15 lamp shades; frozen food, 422 lbs. fruit; 170 lbs. vegetables, 1655 lbs. meat; canned food, 786 qts. fruit; 188 qts. meat, 979 qts. vegetables, and 615 lbs. jelly.

Frank Lynskey conducted games, and prizes were won by Mrs. F. M. Powers and Mrs. Louis Lee. Guests were Mrs. Claude Reeves, Mrs. Eugene Schader, Mrs. Celia Reynolds, and Mrs. Ellen Elliott.

Ohio Man Arrested Here

William C. Woodall, of McKellen Ave., Cincinnati, Ohio, was arrested Saturday by Chief Herman Stimmens for being drunk in a public place and for indecent exposure. According to Judge C. G. Worthington, the man pleaded guilty, and his fines totaled \$40.00, when tried Monday.

Walton Soldier Killed

Corp. James A. Hoelscher, son of Mr. and Mrs. August F. Hoelscher of Walton, was listed today by the Defense Department as one of four Kentuckians "killed in action." Details of the soldier's death were not announced by the department, nor were they available here.

Mobile X-Ray Unit To Visit Boone County

STATE POLICE REPORT

Kentucky State Police recovered \$641,064.18 worth of property for individuals, and participated in arrests in which fines of \$381,291.05 were imposed during the first nine months of this year, according to Commissioner of Police Guthrie F. Crowe.

In addition, prison terms aggregating 144 years and two life sentences were imposed against offenders in which state police took a part in developing evidence against them. The same period brought about 26,732 traffic arrests, 42,365 warnings; 6,737 accidents investigated and 20,342 convictions.

UK Basketball Tickets Now On Sale For Season

Approximately 7,000 season tickets to 1951-52 home basketball games at the University of Kentucky were placed on sale through the mail to the general public October 22, according to U.K. Athletic Director B. A. Shively.

Coach Rupp's national collegiate cage tilts are scheduled for 12 appearances on the home floor, the 12,000-seat Memorial Coliseum, Lexington, against some of the country's basketball elite.

According to new policies, the U.K. Athletic Association will offer the public about 1,400 more seats than were made available last season, the first in the Coliseum. Cost of a season ticket book for the 1951-52 campaign will cost \$15.00 or \$24.00, depending upon the variance point desired, and represents a reduction in price from that charged last year of \$4.50 and \$8.50, respectively. The theater-type chair seats on the west side of the Coliseum will be sold at \$24.00 per seat, while bleacher seats and end balcony are slated to sell at \$15.00 for the season.

There will be no priorities in the purchase of basketball tickets, Mr. Shively said, except that all choice seats will be printed up in season ticket form and season purchasers will not only get seats in the better locations but also save \$3.00 from the price of a ticket to each individual game.

Individual game tickets will not go on sale until November 26. Checks should be made payable to the University of Kentucky Athletic Association.

Extension Advisory Council to Meet

The Boone County Extension Advisory Council will meet in the Burlington Courthouse at 2:00 p. m., Thursday, November 1, according to the Extension Office.

To Be In Walton, Nov. 1, at School

The State Department of Health, in conjunction with the Kentucky Tuberculosis Association and the Boone County Tuberculosis Association, is sponsoring a mobile X-ray unit in Boone county, Tuesday and Wednesday, October 30-31, and Thursday, November 1. The goal of these organizations is to give free chest X-ray examinations to every person 15 years of age or over within the limits of Boone county on the above dates.

The mobile X-ray unit scheduled for examinations, as announced by Mrs. Sibilla Reimer, president of the Boone County Association, and J. J. Nichols, executive secretary of the Kentucky Tuberculosis Association, is as follows:

October 30, at Burlington, unit located in front of Courthouse.

October 31, at Florence, unit located in front of Community Center.

November 1, at Walton, unit located on Walton school grounds.

Operating time for the unit on each of the scheduled days will be from 9 a. m. till 12 noon and from 1:00 p. m. till 3:00 p. m. Mrs. Reimer stated, she added that it is possible that the unit may operate on the evening of October 31 at the Florence location. An attempt is being made to have the unit operate one evening for the convenience of individuals whose working hours make it impossible for daytime X-rays.

It's Free—It's Quick

Mr. Nichols, in stressing the importance of having X-ray examinations, made the following statement to County Association Officers and volunteer workers at a meeting last week: "It's quick, it's easy, it's confidential and it's free. Chest X-ray takes only a minute. There is no undressing. Tell everyone to come and bring a car full of neighbors and friends."

Halloween Carnival at New Haven, Friday Night

The New Haven High School Seniors will sponsor a Halloween Carnival at the school at Friday evening, October 26, 1951. Everyone is invited to attend and spend a joyful evening playing games, winning prizes and eating the traditional food. The doors will be open to the public at 7:30 p. m.

Admission free to those in costume. Mask does not constitute a costume.

Judge Cropper Heads County Social Service Committee of Seven

Boone County now has a Social Service Committee composed of seven members, it was announced this week by V. E. Barnes, State economic security commissioner.

Commissioner Barnes said the local group will help administer the child welfare and public assistance programs in the county. Heading the committee is County Judge C. C. Cropper, who will serve during his term of terms of office. Appointments of the other six members are for a period of four years, beginning July 1, 1951 and ending June 30, 1955.

Members of the Boone Committee are: Judge Cropper, James R. Allen, Gibby Green, Rev. R. A. Johnson, Mrs. W. D. Scroggin, J. H. Huey, and Tom Utz.

The local committee, one of 120 recently appointed by Commissioner Barnes to help him formulate policies and consider problems relating to the administration of public assistance and child welfare, will be considered a part of the administrative organization of the Department of Economic Security. The committee will have access to public assistance records, Barnes said, but he pointed out the records must be treated as confidential.

Named by the Commissioner Barnes for the purpose of assisting the local committee in the performance of its duties was Mrs. Genroe Swango, local child welfare worker.

Mrs. Ora Tanner and daughters, Marguerite and Lucille, accompanied by Mrs. Arthur Tanner, Jr., motor to Dry Ridge, Sunday of last week and were guests of the latter's relatives there.

Blayne Miller, Mrs. Geo. Miller and Mrs. P. J. Allen were visiting friends in St. Elizabeth Hospital, last Thursday, including Mrs. Paul Chaney, who returned home Sunday; Mrs. Mae Tanner and Mrs. Cora Darby, the latter of whom underwent a major surgery Tuesday. Mrs. Tanner is doing very well. Their friends join in wishing them the best of luck.

Mrs. Llyad Aylor recently returned from Mt. Auburn, Ohio, where she spent three weeks with Mrs. Lena Benham and mother, Mrs. Clara Tanner. We are glad to report the latter as able to be up and around, while Mrs. Benham is yet confined to her bed, but doing very well. Their friends here wish them the best.

Miss Julia Rice of Latonia, was a guest in the home of Mr. and Mrs. James Bristow, over the weekend.

Earl Carpenter and son, Harris, of Ensington, were calling on the former's brother, Eldridge, and wife, Monday evening.

Mr. and Mrs. R. E. Tanner entertained with a delicious chicken luncheon Sunday, including as guests, Mr. and Mrs. James Bristow and Ruth and the P. J. Allens. Afternoon callers were Mr. and Mrs. Otto Lindner of Bond Hill, and Mr. and Mrs. Nelson Faller and son of North College Hill.

Relatives and friends of Mrs. Maude Satchwell of Shelby Street, assembled at her home Wednesday evening from 7 to 10 o'clock to join in the observance of her 72nd birthday. Mrs. Satchwell's daughter, Mrs. Meredith Sheets was hostess and served a bountiful lunch consisting of ham, fried chicken, cheese, salad, ice cream and cake to fifteen guests. The traditional birthday cake, a delicious angel food creation was baked by the celebrant's sister, Miss Cora Aylor. Having enjoyed immensely the hospitalities extended, the guests departed wishing Mrs. Satchwell many happy returns of the day.

Relatives of Mrs. Jennie Dobbins including Mrs. Bertha Dixon, Mr. and Mrs. Eldridge Carpenter and a friend, Mrs. Aileen Conner, have visited her at St. Joseph Hospital, Louisville, where she underwent an operation Saturday.

Mr. and Mrs. James Bristow and daughter entertained with a family luncheon party recently. Guests included Miss Jennie Dixon, Jerald Dixon and family and Gray Parsons and wife.

Mrs. Roy Lutes, Mrs. Clyde Arnold and Mrs. Chas. Luchte recently visited the pottery at Berea College and had lunch at Boone Tavern. They report a very pleasant time.

Mrs. Hattie Owens, Mrs. Geo. Miller and the P. J. Allens were guests of Blayne Miller, Wednesday at his country home in Park Hills.

C. A. McKibben is constructing a brick apartment house on the Cahill subdivision on Girard Street. He expects to occupy one of the apartments.

Relatives here of Mrs. Jennie Dobbins of the Lutheran Home in Louisville, received information on Friday that she had suffered a fracture of the large bone in the left limb due to a fall in her room. She was removed to St. Joseph Hospital, Louisville. Mrs. Dobbins has reached the ripe old age of 91 and was in fairly good health. Her friends here wish her comfort and hope she improves rapidly.

Mr. and Mrs. Paul Aylor were in Bellevue, recently visiting a daughter, Mrs. Harold Rogers, and Mr. Rogers.

Mrs. Geo. Miller, Barbee Simpson, Blayne Miller and "yours truly" were dinner guests Saturday evening of Miss Helen Detzel and mother of Evanston, Cincinnati. Miss Detzel projected a number of pictures of interesting scenes taken while she and a party were on tour of Europe, more than a year ago. All had a delightful time.

Rev. R. R. Patton officiated at the local Methodist Church, Sunday morning.

Mr. and Mrs. Wilson Martin were dinner guests of Mr. and Mrs. Eldridge, Sunday evening.

FORMER UK MAN SEES JAPAN AS GOOD ALLY

Japan, in the opinion of a former University of Kentucky economist, is ready and able to take her place among the world's free nations, and given time will prove a valuable ally to the U. S. and other Western powers. That is the view of Glenn Morrow, ex-research associate of the UK Bureau of Business Research, who for the past two years has been closely associated with American Military Government in Tokyo.

Atwood-Nicholson Homemakers Meet

In keeping with the United Nations week, a colorful program was presented by the Citizenship Chairman at the October meeting of the Atwood-Nicholson Homemakers Club with Mrs. John C. Mayhugh as hostess and Mrs. R. C. Durr, co-hostess.

Mrs. Mayhugh, president, gave a report on the annual meeting and pennies for friendship were collected. The one hundred percent members were presented with a silver cup. Mrs. John R. Loomis gave a quiz on parliamentary procedure. Each member was requested to wrap a gift for the Protestant Children's Home at Christmas. Miss Byerly urged members to attend the demonstration of lighting on the Cincinnati Gas & Electric Co., October 18. The subject will be, "Home Lighting as I saw it in Europe." The lesson on Nutrition was given by Mrs. John Butler and Mrs. S. C. Fisk. Demonstration of decorating a cake was the highlight of the afternoon given by Mrs. John Dwyer.

Attending were Mesdames John C. Cain, Clifford Cornelius, Frank D. Cooke, R. C. Durr, John R. Loomis, John C. Mayhugh, Orie Young, John L. Butler, S. C. Fisk, Raymond Dickson, Alfred Blymer, Leslie Wagner, H. L. Pitcher, Frank Stagman, and Miss Byerly, Demonstration Agent. The next meeting will be held in the home of Mrs. John L. Butler, on November 14.

Beechgrove Homemakers

A special meeting of the Beechgrove Homemakers was held at the home of Mrs. Wm. Endres. Mrs. Frank Lysyneck and Mrs. Endres gave a very instructive lesson on "Food Planning."

Tickets were sold for the 20th annual meeting of the Kenton County Homemakers Association, to be held at Summit Hills Country Club, on Tuesday, October 30.

Estil Koger of Wayne county prepared 53 acres for fall seeding of alfalfa.

The Irish potato crop in Elliott county was rated as being about the best in 10 years.

BOONE BREEDING ASSOCIATION MEETS

At a meeting of the Boone County Artificial Breeding Association, held October 8, in Burlington, two amendments to the by-laws were made.

The first amendment abolished the article requiring the Association to carry bonds on the treasurer and insomniator. The Kentucky ABA, which had been carrying the bonds, discontinued the practice and left the matter to the discretion of the local Association.

The second amendment raised the maximum fee that could be charged for first service to seven dollars instead of five. This will permit the Association to charge seven dollars for first service without again changing the by-laws. A motion was then passed by members present to charge six dollars for first service. The extra dollar will go to the insomniator whose present income for his work is at a sub-standard level. The increased rate will be effective November 1, 1951.

Two new directors were elected: Wilford Scott of Burlington, and Emerson Smith of New Haven. They replace Grant Maddox and J. T. Stevens, retiring directors.

BANG'S DISEASE PHAMPHLET

DISTRIBUTED FREE BY STATE. A new pamphlet on the control of Bang's disease has been issued by the State Department of Agriculture and is ready for distribution.

Commissioner of Agriculture Ben S. Adams said that the pamphlet, "Eradication of Brucellosis" is available to Kentucky farmers who write his office for it.

Adams said the publication is part of the Department's program of Bang's disease control that has included the free vaccination of some 125,000 calves since 1949. Of this number, 12,264 have been vaccinated since July 1 of this year.

The program is under the supervision of the State veterinarian, Dr. L. L. Breck and 42 veterinarians in 62 counties are doing local work in addition to that being done by men working for the State.

Adams said that all a cattle owner has to do to get vaccination service is call a veterinarian. The veterinarian will visit his farm and vaccinate all calves from four to eight months old and the State will pay the bill.

FARM SCRAP NEEDED FOR DEFENSE EFFORT

Farm scrap is urgently needed and especially valuable for defense production. A concentrated scrap drive is being made between Oct. 15 and Nov. 15, according to Bill Davis, Boone County Agent. The high grade, heavier type scrap found on farms is especially needed by mills for defense production.

Scrap is one of the principal ingredients used in making steel. Steel is approximately one half scrap and one half pig iron. Scrap adds to the quality of steel, helps to keep production costs down and shortens the refining process. For every ton of scrap used, we conserve approximately two tons of iron ore, one ton of coal and nearly one ton of limestone.

Rounding up scrap does take a farmer's time and effort and the financial returns are not high. However, higher prices are being paid for scrap now than during World War II and a little cash return is

better than none at all. An adequate flow of iron and steel scrap helps guarantee raw materials for the farm machinery and equipment industry. Farmers can further help themselves by removing scrap to keep it out of the way of farm workers and livestock as a safety measure.

Some farm sources of scrap that can be used are worn out machinery, plow points and shares, horse drawn equipment that has been replaced with tractors, old electric wire, storage batteries, water tanks, baling wire and fencing.

By means of Swedish weaving, Washington county homemakers have decorated towels, luncheon sets, place mats and other household articles.

NOTICE!
 Notice is hereby given that on Tuesday, November 6, 1951, at the Regular Election held on that day in the City Precincts in Walton, Boone County, Kentucky, there will be submitted to the qualified voters of said City the following question, viz:
 "Are you in favor of the City of Walton issuing bonds not to exceed twenty-five thousand (\$25,000) dollars for the purpose of erecting and equipping a new municipal building for the City of Walton, containing space for municipal offices, jail, and fire-fighting equipment?"
 On the ballot, there will be two spaces on the right; one for votes favoring the measure to be designated by the word "yes," and one for the votes opposing the measure to be designated by the word "no."
 The amount of money necessary to be raised by taxation per year shall be \$1,000.00 on the principal of said bonds for a period of twenty-five (25) years and not in excess of \$1,000.00 for the first year for interest and \$40.00 less each year (or perhaps a lesser amount depending upon the rate) for a period of twenty-four (24) years.

Boone Homemakers Hold Annual Meeting

The Boone County Homemakers Clubs held their annual meeting on October 5 at the Florence Baptist Church, Florence.

Mrs. Earl Morehead, County President, presided. The meeting was opened with the pledge to the flag and invocation by Rev. Howard Gordon, pastor of the church.

The Fayette County Chorus was very impressive in their blue robes as they filled down the aisle of the church. Four songs were sung by them: "Loch Lamond," "Lo, A Voice to Heaven Sounding," "The Rosary," and "Kentucky Babe."

Reports of the various county chairmen were presented in a comedy skit entitled, "Bright and Breezy." Mrs. Joe Hogan, Burlington, reported on Citizenship; Mrs. Virgil Kelly, Florence, on Membership; Mrs. R. C. Garrison, Burlington, Publicity, and Mrs. J. W. Dolwick, Erlanger, Reading. The reports were made with a background of organ music appropriate to the report. Mrs. Harold McKibben, of Florence, was the accompanist on the organ, assisted by Mrs. Sterling Dickey of Burlington.

Mrs. Thomas McCrann gave her report on Recreation and at this time introduced the Boone County Homemakers Chorus: Mesdames, James Milner, Bert Markesbery, Harry Whaley, Leonard Meece, Roger McGuire, Vernis Williams, F. O. Smith, Joe Hogan, Grant Madox, Charles Winslow, Henry Anderson, Herman Oberpohann and Mrs. John Aylor. They sang "Swing Low," with Mrs. F. O. Smith singing the solo part, and "God Bless America," as an encore, under the direction of Mrs. John Dolwick, Jr.

To the accompaniment of appropriate music, the clothing leader

Mrs. H. Oberpohann, gave her report. In the absence of Mrs. Harold Utz, Community 4-H Leader, Mrs. Vernon Pope gave the report. Home Management was given by Mrs. Frank Domaschko; Food by Mrs. Henry Anderson; Health by Mrs. Joe Northcutt; Handicraft, Mrs. Leo Flynn; Program, Mrs. John Aylor. The highlight of the comedy was the report given by Mrs. F. O. Smith, a Farm & Home Week delegate, which concluded the skit.

Boone County Agricultural Agent, William E. Davis, then addressed the group. He chose Agriculture as his subject and stressed the importance of maintaining a good dairy herd, by culling the undesirable animals.

The ladies were told by Miss Nancy McClaskey, Boone County Home Demonstration Agent, that "Business Affairs" would be the major project for the ensuing year and interesting meetings are being arranged.

The guest speaker of the afternoon session was Marvin D. Myers, Assistant to Director of Music, Purdue University. He advised that Kentucky women push music and thru their efforts have the University of Kentucky encourage the move of it. He said that Kentucky, with her Stephen Foster, has much reason to be music minded.

Mrs. Mable Sayre read the Kentucky Homemakers Creed to the 158 ladies present. The newly elected officers for the coming year are: President, Mrs. Albert Pfalzgraf; Vice President, Mrs. F. O. Smith; Secretary and Treasurer, Mrs. Herman Oberpohann. The officers were installed by Mrs. Roy Lutes, former Boone County Home Agent.

Ryland Homemakers

Mrs. G. A. Damon, reading chairman of the Ryland Homemakers Club, at the October 2 meeting, gave an informative review of the article "Freedom First, Peace Second," by Ruth Buxton Sayre, president of the Associated Country Women of the World. The article now is appearing in the October Farm Journal.

The club met in the home of Mrs. W. E. Dickman. Any country women in this vicinity wishing to learn about Homemakers Club work, get in touch with Mrs. F. B. Hermes, president, phone Holly 9591. The club is open for new members.

A collection was made for the Crusade for Freedom. Mrs. Hermes read the poem, "Flay of Freedom." The State Homemakers Creed and the Devotional, the 91st Psalm, were given by Mrs. Shelby Martin. "My Favorite Hymn" was the topic for roll call. Reports were given and goals set up by the various committees. Mrs. W. P. Schwall gave the lesson on "Meal Planning for Healthy Blood." All members participated in an interesting discussion during the lesson.

Members present were Mrs. W. A. Damon, Mrs. John S. Murchison, Mrs. F. B. Hermes, Mrs. Edw. Hauser, Sr., Mrs. W. P. Schwall, Mrs. Oliver Gee, Mrs. G. A. Damon, Mrs. Robert Zacharias, Mrs. W. E. Dickman and Mrs. Shelby Martin. The November 6th meeting will be held in the home of Mrs. Edward L. Hauser, Sr.

Mt. Zion Homemakers

Mrs. R. Ackman, Dixie Highway, near Walton, was hostess for the October meeting of the Mt. Zion Homemakers Club.

"Decorative Stitches" was the subject for the project lesson, given by Miss Nancy McClaskey, Home Agt. Attending were Mrs. W. Miller, Mrs. McGuire, Mrs. E. Burns, Mrs. F. Domaschko, Mrs. H. Winburn, Mrs. R. Ackman and a guest, Mrs. E. Brown. The meeting was called to order by the president, Mrs. Miller. Mrs. McGuire called the roll and gave the financial report. Games were played, under the direction of Mrs. Burns. Everyone enjoyed the day in the home of Mrs. Ackman, a newcomer to Boone county, having come here from Akron, Ohio.

Jefferson county homemakers outlined a three-year landscaping project for the beautification of their homes.

Independence Homemakers

The Independence Homemakers Club celebrated United Nations Day at their October meeting by inviting Girl Scout Troops 140 and 160, of Independence, as their guests. A United Nations flag was presented by Mrs. Chas. Davis, program chairman, to the troops for use in their Scout camp. Miss Armstrong accepted the flag for the Scouts.

Miss Madeline Saleman gave a resume of Scout work in America and the difficulties being faced in foreign countries by Scouts and their leaders.

The lesson, "Planning Better Meals for Better Health," was given by Mrs. Cleo Snelson and Mrs. J. C. Reynolds. Those attending the meeting, held at the Christian Church, with Mrs.

Charles Davis, hostess, were: Mrs. Foster, Mrs. Cleo Snelson, Mrs. Wm. House, Mrs. Wm. Summey, Mrs. F. H. Houston, Mrs. J. C. Reynolds, Mrs. Frank Cox, Mrs. Aaron Niehaus, Mrs. Logan Wayman, Miss Madeline Saleman, and fifteen Scouts. The November meeting will be held at the home of Mrs. Foster Armstrong in Covington.

Mining land that has been idle in Livingston county for many years is now being worked with a heavy disk and will be seeded to pasture.

A new pole-frame barn completed in August on the farm of J. C. Sugg in Webster county has aroused considerable interest among farmers. Harlan county homemakers purchased 75 home freezers the past year, an increase of 50 percent.

STAFFORDSBURG

Mr. and Mrs. Ray Dunn and daughters, Lorene and Betty Lou, Louis Brewer and Mr. and Mrs. W. H. Hanna and son, Jimmie, were guests on Sunday of Mr. and Mrs. W. E. Hanna.

Mrs. Louis Adams and son returned Friday from a visit with her parents in North Carolina. She enjoyed her visit, but was distressed by finding illness among her relatives. Folks in the parish saw to it that Rev. Adams was well fed—he was out for one meal most every day, and sometimes two.

Mr. and Mrs. L. M. Deuser called on her aunt, Mrs. Little Brooks of Williamstown, who was celebrating her 82nd birthday Sunday. They saw many of their relatives there, since they all remembered her anniversary.

Unusual news to report from here is the birth of twin sons to Mr. and Mrs. Bernard Knuckelman. They are tiny, weighing only 3 lbs., but seem to be doing nicely. We wish for them the best of luck.

Among others celebrating birthdays, we report Miss Helen Richardson and Howard Barnett. Many happy returns!

We were glad to have with us at preaching service, Mr. and Mrs. Robert Hawkins and August Hawkins. They spent the day with relatives.

Fidelis Meeting Postponed

The Fidelis class of the Walton Baptist Church will not hold its regular monthly meeting on October 25 due to the revival now in progress.

Oak Ridge Homemakers

An interesting and educational lesson was given on nutrition at the October meeting of the Oak Ridge Homemakers Club, stressing the need of a wholesome breakfast, rich in calcium, iron and other minerals, as an aid to healthful living.

An accomplishment report of 244 packages of vegetables, fruits and meats prepared and frozen, 164 garments made, 230 pints of jellies prepared, and 482 quarts of vegetables and fruits canned.

Mrs. C. M. McNew, president, had attended the Advisory Council meeting and gave her report.

A circulating library of popular best sellers and current magazines was offered to members by Mrs. E. Sudduth and Mrs. K. Hall, to be maintained free of charge to members.

Congratulations upon completing 20 years membership were extended to Mrs. H. Ware, Mrs. K. Galloway, Mrs. R. A. Yates and Mrs. H. Hutchins.

Pennies for Friendship were collected. Tickets were sold and plans made to attend the annual meeting at Summit Hills, October 30. Lunch will be served.

Mrs. K. Galloway was hostess for the meeting, assisted by her daughters.

Present were five visitors, Mrs. H. Ishmael, Mrs. E. L. Kramer, Mrs. S. Bruns, Mrs. H. Vullap, and Mrs. B. Galloway and daughter, Sandy. The members were: Mrs. C. M. McNew, Mrs. A. Bowling, Mrs. Edith Piper, Mrs. K. Galloway, Mrs. E. C. Harris, Mrs. R. Lewellen, Mrs. R. A. Yates, Mrs. H. Ware, Mrs. I. E. Mann, Mrs. R. Sudduth, Mrs. B. Riggs, Mrs. K. Hall, Mrs. T. Renaker, Mrs. O. Douglas, Mrs. J. Piper, Mrs. C. Barton, Miss Pearl Piper, Miss Mabel Mardis, Mrs. C. Tallant, who was welcomed as a new member. A social hour was enjoyed by playing a game conducted by Mrs. R. Lewellen.

The next meeting will be held at the home of Miss Annie Olding on Taylor Mill Road, November 20, and a Thanksgiving story will be presented.

CARD OF THANKS—

We sincerely thank our friends and neighbors for the many kindnesses shown us during the bereavement of our mother.

Especially do we want to thank Rev. R. A. Johnson for his consoling words, Mrs. Hamilton and Mrs. Scott for the songs and music, donors of the beautiful floral pieces, and the Hamilton Funeral Home for the efficient manner in which the services were conducted.

—Elizabeth Hopperton, Roscoe Nuland, Johnny Nuland

Personals

Mr. and Mrs. Alfred Hume had as guests Sunday, Mr. and Mrs. Charles Johnson and daughter, Marie, Norman Howl, Mrs. Lee Hall and two sons, Mr. and Mrs. Lawrence Hall and Mr. and Mrs. Wesley Hall, all of Covington, and Mr. and Mrs. Ver-

nice Baynum and son, Johnny, of Norwood, Ohio. The occasion was in honor of the birthdays of Mr. Howl and Mr. Hume.

Mr. and Mrs. Ira Stephenson were guests the past week of their daughter and husband, Mr. and Mrs. Gaines E. Huey in Baltimore, Md. While there they visited Washington, D. C., Mt. Vernon, the United States Naval Academy at Annapolis, and Ft. Henry, Baltimore, Md.

Mr. and Mrs. Pascal Bush visited his sister, Mrs. Lena Mann, and husband, at Hunter's Lake, recently.

Mr. and Mrs. Herman Simmons and son, Johnny, were the Sunday guests of Trooper Robert Gordon and Mrs. Gordon and family at Elzinger.

Mr. and Mrs. Roy Hearnsum and sons of Dayton, Ohio, and Mrs. Jan Vinsant of Lintonia, were recent guests of Mr. and Mrs. F. E. Fisher. Mr. Hearnsum was a British Flight officer in this country during World War II.

DEVOTIONAL READING: Psalms 108: 1-24.

When Life Gets Hard

Lesson for October 28, 1951

IN an army training center there is plenty to gripe about. Time was, when sundown came, every one was off duty. Now night only begins the trouble. Night marching, night "village fighting," night everything else, in snow and ice and mud all the same, and never with enough sleep. But the army keeps on rubbing those poor boys' heads in the dirt.

Of course the army knows what it is doing. When the boys get through with camp, most of them will be sent to where some real fighting is going on. The enemy, unfortunately, does not confine his activities to the daytime. He fights at night, in the rain, in zero weather, even on your birthday. He picks some very rough hills to fight on. In the roaring confusion of shifting battle lines the soldier does not always get his chow on time, and the nearest hospital may be too far to reach. He is out where he has to be tough.

It is not only in the army that a toughening-up course is just what the doctor ordered. In real life it happens over and over again. It is not the boys who had the easiest childhood who rise most often to the top. It is the boys who worked, who had to work somehow for a living, who develop the toughness in mind and muscle to carry them through life's long struggle.

When Life Gets Hard

It is sometimes thought that God should arrange things differently. What most of us want (lazy as we are) is a soft life, something pleasant, big pay and no work if we can help it. When life is easy for us we think, if we are religiously inclined, that God has blessed us; but if life gets hard, we think God must have forgotten us. Quite the contrary.

There is an almost forgotten verse in the New Testament: "The Lord disciplines the man he loves, and scourges every son whom he receives." (Heb. 12:6, Moffatt's translation.)

The man who is undisciplined never grows up, he is a perpetual boy. For the same reasons, no one ever became God's man except through God's discipline.

Forge for a Sword
THIS is as true of nations as of individuals. The story of the Hebrews in Egypt is one case in point. They had it hard, about as hard as any people who ever lived. They became slaves, and remained slaves for hundreds of years. Humanly speaking, God's total plan would not have succeeded unless the Hebrews had gone through that "furnace of affliction." If Jacob and his family had stayed on in Palestine, there never would have been any Hebrew nation any more than there was an Ishmaelite nation.

Somewhere, some time, those Israelites had to be forged into tempered steel, a sword for God. And the slavery in Egypt was the first stage of the forging. It was a hard life; no doubt many died under the lash. But the hardy ones lived.

If Moses, when the time came, had had to take out into the wilderness a caravan of luxury-loving Egyptians, they would have wilted on his hands. It was because the Hebrews had lived hard in the slave-pens of Goshen that they could live hard in the wilderness when they were free.

Life Goes On

THIS is not the whole story, of course. Life, even the hardest kind of life, is not merely a preparation for battles to come. It can be worth living for its own sake. The trainee may find friends and happiness even in a very tough camp. And down in Egypt, in all the years of Hebrew hardship, life went on. People fell in love and were married, children were born, were brought up somehow, were taught the difference between right and wrong, were taught about the true God.

Creating AN IDEA

This famous statue represents an idea. Rodin's "The Thinker" is not particularly the portrait of a man immersed in thought. It is the creation of a sculptor's sense of design, his love and appreciation for rhythm and form.

The artist transfers thoughts and ideas into visual beauty. In much the same manner, the Church is the sculptor of man. It strives for perfection through instilling an understanding and glorification of God. The Church works with the beauty of soul.

Through the Church we realize that the only lasting and real beauty comes from within. We are enabled to perceive the divine nature of God by seeing His Spirit reflected in the ideals and actions of His creation. In this way is the Church our greatest asset in building a world of peace, harmony, and joy.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

● Putting together all the good things that go to make America's standard of living the highest in all the world calls for a mighty job of transportation.

And that's a job for America's railroads! For only the railroads—with the tremendous capacity and high efficiency made possible by trains of cars on tracks of steel—can do it. The railroads link farm, mine

and forest... factory, foundry and warehouse... with homes in cities, towns and villages in every corner of the nation.

In doing their job, the railroads move more tons of freight—more miles—at a lower average charge—than any other common carrier transportation system in the world!

FINE WATCH & CLOCK REPAIR—First class work, guaranteed, good service. Give us a trial. Huber's Jewelry, 124 Dixie Highway, Erlanger, Ky. tf-1

Sunday, October 21, was a big day in Walton—there were 464 in Sunday School at the Walton Baptist Church—I suppose that is the largest number ever to attend Sunday School in any church in Walton, and to top that off, at the close of Sunday morning services, there were 21 additions—that is what I call a big day in any church. Billy Burkett showed the congregation, and the people of Walton, that we need a new Sunday School Building, and how many we could have in it if we all tried. All that pastor needs is support.

Rev. Curtis, who is part owner of Boone Lake Farm and has a nice cottage out at the lake, stopped and bought a Coleman oil heater today for his cottage. Ray went over to Mrs. Works' on Hampfling Road and relined her coal heater with fire-brick, then set it up for her—she is a very fine lady, but like a lot of others, has been here several years. The whole Works family has been good customers of our mine and we try to take care of our customers.

A lady asked me the other day if we would service an oil heater that she bought somewhere else—certainly we will, because I have sense enough to know that I am not going to sell all the oil heaters. The only difference is that we give a lot of free service with what we sell, but we have to charge for service that others sell, and we have been here for 15 years and have worked hard trying to make Walton have the best Hardware Store in Northern Kentucky, and part of our success has been due to the service we give.

If you buy something here and it is not satisfactory and you are man or lady enough to tell the truth about it, I'll do my best to make it satisfactory—of course you can't satisfy everyone—some people just can't be satisfied. Lester Wilson from Crittenden, came down and bought a large coal and wood heater. June Neumeister bought six rolls of roofing and a gallon of Boles White Paint. Mrs. James Messner needed a water bucket and dipper, two wash pans and white Bonex and a gallon of crank sealer for the outside of their home—you can seal the cracks then paint with Bonex, which makes a very nice job and seals against the water on concrete blocks.

Forest and Louise Marsh were in after a new hot kettle and a gallon of aluminum paint. Stan Elcholtz, who is building a new home over the New Haven school, was in after more wiring material—we have sold a lot of wiring material and galvanizing pipe lately—it is getting very scarce. If you need any better buy it now. Stanley Robinson is building something—he is in here every hour of the day after something. Russell Yeckley is building fences—he made three trips after tools he had either loaned or lost. You don't know how much a merchant appreciates these kind of customers—I let a fellow have some tools to work with last week, on credit, and he said he would pay me Saturday night, but he was not here—now that kind of credit is what our merchants don't want, and that is what makes him say to someone who really needs credit—but it takes all kinds to make up this old world.

FOR SALE—Strawberry plants, \$2.00 per hundred. Now is the time to set them. P. R. Connelly, Walton.

Mrs. Marion Evans, a new comer to our community, and a very nice lady, who lives on Stephenson Mill Road, bought a 100-ft. roll of hard-ware cloth to reline her corn crib to keep out the rats. Ray installed an electric range for Mrs. Eva Hall today—he can do most anything, if he has the tools. Dorothy Ryan came in and said she wanted to pay her account, she was getting tired of me sending her a bill—I wasn't worried about Dorothy paying, but she always likes to have something to get after me about—she bought Joe a pair of Wolverine gloves.

Omer Kite was in today—didn't want much, he said, but sent about eight dollars before he left—he bought a mole trap. Dr. Hess under olivament and some rope—he said he had a real for chase and last night—his dog took all the rest. Katie Welsh bought a new iron board. Raymond Nicholson and Bryan Rector bought a new watch each—they want to quit on time. Jerry Maxwell got a Case pocket knife, the best knife on the market today.

Nannie M. Sleet bought a \$12 lineoleum rug. Armstrong, of course—these salesmen try to tell me that lineoleum is as good as the other, but you can't tell my lady customers that—they all want Armstrong and nothing else. I missed a sale today because I did not have the right color in Armstrong—I had it in another brand, but it wasn't Armstrong. Nellie Roberts came in today and wanted an oil heater—I sold her a Siegler 70,000 BTU heater and Brewster set it up, and did it get hot—it had so much draft that he had to open the draft control to hold it down. If you have a good chimney, you can get perfect service from your oil heater.

Mr. and Mrs. Alton Petty, down at Banklick, came up and wanted a good oil heating stove—well, that was an easy one, because all I had to do was show them an Anchor Hot Blast, and Alton said, fill out a check and bring it down. Ray Dickew came in and wanted a magazine type coal heater—we carry that Day and Nite with front door feed, fire brick lined, and will they heat and hold fire. Mr. and Mrs. Kalen, the man who butchers your hogs down at Beaver, came in and bought 30 sq. yds. of the most beautiful lineoleum.

We had a fire in the old heating stove today and we had a few loafers—Best Parker, Evan Hance, Russell Sparks, Ralph Sparks, Stanley Fooks and Glenn Edman. Something about the old stove that my customers like and I hope I can always have my loafers. Clarence Struve came in and said, see how much I owe you and fill out a check. Then came Arthur Wever, who said the same and then Robert Griffith said he owed him—see that is what I call good credit and he said, I have dealt out a lot of these promissers and am going to deal out several more. Ed Fry said the longer a hardware man stayed in business the meaner he got—I believe he was right. You have to be mean to deal with some people—but most of my customers are fine people—they do what they say they will do or come in and tell you. If a person's word is no good, they are very bad off because that is all you can leave behind—a good record. CONRAD HARDWARE has a very good record and I hope it always will.

Huge Crowd Attends Halloween Party Here

3rd and 7th Grade Win Prize Awards

One of the most successful Halloween parties ever sponsored by the Walton-Verona P.T.A., was staged Tuesday night, in the school auditorium. Celebrants from neighboring communities, as well as the local citizenry, enjoyed the varied festivities. Approximately 650 people were in attendance, many of whom were costumed in keeping with the occasion. A net of approximately \$300 was earned by the P.T.A., which will be used to further the school improvement program.

Costume judges, Mrs. Rod Hughes, Frank DeMolay, and Robert Porter, selected the following prize winners:

Prizeliest costume, adult, Mr. and Mrs. Howard Blackburn; prettiest costume, child, Betty and Larry Jones; ugliest costume, adult, Buddy Readnour, Mike Ryan and Duke Simpson; ugliest costume, child, Gary Murray; best characterization, adult, Mrs. Buddy Whitson and Elmer Groger; best characterization, child, Becky Huddleston and Peggy Downing. Door prizes were won by Mrs. Doris Pennington and Mrs. Art Green.

The third and seventh grades won the right to be represented in the popularity contest, and Ronnie Cook, Irma Rector, Larry Jones and Betty Jones were crowned King, Queen, Prince and Princess of Harvest, in respective order. This was the featured event of the evening.

The P.T.A., through its president, Mrs. O. F. Young, wishes to thank all the people who so generously supported this Halloween festival, and by such support help make Walton-Verona a better school. Special thanks are extended to Mark M. Meadows who acted as Master of Ceremonies; Matt Flynn, auctioneer; James Spencer, pianist for the Grand March; the costume judges, and the many merchants and private citizens who donated cash and merchandise, home-made cakes and candies, and professional services.

Master Mason Work

Walton Lodge, 719, F. & A. M. will hold a special meeting at its regular lodge hall Saturday, November 3, at 7 p. m., to confer the Master Mason degree. All Master Masons of neighboring lodges are cordially invited to attend. Lunch will be served after the degree work.

Notice to Veterans

A Contact Representative of the Kentucky Disabled Ex-Servicemen's Board will be in Burlington, on Friday, November 2 at the Courthouse, to assist veterans and their dependents with claims for benefits due to military service. The office will be open from 8 a. m. to 4 p. m.

Turkey Dinner at All Saints Church Sunday, Nov. 4th

The Reverend Henry A. Busemeyer, pastor of All Saints Church, Walton, and St. Patrick's Mission, Verona, invite the public to two events for the benefit of the churches and the school at Walton.

The first is a Pillow Slip social to be held at Hollywood Hall, 809 Madison Ave., Covington, on November 1 at 8 p. m. Hand embroidered pillow slips of famous Pequot and Utea tubing will be given away together with other fine prizes.

The second is a Turkey Dinner to be served in the basement of All Saints School, Neandrea St. (Ky. 16, Verona Road) Walton, on Sunday, November 4 from 4:00 p. m. on. There will be special plates for adults and for the children. The meal will be served Country Style with second helpings.

This will be the first event to be given in the school and will furnish an opportunity for the many friends of the two parishes to inspect the addition to the church and school.

Homemaker Schedule

Below is the Boone County Homemaker calendar of meetings for the coming week:

November—Gunpowder Club, at Mrs. Charles Tanner's, 10:30 a. m.
November 7—Mt. Zion Club, Mrs. Frank Domascho's, 10:30 a. m.
November 7—Constance, Mrs. Joe Domascho's, Erlanger Road, 10:30.
November 8—Burlington Road, at Mrs. Joe Dringenberg's, 10:30 a. m.
November 9—Walton, at Mrs. Ora Stone's, 11:00 a. m.

Florence Woman Killed In Accident On Dixie, Sunday

Miss Axie Smith, 28, of Hopeful Road, Florence, was killed when an auto driven by W. L. Powers, 21, of Altamont Road, Covington, skidded on the Dixie Highway, near Dixie Heights High School, and crashed into Miss Smith's car, last Sunday.

Robert L. Dorsey, acting coroner of Kenton County, said Miss Smith suffered fractures of her skull, neck, left jaw and left hip, besides numerous face cuts.

Capt. Pat Ryan and Capt. James Callahan of the Kenton County police, said that Powers told them his car skidded suddenly on the wet road, going into a spin just as Miss Smith's auto was passing in the opposite direction. Trooper Wm. Appleton of the Kentucky state police, who followed the car, said it was a 1948 Ford, with a license plate number of 1-25500, which was in default of \$2,500 bond.

Miss Smith was said to have been returning home from a visit with friends in Cincinnati. She was alone in her car, as was Powers. Miss Smith was employed by the Strattman Blauett Co., Cincinnati.

She is survived by her parents, Mr. and Mrs. General Smith of Florence; a brother, Charles Smith, Florence; and four sisters, Mrs. Lucy Tanner, Mrs. Sue Fox and Mrs. Mae Fletcher, all of Florence, and Mrs. Roxie Root of Batesville, Ind.

VET FIELD DAY HELD

Veterans enrolled in Institutional Farm Training at Simon Kenton High School, held their monthly field trip October 17, on the farm of Mr. Bluch Rich and son, near Whites Tower.

The veterans were trained in staking out and building terraces, laying out contour lines, plowing on the contour, mowing pastures, seeding small grains, grasses and legumes.

John Acre, Kenton County Soil Conservationist, instructed the men in each operation, with the assistance of George Salisbury and John Hetterman, veteran teachers at the Simon Kenton school.

Butler Bros., Nicholson, made the day successful by furnishing tractors and equipment to carry out each operation.

There were 45 veterans who attended the field day and every man took part in each job.

Utopian Halloween Party
The Kenton Utopia Club held its annual Halloween party Thursday, October 25 at the Briar Hollow Beagle Club. Prizes were given for the following costumes: Most original adult, Joe Kunkel, Jr.; funniest adult, Herb Works; prettiest adult, Beverly Kunkel. Prizes were given to the following children: Most original, Janet and Doris Blau; funniest, Bobby Joe Kunkel; prettiest, Bobby Works. After the costumes were judged, square dancing was enjoyed by all.

The following members and guests were present: Mr. and Mrs. Joe Blau, Doris and Janet Blau, Mr. and Mrs. Herb Works and Vickie, Mr. and Mrs. Eddie Hatt, Mr. and Mrs. George Finelli, Mr. and Mrs. John Hetterman, Mr. and Mrs. Joe Kunkel, Jr., Bobby Joe and Beverly Kunkel.

Rector Krow gave a demonstration on the use of burrs, seeds, etc. in arrangements. Arrangements of fall flowers were exhibited by club members.

Those attending were: Mrs. Wm. R. Brown, Mrs. John C. Cain, Mrs. Frank Cooke, Mrs. L. G. Cummins, Mrs. S. C. Fisk, Mrs. Lewis Gabriel, Mrs. J. A. Keeney, Mrs. John R. Loomis, Mrs. Clifford Northcutt, Mrs. Henry L. Pitcher, Mrs. John Shaw, Mrs. Frank Stagman, Mrs. Leslie Wagner, Mrs. R. S. Ware, Mrs. L. J. Rapp, Miss Elma Taylor, and nine guests.

The November meeting will be held at the Independence Christian Church. Donation of canned goods for charity by members.

Final Appeal Made to Vote "Yes" In Fire House Issue

This week we are going to keep our message short and to the point. We, of the Walton Volunteer Fire Department, ask you to vote "YES" on November 6, 1951. We have all worked hard, over the last five years, to make our town a safer place in which to live, not for our benefit, because there are just a few of us, but for YOUR benefit. We have offered a few of the principles for which the Fire Department stands, in previous articles, and to repeat them here would be repetition.

However, here are some of the reasons for a fire department, all of which we firmly believe in.

1—To put out fires with as little damage as possible;
2—To keep down injuries smoke and water damage;
3—To afford the people of the community a better place in which to live by lower insurance rates.

Transportation for Voters

Voters in the City of Walton who desire transportation to the polls on Tuesday, November 6, are asked to call Walton 23. This service is being furnished by members of the Walton Volunteer Fire Department.

451 Given X-Rays at Burlington, Tuesday

A total of 451 persons had their chest X-rayed at Burlington, Tuesday, according to Mrs. Sibbia Reimer, President of the Boone County Tuberculosis Association.

Mrs. Reimer said that this was the largest number ever to be X-rayed in a single day in Boone County. The mobile X-ray unit was at Florence, Wednesday, and today (Thursday) will be at the Walton-Verona School grounds.

No undressing is necessary, and the average time a person is in the unit is less than 30 seconds. State Department of Health technicians in charge of the X-ray work, say that results of the X-rays will be available in about two weeks.

Bloodmobile Visit To Airport Monday Nets 121 Pints

The first Bloodmobile visit to the Boone County Chapter, American Red Cross, Monday, October 29, at the Boone County Airport, secured 121 pints of blood for the Defense Department's Armed Forces Blood Donor Drive. The minimum quota for this visit was 100 pints and the chapter is grateful to the Boone County people and the Air Force personnel who made this collection of blood so successful.

Boone County Chapter, American Red Cross has the honor of being the second chapter in the state of Kentucky to be approved by Washington to collect blood. Grant county was the first.

This blood was immediately rushed to a central processing station to be made into plasma which is turned over to the Department of Defense for distribution to all parts of the world where United States troops are stationed.

Miss Mary Ginnin, Red Cross Representative from the Blood Center, Cincinnati, who coordinated the program with Mrs. Elizabeth G. Nestor, Florence, was highly impressed by the turn-out of both Air Force personnel and civilians of the county. Also, Lt. Col. Verdier E. Moore, Commanding officer of the 2252nd Air Transport Training Center, at the Airport, was highly pleased by the manner that members of his command responded to the Department of Defense Armed Forces Blood Program and has indicated that any future blood drives at this headquarters will be emphasized and encouraged.

Much commendation goes to the following county chairmen and their group of volunteers who gave so generously of their time, both before the blood drive and also at the Airport, Monday: Mrs. Alan Gaines, Walton, Recruitment Chairman; Mrs. Jack Caldwell, Burlington, Chairman of Nurses; Mrs. Edward Grater, Union, Volunteer Services Chairman; and Rev. H. L. Reid, Florence, Office Supply Chairman. The Burlington Pike Homemakers Club, under the direction of Mrs. John Kyle and Mrs. Joseph Northcutt, made and donated three hundred sandwiches for the donors.

Weston Rogers, Hebron, Director of Elementary Music in Boone County Schools, had the distinction of being the first civilian donor, and Technical Sergeant Oliver Chapman, first Air Force member to donate his blood, and said he was happy to give it, for as he stated, "This blood is for a worthy cause, and as a member of the Air Force, I feel it is my duty and obligation to do my small share."

Again, the Boone County Chapter wishes to thank everyone, donor or volunteer worker who helped in any way to make this first Bloodmobile visit a success.

Staffordsburg Turkey Dinner

A turkey dinner will be given at the Staffordsburg Methodist Church on Saturday, November 17, from 5:00 to 8:00 p. m. The price will be \$1.00 per plate. Everyone welcome.

Fire House Issue Important in Walton

In the election to be held over the State, Tuesday, November 6, there seems to be more interest shown than has been in any General Election in several years, with Wetherby forces claiming there will be a 150,000 majority, and the Siler camp winning a 32,000 majority.

In the Democratic column, under the familiar roster, will appear the following names:

Governor, Lawrence W. Wetherby; Lieutenant Governor, Emerson "Doc" Beauchamp; Secretary of State, Chas. K. O'Connell; Attorney General, J. B. "Jiggs" Buchanan, Jr.; Auditor of Public Accounts, T. Herbert Tinsley; Treasurer, Pearl Frances Runyon; Superintendent Public Instruction, Wendell P. Butler; Commissioner of Agriculture, Labor and Statistics, Ben S. Adams; Clerk of the Court of Appeals, Acre Austin; Railroad Commissioner, Frank L. McCarthy; State Representative, Joe Rouse; Circuit Judge, Ward Yager, and Commonwealth Attorney, Harlan Helman.

Under the leadership of Eugene Siler, Republican standard-bearer for Governor, the following other candidates will be listed:

Governor, Eugene Siler; Lieutenant Governor, Homer Nelldick; Secretary of State, Greenwood Coanough; Attorney General, J. Leonard Walker; Auditor of Public Accounts, W. Walter Thorp; Treasurer, Orville M. Howard; Superintendent Public Instruction, Joseph Brown; Commissioner of Agriculture, Labor and Statistics, Frank Irwin; Clerk of the Court of Appeals, Sam F. Kibbey; Railroad Commissioner, Gordon B. Winburn.

Constitutional Amendment

There will appear one Constitutional Amendment, which is rather lengthy and we advise that you become familiar with this amendment before going to the polls Tuesday, as it will have considerable effect on the future.

Walton's Fire House Vote

Voters will also be given the opportunity to vote on the building of a new fire house and city building at this election. This vote will not increase anyone's taxes, whatsoever. It merely authorizes the City Council to take part of the tax that they are already collecting and use it for building this much-needed project.

PICTURE MAN HERE TODAY

To all those who had pictures taken at the Advertiser office several weeks ago, a representative will be in Walton, at the Advertiser office today (Nov. 1) at 3:00 p. m. and will stay until everyone has had an opportunity to see and buy pictures, if they desire. He reports that the pictures turned out wonderfully well. As we stated before, there is no obligation to purchase pictures, but you have the opportunity to do so, if you wish.

TOBACCO STRIPPING DEMONSTRATIONS

Four tobacco stripping and grading demonstration meetings will be held in Boone County, November 7 and 8, according to Bill Davis, County Agent.

These demonstrations will be held each day. Meetings on Wednesday, November 7, will be at the farms of Walter King, Verona, at 9:30 a. m., and at the L. W. Rogers farm, Grant, at 2:00 p. m. Thursday's meetings will be at the farms of Arnold Easton, Florence, at 9:30 a. m. and Harry Guiley, Burlington, at 2:00.

Adrian Ralser, federal grader, will be in charge of the meetings. Farmers who attend are asked to bring about 10 sticks of their tobacco for Ralser to strip as a demonstration.

Many thousands of dollars are lost each year by improper stripping and sorting of tobacco crops. These demonstrations are held in an effort to point out to farmers the financial advantages of careful sorting of crops.

FLORENCE NEWS

Mr. and Mrs. Robert Woodward entertained on Sunday of last week with a family luncheon, including as guests, Mr. and Mrs. Will Woodward, Theo. and John Carpenter.

W. H. Baker and daughter, Williametta, of Ft. Thomas, were recent callers on the G. B. Millers.

Mr. and Mrs. Glenn McCormick flew in from their home in Charleston, W. Va., Sunday of last week. They called on friends, attended services at the local Methodist church, and returned home the same day. They were former residents here.

Mrs. Minnie Pennington of Hopeful Road entertained at luncheon on Thursday for Mrs. Annie Clure, Mrs. Janie and son, Tommy, Mrs. Carrie Easton and Mrs. Hattie Owens.

Gene Peagan, son of Mr. and Mrs. Paul Peagan of Louisville, and the W.S.C.S. and W.S.G. of the Florence Methodist church held a joint meeting at the church Tuesday evening of last week. Mrs. Kenneth Scott sang "The Lord's Prayer" for the opening number. The song "Love Divine" preceded the devotional period entitled "Thy Will Be Done," by Mrs. W. R. Miller. Following the song "More Love to Thee," talks were given by Mrs. Larry Miller, Mrs. Gregory, Mrs. J. F. Daugherty, Mrs. Denham and Mrs. Leo McHenry. The dismissal prayer was by Mrs. S. J. Bradley.

Grandson of B. E. Northcutt, was recently inducted into military service and is stationed at Ft. Riley, Kan.

Mr. and Mrs. R. V. Lents enjoyed Saturday fishing at Kennington Lake. It was a profitable day, however, as they caught a string of large channel cats.

Congratulations to the newlyweds Pfc. and Mrs. Robert Roland (formerly Jean Rose Baker) who were married recently.

Sunday guests of the G. B. Millers were Mr. and Mrs. Fred Holden and Billy Holden and bride of Ludlow, John W. Dolwick, Jr., and family, Barebee Simpson and Blayne Miller.

Brief Biographies of Democratic Candidates for State Offices

LAWRENCE W. WETHERBY—The Governor was sworn in as Kentucky's Chief Executive, November 27, 1950.

Governor Wetherby, 43, is a native of Middletown, Ky., and the son of a country doctor, the late Dr. Samuel D. Wetherby and Mrs. Wetherby. He succeeded Earle C. Clements as Governor when the latter became United States Senator. Prior to this Wetherby served as Lieutenant-governor for three years.

Wetherby spent much of his youth on a farm. Until graduating from college, he was actively engaged in farming and was a charter member of the Junior Agricultural Club—precursor of the present 4-H Clubs. As a member of the club, the Governor completed an agricultural course at the University of Kentucky, and served on the Club's judging teams. He has exhibited hogs and corn at the Kentucky State Fair.

Governor Wetherby was graduated from Anchorage High School where he played football, basketball and baseball. In 1929 he was graduated from the University of Louisville Law School, where he played football and basketball. The Governor served as Secretary of the Democratic State Central Executive Committee until he became Chief Executive. He also has been active in Kentucky Young Democratic circles.

Before taking office in Frankfort, he was a member of the Board of Governors of the Children's Agency, served on the Mental Hygiene Clinic Board, the Jefferson County Health and Welfare Council and the Board of Maryhurst School for Girls.

In 1930, Wetherby married Helen Dwyer, daughter of Dr. William M. Dwyer. They have three children, Lawrence W. Jr., Barbara and Suzanne.

The Governor is a member of the Board of Stewards of the Middletown Methodist Church. From 1946 to 1947 he was a member of the Anchorage Kentucky District School Board. In 1944, 1945 and 1946, he was chairman for the Jefferson County War Fund Drive.

EMERSON "DOC" BEAUCHAMP—Beauchamp has been in public life almost continuously since 1912 with the exception of the time he served in the United States Army during World Wars I and II. Beauchamp's service with the public began in 1912 when he served as a page of the State House of Representatives. Since that time he has been Keeper of the Senate Clockroom, assistant Clerk of the Senate, and Chief Clerk of the Senate.

Beauchamp is a graduate of the old Vanderbilt Training School at Elkton, Ky., where he was a member of the Sigma Alpha Epsilon fraternity. Beauchamp is a member of the Methodist Church, a Mason, and a member of the American Legion and Veterans of Foreign Wars. He has two sons.

BEN S. ADAMS—Adams is filling out the term of the late Harry F. Walters as Commissioner of Agriculture. He was state senator from Christian county at the time Governor Wetherby appointed him to his present post. He is a farmer, a member of the Kiwanis Club and the Moose and Elks lodges. He is a member of the Christian Church. Adams has served as a member of the executive board of the Young Democratic Clubs of Kentucky and as secretary of the Christian County Democratic Committee. He was educated at Western State College and Transylvania. He played football and baseball while in school. He is 37 and the father of three children.

Mrs. Clara Dickman of Cincinnati was the Sunday guest of a cousin, Mrs. S. J. Bradley.

Twelve pigs in one litter on the farm of W. R. Harris of Madison county made a total weight of 2,369 pounds in 163 days.

Six farmers in Carlisle county planted 150 acres of spinach contracted for by a canning company when corn was drowned out.

Three milk collection routes have been set up in Laurel county by the Carnation Milk Co., with a fourth in prospect.

Irrigated tobacco on the farm of Edison Hayes in Washington county was twice as large as that not watered.

In Hickman county, eight upright silos have been built and about 30 trench silos dug this year, grain being commonly used for ensilage.

SHEEPMEN PLAN FIGHT ON DOGS AND RABIES

The critical dog and rabies situation will be a principal subject discussed at the second annual convention of the Bluegrass State Sheep Association at the University of Kentucky, Lexington, Nov. 23-30.

C. M. Kindoll of Owenton, president of the association, said the breakdown in dog control is costing farmers of the state more than three million dollars a year. In addition, many persons have to take anti-rabies treatments. Many farmers have been forced out of sheep raising and are afraid to restock, Kindoll said.

R. C. Miller of the University stated that the annual income of 30 million dollars from sheep could be doubled if there were proper control of dogs.

"It is hoped," Kindoll said, "that a program meeting the approval of livestock producers, dog owners, sportsmen and health authorities can be developed that will remedy this deplorable condition, which has become a national disgrace, threatening the health and welfare of the people and causing great loss to the state's agriculture."

Preliminary to the state meeting, county meetings will be held with the various local associations in the state.

Kobe Ispedeza, used in most cases with fescue, proved its worth during a two-month drought in McCracken county, said UK Farm Agent S. C. Bohannon.

Approximately four out of every five farmers in Rowan county used bluestone-lime on plantbeds this year, a considerable increase over other years.

A Correction:

Some few weeks ago we had in this news that Pvt. Ralph Pitcher, who has been in Korea, for some time, was spending a furlough with his parents, Mr. and Mrs. Roy Pitcher. This should have read Corporal Ralph Pitcher, instead of Private. We are very sorry this writer did not learn of the difference until yesterday and was asked to correct the mistake. We are indeed sorry and we know this promotion was hard-earned and we are praying for you Ralph and all others of our boys in service.

Mr. and Mrs. J. L. Arnold and little daughter, of Lexington, spent Sunday with his parents, Mr. and Mrs. Roger Arnold.

Mr. and Mrs. Roy Sullivan of Gunpowder, had as their guests Sunday, Mr. and Mrs. I. D. Isaacs and son of Bellevue, and Mr. and Mrs. Henry Black.

Mrs. Faye Bickers and girlfriend from Covington, called on her brother, Marvin, and wife and children, Saturday evening.

Mr. and Mrs. Earl Sizemore and children of Indiana, spent a few days recently with his sister, Esther Sandlin, and family.

Miss Bonnie Baker was a Thursday night guest of Miss Annette Furnish of Warsaw.

Miss Dorothy Boots was a Thursday night guest of Miss Linda Lou Chapman of Glencoe.

Miss Shirley Sutton was a Wednesday night guest of Miss Hazel Gullion of Union.

Mr. and Mrs. Rea Scudder called on Oliver Scudder of Warsaw, Saturday evening.

Mrs. Eliza Scudder spent the week end with Mr. and Mrs. Earl Scudder and children.

Friends and relatives gathered at the home of Mr. and Mrs. Francis Baker, Sunday in honor of a surprise birthday dinner for Mrs. Baker. Those present were: Mr. and Mrs. Raymond Baker and family, Charles Baker, Mr. and Mrs. Rea Scudder, Mr. and Mrs. Boian Baker, Mr. and Mrs. O. O. Baker, Mr. and Mrs. Geo. E. Baker and family, Bill Cunningham of Indiana, Miss Estelle Baker, Mr. and Mrs. Harry Baker and daughters, Mr. and Mrs. Earl Scudder and family, Mrs. Eliza Scudder, Mr. and Mrs. J. A. Stahl, and Price Scott. Afternoon callers were Mr. and Mrs. Wilson Scott and family, Charles Baker, Jr., and son, Ralph. All left wishing Mrs. Francis Baker many birthdays to come.

With the scarcity of labor in Carlisle county, many farmers are changing to a 100 percent beet program, then accepting off-farm employment.

It takes MONEY TO BUILD!

"I just had to have more barn room . . . and some of the other buildings needed repairing.

"But it takes money to build . . . more than we had saved up. Then, a neighbor tipped me off about a Federal Land Bank loan. He told me to see the National Farm Loan Association. It was a pleasant surprise to learn that the Association was made up of my friends and neighbors . . . all good, solid, substantial farmers.

"Well, today you'd hardly recognize the old farm, it looks so nice. I can keep my livestock and crops in better shape—can operate more efficiently and make more money. And I'm happy about the 4 percent Federal Land Bank loan. I can take 20 to 33 years to pay . . . or pay just as fast as I want without any penalty whatsoever. And I didn't have to pay a cent in application fees, appraisal fees or commissions.

"If you need money to build or improve your farm in any way, let me suggest a Federal Land Bank loan."

NOTICE!

Notice is hereby given that on Tuesday, November 6, 1951, at the Regular Election held on that day in the City Precincts in Walton, Boone County, Kentucky, there will be submitted to the qualified voters of said City the following question, viz:

"Are you in favor of the City of Walton issuing bonds not to exceed twenty-five thousand (\$25,000) dollars for the purpose of erecting and equipping a new municipal building for the City of Walton, containing space for municipal offices, jail, and fire-fighting equipment?"

On the ballot, there will be two spaces on the right; one for votes favoring the measure to be designated by the word "yes," and one for the votes opposing the measure to be designated by the word "no."

The amount of money necessary to be raised by taxation per year shall be \$1,000.00 on the principal of said bonds for a period of twenty-five (25) years and not in excess of \$1,000.00 for the first year for interest and \$40.00 less each year (or perhaps a lesser amount depending upon the rate) for a period of twenty-four (24) years.

SAVE OUR CONSTITUTION

from this VICIOUS amendment

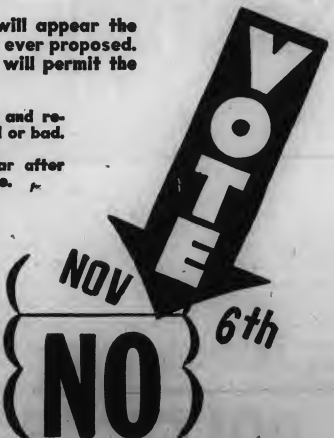

On your November election ballot, there will appear the most vicious Amendment to our Constitution ever proposed. If passed by a majority of only one vote, it will permit the Legislature to:

- 1 Submit any number of amendments it desires and require only one vote to pass them, whether good or bad.
- 2 To repeatedly re-submit bad amendments year after year until they finally pass by just one vote.
- 3 To completely rewrite our State Constitution and submit it for approval by a majority of one vote every year.

In the considered judgment of many of our most able Kentuckians, Democrats and Republicans alike, this proposed amendment is the most serious threat to orderly Constitutional Government ever presented to the people of Kentucky.

Boone Countians Get \$64,656 In 12 Months

During the past 12 months, \$64,656 went to residents of Boone county in public assistance payments, according to the Department of Economic Security whose Division of Public Assistance administers the grant-in-aid program. Assistance under the federal-state financed program includes three types of aid: Old age assistance, aid to dependent children, and aid to the needy blind.

Vego E. Barnes, economic security commissioner, said that of the total payments in Boone county, \$56,031 went to the needy aged; \$7,219 to the upkeep of dependent children, and \$1,303 to the needy blind.

Average payment in this county for aged assistance during September 1951 was \$28.77 to the old people who received monthly checks. Under the dependent children's program, an average of \$51.00 went last month to ten families, and five blind people received an average of \$29.80.

Society Security Coverage Of Self-Employed Persons

"The coverage of self-employed persons under the amended Social Security Act has caused much misunderstanding as to whether coverage is voluntary or compulsory," stated Elbert M. Bohon, Manager of the Covington Social Security office today.

"To clear up any misunderstanding, the facts are that if you are self-employed and derive as much as \$400.00 in net profit from your trade or business in any taxable year after December 31, 1950, your Social Security coverage is compulsory by law," Mr. Bohon said.

Th self-employed will report their 1951 social security amount when they file their 1951 income tax return after January 1, 1952. It is not to be reported in any other manner. Some believe that they can include their names on the regular social security reports on which they report employee earnings. This is not true, and self-employment income can be reported only in connection with the regular yearly income tax Form 1040.

Weekly Livestock Review

Kentucky's top hog prices dropped an average of 75c last week on the State's major auction markets. Cattle prices averaged up to 50c lower but veals and lambs were mostly steady, reports to the Kentucky Department of Agriculture indicate.

Hogs—Hog marketing continued at an even pace at most yards, and nearly 12,000 head were sold on the 26 markets reporting. 180-250-lb. butcher prices ranged from \$18.65 to \$20.00, mostly \$19.25 to \$19.75. This was a statewide average decline of 75c per hundred pounds and is in line with the National decline in hog prices.

Cattle—Cattle marketing averaged only 765 head per market reporting, as compared with 821 head the previous week. Total head sold was nearly 20,000. Good and choice steers and heifers averaged unchanged to 50c lower over the state. Prices ranged from \$25.50 to \$36.50, mostly \$31 to \$34.50.

Veals—Veal receipts were practically unchanged last week and the statewide average price range was about steady. A total of 2027 head sold last week with good and choice grades bringing \$37.70 to \$40.10, mostly \$38.50 to \$39.50.

Sheep and Lamb receipts declined slightly last week with 6,163 head sold on the 26 markets. Statewide average prices were unchanged on good and choice lambs. Prices ranged

from \$28 to \$32.25, mostly \$30 to \$31.50.

Army worms destroyed several hundred acres of alfalfa seedlings in Oldham county before being brought under control.

Some farmers in Bath county who harvested drought-stricken tobacco early, stripped it out to use barn room the second time for late housing of tobacco.

MIKE AND IKE ARE NOW IN OUR STORE

Mike and Ike come from the farm of Mr. D. E. Ogden of Union, Ky., shown above with Purina Feeding Advisor, Robert Rouse.

Mr. Ogden had 15 sows to farrow. He works very closely with Robert Rouse on the feeding and management of his herd of Hampshires.

Come and see Mike and Ike in the most sensational pig growing fight you ever saw. Mike gets Purina Hog Fatena and Ike gets corn. Don't miss this fight to the finish.

PIONEERS OPEN NOV. 9

The Pioneers of Simon Kanton High School are preparing for the opening of the 1951-52 basketball season on November 9, when they meet St. Henry on the home floor. A rebuilding program has been in progress at SK as Coach Shropshire lost an entire team last year. Paul Human and Don Chapman are two boys with the most experience and, no doubt, this year's quintet will be built around them. Twenty-six boys reported for practice, and of this number three are seniors, one is a junior, eight are sophomores, seven are freshmen, and seven are in the eighth grade.

1951-52 Schedule
Nov. 9—St. Henry, here.
Nov. 16—Burlington, here.
Nov. 21—Maysville, here.

CONFERENCE ON EVANGELISM

Bishop William T. Watkins, Louisville, head of the Louisville Area of The Methodist Church, will give the keynote address at the annual convention on Evangelism of Kentucky Conference of The Methodist Church on Wednesday, November 7, at Rev. worth Methodist Church, Lexington. Other principal speakers will be Dr. Harry Denman, Nashville, director of the Board of Evangelism of The Methodist Church; the Rev. Dr. Andrew F. Gallman, pastor of Broad Street Methodist Church, Hattiesburg, Miss., and the Rev. Dr. Z. T. Johnson, Wilmore, president of Asbury College and chairman of the Board of Evangelism of the Southeastern Jurisdiction of The Methodist Church.

About 900 are expected to attend the meeting, according to the Rev. Dr. Warner P. Davis, director of the Kentucky Conference Board of Evangelism and host pastor.

Also on the program will be the Rev. Dr. W. L. Clark, Lexington; the Rev. Dr. C. E. Vogel, Frankfort; the Rev. Robert L. Anderson, Pikeville, and the Rev. F. D. Swanson, Ludlow.

Local Students at UK

Included among the University of Kentucky's fall semester enrollment of 5,718 are the following from this section of Boone county:

James Arnold, Ellen Swift, Asa Rouse, William Ryle, Carl Flynn, Donald Thomas, Mrs. J. C. Acree, Homer Burns, r. Evalab Harp, Tommy Pruett, Wallace Grubbs, Colleen Vallandigham, Jack Conner, and Charles Courtney, all from Walton; Rodney Renaker and William Waller of Verona; Donald McClure, Catherine Carroll, Shelton Love, of Union; Charlotte Fullerton, James Carpenter, Terry Lohr, Arna Lutes, Chas. Holmes, Joan Duval, Oventin Kent, Betty Klein, William McKibben, Billy Markesbery, Sarah Markesbery, Marlene Mouth, Joyce Ogg, Frances Schreie, Robert Tanner and Alan Utz all of Florence.

Drought-stricken fields of fescue and Ladino clover in Hancock county were found to recover in about 10 days, while the pastures seeded to the usual grasses and clovers showed little growth.

The Reformation

October 31 has come to be regarded as the birthday of the Protestant Reformation. It was on that day, in 1517, that Martin Luther nailed his 95 sentences on the door of the Castle Church in Wittenberg.

What was Martin Luther's great discovery? It was the cardinal doctrine of the Bible: "Therefore we conclude that a man is justified by faith, without the deeds of the law." Romans 3:28.

For hundreds of years the established church had taught that man was saved by faith *plus* deeds. Luther discovered that the Bible taught salvation alone by faith.

"By grace are ye saved through faith; and that not of yourselves; it is the gift of God, not of works, lest any man should boast." Ephesians 2:8. Also Romans 11:6.

It was the Reformation of Martin Luther that once more brought this fundamental Bible doctrine into the light of day. Protestant America will have fallen on evil days, when once it surrenders one jot of this primary doctrine of the Christian faith.

God and a Man

Lesson for November 4, 1951

WHEN God created this world he did it Himself. Since that time where affairs of this planet are concerned, when God wants to do something for mankind or for a man, he seldom does it by himself. He always has assistants.

When God wants to raise a crop of wheat he never raises it alone. When God wants to feed a city he feeds it by the innumerable hands of farmers, merchants, carriers of cargo the world around.

When God wants children cured of diphtheria he does so—with the help of the men who discovered and perfected diphtheria anti-toxin.

Doubtless God could work alone; but just as doubtless, he seldom does. Even when God wants to split a granite cliff in the wilderness, he does not use a magic axe; he uses things we can see: the frost-crystals and the sunshine.

God's Man for God's Work
THIS is also the story the Bible tells. Centuries ago there were some thousands of slaves in Egypt, Hebrew slaves, descended from the free man Abraham. God, we are told, wanted those slaves set free.

How would you have expected God to do it? If God is all-powerful, if he can do just anything he wants to do, and he wants these men set free, how will he do it? Will he reach down a mighty hand and lift them as you might lift a handful of the smallest ants, and set them down on some bit of free soil far away from Egypt? Will he send an army of angels to batter down the fortresses of Egypt, destroy her armed forces and set his people free?

Let us waste no time arguing whether God could or could not do such things. Let us assume that he could. The point is: he did not. He called a man, a man named Moses. Already Moses had gone through a long life, and perhaps he thought of himself as the end of his trail. If Moses had been asked, he might even have said that all his life's experience had gone for nothing. But God knew better. God knew that everything that had formed Moses' mind and character—his family, his training and education, even the long lonely years as scout and shepherd at the back of the beyond—everything in his past life was to be useful in the most important part of his life that still lay ahead. For God's work, Moses was God's man.

Moses Has Many Opposite Numbers
JUST as Moses was God's personal agent in liberating the slaves from Egypt, so down through the centuries Moses has had his "opposite numbers"—men and women who have brought to pass what (religious persons find reason to believe) God intends to bring to pass.

God wanted the good news about Jesus to be spread throughout the world. But this has come to pass only as Paul and a long line of missionaries have gone through one country after another with the message of God. God wanted the records of Jesus' life, or at least some facts about Jesus and his teachings, put down in writing and not left to men's memories.

But he did not write the Gospels—he inspired certain men to write them. God wanted the Christian world, in our time, to awake to the "open sore of Africa" and to send missionaries to that dark continent. But he chose a man, David Livingstone, to do this for him.

Wilberforce was God's agent for freeing the slaves of Great Britain, as Lincoln and many another were in America.

God's Ways Are Not Always Understood
IT is easier to say these things a few years centuries after the event than at the time they happened. Moses at first could not believe he was the man God wanted; tried in fact to talk God out of it. Jeremiah doubted whether he should ever have been a prophet. Lincoln often had moods of the blackest. John Calvin sat up half the night in a Geneva boarding house giving Pastor Farell all the good reasons why he, Calvin, could never be a suitable man for the very job in which he became a famous hero. Even God's own man sometimes does not realize his greatness. But God knows! And in time we all do.

Portrait of a Soul

Did you think a soul was invisible? Did you even suspect that it was a theological concept that only ministers could understand? Well, look into this boy's eyes! Do you see happiness... the certainty that life is full of beauty and truth? Do you see hope... the assurance that every tomorrow will be better than every today? Do you see courage... the fortitude that will look through defeat to victory? Do you see faith... the confidence that God hears, and knows, and cares, and helps?

You're looking into a soul! You're seeing the spark of Himself which God has put into every one of us. And you're seeing it still unblemished by the cares and disappointments of life.

You can see a soul through your own child's eyes. But unless you give that soul a chance to grow up with the body and mind that possesses it... soon you'll no longer see it in your child's eyes... and perhaps, someday, you'll no longer see it in his life.

The Church, through careful religious education, develops that spiritual inner-being which we call the soul. Your child deserves the advantage of the Church's instruction. And, in church worship, you will rediscover the beauty and strength of your own soul.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor in the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For his community and nation. (4) For the sake of the Church itself, which needs his moral and financial support. Plan to go to church regularly and read your Bible daily.

90% For! 10% Against

Railroad workers are represented by 23 standard unions. By mutual agreement, 20 of these unions—comprising about 1,200,000 men, or more than 90%—are working under wages and rules agreed to by them and the railroads. But leaders of three unions—with only about 130,000 men, or less than 10%—still refuse, after more than a year of negotiations, to accept similar wage and rules agreements. These are even more favorable than the terms recommended by the Emergency Board appointed by the President.

Yes, it certainly seems to be finally about time that the leaders of the three unions stop their delaying tactics—their quibbling. But the leaders of the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors continue to refuse. They continue a course of dillying and dallying. It is definitely time to

END THIS QUIBBLING!

On June 15, 1950, an Emergency Board appointed by the President under the terms of the Railway Labor Act—an Act largely fathered by the unions themselves—made its recommendations on certain wage and working conditions ("rules" in railroad language) which had been in dispute between employees and the railroads.

More Than 90% of Employees Accept Since then, terms equal to or better than the Board recommendations have been accepted by about 1,200,000 railroad employees—more than 90% of the total of all workers. They are represented by 20 of the 23 standard railroad unions.

Less Than 10% Refuse But three unions—with about 130,000 men, or less than 10% of the total—have refused to accept, even after months of negotiations. These three unions are the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors. These are three of the so-called "operating" unions. Already the highest paid men in the industry, their leaders demand still further advantages over other workers.

In all, there are about 270,000 operating employees. But not all of them, by any means, are represented by BLE, BLF&E, or ORC. As a matter of fact, less than half—132,000 to be exact—are in these three unions. More than half—about 140,000—are in other unions, principally the Brotherhood of Railroad Trainmen. What makes the whole situation so hard to understand is that these 140,000 operating employees are working under wages and rules which the leaders of the other 130,000 say they cannot agree to.

What Do the Railroads Offer? They offer these three unions the same settlement which was contained in a Memorandum of Agreement signed at the White House on December 21, 1950, by four brotherhoods and the railroads. Later these brotherhoods sought to repudiate this agreement. But on May 25, 1951, the Brotherhood of Railroad Trainmen signed a complete agreement carrying out the

principles of the Memorandum Agreement of December 21. They have been working under this agreement since May 25.

What About Wages? Under the terms of the agreement, yard engineers, firemen and conductors would now be receiving a wage increase of \$.34 an hour (\$2.72 a day) and road engineers, firemen and conductors would now be receiving an increase of 194 cents an hour (\$1.56 per day). Large sums of retroactive pay have already accrued and if the agreement is carried out, will be paid promptly.

What About "Cost of Living" Increases? The White House Agreement includes an "escalator" clause under which wages will be geared to changes in the Government's cost-of-living index. Two such increases—April and July, 1951—have already been paid to the 90% of railroad employees covered by signed agreements.

What About the 40-Hour Week? The White House Agreement calls for the establishment of the 40-hour week in principle, for employees in yard service. The employees can have it any time after January 1, 1952, provided the manpower situation is such that the railroads can get enough men to perform the work with reasonable regularity at straight time rates. If the parties do not agree on the question of availability of manpower, the White House Agreement provides arbitration by a referee appointed by the President.

What Else Do the Union Leaders Demand? The continued quibbling of the leaders of the three unions has to do principally with

rules changes, which have already been agreed to by the Brotherhood of Railroad Trainmen. Of these, the principal one seems to be that having to do with so-called "interdivisional service"—runs which take in two or more seniority districts.

The union leaders would bar progress and efficiency in the industry, and better service to the public, by maintaining a situation where they can arbitrarily stop a railroad from establishing such interdivisional runs. The carriers propose that if a railroad wishes to set up an interdivisional run, the railroad and the unions should try to agree on such run and the conditions which should surround its establishment, and if the railroad and the unions can't agree, the matter will be submitted to arbitration.

But the three union leaders still refuse.

Rules Can Be Arbitrated The railroads have not only offered these three unions the same rules agreed to by the BRT and covered by the White House Agreement, but have even agreed to submit such rules to arbitration.

The Industry Pattern Is Fixed With the pattern so firmly established in the railroad industry, it seems fair to suggest that the leaders of BLE, BLF&E, and ORC stop their quibbling and take action to make the railroad labor picture 100% complete. Certainly today's economic and international situation calls for a united front. And certainly no good reason has been advanced why these three unions should be preferred over all other railroad employees.

HALLOWEEN

That is when we think of fall stopping and winter beginning—of course it doesn't begin until November 21. But Halloween is generally rainy and cold, and all the witches and goblins come out and the boys move most everything loose in town. The boys dress up like girls and the girls dress like angels, for it is no fun to dress like boys—they dress that way every day. Tuesday night will all go to the school auditorium and watch the parade of the old and the young—some are beautiful and some are terrible, but we all have fun. Some are peevish because they did not win first prize, but next year they try it all over again.

Next week is election and we must not forget to vote for our new firehouse—it will not increase your taxes—they will still be 75 cents per hundred dollars, but the City Council has to have your vote (yes) before they can borrow the money, and it will be paid out of the general fund each year, until paid for. Our fire department is self-supporting and the town, as a whole, should build them a building to house their equipment. **VOTE "YES" TUESDAY!**

It rained and turned cool and everyone came to town. Andrew Irwin, out on Bagby Road, was in and wanted us to put up two drums and pipe in to his oil heater. Mrs. T. F. Simons, from Corinth, came down and bought a coal heater—Ray delivered it to her. Erma Stockman's water tank faucet had a leak, but Brewster fixed it. Mrs. Ora Fry had Ray hang her a new window shade. John Powers, who builds and repairs all kinds of furniture, came in after a lot of glass, paint, and shellac. Mrs. Richard Howard came in after another Armstrong \$x12 rug—we just received some more new patterns. A truck stopped from Owen county and bought two pair of sled shoes.

Wayne Thompson, who operates Shamrock Inn at Brant and who is building a new tourist court, bought an 80-gallon electric water heater, a 350-gallon per hour Dayton water system and a lot of angle iron for reinforcements. I went over today and inspected the new house Gayle McElroy is building—it is about finished and it is for sale—if you want a real nice home, see Gayle.

I have even gone into the real estate business—I have two very nice lots on the south side of Verona Road, right beside where Spencer Reed is building his new house—these lots are 67'x175' with concrete street in front and a 4-inch water main just finished—if you need a lot, take a look at them. Clayton Spillman just came in and bought a Day and Night coal heater. Grace Ryan was in and bought a Husman rug to put under her heating stove for winter.

Ray fixed up Mr. Irwin's oil heater out on Bagby Road today—they bought the heater some-

where else but we set it up for them and piped the oil in from outside—of course we like to sell oil heaters but we know we can't sell all of them but we will install a oil heater if you do buy it elsewhere—of course when we sell you a heater we service it free, if it is the stove's fault, the first season, but if you buy it elsewhere, you have to pay for that service. There is a lot of difference in oil heaters, also in chimneys—an oil heater may not burn in once chimney, and put it in another house and it is perfect.

Bill Scroggin, who owns Verona Lake Ranch, also raises tobacco, came in after a coal heater for his stripping room. While we are talking about stripping rooms, I know most of our farmers are going to strip tobacco by electric light—we have some nice fixtures in fluorescent day-light, 24 inches long, for \$3.95 and 48 inches long for \$18.55, all complete, with two tubes, cord and chains to hang—this is a great way to strip, as the light never changes and you can strip at night as well as day. We also have the 100 watt and 150 watt daylight bulbs.

Clay Nix and Eva came after one of those cast iron top and bottom wood heaters—they are some stove to burn wood in. I finally found some of those Arvin radiant electric heaters—they told me they were not making these any more, but I located ten for \$11.95 each. Gilbert Maxwell, our brick and block layer, bought a rubber tired wheelbarrow just about as big as he is. Russell Sparks came in today and said he was classed as a loafer last week, so he bought a few things, paid his account and went home. Otis Webster and wife from Zion Station were up after 24 sq. yds. of linoleum—they selected a beautiful pattern.

Irvin Carter, also from that same part of the country, came after a Night and Day coal heater. Jim Beach and daughter from Napoleon came over after a Perfection oil heater and took it home with them. Lawrence and Jeanette Madden were in tonight and bought several pieces of hardware. Harve Vest was in and he bought a heater this time. W. B. Stamper, Herbert and his wife were all buying today. Russell Littrell needed some stove pipe.

Arthur Linton stopped in and bought an oil heater for his home—he has had one in his barber shop for several years and likes it fine. Mr. and Mrs. McCain from Crittenden came down late Monday afternoon and bought a Perfection portable oil heater, a 50-ft. extension cord, some pots and dishes. We are selling oil, coal and wood heaters every day—if you need one, buy it now—steel is getting shorter every month. The last little word I want to tell you this week is, vote YES for the firehouse Tuesday!

Annual Meeting Of Kenton Homemakers Held at Summit Hills

Dean Thos. P. Cooper, retired Dean of the College of Agriculture of the University of Kentucky, was a guest of the Kenton County Homemakers at their 20th Annual Meeting which was held at Summit Hills Tuesday, October 30. He congratulated the members on their accomplishments under the leadership of Miss Zelma E. Byerly, who had maintained the complete confidence of such a large group and stated further that they were very fortunate to have such a capable Home Demonstration Agent.

Four hundred Kenton County Homemakers were in attendance at the meeting at which time recognition was given to thirty women who have been enrolled as members for twenty consecutive years. They were presented with corsages, blue ribbon badges printed in gold. Loving cups were presented by Mrs. R.P. Matchett on behalf of Miss Byerly.

A beautiful birthday cake was made and presented by the Stafford-sburg Club was used as a centerpiece at the Honor-Guest Table.

One hundred and thirty-nine club members were given recognition for having been 100% in attendance for the club year. Ribbons were presented by Mrs. Jesse Grant, County membership chairman, assisted by Mrs. C. L. Norris and Mrs. R. P. Matchett, after which they signed.

Christmas Seal Sale To Open In Boone County Nov. 19

The 45th annual Christmas Seal Sale will begin in Boone County on November 19 and the campaign will close December 25, according to Mrs. C. L. Cropper, who has been named chairman of the local drive.

In accepting the chairmanship, Mrs. Cropper said that she was honored by her appointment and that she would do all she could to make this year's Christmas Seal Sale the best the county has ever had.

"I am proud to serve in any capacity that helps the Boone County Tuberculosis Association, which is fighting 12 months a year to protect us against a disease which is killing at the rate of one person every 15 minutes in this country," Mrs. Cropper said.

"The association is working for us the year around," Mrs. Cropper pointed out, "yet it appeals just once a year, with the Christmas Seal Sale, for financial support for its many services. The forthcoming Christmas Seal Sale will finance the work of the Association during 1952."

Mrs. Sibbia Reimer, president of the Boone County Tuberculosis Association, pointed out that the organization was counting heavily on Boone County people to volunteer their services for Christmas Seal work.

Mrs. Cropper added that, "We are going to get started as soon as possible on Christmas Seal Sale preparations and we need all the help we can get."

Local Chairmen to Be Named

Prednot chairmen will be announced within a short time, Seal Sale leaders stated. The cooperation of Boone County citizens in serving in these capacities will be a great service, they added.

Staffordsbury Turkey Dinner

REVIVAL AT VERONA

The Pentecostal Church of God, Verona, has begun a two-weeks revival, with the Rev. C. B. Chambers of Cincinnati, Ohio, the evangelist. The public is cordially invited to attend these services each evening at 7:30.

Ambrose Davis, the pastor, said, "Come, hear these soul-stirring messages. Bro. Chambers' ministry is just the old time, unadulterated Gospel."

Marriage Announced

Mrs. John W. Lawson, Jr.

Mr. and Mrs. Fred Fuhrman of near Independence, announce the marriage of their daughter Virginia, to Mr. John W. Lawson, Jr., son of Mr. and Mrs. John Lawson of DeMossville. The wedding took place September 22 at 7:00 p. m. at Falmouth, Ky.

JOHN W. WILLOUGHBY

John W. Willoughby, husband of Emma Frederick, 210 Tourney Ave., died October 12 at Jewish Hospital, Cincinnati, where he had been a patient since September 30. He had worked on the B.&O. Railroad for 24 years in train service, and was promoted to conductor (freight) in 1945. He was injured at work July 10 of this year, and had a heart attack following the injury.

Mr. Willoughby was born at Ford, Ky., and lived in Indianapolis, Ind., during his boyhood days. He also lived in Elmwood Place for many years. He was a member of the Carthage Lodge, No. 573, F. & A. M., thirty-second degree Mason, Scottish Rite, Valley of Cincinnati, Harris Lodge, No. 644, I.O.O.F. of Indianapolis, and O.R.C., No. 162, of Elmwood Place. Services were held at the Highland Avenue Baptist Church of Elmwood Place.

The "Ruth" Sunday School class of the Walton Baptist Church will meet in the home of Miss Lillian Burdine on Friday evening, Nov. 9, at 7:30.

Tobacco Stripping, Sorting Demonstrations Scheduled In Kenton

According to Russell A. Hunt, Field Agent in Agronomy, arrangements have been made whereby the College of Agriculture will have the services of graders from the Tobacco Section, U. S. Department of Agriculture, for holding stripping and sorting demonstrations of Burley tobacco this fall.

Two demonstrations have been scheduled for Kenton County growers on Friday, November 9. At 10:00 a. m., the first demonstration, will be held at the farm of Robert Hawkins in the Oak Island community. At 1:30 p. m., the second meeting, will be held at the farm of Roy Elliott on the Bracht-Piner Road, one mile west of Piner. Walter Ralston is the grader in charge.

Tobacco growers who have tobacco that is difficult to strip are invited to bring samples to the demonstration in their section so that the grader can help them with their stripping problems. Samples brought to the demonstrations should be bulked prior to demonstration date to insure having the tobacco in case, or in season, for stripping.

The University of Kentucky Extension Service leaflets of interest to tobacco growers are: Leaflet 54, "Stripping Burley Tobacco," and Leaflet 66, "Taking Down, Bulking, Stripping and Pressing Burley Tobacco."

Call Meeting on Saturday

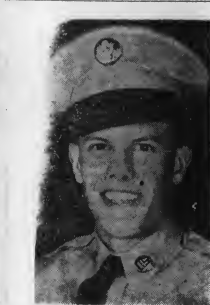

A call meeting of Boone-Union Lodge, 304, F. & A. M. Union, will be held Saturday, November 10 at 8:00 p. m., at which time there will be work in the Master Mason degree, Surface Barlow, Master, will conduct the first and second sections. All Master Masons are invited.

Named Commissioner

3 New Councilmen Named In Walton

Governor Wetherby appeared to be an easy winner over his Republican opponent, Eugene Siler, as Kentucky cast a relatively light vote in the race for Governor Tuesday.

With 1,790 of the state's 4,125 tallied the race showed: Wetherby, 174,573; Eugene Siler, Republican, 122,538.

The remaining party of the Democratic ticket seemed headed into office along with Wetherby.

The Constitutional Amendment from all indications, was destined to certain defeat.

Boone County Returns

Democrats swept Boone County as usual in Tuesday's election. With all 17 precincts counted, returns were announced as follows:

Governor — Wetherby 1075; Siler 814.

Auditor — Tinsley 1108, Thorp 690.

The constitutional amendment took a drubbing for 231 and 540 against.

Unopposed Democratic candidates were Joe Rouse, for Legislature, 54th District 1176; Judge Ward Yager for reelection to Circuit Court 15th District 1186; Harlan Heilman, for Commonwealth Attorney 1147; R. S. Hensley for Circuit Clerk 1144.

Walton City Election

In Walton, R. M. Hall was elected Mayor without opposition. Councilmen named, all unopposed were: Powers R. Conard, Gayle McElroy, Frank DeMolay, Leon Hall, Malcolm Simpson and John Hartman. Charlie Worthington was elected as Police Judge without opposition.

Special P.T.A. Meeting

The Walton-Verona P. T. A. will have a special meeting on Monday, November 12, at 7:30 p. m., in the school auditorium, when "Dad's Night" will be observed.

Following a brief business session, an address will be made by Willard Wade, Executive Secretary of the Covington Y. M. C. A., on the subject, "The Social and Youth Problem of the Community."

The public is invited to attend this meeting, a special invitation being extended to all fathers.

Mrs. O. F. Young, P. T. A. President, requests each P. T. A. member bring a plate, as coffee and pie will be served at the close of the program.

Hebron Man Is Now Graduate Feeding A Advisor for Purina

Robert A. Rouse, Hebron, was awarded a diploma for the successful completion of a training program of scientific farm management, feeding and sanitation practices, at a graduation ceremony October 14 at Cumberland State Park, Crossville, Tenn.

Presentation of the diploma was made by J. E. Streetman, Sales Manager of Purina's Southern Region, who pointed out that Rouse is now a Graduate Feeding Advisor, and his outstanding work during the course was presented with a class ring by the Ralston Purina Company.

Rouse, who is employed by J. H. Fedders, Inc., feed dealer, began this specialized training program about fourteen months ago, during which time he attended classroom sessions and made several field trips with the instructors, where practical demonstrations were made utilizing the latest methods in feeding livestock and poultry. In addition, Rouse was required to complete field work of his own between meetings.

Comparable to on-the-job training programs conducted by many industries, the Feeding Advisory Council is directed and sponsored by the Ralston Purina Company for employees of Purina dealers to enable them to serve livestock breeders and poultrymen by assisting them on problems of efficient and economical feeding practices, as well as counseling them on sound management and effective farm sanitation methods.

FLORENCE NEWS

Mr. and Mrs. John Kohman of Locust Drive, are being congratulated upon the arrival of a baby daughter, born recently at St. Elizabeth Hospital. The little lady has been named Linda Kathleen.

Mrs. Martha Richards and son, Jerry, of Covington, entertained on Sunday, October 28, in honor of S. H. Aylor for a birthday celebration. Guests at dinner included Mr. and Mrs. S. H. Aylor of Gunpowder; Mr. and Mrs. William Elkin and two sons of Erlanger; Mr. and Mrs. Larry Aylor and daughters, and Mrs. Pearl Hengar of Hamilton, Ohio. Afternoon callers were Mr. and Mrs. John O. Richards.

Stanley Lucas has been confined to his room several days the past week due to illness. His friends wish him a speedy recovery. Mr. and Mrs. Ray Reiffitt who formerly made their home on Burlington Pike, have moved to Cowie Ave., Erlanger.

Broadus Lucas and several other friends have recently returned from a hunting trip in the West. They were deer hunting in Wyoming and stopped off in South Dakota to do some pheasant hunting. They reported good hunting and plenty game.

Mrs. Mae Tanner is much improved, but still remains in St. Elizabeth Hospital. Her many friends hope to see her home again, soon.

Don't forget the Miscellaneous Bingo Social to be given by the American Legion, Wednesday evening, November 14, at 8 p. m. at the Legion Home beneath the Post Office.

The Ladies Auxiliary of the Florence Volunteer Fire Department will sponsor a Pillow Slip Bingo Social at the Fire Hall and Community Center, Thursday, November 15 at 8 p. m., given for the benefit of the building fund. A most cordial invitation is extended the public to attend.

Recent guests in the home of Mr. and Mrs. Nelson Markesbery were: Mrs. Mary Howard and Wilford Tupman and family of Erlanger; Mrs. Maurice Beard of Walton and Mrs. W. R. Miller.

Mrs. Lillian Schram, Mrs. Clyde Arnold and Mrs. Wm. Sauer were luncheon guests of Mrs. John Martin of Erlanger, Thursday.

G. B. Miller was surprised Nov. 2 when members of his family arrived to join in the celebration of his birthday. A delicious dinner was served, the main dish being oyster soup. Guests were Mr. and Mrs. W. R. Miller, Mr. and Mrs. Maurice Graham, Blayne Miller and H. B. Simpson. We join in wishing Mr. Miller many happy returns of the day.

Sympathy is extended the families of Leo Thompson, Erlanger druggist, and Lloyd Weaver, assistant Burlington postmaster, who recently made their demise, and Miss Axie Smith, who was fatally injured in an automobile crash on Dixie Highway.

Mrs. Nancy Bonar was a guest of her daughter, Mrs. Buddy Arnold, and Mr. Arnold, Thursday night.

Jerry Mundy, a student at Asbury College, officiated at the local Methodist Church, Sunday, in the absence of Rev. Ogg, who is assisting as song leader for a revival being held in Indiana. Dick Hunt, also of Asbury, attended services with Mr. Mundy and rendered a special vocal number.

Mr. and Mrs. Buddy Arnold, Mr. and Mrs. Wm. L. Tupman and Miss Alva M. Tupman were in Lexington Saturday afternoon to witness the football game between Miami University and the winning Ky. Wildcats. Following the game, the party traveled on to Wolf Creek Dam for the weekend.

Mr. and Mrs. James Bristow entertained at dinner Thursday evening for Mr. and Mrs. Howard Fagin of Latonia, and Mrs. Nelle Connely Utting of California.

DR. SNOW NAMED UK PROFESSOR OF YEAR

Dr. Charles E. Snow, 41-year-old anthropology professor, was elected last week by his colleagues in the University of Kentucky College of Arts and Sciences as the College's Distinguished Professor of the Year. The honor came while Dr. Snow is on leave of absence in Hawaii, directing an important research project for a Honolulu museum. He

presently is surveying the skeletal remains of a pre-historic people recently unearthed by accident during a naval construction job, and which reportedly are those of a race totally dissimilar from the present island

population. Dr. Snow will return to UK next spring.

Spreading of fertilizer and lime this fall in Montgomery county has topped records of any previous year.

GERMAN FAMILIES TO HELP FARMERS

The Displaced Persons Commission has notified the University of Kentucky College of Agriculture and Home Economics that 5,000 German farm families will come to this country next year to work on farms. That is they will come if farmers give assurance that they can use them.

The families are being selected now and will arrive in time for the spring work. They are dairy and all-around farmers and should provide valuable assistance to farmers. Applications for families should be made before December 1, to the Displaced Persons Commission, Washington 25, D. C., or to a state Displaced Persons Commission.

STATION REPORTS ON STEER-FEEDING TEST

A steer-feeding test just completed at the University of Kentucky Agricultural Experiment Station at Lexington, gives preliminary information on the feeding value of distillers' solubles and distillers' dark grains as protein supplements in a ration of grass hay and shelled corn.

Forty steers in lots of 10 were fed in the drylot for 154 days.

Lot I, which received 2.1 pounds of distillers' solubles per steer per day, made an average daily gain of 1.85 pounds per steer.

Lot II, fed 2.6 pounds of distillers' dark grains per steer per day, made an average daily gain of 1.75 pounds per steer.

Lot III, fed 2.4 pounds of half distillers' solubles and half dark grains gained 1.61 pounds per steer daily.

Lot IV, fed 2 pounds per steer per day of half dark grains and half soy-

bean meal, gained 1.76 pounds per steer daily.

About half of all distillers' solubles and dark grains are produced in Kentucky. The results of this preliminary test would indicate that cattle feeders can make liberal use of them as protein supplements.

promise!

"...to keep pace

Diesels for
Dixie!

Diesel locomotives...the dollars...don't grow on trees. Those 603 powerful Diesel units the Southern Railway System now has in service and on order cost about \$40 million!

That's a lot of money. But it bought a lot of modern horsepower...to give a modern fast-growing Dixie the best in transportation service.

These "Diesels for Dixie" are just one indication of our determination to keep pace with the increasing transportation needs of the South.

FAITH. Faith in the bright future of Dixie. Faith that some day soon our country will issue, in the public interest, that all forms of commercial inter-city transportation must stand independently on their own financial feet...without support from the taxpayer...in only the railroad case do.

Ernest S. Norris

SOUTHERN RAILWAY SYSTEM

A YEAR and a half ago we made a promise to you in the advertisement reproduced above.

Since making that promise, we have bought 244 more new Diesel locomotive units at a cost of over \$39 million. We have purchased 2,550 new freight cars costing about \$14 million. We are spending approximately \$16 million for new yards and yard modernization.

These are only a few of the things we have done in the past 18 months to live up to our promise. Many other things have been done and will be done. Because our promise "to keep pace with the increasing transportation needs of the South"—and to meet the needs of national defense—is a pledge we are determined to keep.

How the Railroads Contribute to Kentucky's Prosperity and Progress

FOR 121 YEARS Kentucky's railroads have been good citizens, making a major contribution to the progress and prosperity of the Commonwealth and performing a variety of services to advance the interests of agriculture, industry, commerce and culture in the State.

Last Year's Record

In 1950—the railroads spent in Kentucky a total of \$238,535,390—nearly a quarter of a billion dollars. Here are the details:

State, county and city taxes took \$7,191,890—of which \$3,660,047 went to support Kentucky's schools and the education of her future citizens.

Improvements, expansion and upkeep took \$94,000,000 in the operation of 3,860.42 miles of first main tracks in Kentucky—of which \$23,690,846 went for new equipment, road and right-of-way improvements. In addition, \$77,133,418 was authorized, or planned, for new lines, equipment, and further improvements.

Salaries and wages paid to 29,876 Kentucky railroad employees amounted to \$105,243,320—most of which was spent locally all over the State for food, clothing, fuel, housing, medical services, etc.

Purchase of goods and materials took \$32,066,473—much of which was spent with Kentucky suppliers.

Yes—for more than a century Kentucky's railroads have been among the State's principal contributors to its progress and prosperity. And today these railroads are more alert than ever to their responsibilities to the people and to the State's needs.

STAFFORDSBURG

Mr. and Mrs. L. M. Deuser had as guests over the weekend, Mrs. Nell Clark and Miss Vista Burlingame. On Saturday evening, Mr. and Mrs. Chester Richardson were guests.

The Halloween party at the church which was sponsored by the M. Y. F., was well attended and enjoyed by all, in spite of the inclement weather.

Mr. and Mrs. W. H. Summey visited with Mr. and Mrs. Chas. Losey on Saturday, and attended, with them, the Fellowship supper at the church Saturday evening. On Sunday they visited their daughter, Mrs. Leo Flynn, and family.

Sorry to learn that several members of the Roy Payne family have been ill.

Mr. and Mrs. J. A. Keeney and Don spent Sunday at a family reunion at

the home of Mr. and Mrs. T. J. Stephens, in honor of the homecoming of Wayne and Leslie Stephens. Don't forget the turkey dinner at the church basement Saturday evening, November 17, 5 to 8 p. m. The cost is \$1. Come and meet old friends.

CATTLE MEETING

There was a cattle meeting held last Monday at the Clay Gentry Stock Arena in Lexington, which featured a noted speaker from St. Louis, Mo., Blake Pullen. The topic of his speech was "Winter Feeding Shows Results at Selling Time."

Those attending from this area were: Virgil Beall, Warsaw; B. C. Cotton, Dry Ridge; Bob Rouse, Hebron, and Fred Nelhoff, Morning View.

Mrs. E. L. Mann left Thursday for her winter home in Lake Worth, Fla.

according to highway officials.

Thomas McDonald, commissioner of the U. S. Public Roads Bureau, told a recent governors' conference that the number of heavy trucks using the highways for their owners' profit had increased 1300 per cent in the last 10 years and the governors of 40 states testified that, as heavy truck traffic increased, the highways in their states broke down more rapidly, each year.

A principal expense in providing rights-of-way for the huge highway boxcars in Kentucky is maintenance of bridges. Kentucky has more miles of navigable streams than any other state. This means the commonwealth must build and maintain many, many road bridges. Hundreds of these are antiquated and worn out—and never were intended to withstand the strains placed upon them by trucks with 42,000-pound load limits.

The ton-mile tax, to bring the Highway Department more revenue and to spread the road burden more fairly, is needed by Kentucky, in the opinion of best informed authority.

Oak Island Homemakers

The regular meeting of the Oak Island Homemakers Club was conducted by Mrs. C. A. Taylor, vice president, with 13 members and two guests present. The second lesson on meal planning was given by Mrs. Albert Martin and Mrs. Sherman Barberick.

A cake decorating demonstration was planned for the next regular meeting, to be given by Mrs. John Dwyer of the Piner Club. A community Christmas party was also discussed.

Miss Olen Douglas read "Thanksgiving Guest." Mrs. Martin read "A Tribute to a Farmer." The club room has been improved by the addition of new curtains at the windows, which were made by several of the members.

CARD OF THANKS

I want to thank each and every one for cards, letters, flowers and all other gifts sent me on my 13th birthday, October 23, which was very much appreciated.

their name in the Honor Book which is being kept as a perpetual record. Mrs. William Wolterman, past president of the Piner Club accepted the large silver loving cup in behalf of that club having attained the highest percentage which was 94 plus. The cup becomes the permanent possession of any club maintaining the highest attendance record for any three years.

A day of reminiscing was enjoyed as the theme "Homemakers Yesterday and Today" was carried out during the entire program, highlighted by original poems written and presented by Mrs. Bluch Rich, Mrs. W. A. Damon and Mrs. Lloyd Watson. A more serious note of the program came at the conclusion of Mrs. Rich's presentation when past County president assisted her in conducting a beautiful memory service in honor of members who have passed away during the twenty year period.

Federation chairmen gave comparative reports on the work accomplished through the years. Mrs. R. P. Ringenbach stated that Community Welfare had always had a prominent part in the activities, and that during the year 1950 a total of \$895 had been given to civic work in the county.

Mrs. M. R. Hensley, County Reading Chairman, reported more than 2000 books have been read. Mrs. Lloyd Watson, Publicity Chairman, stated that Kenton county led the district in the number of scrap books. Twenty-five having been completed last year and were on display at the meeting.

Miss Zelma Byerly, assisted by the county officers, Mrs. Robert Gronette, president; Mrs. C. L. Norris, vice president; Mrs. F. M. Powers, treasurer; Mrs. Bernard Rosling, secretary; and Mrs. R. P. Matchett, county program chairman, presented a most unique skit, "It will All Come Out In the Wash," depicting the accomplishments of the year's work. This was climaxed by a style show, conducted by Mrs. Howard Stevens and Mrs. R. Pelestrino.

Attired as a belle of 1931, Mrs. Stevens gave a history of fashions in the form of a rhyme, bringing it up to date by having members model garments they had made during the year.

The featured speaker for the day

was Maurice C. Johnson, (or Boss) Johnson, as he is better known to WLW listeners, and he used as his subject, "Looking Both Ways."

He stated that there has never been a time when we needed to observe the brotherhood of man as we do today, and that the one institution which can save our country from anything, is the American home.

The guest soloist, Mrs. J. C. Williams, presented three delightful songs, in keeping with the day's program.

The present officers were elected by the association to serve for another term. Mrs. Ohn R. Murchison served as accompanist for the assembly singing and special music.

13 States Levy Ton-Mile Tax to Spread Road Costs

Thirteen states, faced with the same highway problems as Kentucky, have turned to a gross ton-mile tax on trucks as a means of more fairly spreading the burden of mounting road costs. They are Kansas, Michigan, Wisconsin, Oregon, Colorado, Florida, Idaho, New Mexico, New York, South Carolina, South Dakota, Utah and West Virginia.

In theory, motor vehicle operators, whether pleasure cars or big trailer trucks, pay in direct proportion to the number of ton-miles driven; but in Kentucky, it doesn't work that way for, based upon damage done to the roads, the big trucks should be paying 11 times as much as passenger cars, but are paying only three and six-tenths times as much.

ow the biggest jigsaw puzzle in the world gets put together!

• Putting together all the good things that go to make America's standard of living the highest in all the world calls for a mighty job of transportation.

And that's a job for America's railroads! For only the railroads—with the tremendous capacity and high efficiency made possible by trains of cars on tracks of steel—can do it. The railroads link farm, mine and forest... factory, foundry and warehouse... with homes in cities, towns and villages in every corner of the nation.

In doing their job, the railroads move more tons of freight—more miles—at a lower average charge—than any other common carrier transportation system in the world!

It takes
MONEY TO BUILD!

"I just had to have more barn room . . . and some of the other buildings needed repairing.

"But it takes money to build . . . more than we had saved up. Then, a neighbor tipped me off about a Federal Land Bank loan. He told me to see the National Farm Loan Association. It was a pleasant surprise to learn that the Association was made up of my friends and neighbors . . . all good, solid, substantial farmers.

"Well, today you'd hardly recognize the old farm, it looks so nice. I can keep my livestock and crops in better shape—can operate more efficiently and make more money. And I'm happy about the 4 percent Federal Land Bank loan. I can take 20 to 33 years to pay . . . or pay just as fast as I want without any penalty whatsoever. And I didn't have to pay a cent in application fees, appraisal fees or commissions.

"If you need money to build or improve your farm in any way, let me suggest a Federal Land Bank loan."

Christmas Mail

Robert K. West, Postmaster at Independence, says: "The Postal Department is again faced with the problem of Christmas mails and the cooperation of the public, as in the past, is greatly needed to enable the Postal employees to deliver the mail quickly and in time for Christmas. For overseas, ordinary packages should be mailed before the 15th of November to be delivered to the addressee for Christmas. Air mail packages should be mailed before the 1st of December. Christmas cards not sealed can be mailed for 2 cents; sealed will cost 3 cents; the Postal cards, picture cards, etc. will remain at 1 cent. All cards and envelopes should have the return address on them."

Personal

Wayne Stephens, civil engineer in New York, and Leslie Stephens, with the Navy in California, made their parents, Mr. and Mrs. F. J. Stephens, happy by being home together, the first time in seven years.

Mrs. Stella Parker Salyers

Mrs. Stella Parker Salyers, age 24, of Independence Station, died October 31, on the LLL Highway, at Independence, on her way home from the doctor's office. She was recovering from an operation for tonsillitis.

Those surviving are her parents, Mr. and Mrs. Robert Stamper; two children; four brothers and two sisters. At an earlier age she was baptized into the Church of Christ.

The funeral was held at the Swindler funeral home, Independence, with W. E. Maners officiating and burial was in the Independence Cemetery.

Clarence Setters

Clarence Setters, operator of a cafe at Kenton Station, died last Thursday at his home. He was 59 years old and a lifelong resident of Kenton county. He was a member of Visalia Council 64, D. D. A., and a member of the Covington Aeris of Eagles.

Surviving are his widow, Mrs. Irene Adams Setters; four sisters, Mrs. Daisy Wallace and Mrs. Nanie Jones, both of Covington, Mrs. Mattie Burnside of Crescent Springs, and Mrs. William Proff of Visalia, and two brothers, Howard and Eugene Setters, both of Visalia.

Services were held at 2 p. m., Saturday, Nov. 3, at the Kenton Baptist Church, with burial in Independence Cemetery.

Turkeyfoot Homemakers

Mrs. Thomas Rechin gave an informative talk on "The Psychology of Digestion" at the meeting of the Turkeyfoot Homemakers Club, augmented by talks on "Vitamins and Minerals" by Mrs. L. J. Jacobs and Mrs. Carl Huhn. The meeting took place at the home of Mrs. Joseph Kunkel, with Mrs. A. W. Simpson, president, in charge.

Mrs. Kunkel gave instructions for landscaping and planting during the fall months.

Others who contributed to the program are R. G. Earl, Albert Hartman, A. W. Bachman, Richard Beckerich, F. B. Lewis, Robert Witterman, W. G. Funke and Wm. Bushelman.

Because of a hay shortage, Lee Mashburn of Caldwell county is seeding a 30-acre lespedeza field and a 30-acre corn field to Balbo rye for pasture.

THE BIBLE SPEAKS

Bible School Lectures

SCRIPTURE: Exodus 6-18
DEVOTIONAL READING: Exodus 10: 1-18

A People Delivered

Lesson for November 11, 1951

ONE of the strange truths about God—strange when we are not used to it—is that he can never be seen directly. No man has seen him nor can see him, the Bible tells us (1 Tim. 6:16). God cannot be photographed nor televised. The disc has never been made that will record his voice; it will not be heard on any telephone. Then how do people know God? By the eye of faith, the ear of faith. The Bible suggests that it is God himself who opens men's eyes to his presence, opens their ears to his voice.

God in History

It is so when we speak of "God in history." The historian can tell us what happened; but why does it happen? The last, the final, the all-inclusive Why? is religion's question; and religion's answer, faith's answer, is always: God.

Take, for example, the well known story of the Exodus, when the Children of Israel got out of Egypt where they had been slaves for about as long as the Negroes were in America before 1863. All historians agree (1) that Israelites were in Egypt; and (2) that they got out.

But the history books do not read like the Bible. In the "Cambridge Ancient History" or in any history of the ancient Middle East, you can read the account of the Exodus with its miracles left out.

Furthermore, the historians never bring God into their tale. All they can tell us is what you could have caught with a moving picture camera or a recording machine. But God cannot be caught that way. The story of the Exodus in the Bible has another slant. The Hebrew folk never said "We escaped" or "It was a lucky break" or "Moses took us out." They always said, "God brought us out."

If you had been there when they crossed the Red Sea (the original Hebrew in Exodus does not use the expression "Red Sea" in this story and it may have been one of the Bitter Lakes or even an arm of the Mediterranean—it makes no difference), armed with your camera and sound-recording devices, you could have caught the roaring of the wind and after long hours of the hurricane you would have seen the water level going back and back till finally solid ground appeared. But your pictures were developed you would not have seen God.

God in Our History

It would not do us much good, indeed, it would only make us jealous or bitter, if we thought that God had a hand in the history of Israel, but took no interest in the history of other people. Many centuries after the Exodus, the prophet Amos said that God not only brought the Israelites out of Egypt, but he also brought the Philistines out of Crete (Caphtor) and the Syrians out of Kir.

Still later on in the Bible God's hand is said to be leading the great conqueror Cyrus of Persia (Isaiah 45:1-4), even though Cyrus knew nothing of it. God was there, but the eye of faith was not. God is always there; and sometimes the eye of faith is there to see him.

In the history of England two of the most famous events are the defeat of the Spanish Armada, and the retreat from Dunkirk. In each case the English people were to all appearances helpless, just as the Hebrews were helpless at the Red Sea; in both cases, as at the Exodus, "the weather came to their rescue." A great wind swept the Spanish navy to destruction; and a great cloud-cover kept the Nazi airforce pent in until the British army had escaped from Dunkirk.

The weather, say historians. God, say voices of faith. Are not both right?

Side of the Free

Is God on the side of the little nation?

Not always. But taking history as a whole, Christian people have reason to believe as the people of the Bible did: that God hates oppression and violence, and his "hand is against the nations that live by such means. On this Armistice Sunday it is well to remember that, if our cause is just it is not because we never lost a war.

Our cause is just if and only if it is the cause of human freedom. We have no assurance that God will stand by us otherwise

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

By the time this goes to press, the election will be over and you will know who won. A very quiet election so far, no one seems to say much, not even in the governor's race, the firehouse issue or any part of election day. We have had more conversation behind the old stove this week but it was not about the election. Most any other subject you could mention but not politics. The cold weather has frozen a lot of the late tobacco in the barn, as it has not cured. The snow came before the corn was husked.

November came in cool and damp. Lots of my customers were hunting heating stoves. Mrs. Nell Kelly came in and bought an Ansonia oil circulator, a very fine stove, less than an hour Ray had it set up. We brought Lon Wilson's coal heater up and put a new bowl in it, then took it home. Ray took a Coleman oil heater to the Florence Nursery and set it up. Helen Burgess called for a Perfection portable oil heater and for Ray to check her large oil heater, which he did. Well, here came Leslie Hoffman, in a hurry, as usual—paid her bill and wanted two gates and 100 rods of fence.

Mr. and Mrs. Clarence Sturgeon were in after coal and wood heater—I did not have any big enough, but have some on the way—they will wait. It is some job to have all sizes, types, in wood, coal and oil. Robert Bekele just came in and bought the latest test top wood heater I had, but I'll have more in a few days—shippers are very slow. Grandma Clifton was here again today, bought two pony bridles, a stove board, stove pipe and several small heaters. She has those daylight bulbs and fluorescent light for stripping tobacco.

Ray installed an oil heater for Ed Hetzel, who bought the John Wilson house on Verona Road. Then he went over on Riggs Road, Kenton county, and repaired an oil heater which had a defective oil control. I sold Harry McCubbin an oil heater and then William Ross and wife came in, from Verona, and bought a coal heater. I sure had a lot of loaders Friday—Jake Stahl, Howard Miller and Mr. Sutton spent most of the afternoon, along with Howard Stephenson, Rod Hughes and Al Hunt. We had a big fire in the stove and all the stories you ever heard—I can't print them, but they were good ones.

Mrs. Wm. Lancaster was in a few minutes. Some fellow stopped and bought a two-burner Quick Heat portable oil heater. Levi Pennington bought a large size mail box with his name plate on both sides. Dewey Ferguson saw this name plate, so he had me fix one for his mail box—you know they are getting a mail route down St. Henderson Mill Road. Wesley and Helen Burgess bought a new Perfection oil heater—they had an-

other brand of heater and it would not do the work—you can always depend on the old Perfection—they are reliable.

Some wanted window glass, some wanted furnace pipe, some wanted pipe fittings, some wanted pots and pans, some wanted cast iron pipe, some wanted linoleum and rug, some wanted tobacco stripping lights, some wanted gloves and shells, some wanted shotguns. We sold just a little of everything—some harness, riding bridles, paint, stock tonic, electric wiring, tools, axes, saws, axe handles, sledge hammers, spades, electric fence charger, Mirromatic cooker repairs, tea kettles, dust mop, wet mop, brooms, rubber heels, lanterns, flashlights and batteries, butcher knives, lawn cans, electric drill.

Drill bits, alarm clock, pocket knives, electric iron, hunting coat, gloves, corn popper, grate baskets, kitchen scales, and lots of other items—these are just some that I saw people buy. Ben Simpson wanted a wire corn popper, which we have a lot of. Mitch Gabbard wanted a grate basket. Gertrude Hamilton's wife sent him after a Sunbeam electric iron. Some fellow came in and said, "I want a Bib Ben alarm clock." It pays to buy the best and we like to sell the best. One of my good customers from Fiskburg bought an electric water heater for her chicken fountain.

These are fully automatic, keeps the water at 55 degrees and you get more eggs from those hens. Always keep plenty of warm water in the hen house—we have a lot of electric and kerosene heaters. Monday was a whirlwind. I believe the busiest day we have had for years. We sold a little of everything, as well as several heaters. Floyd Chapman was over after stove pipe and had me put mica in his stove door. Howard Miller was in for pipe fittings. Mrs. Pearl Laman brought in a two-burner oil heater to be repaired.

Ray put up a lot of those plastic window shades over the Dixie Bank in the apartment and telephone office. George Palmer, from Kenton county, came after some two-inch galvanized pipe. Ray delivered Howard Tiptitt a two-horse sled as he took George Palmer the two-inch pipe—he lost a piece of two-inch pipe, eleven feet long. If anyone finds this, it belongs to CONRAD HARDWARE. It fell out of the truck between the store and Wilson Road. Brewster has a lot of trouble keeping these oil burners going, that people did not clean out before winter started, but he will get them all running if he has time.

You have very little trouble with a good oil heater. If you clean them once in a while—if you don't, you will have to call CONRAD HARDWARE and Brewster will have to get all black and dirty. When in trouble, call CONRAD HARDWARE!

Walton Firemen Answer Call to Eads Rd., Saturday Morning

The Walton Volunteer Firemen answered a call last Saturday morning to the home of Mrs. Nell Kelly, Eads Road, near Broucht. They arrived the entire roof was ablaze. However, damage was confined to the upper story, and was estimated at \$1,500. It was caused by a defective flue. Chief Groger stated that their portable pump came in very handy in fighting this fire.

According to reports, the local firemen did a marvelous job, and it is said the house would have been destroyed had it not been for the quick response and fine work on arrival. Their efforts were greatly appreciated by the owner, as well as that of others aided.

The Chief also stated that any person in the Holly exchange, who desires to call the Walton Fire Department may now do so by merely calling the operator and asking for the Walton Fire Department, and they will be given immediate connection. This is possible through the cooperation of the Bell Telephone Co. and the Consolidated Telephone Co.

J. H. DINN

Services were held Tuesday at 2:30 p. m. at the Sixth funeral home, Florence, for J. H. Dinn, 73, former restaurant operator in Florence and a life-long resident of Boone county who died last Saturday at his home in Florence. Burial was in Hopeful Cemetery.

Dinn, a member of the Hobson Lutheran Church, leaves his wife, Lois Dinn; two daughters, Mrs. Jesse McCordle and Mrs. Ruby Perkins, and five grandchildren, all of Florence.

ADAMS - FALLS

The marriage of James E. Falls, Walton, operator of the James Theater, to Miss Alva Adams of Sherman, was solemnized Saturday, November 3, at Lawrenceburg, Ind. The bride and groom spent their honeymoon in Virginia, and while there visited his brothers and sisters. They returned home last Thursday and are residing in their home on Alta Vista Drive.

As a sidelight, November 3 was the sixth wedding anniversary of his sister, Mrs. Masli Norris.

We join the community in congratulating the newlyweds.

Ladies Auxiliary to Verona Community Club Is Organized

Members of the Verona Community were summoned to a call meeting last Thursday evening, at which time the "women folk" were invited to join the club's activities. This invitation was accepted by the ladies who then formed an Auxiliary, with ten charter members present. It is the hope of the president, Mrs. Robert E. Porter, and her staff of officers, that every woman of the community become a member of the Auxiliary very soon. A full year's work is being planned and the help of all is needed.

Plans were then completed for a Thanksgiving supper, to be held on Friday, November 16, starting at 6:30. Proceeds will be used to purchase playground equipment for the school, and this should prove worthy of your presence.

A baseball club was discussed previously, and a report will be given at the next regular meeting, which will be held November 19. Various committees have been named, and the president, Robert Porter, asks that a good attendance.

BAZAAR AT UNION

The women of the Union Presbyterian Church are completing arrangements for their annual bazaar to be held Saturday, November 17, afternoon and evening.

Fancy work, dolls, candy, milk glass antiques, bakery goods and a fish pond will be some of the attractions. Come and meet your friends and help a good cause, in the invitation of the publicity chairman.

WILLIAM BROWNFIELD

William O. Brownfield, 67, died at his home on Eagle Tunnel Road, Glencoe, Ky., Route 1, November 10. He was a farmer, and a member of the Mt. Moriah Christian Church in Pendleton county.

Survivors include his widow, Mrs. Bertha Brownfield; two daughters, Mrs. Robert Perry of Burlington and Mrs. Roy Sisson of Warsaw; a brother, Emmet Brownfield of Brookville, Ind., and three sisters, Mrs. Cora Faulkner of Covington, Mrs. Martha Burns of Morning View, and Mrs. Eva Dunaway of Bellevue.

Funeral services were held at 2:30 p. m., Tuesday, Nov. 13 at the Paint Lick Baptist Church, with Rev. Roy Johnson officiating. Burial was in Highland Cemetery.

Hamilton Funeral Home, Verona, completed arrangements.

Walton Literary Club Entertained by Mrs. Mann, Wednesday

The Walton Women's Literary Club was entertained by Mrs. H. F. Mann last Wednesday afternoon. Twenty-three members answered roll call with "My Pet Allergy." Five guests were present.

The president, Mrs. Leo Flynn, presided over the business session. The guest speaker was Mr. George Meeks, whose topic was, "Federal Government Organization of Pure Food, Cosmetics and Drugs." Mrs. Forester Thompson gave the Spiritual Guidance, "Words to live by, Watch, Watch and Pray—Work is to be your blessing all through life, though if you come to know and understand people, then let us watch, to help others, to dignify their daily tasks, and last to pray steadfastly so that the spirit of the Great Teacher may help us to transcend the trials and errors of our past experience."

At the conclusion of the program, delicious refreshments were served by the hostesses to the following members and guests: Mrs. J. C. Bedinger, Mrs. Julia A. Boush, Mrs. C. F. Blankenbaker, Mrs. Leo Flynn, Mrs. J. T. Stone, Mrs. C. Scott Chambers, Mrs. C. W. Ransler, Mrs. William Scroggin, Mrs. Lloyd Watson, Mrs. Pearl R. Johnson, Miss Emma J. Miller, Mrs. Robert Conrad, Mrs. Lorena Myers, Mrs. Carrie Rouse, Mrs. G. C. Ransom, Mrs. Wallace K. Grubbs, Mrs. Blanche Franks, Mrs. Alan H. Gaines, Mrs. Mattie Griffith, Mrs. J. E. McCabe, Mrs. Power Thompson, Mrs. D. Hess Vest, Mrs. Bruce Wallace, and guests, Mrs. Frances Berkshire, Mrs. Stanley Bush, Mrs. Wilford Rice, Miss Mary Rensler and Lizette Vest.

FINISHES BASIC

Pvt. Carl Bischoff, Verona, of the 33rd Medium Tank Battalion, has completed sixteen weeks of basic training in tanks and other Army weapons at Ft. Knox, Ky. He is now at home on delayed orders enroute to Fort Lawton, Seattle, Wash., and overseas duty in the Far East Command.

Thanksgiving Supper

The Verona Community Club is giving a Thanksgiving supper, Friday, November 16, starting at 6:30. Proceeds from the affair will be used to buy playground equipment for the school. Everyone is cordially invited. Tickets are \$1.00 for adults and 75 cents for children. Your support is needed.

FIRE DEPT. "THANKS"

The Walton Volunteer Fire Department wishes to thank the people of Walton for their support in the recent election, at which time the building of a new fire house was approved. The favorable vote by which this issue carried shows that you are interested in the Department and its welfare. We will do our best in coming years to further improve our Department.

Again we say "thanks," for without a new home we could not give the people of Walton and vicinity cheaper rates of insurance, safer homes, and lastly, give pride in our new Fire House.—Pub. Chm.

Baby Beeves Sell High

John Adams, Braht, sold 15 baby beeves on the Cincinnati market last week for an average of 32 cents per pound.

Rev. R. O. Garden To Speak Before Laymen's Group

Rev. Robert O. Garden, pastor of the First Presbyterian Church, Dayton, Ky., will speak to the Walton Christian Laymen's group, at their regular monthly meeting and pot-supper, Thursday, November 15, at 7:30 p. m. His topic will be "Soul Winning," and will display a large chart which is used to instruct laymen who go out two-by-two in search of those to whom they would present Christ.

Rev. Garden came to Dayton from the First Presbyterian Church, Madisonville, Ky., last February. He has held pastorates in Chicago, Danville, Spring City, and Dickson, Tenn. For one year he was District School Missionary in the Cumberland Mountains of East Tennessee. Rev. Garden has also been Stated Clerk and Treasurer of the Western Kentucky Presbytery of the Synod of Kentucky, and has been Moderator of the Union, Chattanooga and Western Tennessee Presbyteries.

He had his preliminary education at Berea College, Berea, Ky., where he worked his way through the "School for Mountain Students" and was graduated from the Berea College Academy. He then attended the Presbyterian Parsons College of Fairfield, Iowa, where he received his Bachelor of Arts degree. He then took post graduate studies in the Biblical Seminary, New York City and was graduated from the Department of Christian Education and Theology.

Rev. Garden was born and raised in the very highest of the Blue Ridge Mountains of Western North Carolina. He calls himself an evangelist, pastor and has had considerable experience in preaching revivals.

Hunting Season to Open November 20; Precautions Listed

With the opening of the rabbit hunting season November 20, hunters and householders are reminded of the need for taking proper precautions in handling rabbits and other wild game.

Practice of these precautions will help to guard against tularemia, also known as rabbit fever since rabbits are the most common source of this infectious disease.

Five cases of tularemia were reported in Kentucky last year, according to the Division of Preventive Medical Services, Kentucky State Department of Health. Most, if not all, of these cases could have been prevented.

To date there is no satisfactory method of immunization, so it is particularly important that care be taken to avoid infection. Necessary precautions include:

- 1—Always shoot a rabbit on the run, never if it can be caught sitting.
- 2—Carcass should be thrown away if, upon examination, small white or grayish spots are seen on the rabbit's liver.
- 3—Never handle a wild rabbit which has been found dead by a dog or cat.
- 4—Keep hands away from the face whenever handling wild rabbits.
- 5—Always wear rubber gloves when dressing rabbits, and
- 6—Cook rabbits thoroughly, so that no red meat or red blood remains; thorough cooking destroys the germs.

Cards warning hunters against the dangers of tularemia and listing five simple precautions have been prepared by the Kentucky State Department of Health and may be obtained from the local county clerk.

Thanksgiving Service

The community Thanksgiving service for all churches and people of the Beaver community will be held at the Hughes Chapel Methodist Church, at 10:00 a. m. Thanksgiving Day.

This will be the fifth year for this united service, which has become a very looked-forward-to part of the community activity.

Everyone is urged to come out for one hour on this day in gratitude for the many blessings of life.

CHARLES RANSLER

Charles W. Ransler, well known Northern Kentuckian and a life-long resident of Walton, died Wednesday morning at St. Elizabeth Hospital, Covington. He suffered a heart attack at his home last Friday night and was taken to the hospital Sunday.

Mr. Ransler was a member of the first graduating class of Walton High School; he was an active member of the Walton Christian Church, the Walton Masonic Lodge and Order of Eastern Star; a member and past president of the Covington Rotary Club; a director of the Christian Orphans and Widows Home at Danville, and had also taken active participation in Crippled Children work in this area. For many years he was engaged in the real estate business with an office in the Copple Bldg., Covington.

He is survived by his widow, Mrs. Kate Bentz Ransler; a son, Charles W. Ransler, Jr., football and basketball coach at Hebron High School, and a grandson, Charles W. Ransler, III.

As we go to press, funeral arrangements have not been completed.

WALTON P. T. A.

The Walton P. T. A. met November 12, at which time "Dad's Night" was observed. Mrs. Bryan Rector presented an interesting and entertaining program. Included were various musical selections rendered by Mrs. T. P. Strittmatter.

The guest speaker was Willard Wade, Executive Secretary of the Covington Y. M. C. A., who gave a talk on "Social and Youth Problems of the Community."

Refreshments of pie and coffee were served, followed by adjournment. Mrs. Smith and Miss Chandler received \$1.00 each for having the most parents present.

Enlists in Air Reserves

First man to enlist in the recently organized Air Force reserve training wing at Greater Cincinnati Airport, was William H. Appel, 17, son of Mr. and Mrs. Meni Appel, Independence, Route 1, a senior student at Simon Kenton High School.

Lt. Col. Verider Moore, commanding officer of the 2252 Air Force Reserve Training Center, which trains Air reserve enlistees in the 910th RTW, said that Pvt. Appel plans to join the regular Air after graduation and that the youth feels reserve training will help in future tours of duty.

Pvt. Appel is a member of the Simon Kenton varsity basketball team, is on the school newspaper staff and an active member of the 4-H Club.

He will be assigned as clerk typist to the 910th Medical Squadron during reserve training.

It is reported that another Kenton county youth, Christine Menefee, of coming Friday, has also enlisted in the Air Reserve Training Wing. He is a senior at Simon Kenton High.

Wa-Na Club Meets At Phoenix; Snape-Hayes, Hostesses

Mrs. Jack Snape and Mrs. Charles Hayes entertained the Wa-Na Club for its November meeting at the Phoenix Restaurant. During the business session, Mrs. Clayton Jones gave a report of the district convention held recently at Warsaw. The club decided to sponsor the Heart Campaign, to help a family in Italy, and to prepare filled socks for veterans.

Mrs. Clayton Jones, program chairman, introduced the program which began with Mrs. Jack Snape reading the club collect. The roll call followed, with each member stating something she was thankful for. Mrs. Jones then introduced the guest speaker, Mrs. Barton Johnson, who brought many timely thoughts on "Home and Family Solidarity."

Guests and members present were: Mrs. Johnson, Mrs. Lawrence McCord, Mrs. Clayton Jones, Mrs. Ward Rice, Mrs. Andrew Jarman, Mrs. Fred Hamilton, Mrs. Oscar Cook, Mrs. James Spencer, Mrs. William Murray, Mrs. J. B. Johnson, Mrs. Leonard Cook, Jr., Mrs. Gayle McElroy, and the hostesses, Mrs. Snape and Mrs. Hayes.

Frozen Burley Serious Blow To Farmers

\$50 REWARD

In the last several months, the Walton-Verona school property has been damaged, entered and various other acts of vandalism committed, and the Board of Education has offered a \$50 reward for information leading to the conviction of anyone caught damaging said property.

The Board also warns everyone that such acts will not be tolerated and prosecution will be to the fullest extent, as this must not continue. School property must be protected from damage the same as a post office or any other public property.

To Be Ordained Christian Minister Sunday, Nov. 18

A former Independence resident will be ordained to the Christian ministry Sunday, November 18 at the Somerset Christian Church. The services are set for 7:30 p. m.

Roy D. Martin, candidate for ordination, was graduated from Simon Kenton High School, Independence. While living in Independence, he was active in the Christian church, serving as Sunday school superintendent and a deacon.

Such procedure, he said, will prevent the sap from the frozen leaves oozing out of the leaf structure and dripping onto sound leaves.

He said five to eight days of firing could be necessary in the barn, where barns cannot be fired. Hunt said frozen tobacco should be removed from the barn and sound grades removed from the stalks. The stalks containing the frozen leaves should be burned in the barn, he said, with the hope of salvaging some low-quality tobacco.

Counties in which frozen tobacco has been reported include Nicholas, Bath, Fleming, Mason, Lewis, Bracken, Robertson, Pendleton, Campbell, Kenton, Boone, Grant, Gallatin, Carroll, Trimble, Scott, Owen, Henry, Franklin, Harrison, Shelby and Oldham.

The Walton-Verona High School Beavers out the 1951-52 basketball season tonight with a game at Williamsport, and on Friday night, November 16, on the home floor, the Cats meet Holy Cross of Covington. On Tuesday, November 20, the locals go to Beechwood.

Pioneers Play Burlington

The Simon Kenton Pioneers, after a win in their opener last Friday against St. Henry, will be gunning for win two this Friday night when they are hosts to Burlington. On Wednesday, November 21, the Kenton outlaws will meet the Mayville quintet on their home floor.

The starting lineup tonight might read something like this: Don Vest and John Grubbs, guards; "Stormy" Linton, center; Junior Linton and Harold Campbell or Russell Speagle, forwards. Billy Smith, regular center, who has been injured, is likely to see action.

In Simon Kenton's opening win, a newcomer, Glenn Clarkston, was top scorer, and should do well this year. Human and Chapman, holdovers of last year's squad, also played an important part in the victory.

Mrs. Minnie Simpson

Mrs. Minnie Hammond Simpson, of Walton, died Friday night at her home. She was 82 years old and was a member of Walton Methodist Church.

Surviving are her husband, Mr. Beamy Simpson, owner of a coal and field area here; three daughters: Mrs. Ray Glone, Edgewood, Calif.; Mrs. Clyde Chipman, Orlando, Fla.; Mrs. John R. Stich, Central City; two sons, Horace G. Simpson, Mayeville, Paul Simpson, Walton; three sisters, Mrs. W. B. Rogers, Owensboro; Mrs. Walter Luther, Owensboro; and Mrs. V. Morgan, Cincinnati and seven grand children.

Services were held Monday at the Walton Methodist Church. Burial in Highland cemetery with Chambers & Grubbs in charge.

Mrs. Rose Sizemore of Dayton, Ohio is visiting her son and wife, Mr. and Mrs. Eugene Sizemore.

22 Counties In Affected Area

Late tobacco that was frozen in curing barns has resulted in a serious blow to some burley growers in northern and central Kentucky.

Russell Hunt, University of Kentucky agronomist, said this week that farmers in 22 or more counties must tackle the problem of thawing out tobacco before it can be marketed. Much of the tobacco was only partly cured, Hunt said. He urged portions froze during the recent cold weather.

The problem is something new to farmers, who have been scrambling for information on how to preserve the cured portions of their leaf.

Hunt suggested that barns in which tobacco has become frozen, "should be fired with coke or some other satisfactory material to dry them out completely."

Such procedure, he said, will prevent the sap from the frozen leaves oozing out of the leaf structure and dripping onto sound leaves.

He said five to eight days of firing could be necessary in the barn, where barns cannot be fired. Hunt said frozen tobacco should be removed from the barn and sound grades removed from the stalks. The stalks containing the frozen leaves should be burned in the barn, he said, with the hope of salvaging some low-quality tobacco.

Counties in which frozen tobacco has been reported include Nicholas, Bath, Fleming, Mason, Lewis, Bracken, Robertson, Pendleton, Campbell, Kenton, Boone, Grant, Gallatin, Carroll, Trimble, Scott, Owen, Henry, Franklin, Harrison, Shelby and Oldham.

Basketball Opener Here Friday; Locals At Billtown, Tonight

The Walton-Verona High School Beavers out the 1951-52 basketball season tonight with a game at Williamsport, and on Friday night, November 16, on the home floor, the Cats meet Holy Cross of Covington. On Tuesday, November 20, the locals go to Beechwood.

Ryland Homemakers

Mrs. Robert Zacharias, citizenship chairman of the Ryland Homemakers at the Nov. 6 meeting, read an informative article on the United Nations organization.

The poem, "Let us be Thankful," by Metcalf, was given by Mrs. F. B. Hermes and the thought was stressed by all members, that we should not only be thankful, on Thanksgiving day but every day of the year, for the many blessings that we enjoy here in this wonderful land of ours, "America".

An interesting report on the Kenton County Homemakers annual meeting was given by Mrs. F. B. Hermes and Mrs. W. A. Damon. A list of books for good reading, hobbies, decorating and landscaping, was presented by the reading chairman, Mrs. G. A. Damon. The books are obtainable for all Homemakers members, through a circulation library. As a part of the Civic project a donation of five dollars is to be mailed to the Crip children's fund.

The lesson "Diet in relation to Anemia" was given by Mrs. W. P. Schwall and Mrs. Shelby Martin. Mrs. Edw. L. Hauser Sr. was hostess for the meeting. Visitors welcomed were Mrs. Frank Connor, who

assisted her mother in serving a nutative luncheon, and Mrs. Harry Caldwell, a prospective member. Plans were made to fill a Christmas basket for a needy family, also a gift exchange by member for the December meeting. Members present were Mrs. John S. Murchison, Mrs. F. B. Hermes, Mrs. Shelby Martin, Mrs. W. A. Damon, Mrs. Robert Zacharias, Mrs. G. A. Damon, Mrs. W. P. Schwall and Mrs. Edw. L. Hauser Sr. The December meeting will be held in the home of Mrs. John S. Murchison of near Ryland.

Staffordsburg Homemakers

A new member, Mrs. Shirley Halderman, was welcomed into the Staffordsburg Homemakers Club when it met at the home of Mrs. Edith Ware, Mrs. William Binder gave the lesson on "Meal Planning" stressing the importance of "Calcium" and "Iron" in our diets.

A white elephant sale was held in the afternoon with Mrs. Bluth Rich acting as auctioneer. Three guests and eighteen members attended. Guests were Mrs. Howard Barnett, Mrs. Howard Frederick and Mrs. Earls. Members attending were, Mrs. Bluth Rich, Mrs. Mabel Vanlaningham, Mrs. Chester Hill, Mrs. J. C. Beall, Mrs. John Shaw, Mrs. William Binder, Mrs. Denver Binder, Mrs. Roy Payne, Mrs. Clinton Henry, Mrs. William Gadker, Mrs. Ralph Howard, Mrs. John Ware, Mrs. J. A. Keeney, Mrs. L. J. Rapp, Mrs. George Klein, Mrs. Emil Stein, Mrs. J. J. Barnett and Mrs. Shirley Halderman.

MONEY IN DAIRYING

Dairying is an important source of income for Robert Holt of Graves county, who has a diversified farming program. For the first eight months of this year, six cows produced 28,843 pounds of milk, bringing him \$142. This does not include the value of the calves raised, said Wilson R. Hoover, UK county agent. Tobacco, strawberries, poultry and sheep are also produced on his farm.

FIVE GRADES MADE OF PRIMED TOBACCO

G. F. Price of Owsley county primed two acres of tobacco from bottom to top leaves as they ripened, putting all the grades together as near as possible at pulling time. When tied, there will be five grades of good-quality leaf and five of second-best. Price has found several advantages

in priming the entire plant, he told UK Farm Agent James J. Johnson: the barn will house two or three times more acreage, the tobacco is of better quality, he can take advantage of early market, and the

stalks are left in the field where they should be, he pointed out.

Mr. Price housed the two acres of primed tobacco in a one-acre barn, and then had enough tier space for another acre of primed tobacco.

THE BIBLE SPEAKS

International Uniform Reader School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Exodus 18-23. DEVOTIONAL READING: Deuteronomy 6:16-25.

All Men Need Laws

Lesson for November 18, 1951

WHY do we need so many laws? Why can't we trust people to follow their conscience? There are two reasons why we can't do that. Some people won't follow their consciences, and some other people have crooked, inaccurate and dull consciences, — if they did follow them they would be wrong most of the time. Why can't we have just the Law of Love? Love is important, to be sure, but "love" by itself doesn't tell us what to do in any concrete case. And besides, too many people have no love to speak of.

Dr. Foreman

Are Bible Laws Out of Date?

WE'll then, can't we get along with the Ten Commandments? They cover everything, don't they? They do, to be sure; but only in a very general way. What we need is something that gets down to cases. Surely, you might think, the ancient Israelites could have gone along pretty well without laws. But God wanted them to have laws. They could not be a nation without them.

In Exodus 21-23 we have a simple code which is the earliest known group of laws applying the Ten Commandments to actual conditions and situations of living. Christians are not altogether agreed about whether the law in Ex. 21-23 (and its parallel in the Old Testament) apply to us today.

The majority of Christians look at it like this: The Ten Commandments, as great sign posts and standards, are everlastingly in force; the other laws (as those in Ex. 21-23) were meant for that particular nation. When that nation disappeared, the laws went with it just as (for example) the laws of Rome perished with the Roman Empire.

Getting Down to Cases

HOWEVER, while these laws were not directly intended for us, and are not all usable by us, they are well worth our study, because they are examples of how the great basic principles of the Ten Commandments were once applied in practical living and they give us valuable hints on the way to apply the Ten Commandments in our own times.

One illustration of this point can be seen in Ex. 21:28-36, the Law of the Goring Ox. The Commandment reads simply: Thou shalt not kill. But what if the killing was done not by a man but by his ox?

The law goes into the question of responsibility in an interesting way. Not many readers of these lines own oxen,—more likely tractors or station wagons! But the principle of responsibility for a damage, the principle of criminal negligence, is as good today as it was in 1200 B.C.

"Right" Isn't a Sum

SOME of these laws, indeed, could be taken literally today. For instance, take Exodus 23:7, first part of the verse. This says pretty clearly something that millions of people to this day don't understand. It means this: The number of people who say a thing is right, or is wrong, has nothing whatever to do with the question, IS it right or wrong?

Most young people, at least, have the notion that if "everybody does it" it must be right. Not at all. The Judge of all the earth is God, not a majority vote. A thing can be made legal by a majority vote in a legislature, parliament or the like. But not all the congressmen from Maine to California can make a thing right just by saying so.

Yet how many people in our time settle the liquor question (for example) by looking, so to speak, at it as a score board! A majority of our lawmakers voted to make the sale of liquor legal; so "it must be right." "Everybody I know" says this, all right, so "it must be right."

Every once in a while it dawns on some smart person that the right and wrong of the liquor question can't be settled, for a Christian, by a simple counting of votes for and against.

The number of cocktail parties in New York, Washington or Denver doesn't settle the question. It has to be studied from a Christian point of view, and the big question is not: How many people do it? But: Is it right for those who are their "brothers' keepers"? Is it right for those whose bodies are to be temples for the Holy Spirit?

THE WAY OUT OF THE DARK

There is a way out of the deep darkness that enshrouds the world; it is the way of the Bible, the way of light.

The sweet Singer of Israel found this way and exclaimed, "Thy word is a lamp unto my feet and a light unto my path." The prophet Isaiah knew of it when he told the Israelites, "The Lord shall be unto thee an everlasting light, and thy God thy glory."

The Bible has been God's Pillar of Fire to lead men and nations out of darkness into light. The chaotic blackness of the Angustus Age was shattered by the Light which came out of Israel in fulfillment of the Scriptures. In this light new faith and hope were born.

The darkness of the Middle Ages disappeared in the brightness of the Renaissance and the Reformation when the leaders of men searched the Scriptures and found the Light of God. Every great revival of spiritual religion has cleared the mists from human eyes and lighted man's way to peace.

The darkness that envelops the world today will roll away on the wings of the morning when men and nations turn back to the Bible and back to God.

It takes
MONEY TO BUILD!

"I just had to have more barn room . . . and some of the other buildings needed repairing.

"But it takes money to build . . . more than we had saved up. Then, a neighbor tipped me off about a Federal Land Bank loan. He told me to see the National Farm Loan Association. It was a pleasant surprise to learn that the Association was made up of my friends and neighbors . . . all good, solid, substantial farmers.

"Well, today you'd hardly recognize the old farm, it looks so nice. I can keep my livestock and crops in better shape—can operate more efficiently and make more money. And I'm happy about the 4 percent Federal Land Bank loan. I can take 20 to 33 years to pay . . . or pay just as fast as I want without any penalty whatsoever. And I didn't have to pay a cent in application fees, appraisal fees or commissions.

"If you need money to build or improve your farm in any way, let me suggest a Federal Land Bank loan."

Artificial Breeding Ass'n Meets

A special meeting of the Kenton County Artificial Breeding Association was held at Independence, Nov. 6, 1951, for the purpose of amending the by-laws of the organization to permit the raising of the breeding fee above \$5.00, but not to exceed \$7.00. The vote resulted in 85 for the amendment and 53 against it. It was reported that a number of irregularities were noted and the entire election or transaction was challenged and asked to be set aside. It is reported that the matter is likely to reach the courts and that the raising of the breeding fee will be delayed indefinitely, until the courts reach a decision.

Pioneer Cagers Defeat St. Henry

Simon Kenton's Pioneers opened the 1951-52 high school basketball season with flying colors as they out-pointed the St. Henry Crusaders 52-43 last Friday night at the Independence school's gymnasium.

The Crusaders held a slim 11-10 margin at the quarter pole, but Simon Kenton came back to knot the count at 22-22 at halftime. Sparked by the basket accuracy of Glenn Clarkson and Paul Human, Coach Willard Shropshire's Pioneer cagers moved ahead 41-37 at the three-quarter stop.

Clarkson topped the Simon Kenton scoring column with 23 markers and Human added 12. Drahrman and Deris led the St. Henry point-makers with 14 and 13 tallies, respectively.

Mother Burned by Exploding Stove
Mrs. Lydia Wilson, 26-year-old mother, Walton, Ky., suffered second and third degree burns last Thurs-

day when an oil heating stove exploded in her home. Her condition was reported as critical at Booth Hospital, Covington.

A neighbor, Mrs. Elsie Tippet, extinguished the flames in Mrs. Wilson's clothing as she ran from her home, William Goetz, Kenton County Acting Police Chief, reported.

Rose Marie, 18-months-old daughter of Mrs. Wilson, was not injured. The Independence Life Squad removed Mrs. Wilson to the hospital.

Tilford Merhson, Independence Fire Chief, reported that no fire resulted from the blast.

Kenton P.T.A. Organized

Nomination and election of officers and the addition of 75 parents and teachers as charter members provided the activity for the organization meeting for the Kenton Elementary Parent Teachers Association held recently at the Kenton Station Elementary School, Kenton County. Mrs. James L. Tichenor, President of the Sixth District Congress of Parents and Teachers, conducted the meeting.

Officers were nominated by the nominating committee and elected by acclamation. They are: Mrs. Vera Riley, president; Mrs. Hazel Miller, vice president; Mrs. Ruth Ashcraft, secretary, and Mrs. Sara Butler, treasurer.

The regular meeting date was set for the third Thursday of each month. The next regular meeting will be held at 7:30 p. m., Thursday, November 15 at the Kenton school.

Farmers Given Advice On Drought Aids

In a statement of advice to Boone County farmers, Bill Davis, county agricultural agent, Burlington, called attention to "several things farmers can do to lessen the seriousness of the drought during the coming winter and spring."

He declared: "We all know of course, that the only way to end a drought is with several inches of rainfall, which in this area, has not occurred."

"We have no control over the rainfall," he said, then listing some steps which may be taken to alleviate the problem. He said:

"The first thing to be done is to plant small grain crops for pasture and winter cover. There is still time to plant wheat and rye for these purposes. Balbo rye is probably the best under conditions such as we are now experiencing as it makes a quicker growth in the spring after late fall planting. The application of lime and plenty of phosphate and potash fertilizers will also increase growth. These small grains should not only be sowed on row crop land but on old lespedeza fields and worn out pastures."

"The application of 100 pounds per acre of ammonium nitrate on small grains in February will bring forth an early growth and enable livestock raisers to turn on to good pastures in the very early spring and stop feeding hay that they will have to buy."

"Pastures are still extremely short and it is an excellent practice to have back one pasture this fall and keep cattle out of it. Overgrazed pastures are slow to come back in the spring, while this one pasture saved back will make a rapid early growth next spring."

"Even though home grown feed will be short this winter, dairymen should purchase sufficient feed supplies to carry their herds through the winter in good condition. Cattle out of condition and short of feed during the winter have a greater tendency to contract a disease called grass tetany when turned out to flush spring pastures."

"Hay and corn supplies should be purchased now. The further we get into winter feeding period the higher feed supplies are likely to be."

"Many livestock men are contemplating a liquidation of their herds this fall to keep from buying winter feed. These same men plan to buy stock replacement herds next spring."

"Dairymen considering this plan should examine the situation very closely before making such a move. With home grown feed in short supply, not many men are willing to buy extra animals to take through the winter, consequently the herds cannot be liquidated at a favorable price. Good replacement herds will undoubtedly be high in the spring when the pasture season is just ahead."

Furthermore, good replacement cattle are always hard to find. "Advice to dairymen contemplating such a move is to keep good cows and heifers and buy feed for them. The herds should be culled very closely to remove low producers, cows with damaged udders, old cows and bulls. Bulls especially should be removed from small herds. A bull eats as much as a producing cow and gives no return for the feed."

"With artificial breeding services available to all dairymen, there is little to be gained by keeping herd sires in small herds."

"In regard to winter feeding it will be advisable to pay particular attention to production and feed hay and grain accordingly. When purchasing feed supplies one must be

extremely careful and feed according to production or losses rather than profits will result. It is not advisable to cut down on hay and substitute grains, which may be cheaper. A cow is naturally a roughage consuming animal and must have a proper amount of roughage to produce at her best," Mr. Davis said.

MINISTER ORDAINED

(Continued from Page One)

Immediately following the ordination services a reception, in honor of Mr. and Mrs. Martin will be held at the home of Mr. and Mrs. J. P. Highland of Somerset. Mr. Highland and other elders of the church will take part in the ordination service, participating in the laying-on-of-hands.

The reception is being sponsored by the Women's Christian Missionary Society of the Somerset church.

SEAL SALE

While expressing deep gratifica-

tion over the number of Boone coun-

ty residents who are offering their

services for the 1951 Christmas Seal

Sale campaign, Mrs. C. L. Cropper,

county chairman, and Mrs. Sibbia

Reimer, president of the Boone Co.

unity Tuberculosis Association, said

today that many more volunteers

are needed.

The 1951 Christmas Seal sale will

be conducted in Boone county by

the local Tuberculosis Association,

from November 19 to Christmas.

Funds from the sale of the seals will

be used to support tuberculosis con-

trol work of the association.

Many individuals and groups are

aiding in the sale, Mrs. Cropper said.

Students of Florence High School

My Dogs Stay Strong and Peppy on Purina Dog Chow
Says Mr. Hugh G. Higgins of Slaughters, Kentucky

Mr. Hugh G. Higgins, pictured above, with his pointers Slicks, Big Foot, Fannies, Happy Boy and Rousing Skipper Fanny, has this to say about PURINA DOG CHOW. "I think PURINA DOG CHOW is the BEST dog food on the market. It is well balanced and my dogs eat it good. We have used Dog Chow for several years; it keeps my dogs strong and peppy."

Sound nutrition is the basis for condition... field condition that will keep a dog going all day. PURINA DOG CHOW is the ration designed for long hours in the field. Economical and easy to feed. A tasty food dogs go for.

RABBIT PROJECT for 4-H CLUBS

A rabbit project for members of 4-H clubs is announced by University of Kentucky College of Agriculture and Home Economics. Any 4-H boy or girl may enroll. All that is needed is a place to house the rabbits, feed to keep them growing and willingness to work to make the project a success, it is stated.
One doe can produce three or four litters of six to eight rabbits each year. Rabbits are usually ready to kill when two to three months old, when they should weigh three to four pounds. When 60 days old they dress about two pounds.
Rabbit meat, according to the college, can be produced at low cost, as rabbits eat much waste feed. About five pounds of live weight.
It is estimated that 3,000 acres in Wayne were seeded this fall with Ky 31 fescue.

Kentucky Weather

We have all kinds of weather in Old Kentucky—one week it is cold and rainy, the next week it is fair and hot—so you never know what you are going to have one day to the other. That cold spell we had sure froze that late tobacco which had not cured in the barn, but if it is left alone, it will cure out. When you live in North-east Kentucky, you get the tail end of the weather from the South and the tail end of the cold from the North, that cold drizzle rain from the East and the hard blowing rain from the West. We have it all sometimes, in one week, but Old Kentucky is the best place to live, being the home of fast horses and beautiful women.

Mrs. Emma Flynn just came in for me to sharpen her scissors. "Hotdog" from Verona got a cool heater; Henry Gilvin from Kenton county, bought the best shogun. I had, Forest and Louise Marsh were in—I asked Louise about her Perfection electric range—well, she got started brooping on it, and I could hardly stop her. She said it had never cost her \$3.00 per month to cook on her new Perfection electric range. Ray set up an oil heater at Twin Oak Farm for the Gaines Bros. He stopped and called on Mrs. Whitson's oil heater. Then he and Chick went up and hung storm windows, which we had put new glass in for O. P. Manna. This afternoon he went to Ellis Station to repair an oil heater for Mrs. Howard Beech—someone had been fooling with the level valve and cut the oil flow off. He stopped and checked Mamford Craft's oil heater, and also took Chas. Colcord at Verona, several steel fence posts.

Peggy Vest came down to vote today, then came in and paid his bill—Peggy don't get down town much anymore—he used to loaf with us but he didn't stay long today. When you have been here as long as I have, and seen your friends and good customers, who were very active slow up and not able to do much anymore, men who have hurried and hustled trying to meet their debts and keep their families, and when it is all said and done, the best thing you can leave behind is a good record. I get telephone calls every day asking about some man's reputation and credit. I love to tell someone about a good man's credit, for he has spent years keeping his credit good. At the rate we travel today, you have to have good credit or you can't do anything. When I get started on this credit subject, I never know when to stop. Anything that makes me mad is for someone to buy something and say "I'll pay you Saturday night" when I know they are crying and their credit is no good. If you want to get refused credit at my store, don't mention "I'll pay you Saturday," because in 15 years I've learned that Saturday never comes.

Wednesday was a terrible day, it rained and snowed and turned colder. We had a lot of loaves and not many customers—what few we had wanted weatherstrip, glass cloth or stove pipe. William Armstrong bought an oil heater and took it with him. Elroy Vallandingham bought a lot of weatherstrip. Dick Ryan was getting some lights fixed up to strip tobacco by, Dallas Whitson was in getting some pipe and flat steel to fix up a hog scalding outfit. Brewster made it all Dallas had to do was put it together.

Chick cleaned out three oil heaters, then someone brought a small one in the side door for him to clean out—he used a barrel type electric sweeper to clean soot out of burner—he did not know there was still fire in the heater until the sweeper started smoking—that old sweeper was really blowing smoke before he could get it apart—it burned a lot of holes in the dust bag and burned up the filter. We sure got into a lot of messes, but not too bad. Luther Maxwell bought a lot of that Armstrong linoleum for his new house on High School Court.

Thos. Linton bought his wife a new linoleum rug—he picked a beautiful pattern—I hope she liked it. Leslie Hoffman was in and ordered two metal farm gates. Ray took Waverly Thompson, who operates the Shamrock Inn at Brunch, and is now building a tourist court, an 80-gallon electric water heater and a Dayton water system. J. R. Stephens, up Crittenden, was in and ordered a coal heater—he bought the stove and Chick took care and the stove right up to Crittenden.

Lawrence Menefee called and said his furnace grate had broken—I called Cincinnati Heating Co. and they said it would be 8 weeks before we could get that grate—some fast service! Our new Chloropore, who has an office beside Dr. Mondox, is getting ready to open up—we put him in an oil heater for the front room and an electric heater for the back room—if you have the back ache, see "Doc." I went up to help Gayle and Helen McElroy, celebrate their fourth wedding anniversary—Old Mr. McElroy has weakened a little, but he is under 40 yet, just wait a few years!

Monday was a holiday for some people, but we worked just the same. Chick sold and laid Les Hopperton some Armstrong linoleum—Chick said he didn't want any more of the linoleum laying. Ray put in some glass in storm windows—he also delivered a lot of hardware to Link Bros. at Richmond, and set up that coal heater for "Hotdog" at Verona. Don't forget the hunting season opens next week—come to Conrad's—have guns from the cheapest to the best!

Bloodmobile to Visit Walton, December 17

Urges Boone Countians To Participate Freely

Mrs. Alan H. Gaines, Walton, recruitment chairman for the Bloodmobile in Boone county, called attention of all residents of the area this week to the next visit of the bloodmobile to the county, which will be on Monday, December 17, at Walton.

Listing of donors of blood must begin now, Mrs. Gaines said. She urges Boone countians to call or contact the following persons, in this area:

Walton—Mrs. Jesse Callen or Mrs. Warren Stephenson, who is representing the American Legion.
Verona—Mrs. Walter King, Beaver Lick—Mrs. Geo. W. Baker, Burlington—Mrs. Albert Pfalzgraf, Hebron—Mrs. H. C. Steward, Constance—Mrs. Edward Ellis or Mrs. Charles Herbstreit.

Prospective blood donors are asked to call either Florence 84 or Walton 33 immediately so that the county can supply its quota of blood on the December date.

A-N Homemakers

"One hundred percent attendance" was the goal set for the coming year when Mrs. John C. Mayhugh, president, opened the business meeting of the Atwood-Nicholson Homemakers Club at the home of Mrs. John H. Butler, with Mrs. Frank Stagnan as co-hostess. Plans were formulated to have a lesson in Textile painting in January. The making of lamp shades and how it added beauty to the home was explained by Mrs. H. L. Picher.

"Freedom and Peace" was the subject of an article read by Mrs. L. S. Wagner. As a Christmas present, a sum was set aside to aid the needy children in the school. On the committee are Mrs. John C. Cain, Mrs. H. L. Picher, Mrs. Alfred B. Hymer and Mrs. Edw. Schanck. The importance of having iron and calcium in the daily diet, and the essential elements for good health was given by Mrs. Alfred B. Hymer and Mrs. S. C. Flak. A book review, based on hope, faith and very little cash, "Pennies from Heaven" was given by Mrs. John C. Cain.

Attending were Mesdames L. S. Wagner, Edw. Schanck, John C. Mayhugh, S. C. Flak, John L. Butler, Clifford Corellis, H. L. Picher, Orrie Young, S. A. Roberts, Frank Cooke, R. C. Durr, Alfred B. Hymer, Frank Stagnan, Raymond Dickson, Thomas Bishop, John C. Cain, D. Thomas, Charles Satchwell, the latter two being guests.

Beechgrove Homemakers

Beechgrove Homemakers Club of Independence, held its November meeting at the home of Mrs. Wm. P. Meyer, Station Road, with Mrs. Roger Robinson, co-hostess.

A report was given by Mrs. F. M. Powers on leathercraft at Dorothy's in Cincinnati. A number of members attended classes on leathercraft and made useful leather articles.

Mrs. Roger Robinson gave a report on the presentation of the United Nations flag to the Kenton Elementary school. A letter of thanks for the flag was read from the principal, F. D. Caton.

Plans for a Christmas party were completed, and will be held at Mrs. F. M. Powers'. Members displayed Christmas gift suggestions.

A lesson on "Nutrition" was given by Mrs. William Endres, and the Extension Beautification lesson was given by Mrs. Wm. F. Meyer.

A poem on "Thanksgiving" by Trimpie, and a story "The First Thanksgiving Menu" by Herbert G. Moore was read by the reading chairman. Last year's Secret Falls were revealed and new ones were drawn for the coming year.

Concord Pastor Resigns

Rev. Vernon F. Lipcom, Jr., has resigned the pastorate of the Concord Baptist Church, Gallatin county, and has accepted a call to the Hickory Grove Baptist Church, near Independence, Ky.

S. Earle Wilson

Services were held at 2:30 p. m., Monday at the Florence Christian Church for S. Earle Wilson, 61, Highway, Florence, who died last Friday at his home. He was 61, and an employee of the Southern Railroad.

Mr. Wilson was a member of Unity Lodge, F. & A. M., Ludlow, and was also affiliated with the Florence Volunteer Fire Department. He was also a member of the Order of Railroad Conductors, Indian Consistory, Scottish Rite, Covington, and the Florence Christian Church.

Charter Received By Civics Club of All Saints School

The Catholic Civics Club of All Saints school has received its official charter from the Commission on American Citizenship in Washington, D. C.

At a recent meeting members of the 5th, 6th, 7th and 8th grades voted to organize their own unit of the Civics Clubs.

Officers elected were: Tony Poole, president; Carol Butler, vice president; Jean Poole, recording secretary; Ronald Butler, corresponding secretary; and Nancy Ryan, sergeant-at-arms.

All Saints Civics Club is one of the more than 1,400 Catholic Civics Clubs chartered in the United States last year. Sponsored by the Commission on American Citizenship of the Catholic University of America, Washington, D. C., these clubs foster training for good citizenship in parochial and high schools throughout the nation. Through monthly projects on a community level, these young citizens learn in a concrete way the meaning of Christian social living based on principles of justice and charity.

Name 4 Kentucky Top 4-H Winners

TOP RANKING records in the 1951 National 4-H Achievement and Leadership programs have brought state honors to four Kentucky club members.

One of the highest honors bestowed on 4-H Club girls and boys is the 4-H Achievement award. State-wide recognition for brilliant records in achievement has been accorded William R. McCoy, 11, 16, of Inez, and Doris Lee Smith, 18, of Buchel. Not only was their record in 4-H Club work outstanding, but they have earned respect and admiration in their homes and communities for service to others.

William, a 4-H'er for seven years, is president and junior leader of his local 4-H Club and of the Martin County Club. He is also vice-president of the Kentucky Association of 4-H Clubs. Doris entered club work at the age of nine and immediately went to try all of the projects but was persuaded to start with one. She has concentrated on baby beef and swine for the last seven years. She had 16 most animal exhibits and won the State Swine championship three years and a trip to Chicago. She has named the most outstanding Club Girl, County Farm Bureau Queen, won the County Poultry judging Champion and has 400 ribbons and \$2,500 to show for her efforts. Doris expects to continue her interest in Meat Animals.

A set of two miniature statues, symbolic of the 4-H motto, was a club boy and one of a club girl, was presented to each by the National Extension Service. The Girl Club Work, these were designed especially for 4-H by a well-known sculptress.

Gas Corp. Chartered

The Eastern Gas Corporation of Walton, was chartered at Frankfort, Wednesday of last week, with a \$100,000 capital stock for the distribution of artificial gas.

Incorporators listed in an Associated Press dispatch include: Frank DeMolay, Walton; Norris and Paul Saylor, both of Harlan; G. L. Tucker of Cynthiana; Joseph J. Leary of Frankfort; and Clarence Lebus of Lexington.

Floyd L. Frakes

Floyd L. Frakes, 61, Independence, died last Saturday at his home. He was a native of Pendleton county.

Mr. Frakes was a retired Louisville & Nashville Railroad engineer. He was a member of the Brotherhood of Locomotive Firemen and Engineers.

Surviving him are his widow, Mrs. Ann Hoffman Frakes; a son, Ellis L. Frakes, Park Hills; a brother, Earl Frakes, Covington, and a grand-daughter.

Services were held at 11 a. m., Monday at the Swindler funeral home, Covington. Burial was in the Independence Cemetery.

Farmers Busy Stripping

Boone county farmers are busily engaged in stripping tobacco, according to Bill Davis, County Agent.

Many farmers try to get their tobacco on the first market, as the extra good quality tobacco seems to bring a higher price at early sales than it sometimes does later in the season.

Boone county farmers were paid in excess of \$1 1/4 million for the 1950 bumper crop, with Kenton and Campbell county farmers receiving \$1 million, Davis added.

Kenton Garden Club

The Kenton County Garden and Cultural Club held its regular meeting November 15 at the Independence Christian Church, with Mrs. John R. Loomis hostess.

Mrs. Lewis Gabriel gave an interesting talk on "Patented Flowers and their Origin." "Spirit of Thanksgiving" was read by Mrs. O. J. Williams. An exhibit of dried arrangements by members was the feature of the day. Members donated canned goods to be given to charity.

Burley Tobacco Markets to Open Tuesday; 3 1/2-Hour Day

Notice of Correction

In last week's edition of the Advertiser it was stated in the Independence news column that "a number of irregularities were noted in the Kenton County Artificial Breeding Association election held recently and that the matter is likely to reach the courts." We now state that this should never have appeared in our columns, since we are not here to report rumors or suppositions about anything. We are very sorry that this appeared, and hope that no permanent damage will be done to either side in the issue that is being decided. When and only when any thing becomes a fact, then we will report it.

Walter A. Brown

Walter A. Brown, age 79, of Verona, died November 16 at St. Elizabeth Hospital, Covington. He was a retired farmer, a member of the Lebanon Presbyterian Church, and Verona Lodge, 876, F. & A. M. He was a member in the community most of his life.

Mr. Brown is survived by his widow, Mrs. Anna Brown; a son, Atwood Brown of Mason, Ohio; a sister, Mrs. J. M. Brown of Memphis, Tenn.; three grandchildren, and two great-grandchildren.

Funeral services were held at the Hamilton Funeral Home, Verona, Sunday, November 18, at 2:00 p. m., with Rev. Don Hopfield officiating. Burial was in Concord Cemetery. Masonic services were held Saturday evening at 9 p. m. by Verona Masonic Lodge.

Bearcats Defeat Holy Cross, 55-49 Last Friday Night

The Walton-Verona Bearcats were at home last Friday night for a basketball game with Holy Cross, the first of the season here.

The Cats had an easy time, with subs being used freely in the final stages of the game, after W. V. led at the period marks, 22-9, 39-20 and 51-36, with the final score being 55-49. Don Vest tallied 17 points for the winners, and J. Wilson 14 for the losers.

Walton-Verona copped the preliminary contest 27-22. Last Thursday night, the locals went to Williamstown, where they defeated the Kentonians 47-39.

Piner Homemakers

The Piner School P. T. A. met on November 15, at which time a program was given by the pupils, under the direction of their teachers:

1st Grade—"Mother Goose," given with illustrations drawn by the first grade, in charge of Mrs. William Goshorn, teacher.

2nd Grade—"A skit, 'Mother Hubbard and Her Dog,' 'The Naughty Kittens' and a song, 'Gobble, Gobble,' Virginia Kowleskie directing.

3rd Grade—"A play, 'It's Nice to Be Clean,' Under the direction of Mrs. Eldred Steinhauer.

4th Grade—"Yo Yo's and Music," "A Puppet Show" and "Old MacDonald Had a Farm," Mrs. James Bailey directing.

5th Grade—"There were two vocal solos, one piano solo, a clarinet solo and a tap dance. Mrs. Irene Cross is the teacher.

6th Grade—"A skit, 'The Circus.' The third and sixth grades tied for first place in the book award this month, for having the most parents present, so a book will be awarded each grade.

The membership drive will end Thanksgiving and the winners will be announced at the December meeting.

The December P. T. A. meeting will be held the third Thursday night and the program will be under the direction of the music teacher, Miss Peggy Freshley.

Mrs. Ellen Ryan

Requiem High Mass was sung at 10:00 a. m., Monday at All Saints Church, Walton, for Mrs. Ellen Ryan, 84, widow of Lawrence Ryan, who died early last Saturday at her residence for a national park. Prayers were said at 9:30 a. m. at the Chambers and Grubbs funeral home, Walton.

She leaves two sons, Russell and William Ryan, and a daughter, Mrs. P. J. Madden, all of near Walton; three sons, Mrs. Margaret Maloney and Mrs. Nancy Ryan, both of Cincinnati, and Mrs. Dellian Roberts of Paris, Ill.; seven grandchildren and 11 great-grandchildren.

Big Bone Springs Topic of Discussion By Historical Society

Big Bone Springs, mentioned a number of times as a possible site for a national park, was the topic for discussion recently at a meeting of the Boone County Historical Society, held in the Florence Town Hall.

The paper containing the data on Big Bone Springs was prepared by A. M. Yealey, life-long resident of Boone county, and for more than 50 years a school teacher and historian. It was pointed out in the discussions that each time a new interest was aroused in possible selection of the springs as a national park, a war came along to cause any such plan to be laid aside.

The fear was expressed that with the many years passing since the battle of Big Bone, the springs were destroyed, all points of interest at the site will have disappeared before long.

The paper read at the meeting recalled that the first white man to visit Big Bone was a Frenchman named de Longueville, who reportedly located the spring in 1739, during the French and Indian War. It also was reported that Christopher Clark, for whom the new Northern Kentucky Historical Society was named, visited Big Bone while surveying for the Ohio Land Co. of Virginia. Mention of Big Bone also is made by Mary Ingalls in her account of her experiences.

In 1943, the remains of the Big Bone Hotel fell under the auctioneer's hammer and the buildings demolished and the lumber carried away to serve other purposes. Records in the courthouse at Burlington show that the Big Bone land has been broken up and sold to different persons.

Hughes Chapel WSCS

The Hughes Chapel Methodist W. S. C. S. met for its regular monthly meeting at the home of Mrs. Cecil Sargent. The business session was conducted in the usual manner, with the president, Mrs. Thelma Baker, presiding. Mrs. Jeannie Hill had the devotional, which was taken from the 14th chapter of Exodus.

Those present were: Mrs. R. O. Hughes, Mrs. Lula Hudson, Mrs. Pearl Bedinger, Mrs. Hester Gaud, Mrs. V. V. Hill, Mrs. Wynona Mastin, Mrs. Mabel Kite, Mrs. Mary Allen, Mrs. Ruby Woods, Mrs. Beate Kite, Mrs. Thelma Baker and the hostess, Mrs. Sargent.

The next regular meeting will be held December 12 at the home of Mrs. Ruby Woods, at which time a Christmas party and gift exchange will be held.—Pub. Chm.

Rolla Menefee

Rolla Menefee, retired farmer and horse trainer, died Sunday at his home near Piner, at the age of 82. He was a native of Grant county. Mr. Menefee had trained horses for local racing many years ago. He was a member of the Wilmington Baptist Church, Piskburg. Surviving him are a daughter, Miss Edith Menefee, at home; a sister, Mrs. Agnes Easton of Warsaw, and several nieces and nephews.

Services were held at 2 p. m., Tuesday at the Wilmington Baptist Church. Burial was in Richmond Cemetery. Chambers & Grubbs funeral home, Walton, completed arrangements.

Opening Earliest In Recent Years

Burley tobacco sales in Kentucky, and the seven other burley belt states, will open Tuesday, November 27, on a 3 1/2-hour daily basis.

The annual Christmas holiday recess will begin after December 21 sales and markets will reopen on Thursday, January 3.

The Sales Committee of the Burley Auction Warehouse Association, representing approximately 95 percent of the auction centers in the burley belt, determined the sales days and hours at a meeting in Lexington, last week.

The November 27 date is one of the earliest in recent years, and three days ahead of last year's sales. Some representatives first voted for an even earlier opening.

Most of the representatives favored an early date because of the large amount of tobacco already stripped and ready for market, but a few expressed opposition because of the predominance of frozen tobacco in some sections.

Another factor cited was the possible clogging of redyeing facilities and hardship of buyers, currently working other tobacco markets.

It was estimated by Albert Clay, sales committee chairman of the association, that the November 27 opening will permit sale of an estimated 5,500,000 pounds of tobacco each hour of business in the belt.

Piner PTA Program

The regular meeting of the Piner Homemakers Club was held at the Masonic Hall, Piskburg. The meeting was opened with devotion by Mrs. William Woods. The "Thought for the Month" was given by Mrs. Dewey Fisk, and a Thanksgiving story by Mrs. Roy Tomlin.

The business session was presided over by the president, Mrs. Willard Shropshire. "Exterior Beautification" was by Mrs. Chester Mullins. After a delightful luncheon, the lesson on "Nutrition, Calcium and Iron," was given by Mrs. Robert Elliott and Mrs. Owen Flynn. There was a beautiful display of Christmas gift suggestions.

The club had their annual auction, (each member donating a gift, it is sold and the proceeds added to the club treasury).

Guests for the day were nine club members from Pendleton county: Densville Club, Mrs. Roy Ackman, Mrs. Frank Bell, Mrs. Virgil Clark, Mrs. M. M. Mullins, Mrs. Donald Mullins and Mrs. Alvin Mullins; Portland, Mrs. Jack Kelley, Mrs. Woodrow Bowling and Mrs. Talton Cox.

Members present were Mesdames: Willard Shropshire, F. H. Bridges, Ray Linder, Willard Benson, Owen Flynn, Artie Tungate, Malcolm Oliver, Steve Rich, William Woods, Marion Martin, Fred McMillan, Chester Mullins, Ray Tomlin, Frank Elliott, Robert Elliott, Clifford Cavanaugh, John Dwyer, Dewey Fisk, Orlis Fisk, Charles Flynn, Angelo Pelarri, the club had Ham Wolterman, and Miss Zelma E. Beyer, Home Demonstration Agent.

Mt. Zion Homemakers

The November meeting of the Mt. Zion Homemakers club was held at the home of Mrs. F. Momaschko, Florence. Mrs. W. Miller, president, called the meeting to order at 10:30 a. m., and Mrs. R. Guire called roll and gave a report on finance. Mrs. C. Hempling gave a book report.

At 12 o'clock everyone retired to the dining room for a delightful luncheon. The afternoon session was opened with the second lesson on "Stitches," by Mrs. R. McGuire, and plans were made for the Christmas party, to be held at the home of Mrs. R. Burns. Games were directed by Mrs. Burns.

Those present were Mrs. F. Domaschko, Mrs. W. Miller, Mrs. C. Hempling, Mrs. R. Burns, Mrs. R. McGuire, and Mrs. Edna Brown, a guest.

Three Hardin county farmers have installed gas equipment in their tobacco barns for fling their crops.

Keeping today's little schoolhouse out of the Red!

It takes a heap of taxes to educate a child. Schools, teachers,
books, and buses run into a lot of money. As a taxpayer you'll
be interested to know that the railroads paid in Kentucky last
year a total of \$7,191,890 taxes—of which \$3,660,047 went to
support public schools... including those in your community.

And in addition to sending three-quarters of a million chil-
dren to school every year, railroad taxes do a lot more. Parks,
fire and police departments, sewage disposal—name a public
project, and railroad taxes helped pay for it! Your community
benefits right now from taxes paid by the railroads.

And there's another fact about the railroads which is even
more important to you, as a taxpayer. The railroads pay their
own way in every way. They pay every nickel of the cost
of everything they use.

What's so extraordinary about this? Just that it's true of
no other form of public transportation! All the others depend
on your tax dollars for support.

The railroads pay their own way in every way.
They pay a billion dollars in taxes besides.

REFINISHES FURNITURE

Mrs. Cecila Miller of Todd county is building up a business through information learned in her home-makers club, said UK Home Agent Sarah Patterson Mason. During the past year she has refinished the following pieces: cherry chest, walnut dining table, four dining room chairs, four chairs and seats caned, cherry desk, a Jackson press and three picture frames. A spool bed, two corner cupboards, table, desk, wardrobes and a chest are among several pieces she has yet to do.

A two-mile drainage ditch has been completed in the Bend of the River community in Lyon county, draining lowland on six river bottom farms.

EARLY FEED BUYING

MAY BE PROFITABLE

Farmers who may need to purchase feeds during the winter should get their orders in now, say dairymen at the University of Kentucky College of Agriculture and Home Economics. Delay may prove costly, they think.

Other advice to dairy farmers: Cull low-producing cows to save feed for better cows and good heifers about to freshen.

Provide clean, dry, draft-free stalls for calves.

Strong, growthy heifers will continue in good demand.

More than 7,000 people attended the annual three-day county fair in Lewis county.

DEPENDABLE

REPUTATION

To insure full value and best quality when buying diamonds, patronize a house whose reputation you know to be dependable. . . . a reputation that has withstood the test of time.

For 92 years in this one location, growing with Covington and its people, Motch's has built just such a reputation. . . . one that has stood the test of time. . . . that has made us proud of the fact that those same customers who patronized us years ago are still coming and sending their children to us for advice and assistance in their diamond needs.

It takes MONEY TO BUILD!

"I just had to have more barn room . . . and some of the other buildings needed repairing.

"But it takes money to build . . . more than we had saved up. Then, a neighbor tipped me off about a Federal Land Bank loan. He told me to see the National Farm Loan Association. It was a pleasant surprise to learn that the Association was made up of my friends and neighbors . . . all good, solid, substantial farmers.

"Well, today you'd hardly recognize the old farm, it looks so nice. I can keep my livestock and crops in better shape—can operate more efficiently and make more money. And I'm happy about the 4 percent Federal Land Bank loan. I can take 20 to 33 years to pay . . . or pay just as fast as I want without any penalty whatsoever. And I didn't have to pay a cent in application fees, appraisal fees or commissions.

"If you need money to build or improve your farm in any way, let me suggest a Federal Land Bank loan."

MOLASSES PAYS ESTILL FARMER

Wesley Flynn is one of the few farmers in Estill county who makes sorghum every year. From eight-tenths of an acre of cane, he produced more than 100 gallons sorghum, which he sold at \$2 a gallon. Fred Brookman, county agent with the UK College of Agriculture and Home Economics, observes that "the art of sorghum making has almost disappeared from the county, and without reason. The demand for it is so great that Mr. Flynn sold every gallon he made at the mill, and could have sold five times that amount without looking for a market."

Nothing Serious

The man and woman entered a New York taxi and told the driver where they wanted to go. He raced off wildly, went careening down the streets, swaying, bumping, and giving them several anxious moments. Noticing their concern, he shouted over his shoulder:

"Don't worry, folks. I ain't going to land in no hospital, especially after spending a year in one overseas."

"How dreadful," answered the lady, sympathetically. "You certainly must have been seriously wounded."

"No," the cabbie replied cheerfully, "never got a scratch. I was a mental case."

INCONSISTENT CUSS

A guard from the lunatic asylum rushed up to a farmer on the road and said, "I'm looking for an escaped lunatic. Did he pass this way?"

The farmer puffed thoughtfully on his pipe. "What did he look like?" he asked.

"He's short and he weighs about 350 pounds."

The farmer looked at him in amazement. "How can a man be short and still weigh 350 pounds?" "Don't be silly," retorted the guard testily. "I told you he was crazy."

The Bum!

This wouldn't have happened to me if my late husband Clancy were here. But he's gone to the nappy hunting grounds.

How do you like that? You're a trouble and he's out having a good time.

Patience

An excellent test of patience is to patiently call on some old acquaintance and observe three of your long out books snug on his shelves.

Rainy Days

Those rainy days for which a man saves usually arrive during his vacation.

CARD OF THANKS—

We wish to thank our many friends who were so kind and thoughtful toward us during the illness and death of our wife and mother. No one, except those who have experienced this loss, can understand how we appreciate each card, each bunch of flowers, each sympathetic handshake, and so many other things, it would take a long time to try to mention them all. However, as we remember them in our lonely hours, we will pray that God will reward every one of you and that some day we may be a big family in Heaven.

STAFFORDSBURG

The turkey dinner Saturday evening was well attended. We wish to thank all of the friends who came to eat with us, also all who made contributions of food or help. It shows a good community spirit. We would like to let you in on a secret—we have a fellowship dinner on the first Saturday night of each month and it doesn't cost you a cent. Come and try it once and we think you will wish to come again. Just bring a covered dish—let's get acquainted. We learn that Mrs. Deuser, who went to McCleary Clinic and Hospital, Excelsior Springs, Mo., was operated on last Friday. We wish for her quick convalescence. Rev. and Mrs. Louis Adams and son, Joe, were guests on Sunday of Mr. and Mrs. Harry Reese of Taylor Mill Road. Mrs. Hand and Mrs. Hoffman enjoyed calls Sunday by Mr. and Mrs. Kendall Hand and Mrs. J. A. Keeney. Mr. and Mrs. J. T. Elmore are spending several days with his parents, Mr. and Mrs. Ezra Elmore, before leaving for military service on November 27.

We were very glad to have with us at church both Saturday night and Sunday. Mrs. Mayo Smith of Crestwood, Ky. Mr. and Mrs. David Ervine spent Sunday afternoon with Mrs. Caroline Armstrong and son, Harry. We missed Mrs. Geo. Finnell on Saturday night and Sunday, because she was ill. Her friends, Mr. and Mrs. Miller of Florence, visited with her after dinner at the church. Mrs. Dawson Losey became suddenly ill on Saturday afternoon. Only 41 at Sunday school. Come next Sunday and bring a friend.

Wedding Shower

A wedding shower was given at the home of Mr. and Mrs. Opal Simpson for Mr. and Mrs. Gene Starley Simpson (nee Jewell Brannan) last Saturday evening by Miss Zella Simpson and Bennie Elliott. Those present were: Mr. and Mrs. Robert Griffith, Mrs. Alice Readmour, Mr. and Mrs. Orville Simpson, Mr. and Mrs. Ira Harris and children, Mrs. Bernice Witty and daughter, Mr. and Mrs. "Dude" Simpson and son, Misses Carole DeMolsey, Peggy Vest, Jo Ann Elliott and Maxine Carpenter, Harvey Kannady, Mike Ryan, Maynard Meadows and Bobby Hall.

SEAL OF APPROVAL

BURLEY AUCTION WAREHOUSE ASSOCIATION

Now Open to Receive Tobacco. Opening Sale Wednesday, Nov. 28.
Other Sales On Nov. 30, Dec. 4, 6, 10, 12, 14, 18, 20.

Kenton House is the only warehouse in Covington, Ky. We are located one block west of the Kentucky end of the Suspension Bridge, on Route 25 (Dixie Highway).

This warehouse is run by men who grow tobacco. Your crop will be graded by experienced tobacco men. If you have never sold on the Covington Market, let us prove to you that we do get as much or more, grade for grade, as any market in the Burley Belt. Our aim is to get the highest price for your tobacco.

All growers are treated alike, regardless of the size of the crop. Our new skylights give better light which means higher prices to you.

Sales Are Held Every Other Day—We Don't Store Your Tobacco, "WE SELL IT"

LABOR FORCE HELPED BY APPRENTICESHIP SYSTEM

Kentucky must stop exporting its labor force to neighboring states if its industry is to expand to the point required by national defense, Commissioner of Industrial Relations Edwin C. Willis told Kentucky editors in a letter mailed from Frankfort, this week.

The letter accompanied a manual explaining the Kentucky apprenticeship program and urged editors, as community leaders, to make themselves familiar with the program and to help promote it.

Through an active apprenticeship system, the state will maintain a

skilled worker force, provide opportunity for the youth of Kentucky and keep a higher production rate, the manual explains. The system can also lower production and hiring costs for the employer while still keeping quality workmanship, according to the publication.

An apprentice is a person at least 16 years old who enters a training program to learn a skill requiring at least 4,000 hours of instruction, the manual states. He learns according to a definite schedule of both work and classroom instruction and his pay is increased progressively until he receives a journeyman's rating in his trade.

Copies of the publication have been mailed to labor and industry leaders and to schools throughout Kentucky, Mr. Willis said.

HOMEMAKERS STUDY CARE OF THE SICK

Home care of the sick is proving to be one of the most popular projects Todd county homemakers have carried, says Sarah Patterson Mason, home agent with the UK College of Agriculture and Home Economics. In the first of three training schools taught by Miss Ida C. Hagman, home management specialist, the homemakers used wood fruit boxes to make medicine chests. Made with hinged doors, and painted exterior, the chests had shelves so spaced to best take care of the medicines placed there.

Divided Duty

The station inspector, new on the job and unknown along the line, was making his first tour of the road. One morning, he stepped into the waiting room of a country station and found it as cold as ice. Half a dozen patrons were huddled around a fireless stove.

"Why hasn't a fire been started?" he inspector demanded.

One of the customers jerked his thumb in the direction of the agent's office. "No use asking him. Says he's too busy to build a fire." The inspector stepped over to the agent's window and asked him the reason for the cold stove.

"Got no time for that," snapped the agent. "This here freight's gotta be billed and after that, there's a pile of telegrams to send."

The inspector took a blank from his pocket and scribbled a message to headquarters concerning the agent's neglect, asking for authority to discharge him. "Here," he said, "put this with the other wires you have to send."

The agent snatched the blank, hastily scanned it, then slammed it down on the desk and headed for the kindling box.

"Got no time to send any telegrams," he snapped. "I gotta make a fire in that stove yonder!"

THREE CASES

A man wants an analyst to help him get rid of his split personality. "Why do you want to do that?" asks the psychiatrist.

"Because we just can't stand each other," replies the patient.

A psychiatrist lists a \$1,000 deduction on his income tax return. His explanation: "This represents a loss due to a patient. He's a kleptomaniac, and I haven't cured him yet."

Then there is the man who visits a medical friend whom he finds in wild excitement, crying, "I've got to see a psychiatrist!"

"But you are a psychiatrist," says the visitor.

"Yes," says the doctor, "but I charge too much."

Some Puns

A young bride noted her husband's irritation and said, "I hope you're not upset because the laundry didn't come." "But I am," he assured her. "I'm all out of shorts." A thorax girl married a plutocrat and returned triumphantly from her honeymoon literally covered with diamonds. Her old roommate, whose nose was a trifle out of joint, sniffed, "That girl has gotten too big for her brooches."

TRANSPORTATION LIMITED

"I'll bet you 10 dollars," a man said to a boastful athlete, "that I can wheel something in a wheelbarrow from one street lamp to the next and you aren't able to wheel it back."

The local champ looked him over. He thought of bags of cement, bricks and old iron, and concluded that whatever the stranger could wheel, he could do better.

"Bets taken," he said.

The other man smiled, walked over to a wheelbarrow and said to the boastful athlete, "Get in."

TWO REASONS

"I'll bet you think twice before leaving that wife of yours alone for an evening. Am I right?"

"I'll say. First I have to think up an excuse for getting out, and then a reason why she can't come."

CORNERSTONE LAID FOR MINES BUILDING AT STATE UNIVERSITY

Cornerstone-laying ceremonies for the first unit of the Mineral Industries Building at the University of Kentucky were held last week. The first unit of the three-story structure will house the State Department of Mines and Minerals and the Kentucky Geological Survey, both of which have occupied temporary quarters since fire destroyed Woodward Hall three years ago this month. When completed, two additional units now planned would be used by the University's Department of Mining Engineering, Department of Geology, and other divisions whose is allied to the state's mineral industries. "The need for such a modern building has long been felt," Engineering Dean D. V. Terrell said. "Research contemplated in it is expected to go a long way toward the further development of Kentucky's natural resources."

Why We Worship

Lesson for November 25, 1951

FEWER than two out of every three Americans belong to any church or synagogue. Yet the traveler across America is never long out of sight of some house of worship. With or without a cross, with or without a steeple, every few miles there will be a church or chapel or meeting-house, where like-minded people meet to worship the One God.

Variety
It is amazing, the confusing variety of ways in which God is publicly worshipped. Some churches are liturgical; that is, the form of the service is prescribed, printed in a book, used with little change from generation to generation. Roman Catholic churches are of this kind (though there is a wide range of detail in the procedures of different Catholic churches); so are the Lutheran, the Reformed and the Episcopal churches, among others. Other churches are non-liturgical, or free, in their mode of worship, varying all the way from churches with optional forms of worship on out to snake-handling sects like the "Church of God with Signs Following," where you never know one minute what is going to happen next.

The liturgical churches, too, are different as can be. Some liturgies are filled with chanting, incense, long and not easy for a stranger to follow. Other liturgies are brief and simple. The insides of these various kinds of churches are just as different as the interiors of hotels—all the way from the elegant Waldorf-Astoria down to the ramshackle boarding house of a frontier town. The leader of the worship may be clad in vestments gorgeous in the extreme, or in a plain black gown, or dressed in night-clothes. The "man from Mars" would be so bewildered by all this that he would ask: Is there anything at all that these different kinds of worship have in common?

Communism
FOR an answer, we can go back more than 3,000 years to the time when Moses was organizing his people's worship as he organized the rest of their lives. You would hardly have recognized that little "tabernacle" in the wilderness as a place of worship at all; it looked like neither church nor synagogue. And what went on in the tabernacle would look strange to a Jew of today, stranger still to a Roman Catholic, stranger of all to a "non-liturgical" Protestant. And yet, what went on to make that tabernacle possible in the first place, and what went on in it afterwards, give us the answer to the question: What do all the innumerable forms of worship have in common?

First of all is communion with God. In true worship we become aware of Him! In the New Testament phrase, we "approach with boldness the throne of Grace." Worship is right when it actually brings the worshiper into a cleansing consciousness of the nearness of God,—when, indeed, he feels and knows that it is "in Him we live and move and have our being."

Not every one reaches this divine awareness in the same way.

Conservation
BUT there is another side to worship: Conservation. However varied the order of worship may be, one part of it will be found nearly everywhere: the offering.

This is actually one of the most important parts of the service, though it is often neglected and "skimmed." For the offering is not only important in itself, but it is a great symbol of what worship ought always to be, a call to dedication.

Into the offering plate go bits of silver, green paper, checks . . . money? Yes, and more. This represents something of the life and work of the worshippers. Every man has some better moments when he would generously like to do something to help the world. On Sunday the church harnesses his vague good will. It gives him a channel for his generosity.

What a man gives ought never to be to the church but THROUGH the church; it would be an expression of gratitude to God from one who knows that his whole life is God's gift.

Two Symbols of Thanksgiving

Everyone knows that the turkey is a symbol of Thanksgiving. But, do you recognize the other symbol—the more important one?

It is the smile on this young lad's face!

A turkey, after all, is not essential to the celebration of Thanksgiving Day. Some folks prefer duck, or steak, or even an old-fashioned meat-loaf.

But a smile is indispensable! For thankfulness and happiness are cut from the same fabric. Thankfulness is really happiness with a sense of direction. It is happiness that traces its source to the goodness of God, and expresses its destiny in humble reverence.

The smile of a thankful Christian is the natural symbol of Thanksgiving. And it explains the meaning of this sacred Day: GOD HAS SMILED ON US!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor in our life for citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of the community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Thanksgiving

I wonder how many people really know or realize why we close all the stores and factories—most people call it just another holiday, to take a trip, go hunting or eat a big turkey dinner. This is the day we should all be thankful and show it that we are Americans and live in the land of plenty, where you can worship as you please, vote as you please and nearly do and say what you please, as long as it is not too bad. We think we have a lot of troubles and we pay too much tax and our government spends and gives away too much money, but we have more and live better than any other part of the world.

That is what Joe Stalin is trying to break down now—he saw in the last war how we could produce and if he can keep us sending money to other countries and building another army, it will weaken us financially so he can move in and take over. Do you believe that will ever happen? Do you believe a nation that ruled out Christianity could take over a Christian nation as we have today—well, I don't, so that is another thing we have to be thankful for on Thanksgiving Day.

Pauline brought her mail box in for me to put Geo. W. Flynn's name plate on it—you know they have mail delivery down Stephenson Mill Road now. Basil Lunford came in after one of those lift pumps for his milk house—the type that passes the dairy inspectors. Lon Wilson brought in his butcher saw for a new blade. Mrs. Emma Flynn bought a new pair of scissors. Don't grind your sausage by hand—I have a pulley wheel to fit your grinder and some cheap electric motors—to do it with electric. It is easier.

I received some more of those cast iron top and bottom wood heaters today. We also have a Harvey Hammernill to grind your feed—it will save a lot of feed and money. Every year the first sleet we have everyone runs out of the chains—well I can take care of part of that trouble for I have a very good stock of them—buy you a pair now and have them ready. Grace Johnson sent her mother in for three linoleum rugs—she picked some very beautiful patterns. Chick set up some rubber tired wheelbarrows—they are very handy around the dairy barn and are easy to push.

Ray took Clarence Sturgeon one of those large size coal and wood heaters. We have a few heaters left at the 1d price. We have two large size Coleman oil heaters at 80c off list price. We sold several wood heaters today and most all of them to strangers. Mrs. Emma Flynn and Mrs. Beulah Stephenson were in a few minutes—they were doing a lot of talking, but of course no gossip. Russell Sparks and Kate also were in town today.

There was a large crowd at Chas. Ramaler's funeral—Charlie had a lot of friends, but the good men have to die as well as the crazy ones. Another good man, Walter Brown, over at Verona is dead and Gilbert Brewster is very sick in the hospital; Jim Dudgeon is in St. Elizabeth Hospital. We sold some of those fluorescent striping room lights—they are very fine for striping. Greger Thruick just unloaded a lot of galvanized water pipe—this sure is scarce and I was lucky to get it. Mrs. Lindsey Breashear and Mrs. Robt. Webster were buying weatherstrip to keep out the cold.

That Jack Berkshire—you never know what he is going to buy—one day he buys a roaster to cook a turkey in, next time he will buy an aluminum level; he bought a shotgun and then got a step ladder; last Saturday night he bought two metal lawn chairs. Jess W. Thornton came in and paid his bill—we could not sell him any, think, but he will start again soon buying more for his home—he is just like his dad, always doing something around the house. Frank Wood from Napoleon came in after three boxes of shells—he must know where the rabbits are.

Ed Elmore bought one of those cast iron top and bottom wood heaters. Monday, the day before the hunting season opened, they were buying guns and shells. Omer Speigle came in with two fluorescent lights to use in his stripping room. D. K. Johnson brought his washer wringer in to be repaired. Ronnie and Terry Struve are in the linoleum business—O. J. gave them all the scrap pieces of unlaund linoleum—if they can sell enough of these pieces before Christmas, they can get two new bicycles. If you need some pieces for a sink or table top, buy it from the Struve boys.

We just received a large shipment of galvanized pipe, but it won't last long, for we only get one shipment a month. Chick sold some of those 12x15 Armstrong linoleum rugs today, but I did not find out who his customers were. I have to decorate for Christmas before long and I have three Gibson refrigerators to sell cheap, because I need the space for Christmas—if you need a refrigerator, these are bargains. We have a few oil heaters and coal heaters left—it looks like we are going to have a hard winter.

Better check your old heater and see if it will go through this cold weather. We have two beautiful cabinet sinks and they are cheap. Every year when the roads get slippery, everyone in town—if you can find a pair for the winter, we have them. We try to keep what our customers need—if you can't find it other places, always try at CONRAD HARDWARE!

Christmas Goal For Library 1000 Volumes

MANY CARDS BEING ISSUED TO TEEN-AGERS

The Wa-Na Club, sponsors of the Walton Public Library, have set a goal of 1,000 volumes, to be in the library by Christmas. At this time there are 703. Judge John L. Vest has donated 175 books, which are now being catalogued. Other recent donors are Mrs. Earnest Dearborn, Mrs. Margaret Wilson, Mrs. Evaline Harp and Mrs. Ben F. Bedinger.

To date 61 library cards have been issued, and a pleasing note is that many of these are to teen-agers and juveniles. There is a limited selection for this group and the club is making every effort to obtain more books for the younger set. Won't you help get these books? Wa-Na members are anxious to see that our youth have good books to read. Remember that the youth of today are the citizens of tomorrow. You can help make better citizens of them by donating reading material for them. Can't you spare just one book? There are no limitations as to who can use the library—make it possible for your son or daughter to read good books. Give to YOUR library.

State 4-H Sheep Champion

Louis Ewbank, son of Mr. and Mrs. W. R. Ewbank, Warsaw, was recently selected as State Sheep Champion of 4-H Clubs for 1951.

He has been an outstanding club member, not only in his project but in other club and community activities for the past five years. He was awarded the county trophy cup in 1949 as the most outstanding 4-H boy, and has been a member of the County Judging Team at the State Fair for two years.

At the Northern Kentucky District meeting in Covington, he was selected as District Champion in the sheep project, then, when all of his project records were sent to the State contest, he won the State crown. His contest, he won the State crown. His picture, along with other State project winners, will be placed in the "Junior Hall of Fame" at the Experiment Station Club office.

The championship carries a prize of an all-expense trip to the Chicago International, and Louis leaves on Sunday to enjoy the thrills of the Big City show.

Invited to Attend Tea

Members of the Wa-Na Women's Club have been invited to attend a tea in honor of Mrs. Earl Warren, Governor of the Fifth District Kentucky Federation of Women's Club. The tea, given by the Covington Woman's Club, will be held Sunday, December 2, two until five o'clock, at 11 East 12th St., Covington.

"SONNY" CROWNED KING

When asked what the thought was the reason for his longevity he said that it was due probably to coming from stout stock and that "he never took any medicine."

Mr. Stephenson certainly has a clear memory and also is very interested in present day news. We congratulate you, "Uncle Jimmy" on your 90th birthday.

Remember Lt. Col. Walker?

Lt. Colonel Lewis H. Walker of Sulphur, Ky., is now on detached service at Ft. Benjamin Harrison, Ind. Col. Walker is chief recruiting officer at Montgomery, Ala., for the Army and Army Air Force.

Col. Walker, with his twin brother, George E. Walker, a dispatcher for Southeastern Greyhound Lines in Louisville, are former residents of Walton, and are the sons of Chas. R. Walker, former local mail carrier.

ADMINISTRATOR'S NOTICE

All persons having claims against the estate of Walter A. Brown, deceased, are requested to present the same properly proven according to law, and all persons indebted to the said estate are requested to call and settle with the undersigned.

COLSTON-BERRYMAN

Miss Katherine Colston and Mr. James Berryman were united in marriage last Friday in the home of the bride's parents, Mr. and Mrs. Roscoe Colston, Beaver Road, by the Rev. G. W. Hoffman. After a short honeymoon, they will reside in Hamilton, Ohio.

A shower for the newlyweds will be given Saturday evening, Dec. 1, at the home of Mrs. Colston.

Walton Resident To Celebrate 90th Birthday On Sunday

One of the oldest men in Walton, J. W. "Uncle Jimmy" Stephenson, will celebrate his 90th birthday on Sunday, December 2, with an Open House to be held from 2 to 5 p. m. at the home of his daughter, Mrs. Erma Stephenson on Main street, in Walton. Friends are invited.

J. W. "Uncle Jimmy" Stephenson

Mr. Stephenson has always lived in Walton, being born at the George Fisher place which at that time was a log cabin. He remembers his father, Jim Stephenson, owning slaves and that one especially, "Buttons" was his constant companion when a small boy.

He remembers when the L. & N. Railroad first started work here and in fact helped build part of the bridge on this line, since he was a carpenter most of his life, also building many of the houses now standing. He also recalls the building of the old Baptist Church that stood where the cemetery now is and the Christian Church that was on High street. The population was only about 200 or 300 at that time and was considered a very "rough town. On one election, when the county was voted dry, he saw more than a dozen men involved in a gun battle in the center of town.

When asked what the thought was the reason for his longevity he said that it was due probably to coming from stout stock and that "he never took any medicine."

Mr. Stephenson certainly has a clear memory and also is very interested in present day news. We congratulate you, "Uncle Jimmy" on your 90th birthday.

BEAVER YOUTH RALLY

The combined youth groups of the Hughes Chapel Methodist Church, the Beaver Lick Christian Church, and the Richwood Presbyterian Church are sponsoring a Youth Rally to be held Tuesday, December 4 at the Hughes Chapel church, located at the intersection of US Highway 42 and Richwood Road, Beaver.

Rev. Bob Baldrige of the First Evangelical Methodist Church, Latonia, Ky., is slated to be the speaker. Special music will be featured. Services begin at 7:45 p. m. Young and old are invited to attend.

Literary Club to Meet

The Walton Woman's Literary Club will hold their December meeting at the Christian Church, Wednesday, December 5, starting at 2:00 p. m. A Christmas program, with a gift exchange is to be the highlight of the meeting.

Members are asked to remember to bring a pair of socks to be filled by the club and sent to a veterans hospital.

WILLING WORKERS MEET

The Willing Workers Class of the Walton Christian Church held their regular monthly meeting Wednesday evening, November 21 in the church for a brief business session. The meeting was called to order by the president, Mrs. J. C. Acree. The following officers were installed for the ensuing year: President, R. M. Hall; Vice President, Mrs. Wendell Rouse; Recording Secretary, Forrest Thompson; Corresponding Secretary, Mrs. Clayton Jones; Treasurer, Mrs. Ralph Carpenter.

The retiring treasurer gave one of the best financial reports in the history of the class, closing the year with a balance of \$108.15 in the treasury. Our main projects of the year included a contribution of \$239.70 for the maintenance and support of our two orphan children at our Danville (Ky.) Home, also a contribution of \$100.00 which completed our pledge of \$500.00 to our church building.

These accomplishments were made possible through the able leadership of Mr. C. W. Ransler, our beloved teacher, and Mrs. J. C. Acree, our president, also the fine cooperation of each member.

At the close of the meeting, Chas. W. Ransler, Jr., was elected as teacher, to succeed his father.

Business Women's Circle

The Business Women's Circle of the Walton Baptist Church met at the home of Mrs. Katie Hankinson, November 8, with ten members and two visitors present.

Mrs. Juanita Struve, the program chairman, presented a very interesting program. Members present were: Mrs. Jane Johnson, Mrs. Vera Wright, Mrs. Ernestine Deaton, Mrs. Dora Pennington, Juanita Struve, Mrs. Katie Hankinson, Mrs. Georgia Greene, Mrs. Mable Webster and Mrs. Christine Blackburn. Visitors were Miss Helmer Taggart and Mrs. Beatrice Baker. The club was happy to welcome Mrs. Baker as a new member.

The BWC week of prayer will be observed at the church on Tuesday evening, Dec. 4, at 8 o'clock.

Mrs. Christine Blackburn and Mrs. Nell Hunt will entertain the club, at the home of Mrs. Blackburn, on December 6 at 8:00 p. m. All members are urged to be present. Visitors are welcome.

Attend Farm Bureau Meet

L. Lassing Huey, James E. Jones, Joseph C. Rouse, Beckham Sheld, Stanley W. Elchholz and John E. Criger were Boone county delegates to the Farm Bureau convention, in Louisville, November 18-21. Mr. Jones was named a State Director.

"Clothe the Needy" Service Being Set Up by Red Cross

Recognizing the need in Boone county for clothing for the less fortunate, the Boone County Chapter of the American Red Cross, is organizing a new service, namely "Clothe the Needy," which will be under the able leadership of Mrs. Bert Markesbery of Florence, who will be county chairman and will be on a year-round basis. Mrs. Markesbery will shortly announce where her headquarters will be located and the names of her community chairman who will be from various parts of the county.

If you have any used clothing or wish to contribute new clothing for this committee, please call Mrs. Markesbery. The plan will be for a clothing drive throughout the county which will be taken to a central location where it will be mended and sized and distributed to needy families in the county on a year-round basis. This cannot become a working service until enough clothing is collected—so, folks look through your closets and if there is anything you do not need or your children have outgrown, let Mrs. Markesbery know. This is a Boone county project for Boone countians, nothing collected will be taken out of this county. Please see that any used clothing contributed is clean. Mrs. Markesbery and her committee will see that it is mended and sized.

Anyone seeing this article and needing clothing, do not apply for it yet, as the service is just being organized and will not be ready for distribution until sufficient clothing is collected to put it on a working basis. Mrs. Markesbery will announce when clothing is ready to be distributed.

Bearcats Lose To Beechwood But Clip St. Thomas

Last Tuesday evening, the local high school Bearcats took a sound thrashing at the hands of Beechwood at the Ft. Mitchell hotel. The Cats trailed throughout in losing by a 65-34 count. Quarter scores were 17-9, 31-17 and 45-29.

Walton's 34 points were divided between six players: Vest 7, Grubbs 7, Smith 6, Campbell 6, Stormy Linton 5, and Junior Linton 3.

McNabb, son of Coach Edgar McNabb of Beechwood, led his team in scoring with 17 markers. Foster added 12 and J. Smith 10.

In the opening fray, the Walton-Vernon reserves had the score doubled on them, losing 34-17.

Tuesday night of this week, the Walton-Vernon basketballers went to Ft. Thomas, where they played St. Thomas High at the Highland gym. The Cats were in command throughout and won the game 55-41. The quarter scores were: 13-3, 27-13 and 40-27. Top scoring honors for the Blue and White went to Billy Smith who racked up 18 points. Next came Don Vest with 13 and Johnny Grubbs 10. Other scoring were: Campbell 1, R. Linton 2, Speagle 3, A. Linton 2, Bell 3, and Mudman 4. High man for St. Thomas was Sanderson with 14 points.

In the preliminary game, Walton's reserves dominated the St. Thomas second stringers 39-17. Mudman took scoring honors for the winners with 10 points. The losers scored but one field goal.

Friday night, of this week, the locals tackled another NEAC member, Dixie Heights, and the prospects are none too good for the Cats. The next home game, on December 4, will be with Simon Kenton, a team which has gotten off to a very good start.

Homemakers' Schedule

The Boone County Homemakers schedule for the coming week is as follows, according to Nancy McClaskey, Home Demonstration Agt.: Dec. 4—Gumdrop Homemakers, 10:30 a. m., Mrs. Bert Markesbery. Dec. 5—Constance Homemakers, 10:30 a. m., Mrs. Neil Kottmyer. Dec. 6—Burlington Homemakers, 11:00 a. m., Mrs. Carroll Cropper.

Dance at Independence

The ladies and men of St. Cecilia Church are giving their last dance of the year Saturday, December 1, from 8 o'clock until 12 midnight, at St. Cecilia Church hall, Route 17, Independence, Ky.

Fire Protection Now Available for Verona For Small Yearly Sum

Home owners of Verona are offered fire protection by the Walton Fire Department at a very reasonable rate, especially so since Verona is unincorporated and has absolutely no fire protection of its own. In a few past years a \$25.00 fee was paid by persons directly affected for each trip by the Walton Firemen. Some people around Verona were of the opinion that \$25.00 was a standard price for the services of the Walton Fire Department to come to Verona. The probable reason for that was because of the nature of the fire call, or approximate damage estimated by the department. According to Fire Chief Groger, the approved minutes of the department call for \$50 a trip and \$25 for each hour of fire fighting. The department has been very efficient in the past and has shaved this figure to meet conditions such as extent of damage, time and use of equipment. The author of this article asked the Walton Fire Department to set a price for fire protection for one year for the town of Verona. The department is willing to furnish Verona with fire protection for a full year for the small sum of \$25.00, regardless of the number of calls.

There are approximately 70 houses or business placed located in Verona, bounded on the East and South by the L. & N. Railroad, on the North by a road connecting Ky. 16 with the Bracht Road, and West on the Mudlick Road at Clayton Renaker's residence. Actually it would cost each home owner less than \$2.00 a year for fire protection, with the best of modern equipment, and trained men. Insurance is good but it cannot replace many of the things lost due to fire.

After discussing this matter with several home owners in Verona, it was decided to start immediately to raise this \$125.00 sum. All persons owning buildings within the above described boundary are urged to donate what they can afford to help raise this money at once. The Verona Bank has agreed to serve as custodian of this fund and is ready to receive your contribution today. The Walton Fire Department deserves a fine vote of thanks from the people of Verona for the offer just mentioned. By all measures of common sense and good business it is not only a privilege but the duty of every property owner in Verona to see that this money is raised immediately. Who will be the first to contribute?

Chiropractor Opens Office

Dr. Paul F. Nolting, chiropractor, has opened an office at 23 South Main St., Walton, next door to Dr. Maddox. The office is open daily, 9:00 a. m. to 4:30 p. m., and 7:00 to 8:00 evenings. No office hours Saturday evening.

Dr. Nolting is a graduate of Lincoln Chiropractic College of Indianapolis, Ind. He is married and has a father of three small children.

Mrs. Nolting is a commercial artist and is doing work in Indianapolis. Dr. and Mrs. Nolting and family plan to move here in the near future.

CYNTHIANA TOPS MARTS WITH \$57.44 AVERAGE

Kentucky's burley tobacco markets broke a 25-year price average Tuesday as auctions began on the eight-state belt.

The State Department of Agriculture said the 25 markets reported handled 12,720,102 pounds for \$6,861,519.01, an average of \$53.94 per hundredweight.

Kentucky's previous high average in the past 25 years was the \$51.90 reported on January 12, 1948. The statewide average on opening day of sales last year was \$48.85.

Cynthiana's average of \$57.44 was the best of the 25 markets. It was realized on sales of 536,466 pounds of leaf. Lexington, the world's largest burley auction center, reported a sale of 1,150,086 pounds for an average of \$53.72, compared to a \$50.40 average last year. Carrollton sold a total of 747,988 pounds Tuesday for an average of \$52.06, and Covington sold 100,636 pounds averaging \$50.75.

News Service that the general average for the day's sale on several markets would be \$49 to \$51 a cwt. Gross sales last year, opening day, were \$1,350,000, compared to \$1,350,000.

The general quality of the offerings Tuesday was better than last year's opening.

A larger proportion of fair to fine tobacco was marketed. There was less low quality sold, although the percentage of nondescript increased slightly. The proportion of buff and tan colored offerings was larger, with less reddish-tan and red being sold. Bulk of sales consisted of low to good leaf, lugs and flyings, fair tips and nondescript.

Most grades averaged from \$2 to \$6 over this year's increased government loan rates.

Local Flower Shop To Celebrate First Birthday Sunday

Willow Flower Flowers will celebrate its first birthday with an open house tea on Sunday afternoon, December 2, from 1 to 5 p. m. All are invited. Red carnations will be given away and spiced tea served to the visitors.

Miss Rita Busenmeyer is the design artist having received her Certificate of Floristry with first honors from the Palisades School of Floral Design. She will have on display examples of her arrangements.

A Christmas gift line of novel and different ideas will be shown.

The owners of the flower shop wish to reiterate their store policy of bringing to the people of this community the best in flowers at the most reasonable price. They regret the confusion which has arisen in the matter of the telephone and therefore ask people to call them from now until May at Colonial 5107 and reverse the charges to them. Your call is promised prompt and satisfactory service. The store is always open on Saturdays and before holidays. Other store hours will be advertised in the Advertiser.

Historical Society Meets

The Boone County Historical Society met in the Florence Town Hall on November 16 at 8 p. m. The president, Lucian Bradford, presided.

Mrs. Elizabeth Goodridge Nestor of Florence, read a paper on "The Ohio River Valley Yesterday and Today." The next meeting will be held on Friday, December 21, at the Florence Christian Church. The subject for discussion will be the "Huey Family in Boone County." Anyone having any material on this subject is urged to bring it to the meeting.

Anyone interested in the history of Boone county is invited to attend and to join the society.

MONEY TO BUILD!**

"I just had to have more barn room . . . and some of the other buildings needed repairing.

"But it takes money to build . . . more than we had saved up. Then, a neighbor tipped me off about a Federal Land Bank loan. He told me to see the National Farm Loan Association. It was a pleasant surprise to learn that the Association was made up of my friends and neighbors . . . all good, solid, substantial farmers.

"Well, today you'd hardly recognize the old farm, it looks so nice. I can keep my livestock and crops in better shape—can operate more efficiently and make more money. And I'm happy about the 4 percent Federal Land Bank loan. I can take 20 to 33 years to pay . . . or pay just as fast as I want without any penalty whatsoever. And I didn't have to pay a cent in application fees, appraisal fees or commissions.

"If you need money to build or improve your farm in any way, let me suggest a Federal Land Bank loan."

Price Pike Homemakers

Mrs. Walter Arnold was hostess to the Price Pike Homemakers, at her home, November 15. Together the ladies enjoyed a covered dish lunch and pleasant time socially. Plans were made to contribute gifts of food and clothing to the needy. The club urges everyone to remember those who are less fortunate. A study of decorative stitches is being employed in the making of Christmas gifts.

Relatives here of Mrs. Maggie Evans (nee Clutterbuck) received information during the past week of the demise of her husband, George Evans, at his home in Kansas City, Missouri.

Mr. and Mrs. Richard Keyer and Miss Kay Scott were Sunday guests of Mr. and Mrs. Eldridge Carpenter.

Mrs. Pauline Worthington and sons, Tommy and Johnny, were the Thanksgiving guests in the home of her parents-in-law, Mr. and Mrs. Frank Worthington of the Dixie Highway.

Mr. and Mrs. Wilbur Drake of Erlanger, were among guests at a Thanksgiving dinner in the home of her brother, Fred Fay of Price Hill, Cincinnati.

Cpl. Robt. Lee Utz of San Marcos Airfield Base, Texas, and a brother, Alan Utz, a student at the UK College of Agriculture, Lexington, enjoyed the Thanksgiving season with their parents, Mr. and Mrs. Alan Utz, Sr. of Burlington Pike.

Miss Viola Fay enjoyed the recent holidays with a former neighbor, Mrs. Eva Sageser, of River Road.

Mr. and Mrs. Walter Kirkpatrick of Rising Sun, Ind., and Mrs. Charlotte Wilson were Sunday guests of Mr. and Mrs. Clyde Arnold.

Mr. and Mrs. W. A. Fox and Mrs. Clyde Arnold were recent guests of Mrs. Walter Kirkpatrick of Rising Sun, Ind.

H. Karpick Daugherty and brother, J. F. Daugherty, students at medical colleges, spent the recent holidays with their parents, Dr. and Mrs. H. R. Daugherty, and Mrs. J. F. Daugherty.

Mrs. Nancy Bonar, Mrs. Buddy Arnold and baby and Mrs. Thomas were in Falmouth, Sunday, visiting Mrs. Arnold's grandmother, who is ill.

Walter Arnold, Sr. and Mr. and Mrs. Clyde Arnold were Thanksgiving dinner guests of Mr. and Mrs. Jeff Edmonds of Latonia.

Mr. and Mrs. John H. Hogrefe of Ambridge, Pa., were called here by the death of a relative, Floyd L. Frakes of Independence. During their stay Mr. Hogrefe visited Mrs. Jennie Dobbins at Jeffersonton, whose condition has not changed. The Hogrefes also called on other relatives and were guests Thanksgiving of his sister, Mrs. Buster Payne.

Mrs. George Miller, Blayne Miller and H. B. Simpson were Saturday evening visitors in the home of Mr. and Mrs. Paul Chaney.

Mr. and Mrs. John W. Dolwick, Jr. entertained with a family dinner party Thanksgiving. The menu included turkey and all the accessories. Guests enjoying the event were: Mrs. Nell Nance and Mr. and Mrs. Frank Hogan of Covington; Mr. and Mrs. M. M. Graham of Park Hills; Mr. and Mrs. Geo. Miller, and Mr. and Mrs. W. R. Miller.

In a recent communication, Mrs. Virginia Miller Eades of Chattanooga, Tenn., states that she and Mr. Eades are doing fine except for the fact that the cast had to be replaced on her ankle.

Mrs. Wm. Wolfe and daughter, Natalie, of Erlanger entertained with a family dinner party for the recent holiday. The menu consisted of turkey and all trimmings. Guests enjoying the occasion were Mr. and Mrs. Milton Schwind and children, Bob, Norman and Judy, Mr. and Mrs. Elsworth Regan and Mary Jo, Norwood, and Mr. and Mrs. Irwin Schwind and Esther.

Friends here of Robert Idol are pleased to know he has been promoted to the capacity of Corporal. He would be happy to receive Christmas cards from all of us. His address is: Cpl. Robert Idol, 925 QM Sub Depot Co., APO 3, 3, Postmaster, San Francisco, Calif.

Through the use of 100 pounds of ammonium nitrate per acre, James Quessnell of Daviess county increased his corn yield approximately 35 bushels an acre.

Ten 4-H club boys in Morgan county made an average profit of \$109 on their beef calves.

Jewell Dean Hurt, 4-H'er of Todd county, canned more than 300 quarts of fruits and vegetables and helped her mother prepare and can other foods.

STATE TO REPORT PRICES AT ALL TOBACCO MARKETS

The Kentucky Division of Markets will have a reporter at each tobacco market in the state to pass along daily information on the prices that the leaf is getting in each location, Robert L. Hendon, director of the division, said today.

The reporters will gather their information from each floor in the market area and relay the total pounds sold, total price and average per hundred pounds to clearing center in Louisville. The center will put the information on the news wires in Louisville in time to reach tobacco raisers by newspaper and radio before the next day's selling starts, Hendon said.

Hendon said this is the third year the reporting service has been provided by the state it is the most accurate means of letting the growers know what they can expect for their product.

Prior to the service, some markets published misleading information in an attempt to coax growers to market their tobacco on local floors, he said.

There are 32 markets in the state and all are expected to be in operation by late December.

KENTON TOBACCO WAREHOUSE

(Established 1918)

SEAL OF APPROVAL

BURLEY AUCTION WAREHOUSE ASSOCIATION

Now Open to Receive Tobacco. Opening Sale Wednesday, Nov. 28.

Other Sales On Nov. 30, Dec. 4, 6, 10, 12, 14, 18, 20.

Kenton House is the only warehouse in Covington, Ky. We are located one block west of the Kentucky end of the Suspension Bridge, on Route 25 (Dixie Highway).

This warehouse is run by men who grow tobacco. Your crop will be graded by experienced tobacco men. If you have never sold on the Covington Market, let us prove to you that we do get as much or more, grade for grade, as any market in the Burley Belt. Our aim is to get the highest price for your tobacco.

All growers are treated alike, regardless of the size of the crop. Our new skylights give better light which means higher prices to you.

Sales Are Held Every Other Day—We Don't Store Your Tobacco, "WE SELL IT"

Prime Mover...

of the goods this country needs for national defense, and for its daily life and work, is the flanged wheel on the steel rail. Day and night—at all seasons of the year—freight trains roll, carrying raw materials and finished goods, products of farm and forest and mine, of mill and factory.

Doing the big, basic transportation job that nothing else can do, the railroads need adequate income based on today's cost of operation. Only in this way can they be kept fit to do their job—the job of moving more tons of freight, more miles, at a lower average charge than any other form of general public transportation in the world.

THE BIBLE SPEAKS

International Union Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Exodus 23; Numbers 11-14

DEVOTIONAL READING: Deuteronomy 11:13-21

'There Is a Tide'

Lesson for December 2, 1951

"There is a tide in the affairs of men, Which, taken at the flood, leads on to fortune; Omitted, all the voyage of their life is bound in shallows and in miseries."

SO Shakespeare said, and he was at least half right. Opportunity sometimes knocks twice; but don't count on it.

The Bible lesson for the week is a failure-story, not a success-story. It is the story of some persons who contracted the grasshopper complex, a mental disease that still attacks people today. The story is from the wild days when the Israelites, now two years out from Egypt, were first knocking at the doors of the Promised Land.

The Israelites were land-hungry, but the only land they wanted was what we now call Palestine and it was not theirs for the asking. They would have to fight for it, every foot of it. They all knew this, Moses knew it. There was no going back to Egypt and slavery. Nobody wanted to stay in the desert. The obvious thing was to go ahead into Palestine. But there were two questions filling the people's minds: (1) What kind of country is it, really? and (2) Can we fight our way into it?

Investigating Committee SO a committee of investigation was formed, of one man from each of the twelve tribes—grown men, trusted leaders, by no means "boy scouts."

Don't think of these men as sneaking through Palestine from bush to bush; peeping out Indian fashion to what they could see. They walked into Palestine, not unobserved but unmolested. They spoke Egyptian, of course, and could easily pass as Egyptian traveling salesmen. They spent around six weeks in that country, visiting the cities, no doubt talking with the people.

In later summer they went back to the encampment on the edge of the desert, carrying with them some of the fruits of the land. (Remember, those pictures showing bunches of grapes six feet long are a funny misunderstanding. Palestine has good grapes, but not quite that good! They carried the grapes on poles because that was the best way to keep them from being crushed.)

At the big mass-meeting at the desert camp, the twelve men reported. On the facts, they were all unanimous. It was a wonderful country, "flowing with milk and honey," a great country for cattle and bees. Palestine did look marvelous to their desert-bred eyes. But on question number two there was a serious division: Can we fight our way in? Yes, said the majority of two. No, said the majority of ten.

Grasshopper Complex TRILL majority put their reasons in a single revealing sentence: "We were as grasshoppers in their sight, they said, and so we were in our sight."

Nowadays we call this state of mind the "inferiority complex"; our name is a new one for an old trouble. Think of yourself as a grasshopper, and grasshopper is what you shall be. Take yourself at other people's lowest estimate, and that is all you will be worth.

The trouble with the grasshopper complex is that it catches on. The majority report was wrong, as majority reports so often are. But the people believed them rather than the courageous pair who stood up to declare boldly, We can do it, with the help of God.

Well, what did God do about it? That is perhaps the saddest part of the story. He did nothing about it. He let the people impose their own sentence. Grasshoppers? Very well, so be it. Grasshoppers die, they never amount to anything, no one bothers to kill them, they just die. God was believed to strike men dead in anger, or command the earth to open and swallow up the wicked, or hurl lightning from the skies on his enemies. But he wasted no miracles on these self-elected grasshoppers. He only let them die. Ten, twenty, forty years, just drifting about in the wilderness, till they all died, and a new generation took their places.

Opportunity did not knock twice. There was a tide in those men's lives.

GLORY TO GOD!

Every Sunday Jimmy stands here in the choir loft along with twenty other boys singing some of the most glorious music ever written.

For three years he has been singing for his church, and now after these many months he wouldn't miss practices for the world.

But it wasn't always like that! During those first months tears were shed and Dad had to force Jimmy to attend rehearsals, because you see Jimmy didn't know what was best.

There is a job for everybody at church. Maybe it isn't as obvious as singing in the choir. Maybe it's something that's never been done before. But the thing is, you'll never know until you go and find out.

All of us aren't as lucky as Jimmy. Most of us, and especially we grown-ups, don't have anyone to insist that we go to church.

But the need is there. We need the church and its teaching, and the church needs us to extend its work and services.

Go to church next Sunday and find out how you can best serve God.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor in world for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

SELLING TOBACCO

This is the time of the year all the farmers have been looking for—they have handled that burley several times and this is the last time, when they put it on the truck—next thing is to get that check and hope it will be a big one. Selling tobacco in Kentucky is a great industry—in other states where they do not raise tobacco, they don't know that you can get a thousand dollars off one acre of land—look how many acres of corn, wheat, oats, hay or most any crop you would have to raise to get a \$1,000. I have had several come in and price something and say, "I'll wait until I sell my tobacco."

We are still selling heating stoves—Mrs. Cass came in today and bought a small coal heater; Stanley Bush stopped in for some galvanized pipe—Stanley is always plumbing or doing a carpenter job; Clarence Sturgeon came in to tell me how he liked that wood heater I sold him last week—he has a large size Moore's circulating coal heater for sale, cheap—it is in good condition. We sold several shotguns and a lot of shells today—there are lots of rabbits this year, but quail seems to be scarce, as they always are in this part of the state.

Chick sold Luther Risner a lot of Morton's Sugar Cure and sausage mill repairs. I saw Ray and Chick cutting off a lot of linoleum for someone. A. A. Brown, out on Green Road, came after a 50-gallon drum—we have several of these and they are clean. J. C. Bennett Albert Parker, Clarence Struve, Hiram English, Ralph Sparks and Buck Gross were the loafers today—the loafers are getting more every day. We will have a big crowd as soon as the tobacco is stripped.

Mrs. Susie Dwyer, over Verona way, had Ray put her up a new furnace pipe—he took Charles Colcord some steel fence posts and barbs wire—then he went to Miss Menefee's on Pine Road and put up a new furnace pipe—her father, Rolla Menefee, died last week. Tom Percival is having a little trouble with his washer—Brewster went down to take care of it. L. C. Percival was in today—he hardly ever comes to town that he doesn't come in the store. Edward Roberts and wife were buying their son a wagon—they also bought meat saw, light bulbs and gun shells. Mrs. Perry of Perry's Tourist Court, called for four lengths of 3/4-inch galvanized pipe.

Mrs. Flora Woods had us new pipe on her heating stove. Mrs. Dora Fields sent her Sunbeam iron up, as it had quit, but all it needed was a plug on the cord—these Sunbeam irons hardly ever quit, but when it is something beyond the cord, we just send them to Chicago. Mrs. Cliff

Farwell was shopping for a few things for Christmas—she is such a nice customer—a merchant always notices and tries his best to please these kind of customers. Leslie Hoffman was in and in a hurry, as usual—bought flashlight batteries and forgot them.

I went over to the editor's house for Thanksgiving dinner—and I doubt if he ever invites me or my friend, Glenn Edens, back to eat. You never saw two people eat as much as we did—everything was so good we just couldn't quit—we went at four o'clock and stayed until twelve and ate three times in the eight hours—I'll bet there wasn't enough left for hash. I went up to my mother's tonight for dinner and she sure had the food—well, starting Monday I am going back on my diet, for the doctor says I am too fat. It will soon be Christmas and I have to make a room for my toys—I have two refrigerators that I am going to sell cheap—a 9 cu. ft. box for \$254.50 and a 11 cu. ft. box for \$299.50, both are deluxe models—these are \$100 off the price. Stan Eichholz is building a new house over by New Haven school—he is here real often after wiring material and pipe fittings. Ben Menke and Donald just came in and bought hunting license. Some of our soldier boys were home over Thanksgiving—Bobbie Beach and Joe Stephenson were the only ones I saw.

The tobacco sales start today and it looks like good tobacco will be a good price, but that wet and frozen, you had better let it hang until it dries out. Mrs. Gracie Cole just came in after an alarm clock—her old one quit after years of service. Joe Poole came in and I fixed up some lights for him to strip his tobacco by. Dallas Whitton had a new meat saw blade put in and he bought an electric water heater for his hog waterer to keep it from freezing—just drop it in the water and plug it in—keeps the water at 50 degrees, and only costs \$5.75, and they last.

Doc Vest is still working on his apartment, buying more pipe and fittings. There is a new light on the market to kill all odors—they really work for I am using one in my storeroom—just hang it on the wall and plug it in and in no time all the bad odors are gone—costs \$8.95. I have a good supply of Dayton water systems have a good supply of galvanized pipe, so when you have some spare time, put in a water system for your house and dairy barn—sure saves a lot of work and poses the milk inspection. COME to CONRAD HARDWARE, if we don't have it, we can get it.

According to Mrs. Anna H. Gaines, County Recruitment Chairman, Mrs. J. B. Johnson, Walton is chairman of Volunteer Services for the Bloodmobile visit to Walton, December 17, which will be located at the Walton Christian Church.

TOBACCO MARKETS

Kentucky's state-wide burley tobacco price averages fell Tuesday from Monday's all-time high of \$54.25 a hundredweight.

But it was a strong \$53.08 average on sales at 26 markets, the State Department of Agriculture reported. The department said the markets auctioned 14,625,815 pounds for \$7,763,783.04.

Lexington, the largest burley market, had a \$53.12 average.

Danville turned in an average of \$52.12 a hundredweight—the highest daily average on record for a Kentucky market.

Averages declined slightly Monday at the Kenton Loose Leaf Warehouse, Covington, where 277,239 lbs. were sold for an average of \$48.50. The high basket sold for \$49.

At Carrollton, 779,922 pounds of tobacco were sold for \$371,870 or an average of \$47.68.

Boone County Man Injured Fatally In Highway Accident

A Boone County man was injured critically last Friday in an accident on the Bracht-Piner Road, one mile west of Piner, involving a Kenton County school bus and two automobiles.

The injured man, Andrew Comburger, 61, of Burlington, Route 1, was taken to St. Elizabeth Hospital, Covington, where he died early of injuries consisting of cuts on his arms and legs and a skull fracture, according to reports.

The driver of the other passenger car was cited on charges of reckless driving and defective brakes. Police gave her name as Mrs. Edna Spillman, Dry Ridge. She was arraigned before Judge Wm. E. Wehrman in Kenton County Court, Wednesday.

Capt. Donald Sebree and Capt. Russell England of the Kenton County police, said that Mrs. Spillman's car crashed into the rear of a school bus operated by Carl Justice. The bus had stopped to unload children. The car then careened across the road and struck Comburger who was repairing a flat tire. None of the school children were injured.

Surviving are two daughters, Mrs. Henderson G. Hightower and Mrs. Howard F. Dressman, both of Union, and two sisters, Mrs. George Piman of Chicago, and Miss Mary Fagaley of Ft. Thomas.

Senior Class Play At W-V High Set For Thurs., Dec. 13

Complications generally arise when a young man falls in love with two girls at the same time, but just imagine how involved things become when he falls in love with five girls. Such is the case in the new-act comedy, "He Couldn't Marry Five," which is being presented by the Senior Class of Walton-Verona High School, Thursday, December 13 in the school auditorium. The play is under the direction of Mrs. H. P. Baker. The following is the cast of characters:

Connie Barton—the mother of five daughters, slightly "cuckoo" on the subject of astrology—Rose Marie Vest.

Ralph Barton—the father of five daughters—Harold Campbell.

June Barton—one of the daughters who is an artist—Donna Kendall.

May Barton—another daughter whose ambition is to dance around the world—Sharon Graff.

April Barton—who is the eldest daughter—Virginia Schwab.

Leona Barton—the youngest of the daughters—Nellie Lunford.

Farris Barton—the daughter who is studying to be a nurse—Jackie Code. Granny—a kindly old lady with a good deal of common sense—Alva Flynn.

Donald Regan—a good-looking young man who has the misfortune to fall for five girls at once—Bob Chandler.

Etta Barton—the old maid aunt—Coreta Rice.

Has Whoooping Cough

Larry Gene Jones, son of Mr. and Mrs. Stanley Jones of North Main Street, is confined to his home with whooping cough. However, he is getting along nicely and expects to be out in due time.

Meredith Wilson is music director of "The Big Show" on WLV-NBC Sundays at 9:30 p. m. C.T. His composition, "Three Chimes of Silver," has been adopted as the official anniversary song for NBC's Silver Jubilee.

THELMA DEAN MOORE

Funeral services for Miss Thelma Dean Moore, who was found dead Sunday in her room at the Hotel Sheraton-Gibson, Cincinnati, were held at 2:00 p. m., Wednesday at the Chambers & Grubbs funeral home, Walton. Burial was in Highland Cemetery, Ft. Mitchell.

Miss Moore's home was in Walton. She was employed as a traffic clerk at the Western Union office, Dixie Terminal Building, Cincinnati. She was 45 years old.

Miss Moore is survived by a sister, Mrs. Harry D. Mayhugh, Walton.

Highway Accidents Increasing Says State Commissioner Southall

Kentucky's automobile accident problem has increased in proportion to the number of vehicles on the public highways — has long ceased to be a matter of private concern but is one of public responsibility, State commissioner of Insurance Spalding Southall said today.

Automobile accidents have more than kept pace with the increase in vehicle registrations, Southall declared, citing that the total damage had risen from approximately \$2,500,000 in 1930 to \$16,000,000 twenty years later.

"This total has far exceeded the increase in automobile registrations—there were 327,617 vehicles registered in Kentucky 20 years ago, 829,188 up-to-date this year," Southall commented.

"While we may be inclined to be a bit satisfied with our situation we cannot ignore what is happening as to automobile insurance in this part of the country and of the possible consequence in our own State."

"There is one principal villain in the auto insurance story—inflation. As represented in physical damage costs and jury verdicts, has driven auto insurance losses skyward. This in turn has required an increase in premiums. It is now established that auto drivers in the 25-years old and under group are accounting for the larger per centage of auto accidents. This in many cases has caused rates to undergo an increase."

Southall added that the fault does not lie on the part of the insurance business—that the increase "lies at the hands of human nature—in the physical laws of momentum as represented by the terrifying force caused by a ton of metal hurtling along a table-smooth piece of concrete at sixty miles an hour. . . . In fatigue, distraction and effects of even 'good liquor' . . . and to a great extent in the general carelessness of human beings which causes them to drive automobiles recklessly and with indifference to the safety of themselves and others."

"The best insurance we can have is the accident that didn't happen."

Funeral services will be held at 2:00 p. m. today at the school house.

After the business meeting, a Christmas party will be enjoyed. The president has hopes of having a picture show. For the Christmas party, each person is asked to bring a gift, value of fifty cents, to be exchanged—please mark gifts "man," "woman" or "child."

Guests are invited, as well as members, old or new.

NOW IN KOREA

Pvt. Delbert G. Messmer

Pvt. Delbert G. Messmer, son of Mr. and Mrs. James L. Messmer of near Verona, is serving with the 8th Cavalry Division in Korea, having arrived there October 19.

His address: Co. C, 8th Cavalry Regt., APO 201, c/o Postmaster, San Francisco, Calif.

Good Response To Verona's Fire Protection Fund

Many people at Verona were quick to respond to the offer of the Walton Fire Department and have already turned in a sizeable amount to the Verona Bank. No regular assessment has been made and each property owner is requested to donate to this fund according to the amount of fire risk involved.

A correction is in order concerning a statement in last week's Advertiser by the writer of this article, where it stated, "The customary fee for an out-of-town fire call was \$50 by the Walton Fire Department." In fact it is \$100 plus \$25 for each additional hour.

It is planned to have a chart made of all the buildings and available water supply in the town of Verona within a certain boundary, which will be kept by the Fire Department and serve as a ready reference in case of emergency. The boundary as described last week may be changed slightly to include a few more houses that would be on the border and not too far distant from the center of town.

There is no need of delay in turning in donations for this fund at Verona, and if you have not done so already, do it today. December 12 has been set as the deadline and this offer of fire protection for a whole year (\$125.00) is too good to miss. If you are in doubt about being in or out of the fire zone, you can get the information at the Verona Bank when you turn in your donation.

'CATS PLAY HEBRON, FRIDAY, NEWPORT CATHOLIC, TUESDAY

In a free-scoring basketball game last Friday night, Dixie Heights High School, the Little Colonels defeated the Walton-Verona Bearcats, 79-60. It was the second loss of the season for the 'Cats to a KNAC foe. The Dixians led throughout, the quarter scores being: 26-12, 35-25, and 60-42. Scoring honors for the evening went to Moloney, Dixie guard, with 22 points. Others scoring for the winners were: Jacobs 18, Bering 17, Stewart 12, Porter 3, Barnett 3, McGuire 2, Slayback and Rusk one each.

The JV's of Dixie won the opening tilt, defeating the W-V reserves by a 34-27 score.

Tuesday night, on the home floor, the 'Cats turned in the big surprise of the early game season by knocking off the undefeated Simon Kenton Pioneers, 49-48. The loss halted a four-game win streak. It was the fourth victory in six games for the winners.

The game was a thriller from start to finish. At the end of the first period the Pioneers led 14-13. Walton outscored the visitors 14-11 in the second period to lead 27-25 at the half. The lead changed hands often in the third quarter with W-V holding a 39-38 edge as the final period got under way. With about 10 minutes playing time remaining, Simon Kenton held a 48-45 lead. Johnny Grubbs then hit a long shot for the locals to make it 49-47, and then Junior Linton scored a fielder one one-hand push shot to win the game for the Bearcats 49-48.

The scoring was as follows: Walton-Verona—Vest 16, Smith 14, Campbell 9, A. Linton 5, Grubbs 2, Speagle 2, and Bell 1.

Simon Kenton—Haman 17, Clarkson 11, Bieker 8, Coppage 6, Dixon 2, Chapman 2, and Robinson 2.

The Simon Kenton reserves won the preliminary, 37-28. Robinson was tops for the victors with 10 points, and Courtney was best for the losers, with 11.

Friday night, December 7, the Hayseams got to Hebron for a Boone County Conference game, their first of the season, and next Tuesday night (Dec. 11), Newport Catholic comes to Walton.

Oak Island Homemakers

Twelve members and five guests took part in the regular meeting of the Oak Island Homemakers Club. After the business meeting, Mrs. C. C. Northcutt read the devotional, Luke 1:26-30. The Thought of the Month was given by Mrs. Walter Linville, Mrs. Sherman Barberick read, "We Rediscover Christmas." Mrs. Rudolph Casson was the lucky one in the contest.

John Dwyer of the Piner Club demonstrated the decorating of cakes. Two cakes were decorated and the club presented one to Mrs. Catherine Schmidt for her thirty-third birthday.

MANY ATTEND

The open house held last Sunday for "Uncle Jimmy" Stephenson on his 90th birthday, at the home of his daughter, Mrs. Erma Stockman, was attended by approximately 100 persons, with many cards and gifts received.

In the center of the table where the cake was placed was an old candlestick, which is about 140 years old. "Uncle Jimmy's" great-granddaughter, Shirley Marlene Stephenson, served as server and receptionist at the affair. Rev. W. G. Burkett read scripture and offered prayer. One of the delicacies was watermelon, a favorite of the honored one. Everyone sang "Happy Birthday" and sincerely wished him many more years.

B.W.C. TO MEET

Mrs. Christine Blackburn and Mrs. Nell Hunt will entertain the B. W. C. of the Walton Baptist Church, at the home of Mrs. Blackburn, on Thursday evening, December 6. All members are urged to be present. Visitors welcome.

When these WLV performers gather around the "Six Star Ranch" mike Tuesdays and Thursdays at 9 p. m., EST, the evening air starts thumping with the rhythmic strains of folk music. Members of the cast include The Rangers, Dick Bellamy and Lee Jones

Oak Ridge Homemakers

The "Homemakers Creed" was read to open the November meeting of the Oak Ridge Homemakers Club, held at the home of Mrs. Edith Piper on Taylor Mill Pike.

A story, "Thanksgiving" was read by Mrs. Roscoe Sudduth. A plea for blood donors for the Red Cross Blood Bank was made and all members were urged to do their utmost for this worthy cause.

Plans were made for a short business session, a Christmas party and exchange of gifts to be held Dec. 10, at 12 noon, at the Covington Chamber of Commerce building.

A second lesson on nutrition and meal planning for healthier living was given by Mrs. Russell Yates and Mrs. E. C. Harris. Pamphlets on the topics were distributed. A book review of the James Hilton story, "So Well Remembered," was given by Mrs. E. C. Harris. The first such report made from books of the newly organized lending library.

Christmas gift suggestions of hand-made aprons, dolls, corsages, pillow cases, dollies and handkerchiefs were displayed by Miss Mabel Mardis. A social hour was conducted by Mrs. Eugene Tomlin, program chairman.

Those attending were: Mesdames. C. M. McNew, Edith Piper, E. C. Harris, Ralph Lewellen, I. E. Mann, Roscoe Sudduth, K. Galloway, Haden Ware, B. Riggs, J. Piper, Eugene Tomlin, W. B. Concord Homemakers

The Concord Homemakers met in the home of Mrs. Derwood Scroggin on November 15. The meeting was called to order by Mrs. Orin Britt. All members enrolled were present, and a new member, Mrs. Cleve Raiser, was added. Members answered roll call by telling which Thanksgiving they remembered best.

Mrs. Derwood Scroggin was named rallying chairman, replacing Mrs. W. N. Robinson, who is in ill health and unable to attend regularly.

The Christmas party will be held in the home of Mrs. Dallas Whitson on December 21 at 6:30 p. m.

UK GRIDDERS GET

COTTON BOWL BID

The University of Kentucky's football Wildcats last week received, and accepted, a bid to play the Southwest Conference champion in the Cotton Bowl at Dallas, Texas, next New Year's Day. Acceptance of the Cotton Bowl date marks the third consecutive year that the charges of Coach Paul "Bear" Bryant have been invited to appear in a major bowl contest. They tripped the might Oklahoma Sooners in last year's Sugar Bowl tilt, after having been shaded by Santa Clara in the 1950 Orange Bowl struggle.

CARD OF APPRECIATION

We would like to take this opportunity to thank everyone for the many kindnesses shown me following my recent accident. I have received more than 100 cards, many telephone calls, and more than 75 visits.

Words cannot express how deeply I appreciate the many friends who have called, sent cards or visited me during this time. You have made it possible to carry on even when life has its problems. The word, smile, or a card from a friend means more than we can ever express in words. From the very depths of my heart, I say, "thanks to all."

Your prayers have been like mighty wings to bear us up because we know that you have been remembering us in a very special way. It at any time I can ever return these many kindnesses I will always be at your service.

EDUCATION 'TIRED'

Rural education in Kentucky is "tired, confused, and worried," delegates to the 32nd annual Kentucky Farm Bureau convention were told last week by Dr. Frank G. Diekey, dean of the University of Kentucky College of Education. "It is tired,"

the U.K. educator declared, "because we have undernourished it; it is confused because we, the people, are not agreed on what we want from it; and it is worried because we are asking education to carry a heavier burden than ever without providing the necessary means with which to do the job." Consolidation of rural schools may provide a partial solution to the problem, he said.

UK GETS \$10,000

IN PRIVATE GIFTS

Gifts totaling \$10,300 were accepted last week for the University of Kentucky by member of the school's board of trustees. The gifts included \$3,800 to be used for research aimed at the control of black shank disease in tobacco, \$6,000 for a co-operative research program with Vandersilt University; \$500 for scholarship funds; and miscellaneous gifts of books and furniture. The latest addition to the Black Shank Research Fund brings to \$27,835 the amount contributed within the past two months by Kentucky tobacco growers, warehousemen and processors.

KNOWING WHERE

TO SAVE IS MIGHTY IMPORTANT!

Some folks thoughtlessly put their money in the mattress or teapot, or some other unsafe place where it couldn't possibly increase through earnings! And—putting money into "get-rich-quick" schemes usually works only for the other fellow. It's the wise investor who looks for safety plus earnings on savings. Our accounts are insured to \$10,000 by Federal Savings and Loan Insurance Corporation, and we pay worthwhile earnings twice yearly.

Sister Passes In Indiana

Mrs. Ruth Franklin, sister of Mrs. Goldie Wayman, Independence, died at her home in Valparaiso, Ind., last Tuesday. She was 62 years old. She was also the sister of Boyd and Broadus Hiles, Independence.

Pioneers Trim Mayville

The Simon Kenton Pioneers chalked up their third win of the season last Wednesday night as they defeated Mayville's Bulldogs 53-47 in a closely played game on the winners' floor.

The Pioneers were leading 11-9 at the first quarter and upped the margin to 23-19 at the half. The winners, who were paced by Don Chapman with 21 points, were leading 38-34 at the end of the third period.

Others scoring for Simon Kenton were: Clarkston 19, Human 7, and Beaver, Coppage and Robinson 2. Mayville scores were: Calvert 22, Tomcay 10, Breeze 4, Andrew 4, Grain 3, Hale 2 and Harding 2.

Mr. and Mrs. Gordon Phillips had as dinner guests Thanksgiving, Mr. and Mrs. Max Boling of Demosville, Mrs. Christine Smith and children, and Miss Lena Kacaba.

Scott county farmers estimate a drouth loss of half their hay crop, one-third their tobacco, and half the corn crop.

Perry Bogle grew 137.7 bushels of corn per acre on Silver Creek bottom-land to win the corn derby in Madison county.

Approximately 2,578 acres in Owen county were sowed with 90,290 pounds of vetch and crimson clover seed for cover crops.

The Vigo variety of wheat was sowed this year on about 90% of the farms in Mercer county where wheat will be harvested for grain.

Simon Kenton 47, Gallatin Co. 39

The Simon Kenton Pioneers came from the rear in the second half to chalk up their fourth straight win of the season by downing Gallatin County High at the Independence gym last Friday night.

Gallatin County, paced by the shooting of Yancey, led 12-10 at the first period and added one point to its lead in the second period to take a 22-19 advantage into the dressing room. Simon Kenton came within one point of tallying as many points in the third period as it did in the first two, outscoring the losers 18-11 to lead 37-33 as the final period got under way. The Pioneers held a 10-8 advantage in the closing period.

The scoring:
Simon Kenton—Human 13, Clarkson 12, Chapman 8, Bieber 7, Dixon 5, Coppage 2.

Gallatin County—Brown 13, Yancey 11, Ashcraft 11, Wilson 4, True 2, Wood 1.

Gallatin's reserves won the preliminary game 24-23.

FLORENCE NEWS

Mr. and Mrs. L. A. Dolwick of Dearborn, Mich., were here to attend the McGlasson-Stutzman wedding and remained for a three-weeks visit with relatives.

Mr. and Mrs. Fred Read of Indianapolis, Ind., were visiting her parents, Mr. and Mrs. Paul Aylor, Saturday of last week, and on Sunday the party were guests of Mr. and Mrs. Geo. E. Black of Beaver, on the occasion of Mrs. Black's birthday.

We regret the loss from our community of Mr. and Mrs. Floyd Roberts, who recently moved to their farm on Mt. Zion Road, purchased from Mr. and Mrs. Robert Mayo.

Mr. and Mrs. Eldridge Carpenter entertained at luncheon Sunday for his father, Theo. Carpenter, and son. Mrs. Robert West and son, Robbie, of Louisville, were weekend guests of Mrs. Marie Kinman and father.

The Missionary society of the Florence Christian Church is observing "Woman's Day" at the church, Friday, December 7 at 8 p. m. An interesting program, including special music is being arranged. Rev. Morris Coers of Immanuel Baptist Church, Covington, prominent speaker over radio and television, will be guest speaker. The public is cordially invited to this service.

RUPTURE SHIELD

EXPERT HERE

E. J. MEINHARDT, widely known expert of Chicago and Michigan will be at the Gibson Hotel, Cincinnati, for 4 days, Friday, Saturday, Sunday and Monday, December 7, 8, 9, and 10. Office hours, 11 a. m. to 4 p. m. and 7 p. m. to 9 p. m., daily. (35 years successful record—thousands recommend him.)

Scientific research is constantly providing new relief for many afflictions. The Meinhardt Laboratory has now produced the improved Meinhardt Rupture Shield. It stops the Rupture or Hernia from protruding in 10 days on the average case, regardless of the size or location of the Rupture or Hernia and no matter how hard you work or strain. It is also used for many Ruptures which have repeatedly returned after surgical operations or injection treatments.

Caution: If neglected, Rupture may cause weakness, nervousness, constipation, headache, dizziness, pain in back or stomach and dangerous strangulation.

Every man in this vicinity having a Rupture is invited to see this Shield during the above stated office hours. There is also no charge for private consultation. If desired, orders may be placed for immediate or future delivery. This demonstration is for men only.

IMPROVED BARLEY SEED DISTRIBUTED

The University of Kentucky Experiment Station says 1,500 bushels of foundation seed of the new Kenbar barley has been distributed to farmers in 18 counties.

This should sow 800 to 1,000 acres and produce about 25,000 bushels of seed, all of which will be eligible for certification if it passes other requirements of purity and germination.

Kentucky's barley acreage for harvest runs around 50,000 acres annually, which means Kenbar should furnish a fair percentage of this acreage.

A Better Man
 "At her request you gave up drinking?"
 "Yes."
 "And you stopped smoking for the same reason?"
 "I did."
 "And it was for her that you gave up dancing, card parties and billiards?"
 "Correct."
 "Then why didn't you marry her?"
 "Well, after all this reforming I decided I could do better."

TRUE TO FORM
 A shipwreck cast upon a desert island two Americans, two Israelites, two Irishmen and two Englishmen. Forty-eight years later, the two Americans had subdivided the island and erected skyscrapers and baseball stadiums; the two Israelites had financed them; the two Irishmen had gained complete control of the police department—and the two Englishmen still were waiting to be introduced.

Chain Store
 A panhandler was seen standing in the corner holding a hat in each hand. A stranger approached and asked what was the idea of two hats. The bum grinned and replied, "Business has been so good that I've opened a branch office."

Err Male
 A traveller just home from abroad was describing an earthquake.
 "Most amazing thing I ever saw," he said dramatically. "The hotel rocked. Cups and saucers were flung all over the room, and—"
 His meek-looking companion turned suddenly white.
 "Great Scott," he cried. "That reminds me. I forgot to post a letter my wife gave me two days ago."

PREPARED FOR WAR
 At the height of the Christmas shopping rush, a dignified middle-aged gentleman went to a large department store to buy a widely advertised bargain article for his wife. He soon found himself being buffeted by women shoppers. He stood it as long as he could; then with head lowered and arms flailing, he plowed through the crowd.
 "You there!" challenged a shrill voice. "Can't you act like a gentleman?"
 "I've been acting like a gentleman for an hour," he shouted back. "From now on, I'm acting like a lady."

Jump
 A young man of burning ambition approached a great merchant and begged him to reveal the secret of his success.
 "There is no easy secret," pronounced the merchant. "You must jump at your opportunity."
 "But sir, how can I know when my opportunity comes?"
 "You can't," declared the merchant. "You've just got to keep jumping."

To the Point
 Most folks are blessed with presence of mind—but their greatest trouble is absence of thought.
 Anyway, no one can say that the atom isn't all that it's cracked up to be.

In standard liquid measure two plus make one caveat.
 Progress is merely the slow process of falling in line with the schemes of the minorities.
 Big shots are simply small shots who keep on shooting.

TECHNICAL
 A reader asks, "Why is it that radio announcers have such small hands?"
 That's simple: Wee paws for station identification.

Persistent Grandpa
 It was the worst storm on record. Finally the dam burst and a raging torrent forced the townfolks to flee to higher ground. From the hill, as they looked down, they noticed a straw hat float slowly downstream for fifty feet or so. Then the hat stopped, turned around and made its way upstream a similar distance. After this performance had been repeated several times, one of the group asked:
 "What makes the hat act so darn funny?" And a boy replied:
 "Last night I heard Grandpa say that 'come heck or high water he was going to mow the lawn today.'"

ONE WAY
 The show window of a motor salesroom near Ploesdilly was filled with luxurious little vehicles, and so were the vast expanses of floor space, within. There, a high-strung young man was in vain begging one of the officials of the company to let him have a new sports model at once. Finally he flung his arms upward with a despairing gesture and shouted, "How on earth can I get early delivery!"
 The official gave him a grim look and replied, "Emigrate!"

HONOR ROLL
 The honor roll for the second six weeks' period at Walton-Verona school, according to Supt. J. O. Ward, contains the following names:

First Grade—Linda Sue Duchemin, Gregory Struve, Linda Kay Baker, Linda Gail Worthington, Dorothy Rich, Wilma Jean Goode, Raymond Owen, Betty Sue Penick, Beverly Eckler and Russell Treadway.

Second Grade—Hubert Dixon, Harold Owen, Charles Gravely, Richard Harp, Connie Baker, Raetta Hall, Diana Stephens and Jimmy Huey.

Third Grade—Ronnie Beach, Gary Lay, Georgia Brooks, Lynelle Flynn, Betsy Jones, Anna Lou Penn and Larry Jones.

Prime Mover...

of the goods this country needs for national defense, and for its daily life and work, is the flanged wheel on the steel rail. Day and night—all across the face of the nation—at all seasons of the year—freight trains roll, carrying raw materials and finished goods, products of farm and forest and mine, of mill and factory.

Doing the big, basic transportation job that nothing else can do, the railroads need adequate income based on today's cost of operation. Only in this way can they be kept fit to do their job—the job of moving more tons of freight, more miles, at a lower average charge than any other form of general public transportation in the world.

Your Loss, My Game

The recent meeting in New York between Ernest Bevin and Andrei Vishinsky found Bevin considerably thinner than usual and Vishinsky somewhat heavier, the story goes "How thin you've got!" Vishinsky softly exclaimed, "I've lost 15 pounds." Bevin replied, "But you're fatter." "Yes," the Russian replied, "but don't get the idea that I'm a cannibal and have profited by your loss, because I weigh fifteen pounds more."

"Fifteen!" mused Bevin. "That's just my loss plus the three pounds Stafford Cripps dropped these last few weeks."

UNDERSTATEMENT

In a hotly contested local election in Iowa, the Republican candidate ostentatiously refused to sling mud at his opponent. "Such tactics are beneath me," he proclaimed. "I will only say that he sailed from New York to Southampton and back last summer aboard the America and never washed once—which strikes me as the perfect example of a dirty double-crosser."

Joke With Teeth

A couple of Scotsmen were walking along the road together and one was jingling something in his pocket. His pal asked "Jock, you must have plenty of money in ther." "Oh, no," said Jock, "that's my wife's false teeth. . . there's too much eating between meals in our house."

Beastly Mistake

In one of the large Los Angeles department stores a portly dowager, panting Fekingses under her arm, paused at the drinking fountain flanking the elevators. The elevator starter stopped clicking his castanets in amusements—the lady was giving her pet a drink. "Madam," he said, "Please! the fountains are placed here for our patrons."

Not Easy

A young guest asked Tallulah Bankhead, "How can I get to be a big actress like you?" "Don't be ridiculous, darling," replied Miss B. "Sometimes I even have trouble."

Three Parties

Teacher: "Johnny, what are the three great American parties?" Johnny: "Democratic, Republican and cocktail."

It takes MONEY TO BUILD!

"I just had to have more barn room . . . and some of the other buildings needed repairing.

"But it takes money to build . . . more than we had saved up. Then, a neighbor tipped me off about a Federal Land Bank loan. He told me to see the National Farm Loan Association. It was a pleasant surprise to learn that the Association was made up of my friends and neighbors . . . all good, solid, substantial farmers.

"Well, today you'd hardly recognize the old farm, it looks so nice. I can keep my livestock and crops in better shape—can operate more efficiently and make more money. And I'm happy about the 4 percent Federal Land Bank loan. I can take 20 to 33 years to pay . . . or pay just as fast as I want without any penalty whatsoever. And I didn't have to pay a cent in application fees, appraisal fees or commissions.

"If you need money to build or improve your farm in any way, let me suggest a Federal Land Bank loan."

SHORT STORY

Another Good Crop

By James B. Holm

FARM FOLKS are always asking a squirrel for information and advice on law. Dave Tidwell was no exception.

Dave was a leathery faced man in his sixties. I was attracted by a peach tree on his place, then in full bearing. He gave me a few peaches.

Dave's place didn't look any too prosperous. His spoke of his dilapidated old car near the barn.

"I guess I'll never have money enough to buy a new one," he said. "Can't make anything on this place now."

I could see he had something else on his mind. Pretty soon he started to ask questions.

"Squire, who does money belong to if it's found hidden in a man's barn?"

"Why, I suppose it would belong to him, unless someone else could prove direct ownership," I told him.

I could see he had something else on his mind. Pretty soon he started to ask questions.

More questions were asked, rather cautiously. At length he said: "I used to have a hired man named Obie Hart. Don't know

If you ever heard of him or not. He's dead now. He was a good fellow.

"When he was a young man, he and his brother Sid lived around here. Obie got engaged to a girl but she threw him over for Sid. Obie always hated Sid for that and left home. Never spoke to Sid again. He came to work for me nearly forty years ago and stayed until last year when he died. I didn't pay him much but he saved his money. He didn't trust banks, either, and he never married."

"AFTER HE GOT sick last year Obie didn't live long. One day I was talking to him and he said, 'Dave, if anything happens to me I got money enough in my clothes to bury me. Better get it right now—over there.' I did and we counted it out. He acted like he wanted to tell me something more, but all he ever said was that he didn't want Sid to have anything of his. A few days later Obie died. The money wasn't quite enough to bury him, but that was all right. I paid the balance. Sure enough, Sid came snooping around, inquiring about Obie's money. I told him what I knew but I guess he didn't believe me. Argued on it and huffed and puffed. Was real ugly about it, too. He claimed Obie's clothes and watch. Probably his by law anyhow. I couldn't prove anything different, could I?"

"Now here a couple of weeks ago I was working in the barn and came across a wad of ten dollar bills stuck away in a mortise slot. Wasn't a great deal. I don't know who put it there. Who does the money belong to?"

"Dave," I said, "I can't advise you, but if it had been me that found it, I wouldn't do any hunting for an owner. It's your barn, isn't it?"

We looked at each other with the light of understanding between us.

"I don't know if there's any more there or not," said Dave. "As I said, I don't know what Obie did with his money. He must have accumulated quite a little in forty years. He may have done something with it I don't know about, or any one. Anyhow, he liked to be alone around the barn a great deal."

"Dave," I said, "what people don't know won't hurt them. If I found any money in my barn I would regard it as another good crop. If anyone thought different, it would be up to him to prove his claim."

Dave looked satisfied. "I guess I can trust you, can't I, squire?"

I forgot all about the matter until a year later. Then Dave Tidwell came to my office carrying a half bushel basket of peaches.

"These are some of the peaches you liked so well, squire," he said. "I had another nice crop this year. Matter of fact, all crops were good this year. No charge. My regards."

The look he gave me was a peculiar, knowing one and confidential like.

I looked out my window and saw Dave drive away. He was driving a nice new automobile. It was a make that must have cost twenty-five hundred dollars or more.

LAFF LINES

Sure Proof

Russia-First variant, as related at the Cafe de la pair:

The Soviet politician Malenkov paid a visit to Premier Stalin to report that it had just been verified that Adam and Eve were Russians.

"What if the Voice of America calls this merely a piece of Moscow propaganda when we announce it?" the Premier demanded. "What definite proof have we?"

"The best in the world," Malenkov replied. "Adam and Eve had no clothes. They had no dwelling. All they had to eat was apples, and they believed they were in Paradise. They must have been Russians."

Housing Hint

Saturday, Dec. 15

At 1:00 P. M.—On Premises

Mrs. Rebecca Ann Jones is selling out, hook, line and sinker, on the above date. Due to the death of her husband, Charles F. Jones, she has contracted with us to sell her

—6-ROOM MODERN HOME—

This home is located on the Main Highway in Morgan, Ky., Pendleton County, 7 Miles West of Falmouth, Ky., and 40 Miles from Covington—

This home is a bungalow style, 4 large rooms, bath and toilet on first floor, two small rooms on second floor, full basement, open fireplace, large concrete front and back porches, cement walks around house and outbuildings; these are good outbuildings—tool house, brooder house, large chicken house, sanitary outside toilet, garage; this plot of land, yard and garden is fenced and cross fenced with a good tight fence to hold a bull or a mouset; there are lots of fruit and shade trees and a grape arbor.

If you want a nice home, attend this sale on above date

Also to be sold are household articles, carpenter tools, ladders, 4-burner oil stove (like new), dishes, pots, pans, heating stove, large hutch, beds, chairs, rockers, rug, tables, lot of canned fruit, 10 gallons of honey, 7 tons of coal, complete set of carpenter tools that cannot be described—if you want some tools to work with, attend this sale—all in good condition.

SCOOOP

A report considered veracious has it that a thief recently broke into the chief propaganda office in the Soviet Zone of Germany and made off with the complete results of next year's elections.

Many Tongued

Do I speak languages? Listen to this: Parley vous Français? That's Spanish.

Look, Pat, what you just said is French.

Well, now, how do you like that? I speak French, too.

Twisting Old Maxim

Beggar—"Can you give me \$2 for a cup of coffee?"

Passerby—"I can, but why are you asking so much?"

Beggar—"I'm putting all my begs in one askit."

POLITE BEAU

Gloria's parents thought her new boy friend was an unmanly sort, but Gloria disagreed violently. "You're just prejudiced," she pouted. "George's manners are absolutely perfect. When he drives me home at night, he even blows up for me to get out."

FANCY PANTS

Composer Ludwig von Beethoven was once invited to a dinner party by a noblewoman who delighted in showing off her artistic friends. She glanced at his shabby attire and said:

"Of course you won't come dressed like this. It's a very important party. I must see your best clothes."

Beethoven flushed in anger. Then he promised:

"You will see my best clothes, madam."

On the night of the dinner, Beethoven did not arrive at the appointed time. The hostess waited nervously for her prize guest to appear. An hour passed. Then there was a knock on the door and a messenger entered, carrying a package. The noblewoman opened it. Inside was a full dress suit and a card which read:

"Madam, these are my best clothes. I hope they will make your party a success."

Two To Spare

Husband—"I wish you wouldn't talk to me when I'm shaving. You've made me cut my chin."

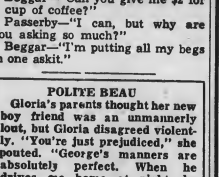

Wife—"That's all right. You have two more."

It's Fate

"Some girls grow up to become dietitians," says Vaughn Monroe. "Others dye and become titians."

CONCORD

Ulle Hudson of Cincinnati, was a guest of his brother, Carl Hudson, on Monday.

Mr. and Mrs. Robert Speagle and children of Latonia, Gobel Braisher and children of Warsaw, were Sunday guests of Mr. and Mrs. Robert Speagle.

Jess Speagle of Louisville, is visiting his sisters, Mrs. Mae Brown and Miss Elva Speagle.

Guests of Mr. and Mrs. Jay Webster Sunday were Rev. Stiles of Louisville, and Mr. and Mrs. Ira Thornton and sons. Rev. Stiles preached at Concord, Sunday morning and evening.

Mrs. Charlie Hughes has a Sunday guest of Mr. and Mrs. Manford Craft. Those on the sick list are: Little Linda Carol Speagle, and the baby daughter of Mr. and Mrs. Otis Rider. Hope they will soon be able to be out.

Carl Hudson spent Thursday and Friday in Carrollton, the guest of Mr. and Mrs. D. R. Hudson.

Mrs. Sally B. Whitson of Verona, spent the weekend with Mr. and Mrs. Dallas Whitson and Janet.

LITTLE SOUTH FORK

Joe Scudder spent the weekend with Mr. and Mrs. Rea Scudder and Mrs. Eliza Scudder.

Miss Sally Baker has accepted a job with the Western Southern Life Insurance Co., Cincinnati.

Mr. and Mrs. Charles Wallace and family spent Sunday with Mr. and Mrs. L. A. Boots and daughter. Mrs. Eliza Scudder is visiting her son and wife, Mr. and Mrs. Rea Scudder.

Miss Sally Baker spent Wednesday and Thursday with Mr. and Mrs. Howard Miller.

Mr. and Mrs. Robert Baker and family of Union, were Wednesday night supper guests of Mr. and Mrs. H. F. Baker and daughter, the occasion being the fifth birthday of little Bobby Baker.

H. F. Baker and daughter, Sally, were visitors in Covington and Cincinnati, Friday.

Miss Bonnie Baker, Dorothy Boots and Elmer Gene Kiddle attended the Burlington-Gallatin County basketball game Saturday night. Gallatin County was defeated.

Donald Hudson, Patricia Peebles, Doris Isaacs, Donald Adams, Bonnie

Baker and Donald Shinkle attended the Gallatin County-Simon Kenton basketball game at Simon Kenton, Friday night.

L. A. Boots has been ill with the flu, but is better now.

VERONA

The Baptist church has its all-day prayer at the church, Friday.

Billy Mac Waller spent Saturday and Sunday at home.

The Noel Robinson sale was well attended.

Mrs. H. L. Vest and Mrs. Robert Houston and daughter called on Mrs. W. E. Waller, Monday afternoon, bringing her mother, Mrs. Marie Pennington, who recently returned from Wood River, Ill., to spend a few days with her cousin and tell of her trip to Illinois.

Mrs. Floyd Chapman and grand-daughter, Mrs. John T. Lamm and Mr. and Mrs. Jim Lamm attended the funeral of Tommy Pettit, Jr., at Jonesville, Sunday. He was killed in Korea, and arrived home last Thursday.

Mrs. Bernard Wilson has been confined to her home the last few days.

Mrs. Lizzie Noel spent Sunday in the W. E. Waller home.

Luther Risner and family are now settled in their home in Walton. This community misses them from the neighborhood.

Mr. and Mrs. Lou Margolin and sons spent Sunday at the J. C. Kennedy home.

NOTICE

The Department of Revenue has ruled that stock of The Co-Operative Pure Milk Association is taxable to residents of Kentucky.

A number of people have already received penalties for not listing this stock in the past, mostly because they were of the opinion that it was not taxable.

If you own some of said stock and wish to avoid any future penalties, you should contact your county assessor, either in person or by mail, before January 10, 1952, giving the number of shares and the kind (\$20 or \$1 per share).

WILTON STEPHENS, Tax Commissioner, Boone County, Ky.

Mr. and Mrs. Milton Penn of Hinton, were Sunday guests of their son, Andy Penn, Mrs. Penn and children.

More Respect, Please

It sounds too good really to be true, but my friend claims it did happen.

He was lounging in this tavern, watching television, of course, when a man came up beside him.

"What'll it be the barkeep asked. "Oh," the guy said, being coy about it all, "tall, cold and full of gin."

With that, a fellow one stool over who had had maybe one too many pulled himself erect.

"Sir," he hiccupped, "I'll have you know you're talking about the woman I love."

OUT OF BOUNDS

The restaurant patron had been waiting for service at his table for fifteen minutes. Noticing a waiter standing nearby with folded arms, he thought he'd pass some time away with conversation. "Say," he inquired, "How'd the Yankees make out in the double-header today?"

"Sorry," replied the waiter haughtily, this isn't my table."

Discount

You know, Joe may be broke but he'd make a wonderful husband. He's so tall and romantic.

Oh, I like tall men, too. I always said I'd marry a 6 footer, even if he didn't have a cent.

Then how come your fourth husband was a millionaire who was only 4 feet 8?"

Honey, I took 25% off for cash.

No Time for Comedy

Mother was absent from the dinner-table; so Dorothy, aged seven, sat in her chair and pretended to take her place. Father was watching the child's solemn assumption of matronly airs with ill-concealed glee when her brother challenged her position with the remark: "So you're mother tonight? Well, if you're mother, tell me—how much is six times nine?"

Calmly and without hesitation, Dorothy retorted: "I'm busy; ask your father!"

Come Back Later

A pink elephant, a green rat and a polka-dotted snake walked into a cocktail bar.

"You're a little early, boys," said the bartender. "He ain't here yet."

NOT EXACTLY

Woman Customer (in bank): "I would like to make a loan."

Bank Official: "You'll have to see the loan arranger."

Woman: "Who?"

Official: "The loan arranger, the loan arranger."

Woman: "Oh, you mean the one who says, 'Hi-Lo Silver?'"

Completely Gone

Mrs. Tucker was boasting about the wholehearted devotion of her husband.

"I never worry about him paying attention to other women," she exclaimed; "he's crazy about me."

"That's wonderful, dear," rejoined her friend, Mrs. Arnold; "but aren't you afraid he has lured in-ervals?"

A TRUMPED-UP STORY

A deaf woman entered church with an ear trumpet. As she seated herself, an usher tiptoed over and whispered, "One foot, and out you go!"

STAFFORDSBURG

The fellowship dinner at the Staffordsburg Methodist Church was much enjoyed by all who attended. We just wish more people would attend.

Mrs. L. M. Deuser, who has been a patient at McCleary Clinic, Excelsior Springs, Mo., is recovering and will be home in a few days.

Mr. and Mrs. J. A. Keeney and Mr. and Mrs. J. T. Stephens spent Sunday afternoon with Mr. and Mrs. M. B. Baker and Mr. and Mrs. Howard Bryan and children near Grants Lick, Ky.

Mrs. Chester Rapp and mother, Mrs. Duncan, visited Mr. and Mrs. Beech Craigmyre, who are the proud parents of a son, born Saturday.

John Barlow, who was taken to the hospital a week ago, is still critically ill. Our hopes and prayers are for him.

A Christmas program is planned here. May it be a blessing to all, by really glorifying the Christ Child.

FARM DEVELOPMENT SEEN IN GALLATIN

Improvements made on the farm of Mr. and Mrs. Derwood Scroggin of Gallatin county since they enrolled in the Farm and Home Development Program were observed by other members on a tour of the farm and home.

Some of the changes, carefully planned and carried out, were: new mechanical equipment bought, including a tractor outfit; pasture acreage increased from 125 to 150 acres, dairy cows increased from one to 14 head, and more fertilizer used on pasture and cultivated crops.

Mr. Scroggin has enrolled his herd in the artificial breeding program.

Improvements in the home include the installation of an electric pump,

water heater and sink, and the rearrangement of kitchen equipment in an L-shape for greater convenience; the installation of two windows in place of one over the sink,

painting of two rooms and the wiring of two lamps.

SCRIPTURE: Deuteronomy 29-34
DEVOTIONAL READING: Deuteronomy 30:11-14

Hero's Farewell

Lesson for December 9, 1951

A moving picture company once conceived the idea of recording and putting on the screen all over the country what two opposing candidates were saying on various problems. It was enjoyable, or maddening, according to your political views, to observe the contrast. Both men read what they had to say, but their reading was entirely different.

One man kept his eyes on his little desk, never made a gesture, never looked at the audience. It was not inspiring—just a middle-aged man reading to himself. Candidate B on the other hand never let his script come between him and his listeners; he kept his eye on them and unless one observed him carefully one would not notice that he was reading. (He won in a walk, too.) Now the way to get the true flavor of Deuteronomy, especially the chapters selected for this week, is to listen to some one read it who can read like Candidate B. For Deuteronomy is not a desk-book; it is mostly out-of-doors oratory. It was not meant for the eye first, but for the ear.

After the Great Man, What?

A great hero, Moses, was taking leave of his people. In spite of all the grumbling and the rebellions, it is no exaggeration to say that for those people he stood in the place of God. He not only towered above his own generation, but he cast a light far into the centuries, so that to this day we are indebted to the inspired greatness of Moses, the man of God.

Yet the greatest of men must die. When it came time for him to say farewell it is hard to imagine the sinking of heart that all his people felt.

Before them lay the unknown; their whole course of life was about to change, in ways they could not foresee; with Moses gone, how could they face the future? Was he to alter after him (as some "great" men have done) only a vacuum?

A Challenge

IN the closing days of his life, Moses focused his people's eyes on two things. First was the Law. Life is not lived by impulse and inspiration only. Life, to have power and meaning, must be a patterned life, clear and definite lines, a sense of direction. So Moses left behind him—not full details, these were for others to work out—the main lines of civic and social, as well as individual life, in the Law which God had made clear to him as the true "design for living."

But Moses does not simply pour it into people's ears; You shall, you must, these are the orders! He sets it out as a clear choice. He shows the people the alternatives: Life and Good on the one hand, Death and Evil on the other. Make up your mind, he says: Choose. The Law of God does not force you. It is not an arbitrary thing. The reason for the Law is never "just because." The reason for the Law is that it is the way to live. You don't have to keep it. Moses says in effect; but if you choose to reject it, the end of the other road is Death. This is true for individuals, it is true for nations. It is a terrific mistake to think of God as ordering us about for his own amusement, or to tie us down. He gives us orders for our own sakes.

A Song

ANOTHER legacy Moses leaves behind is a Song. We do not usually think of Moses as a poet, but Deut. 32 is ascribed to him. He knew people might forget the Law, but a song they would not forget. "I care not who writes a nation's laws," said a philosopher, "if only I can write its songs."

What Moses gave his people was no mere tuneless trash, but a grand hymn of faith. What Moses most of all was his people to do, is not to remember him but to remember God. So after all the law is on the books, and all the speeches have been made, at the last he gives his people a Song, to remember God by.

Is it not so always? What are the parts of the Bible that mean most to all generations? Always the singing words of Psalm and prophet and gospel, the rhythm of Paul's chapters on Love, the majestic choruses of the Revelation. Though great men pass, though the mind forget the Law, the heart will not forget the Song.

Grandmother Knows

Grandmother knows so many things! She can sew and knit and crochet and make lots of pretty things that people prize because they are hand-made. And you simply can't beat her as a good cook and housekeeper.

Yes, honey, Grandmother does know. She knows about all these practical things—and much more. She knows the deeper lessons of life. She knows that right is right and wrong is wrong—and that right is always best.

The girl who is blest with a good mother and a good grandmother, and is smart enough to learn from them, can practically chart her own happiness and build a life that is a blessing to mankind and the world.

Grandmother knows that spiritual things are far more important than material things. She knows that God rules in the kingdom of men, that the Church is His messenger, and that faith is man's hope of salvation.

DECEMBER 1951

Do you remember what the weather was last December 1? It was not like this December 1. There was snow about knee deep and cold weather. By the time this goes to press we could have some of that kind of weather this year for you never know what kind of weather you will have in Kentucky, 1951 is on its way out, maybe next year we will either have peace or war; the way it is now we are getting a lot of good men killed and crippled FOR WHAT? It is money of politics—it has to be one or the other or both. If not the war would have been over long ago.

James Taylor came in after a four-foot fluorescent light to strip his tobacco by—these are not expensive and will last for years. Barb wire must be getting scarce—I sold a fellow from North Carolina nearly all I had and he would have taken more. Lord cans, sugar cane, sausage seasoning, butcher knives, sausage mills and lord presses are selling now. Everyone must be working for there are very few in town and what does come, gets what they want and hurry home. Jim Falls was in today—he looked happier than I had ever seen him look before—must be still on his honeymoon.

Thursday was a lovely day for November 29—remember last year what a day it was and the snow was so deep—that is what I like about Kentucky, you never know what the next day will bring. Brewster got most of his jobs caught up—he went to Napoleon and put a new burner on a cook stove, then back to Alicia Neumeister's and repaired some plumbing and stopped at Mrs. Grace Knox's and put on a new sink trap, then down to Cleve Marah's to check his oil heater, then stopped at Dr. Maddox's and fixed his garage door and made him several shear pins for his stoker, then to Mrs. Cleo Robinson's to fix a leak in her cook stove.

Chick rewired a fixture for Alicia Neumeister and Roy took it up to her. A friend of mine from Erlanger came up and bought his little girl a bicycle for Christmas—another customer bought two sleds and another bought a table and chairs—I can't mention any names for Santa Claus wouldn't like it. A friend of mine down in Cov-

ington started a hardware store and he had a lot of items he couldn't sell, so I told him to send them out—I take everything—never run out of hardware, because it will sell some time—about the time you get ready to throw some slow movers away, you will have a customer looking for it.

Malcolm Simpson came in after wiring material to put a few lights in his garage. We had a lot of looters today and tonight—J. C. Benton, Albert Parker, Robert Benton, Evan Hance, Russell Sparks, Chas. Sparks, Omer Dudgeon, James Messner, Eldon Ashcraft — of course some of them bought, but had to loot awhile and catch up on the news. Virgil Whaley was in for some paint—he is moving up to his farm at Sherman. Kenneth Johnson bought paint, paint roller, a brush and turpentine—Trudy suite keeps him working. Chick took a lift pump up to Otis Readnour's farm—this is the type that passes the inspection for dairies.

I sold a nice order of light fixtures—we carry a very good selection. Howard Moore bought a Cess pocket knife—he borrowed one and liked it, so he bought a very good pattern. Andy Insko, who operates the Lab Cabin, was in after some wiring material. We have some time getting ready for Santa Claus. We take all the refrigerators, washers and stoves to the warehouse, so we can put out all the toys. We started today, so in about two days we should have them all ready. I think we have a very nice assortment of toys and gifts this year—come early and get first choice.

We have some Maytag washers—most all models—they make a very nice Christmas present. I also have two cabinet kitchen sinks, one 34-in. double drain for \$129.00 and one 66-in. double bowl and double drain for \$179.00—these are first quality sinks. Buy your husband a Black & Decker electric hand saw for Christmas—we have six inch and eight inch saws. What about a nice Remington pump gun in 20 ga. or 12 ga.—this would be nice for Christmas—only \$92.25.

We have a lot of nice gifts, besides our toys—come to CONRAD'S and look before you go to town—when you buy at CONRAD'S it is not OK, you know what to do—bring it back.

Donors Still Needed For Bloodmobile Visit

Unit to Be At Christian
Church, Monday, Dec. 17,
From 1:00 to 7:00 P. M.

The most wonderful gift you can give that won't cost you a penny is a pint of your blood—the gift of life! The Boone County Chapter of the American Red Cross is bringing the Bloodmobile to Walton, Monday, December 17 to collect blood for the Armed Forces. Donors for this visit will be drawn mostly from the Walton, Verona, Beaver and Richmond neighborhoods, as well as all roads leading into these towns. The unit will be stationed at the Christian Church in Walton, and will be here from 1:00 to 7:00 p. m.

A great effort is being made to give everyone a chance to give, but if you have not been contacted, call Mrs. Alan Gaines, Walton 33, Mrs. Jesse Callen, Walton 497, or Mrs. Elizabeth C. Nestor, Florence 54. This is a big job and a fine cause, and it is impossible to contact everyone personally.

According to Mrs. Gaines, about thirty more appointments are needed. If you do not have an appointment and wish to donate blood, do this: Do not eat fats such as cream and butter, meat, fried foods and eggs for at least four hours before your appointment. Light refreshments are desirable during this four-hour period. Take such things as fruit, fruit juices, bread, crackers, dry toast, raw vegetables or vegetables boiled in plain water, jam, jelly or honey, skimmed milk, black coffee or tea with sugar.

You are permitted to give blood every two months or not more than five times a year. Boone county's quota for this year is 500 pints.

"Life is beautiful—give a gift of life!"

Walton Literary Club Meeting at Christian Church

The Walton Woman's Literary Club held its regular monthly meeting at the Walton Christian Church. The church was beautifully decorated with palms and cedar, with a lighted Christmas tree on the altar. The meeting was opened by the president, Mrs. Leo Flynn. She read the "Club Collect." The group sang by Mrs. Lloyd Watson and Mrs. Russell Hodges, accompanied by Mrs. G. C. Ransom at the piano. Spiritual Guidance was given by Mrs. J. J. Marshall.

Twenty-five members answered roll call with "A Christmas Thought." Mrs. Lloyd Watson introduced Mrs. R. P. Hodges of the Covington Woman's Club, who gave several monologues. Christmas packages were opened and each one present received a gift.

Those attending were: Mrs. Leo Flynn, Mrs. J. C. Bedinger, Mrs. J. T. Stone, Mrs. J. J. Marshall, Mrs. A. H. Gaines, Miss Jean Chambers, Mrs. J. H. Conrad, Mrs. B. W. Frank, Mrs. Pearl Johnson, Mrs. Clayton Jones, Mrs. D. L. Lusby, Mrs. H. F. Mann, Miss Emma Jane Miller, Mrs. John Myers, Mrs. W. W. Rouse, Mrs. G. C. Ransom, Mrs. W. D. Scroggin, Mrs. Lloyd Watson, Mrs. E. B. Wallace, Mrs. D. Hess Vest, Mrs. Sam Sleet, Mrs. Forest Thompson, Mrs. Mary H. Lutz, Mrs. Ed Jones, Mrs. Conner, Mrs. Benskeide, Mrs. Alva Fails, Mrs. Pearl Williams, Mrs. S. D. S. Ransom and Mrs. Russell Hodges.

Community Club Meeting

On Monday night, December 17, the Verona Community Club will hold its monthly meeting at the Verona school. After the business session, a visit is expected from Saint Nick. Each person attending is asked to bring a package for Santa's bag (value around \$50 cents) plainly marked "man," "woman" or "child," so everyone will receive a suitable gift. Visitors and members are invited and urged to attend.

Aired Over WLW

The entire Ohio Valley now knows about the birthday celebration of Walton's "Uncle Jimmy" Stephenson. Notice of his 90th birthday celebration was given on the WLW program, "Penny's Party" at 1 p. m., EST, Monday, December 10.

Basis for the broadcast was an article in the Walton Advertiser, telling of "Uncle Jimmy's" 90th birthday. The broadcast is one of a series planned by the WLW station to publicize interesting happenings in the Ohio Valley.

Hatcheries Must Have Licenses In Kentucky

Hatcheries and dealerships in baby chicks that sell more than 1,000 chicks a year must be licensed by the State, Commissioner of Agriculture Ben S. Adams said today.

The reminder came with the opening of the hatching season for most hatcheries—some of which have not yet obtained a permit for the current year.

Adams said that all hatcheries are subject to sanitary inspection by men from the State Department of Agriculture and that no place is licensed that has more than 2½ percent disease in the flock providing the eggs. Out-of-state hatcheries doing business in Kentucky must meet the same requirements and be approved by the department, he said.

Licenses are \$10 a year and applications may be made by mail to the department in Frankfort.

Wins Trip to Chicago

John F. Russell of Piner, a student at the University of Kentucky, Lexington, won the Swift & Co. essay contest, and won a trip to Chicago, December 2-6. Thirty-four other states were represented, and while in the "Windy City," contest winners studied marketing, slaughtering and methods of wholesaling meat and its by-products.

Attend Covington Tea

Mrs. G. C. Ransom, Mrs. Lloyd Watson, Mrs. W. D. Scroggin, Mrs. Pearl Johnson, Mrs. Julia A. Rouse, Mrs. J. T. Stone, Mrs. B. W. Frank and Mrs. Clayton Jones attended the tea given by the Covington Woman's Club in their club room recently for Mrs. Earl Warren, club president, who is the newly-elected governor of the Fifth District, Kentucky Federation of Women's Clubs.

Television Show Tickets

The Women's Guild of the Walton Christian Church has tickets to the television show, "Quiz the Missus," for Monday, December 17, which starts at 10:30 a. m. Anyone desiring tickets may phone Walton 183. The price is \$1.00, including your lunch.

Oyster Supper at Verona

The Verona Community Club invites everyone to attend an oyster supper Friday night, December 14, starting at 6:30. The menu will consist of chili, oyster stew, celery, pickles, pie and coffee.

Baptist WMS to Meet

The W. M. S. will meet at the Walton Baptist Church, Thursday, Dec. 20, for the regular monthly meeting. Hostesses are Mrs. Erma Stockman, Mrs. Louise Stephenson and Mrs. Nancy Sleet.

Services Weekly at Beaver

Regular weekly services will be held at the Beaver Lake Christian Church, Sunday, December 16, at 10 a. m., with Rev. Joseph Johnson, minister, officiating. After services there will be a short business meeting. Everyone is welcome—come and bring a friend.

UNION OES TO MEET

Union Chapter 461, O. E. S. will hold its stated meeting Thursday, December 13 at 8 p. m. in the Masonic Hall, Union. A Christmas program will be given, followed by refreshments.

Mrs. Geo. Sneed, Worthy Matron, and Mr. Sneed, Worthy Patron, will preside. All members are cordially invited to attend.

MOBILE X-RAY UNIT AT BURLINGTON, DEC. 18th

A mobile X-ray unit will make a one-day stand at Burlington, Tuesday, December 18, it was announced by Mrs. Sibbia Reimer, president of the Boone County Tuberculosis Association. The purpose of the unit's second appearance in Boone county is to take re-check X-ray examinations of persons whose original X-ray showed doubt or was insufficiently clear for proper reading.

This mobile X-ray service is one of the many things which the purchase of Christmas seals brings, of which the local association pointed out.

Mrs. Kathryn Cropper, Christmas Seal Sale chairman for Boone county, reported that response to seal sale letters was still continuing but that records show a slight decrease in comparison to last year's response. She was still optimistic, however, that the final weeks would bring enough seal purchases to equal last year's successful drive.

"Give a gift of health—buy Christmas Seals."

'Cat Basketball Trounced Twice The Past Week

Coach Charley Hayes' Bearcats absorbed two sound thrashings the past week. Last Friday, at Hebron, they went down 79-48, and Tuesday night on the home floor, Newport Catholic took them in 5-46. In the Hebron fray the 'Cats lost the services of Billy Smith and Larry Bell. The former suffered a severely sprained ankle, and Bell injured a leg.

Hebron raced out into a 27-10 lead in the first quarter. They increased this margin to 46-25 at halftime. The third period ended 56-38, and in the final period the winners outscored the losers 21-10.

Garnett bagged 25 points for the winners. Criegler added 17, Anderson 13 and Ziegler 12. For the losers Vest was high with 17, and Smith had 13 before leaving the contest.

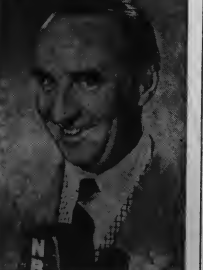

The local reserves were defeated in the opener 35-24. Newport Catholic broke out in front of the 'Cats 20-9 in the first quarter and were never headed. At the half they led 34-26, and at the end of the third period 48-38.

Cole was high man for the victors with 17 points. McCasland and Wisman divided 28 markers. Vest was high for W-V with 19 points and Campbell was next with 11.

The reserves from NC won the opening game 42-29. Friday night, December 14, Florence comes to Walton, and on Saturday afternoon, December 15, at 4:00 p. m., the 'Cats will entertain Hazard, the team coached by Homer Lee Osborne.

Legion to "Treat" Children

Johnson McElroy Post, 277, American Legion, Walton, is going to "treat the kids" on Saturday afternoon, December 22. Santa will be on hand and will present a gift package of assorted nuts, candy and fruit to each child, so come to town kids and get your "treat."

It was "Double Or Nothing" for the two midwest winners of a contest that sent them to Hollywood as the weekend guests of Walter O'Keefe, award, genial quipster who acted as their host. His twice daily quiz show is aired WLW-NBC at 10:30 a. m. and 2 p. m., EST.

Judge Yager Warns Against Gambling As Court Convenes

BURLEY PRICES DROP

Kentucky's burley tobacco price average declined slightly Tuesday. An average of \$52.99 a hundredweight was set on sales at 26 markets, the State Department of Agriculture reported. The Monday average was \$53.66.

This season's daily low was \$52.26 set December 7. The highest in recorded sales history was reached on December 3 with a \$54.25 average. Lebanon had Tuesday's top average among individual markets, \$57.57, followed by Danville's \$57.51, and at Lexington, the average was \$52.65. Carrollton sold 724,494 lbs. of burley Tuesday for an average of \$45.52, and Covington sold 207,916 lbs. for an average of \$44.33.

High basket at the Covington Independent Warehouse, Erlanger, sold for \$70 a hundredweight, and the low for \$14.

Bakery Sale Saturday

A combination bake sale and parcel post sale, sponsored by the American Legion Auxiliary, Post 277, will be held Saturday, December 15, at Hall's Electric Shop, starting at 10 a. m.

There will be delicious homemade cakes, pies and candy for sale. The parcel post packages will sell for twenty cents each. It will be loads of fun to open the packages and see the nice gifts. Remember the date—Dec. 15.

GRACE HENDERSON

Mrs. Grace Henderson, 78, died last Friday at her home in Crittenden.

She is survived by her husband, S. H. Henderson; a son, Lewis A. Henderson, former sheriff of Grant county; a grandson, Lawson G. Henderson, who lives in San Diego, Calif.; a sister, Mrs. Anna Adams, Valentine, Neb., and a brother, W. T. Thomson, Dry Ridge.

Services were held at the Henderson residence, 2:30 p. m., Saturday, with burial following in Hillcrest Cemetery, Dry Ridge.

Christmas Party Is Planned for Y-Teen Clubs of Simon Kenton

The Y.W.C.A. Council of Simon Kenton High School has planned a Christmas party for members of the Y-Teen Clubs of the school for Tuesday afternoon, December 18, from 3:00 to 5:30 p. m., at the Piner Elementary School auditorium.

The Y-Teens are presenting a short Christmas program. The Y. W. A. Council has planned a play, refreshments and an exchange of gifts will follow the program.

The fifth and sixth grade girls of the Piner school are to be special guests at this party.

Members of the Simon Kenton Community Council are mothers of Y-Teens, teachers and other women interested in teen-age girls. Mrs. Ruth Worthington is president of the Council. This council is a member of the Kentucky District Y.W.C.A. Simon Kenton has four Y-Teen clubs.

The purpose of the Y.W.C.A. is "to build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians."

Home from Hospital

Little Johnny Prahrer, son of Mr. and Mrs. Charles Prahrer, of Alta Vista Drive, has returned home from St. Elizabeth Hospital, where he underwent an operation. He is improving nicely.

BETTY STEPHENSON

Mrs. Betty Houston Stephenson, Price Pike, Florence, died Thursday, December 6 at her home. A lifelong resident of Boone county, she was 83 years old. She was a member of the Florence Baptist Church.

Surviving her are her husband, John T. Stephenson; four daughters, Mrs. Frank Stahl of Colfax, Ill., Mrs. S. H. Ambrose and Mrs. Clayton Brown, both of Florence, and Mrs. Dave Wingate of Erlanger; three sons, Goebel Stephenson of Florence, Leslie Stephenson of Owen county, and Jess Stephenson of Colfax; ten grandchildren and six great-grandchildren.

Services were held at 2 p. m., Saturday at the Florence Baptist Church with Rev. R. A. Johnson and Rev. H. L. Gordon officiating. Burial was in the Walton Cemetery.

Chambers & Grubbs funeral home, Florence, completed arrangements.

Huey Heads PMA For Third Time; Meeting Saturday

Mobilization Board Meets

The Boone County War Mobilization Board met Monday in Burlington, with Joseph H. Huey, Union, Chairman, in charge. Other members are: Edgar Graves, Hebron; Mark Cook, Burlington; Floyd Kells, Florence, Chief Technician, Soil Conservation Service; William E. Davis, Florence, County Agricultural Agent; Sam Harrison, Williamson, Director, Farmers' Home Administration; and Roy Eden, Hebron, Boone County Vocational Agriculture Teacher.

Topics discussed were an intensified scrap metal drive, activity of critical materials essential for full farm production, full utilization of farm machinery, and proper utilization of soil and water resources.

Grand and Petit Jurors Are Selected for December Term Of Boone Co. Circuit Court

Judge Ward Yager of the 15th Judicial District convened the Boone Circuit Court at Burlington, Monday. Selected for grand jury service were Clarence Struve, O. K. Powers, Earl Dickman, Joe Ayler, Orville Sebree, C. S. Riddell, George Kearns, Jr., Gerald Dixon, Jay Webster, Ben Hopterton, Wendell Ryan, Clarence Vest. Joe Ayler was appointed foreman, and Orville Sebree was selected clerk.

In calling the grand jury's attention to the laws covering gambling, Judge Yager said that there was a growing need on the part of the citizens of Boone County to see that gambling was kept out of the county.

"There has been a disposition on the part of the gambling syndicates in recent months in cities where the heat is on to branch out into rural communities where their activities may not be so noticeable," Judge Yager said.

Judge Yager praised Boone County officials on the excellent job they are doing in keeping slot machines out of the county.

"There has been an effort on the part of gambling syndicates to get out here," Judge Yager continued. "They have been brazen enough to proposition our officials. In fact, they have gotten so powerful in some of the larger cities in the nation as to tell the citizens just who shall be our public officials."

"Boone County is good," the Judge added. "Let's keep it good. Wherever you see a slot machine, keep it out!"

Judge Yager also called attention to the state liquor laws, and told the grand jury that all holders of liquor licenses should be held to strict accountability to the law.

Boone County citizens comprising Petit Jury, No. 1, are Evan M. Hance, Charles Akin, W. T. Florence, Herbert Baker, W. W. Criegler, Bernard Wilson, Robert Maurer, Mike O'Hara, Emmet Rector, Eldridge Carpenter, Arnold Craddock and Wilford Dixon.

Selected to serve on Petit Jury No. 2 were Alex Jones, Stanley Fooks, O. L. Black, Fred Reimann, Stanley Ranson, Embury Klopp, R. P. Coleman, Merle Eastman, James Beagle, K. E. Stephens, Charles McFarlin and H. R. Anderson.

Two indictments were returned: William Simpson was indicted on a charge of failure to comply with the court's judgment; Robert Wilkins, proprietor of Red Arrow Tavern, U. S. 25, south of Florence, was indicted on a charge of selling malt beverages on Sunday.

Christmas Party Enjoyed by Wa-Na Club Members

The Wa-Na Club was entertained in the home of Mrs. Clayton Jones for its Christmas meeting. The Yule spirit prevailed throughout the meeting. Each member answered roll call with "A Christmas Thought." Mrs. Clayton Jones presided. Mrs. T. P. Strittmatter provided special Christmas music. Christmas carols were sung by the members. Mrs. DeLoe Flynn gave the story of "The First Christmas Tree." An interesting exchange of gifts followed the program. Each member brought a pair of men's socks, one of which was filled with good things. These are to be sent to the Veterans' Hospital.

A delicious salad course was served to the Mrs. Hess Vest, Mrs. William Scroggin, Mrs. Guy St. Clair, Mrs. Catherine Simpson, and Miss Marilyn Coleman, guests, and Mrs. Jack Lyons, Mrs. T. P. Strittmatter, Mrs. Fred Hamilton, Mrs. J. B. Johnson, Mrs. Gayle McElroy, Mrs. Charles Hayes, Mrs. Oscar Cook, Mrs. Leo Flynn, Mrs. J. O. Ward, Mrs. Leonard Cook, Jr., Mrs. W. H. Rice, Mrs. Pearl Leathers, and the hostess, Mrs. Clayton Jones.

FLORENCE NEWS

Mrs. Harry Barnett of the Dixie Highway has returned from Charleston, W. Va., where she attended a meeting of the William Morris Chapter, Daughters of American Revolution.

Mr. and Mrs. Rogers Knox are now occupying their home on Evergreen Drive, recently purchased from B. M. Stevens.

Cpl. Stanley (Dan) Houston has concluded a ten-day leave with his family and friends and returned to his air base at Macon, Ga.

Chas. Conner and son, Bobby, of Marion, Ind., have returned home following a visit with their parents, Mr. and Mrs. Price Conner.

Rev. H. L. Gordon and Alan Utz were recent guests of B. E. Northcutt, who is not so well, we are sorry to report.

Mrs. George Miller and her son, Blayne, and H. B. Simpson, were pleasant Sunday afternoon guests of the P. J. Allens.

Congratulations and best wishes to Johnny Martin and bride, the former Miss Marie Martin, daughter of Mr. and Mrs. Floyd Martin of Devon.

The groom is the son of Mr. and Mrs. John Martin of Erlanger. The wedding was an event of Saturday evening at the local Baptist church.

Mrs. Artie Aylor of near Burlington is with Mrs. Sarah Roland and father, in the absence of Mrs. Beatty who is vacationing in Florida.

Mr. and Mrs. James Pettit were recent guests of Mr. and Mrs. R. E. Tanner.

Among visitors in the home of Mr. and Mrs. Price Conner, Sunday, were Mrs. Ellen Rector and Mrs. Sarah Schuler and children, Rosemary and Edgar, Mr. and Mrs. Dave Wingate and Mrs. Francis Dixon.

Mr. and Frank Stahl, Mr. and Mrs. Wilbur Reinitz and daughter, Mr. and Mrs. Dan Brown and Mr. and Mrs. Jess Stephenson, all of Colfax, Ill., and Mrs. Jerry Chandin of Pontiac, Ill., were called here by the passing of Mrs. Betty Stephenson.

Sunday of last week, Mr. and Mrs. John O. Richards joined Mr. and Mrs. Edgar Utzinger at their home on US 42 for a double celebration of their wedding anniversaries. A delicious dinner was served and enjoyed by the following guests: Mrs. Laura Utzinger of Cincinnati, Mrs. Martha Richards and son Jerry and Mr. and Mrs. Richards of Covington, Misses Lorraine and Marlene Utzinger and the host and hostess. We join in wishing the celebrants many more anniversaries.

Mrs. Betty Stephenson, who had been an invalid for several years, made her demise very quietly last Thursday morning at her home on Price Pike. The 26th of this month she would have reached the ripe old age of 84. She was a fine neighbor and friend and will be missed in the community. Last rites were held on Saturday at 2 p. m. from the Florence Baptist Church, where she was a member. Ministers officiating were Rev. Roy A. Johnson and Rev. H. L. Gordon. Mrs. Stephenson a life-long resident of Boone county, leaves her husband, John T. Stephenson, four daughters, Mrs. Frank Stahl of Colfax, Ill., Mrs. S. H. Ambrose of Florence, Mrs. David Wingate of Erlanger and Mrs. Clayton Brown of Lima-burg; three sons, Jess Stephenson of Colfax, Ill., Leslie Stephenson of Owensboro, and Geobal Stephenson of Florence; ten grandchildren, and six great-grandchildren. The deceased had previously arranged every detail of her funeral and burial. Chambers and Grubbs were the undertakers in charge, and burial was in Walton cemetery, beneath a profusion of beautiful flowers. Pallbearers were: Donald, Wayne and Clayton Brown, Jr., John Stephenson, Gayle Kyle and Lloyd Rouse. The family has the sympathy of the community.

Price Conner remains ill at his home on Burlington Pike.

Services for Chas. L. Craven, 79, of Newport, were held from the Bader funeral home, Newport, Tuesday at 2 p. m. Mr. Craven, a retired foreman for the Central Bridge Co., was a member of the First Baptist Church, Newport. He leaves a daughter, Mrs. Edwin Goetz of Newport, two sons, Frank Craven of Cincinnati, and Claude Craven of Newport, a sister, Mrs. Effie McCrander of Patriot, Ind., a brother, Walter C. Craven, of Louisville, nine grandchildren and four great-grandchildren.

NEW CORN RECORD SET IN KENTUCKY

A new Kentucky corn-production record of 233 bushels an acre has been set by Cledith Rowe, a 4-H Club boy in Magoffin county, according to reports announced in the state Corn Derby.

The corn was grown on bottom land, heavily fertilized, with rows 26 inches apart, and a total of 24,696 stalks on the acre. This is more than double the usual number of stalks recommended by corn-growing authorities.

The acre was planted with several kinds of hybrid corn, but most of it was 523-W. It was planted May 8, and cultivated three times.

It was pointed out that the land produced only 17 bushels an acre 15 years ago. Since then the fertility has been built up by growing cover crops and spreading fertilizer. Not less than 100 bushels an acre has been produced since 1947.

Plant Food Can Help Farmers Meet Call For More Grain

THE call for bigger grain crops in 1952 emphasizes the need for farmers to order fertilizer supplies early, declared the Middle West Soil Improvement Committee, in a recent statement.

"Stocks of grain are reported shrinking in proportion to the number of farm animals to be fed," says the statement.

"Livestock feeders will need more grain to provide for increasing numbers of cattle. Farmers will be asked to boost feed production."

Agronomists report that yields of corn and small grain can be increased 50 to 100 per cent above the state averages in most areas by good soil management methods including the use of fertilizer.

These agronomists recommend using 300 to 400 pounds of fertilizer carrying nitrogen, phosphate and potash at seeding time in the fall and then top-dressing with nitrogen the following spring. Adding a full feed of plant food is important where legume-grass seedings are to be made in the winter.

Promptness in ordering fertilizer is particularly vital now in view of the raw materials situation. Shortages of superphosphate have already developed.

SHORT STORY

Benny's Cow

By Eunice Thomas

"If you ever saw Mama look at Benny you might know why she wanted a cow so bad. Benny was our second brother, twelve years old, and he looked like he might have been cut out of a scarecrow pattern. Mama blamed it on not having milk. But Daddy was always getting mad because Benny was afraid of wouldn't fight like the other boys. He said you couldn't blame it on milk. Then Mama's face got sort of tight and she said Benny needed it more than the others.

So, at last we got a cow. Uncle Hal brought her home in his truck. Uncle Hal maneuvered his bay window from under the steering wheel and waddled to the back of the truck. Daddy stalked around from the other side. Next to Uncle Hal he looked nearly as underfed as Benny.

"We gotta be careful," Daddy said. "She ain't taking to us strangers too well."

"She looks crazy in her eyes," Uncle Hal poked a finger through a crack and the cow let out a low

Despite his bulk, Uncle Hal ran. He plowed a path straight to the back field fence.

bellow. "She's scared silly. No telling what she'll do when we turn her loose. Might as well find out, though."

He let down the tall gate and untied the rope from her horns.

"You young'uns get out of the lot!" Daddy yelled at us. "She's upset enough to try to fight."

She came out snorting and pawing and went over the fence to the peanut patch just like it hadn't been there. Uncle Hal climbed the fence with considerable speed, considering his blubber, and took off to drive her back. Daddy ran to head her off the other way. They circled around her, intending to drive her back to the lot. But she was too upset and scared. She lowered her head and pointed her long sharp horns straight toward Uncle Hal.

Despite his bulk, Uncle Hal ran. With his head back and his elbows

punching the spare tire around his middle, he plowed a path straight to the back field fence. He beat the cow there by several yards, but he didn't bother to climb. He fell over, leaving a good sized patch of his overalls on the barbed wire.

Old Bessie turned her attention to Daddy. He made it to the fence and grabbed a post and swung for safety just as Bessie's horns tangled in the wire below him.

THE COW was tangled in the wire and bucking. Uncle Hal was peeping from behind a nearby oak. The rest of us were atop fence posts.

Daddy was mad enough to shoot Bessie then and there, but she was a summer's profit. He couldn't afford to harm her or let her hurt herself. We hoisted for Mama to send the wire pliers.

Before she could speak to one of the other boys Benny was half way to the house. And he took the pliers to Daddy.

"Watch that cow!" Daddy yelled at him. "She could make hash of you in no time!"

Benny went on. The cow had calmed down some and he got pretty close to her.

"Get back!" Uncle Hal yelled. "When a cow is that crazy—" "She ain't skeetered me, Daddy!" Benny reached out a hand and caressed the cow's quivering side. You could see her relaxing. He rubbed her back a minute and worked up to her shoulders. The restless hoof quit pawing and she stood there trembling while Benny tied a rope around her horns. Daddy started to cut the wire and she reared up again. So he went and leaned on Uncle Hal's oak and tossed the pliers back to Benny.

"All right, son. Cut her loose. So's all yours."

Benny roped her—by himself—and led her into the lot.

"Sure. Now can you stop thinking of your son as a coward and admit he has—ah—" Mama stopped and started turning pink. She was always mighty careful of what she said.

Daddy laughed at her. "Okay, Suzie, We'll call it intestinal fortitude."

Living in Victory

Lesson for December 16, 1951

THE story of the conquest of Canaan is of course a story of historical events. By itself, however, it is not so "edifying" as it once was. Joshua repeatedly committed, or attempted to commit, what is now known as "genocide," or the total deliberate slaughter of an entire nation.

So it is better, all around, to take the story of the conquest of Canaan not in its bare historical form but to follow the example of earlier generations of Christians and take it as a kind of parable, a parable of the victorious life.

Victory Has Many Wounds
BY the victorious life is meant the life that rises above its temptations, liveth for God against all opposition, the strong life, not overthrown by selfishness and sin but overcoming evil with good.

First of all, as a famous war correspondent said, "Victory has many wounds." Joshua and his armies won; but they had casualties. No victory is ever won without a fight; or to put it another way, no victory without a fight is worth much. Yet we forget this in our personal struggles against sin. We are tempted to think, I could be a better person if I did not have so many temptations. I could be a better person in more sympathetic surroundings. I could be a better Christian if I had had better upbringing. If . . .

Maybe you are right, more likely you are wrong. Is an oak a better tree if it is raised in a hot-house? Is a race-horse faster if he never has a hard race? We pray for strength and God sends us difficulties. That is God's way of answering our prayer.

Life-Long Campaign
IN another way Joshua's wars are a type of the war of our best against our worst. He never did quite conquer Palestine. In Judges I the repeated phrase strikes the eye, "did not drive out . . ." In the very center of Palestine, for example, what we now know as the city of Jerusalem remained a hostile stronghold for centuries after Joshua.

The whole story of the Israelites after Joshua shows how imperfect the conquest was at first, and archaeology has underscored the record of the Bible. Yet it is true to say that there was a real conquest of Canaan. The country was won, though there was a vast deal of mopping-up to be done. This is again a parable. The victorious life is not the same as the sinless life.

The majority of Christians believe there was no sinless life, but only one. We have a right to call a man good (as the Bible does) without meaning that he is perfect. Some people are needlessly discouraged at this point. If we expect the victorious life to be so completely victorious that not a single thing of evil remains in it anywhere, we shall not only be expecting ourselves to be better than the saints, but we shall be living in disillusionment.

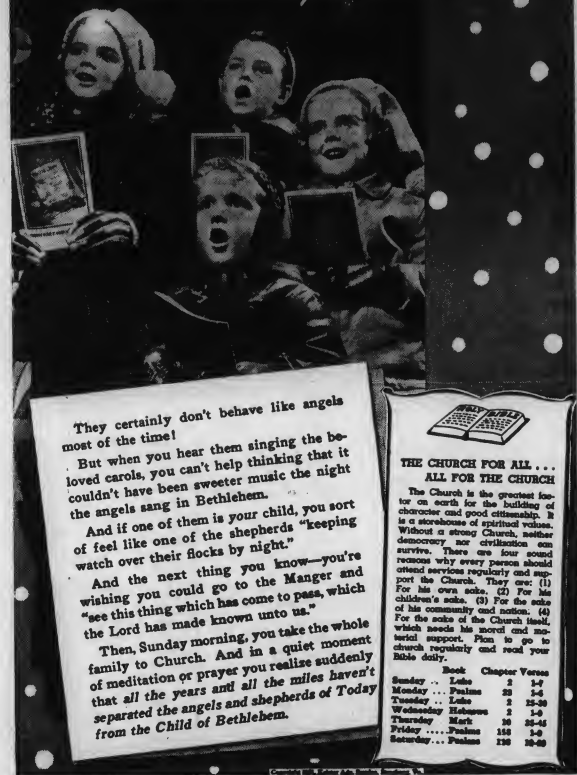

D-Day and V-Day
THERE is another, brighter side to this. It is true, no present conquest of evil is complete; but final and complete victory is assured. For the "Captain of our salvation" is Christ, and we Christians believe he has actually conquered evil, once and for all.

As Dr. Cullman puts it, D-Day and V-Day are not the same. The battle of the beaches came long before the surrender. Christ has put the powers of darkness to flight. The Cross and the Resurrection are the Christian's D-Day. There will be much fighting, many casualties, perhaps many setbacks, before V-Day, but it will come.

The only assurance Joshua had that his cause would finally win was his confidence in God. So the real guarantee, and the only guarantee, which a Christian has of ultimate and total victory is that he fights in the name and in the strength of Jesus. As Martin Luther's hymn has it,

"Did we in our own strength confide,
Our striving would be losing;
"Christus Victor." Christus the Conqueror, is an ancient name for our Lord. But his victories are not old finished stories; they still go on—in us.

FOUR ANGELS... and their Shepherds

They certainly don't behave like angels most of the time!

But when you hear them singing the beloved carols, you can't help thinking that they couldn't have been sweeter music the night the angels sang in Bethlehem.

And if one of them is your child, you sort of feel like one of the shepherds "keeping watch over their flocks by night."

And the next thing you know—you're wishing you could go to the Manger and "see this thing which has come to pass, which the Lord has made known unto us."

Then, Sunday morning, you take the whole family to Church. And in a quiet moment of meditation or prayer you realize suddenly that all the years and all the miles haven't separated the angels and shepherds of Today from the Child of Bethlehem.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his word and material support. Plan to go to church regularly and read your Bible daily.

Surviving him are his widow, Mrs. Edna Mae Earle; a daughter, Mrs. Marie Fornash, Independence; four sisters, Mrs. Laura Stewart of Carrollton, Mrs. Richard DeVoe of Holland, Mich., and Mrs. John Wallace and Mrs. Cora Duvall, both of Covington, and a brother, Raymond, of Covington.

Services were held Dec. 6 from the residence with burial in Highland Cemetery.

Garden Club Tea

Mrs. John C. Mayhugh will be hostess for the meeting of the Kenton County Garden and Cultural Club to be held December 20 at 1:00 p. m. in the Independence Christian Church. A silver tea will be enjoyed, and members have been asked to take guests.

Simon Kenton 47, Ludlow 46

Simon Kenton's Pioneers scored their fifth victory in six games by defeating the Ludlow Panthers, 47-46, last Friday night in an NKAC game at Ludlow.

Simon Kenton, with Glenn Clarkson and Paul Human leading the attack, forged out into a 13-6 lead in the first period. However, Ludlow bounced back in the second period to score 20 points to lead 26-22 at the half time. Simon Kenton held a slight edge in the third period, 16-14, to trail 40-38. In the defensive last period the winners held a 9-6 edge.

The scoring:
Simon Kenton—Human 15, Clarkson 14, Chapman 9, Bieher 7, and Copping 2.
Ludlow—Whitley 13, Ratliff 9, Windburn 7, Rouse 3, Pleasants 5, Huling 2, and Waite 1.
Ludlow's reserves scored a 36-30 win in the opener.

Killed in Wreck

In a reported head-on collision Saturday night on Taylor Mill Road, near Oak Ridge, Kelly Richardson was killed and Ronald and Roberta Kinman injured and placed in the hospital.

Personal

Ira Mullins of Fishburg, is in Booth Hospital and reported in a critical condition.

Dr. Robert Kratz files Thursday to California, and from there he will be taken by plane to Japan.

Leslie R. Holmes left last Thursday for California, and will be in the Marines.

No Rime Nor Reason

Little George's evening was ending up in the usual manner. His mother had ordered him to bed, he had demanded to know why he had to retire so early, and she had told him. Following the usual pattern he had turned to his father.

"Pop," he complained, "women sure are unreasonable!"

Papa watched Mamma out of the corner of his eye, and timidly inquired:

"Why, son?"

"Well," explained the thoughtful youngster, "tonight Mom says, 'George, you are too young to stay up.' Know what she'll say in the morning, Pop? She'll say, 'Get up, George—you're too big to stay in bed!' You can't win, Pop!"

MORE PUNS

A man was ambling down the main street of a small town when a steam-roller ran over his cat. He never said a word. He just stood there with a long pass.

He is also the man who pointed out why a bird with one wing is nothing like a bird with two wings. It's the difference, as I'm sure all of you have guessed, of a pinion.

Apt Definition

A new bunch on a train came through selling Western sandwiches; a man bought one and there was nothing between the two slices of bread. He asked the butcher about it who replied that his sandwiches had two hunks of bread and wide open space, which was Western.

Public Sale

R-A-Y-M-O-N-D

R is for roses.

We're sending his way

To tell him we love him,

On his tragic day.

That he loved so,

To greet him today.

In this brighter world.

Y is for years

He spent on earth

As young as he was,

To leave this earth.

M is for music

For him today,

The song he sang,

To brighten the hours.

O is for offering

Of candy and flowers,

To greet him today;

To brighten the hours.

N is for noon

He loved so true;

To be with you;

He always knew.

D is for dear

So kind and true;

The words that he prayed,

Has gone up above.

Mrs. Helen Speagle and children and Mrs. Geneva Carter called on Mrs. Ollie Hudson, Sunday afternoon.

Mr. and Mrs. Avery Beach and son of Folsom, were guests Sunday of Mr. and Mrs. Lewis Wiley.

Rev. David Elmore of Louisville, preached at the Concord church on Sunday and was entertained in the home of Mr. and Mrs. W. N. Robinson.

Real Estate Sales

Forest S. Thompson, proprietor of The Mutual Realty Co., Walton, sold his farm located in Pendleton county, near Knoxville, to J. C. Benton, Sr. and J. C. Benton, Jr., Walton. This is a good tobacco farm consisting of approximately 151 acres, 5-acre tobacco base, and two large tobacco barns. This is a fine stock

farm, watered by large lake and a creek. Mr. Thompson purchased a 294-acre farm, located 5 miles east of Dry Ridge, from Joe and Helen Wilson, who now live on the farm. This is considered a very desirable farm since it has an excellent 8-room, modern dwelling and a 101-acre tobacco base. The farm was formerly owned by Ethel Johns.

"GOD BLESS YOU ALL"

Southern Railway System
Office of the President
Washington 13, D. C.

On December 31, I am retiring at my own request as President of the Southern Railway.

During my 14 strenuous but happy years as President, I have been continuously encouraged and inspired by the loyalty, spirit and devotion of the countless men and women, both within and outside of our Southern Railway "family," who have worked with me in our efforts to promote the best interests of the South and of the railway that "Serves the South." For this co-operation, I now express my heartfelt appreciation.

Seeing our beloved Southland grow and prosper over the years has been a rich and satisfying personal experience. The fact that I have been privileged to play a small role in this historic drama has been for me its own reward.

Saying "good-bye" as President has been made easier by the Southern's Board of Directors asking me to serve as Chairman. It is made easier, too, knowing that I am "giving up the throttle" to the experienced and competent hands of my colleague, Harry A. DeButts, who has been my Vice President in charge of Operation since 1937.

God bless you all.

Ryland Homemakers

Mrs. John S. Murchison, assisted by Mrs. W. E. Dickman, entertained the Ryland Homemakers in her home December 4 for the regular meeting and a Christmas party and gift exchange. Plans were also made for another party during the holidays.

The president, Mrs. F. B. Hermes, opened the meeting with all members repeating together the Lord's prayer. Many very interesting and practical ideas for Christmas gifts were presented by Miss Zelma Byerly, county agent, and various members.

A report was given by Mrs. Robert Zacharias, membership chairman, on pen pals in other countries and included the reading of an article entitled "Mr. and Mrs. Santa." Mrs. G. A. Damon, reading chairman, read "Christmas, Are We Christmas? Only Christians?" by Milton Mayer, now appearing in the December issue of Better Homes and Gardens.

Mrs. W. H. Bagby presented an informative article on fall mulching and care of shrubs and plants.

At noon, a delightful meal was served, the center of the table being decorated with Christmas greens and candles. The recreational program was in charge of Mrs. W. E. Dickman. Quiz games were played and the group joined in singing the carol "Silent Night." Mrs. Shelby Martin read Chapter 2 of St. Luke.

Members present were Mrs. O. J. Williams, Mrs. W. H. Bagby, Mrs. W. A. Damon, Mrs. Robert Zacharias, Mrs. G. A. Damon, Mrs. W. P. Schwall, Mrs. Edward L. Hauser, Sr., Mrs. W. E. Dickman, Mrs. John S. Murchison and Miss Zelma Byerly. The January meeting will be held in the home of Mrs. F. B. Hermes of Ryland Heights.

The Flatwoods Homemakers Club in Allen county has painted and otherwise converted a room over a garage for use as its club room.

Social Security Notes

Self-employed people cannot expect to draw maximum social security benefits starting in 1952, according to Albert M. Bohon, manager of the U. S. social security office in Covington, Ky.

"Some local businessmen, age 64, or over, are planning to retire in the middle of 1952," Mr. Bohon said, "under the mistaken impression that they can immediately start getting top social security benefits of \$80 a month. That is not true; benefits based entirely on income from self-employment will be reduced in amount if they are applied for in 1952. When application is made in 1953, or later, the full benefit rate can be reached, provided the applicant has maximum net earnings of \$3600 in both 1951 and 1952."

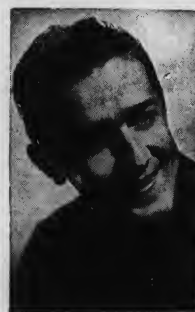

The amended social security law brought most self-employed people under social security, starting January 1, 1951. Farmers and some professional people are still excluded.

A self-employed person who reaches 65 and retires the middle of next year will be eligible for old-age insurance payments, Mr. Bohon said, but the payments cannot possibly reach the maximum at that time.

"In figuring the average monthly earnings upon which the social security benefit is based, the law does not permit using self-employment earnings for the year in which the application is filed," he explained. "Hence, only the 1951 earnings could be counted if an application is filed in 1952. In cases like that, it would be to the businessman's advantage to postpone applying for retirement benefits until the beginning of 1953, when his 1952 earnings will be credited."

The same applies to former social security beneficiaries who have returned to work to increase their benefits. They would generally gain by continuing to work through 1952 and applying for recomputation of their benefits early in 1953.

The social security tax for self-employed people is at the rate of 2 1/2% of net earnings, up to a maximum of \$8000 per year. The tax on 1951 earnings will be paid early next year, in connection with filing the annual income tax return. Businessmen who are considering early retirement were advised to confer with their local social security office for more information.

NOTICE

The Department of Revenue has ruled that stock of The Co-Operative Pure Milk Association is taxable to residents of Kentucky.

A number of people have already received penalties for not listing this

stock in the past, mostly because they were of the opinion that it was not taxable.

If you own some of said stock and wish to avoid any future penalties, you should contact your county assessor, either in person or by mail, before January 10, 1952, giving the number of shares and the kind (\$20 or \$1 per share).

UK MINES BUILDING NEARING COMPLETION

Employees of two state agencies, the Department of Mines and Minerals and the Kentucky Geological Survey, are preparing to move soon into their new quarters on the campus of the University of Kentucky in Lexington. Officials estimate that the new Mineral Industries Building now nearing completion, will be ready for occupancy by January 1. Both agencies have occupied temporary quarters on the UK campus since 1948 when fire destroyed their old home, Norwood Hall.

Hickman county has 30,000 acres of permanent pasture, with 18,000 acres of cover crops.

RESOLUTION—

In remembrance of Charles W. Ransler, our beloved teacher and friend, whose devotion and service of twenty-three years, has been an inspiration to the Willing Workers Sunday School Class of the First Christian Church of Walton, Kentucky, we do hereby resolve:

FIRST, that the members of the Willing Workers Sunday School Class, organized twenty-three years ago with Charles W. Ransler as teacher, are deeply grieved by the loss of our great teacher.

SECOND, that with God's help and guidance, we will strive to keep the class at the same high level with which he endowed it.

THIRD, that we will continue to support two children from the Christian Orphans' Home at Danville, Kentucky, on whose Board he served as a Director for more than twenty-five years.

FOURTH, that a copy of these resolutions shall be sent to his widow, MRS. CHARLES W. RANSLER, SR.; his son, CHARLES W. RANSLER, JR.; his grandson, CHARLES W. RANSLER, III; the Walton Advertiser, the Boone County Recorder, the World Call, the Kentucky Christian, the Official Board of the Widows' and Orphans' Home, and a copy shall be kept in the Record of the Class.

WILLING WORKERS SUNDAY SCHOOL CLASS, FIRST CHRISTIAN CHURCH, WALTON, KENTUCKY.

It takes MONEY TO BUILD!

"I just had to have more barn room . . . and some of the other buildings needed repairing.

"But it takes money to build . . . more than we had saved up. Then, a neighbor tipped me off about a Federal Land Bank loan. He told me to see the National Farm Loan Association. It was a pleasant surprise to learn that the Association was made up of my friends and neighbors . . . all good, solid, substantial farmers.

"Well, today you'd hardly recognize the old farm, it looks so nice. I can keep my livestock and crops in better shape—can operate more efficiently and make more money. And I'm happy about the 4 percent Federal Land Bank loan. I can take 20 to 33 years to pay . . . or pay just as fast as I want without any penalty whatsoever. And I didn't have to pay a cent in application fees, appraisal fees or commissions.

"If you need money to build or improve your farm in any way, let me suggest a Federal Land Bank loan."

Build Bigger Crop Yields for Defense Program By Using More Plant Food, Brannan Urges

SECRETARY of Agriculture Brannan's recent statement that fertilizer is one of the most vital tools for boosting crop production to meet America's emergency food and fiber needs, was cited by the Middle West Soil Improvement Committee as a reason why farmers should give plant food a top listing in any soil management program.

Mr. Brannan pointed out that the threatening international situation and our own mobilization program have created a new and sudden demand for a greatly increased farm output. This new demand, he said, comes at a time when farm production is already at a high level and virtually every acre is under production.

The application of increased quantities of fertilizer, he said, "is the farming practice which provides one of the biggest opportunities for increasing all agricultural production in behalf of the defense efforts."

"Although the total acreage of cropland was not increased significantly during the past 30 years," he added, "farmers found several ways of increasing production to keep pace with our growing population. Mainly this was done through mechanization, improved crop varieties, better pest control, fertilization and improved cultural practices."

Fertilizer doubles wheat yield on Ed Doubet's Hanna City (Ill.) farm.

Farmers have more than tripled the use of fertilizer in this 30 year period, said Mr. Brannan.

Stressing that we must speed up our rate of agricultural production to meet urgent emergency needs, he said that "we are looking on fertilizers as the key for accelerating immediate production and improving soils for sustained production at high levels."

G. H. McGlothlin of Boyd county has 130 New Hampshire pullets, which were at 87% production at six and a half months.

Fall greens, consisting of two kinds of turnips, mustard and Siberian kale, were planted on 65% of the gardens in Harlan county.

In Hancock county, farmers have found that vetch lives through the average winter overflows of the Ohio river.

Oldham county homemakers ordered and set more than 1,800 crocus, tulips, hyacinth and daffodil bulbs in October.

INDEPENDENCE R. 1

This community regrets very much to learn of the death of John Barlow, which occurred at St. Elizabeth Hospital, Saturday evening. Mr. Barlow was born and reared in this neighborhood and was well known by everyone. He had many good friends and neighbors and will be sadly missed. His funeral was held on Wednesday afternoon at Swindler parlors, Independence. The family has the sympathy of the entire community.

We are sorry to report Mrs. Chas. Losey on the sick list. We wish her a speedy recovery.

We were very glad to have Mrs. L. M. Deuser back to Sunday school on Sunday, after a very serious operation at the Clinic in Missouri. We all hope she will continue to improve.

Jimmy Payne left for service last week. We hope he and all the rest of the boys won't have to be gone too long and we will remember them in our prayers.

Wayne Riley will arrive home this week on a 14-day furlough.

Mr. and Mrs. Dawson Ballinger are planning a trip to Arizona, in the near future, to visit their son, Chester, and family.

Miss Beverly Riley spent the week end with her aunt, Mrs. Earl Hanna. Little Dickie Martin of Mt. Sterling, is visiting his grandparents, Mr. and Mrs. J. J. Barnett, this week.

WALTON

Walton, as I have said before, has growing pains—it is growing every day, building houses. You drive out Alta Vista and there are three new houses going up, then on Park Ave. there is another, then on High School Court another, and on Verone Road there are two, and on Nicholson Road another house, besides all the new ones completed this year. New people are moving in every week, and more hunting lots to build on. Our new City Building is under way, the Council signed a contract with a bonding company to sell the bonds; our new school is getting their plans all made.

Walton is growing fast and it is hard to say how much it will grow in 1952, but in the past five years it has really spread out. It is a fine country town in which to live, and very convenient to a city that is one of the greatest market centers in the U.S.A. Move to Walton and buy a home or build you one for this is the best country town in Northern Kentucky, and who would want to live anywhere but in it? Northern Kentucky—move to Walton and buy your hardware at CONRAD'S!

J. C. Benton bought a large size rubber tired wheelbarrow to haul silage in to his cattle. Chas. Coleward bought a car for his wife for his stripping room. Oscar Chandler bought a lot of window sash down for us to put glass in. We are selling a lot of toys, but we cannot tell who bought them or Santa Claus would not like it. I had a fellow come in and buy his wife a Sunbeam Mixer for Christmas; another one bought his wife a Sunbeam Coffee-maker. We are laying away a lot of gifts—buy now, while we have a large selection.

John Rice called for some cistern pipe; Ray took it down to him. Dallas Whitson, from Galatin county, was in today. Chas. Coleward, from Verona, was after stove pipe. Tom Watson was in a few minutes after stove cement. Clem Rauckhorst was looking a little while, which he very seldom does. I went over and took a look at the reservoir—it has filled up a lot—we have lots of water now. We just received some Maytag washers and would they make a nice Christmas gift? We don't have many, so don't wait—get yours first.

We have some very good bargains in Gibson refrigerators, Perfection electric ranges, Dayton

water systems, Murray cabinet sinks and oil heaters. If you need good merchandise, we have it and the price is right—if the merchandise is not right, we will replace it or refund your money—that is our policy. It rained nearly all day Saturday, but we had lots of customers, buying Christmas gifts and I can't tell you who they were and what they bought, but I can tell you what we sold—

We sold two Mixmasters, one portable mixer, a Frywell deep fryer, a Toastermaster, two or three Tri-cycles, about that many wagons, a gas range, a Sunbeam electric razor, some fluorescent lights, a BB gun, a gold plated cake plate, lots of small toys and dolls. Lots of gun shells and licenses went out Saturday, but it was a bad day to hunt. Leslie Hoffman was in after light bulbs. Carl Justice and Utha were getting lights to strip tobacco by.

Carrie and Lonnie Hopperton were buying gifts for their grandchildren. We have lots of gifts for the whole family and more coming in all the time—bicycles, pony saddles, BB guns, holsters and pistols, footballs, basketballs, pedal autos, BMC tractor, sleds, ball gloves and radios. We also have washing machines from \$89 to \$189.95, refrigerators from \$75 to \$295 and electric ranges \$188 to \$348, also 52-gal. electric water heater for \$149, and a nice new Perfection oil heater for your home for \$219—a gift for the whole family, and will they be proud of it.

Mrs. Grace Knox called Brewster to check her Maytag washer. We unloaded four new Maytag washers today—get yours now—they are very scarce. Chas. Steers was buying bolts and hinges for the Walton Sales Barn—they will soon be ready to open. Mrs. Eva Hall bought the best aluminum roaster I had, I sold an 8-qt. Mirromatic cooker today—it will make a nice Christmas gift. We sold more fluorescent lights for tobacco stripping—they are the very things you have the same light all day.

As I say again—Walton is the town! We have the best Gas Plant; we have the best Garages; we have the best Groceries; we have the best Lumber Company; we have the best Restaurants; we have the best Churches; we have the best Schools; we have the best Contractors, Plumbers, Electricians and lots of other businesses I failed to mention—but don't forget the best Hardware Store is CONRAD HARDWARE!

State Police Head Urges Christmas Road Safety

Nine Kentuckians were killed in traffic accidents during a four-day period at Thanksgiving. Commissioner of State Police Guthrie F. Groves reminded motorists today in cautions for greater highway safety during the Christmas period. Crowe is also chairman of the Governor's Highway Safety Committee.

He said traffic on the state's highways is expected to be much heavier than over Thanksgiving and the outlook is for a larger traffic toll. The heaviest part of the Christmas travel will be from Friday, December 21, through Christmas day, he said.

Besides the hazard caused by increased traffic, Christmas motorists may have to combat weather that is the worst for driving, and they will probably encounter more drinking drivers than at any other time of the year, Crowe pointed out.

He asked employers to emphasize the dangers of driving and drinking when planning Christmas parties for their employees and urged partygoers to make plans for safe transportation before attending holiday functions. More than 6,000 persons were killed in the United States last year in accidents in which either driver or pedestrian had been drinking, Crowe said.

Increased traffic caused in cities by Christmas shoppers was cited by the commissioner as a danger to pedestrians and he warned both pedestrians and drivers to use extra caution, particularly during the evening hours when business activity is at its greatest and visibility at its poorest.

B.W.C. Entertained

The B. W. C. of Walton Baptist Church was entertained in the home of Mrs. Howard Blackburn, Thursday evening of last week, with ten members and seven guests present.

Mrs. O. J. Struve, program chairman, presented a very interesting program on "Where Advance," with an additional program on "Christmas in Many Lands."

Miss Helmer Taggart was welcomed as a new member. Visitors present were: Mesdames Jettie Burkett, Evelyn Clark, Bessie Boyd, Nancy Sleet, Betty Webster, and Mary Black.

Members present were: Mesdames Virginia Ward, Juanita Struve, Jane Johnson, Vera Wright, Doris Pennington, Katie Hamilton, Miss Etie Chandler, and the co-hostesses, Mrs. Nell Hunt and Mrs. Christine Blackburn.

Gunpowder Homemakers

The spirit of Christmas prevailed at the December meeting of the Gunpowder Homemakers' Club in the home of Mrs. Bert Marksbury. The Christmas story, as recorded in the 2nd chapter of St. Luke, was read by Mrs. Cliff Norman.

The business session was conducted by Mrs. Charles Tanner, at which time the club voted to buy TB bond, and give a basket of fruit and some toys to a needy family.

The club has adopted a project, "Clothe the Needy," of which Mrs. Bert Marksbury is chairman. The headquarters are at the Florence Methodist Church, where those who have used or new clothing to donate should leave them, between the hours of 11 a. m. and 2:30 p. m. each Wednesday.

The roll call to "Things I like most about Christmas," were answered by Mesdames Dolphie Sebree, Robert Moore, B. M. Stevens, Kenneth Connors, Mabel Shelton, Virgil Kelly, Burl Furgerson, Glenn Stevens, Chas. Tanner, Edgar Utzinger, Elva Piper, Virg Hatchford, Robert Smith, Cliff Norman, Bert Marksbury and Miss Nancy McClaskey.

Visitors welcomed were Mrs. P. J. Weltz, Mrs. John Palmer, Mrs. E. Kessler, Mrs. Vic Huser, Mrs. Jack Walz, Mrs. John Baker, Mrs. B. M. Jones, Mrs. Alfred Roberts, Mrs. Harold Fresser, Mrs. Don Roberts and Mrs. Marksbury.

The fourth milk route in Laurel county is being established by the Carnation Company.

MRS. MOLLIE SLEET

Mrs. Mollie Stahl Sleet, age 74, widow of the late James H. Sleet, died at the home of her daughter, Mrs. Malcolm Simpson, Walton, at 7:30 p. m., Tuesday, after a long illness. She was born in Gallatin county, but had spent the greater part of her life at Beaver Lick. She was a member of the Beaver Baptist Church.

Besides her daughter, Mrs. Sleet leaves two sons, Henry Sleet of Walton, and Ward Sleet of Seymour, Ind.; two sisters, Mrs. Alice Denstler and Mrs. Laura Rider, both of Gallatin county; four brothers, Frank Stahl of Colfax, Ill., Edward Stahl of Bloomington, Ill., William and Chas. Stahl, both of Gallatin county; 11 grandchildren and two great-grandchildren.

Funeral services will be held Friday, December 21 at 2:00 p. m., in the Chambers and Grubbs funeral home, Walton. Burial will be in the Hughes Chapel Cemetery, Beaver.

Christmas Program Sunday

A Christmas program will be presented at the Hickory Grove Baptist Church, near Nicholson, Sunday, December 23 at 8:00 p. m. Included will be Christmas Carols, recitations and a film of the Christmas story. "Come and help make it a good program," said the pastor, Rev. V. F. Lipscomb, Jr.

Entertains Visalia P.T.A.

Miss Peggy Freshney, supervisor of the Walton County Elementary music, presented students of the Visalia school in a Christmas program for the P. T. A., Wednesday, Dec. 19, at 8:00 p. m., at the school. The affair was enjoyed by all present.

Combined Choirs To Sing Carols at Christmas Mass

The Children's Choir will join with the Ladies' Choir to sing the carols before the midnight mass and during the mass itself at All Saints Church, Walton, on Christmas. The Christmas program follows:

Confessions, Monday, December 24 from 4 to 5:30 and 7:30 to 8:30 p. m. Christmas Eve, 11:30. Christmas Carols, combined choirs, singing O Glorious Night, What Lovely Night, Can This Be, O Holy Night, Mary's Lullaby, Adesete Fideles, Lo How A Rose E'er Blooming, Silent Night, and Angela We Have Heard On High, an old French melody.

At 11:50, procession to the crib. Midnight, sung mass and sermon. Propers of the Mass, Gregorian, arranged by Achille F. B. Bragers and Rev. Carlo Rossini, sung by the Choir; Mass in Honor of the Holy Rosary, by J. V. Schiffer, combined choirs; offertory, "Fill Del" by Paul Tonner, combined choirs.

At 7:30 a. m., Shepherds Mass, carols by St. Patrick Choir, at the St. Patrick Church, Verona.

9:00 a. m., third Mass of Christmas, All Saints Church, Walton. Benediction with the Most Blessed Sacrament.

The public is invited to all of the ceremonies.

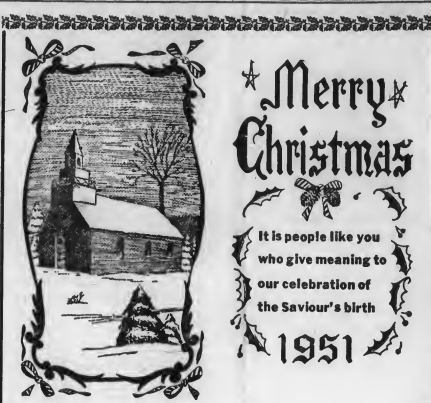

Oak Ridge Homemakers

"To Sprinkle for Christmas" was the Christmas story told by Mrs. Roscoe Sudduth to members of the Oak Ridge Homemakers Club which commenced Edg. Covington for the December meeting and luncheon.

Mrs. Eugene Tomlin conducted a social hour, including a series of songs, appropriate games and an exchange of gifts.

Those present were: Mrs. C. M. McNew, Mrs. Edith Piper, Mrs. E. C. Harris, Mrs. Ralph Lewellen, Mrs. I. E. Mann, Mrs. Chester Barton, Mrs. G. Bowling, Miss Anne Olding, Mrs. K. Hall, Mrs. C. Talbot, Mrs. Roscoe Sudduth, Mrs. K. Galloway, Mrs. Hayden Ware, Mrs. B. Riggs, Mrs. Eugene Tomlin, Mrs. W. B. Wheeler, Mrs. Olin Douglas, Mrs. D. Cooper and Mrs. T. B. Rencher.

The next meeting will be at the home of Mrs. Russell Yates, Kettle Road, January 23, at 10:30 a. m.

Without the birth of Christ, this old world would certainly be a sad place to live. Also the love and understanding of everyone makes Ye Editor and staff happy!

Walton Homemakers

The Walton Homemakers met at the home of Mrs. Jesse Callen for the Christmas meeting, Dec. 14. The home was beautifully decorated, which added greatly in giving each one the holiday spirit.

Those who enjoyed the bountiful turkey dinner and all the trimmings were: Mrs. Mayne Simpson, Mrs. Carrie Rouse, Mrs. William Lancaster, Mrs. Howard Stephenson, Mrs. Scott Lancaster, Mrs. Pearl R. Johnson, Mrs. Marie Patrick, Mrs. Lula Hudson, Mrs. Frank Fencil, Mrs. John Wood, and Mrs. Callen.

During the afternoon a gift exchange was enjoyed. The January meeting of the club will be held in the home of Mrs. John Wood.

Happy Helpers' Banquet

The annual Christmas banquet was enjoyed by the Happy Helpers class of the Walton Methodist Church was enjoyed December 11 in the church basement. About sixty-five members and children enjoyed the affair.

A program followed the dinner, with Mrs. George Hoffman and Mrs. Lloyd Watson in charge. A highlight of the program was the singing of "Rudolph, the Red Nosed Reindeer" by Sandy Downing.

Historical Society To Meet Friday At Florence

The Christmas meeting of the Boone County Historical Society will be held at the Florence Christian Church, Friday, December 21, at 8:00 p. m.

Mrs. Kaye Chandler Smith will present a paper on the "History of the Huey Family in Boone County." Anyone having any material of historic interest concerning this pioneer family is asked to bring it to the meeting.

This is the fourth in a series of programs about the early families of the county. W. C. Barickman, a member of the society, is publishing a series of articles on Boone County pioneers in the Boone County Recorder. It is expected that these articles presented at the meetings will soon appear in book form.

Mrs. J. P. Brothers, chairman of the program committee, will present a Christmas program, featuring Stephen Foster music.

Anyone interested in the history of Boone County is invited to attend and to become a member of the society.

Taking "Boot" Training

Jack N. Lewin, seaman recruit, USN, son of Mr. and Mrs. John Lewin of Walton, Route 1, is undergoing recruit training at the U. S. Naval Training Center, San Diego, Calif.

CONTEST FINALIST

Miss Betty Gaskins

In the contest, "I Speak for Democracy," sponsored by the Junior Chamber of Commerce, Covington, Miss Betty Gaskins, a Junior at Simon Kenton High School, Independence, was one of the three finalists for this area. Twelve Kenton County schools participated. The other finalists were Joe Hughes, a Beechwood senior, and Fredy Perlmutter, senior at Dixie Heights.

Miss Gaskins received a clock radio for her efforts. Perlmutter, the winner, was awarded a television set.

Tobacco Prices Hit New Low On Tuesday

Kentucky's burley tobacco price average skidded to a new season's low Tuesday. An average of \$50.74 a hundredweight was established on sales at 26 markets, according to the State Agriculture Department. The markets sold 14,340,788 pounds Tuesday for \$7,276,995.02.

A total of 217,844 pounds of burley was sold Tuesday at the Kenton Warehouse, Covington, for \$9,880.51 for an average price of \$45.26. The high basket sold for \$69 and the low for \$10 a hundredweight.

The Carrollton average for Tuesday was \$46.80, and at Lexington, it was \$51.24.

Tobacco sales will close this week for the Christmas holiday, and reopen again the first of January.

The Robert Conover heirs in Adair county cut 46,000 board feet of lumber from a 15-acre tract that cut 86,000 feet five years ago.

Hickman county farmers had 775 samples of soil tested in 10 months time.

In Marion county, 378 articles of leather were made in a homemakers club craft project.

Independence Woodmen Elect New Officers

Woodmen of the World, Camp 688, Independence, held their monthly meeting December 12, and elected the following officers to serve during 1952:

Consul Commander, Linzie Wagner; Past Consul Commander, John I. Gray; Financial Secretary, James R. Palmer; Adviser Lieutenant, William Gibson; Banker, Rodney Wagner; Escort, Robert Gibson; Sentry, Norman Ervin; Auditors, Vernon Burch, Paul Sharp and Wilmer Steinhauser.

The new officers will be installed at the first meeting in January.

Community Club Meets

The regular monthly meeting of the Verona Community Club was held Monday night at the Verona school. Three educational pictures were shown, put out by the International Harvester Co. A gift exchange for everyone was also held. Lovely refreshments were served by the hostesses, Mrs. Chas. Ryan, Mrs. Wendell Ryan and Mrs. Lawrence Farrell.

It was decided, by the members present, to have the oyster supper on December 31, to be combined with a "watch party." At this party there will be games and plenty to eat for everyone.

The committee asks that all persons who promised donors, to please give them for the oyster supper December 32. If you care to donate to this supper, please contact one of the committee, Mrs. Walter King, Mrs. J. L. Messmer, Mrs. Jay Webster, Mrs. Lizzie Ryan, or the president, Mrs. Robt. K. Porter.

Christmas Trees Can Increase the Hazard of Fire

Your Christmas tree is a fire hazard and because it contains extremely combustible materials, are words from Russell Groger, Wilton Fire Department Chief, in regards to the holiday season. Tests by Underwriters' Laboratories have proved that Christmas trees are easily ignited and burn swiftly.

"Extreme caution is needed," says the National Board of Fire Underwriters, "when this fire hazard is in your home."

To avoid fires in the home during the Christmas season, a time when fires increase all over the U. S., the National Board suggests the following rules "to keep your Christmas Merry."

- 1—Choose a small tree. It will be less hazardous.
- 2—Wait until a few days before Christmas to set up your tree.
- 3—Keep the tree outdoors until ready to set it up.
- 4—Place the tree in the coolest part of the house.
- 5—Place the base of the tree in a container of water.
- 6—If a radiator is near the tree, shut it off.
- 7—Do not use cotton or paper decorations unless they are flameproofed.
- 8—Do not place electric toys, such as trains, around the tree.
- 9—Do not use candles. Use electric lights instead.
- 10—Make certain wires are not frayed. Choose lighting sets bearing marking which indicates listing by Underwriters' Laboratories, Inc.
- 11—Do not plug or unplug the lights beneath the tree.
- 12—Do not leave tree lights burning when no one is in the house.
- 13—If needles near the lights turn brown, change the location of the lights.
- 14—When needles start falling, take the tree down and discard it.

Oyster Supper Postponed

Due to inclement weather, the Verona Community Club was forced to postpone their scheduled oyster supper until December 31. At this time the supper will be combined with a "watch party." Plans are being made for an evening of real enjoyment for both old and young.

The menu will consist of oyster soup, chili, celery, pickles, pie, and coffee. The public is cordially invited and urged to attend.

With the recent purchase of two purebred bulls, all bulls in Elliott county now are registered or purebred.

Local Farm Produce Worth \$3,652,294 For 1950, Report

All farm produce sold by Boone County farmers totaled \$3,652,294, according to the 1950 census figures. This total is an increase of over one half million dollars since 1945, according to Bill Davis, County Agricultural Agent, Boone County. The sale of livestock and livestock products brought to farmers almost two thirds of this income or over 2 million dollars. Boone County dairymen sold 21,525,139 pounds of whole milk for a total of \$872,369. This was an increase of 3 million pounds over 1945 figures. Cattle and calves on Boone farms increased by 2000 head in the past five years with milk cows increasing by 356 head.

Ninety percent of the farms have electricity and fifty percent have telephones.

The average size of Boone County farms is 102.1 acres, there being a total of 1314 units, with land and buildings valued at \$14,051.

The average of vegetables harvested for sale has decreased from 395 acres in 1945 to 127 acres in 1949. The acreage of tree fruits, nuts and grapes decreased from 668 to 436 acres in the past five years.

Hay production in 1949 showed an increase of 319 acres of alfalfa, a decrease of 1781 acres of lespedeza and an increase of 1706 acres of other tame hay.

The acreage of corn grown for grain was decreased from 12,779 acres to 10,979 acres since 1945, but the yield was increased from 47,981 bushels to 48,556 bushels, indicating that farmers are using improved varieties and more fertilizer.

The number of hogs on farms increased from 11,017 to 12,205, but sheep production decreased from 10,265 to 8,757 head. The decrease in sheep numbers can be largely attributed to losses to flock owners from dogs killing the sheep and forcing owners out of the sheep business.

WALTON OES MEETS

Walton Chapter, O. E. S., held its regular meeting December 17. Prior to the meeting, a turkey supper was served to forty members. Miss Catherine Simpson had charge of the Christmas program. Special music was furnished by a quartet, composed of Mr. and Mrs. Al Fields, V. D. James and Miss Simpson. A solo was sung by Mr. Fields. The music was greatly enjoyed by all. A gift exchange was then enjoyed, and at the close of the meeting, all sang "Happy Birthday" to Mr. James. Miss Josephine Rogers of Chattanooga, Tenn., was a visitor.

EMAS SCHOOL HOLIDAYS

According to Supt. J. O. Ward, the Walton-Verona Schools will dismiss Friday, of this week for the Christmas holidays. School will reopen on Monday, January 7, 1951.

CATS LOSE TO HAZARD

The Walton-Verona Beant cat-basketers were humbled last Saturday in a matinee performance by Hazard 69-44, on the home floor. The game was close for the first two periods, off. In the third quarter the men of Coach Homer Lee Obeah began to pull away from the locals.

Tuesday night of this week, the Haysemen played at Danville, but as we go to press no word has been received of the game.

A RESOLUTION

Whereas, God in his infinite love and mercy, has called from our midst, and from this earthly life, the soul of our beloved brother, Charles W. Ransler, Sr., on the 14th day of November, 1951, who served for several years as chairman of the Board of the Walton Christian Church, of Walton, Kentucky, and was an Elder in the Church for more than thirty years.

Be it therefore resolved:
That whereas the Elders and Deacons, and membership of the Church express to his widow, son, and grandson, our deepest sympathy, and sincerest regret, in the loss of a capable and efficient chairman of our church board, and assure them his departing is a great loss to our church. We express our appreciation and respect for his fine and untiring work as chairman of our building fund committee, and for his service with this committee, that have erected two Christian Church buildings in Walton in the past thirty-three years.

That Whereas, We honor and pay tribute for the faithful and sacred manner, he held the office and served as an Elder of his church, bringing dignity and reverence to his work. We are humble and do recognize his loyalty to the total program and all organizations of the Church, always giving both leaders and members his full support.

That Whereas, We are challenged by his work as a teacher in our Bible School, for forty-seven years, and for his loyal support to the Bible School in every way. For his faithful and long years of service to the Christian Widows and Orphan's Home of Kentucky. He was a member of the Board of the Home and the love he had for their support has led our Church to a larger vision and increased support of our "Other Family." That Whereas, His love for the Brotherhood of the Disciples shall ever be a light, to serve for the future planning and vision of this Church, Congregation, and Board. That we declare here and now our appreciation of faith he had in God, his deep trust in prayer, his optimistic hope for the Church of tomorrow, and his confidence in the life beyond the grave.

That Whereas, We go on record in recognizing that he was a Churchman, who made his Church richer by his support and his faith, and has left to future generations a high ideal of Christian faith and loyalty to Christ's Church.

That a copy of this resolution be sent to his widow, Mrs. Charles W. Ransler, Sr., His son, Charles W. Ransler, Jr., His grandson, Charles W. Ransler, III; The Kentucky Christian, The World Call, The Christian Evangelist, The Boone County Recorder, the Walton Advertiser, and that a copy be made a part of the minutes of the Church Board meeting to be held December 2, 1951.

The Walton Christian Church Board
V. D. James, Chairman
J. B. Doan, Secretary

SIX YEARS' WORK AND FARM IS HIS

Hard work and good management have paid off for Mr. and Mrs. Chas. A. Mills of Meade county. Mr. Mills was named district winner in the Green Pastures program, after topping the list of 14 entrants in his county.

The Mills farm of 287 acres was bought in 1945 in an unimproved state as far as pastures were concerned, explained UK County Agent R. P. Grenacher. With several thousand dollars indebtedness, Mr. Mills built up a livestock and pasture program which, in 1951, resulted in the sale of more than \$10,000 in livestock and other products, exclusive of tobacco.

Pastures this fall consisted of 225 acres of orchard grass, fescue, red clover, Ladino, lespedeza and alfalfa. Livestock included: beef cattle, 51 head; dairy cattle, 3; ewes, 98; lambs, 112; hogs, 59, and hens, 275. The farm, now free of indebtedness, would probably bring four times its original cost if it were to be sold, believes Mr. Grenacher. The Mills have eight children.

Lonza Reed of Johnson county has completed a two-story poultry house to take care of 4,000 broilers.

It takes MONEY TO BUILD!

"I just had to have more barn room . . . and some of the other buildings needed repairing.

"But it takes money to build . . . more than we had saved up. Then, a neighbor tipped me off about a Federal Land Bank loan. He told me to see the National Farm Loan Association. It was a pleasant surprise to learn that the Association was made up of my friends and neighbors . . . all good, solid, substantial farmers.

"Well, today you'd hardly recognize the old farm, it looks so nice. I can keep my livestock and crops in better shape—can operate more efficiently and make more money. And I'm happy about the 4 percent Federal Land Bank loan. I can take 20 to 33 years to pay . . . or pay just as fast as I want without any penalty whatsoever. And I didn't have to pay a cent in application fees, appraisal fees or commissions.

"If you need money to build or improve your farm in any way, let me suggest a Federal Land Bank loan."

Funeral Director: "How old are you, sir?"
Aged Mourner: "I'm 96."
Funeral Director: "Hardly worth going home, is it?"

Meow!

The butcher was busy waiting on a customer when a woman rushed in and said, "Give me a pound of cat food, quick!"
Turning to the other customer she said, "I hope you don't mind my getting waited on before you."
"Not if you're THAT hungry," the other woman replied.

NOT IMPRESSED

A group of Chicagoans were showing a visiting Texan the town. "What do you think of our stock yards?" they asked.

"Man, we got brandin' corrals in Texas bigger'n this."

"Well," they asked further, "what do you think of the imposing skyscrapers of the Chicago skyline?"

"Why, man, we got tombstones in Boot Hill bigger than those."

That night they put a brace of snapping turtles in his bed. When he turned down the covers and asked what they were, he was told, "Illinois bedbugs."

He peered at them a moment. "So they are," he agreed. "Young uns, ain't they?"

SEEDS PROTECTED BY DDT TREATMENT

Stored grain pests ruin millions of dollars worth of precious farm seeds each year, according to agricultural authorities. This is particularly true of seeds stored in cloth bags.

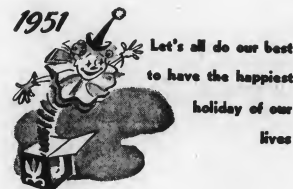

In 1946, entomologists at the University of Kentucky Agricultural Experiment Station at Lexington started a series of tests to find a treatment that would give protection to stored seeds. These tests, now completed, show that cloth bags dipped or sprayed with 10% DDT in carbon tetrachloride will give protection to seeds and grain stored in them for a period of 18 months.

For more complete information on the protection of stored seeds and grains, write the Experiment Station for Bulletin No. 571.

Approximately 80 parchment and 34 cardboard lampshades are being made in Bourbon county by members of homemakers clubs.

It is estimated that about a third of all farmers in Bullitt county seed ed Ladino clover for the first time this year.

In Laurel county, Norma Creech, 4-H club member, got an average of 176 eggs per day from 191 hens, when eggs were from 80 to 95 cents a dozen.

Mr. and Mrs. Robert Huller of Dayton, Ohio, entertained at dinner on last Sunday, Mrs. Irene Renaker, Mrs. Mamie Cahill, Mrs. Helen Rouse and sons, Mr. and Mrs. Carlton Crisler and family and Mr. and Mrs. Melvin Barth and daughter. Mrs. Huller was the former Ruth Cahill of Florence.

Don't forget the pillow slip bingo to be given at the Fire House, Dec. 20 by the Ladies Auxiliary of the Florence Volunteer Fire Department at 8 p. m. The proceeds of the social is for the building fund.

Mrs. Al Pennington of Hopeful Road, was a recent guest of Mrs. Lois Dinn and family of Main St.

Mrs. Lucy Beatty is enjoying a holiday vacation in Miami, Fla., the guest of her son and daughter-in-law.

Why not plan to compete for the prizes offered by the Florence Rotary Club for the best outside Christmas decorations? The first prize is an automatic electric toaster, donated by the Union Light, Heat & Power Co., the second prize, an electric iron donated by the Rotary Club. All you need do is to have your display up by December 20. Judges will select the prize winners between that date and January 1.

Mrs. Eva Osborn has been confined to her room at her home due to illness.

Mr. and Mrs. Fred Kleemeier, Jr. and Dick and Rosetta Aylor were the Sunday evening guests of Mr. and Mrs. Larry Aylor and daughters.

Mrs. Martha Richards of Covington, was a recent guest of her parents, Mr. and Mrs. S. H. Aylor.

Monday evening, Dec. 17, the Florence Rotary Club sponsored Ladies Night with a dinner honoring the wives of the Rotarians at the Legion Home at 6 p. m.

Rev. and Mrs. H. L. Reid were recent Sunday luncheon guests in the home of Mr. and Mrs. Clyde Arnold. May Christmas bring you every joy and the new year be rich in health and happiness is our wish to the Advertiser staff, the many readers, the correspondents and our boys in service. Also greetings and thanks to the folks who contribute items to this column. We appreciate your cooperation.

Mrs. Mae Tanner, who is confined in her home due to a rheumatic condition, is doing very well and her friends wish her the best. She is being cared for by Mrs. Rosa Stephens. Miss Lucille Rucker of Shelby St. is recovering from laryngitis.

Mrs. Ella Weaver was a guest on Saturday in the home of her son, Harold, at Union.

A cold wave accompanied by snow and sleet hit this section during the weekend, sending the mercury to a low of 4 below zero Saturday night. A 3-inch snowfall with freezing rain Friday night was responsible for the worst traffic jam in years in and around Covington and Cincinnati.

Mr. and Mrs. R. E. Tanner were recent luncheon guests of Mr. and Mrs. Emerson Smith.

We regret to report the illness of Mr. and Mrs. C. F. Blankenbaker of US 42 and Fred Vonberg of Goodridge Drive. Their friends wish for their early recovery.

Mrs. Clyde Arnold was the guest of Mrs. Eva Osborn, Sunday of last week, who is not so well, we regret to report. However, her friends wish her the best.

Sunday of last week, Mr. and Mrs. Mortimer Moss entertained at luncheon for Mr. and Mrs. Bill Sharp of Covington, and Mrs. W. R. Miller, an afternoon caller.

Saturday evening, December 8, Miss Sue Sayers became the bride of Robert Carroll, in an impressive ceremony by Rev. H. L. Reid at the Florence Christian Church. Mr. and Mrs. Carroll are residing on Sanders Drive. We join in wishing them happiness and prosperity as they embark upon the sea of matrimony.

Recent guests in the home of Mr. and Mrs. R. E. Tanner were Mr. and Mrs. James Pettit, Mr. and Mrs. Matt Horton of Ludlow and Miss Ruth Bristow.

Mrs. Harry Daugherty was the gracious hostess for the annual Christmas party of the Woman's Society of Christian Service of the Florence Methodist Church at her home on Main Street, December 5. Reports were heard, following the invocation by Mrs. C. N. Ogg. Mrs. Paul Chaney, president, presided over the business session. Mrs. Mildred Mundy, vice president, introduced Mrs. C. S. West, who gave for the devotional, "Thoughts for Christmas." Mrs. West also gave a reading "The Littlest Angel." Mrs. Paul

Chaney was delightfully surprised when Mrs. Ogg presented her, for the society, a gold pin and certificate of Life Membership as a token of appreciation of her faithful devotion to the Missionary cause and excellent leadership in the society. Musical selections were rendered, including Silent Night and Come All Ye Faithful. The diemissal prayer was by Mrs. Allie Markesbery. At the close of the meeting, refreshments of ice cream, cake, coffee and confections were dispensed and enjoyed by all. Attending were Meddames Geo. Miller, C. A. McKibben, A. T. Knox, Rozella Hardin, C. N. Ogg, Marie Thompson, Mildred Mundy, C. S. West, Ruby Carpenter, Allie Markesbery, Mae Bristow, Ella and Helen Bethel, Harry Barnett, Nannie Mitchell, Paul Chaney, Lella Allen, Harry Daugherty and Chester Stephens, who was welcomed into the society as a member.

Several Pike county farmers reported excellent late-fall pastures of Ky 31 fescue.

THE BIBLE SPEAKS

International Union
Sunday School Lesson

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Luke 1-3
DEVOTIONAL READING: Luke 1:48

Christ Is the Answer

Lesson for December 23, 1951

EVERYONE is acquainted with Jesus the baby. The Christmas festival makes that certain. We know that the lot of babies in all Christian lands today is better because of Jesus the child. His coming halcyon childhood and motherhood for all time. But Jesus did not stay a baby. He was born not chiefly in order to be cuddled in a mother's arms. He was born to be a King; he was born to grow, to teach, to command, to save. Where is the festival that presents him King of Kings and Lord of Lords? There are such, but they never had the popularity of Christmas.

Dr. Foreman

Bethlehem Was a Beginning TN innumerable pictures and songs use the mother of Christ looms large, the baby small. In the Bible it is the other way around. The interest of the Bible is not centered at Bethlehem, important as that place was in the history of the world. The songs which only Luke has saved for us all point far beyond the manger-child.

Bethlehem marked the great moment, to be sure, the miracle of miracles when God became man. But that was the beginning, only the beginning. Two of the Gospels fail to mention the first Christmas at all. The two that do mention Jesus' childhood leave it after a few short paragraphs.

If anything is certain about what the writers of the New Testament thought, it is certain that when they thought of Jesus Christ, they seldom, if ever thought of him as a baby. The little Jesus is a helpless child, depending on the care of his mother. He is sweet and appealing, and every one loves him. But he only lies there perpetually smiling. We like babies, but we have our grown-up affairs to attend to. We think babies are "cute," but we take no orders from them, we do not try to be like them. We cuddle them and talk to them, but when we get ready to talk sense, when we are in any kind of trouble, when we need some one to tell us what to do, we never talk to babies.

The Power of God O, if Christ is to mean to us all what he should, it is time we got into the Bible's way of looking at him. He is called the "fulfillment of prophecy." What does that mean? The great prophets looked forward to a coming king, a "Messiah"; he must begin life as a child, because he would be a human being, not an angel.

If our thinking stops with the babe in the manger, we shall never realize the tremendous truth about Jesus. Consider the words that Isaiah used (Isa. 9:6, 7): "Wonderful, Counsellor, the Mighty God, the Everlasting Father, the Prince of Peace." These are grown-up words, more than grown-up. They point to something super-human, something coming into this world, as the Bible puts it, "from above."

The Christ of the Prophets is a person who will "rule the nations." The Christ of the apostles is likewise no child. He is the man sent from heaven; he is the "power of God and the wisdom of God" (I Cor. 1:24). He is King of Kings and Lord of Lords.

A baby lets us do as we please; but not the Lord of Lords. He challenges the world—from a throne, not a cradle. What he thinks, we desperately must know. What his will is, we must learn or perish. If the world is going to pieces today it is because we think no more of Jesus than of any other picturesque infant.

The Christ Who Commands It is said often, as a kind of slogan, that "Christ is the answer." If this means anything true, and it does, it means that the ways of the world are right ways only when they are the ways of Jesus. Thinking, planning, acting—personal and social living both—it is either as Jesus would have it or it is headed for a crash.

This is not to say that the commands of Christ are arbitrary, "just because..." Faith in him is the gateway to life, following him is life. A sentimental glow as we pass the manger at Bethlehem is not what Christianity means. It means saying as Paul did: Lord, what wilt thou have me to do? A Christ who can be patronized or pillied is no answer; the only answer is the Christ who commands.

CHRISTMAS BELLS

Cling-clang ring the bells . . . through valley and forest, through streets and across town and city. Ding-dong sound the bells . . . over the whole land and through the homes and hearts of millions.

It's Christmas and the whole Christian world makes known its joy and thankfulness. But there are many corners of this globe that do not know our joy and what it means. To people in these lands this Christmas day will pass like others, and having passed, will be forgotten.

Can we, on this day of all days, be content to keep this birthday to ourselves? To share it with the universe must be our aim and goal . . . and so let's go to church, where we can learn to spread the Christmas story. Let us help in the great work of building steeples in every land so that Christmas bells may reach the ears and hearts of all people.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own soul. (2) For his children's sake. (3) For the sake of his community and nation. (4) Which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

MUTUAL FIRE ASSOCIATION

Open Until Christmas

We will be open Thursday, Friday, Saturday, and Monday nights until 9 o'clock. This will give you a chance to get all your Christmas, if you work every day. Please don't all of you wait until Monday, as we like to give you the best of service and we can't do it if we are rushed. Get all your Christmas decorations and inside and outside lights—lots of people are going to decorate outside if it warms up a little—and this is really Christmas weather, only a little too cold. Saturday and Sunday were the first two days in a long time that the eaves didn't drip a little.

We have so many nice gifts for Christmas—something you could use for years, such as Maytag washer, Gibson refrigerator, Perfection electric range, Hoffman electric water heater, Dayton electric water system, Mixmaster, Sunbeam electric iron, Sunbeam toaster, Frymaster, pressure cooker, electric chum, electric razor, waffle iron, Arvin radio, kitchen sink, Harvey hammermill for the farm, electric hand saw, electric drill, tool grinder, set of tools for Dad, new Armstrong rug for Mom, bicycle for any size, toys for the kids, door bell for the home, set of stainless steel knives and forks, a new axe, pony saddle and bridle, or

Metal iron board, clothes rack, a Remington Pump gun, Savage Automatic, BB pistol, BB gun, Arvin electric room heater, drop-in type electric water heater, portable diaper-size electric washer with wringer, Big Ben or Little Ben alarm clock, electric kitchen clock, electric percolator, Coleman gasoline iron, electric corn popper, ice cream freezer, thermos jug, croquet set, rubber tired farm wagon, fishing rod and reel, ball ball glove and bat, roller skates, flashlight, case pocket knife, new pin lamp for your desk or bed, we have the gifts, come in and look them over—if you don't see it, ask for it!

Margie Wagner, who, since Saturday, Dec. 8, has been Margie Denaler, came in and bought a refrigerator—she and her husband have an apartment at Edna Combs'. Grove Fisher wanted a coal heater—she looked at all the different ones but when she saw that old reliable Anchor, she sold bring it up. Gordon Moore and wife bought a coal cook stove. Gentry Coyle needed more linoleum—she got it last week. M. F. Stephenson bought fence and barb wire, and so paid his account—he is a fine man and has been a real customer of mine for 16 years.

Every year when we have slick roads, Walton always runs out of tire chains—well, we won't this year, because I have enough for everyone—when the gauges run out, come to CONRAD, he has them. Ray moved Dr. Nolting's oil heater for

him today—he is a very fine chiropractor—give him a try—we need one in this town, but he can't stay without patients, so when you need a chiropractor, see Nolting, he is a fine fellow. Floyd and Clyde Chapman were checking up on Santa Claus—don't exactly know what Santa has on his list.

Mrs. James Naive was buying Christmas decorations. The Walton Rotary Club has the Christmas tree and the lights across the street all up and burning—they pay for the bulbs, tree, wiring and electricity, with the aid of the Union Light, Heat & Power Co. employees. Chas. Worthington, Cliff Pruett, Chief Simmons, Delaney Johnson and a few others helped now and then. It is a big job putting these up every year, but they sure make our town look nice and I believe it gives you the Christmas spirit. Everett Jones brought the nice Christmas tree up from down in his neighborhood.

Saturday was a cold pre-Christmas day, slick roads, very cold and everyone hunting the fire. We had several lawns and customers. Ray delivered Mrs. Alfred Hume a new gun range—it is the best stove I have seen for the price, and very good looking. Lee Kite was up from Beaver, with Everett Jones, and Everett must have forgotten him and went on home, so Ray took his home. John Scott from Verona bought an Arvin electric heater for his bath room. Mrs. Ed Hopton called for us to bring her an Anchor coal heater—the road was very slippery but Ray made it.

Mrs. Alice W. Hughes wanted a large coal and wood heater and a ceiling register, which Brewster delivered, even if it was a very bad day. We try to take care of our customers. Bobb Orr, over at Verona, bought his wife the best Christmas present I have sold in a long time—a new Perfection fully automatic electric range with that all white oven, the warmer drawer, the deep well with a unit that raises to make four on top. If you need it—just put your meal in the oven, set the timer and go or do whatever you want and the meal will be ready.

Nannie Sleet came up and said her Perfection heater was not putting out any heat—well, Ray soon took care of that, for there was hard carbon formed over the feed line hole—he cleaned that out and she came up town later and said it was heating just fine—when a Perfection heater gets this bad it will heat. Always remember, anything made by Perfection is a little better than any other make. Buy your Christmas gifts at CONRAD'S if you can, but if you do or do not, a Merry Christmas—hope to see you in 1952!
